Adjourned Meeting.

Chamber of the Board of Delegates
of the City of San Diego, California,
April 14- 1890.

An Adjourned Meeting of the Board of Delegates, of the City of San Diego, was held this day at 7.30 o'clock p.m. with President Pradt presiding.

Present, Delegates = Wagner: Lyons: Marshall: Pauly: Julian: Day: Rediger: Elliott: Hewitt: Heath: Thompson: Switzer: Hulbert: Kamman: Cooper: Pradt and Clerk Gassaway.

Absent, Delegates = Davies and Seyboth.

The Minutes of an Adjourned Meeting, held March 31- 1890, and of a Regular Meeting, held April 7- 1890; were read and approved.

A Joint Resolution, offered by Delegate Heath at the last meeting, and postponed until this date, providing for the transfer of $2.249.59 from the General to the Public School Fund; was read, and Delegate Heath moved to adopt.

Thereupon at request of this Board, heretofore made, the City Attorney, submitted a written opinion touching the proposed transfer as above set forth.

At this time Delegate Heath withdrew his motion to adopt and moved that the Opinion of the City Attorney be received and filed. The motion carried and it was so ordered.

Thereupon Delegate Heath moved that the report of the City Attorney be taken from file, and referred, together with the above Joint Resolution, to the Finance Committee to report at the next meeting. The motion was lost.

In accordance with notice given, Delegate Wagner moved to reconsider the vote heretofore taken and entered upon page 483 of Record No 1. of the Board of Delegates, upon an Ordinance amending Ordinance No. 43. The motion carried and the vote was so reconsidered.

Thereupon said Ordinance, after being changed by the City Attorney in accordance with suggestions from Members; was read and adopted, by the following vote:

Ayes, Delegates = Wagner : Lyons : Pauly : Day : Rediger : Elliott : Heath : Switzer : Hulbert : Kamman : Cowper and Bradt. = (12)
Noes, Delegates = Marshall : Julian : Hewitt and Thompson. = (4)
Absent, Delegates = Davies and Seybolt. = (2)
Said Ordinance, as adopted, is as follows;

"Ordinance No. 76

An Ordinance amending section one of an ordinance entitled an ordinance requiring the San Diego Water Co. to place a ten inch water pipe on Sixth st. in the city of San Diego.
Be it ordained by the Common Council of the City of San Diego as follows:

Sec. 1. That section one of Ordinance No. 43. being an ordinance entitled an ordinance requiring the San Diego Water Co. to place a ten inch water pipe on 6th street in the City of San Diego, passed Nov. 26th, 1889. be amended so as to read as follows:
Sec. 1. That the said San Diego Water Co. is hereby directed to place on 6th st. in the City of San Diego, a connection with the 6 inch water pipe now laid on the east side of 6th st. at the crossing of D. st, to a connection with the 6 inch water pipe now laid on K. st. said pipe to be laid on said Sixth street to be not less than Six inches in diameter, and to be laid to the official grade as fixed by ordinance and all fire hydrants along said 6th st. between said D. st. and K. st. be connected at their base with said six inch pipe. Said San Diego Water Co. is also directed to connect said six inch pipe on Sixth st. with the 8 inch pipe now laid on 5th st. by a cross pipe of not less than 6 inches to be laid on F. st. also that said Water Co. shall connect by a six inch cross pipe laid on J. st. between said 5th & 6th st. the 4 inch water pipe now laid on 6th st. with the 6 inch pipe now laid on 5th Street. That said Water Co. shall also connect said 4 inch water pipe now on Sixth street south of K. st. by a cross pipe laid on L. st. of a diameter of not less than six inches with the Six inch. pipe now laid on 5th st.
Sec. 2. That this Ordinance shall take effect and be in force from and after its passage."

A Communication from Delegate Seybolt, tendering his resignation as a Member from the 7th Ward, was read and on motion of Delegate Switzer the same was accepted.

A written opinion from the City Attorney relative to the power of the City to change grades of streets and assess property owners therefor (particularly 5th. Street from B. to Mar) was read and filed.

The Board of Public Works submitted Ordinances (2) establishing the grades of "D" and "E" streets, and requested that the same be referred to the Street Committee. Said Ordinances were read and so referred.

Upon request of Delegate Daily, the President appointed Delegate Elliott, a member of the Street Committee, to fill the vacancy caused by the resignation of Delegate Seybold.

Upon request of Delegate Day, it was ordered that Delegate Davies be granted a further leave of absence of 30 days.

Delegate Switzer moved that the Board proceed by ballot, to the election of a Member to fill the vacancy existing in the 7th Ward. The motion was lost.

The Board of Public Works submitted a request from the "Ladies Annex" that the Common Council extend some assurance that the track set apart in the Park, will be prized for water. And on motion of Delegate Wagner it was ordered that at the proper time it is the intention of this Board, to pipe said track at the City's expense.

A Petition from the "Ladies Annex" recommended by the Board of Public Works, that they, said Annex, be granted a Special permit for the erection of certain frame buildings, was read, together with a Joint Resolution granting said Petition.

On motion of Delegate Hamman, said resolution was adopted and reads as follows, viz:

"Joint Resolution No. 77.

Resolved, that Special permission be and the same is hereby granted to the Ladies Annex of the Chamber of Commerce for the construction of frame buildings on Lots C.D. E. & F. H. I. and J. in Block 68. Horton's Addition, upon the express condition that such buildings shall not exceed one story in height, be without flues or chimneys, be used

exclusively for market purposes, and be removed when such use ceases."

A financial report for the month of March 1890. from G. W. Porter Auditor; was read and referred to the Finance Committee.

A Communication from the Board of Public Works, requesting the Common Council to take some action, upon the Ordinances heretofore submitted by said Board, regulating the Construction of Buildings. etc. was read, and filed.

The following petitions for Liquor Licenses were read and referred to the Committee on Health and Morals, towit:

"Jno. Stanovich - retail.
Otto Vogel retail."

A Petition from property owners on "L" Street, asking that said street be not graded, was read and referred to the Street Committee.

"Fourth Street "A" to "Ivy."

The City Clerk presented the affidavit of J. F. Patton, Deputy Clerk of the City of San Diego, California, showing that he did, on the 5th day of April 1890, post conspicuously in the following places towit: on the door of the Hall of the Board of Delegates: on the door of the Hall of the Board of Aldermen: In the lobby of the Post Office: Copies of the resolution, passed by the Board of Delegates, of said City March 24-1890. and by the Board of Aldermen, of said City. March 25-1890. ordering the following street work to be done and instructing the Clerk to advertise for Bids therefor, towit: That Fourth street in said city, from the north line of A. street to the south line of Ivy street and the entire crossings thereof with the streets intersecting the same within said limits, except such portions thereof as is required by law to be kept in order or repair by any person or Company having railroad tracks thereon, be macadamized, curbed, guttered and sidewalked in the manner following, towit: The macadamizing shall be constructed in accordance with the specifications for residence streets, contained in Special Specifications No. 1. Section 2. of Ordinance No. 29. The curbing shall be of redwood planks 3 x 16 inches in size in form of

property, and otherwise constructed in accordance with the specifications therefor contained in Subdivision 7, of Section one, of Ordinance No. 29. and the curb or return shall be of artificial stone or concrete, and constructed in accordance with the specifications therefor contained in Subdivision 6, of Section one, of Ordinance No. 29. except that the width of the curb shall be six inches, and said curbing shall extend along both sides of said street except in front of lots G. H. and I. Block 200. already done. The guttering shall be five feet in width of porphyry blocks of irregular size, constructed in accordance with the special specifications therefor contained in Subdivision 8, of Section one, of Ordinance No. 29. shall extend along both sides of said street and be carried across intersections, where it shall be two feet in width, and shall conform to the plans and cross-sections thereof on file in the office of the City Engineer. The sidewalking shall be of artificial stone or concrete five feet in width, with solid corners, and constructed as follows: the base or foundation shall be three (3) inches in thickness, and composed of one part of the best Portland cement, three (3) parts of coarse, clean, sharp sand, and six (6) parts of roughly broken stone that will pass through a two inch ring, placed on a firm sub-grade and well tamped. The wearing surface shall be three-fourths (3/4) of one inch in thickness, composed of equal parts by measure, of the best Portland cement and clean, sharp sand, colored to a dark slate color, finished with a trowel, and marked off in regular squares. After having set for twelve hours it shall be covered with earth or sand two inches deep and kept so covered for ten days, and it shall extend along both sides of said street, except in front of lots G. H. and I. in Block 200. already done. All work shall be done conformably to the provisions of Ordinances No. 29. and No. 53. And also that the (said Petition) posted, together with the above resolution and notice, copies of the general and special specification above referred to, to-wit: Ordinances Nos. 29 & 53. and that said resolution, notice & specification remained so posted for the period of five days immediately thereafter. Said affidavit was received and filed.

The City Clerk also presented the affidavit of Wm. L. Brown, principal clerk of the printer and publishers of the San Diego Daily Sun, a daily newspaper

printed and published in the City of San Diego, California, showing that the resolution ordering the macadamizing, curbing, guttering and sidewalking of 4th Street, from A. to Ivy. as hereinbefore described upon pages 4. and 5. of this record, and as passed by the Board of Delegates of said City, March 24-1890. and by the Board of Aldermen, of said City, March 25-1890: was published in said newspaper upon the 31st day of March. 1890. and the 1st day of April. 1890. Said affidavit was received and placed upon file.

The City Clerk also presented the affidavit of W.E. Simpson, Principal clerk of the printers and publishers of the "San Diego Daily Sun", aforesaid, showing that a "Notice of Posting Invitation for Street Work Proposals" being a notice given by the City Clerk, and stating that he had, on the 3rd day of April, 1890. posted notice inviting sealed proposals to be received at his office in the City Hall up to the hour of 5 o'clock P.M. of the 14th day of April 1890. for doing the work ordered in said resolution, to-wit, the macadamizing, curbing, guttering and sidewalking of 4th Street, in said City, from "A." to "Ivy". as described upon page 4. and 5. of this record, = was published in said newspaper upon the 7th and 12th days of April. 1890. Said affidavit was received and placed upon file.

On motion it was ordered that due and sufficient proof had been made of the passage by the Common Council of said City, of the resolution ordering the macadamizing, curbing, guttering and sidewalking of 4th Street in said City, from "A." to "Ivy". in the manner hereinbefore set forth, in full, upon pages 4. and 5. of this record. and instructing the Clerk to advertise for Bids therefor. Also that due and sufficient proof had been made of the publication of the "Notice of Posting Invitation for Street Work Proposals" above set forth.

Thereupon the Clerk reported that he had received one (1) such proposal for macadamizing, curbing, guttering and sidewalking 4th Street, from A. to Ivy as aforesaid. and the same being opened was found to be from the "Excelsior Paving Company", who proposed to do said work in accordance with the notice given, etc. at the following prices, to-wit:

Macadamizing at .12 Cents per square foot.

Curbing with Redwood at 20 Cents per lineal foot,

and 4/7½ cents per lineal foot for Artificial stone or Concrete corners or returns.
Guttering at 17 cents per square foot.
Sidewalking 15 7/8 cents per square foot.
The proposal was accompanied by a Bond for $3000.
Thereupon on motion of Delegate Marshall, the following joint resolution was adopted, viz:

"Joint Resolution No. 78.

Be it Resolved, by the Common Council of the City of San-Diego, that the said Common Council having in open session, the Board of Delegates, on the 14th day of April 1890. and the Board of Aldermen on the day of 1890, opened, examined and publicly declared the only sealed proposal or Bid offered for the following street work, viz: That Fourth street in said City from the north line of A. street to the south line of Ivy street, and the entire crossings thereof with the streets intersecting the same within said limits, except such portion thereof as is required by law to be kept in order or repair by any person or Company having railroad tracks thereon, be macadamized, curbed, guttered, and sidewalked in the manner following, viz: The macadamizing shall be constructed in accordance with the specifications for residence streets, contained in Special Specifications No. 1. Section 2. of Ordinance No. 29. The curbing shall be of redwood planks 3 x 16. inches in size in front of property, and otherwise constructed in accordance with the specifications therefor contained in Subdivision 7. of Section one. of Ordinance No. 29. and the corners or returns shall be of artificial stone or concrete, and constructed in accordance with the specifications therefor contained in Subdivision 6. of Section one. of Ordinance No. 29. except that the width of the curb shall be six inches, and said curbing shall extend along both sides of said street except in front of lots G. H. and I. Block 200. already done. The guttering shall be five feet in width, of porphyry blocks of irregular sizes, constructed in accordance with the special specification therefor contained in Subdivision 8. of Section one. of Ordinance No. 29. shall extend along both sides of said street and be carried across intersections where it shall be two feet in width, and shall conform to the plans and cross-sections thereof on file in the office

of the City Engineer. The sidewalking shall be of artificial stone or concrete five feet in width, with solid corners, and constructed as follows: The base or foundation shall be three (3) inches in thickness and composed of one part of the best Portland cement, three (3) parts of coarse, clean, sharp sand, and six (6) parts of roughly broken stone that will pass through a two-inch ring, placed on a firm sub-grade and well tamped. The wearing surface shall be three-fourths (3/4) of one inch in thickness, composed of equal parts by measure of the best Portland cement and clean, sharp sand, colored to a dark slate color, finished with a trowel and marked off in regular squares. After having set for twelve hours it shall be covered with earth or sand: two inches deep and kept so covered for ten days, and it shall extend along both sides of said street, except in front of lots G. H. and I. in Block 200. already done. All work shall be done conformably to the provisions of Ordinances No. 29. and No. 53. = Hereby awards the contract for said work of the said macadamizing, curbing, guttering and sidewalking to the lowest regular, responsible bidder, to wit: Excelsior Paving Company, at the prices specified therefor in the said proposal. The Clerk of this Council is hereby directed to post notice of this award conspicuously for five days on or near the Chamber door of this Council, and also publish said notice in the San Diego Daily Sun, a daily newspaper published and circulated in this City, therefor and hereby designated, for two days, said posting and publication to be made upon the approval of this award by the Mayor, or, if he disapproves it, then upon its subsequent approval by a three-fourths vote of this Council."

"Fourth Street "K" to "Q""

The City Clerk presented the affidavit of P. C. Patton, Deputy Clerk of the City of San Diego, California, showing that he did, on the 5th day of April 1890. post conspicuously in the following places, to wit: on the door of the hall of the Board of Delegates: on the door of the hall of the Board of Aldermen: In the lobby of the Post Office, copies of the resolution, passed by the Board of Delegates, of said City, March 31st. 1890. and by the Board of Aldermen, of said City, March 25th 1890. ordering the following street work to be done

and instructing the Clerk to advertise for Bids therefor. Viz: That Fourth street in said City from the north line of A. street to the south line of K. street, and the entire crossings thereof with the streets intersecting the same between said limits, except such portion thereof as is required by law to be kept in order or repair by any person or company having railroad tracks thereon, be paved, curbed and sidewalked in the manner following. Viz: The paving shall have a broken stone base eight inches in thickness and a natural bituminous rock wearing surface two inches in thickness, be constructed in accordance with the specifications therefor contained in Subdivision 7, of Special Specification No. 2. of Section 3. of Ordinance No. 29. and extend from curb line to curb line except in front of lots A. B. C. D, E. and F. Block 43. where it shall only extend to the gutter line, and be properly joined with the gutter already done. The curbing shall be of artificial stone or concrete, constructed in accordance with the specifications therefor contained in Subdivision 6. of Section one, of Ordinance No. 29. and extend along both sides of said street, except in front of lot F. Block 114, lots E. and F. Block 88, lots E. and F. Block 69, lot L. Block 68, lot J. Block 63, lots A. B. C. D. E. and F. Block 43. all north of the alley in block 42, lots A. B. C. D. E. and F. All work to be done conformably to the provisions of Ordinances No. 29. and No. 53=

Also that he (said Patton) posted, together with the above resolution and notice, copies of the general and special specifications above referred to, viz: Ordinances Nos. 29. and 53, & that said resolution, notice & specifications remained so posted for the period of five days immediately thereafter. Said affidavit was received & filed.

The City Clerk also presented the affidavit of Wm. L. Brown, Principal Clerk of the "San Diego Daily Sun," a daily newspaper printed and published in the city of San Diego, California, showing that the resolution, adopted by the Board of Aldermen, of the City of San Diego, on the 25th day of March. 1890. and by the Board of Delegates of said City, on the 31st day of March. 1890. ordering the paving, curbing, and sidewalking of 4th Street in said city, from K. to A. street, (as fully more described upon pages 9. and 10. of this record.) to be done, and instructing the Clerk to advertise for Bids therefor = was published in said newspaper upon the 2nd & 3rd days of April. 1890. Said affidavit was received and filed.

The City Clerk also presented the affidavit of W. E. Simpson, Principal Clerk of the printers and publishers of the "San Diego Daily Sun" aforesaid, showing that a "Notice of Posting Invitation for Street work Proposals" being a notice given by the City Clerk, and stating that he had, on the 5th day of April. 1890. posted notice inviting sealed proposals to be received at his office in the City Hall, up to the hour of 3 o. clock P. M. of the 14th day of April. 1890. for doing the work ordered in said resolution, viz: the paving and the curbing, and the sidewalking of 4th Street in said city, from "K." to "A" - as described upon pages 9. and 10. of this record. = was published in said newspaper upon the 11. and 12. days of April. 1890. Said affidavit was received and placed upon file.

On motion it was ordered that due and sufficient proof had been made of the passage by the Common Council of said City, of the resolution ordering the paving, curbing & sidewalking of 4th street in said city, from "K" to "A", in the manner heretofore set forth in full upon pages 9. and 10. of this record, and instructing the Clerk to advertise for Bids therefor. Also that due and sufficient proof had been made of the publication of the "Notice of Paving Invitation for sixth ward proposals" above set forth.

Thereupon the Clerk reported that he had received two (2) such proposals for paving, curbing & sidewalking 4th Street, from "K" to "A", as aforesaid, and the same being opened were found to be as follows:

One from A. A. Graham, who proposes to do said work in accordance with the notice given, etc. at the following prices:

Paving 24 7/8 cents per square foot
Curbing 70 cents per lineal foot
Sidewalking at 16 cents per square foot
This proposal was accompanied by a certified cheque for $6000.00

One from the "Bituminous Paving Co." who proposes to do said work in accordance with the notice given, etc. at the following prices:

Paving 27 cents per square foot
Curbing 47½ cents per lineal foot
Sidewalking 13½ cents per square foot
This proposal was accompanied by a certified cheque for $7000.00

Thereupon on motion of Delegate Marshall, the following joint resolution was adopted, to-wit:

"Joint Resolution No.

In the matter of the petition of Isaac D. Sneden, the Finance Committee submitted the following report, viz:

Your Finance Committee to whom was referred the petition filed by Isaac Sneden, and herewith returned, would respectfully report that so far as we have been able to ascertain there is no general complaint on the part of laborers employed by this City, either with regard to the number of working hours or the compensation allowed. We find that other Corporations and other Employers in this City are now paying first class laborers the sum of $1.75 per day, the same as paid by the City, but requiring ten hours work, while the City demands only nine hours labor and of a less exacting nature, physically speaking. We also find that the City has been quite liberal in affording employment, at times, to a much larger force of laboring men than absolutely required, thus in authority justifying themselves, we presume, on these occasions & in this ordinarily unwarranted course, under the plea of hard times, & scarcity of work and enforced idleness, and the consequent necessity of keeping our laboring fellow citizens beyond the impending danger of want and other untoward attending circumstances. Considering the unfortunate though unavoidable lack of demand for labor at the present time, not only here but at other points on the Pacific Coast. notably at San Francisco where private subscriptions have been & are now being collected to assist the suffering laboring classes, and the further fact, that the present force of laborers in the employ of this City, are afforded both steady employment, good wages, and prompt remuneration, your Committee feels constrained to not recommend any change at present, either in the number of hours, or the rate of compensation, trusting, and as they sincerely & confidently believe, that a better demand for the services of laboring men is near at hand, and to be found in the promising prospective enterprises that bid fair to be inaugerated in this City and County at a very early day.

The public highway from Old Town to Pacific Beach having been fenced in, and being in a bad condition generally,
Resolved, that the Board of Public Works be requested to order the Street Commissioner to investigate the matter and make such repairs as are necessary."

The following report from the Street Committee was read and adopted, towit:
"To the Board of Delegates -
We, your Street Committee to whom was referred the petition to grade "L" street from 5th St. to Mt. Hope Cemetery - would report as follows: We find that a portion of the right of way would need to be condemned through private property, therefore we think both that the street be ordered graded only to 33d street, and we also recommend that the petition be returned back to the petitioners and changed to read to 33d street in place of Mt. Hope Cemetery, and that they be requested to obtain a majority of the owners of the frontage on said street between 5th and 33d streets as agrees to the petition.

and on motion of Delegate Day, said report was adopted

The following report of the Joint Strut Committee and the City Attorney, heretofore referred to them, was read, to-wit:

To the Honorable Common Council,
of the City of San Diego, California.

Gentlemen:-

The Joint Committee and the City Attorney to whom was referred the matter of investigating the right of way and franchise heretofore granted to the Del Mar and San Diego R.R. Co by the City Council of this City under date of January 24th 1888 and by Ordinance No. 270, submit the following report:-

We have inspected a considerable portion of said right of way covered by the franchise of said railroad Company, and find the condition of the same to be as follows:- Commencing at the corner of "A" and Atlantic Streets we find some rails and ties placed on the right of way granted by this franchise without a proper road bed for same, and the road with no filling or ballast between said ties to keep them in place, and no method in the manner in which they are placed to show it is the intention to use the same in good faith for railroad purposes; the ties are in many places five feet apart and in others ten and twelve feet apart; the exceedingly light rails placed on these ties are bent, and distended so as to be useless; the road bed is some times in the right of Way and is often somewhere else; the grade is in some places entirely washed away by the tide or partly washed away, leaving part of the rails with the ties attached entirely unsupported; in other places the track is on tide land washed every day by the tide and covered by the debris, almost obscuring the track from view. This is the condition of the franchise as far as inspected by the Committee, except that in places no rails were placed, ties being simply strung along the road. The bridge is the only substantial evidence in the entire route inspected by the Committee, of any purpose to comply with the Conditions of the franchise in good faith. The Committee is therefore of the Opinion, after having examined the premises, that none of the Conditions imposed by Ordinance No. 270 granting the franchise, have been complied with, and as we have been advised by the City Attorney that the City has the legal

authority to declare the franchise forfeited to the City for failure of the owners to comply with the conditions under ~~the~~ which the same was granted, we recommend that all the rights and franchises heretofore granted to the said Del Mar & San Diego Railroad Company be declared forfeited, and that the City Attorney prepare the proper ordinance therefor.

Thereupon Delegate Heath offered the following resolution and on motion of Delegate Day the same was adopted and reads as follows, to wit:

Resolution.

Be it Resolved that it is the sense of this Board that we do most sincerely regret the resignation of our esteemed fellow member Delegate J. P. Davies of the Fourth Ward and that we desire to hereby testify our high appreciation of his valuable services and the pleasant relations which have existed between himself & this Board during his membership.

A Petition from the San Diego Cable Ry. Co. asking the Comcil to cancel the following described portion of street R.R. franchise, granted in Ordinances Nos 92 and 275 of this City, to wit: On Fourth street from C. to K streets on K. street from Fourth to Fifth streets and on Fifth street from K. to L. streets; was read together with a Joint Resolution granting the same; and referred to the City Attorney and Street Committee.

A Joint Resolution (heretofore adopted by the Board of Aldermen) appointing the water committee of the Board

of Aldermen and the water committee of the Board of Delegates, together with J. D. Schuyler of the Board of Public Works, and James P. Goodwin, City Attorney; a Special Water Committee, was read and on motion of Delegate Rediger consideration of the same was postponed until the next meeting.

The following report from the Special Committee to whom was referred the "report of the Joint Committee on Public Lighting relative to the maximum rate of compensation to be charged and collected for supplying Gas and Electric Light in the City," was read and adopted, viz:

"To the Board of Delegates of the Common Council of San Diego.

Your Special Committee to whom was referred the report of the Joint Committee on Telephones, Electric Lights, Gas &c, would respectfully recommend that the said report be adopted.

S. W. Switzer } Committee.
A. H. Julian }

Said report of Joint Committee on Public Lighting is as follows, to wit:

"To the Common Council:

The Joint Committee on Public Lighting to whom was referred the matter of investigating and recommending the maximum rate of compensation to be charged and collected by the San Diego Gas and Electric Light Company for supplying Gas and Electric Illuminating power in the City, report, that after a careful inquiry into the business of said Company and a full consideration of the subject, it is of the opinion that upon the basis of the present rates charged and with the small number of patrons, the plant is not yielding to said Company seven per cent interest upon the capital invested. And in as much as said Company has also voluntarily offered to the citizens of San Diego a materially reduced rate with the view of attracting patrons and increasing the consumption of Gas and extending its business; we recommend that no further action be taken.

Respectfully Submitted,

W. A. Begole
Frank C. Thompson
D. Cave
R. O. Heulbert.
John H. Marshall"

In the matter of a petition from Hughes & Co. asking that the N. C & O R.R. Co. be enjoined from laying further side tracks on L. street.

The Street Committee reported as follows:

"To the Board of Delegates;

Your Street Committee, to whom was referred the Petition of Hughes & Co., praying that the National City and Otay Railroad Company be restrained from laying further switches or side tracks on L street, and from using said street as a switch yard &c, having carefully investigated the subject matter of said petition and examined the ordinances granting privileges to said National City and Otay Railroad Company, respectfully report, that the allegations contained in said petition are substantially true; that said Hughes & Co., are the owners of a Foundry and Machine shop situated on the corner of 7th and L. streets, on Lots E & F. Block 137 Hortons Addition and are doing a large and profitable business; that the business of said Hughes & Co, will be seriously interfered with and obstructed by the construction and use of the side track in front of their premises; and that said Railroad Company has constructed said track without the authority of the Common Council.

Your Committee is of the opinion that the entire arrangement of railroad tracks on L. street from 6th street to 13th street is bad and such as to seriously obstruct the use of said street by the public as well as by persons doing business thereon; that some change or rearrangement of said tracks should be made by which the rights of said Railroad Company and also the Coronado Railroad Company would be protected, the public convenience would be efficiently served and private and personal rights would not be impaired; but in as much as there are no other complaints we doubt the propriety of requiring such changes and improvements to be made at this time, and we therefore recommend.

That the said National City and Otay Railroad Company be required to remove so much of said side track from the north side of L. street as lies between the west line of 7th street and a point one hundred (100) feet east of the east line of said 7th street within ten days and in default

thereof that the Board of Public Works be authorized and directed to remove the same.

Respectfully Submitted,
Chas. W. Pauly
E. W. Elliott
W. R. Day "

On motion of Delegate Rediger said report was adopted. Thereupon the following Joint Resolution, submitted by the Street Committee, was read and adopted, viz;

Joint Resolution No. 6

Resolved, by the Common Council of the City of San Diego, that the National City and Otay Railroad Company be and it is hereby required to remove so much of its sidetrack from the north side of L. street as lies between the west line of 7th street and a point one hundred feet east of the east line of said 7th street within ten days from the passage of this resolution, and that in default thereof the Board of Public Works be authorized and directed to remove the same.

Delegate Marshall offered the following Joint Resolution, which was read and adopted, to wit;

Joint Resolution No. 7.

Be it Resolved, by the Common Council of the City of San Diego, that the President of the Board of Delegates and the President of the Board of Aldermen each appoint three member from their respective boards as a special committee on revision of official salaries of the officers of said City, and report to this Council a list of necessary officials to run the City's business upon an economical basis, with such recommendations as to said committee seem fit.

The City Clerk presented the proofs of publication and posting of the Resolution of Intention to grade certain streets leading to Old Town, which were ordered filed.

Thereupon a ~~Resolution~~ Ordering the grading of certain streets leading to Old Town was read, and Delegate Switzer moved to adopt the same.

A Joint Resolution (heretofore adopted by the Board of Aldermen), and which had been postponed for one week by this Board, was read, and on motion of Delegate Switzer, said Resolution was adopted, and is as follows. to wit:

Joint Resolution No. 3

Whereas, in the opinion of the Common Council of the City of San Diego, the question of obtaining a bountiful water supply at cheap rates, for fire protection, domestic use, and other purposes within the city, is of the utmost importance,

And Whereas, under the existing law in the matter of fixing water rates yearly, it is utterly impossible to fix such rates to the satisfaction of both consumer and distributor, which causes this question to be continually agitated to the great detriment of the best interests of our City. All of which goes to convince the Council of its duty, to solve,

if possible, this water question, by originating some plan by which the City Can become the owner of its water distributing system, and procure cheap water, thereby doing away with the annual water rate agitation, And Whereas, the mayor in his annual report and message recommends that this water question be taken up by the Common Council and duly considered,

Therefore, be it resolved, by the Common Council of the City of San Diego, that the water Committee of the Board of Aldermen, and the water Committee of the Board of Delegates, together with J.D. Schuyler of the Board of Public Works, and James P. Goodwin, City Attorney, be and they are hereby appointed a special Water Committee for the purpose of investigating said question, and at as early a date as possible report to the Council such recommendations, plans and suggestions, as to said Committee seem proper as a solution of this important question.

Said Communications & papers concerning more reports to the Board of Public Works and City Attorney, with instructions, to take whatever action in the matter they deemed necessary.

The following Joint Resolution, was read, and adopted, to-wit:

Joint Resolution No. 5.

Be it Resolved by the Common Council of the City of San Diego, California, that the City Clerk of the City of San Diego be, and he is hereby ordered to cause the following notice of Application and resolution to be published for ten days in the San Diego Daily Sun, a newspaper printed and published in said City. Viz.

NOTICE.

NOTICE IS HEREBY GIVEN THAT DAVID D. Dare has made an application to the Common Council of the City of San Diego, California, of which the following is a copy:

PETITION.

To the Honorable, the Common Council of the City of San Diego, California:

The San Diego Cable Railroad Company petition the Common Council of the City of San Diego, California, for authority to construct and maintain and operate for the period of twenty-five years, a double-track cable street railway along and upon the following streets in the City of San Diego, California, viz:

Commencing at a point on Park Boulevard, directly west of the southwest corner of Block Number 98 in University Heights, thence running north along said boulevard and Carolina streets, to the north line of Adams street, on said University Heights.

Said authority to be granted upon the following express conditions and limitations, viz:

I.

That the cars upon said cable railway shall be propelled by wire ropes running under the surface of the streets, and moved by stationary steam engines, but if at any time the railway cannot be operated by cable, owing to accident to cable or machinery, horses or mules may be used to propel cars thereon during the time necessary to repair the said cable or machinery.

II.

That said cable railway shall be constructed in such a manner as will present the least obstruction to the free use of said streets, the tracks to be as nearly as possible in the centre thereof.

III.

That the grantee or its assigns, shall plank, pave or macadamize, as the said Council may direct, the entire length of that portion of said streets used by said railway tracks, between the rails and for two feet on each side thereof, and between the tracks and keep the same constantly in repair, flush with the street, and with good crossings.

IV.

That the track shall not be more than five feet within the rails; and shall have a space between them, and between side tracks, turnouts and switches of not exceeding five feet, being sufficient to allow the cars to pass each other freely.

V.

That work on the construction of said cable railway shall commence within two days after granting of the franchise therefor and be prosecuted continuously, and one track shall be wholly completed and operated within twelve months, and the balance within three years.

VI.

That the City of San Diego reserves the right to grade, regrade, pave, macadamize, sewer, or otherwise improve, alter or repair the said streets, such work to be done so as to obstruct the said railway as little as possible; the grantee shall shift and reshift said rails so as to avoid the obstruction made thereby.

VII.

That the laying of said tracks, and all side tracks, turnouts, switches or curves, shall conform in all cases with the grade of any of said streets which have been graded, and in all other cases as near to the natural grade of said street as practicable; and when at any time any part of said route shall be graded, or the grade thereof altered or changed by the said Common Council, the bed of the road and the tracks thereon shall be made to conform therewith by the grantee.

VIII.

That no switch shall be constructed or maintained within fifty feet of any cross street, and the location of such switches or turnouts shall be changed at the expense of the grantee whenever so ordered by the said Common Council.

IX.

That the City Engineer shall, under the direction of the Common Council, give the established grades of the streets along the line of the construction of said railway, and set stakes indicating the said grade; he shall see that the said railway is constructed and maintained in conformity to the terms and requirements of the franchise, and for his services as herein required, he shall receive such fees as are provided therefor, and the same shall be paid by the grantee.

Section 2. That the failure to comply with any of the conditions of the franchise shall work a forfeiture of the rights and privileges granted thereby.

SAN DIEGO CABLE RAILWAY CO.
Per D. D. DARE, Pres't.

And that the said Common Council passed the following Joint Resolution, viz:

JOINT RESOLUTION NO. 4.

BE IT RESOLVED by the Common Council of the City of San Diego, California, that the San Diego Cable Railway Company has filed a petition and application, a copy of which is hereto attached and marked "Exhibit A."

That said Common Council hereby determines that a double track street cable railway franchise should be granted along and upon the route described in said petition and application, to-wit: Commencing at a point on Park Boulevard directly west of the sothwest corner of Block 98 in University Heights, thence running north along said Park Boulevard and Carolina streets to the north line of Adams avenue on said University Heights, in the City of San Diego, California, and upon the conditions stated in said petition and application.

And said Common Council offers to grant the said franchise to the person, company or corporation who will pay the highest sum for the said franchise; the Common Council has the right to reject any and all bids and may refuse to grant a franchise for any part of said route.

Sealed bids are invited and will be received for said franchise at the City Clerk's office in the City Hall, up to the hour of five o'clock, P.M. on the 2d day of June, 1890.

All bids offered shall be accompanied by a check certified by a responsible bank, payable to the order of the City Clerk for an amount not less than five per cent of the aggregate of the proposal.

The successful bidder shall pay all costs of advertising.

Dlg Delegate Rediger moved that the portion of said report appointing Standing Committees be adopted.
Delegate Heath declined to serve on the Finance Committee.
Delegate Marshall declined to serve on the Police Committee.
Thereupon said portion of said report was adopted.
On motion it was ordered that another rule be added to said report as follows:
Rule 31.- Smoking shall be permitted during the sessions of this Board.
Delegate Rediger moved to amend said report by adding the following:
Rule 32:- Any member of this Board who shall be absent from its meetings, for a period over 30 days, unless on official business for the City, his place as a member thereof shall become vacant.
On motion of Delegate Heath said amendment was laid upon the table.
Thereupon on motion of Delegate Wagner and by a unanimous vote, said report was adopted as amended

---

Delegate Rediger offered the following resolution which was adopted, viz:

(Delegates Kamman and Cooper were here excused)

Resolution.

Resolved, that all matters which have been referred to the old Standing Committees and which have not been reported upon by them, that the same are hereby referred to the new Standing Committees.

Thereupon the Board adjourned until Monday May 26th 1890, at 7-30 o'clock p.m.

Adjourned Meeting.

Council Chamber of the Board of Delegates of the City of San Diego, California. May 26th 1890.

An adjourned meeting of the Board of Delegates of the City of San Diego, was held this day at 7-30 o'clock p.m., with President Hewitt presiding.
Present; Delegates, Marshall, Pauly, Bradt, Julian, Day, Rediger, Elliott, Heath, Hollington, Switzer, Hulbert, Kamman, Cooper and Hewitt, and Clerk Gassaway.
Absent; Delegates, Wagner, Lyons, Reed, and Thompson.

The Minutes of an adjourned meeting held May 19th 1890, were read and approved.

D. C. Reed, elected by this Board to fill the vacancy caused by the resignation of J. P. Davies as a member from the Fourth Ward, having failed to qualify; on motion of Delegate Day it was ordered that this Board proceed to fill said vacancy.
President Hewitt declared nominations in order, and
Delegate Cooper nominated John N. Young.
Delegate Day nominated John Thurman.
Nominations were declared closed.
Thereupon President Hewitt appointed Delegates Kamman and Hollington to act as tellers, and the Board proceeded to Ballot with the following result, viz;
John N. Young received Five (5) votes;
John Thurman " Nine (9) "
John Thurman having received a majority of all the votes cast was declared duly elected a member of the Board of Delegates of the City of San Diego, California, from the Fourth Ward.

The following Message from the Mayor was read, viz.:

Mayor's Office.

San Diego, Cal. May 22nd 1890.

To the Board of Delegates:

I have the honor to return herewith, without my approval, Ordinance No. — entitled —

'An Ordinance fixing the schedule of wages to be paid all 'persons employed as mechanics or laborers by the City of 'San Diego.'

This ordinance was passed under authority of Sub-division 38 of Section 1, Chap. 2, Art. 2 of the City Charter, which provides that the Common Council shall have power to pass Ordinances-

'To make rules for the government of all servants, em-'ployees, officers and departments, and to fix the fees and 'charges for all official services; and to fix salaries and 'wages not otherwise provided by general law or by 'this Charter.'

Section 3245 of the Political Code of California provides as follows:

'Eight hours' labor constitute a legal days work in 'all cases where the same is performed under the au-'thority of any law of this State, or under the direction, 'control, or by the authority of any officer of this State 'acting in his official capacity, or under the direction, 'control, or by the authority of any municipal corpora-'tion within this State, or of any officer thereof acting 'as such; and a stipulation to that effect must be made 'a part of all contracts to which the State, or any mu-'nicipal corporation therein, is a party.'

Under the schedule established by this Ordinance the rates fixed for day's wages are as follows:

Mechanics	$ 2.40
Common laborers	1.60
Two-Horse Wagon with team and driver	3.20
One-horse wagon " " "	2.40

These rates are not equal to those usually and generally paid in San Diego, and I cannot think there can be any true economy in adopting them for the public work. None of the money paid for labor goes out of the City; it is to the uttermost penny immediately returned into the channels of local circulation. The Superintendents of all public work are sworn officers of the City, under bonds to see to it that adequate and faithful service is rendered by all persons employed therein.

Under these circumstance it seems to me that justice, good policy, and wise economy, alike indicate that this municipal corporation should not depart from

the principle of "a fair days wages for a fair days work."

Respectfully,
Douglas Gunn
Mayor."

And on motion of Delegate Rediger the same was received and ordered filed.

Thereupon Delegate Heath gave notice that he would move to reconsider said above mentioned ordinance within ten days.

The following Joint Resolution, submitted by the Street Committee was read and adopted, viz:

Joint Resolution No. 8.

Whereas, a protest against the curbing, guttering and grading of 5th Street from B to Upas has been signed by more than a majority of the frontage and will be presented when the notice of the passage of the resolution of intention has been posted and published and thus prevent the work being done, therefore be it

Resolved, by the Common Comcil of the City of San Diego, that the Street Superintendent be and he is hereby instructed and directed to not publish and post a notice of the passage of said resolution, and that said resolution be and the same is hereby rescinded.

A Communication from J. R. Spencer relative to certain action of the Road-Keeper, was read and referred to the Committee on City Lands.

A Communication from the Board of Public Works, transmitting a communication from Marcus Schiller, asking that the map accompanying said communication (being a subdivision of an unnumbered Pueblo Lot lying between Pueblo Lots A. & B., to be called North Florence Heights Addition) be approved; and certifying that said map conforms to the surrounding surveys, was read and referred to the Street Committee.

A Petition from Chas. F. Hertweck for retail Liquor License was read and refered to the Committee on Health and Morals.

The following report from the Committee on Gas, Electric Light and Telephone, was read and adopted, viz:

"To the Board of Delegates:

The undersigned of your Committee to whom was referred the communication relative to the placing an electric light in the tower of the Court House, would recommend that the City do not comply with the request.

1st Because the Court House is under the control of the authorities of the County.

2nd " Because the City pays a great portion of the County taxes which are generally expended outside of the City, the Court House excepted.

3rd " Because according to the vote of the County a majority of the population of the County is in the City.

4th " Because under the present financial condition of the City it is inexpedient.

S. W. Switzer
C. F. Kamman."

The following report from the Committee on Sewers was read and adopted, viz:

"To the Honorable Board of Delegates.

Gentlemen:- Your committee to whom was referred the matter of inspection holes on 4th " St. most respectfully recommend; That the inspections on 4th " St. be changed to "Man holes" as recommended by the Honorable Board of Public Works, and would still further recommend, that the inspections on all paved streets be changed to "man holes" if there is sufficient funds in the Sewer Fund to admit of the above changes.

One of your committee while acting as Sewer Inspector did at that time recommend to the City Council to make the above mentioned changes.

Your committee find quite a number of inspection holes, so deep, that it is impossible to reach them with an instrument, in order to remove any impediment to the sewers.

Very respectfully submitted,
A. H. Julian
W. Hollington
Wm " Cooper."

The Sewer Committee was granted further time in which

to report relative to the N. St. Sewer.

The Committee on Harbor and Wharves was granted further time in which to report on the Communication of Spreckles Bro's Commercial Co. relative to the Garbage Dump.

Delegate Heath called the attention of the Board to the fact that printed lists of the Standing Committees of this Board, containing his name as a member of the Finance Committee, had been distributed; and that he had declined to serve as a member of said committee.

Delegate Rediger moved that the request of Delegate Heath be granted.

Delegate Marshall called for the Ayes and Noes.

Thereupon said motion was lost by the following vote, viz:

Ayes; Delegates, Rediger, Heath, Switzer, Hulbert, Kamman and Hewitt.

Noes; Delegates, Marshall, Pauly, Bradt, Julian, Day, Elliott, Hollington and Cooper.

Absent; Delegates, Wagner, Lyons, and Thompson

In accordance with the provisions of Joint Resolution No.7, President Hewitt appointed Delegates Marshall, Cooper and Heath on the Special Joint Committee on revision of official salaries.

Thereupon the Board adjourned.

Regular Meeting.

Council Chamber of the Board of Delegates of the City of San Diego, California, June 2nd 1890.

A Regular meeting of the Board of Delegates of the City of San Diego, was held this day at 7-30 o'clock p.m. with President Hewitt presiding.
Present; Delegates, Wagner, Marshall, Pauly, Bradt, Day Rediger, Heath, Thompson, Hollington, Hulbert, Kamman Cooper, and Hewitt, and Clerk Gassaway.
Absent; Delegates, Lyons, Julian, Thuman, Elliott, and Switzer.

The minutes of an adjourned meeting held May 26th 1890, were read and approved.

The following report from the Committee on City Lands was read and adopted, viz;
"To the Hon. the Board of Delegates.
Gentlemen:- Your committee to whom was referred the petition of Marcus Schiller in reference to the ten acres of land transferred to the City for cemetery purposes; have examined the matter, and report that as the land was given expressly for cemetery purposes the City has no authority to dispose of the same, as in the petition asked for by Mr. Schiller. We would therefore recommend that the petition be placed on file.
Frank C. Thompson
W. R. Day"

In the matter of a Communication from J.R. Spencer relative to certain action of the Pound Keeper.

The Committee on City Lands reported as follows, viz;
"To the Hon. Board of Delegates;
Gentlemen:- Your committee respectfully refer back the annexed complaint with the recommendation that as the Pound Keeper is an appointee of the Mayor, and as the Charter gives the control of all such officers

to the Mayor and makes him responsible for their conduct, that the complaint be referred to his Honor for proper adjustment.

Frank C. Thompson
W. B. Day "

And on motion of Delegate Marshall said report was adopted.

The following report from the Finance Committee was read and adopted, viz:

"Your Committee find on examination of the Police Court reports no mention made of arrests of gamblers, and for violation of the liquor license ordinance, and whereas gambling houses are in existance and liquor is being sold by those not having a license, therefore, be it resolved - that the Chief of Police be instructed to see that the ordinances of this City in respect to gambling and liquor licenses are rigidly enforced.

Harr Wagner
Wm Cooper "

In the matter of a petition from R. A. Thomas et al. to be relieved from paying certain taxes assessed for the year 1889.

The Finance Committee reported as follows, and said report was adopted, viz:

"Your committee has investigated the petition of R. A. Thomas et. al. herewith, and find the facts substantially correct, and would recommend that the same be granted."

Harr Wagner
Wm Cooper "

Said petition of R. A. Thomas et al, granted above, relieves the petitioner from the payment of cost of certificates of sale, amounting to $9.56 cts, on Lots in "Park Villas, a subdivision of the east half of Pueblo Lot 1126, the east half of Pueblo Lot 1127 and Pueblo Lot 1349, assessment of 1889.

The following report from the Committee on Harbor and Wharves was read and adopted, viz:

"To the Honorable Board of Delegates.

Gentlemen:- Your committee to whom was referred the communication of the Board of Public Works and the Spreckles Bro's pertaining to the garbage wharf &c., would recommend that a new wharf for the use of the garbage teams be built at or near the foot of Nineth street in the City of San Diego.

Wm Cooper
John H. Marshall "

The following report from the Street Committee was read and adopted, viz:

"To the Board of Delegates;

The Street Committee, to whom was referred the communication and specifications submitted by the Board of Public Works in regard to the construction of a permanent flume or culvert across 4th street on "B" street report that after fully investigating the matter, it is of the opinion that the recommended improvement should be made as 4th street cannot otherwise be properly paved. But in the judgement of the committee the work should be of concrete throughout in accordance with the plan and specifications herewith submitted, instead of brick and wood as recommended, the estimated cost of concrete being $800. It is therefore recommended that the accompanying resolution be adopted, authorizing the Board of Public Works to make said improvement.

Respectfully submitted
Chas W. Pauly
W.R. Day "

Thereupon said resolution above referred to was read, and after the City Auditor having certified "that the amount of said contract can be paid out of the Street Fund," the same was adopted and is as follows, to wit:

Joint Resolution No. 9.

Resolved, by the Common Council of the City of San Diego, that the Board of Public Works be and it is hereby authorized and instructed to contract for the construction of a concrete Culvert or flume across 4th Street on "B" street in accordance with the plan and specifications therefor presented by the Street Committee and hereby approved, and that the amount of said contract be paid

out of the first moneys in the Street Fund.

In the matter of a communication from the City Atty. asking for instructions in the case now pending, relative to extending and establishing the lines of Logan avenue.

The Street Committee reported concurring in the following report from the Street Committee of the Board of Aldermen, viz: "We your committee to whom was referred the within report of the City Attorney, after considering the matter carefully would respectfully recommend that the matter be submitted to arbitration." And on motion of Delegate Wagner said report concurring in the above report was adopted.

The following report from the Special Joint Committee on revision of official salaries was read, viz:-

"San Diego, Cal. June 2. 1890.

To the Common Comcil of the City of San Diego,

Gentlemen:- Your Special Joint Committee to whom was referred the Joint Resolution providing for an investigation of the question of a reduction of salaries, heretofore fixed by this Comcil, beg leave to report that we have held two prolonged sessions at which we have given the question at issue our most candid and deliberate consideration, having in view, at all stages of the proceedings, the one unquestioned fact that your proposed action in the premises was one not of expediency but rather one of absolute necessity to enable the City under the present tax levy to meet its obligations in the payment of Salaries and other accounts made necessary in the administration of the City Government. Your Committee would therefore recommend that the following schedule of prices be paid for the following services, to wit:

To City Clerk	$75.00	per month.
" Deputy City Clerk	50.00	" "
" " Tax Collector	50.00	" "
" " Auditor	50.00	" "
" Clerk Board Public Works.	50.00	" "
" Superintendent of Streets	75.00	" "

Do	Superintendent of Sewers	$90.00	per month.
"	Two Engineers Fire Department	each $75.00	per month.
"	Six Drivers Fire Department	each 50.00	" "
"	Janitor City Hall	50.00	" "
"	Chief Draughtsman City Engr's Office	85.00	" "
"	One Assistant " " "	55.00	" "
"	" Rodman " " "	50.00	" "
"	Two Chainmen " "	each 40.00	" "
"	One Transitman " "	80.00	" "
"	" Mounted Policeman	90.00	" "
"	Six Patrolmen	each 70.00	" "
"	Deputy City Attorney	90.00	" "
"	Health Officer	85.00	" "
"	Consolidated Offices of Health Inspector and Plumbing Inspector, under the designation of Health Inspector,	85.00	" "

Your committee would further recommend that the separate office of Plumbing Inspector be abolished, that the office of Clerk to the Board of Health, be abolished, (the officers of that department to act as their own clerk) that the offices of Health Inspector and Plumbing Inspector be consolidated, that the services of one assistant Draughtsman in the City Engineers Office be dispensed with, that the services of four patrolmen be dispensed with, leaving the force at six patrolmen, one of whom we recommend shall be detailed for duty on Coronado Beach, these rates and changes to take effect at once.

All of which is respectfully submitted by,

Board of Aldermen { H. F. Norcross, Chairman.
W. A. Begole
H. A. Perry

Board of Delegates { C. F. Kamman, Chairman.
C. C. Heath Secretary.
Wm " Cooper "

Delegate Rediger moved to take up and consider said report seriatim.

Delegate Heath moved to amend and adopt said report as a whole.

(Delegate Switzer here entered and took his seat in the Board.)

Delegate Marshall called for the Ayes & Noes, and thereupon said amendment was lost by the following vote, to wit:

Ayes; Delegates, Marshall, Heath, Hollington, Kamman, Cooper, and Hewitt.
Noes; Delegates, Wagner, Pauly, Bradt, Day, Rediger, Thompson, Switzer and Hilbert.
Absent; Delegates, Lyons, Julian, Thurman, and Elliott.
The original motion was thereupon carried by the following vote, viz;
Ayes; Delegates, Wagner, Marshall, Pauly, Bradt, Day, Rediger, Thompson, Switzer, and Hulbert.
Noes; Delegates, Heath, Hollington, Kamman, Cooper and Hewitt.
Absent; Delegates, Lyons, Julian, Thurman and Elliott.
The first item of said report, viz: "To City Clerk $75.00 per month" was read.
Delegate Rediger moved to refer said item to the Committee on Ways and Means.

Adjourned Meeting.

Council Chamber of the Board of Delegates of the City of San Diego, California, June 9th 1890.

An adjourned meeting of the Board of Delegates of the City of San Diego, was held this day at 7-30 o'clock p. m. with President Hewitt presiding.

Present; Delegates, Marshall, Pauly, Bradt, Thurman, Rediger, Heath, Thompson, Hollington, Hulbert, Kamman, Cooper and Hewitt, and Clerk Gassaway.

Absent; Delegates, Wagner, Lyons, Julian, Day, Elliott and Switzer.

The Minutes of a Regular meeting held June 2nd 1890, were read and approved.

A Message from the Mayor transmitting a communication from the Superintendent of Streets, requesting authority to appoint (without additional compensation) S. W. Belding as his Deputy, was read together with said communication; and on motion of Delegate Kamman said request was granted.

A Message from the Mayor transmitting the resignation of J. D. Schuyler, C. E. as Commissioner of the Board of Public Works, and signifying his acceptance of the same, was read together with said resignation, and received and ordered filed.

A Communication from Amos Pettingell, Superintendent of Streets, to C. W. Pauly, Chairman Street Committee, stating that the Curbing and Paving of 6th Street from the South line of B street to the south line of D street has been completed by A. R. Schulenburg, Contractor, in accordance with the specifications, under his supervision and to his satisfaction, was read together with the following report from the Chairman of the Street Committee, viz:

"To the Board of Delegates:

"The Street Committee to whom was referred the Communication of the Pacific Paving Company requesting the passage of a resolution accepting the paving

of 6th street between B & D streets, report that upon investigation it is found that the contract for the paving of 6th street was executed by A. R. Schulenburg and so far as the records show has not been assigned by him and therefore no other person or corporation can be recognized by the Common Council; that under the provisions of Section 12½ of the Vrooman Act the comcil may in its discretion upon the completion of two blocks or more order the Street Superintendent to make an assessment for the proportionate amount of the completed work, and it is presumed that it is this order which is sought. Your committee also finds that said 6th street from the south line of B street to the south line of D street, being two full assessment blocks, has been completed in accordance with the specifications and under the supervision and to the satisfaction of the Superintendent of Streets and that the Common Comcil has the power to order an assessment for said work. And it is therefore recommended that the Common Comcil do by a Joint Resolution order and direct the Street Superintendent to make an assessment in favor of A. R. Schulenburg for the proportionate amount due him under his contract for paving 6th street between the south line of B street and the south line of D street."

Chas. W. Pauly."

Ens on motion the rules were suspended and said report adopted.

Absent, Delegates = Day:

The Minutes of an Adjourned Meeting, held June 24-1890. were read and approved.

A Message from the Mayor appointing T.S. Sedgwick a Commissioner of the Board of Public Works, heretofore submitted to this Board and postponed to this date, was read, and thereupon Delegate Switzer moved to proceed to vote upon the confirmation or rejection of said nomination. The motion carried and thereupon the Board proceeded to vote with the following result viz:

"In favor of confirmation", Ayes, Delegates = Wagner: Switzer: and Kamman.

"Against confirmation," Noes, Delegates = Lyon: Marshall: Pauly: Praeth: Thurman: Rediger: Heath: Thompson: Hollington: Hulbert and Cooper. and Hewitt.

Absent, Delegate = Day.

Ayes being three votes in favor of, and twelve votes against the confirmation = said appointment was declared to be rejected.

A Message from the Mayor transmitting and recommending a request from James P. Goodwin, City Attorney, for 30 days leave of absence; was read and said request granted.

The Committee on Health & Morals reported favorably

upon the following petitions for liquor licenses, towit:

Thos. Moore.

W. L. Hicks.

Joseph Edwards.

Thereupon said licenses were granted.

A Petition from A. A. Graham, for an assessment for paving, curbing & sidewalking 4th Street from C. to E. streets, accompanied by the following endorsement from the Street Superintendent, towit: "The above described work has been completed in accordance with the specification and contract, under my supervision & to my approval and acceptance. Amos Pettingell, Street Superintendent" was read and thereupon the following joint resolution was read and adopted, towit:

"Joint Resolution No. 14

Be it Resolved by the Common Council of the City of San Diego, that the Superintendent of Streets be and he is hereby ordered to make an assessment in favor of A. A. Graham for the proportionate amount due him for paving, curbing and sidewalking 4th street from the south line of C. street to the north line of E. street, including the full cost of the crossing of D. street, and one half the crossings of C. and E. streets in accordance with the terms of his contract and the provision of law."

A Petition from A. R. Schulenburg for an assessment for paving and curbing 6th Street from F. to H. Streets, accompanied by the following endorsement from the Street Superintendent, towit: "The above described work has been completed in accordance with the specifications and contract under my supervision & to my approval and acceptance. Amos Pettingill Superintendent of Streets" was read and thereupon the foregoing Petition having been reported upon favorably by the Street Committee, the following joint resolution was read and adopted, towit:

"Joint Resolution No. (Not concurred in)

Be it Resolved by the Common Council of the City of San Diego, that the Superintendent of Streets be and he is hereby ordered to make an assessment

in favor of A. R. Schulenburg for the proportionate amount due him for curbing and paving 6th street from the south line of F. street to the south line of H. street, including the full cost of the crossing of G. street and one half the cost of the crossings of F. and H. streets, in accordance with the terms of his contract and the provision of law."

In the matter of the Petition to have the grade of F. street changed between 16th & 18th streets. etc. the Street Committee reported as follows, viz:

"The Street Committee to whom was referred the petition of F. M. Moore and others asking that the hill on F. street between 16. & 18. streets be cut down so as to conform to the grade established by M. G. Wheeler, respectfully report =

1st: That said street was graded to the grade established by M. G. Wheeler.

2nd: Since said street was graded a new grade was established by the City Council, as prepared and recommended by City Engineer J. D. Schuyler, which requires a cut of 16 feet on the N. W. corner of 17th & F. streets and Eleven feet on the S. E. corner of 17th & F. streets below the Wheeler grade.

3rd: The Street Superintendent within the past year has taken earth from F. street (on the summit of the hill) for street repairs and has thus reduced the grade of the street at that point so that it is at present about four feet lower than the Wheeler grade.

4th As to the remainder of the petition in regard to the equities involved on the F. street grading, your Committee can only report that the City has neither the funds nor the legal authority to regrade the street in any other manner than at the expense of abutting property.

Chas. M. Daily
John H. Monkall"

Said report was adopted.

The following Street Committee report was read and adopted. Viz:

Your Street Committee to whom was referred the request of W. W. Stewart that the curbing and sidewalking be omitted on the south of K. street in front of Lot A. Block 140, and that the paving be carried to the property line on a level with the curb grade, similar to the method of paving adopted on 3rd street between K & L. streets, respectfully report that in the opinion of the Committee such request ought not cannot be granted inasmuch as it would destroy the uniformity of the grade of K. street and obstruct the drainage of said street and of 4th street, and also vitiate the Contract for the improvement of said K. street.

Chas. M. Pauly
John H. Marshall."

In the matter of the resolution heretofore offered by Delegate Heath & adopted by this Board propounding certain question to the Street Committee, said Committee reported as follows:

"Responding to the reference of the resolution of Delegate Heath, the Street Committee reports that the reason "why the deflection is made in the paving at the intersection of D & 4th streets", is that the water may be carried across D. street at that point and not be allowed to remain in the street in ponds about the corners and over the crossings. And in response to the further question "why the grade of 3 & D. streets is lower than the grade between 3rd & 4th streets", your Committee reports that the grade of D. street descends from 4th street westward, and for this reason it is lower at the point in question.

Respectfully submitted
Chas. M. Pauly
John H. Marshall."

The above report was adopted.

A Petition from Mrs. L. M. Craigh for permission to construct a concrete curb in lieu of a redwood curb in front of Lot A. Block 230 on 4th Street, accompanied by a favorable endorsement from

the Board of Public Works, was read & thereupon Delegate Hulbert offered the following joint resolution, which was adopted, towit:

"Joint Resolution No. 15.

Be it Resolved, by the Common Council of the City of San Diego that L. M. Craig, the owner of Lot A. Block 230. Horton addition fronting on 4th street, be and she is hereby granted permission to construct a concrete curb on said street in front of said property in lieu of a redwood curb, in accordance with the specifications for concrete curbing contained in ordinance No. 29. and under the supervision of the Superintendent of Streets: the extra cost thereof to be the subject of a separate contract between said Craig and the Excelsior Paving Company, and paid by said Craig. without in any manner affecting the assessment under the contract for the improvement of said street."

A Petition for retail liquor license from Foster & Shute was read & referred to the Committee on Health & Morals.

A Petition from Schulenburg & Gladwick for an extension of 90 days in which to complete the paving of C. D. & E. streets; was read and granted.

A Report from the Commissioners appointed to open D. street, was read & referred to the Street Committee.

On the matter of grading 4th street from Ivy to University Avenue, the Street Committee reported as follows, towit:

"The Street Committee recommend the passage of the accompanying Resolution of Intention to grade 4th street from the south line of Ivy street to University Avenue and so much of Walnut or Ferry Avenue as is necessary to connect the break in 4th street at the north line of Horton's Addition - the grading through the Area between Palm and Redwood streets to have a uniform width of 41.6 feet

along the east side of the street.

Respectfully submitted

Chas. W. Pauly

John N. Marshall"

The above report was adopted on motion of Thompson said resolution of intention was read and adopted by the following vote, to-wit:

Ayes, Delegates - Wagner: Lyon: Marshall: Pauly: Praed: Thurman: Rediger: Heath: Thompson: Wellington: Switzer: Hulbert: Kamman: Cowles and Hewitt

Noes, None

Absent, Delegate - Day.

Said resolution is as follows, to-wit:

"Resolution of Intention

to grade 4th street from Ivy street to University Avenue and a portion of Walnut Avenue.

Resolved, that it is the intention of the Common Council of the City of San Diego, State of California to order the following street work to be done, to-wit: that Fourth street from the south line of Ivy street to the south line of Walnut (or Ferry) Avenue and from the north line of Walnut (or Ferry) Avenue to the south line of University (or Newhall) Avenue and the sidewalks thereof and the entire crossings (except as hereinafter specified) of said 4th street with the streets intersecting the same between said limits, and that Walnut (or Ferry) Avenue from the projection of the East line of 4th street in Horton's Addition to the projection of the West line of 4th street in Brook's and Mutt's additions, except such portion of said streets as is required by law to be kept in order or repair by any person or company having railroad tracks thereon, be graded to the official grade in the following manner, to-wit: that the East side of that portion of said 4th street and its crossings lying between the south line of Palm street and the North line of Redwood street shall be graded to the uniform width of Forty-one and six tenths (41.6) feet, and that the remaining portion of said 4th street and also said Walnut (or Ferry) Avenue shall be graded to the full width. All work shall be done in accordance with the

provision of ordinance No. 53
The San Diego Daily Sun is hereby designated as the daily newspaper published and circulated in the City, in which this resolution of intention shall be published for two days, and the notice of the passage thereof for six days, as often as said newspaper is issued thereon.
The Clerk of this City is hereby directed to publish and post this resolution for two days in the manner prescribed by law."

The following joint water Committee report was read and adopted, to-wit:

To the Hon. Common Council of the City of San Diego, Gentlemen: The Joint Committee appointed by your Honorable body with James D. Schuyler and James P. Goodwin under joint resolution Number 5, passed May 19th 1890, and being here to attached have completed their labors and submit the following: Your Committee has held eight sessions and after giving close attention to all matters connected with the subject of obtaining cheaper water for the City and its inhabitants unanimously submit this report with recommendations.

First: Your Committee finds from the books of the Auditor that the sum of $326000 in bonds may be voted for the purpose of laying a system of water pipes and necessary reservoir without exceeding the limit prescribed by law for municipal indebtedness: the report of the sub-committee of this Committee is also attached showing the probable cost of an entire system of water pipes for the city: also the documents containing two propositions from the San Diego Flume Company and an agreement in the sum of one Hundred Thousand dollars to faithfully perform all the conditions of the proposition: also a Communication from the Pamo Water Company. After a very careful consideration, we recommend for your approval and adoption the first proposition of the San Diego Flume Company, being as follows:

"The San Diego Flume Company will furnish the City of San Diego and the citizens thereof all the pure mountain water needed for public or domestic uses in said City on the following terms, to-wit: to accept the rates now established by said City and to go into effect on the 1st day of July, 1890, for all domestic uses, and to furnish all the water for municipal purposes, to-wit: For City buildings, flushing sewers, sprinkling streets, fire Hydrants and irrigation of City park, such quantity of water not to exceed three hundred million gallons annually, said water for municipal purposes to be furnished for thirty thousand dollars payable in equal monthly installments.

This proposition is based upon the construction of a water distributing system to be constructed by said City of San Diego connecting this said Flume Company's pipe line and leased to the said San Diego Flume Company for a term of years, for the use of which the said Flume Company agrees to pay an annual rental equal to ten per cent of the cost of said distributing system, said payments to be made quarterly from the time of commencing the use of said system.

Further we agree to abide by this proposition and hold ourselves in readiness to execute to said City a legally binding contract any time within sixty days from this date. It is however understood that any reduction in water rates as now fixed to take effect July 1st, 1890 or any reduction in the amount to be received by said Flume Company under the stipulation of this proposition without the consent of said Flume Company shall release it from any and all obligations herein contained."

We also recommend that an ordinance be prepared according to law by the City Attorney for the purpose of submitting to the qualified electors of said City the proposition of voting the issue of bonds in the sum of $326000. for the purpose of laying a system of water pipes and necessary reservoirs: we further recommend that all moneys received as rental from said San Diego Flume Company should said proposition be accepted, be set apart as a special fund for the purpose of paying the interest on said bonds and the redemption of the same and for the repair and extension of said water pipe system and that the interest and payment of the bonds take precedence over any repairs and extension of such system.

Respectfully submitted.

"Inasmuch as the funds in the City Treasury will not warrant the expenditure for a light, we recommend that petition be not granted.

S. N. Switzer
A. C. Morgan } Committee
C. F. Kamman

Said report was adopted.

The following Street Committee report was read and adopted, to wit:

"The Street Committee to whom was referred the protest of Annie E. Nutt and others against the grading of 4th street from Ivy to University Avenue respectfully report that said protest does not represent a majority of the frontage

of the property fronting on said proposed work.
While the protest does not specifically state the number of feet frontage owned by the protestants respectively, yet the statement is made that they represent no property south of the north line of Horton's addition.
The total frontage on the street between Ivy street and University avenue is 12132 feet, of which 4839 feet is north of Horton's Addition and 7293 feet is south of the north line of Horton's Addition.
Therefore, assuming that Agents who sign for property owners did so with full authority of law (of which no evidence was presented to your Committee) and assuming that protestants own all the frontage lying north of Horton's Addition, they still represent less than one half the frontage being short 1227 feet. But your Committee is advised and believes that protestants do not represent all the property in Brooks and Nutt additions and that some of that frontage is held by owners who earnestly desire the street improved as intended.
Your Committee therefore recommend inasmuch as the grading of said street is an urgent necessity, and is also desired by a majority of the frontage, that said protest be disallowed and that a resolution ordering the work be adopted.

Chas. W. Pauly
John H. Marshall } St. Com"

In the matter of the petition of H. M. Fitch, for tax rebate the City Attorney reported as follows, to wit:

"In relation to the claim of H. M. Fitch for a rebate of twelve and 35/100 ($12.35) dollars, as per statement hereto attached, referred to this office by your Honorable Body, I would suggest that the same be by the Clerk transmitted to the Assessor requesting his report as to the truth of the matter set forth, and in event that they are found to be correct, I would respectfully recommend that the Council order the amount refunded as requested.

Very respectfully yours
James P. Goodwin, City Atty.
By Jesse S. Dallen Deputy City Atty"

Said report was adopted.

A Report from the City Lands Committee upon the proposed resolution providing for the sale of City Lands, was read and action thereon postponed for one week.

On the matter of the petition of A. A. Graham, for an assessment for paving, curbing and sidewalking 4th street from "A." to "C", the Street Superintendent reported as follows:

"To the Hon. Board of Delegates.

On certifying to the sidewalk on the east side of 4th street from B. to C. on the 11th inst. as being completed; it was only for the purpose of your Hon. Body to grant permission to make an assessment roll for the two Blks. from A. to C. The work was nearly completed, but more having to be done than at first supposed, it did not get finished upon that date, but ample time would have elapsed before an assessment roll would have been made. It is only upon the signing the said roll that any acceptance of the work can be had. The entire work has now been completed and the specifications complied with.

A. Pettingell, Supt. of Sts."

Delegate Brady moved that action be postponed for one week and further, that when the work has been completed

to the satisfaction of the Street Committee, that the petition be granted. The motion carried and it was so ordered.

A petition from A. A. Graham, for an assessment for paving curbing and sidewalking 4th street from A. to C. (postponed to this meeting) was read, together with a recommendation from the Board of Public Works, and thereupon said petition was granted.

The City Attorney reported favorably upon the petition of M. C. McDonald, to have an error in assessment upon lots 45-46-47-48- in Block 139, Manname & Schiller Addition, being the assessing of $800 improvements, where no improvements exist; and thereupon said petition was granted.

In the matter of the petition of Mrs. M. G. Bancroft for refund of double taxation; the City Attorney reported as follows:

"I have examined the matter set forth in said

petition, and find the same correct, and recommend that the sum of $7.60 be refunded to the petitioner being the amount paid for taxes twice on the same property.

James O. Goodwin, City Atty.

Thereupon the above report was adopted & said petition granted.

The following Street Committee report was read & adopted, to-wit:

"The Street Committee recommend the passage of the Resolution of Intention to grade F. street from 6th to 25th street.

John N. Marshall.
C. M. Pauly".

Thereupon said resolution of intention was read and adopted by the following vote, to-wit:

Ayes, Delegates - Wagner: Bradt: Morgan: Rodiger: Thompson: Switzer: Hulburt: Kamman and Hewitt.

Noes, Delegates - Llewelyn and Heath.

Absent, Delegates - Lyon: Marshall: Pauly: Thurman: Day: Hollingtow: and Cooper.

Said resolution is as follows, to-wit:

"Resolution of Intention,

to grade "F" street from 6th to 25th streets.

Resolved, that it is the intention of the Common Council of the City of San Diego, State of California, to order the following street work to be done, to-wit: That "F" street in said city from the east line of Sixth street to the east line of twenty-fifth street and the sidewalks thereof and the entire crossings of said "F" street with the streets intersecting the same between said limits, except such portion thereof as is required by law to be kept in order or repair by any person or company having railroad tracks thereon, be graded to the official grade established by Ordinance numbered three hundred and three; and that the bridge at the intersection of 15th street with said F street be raised to conform to the grades aforesaid and constructed in accordance with the specifications thereof on file in the office of the Board of Public Works. All work shall be done in accordance with the provision of Ordinance No. 53. The San Diego Daily Sun is hereby designated as the daily newspaper published and circulated in the city, in which this resolution of intention shall be published for two days, and the notice of the passage thereof for six days, or often as said newspaper is issued therein. The Clerk of

this City is hereby directed to publish and post this resolution for two days in the manner prescribed by law."

The following joint water Committee report was read and adopted, to-wit:

"Your joint water Committee appointed by your Hon. Body and to whom was referred the matter of reporting a plan for the laying of pipes for the obtaining of a water supply for the City of San Diego and its inhabitants, and to investigate and report on the advisability of the City owning its own water supply.

We have held several meetings looking to the matter submitted to us, and herewith report that we submit for your approval and adoption the report and accompanying maps prepared by James D. Schuyler, Civil Engineer, one eminately qualified and competent to furnish the information sought by this Committee.

We therefore attach and make a part of our report the statements and maps of said J.D. Schuyler, and recommend that the same be adopted.

H. F. Norcross, Chairman.
John C. Fisher.
D. Cave.
John H. Marshall, Chairman.
Frank C. Thompson.
James P. Goodwin, City Attorney
Jas. D. Schuyler."

Thereupon the following report from Jas. D. Schuyler, Consulting Engineer, was read and adopted, to-wit:

SAN DIEGO, Cal., Aug. 18, 1890.

To the Water Committee of the Common Council, City of San Diego.

GENTLEMEN: At a special meeting of the Water Committees of the Council in joint session, held August 9, I was requested to design a plan for a new system of water works for this city, and prepare and submit a map and estimates of the same at the earliest practicable moment, it being necessary under the law to have such plans and estimates of cost prior to calling an election for bonds. The time allotted for the work has been so short that I have been unable to give all the details the careful study that I should have liked, but I have devoted the most careful consideration to the main features, and the plan which I submit will, I trust, recommend itself to the good judgment of the community for its simplicity and for its efficiency and thoroughness in the distribution of the supply. My aim has been to get into the heart of the city with the full supply available; to provide ample circulation, so that in case of fire an abundauce of water would respond to any sudden call from all directions; to provide for increasing the fire pressure at a moment's notice; to arrange for aerating the water to give it life and sparkle after its long, tiresome journey down the flume, and to provide sufficient storage capacity within the city limits for two or three days' supply on short allowance in case of accident to the mains outside of the city.

I find the capacity of the flume company's fifteen-inch pipe, from the standpipe at La Mesa to the pueblo line, is approximately 3,000,000 gallons daily. The fall in the length of it is 150 feet and the elevation at the city limits is 371 feet above mean tide. This is the initial point of the new system, and the capacity of the pipe is the limit of the supply at present available from the flume. I have designed the pipe distribution system to freely distribute 3,000,000 gallons daily, making due allowance for the greater rate of consumption during the hours of the day when most water is used.

With an average consumption of 100 gallons daily per capita, 3,000,000 gallons a day as our supply would suffice for a population of 30,000 inhabitants. My opinion is, however, that sixty gallons per capita is the greatest rate of consumption that has yet been reached in San Diego, and the probabilities are that the present consumption does not exceed forty gallons daily per capita. If the average of sixty gallons is not exceeded the supply at hand will suffice for 50,000 inhabitants. Hence it may be said that in its main features the system I have designed is adequate to the wants of a population of 50,000, although if we had that number of inhabitants they would be spread over a somewhat greater area and extensions of the system would be required in directions that cannot now be anticipated. With greater growth our ability to make these extensions would be easily acquired, and therefore if the pipes are laid to reach the inhabitants of the present population the future may be left to take care of itself, as far as extensions are concerned.

As will be seen by an inspection of the map the main fifteen-inch pipe from the city limits passes along the boulevard of University Heights to University avenue, where it branches, one line fourteen-inch in diameter passing west to Sixth street and south on Sixth and the west line of the park to a distributing reservoir located between Juniper and Kalmia.

(over)

From this reservoir the distributing main, twelve-inches in diameter, runs west on Kalmia to Fourth, to Ash, to Third, to D, reducing to ten-inch from D to K.

The eastern branch of the main from University avenue follows south along the cent al boulevard of the park to the Charities tract, and thence across Switzer canyon to a distributing reservoir of 3,000,000 gallons capacity located at an elevation of 210 feet, on the park near the head of Twenty-fifth street. From this reservoir a thirteen-inch main extends west along the south line of the park to the easterly end of Ash street. A branch of this main, ten inches in diameter, runs south on Sixteenth street to D, thence west to Arctic.

From the reservoir a larger main, fifteen inches in diameter, is laid on Twenty-fifth street to L, reducing to twelve inches diameter through the Land and Town Company's addition to and along South Twenty-fifth and into Reed & Hubbell's addition, on Twenty-eighth street, reducing to ten inches diameter at South Twenty-fifth. From the Twenty-fifth street main two eight-inch mains branch off westerly on H and L streets, respectively, extending to Arctic on H and to Fifth on L.

Old Town is supplied with a six-inch pipe taken from the western main at Sixth street and University avenue, crossing the mesa to San Diego street and down the latter to Taylor street. From this point a four-inch pipe extends to Morena, and thence a three-inch pipe runs to Pacific Beach.

The extreme easterly settlements on Thirtieth street are supplied by a six-inch pipe on C street from Twenty-fifth to Thirtieth.

All the streets running north and south from Arctic to Twenty-fifth are supplied with six and four-inch pipes, connecting at all crossings with the mains that they intersect at L, H, D and Ash, Date, Hawthorne, Laurel and Palm. These cross-town mains every four blocks from the water front north are eight to ten inches in diameter and give a very complete circulation. As the city grows and a greater supply is required it will only be necessary to lay intermediate cross-mains on the streets not now occupied, connecting with all the north and south streets at their intersection to increase the supply indefinitely without disturbing the pipes of the present system.

In all that portion of the city south of N street where alleys exist I have planned to lay the pipes in the alleys rather than in the streets, for the following reasons: The pipes need not be laid so deep to be out of the way of future improvements; taps can be laid with less interruption to travel and less public inconvenience; the alleys are not likely to be paved and the expense of tearing up and replacing pavement when connections or repairs are made may be avoided. The alleys are so much narrower than the streets that the length and cost of laterals to hydrants is materially lessened; breaks that may occur would do less damage than in the streets and furthermore, connections can be made to the property without tearing up sidewalks or disturbing improvements. These seem to me to be good and sufficient reasons for preferring the alleys for the location of the pipes.

The shortness of time has not permitted me to revise the minor distributing system by going over each of the streets in person and it is quite possible that some pipes are projected where they are not now needed and some streets omitted where it would be desirable to lay laterals for more complete service. These are matters of detail which may readily be adjusted within the limits of the estimate when the pipes come to be finally laid. In general, I consider the system very complete.

In the matter of distributing reservoirs I may say that they are indispensible adjuncts to the system. They serve not only to hold a small reserve supply on hand, but as equalizers of the flow from the main pipes. It would be desirable to make them even more capacious than I have estimated on. I have located them on the park, because this is the only property belonging to the city of proper elevation and position. They are designed to be covered, and as they will be constantly filled and emptied they will be entirely unobjectionable to the neighborhood. Their banks may be sodded with grass and all unsightliness removed. I propose to admit water into them by means of double stand pipes eighty feet in height, the inner pipe fifteen inches diameter, the outer twenty-four inches. The wate will rise to the top of the inner pipe, and overflow, falling in a spray between the inner and outer pipe into the reservoir. This will aerate the water, and serve to purify it. Moreover the height of the stand pipe will maintain good pressure on the mesa, which section will be disconnected with the lower portion of the city, and have an independent service directly from the main. It would be desirable to have a third reservoir at the end of the flume pipe, for a reserve supply to the Florence hill region, but this is at present beyond our means, and I have made no calculation for it.

I propose to have a by-pass at each of the reservoirs, connecting the mains with the city system direct. Gates, to be operated by electricity, are to be placed in these by-passes, so that in case of fire a greater pressure may be turned on to the city at a moment's notice. In order to avoid bursting the small pipes in dwellings by this increased pressure, relief pressure valves may be placed on each connection at small additional expense. The character of pipes which I have estimated on is of two classes: First, sheet steel of the best quality obtainable in the market, to be double dipped with the highest grade of pure asphaltum and provided with improved patented joints. This grade of pipes I have designed to use for the main down to the Twenty-fifth street reservoir and thence to Reed & Hubbell's addition; for the main to the Kalmia street reservoir; for the Old Town and Pacific Beach line; for the line on the south boundary of the park, and for smaller lines in the outlying districts.

All the remaining pipe is designed to be of the class known as the converse lock-joint, Kalamein pipe, which is a wrought-iron, lap-welded pipe, coated with an alloy of non-corrosive metals—lead, tin and nickel. This pipe is rapidly coming into public favor even in the East, where its cost is greater, as a competitor of cast-iron pipe because of its greater strength, ability to withstand the sudden shocks of water-hammer without bursting, to withstand settlement without leaking, as well as on account of its greater carrying capacity. The smoothness of its interior finish presents less friction, and this smoothness is always maintained, however long it may be used, whereas cast iron is subject to interior corrosion that greatly reduces its diameter, the velocity of flow and consequent capacity. On this coast this grade of pipe is considerably cheaper than cast iron on account of freights, although its first cost in the East is greater.

The foregoing general description of the system with the accompanying map will, I trust, give you a sufficient idea of its general character and efficiency to enable you to decide upon its adoption, which I cordially recommend.

I submit herewith estimates of cost, with perfect confidence of their being sufficiently liberal. As an earnest of my confidence I may add that I would not hesitate to contract to build the system on these estimates, under the strictest guarantees which the Council might exact. Faithfully yours,

JAMES D. SCHUYLER,
Consulting Engineer.

accompanying his report said Engineer submitted the plans, estimates and maps above referred to, all of which were adopted.

The following resolution was read and adopted, to-wit:

"Joint Resolution No. 26.

Be it resolved by the Common Council of the City of San Diego that the Superintendent of Streets be and he is hereby ordered to make an assessment in favor of R. A. Graham, Contractor, for the proportionate amount due him for the work of paving, curbing and sidewalking 21st street from the north line of "A" street to the south line of "C" street, including

the full cost of the crossings of "A" and "B" streets and one half the cost of "C" street"

Said ordinance is as follows, to wit:

Ordinance No. 95.

An Ordinance Granting a Franchise to the San Diego Cable Railway Company to Construct and Maintain and Operate for the Period of Twenty-five Years, a Double-track Cable Street Railway along and upon Certain Streets in the City of San Diego.

BE IT ORDAINED BY THE COMMON Council of the City of San Diego:

Section 1. That the San Diego Cable Railway Company have and it is hereby granted authority to construct and maintain and operate for the period of twenty-five years, a double-track cable street railway along and upon the following streets in the City of San Diego, County of San Diego, State of California, viz: Commencing at a point on Park Boulevard, directly west of the southwest corner of Block Number 98, in University Heights, thence running north along said Boulevard and Carolina streets to the north line of Adams avenue, on said University Heights, upon the following conditions and limitations, viz:

I.

That the cars upon said Cable Railway shall be propelled by wire ropes running under the surface of the streets, and moved by stationary steam engines: but if at any time the railway cannot be operated by cable, owing to accident to cable or machinery, horses or mules may be used to propel cars thereon during the time necessary to repair the said cable or machinery.

II.

That said Cable Railway shall be constructed in such a manner as will present the least obstruction to the free use of said streets—the tracks to be as nearly as possible in the center thereof.

III.

That the grantee or its assigns shall plank, pave or macadamize, as the said Council may direct, the entire length of that portion of said streets used by said railway tracks between the rails and for two feet on each side thereof and between the tracks and keep the same constantly in repair, flush with the street, and with good crossings.

IV.

That the track shall not be more than five feet within the rails, and shall have a space between them, and between side tracks, turnouts and switches of not exceeding five feet, being sufficient to allow the cars to pass each other freely.

V.

That work on the construction of said Cable Railway shall commence within two days after granting the franchise therefor and be prosecuted continuously, and one track shall be wholly completed and operated within twelve months, and the balance within three years.

VI.

That the City of San Diego reserves the right to grade pave, macadamize, sewer, or otherwise improve, alter or repair the said streets, such work to be done so as to obstruct the said railway as little as possible, the grantee shall shift and reshift said rails so as to avoid the obstructions made thereby.

VII.

That the laying of said tracks and all side tracks, turnouts, switches or curves, shall conform in all cases with the grade of any of said streets which have been graded and in all other cases as near to the natural grade of such street as practicable; and when at any time any part of said route shall be graded or the grade thereof altered or changed by the said Common Council, the bed of the road and the tracks thereon shall be made to conform therewith by the grantee.

VIII.

That no switch shall be constructed or maintained within fifty feet of any cross street, and the location of such switches or turnouts shall be changed at the expense of the grantee whenever so ordered by the said Common Council.

IX.

That the City Engineer shall, under the direction of the Common Council, give the established grades of the streets along the line of the construction of said railway, and set stakes indicating the said grade; he shall see that the said railway is constructed and maintained in conformity to the terms and requirements of the franchise, and for his services as herein required he shall receive such fees as are provided therefor, and the same shall be paid by the grantee.

Sec. 2. That the failure to comply with any of the conditions of the franchise shall work a forfeiture of the rights and privileges granted thereby.

Sec. 3. That the Common Council reserves the right to repeal, amend or modify this Ordinance.

Sec. 4. That this Ordinance shall take effect and be in force from and after its passage and approval and one publication thereof in the San Diego DAILY SUN, a newspaper printed and published in said City of San Diego, and being the official paper.

An ordinance providing for a Special Election for submitting the question of segregating Coronado Beach, was read, and adopted by the following vote, to wit:

Ayes, Delegates - Wagner: Bradt: Morgan: Rediger: Llewelyn: Heath: Thompson: Switzer: Hulbert: Kamman and Hewitt.

Noes, None.

Absent, Delegates - Lyon: Marshall: Pauly: Thurman: Day: Hollington: and Cooper.

Said Ordinance is as follows, to wit:

"Ordinance No. 89.

An ordinance providing for a special election to be held within the city of San Diego, California, submitting to the qualified electors thereof the question: "Shall that portion of San Diego known as Coronado Beach be excluded from said city and cease to be a part thereof." Be it ordained by the Common Council of the City of San Diego, as follows:

Section 1—That the Legislature of the State of California passed a certain act, which act is entitled: "An Act to Provide for Changing the Boundaries of Cities and Municipal Corporations and to Exclude Territory therefrom," which act was duly approved and became a law on the 20th day of March, 1889, said act being in the words and figures following, to-wit:

"An act to provide for changing the boundaries of cities and municipal corporations, and to exclude territory therefrom." (Approved March 20, 1889.)

The people of the State of California, represented in Senate and Assembly, do enact as follows:

Section 1—The boundaries of any city or municipal corporation may be altered and territory excluded therefrom after proceedings had as required in this section. The Council, Board of Trustees, or other legislative body of such corporation, shall, upon receiving a petition therefor, signed by not less than one-fifth of the qualified electors thereof as shown by the vote cast at the last municipal election held therein, submit to the electors of such corporation the question whether such territory as is proposed by such petition shall be excluded from such municipal corporation and cease to be a part thereof. Such question shall be submitted at a special election to be held for that purpose, and such legislative body shall give notice thereof by publication in a newspaper printed and published in such corporation for a period of four weeks prior to such election. Such notice shall designate specifically the boundaries of the territory so proposed to be excluded. And the electors shall be invited thereby

to vote upon such proposition, by placing upon their ballots the words "For Exclusion" or "Against Exclusion," or words equivalent thereto; such legislative body shall also designate the place or places at which the polls will be open in such territory so proposed to be excluded, which place or places shall be that or those usually used for that purpose within such territory, if any such there be, and for the purposes of this act, the qualified electors residing in the territory proposed to be excluded shall be entitled to vote at the polls in such territory and not elsewhere. Such legislative body shall also appoint and designate in such notice the names of the officers of election. Such legislative body shall meet on the Monday next succeding the day of such election, and proceed to canvass the votes cast thereat. The votes cast in such territory so proposed to be excluded shall be canvassed separately, and if it shall appear on such canvass that a majority of all the votes cast in such territory, and a majority of all the votes in such corporation, shall be for exclusion, such legislative body shall, by an order entered upon their minutes, cause their Clerk, or other officer performing the duties of Clerk, to make and transmit to the Secretary of State a certified abstract of such vote, which abstract shall show the whole number of electors voting in such territory, the whole number of electors voting in such corporation exclusive of such territory, the number of votes cast in each for exclusion, and the whole number of votes cast in each against exclusion. From and after the date of filing such abstract such exclusion of such territory from such municipal corporation shall be deemed complete, and thereafter such territory shall cease to be a part of such municipal corporation; *provided* that nothing contained in this Act shall be held to relieve in any manner whatsoever any part of such territory from any liability for any debt contracted by such municipal corporation prior to such exclusion; *and provided further*, that such municipal corporation is hereby authorized to levy and collect from any territory so excluded, from time to time, such sums of money as shall be found due from it on account of its just proportion of liability for any payment on the principal or interest of such debts. Such assessment and collection shall be made in the same manner and at the same time that such assessment and collection is levied and made upon the property of such municipal corporation for any payment on account of such debts; *and provided further*, that any such territory so encluded from any municipal corporation may at any time tender to the legislative body of such municipal corporation, the amount for which such territory is liable on account of such debts, and after such tender is made, such authority as is herein given municipal corporations to levy and assess taxes on such excluded territory shall cease.

Sec. 2—This act shall take effect and be in force from and after its passage.

Sec. 2—That a petition containing the names of not less than one-fifth of the qualified electors of said municipal corporation as shown by the votes cast at the last municipal election held therein and all other conditions and provisions of said act of March 20, 1889, having been complied with, that the City Clerk be, and he is hereby ordered, under the provisions of said act of March 20, 1889, to cause the following notice of election to be published in the San Diego *Daily Sun*, a newspaper printed and published in the City of San Diego, California, for a period of four weeks prior to the 6th day of October, 1890, to-wit: Notice of special election, submitting to the voters of the City of San Diego the question whether or not Coronado Beach shall be excluded from said city and cease to be a part thereof.

Notice is hereby given by the Common Council of the City of San Diego, State of California, that there will be a special election held in said city on Monday, the 6th day of October, 1890, at which election there hereby is, and there shall be, submitted to the electors of said city, the question whether or not the boundary of the City of San Diego, in the County of San Diego, State of California, shall be altered and the following described territory thereof be excluded therefrom and cease to be a part thereof, viz: That portion of the said City of San Diego known as Coronado Beach, and being specifically described as follows: Commencing at a point where a line drawn from the southwest corner of pueblo lot number 1,168 to the old lighthouse on Point Loma would intersect the east shore of the peninsula of San Diego; thence westerly along said line to the Pacific ocean; thence northwesterly along the Pacific ocean to the most westerly point of the peninsula of San Diego; thence along the shore of the bay of San Diego, at first generally northerly and easterly to the point of beginning.

That the electors of said City of San Diego be, and they are hereby invited to vote upon such propositions at said election by placing upon their ballots either the words "For exclusion," or "Against exclusion," or words equivalent thereto.

That for voting purposes at said election the city is hereby subdivided into voting precincts as hereinafter provided; and the following named persons, residents of the respective precincts, are hereby appointed to act as officers thereof in the respective precincts hereinafter named; and the polling places shall be at the places herein designated, viz:

The First Ward shall constitute a voting precinct. Inspectors—James McCoy and George Lyons. Judges—T. E. Wood and A. W. Delane. Clerks—E. C. Thorpe and S. G. Blanchard. Voting place at the schoolhouse in Old Town.

The Second Ward shall constitute a voting precinct. Inspectors—A. E. Horton and T. J. Tate. Judges—W. W. Bowers and T. D. Jones. Clerks—A. E. Higgins and T. A. Nerney. Voting place at Middletown school building.

The Third Ward shall constitute a voting precinct. Inspectors—W. E. Hadley and J. W. Witherby. Judges—John D. Palmer and H.L.Lewis. Clerks—Charles Loomis and J.A.Thomas. Voting place—At the building at the southeast corner of D and Front streets.

The Fourth Ward shall constitute a voting precinct. Inspectors — Charles Hubbell and L.C.Gunn. Judges—Charles S. Hamilton and A. C. Mouser. Clerks—F. M. Dalmazzo and Eugene Frandzen. Voting place—At building at southeast corner of Eighth and B streets.

The Fifth Ward, and all that portion of the Ninth Ward not included in that portion of the said city hereinbefore described as that portion of said city petitioned to be excluded, shall constitute a voting precinct. Inspectors—Joseph Winters and W. F. Abrams. Judges—J. M. Allison and William Dorris. Clerks—A. B. Cunningham and James M. Williamson. Voting place—At building at northeast corner Third and F streets.

The Sixth Ward shall constitute a voting precinct. Inspectors—Thomas Simpson and P. C. Remondino. Judges—T. J. Daley and Frank Stevens. Clerks—B. L. Muir and C. D. Knox. Voting place—At Minneapolis Building, on Seventh street.

The Seventh Ward shall constitute a voting precinct. Inspectors—J. C.Sprigg, Jr., and C. W. Ellsworth. Judges—H.W. Thompson and O. N. Sanford. Clerks—J. M. Scott and J. W. Coffern. Voting place—At building at southwest corner Sixteenth and K streets.

The Eighth Ward shall constitute a voting precinct. Inspectors—Joseph Thielen and H. P. Whitney. Judges—C. W. Remp and H. H. Himebaugh. Clerks—S. Walters and S. Kelly. Voting place—At building No. 427, Logan avenue.

That portion of said city known as Coronado Beach, North Island and South Island, and being that territory proposed to be excluded, shall constitute a voting precinct. Inspectors—P. D. Martin. Judges—J. R. Campbell and F. L. Judd. Clerks—T. J. McQuown and J. Manahan. Voting place—At new school house on Coronado Beach.

Sec. 3—That said City Clerk shall sign and date said notice, and also post one of the said notices at each place of election at least four weeks before said date of election.

Sec. 4—That this ordinance shall be in force and effect from and after its passage, approval and one publication thereof in the San Diego *Daily Sun*, a newspaper published and printed in the city of San Diego, California.

An ordinance fixing the time and calling a special election to submit the question of issuing Water Bonds, was read, and on motion of Delegate Ridgley it was ordered that action upon the same be postponed for one week & made the special order of business for the next meeting.

After giving notice President Truett did in open session sign Ordinance No. being an ordinance granting permission to the Calif. Southern R.R. to lay certain tracks.

On motion of Delegate Brack, the City Attorney was instructed to investigate by what authority the National City and Otay Railroad Co. removed their street car track on 7th street.

On motion of Delegate Radiger, the Street Committee and City Attorney were instructed to investigate why the Board of Public Works granted permission to a railroad company to lay a track on "K" street.

On motion of Delegate Heath, the Park Committee was instructed to investigate the matter of granting permission to use the Plaza by the Board of Public Works.

Thereupon the Board adjourned until Monday, September 7- 1890. at 7.30 o'clock p.m.

Regular Meeting.

Council Chamber of the Board of Delegates of the City of San Diego, California, September 1st 1890.

A regular meeting of the Board of Delegates of the City of San Diego was held this day at 7.30 o'clock p.m. with President Hewitt presiding.

Present Delegates = Wagner: Pauly: Brodt: Morgan: Thuman: Rediger: Llewelyn: Heath: Thompson: Hellmig tan: Switzer: Hulburt: Kamman: Cooper: Hewitt & Clerk Gassaway.

Absent Delegates = Lyon: Marshall & Day.

The minutes of an Adjourned Meeting held August 25th. 1890, were read & approved.

After giving notice, President Hewitt did, in open session, sign an Ordinance No. 90. being an Ordinance granting a franchise to the San Diego Cable Railway Co.

Also Ordinance No. 89. being an Ordinance providing for a special election to submit the question of aggregating Coronado Beach.

In accordance with an order make at the last meeting, the Ordinance calling a special Election to submit the question of issuing $326.00 Water Bonds, was read & adopted by the following vote, tuit:

Ayes, Delegates = Wagner: Pauly: Brodt: Morgan: Thuman: Rediger: Llewelyn: Heath: Thompson: Hellmig tan: Switzer: Hulburt: Kamman: Cooper: Hewitt

Nays = None

Absent, Delegates: Lyon: Marshall & Day.

Said Ordinance is as follows tuit:

Ordinance No. 90.

An Ordinance Providing for and Calling a Special Election in the City of San Diego for the Purpose of Voting Upon the Question of incurring Indebtedness in the Construction, Completion and Acquisition of Water Works, the Cost of which is Greater than the Amount Alowed for such Purpose by the Annual Tax Levy.

BE IT ORDAINED BY THE COMMON Council of the City of San Diego, as follows:

Section 1. That it is hereby proposed to be incurred by the City of San Diego, an indebtedness in the sum of Three Hundred Twenty-six Thousand and 00-100 ($326,000.00) Dollars, to provide the said City of San Diego and the inhabitants thereof with pure, fresh and wholesome water for domestic, irrigating and other purposes and thereby meet the public interest and necessity herteofore determined by ordinance No. 84 to exist, by the acquisition, completion and construction of a system of water works in the City of San Diego.

That the said Common Council of the City of San Diego did on the 21st day of July, 1890, pass an ordinance in the words and figures, as follows:

"ORDINANCE NO. 84."

Council Chamber of the Board of Delegates of the City of San Diego, California, November 10th, 1890.

An adjourned meeting of the Board of Delegates was held this day at 7.30 o'clock P.M. with President Hewitt presiding. Present Delegates - Lyons: Marshall: Brady: Llewelyn: Rodiger: Heath: Thompson: Hollingston: Hewitt and Clerk Pallan. Absent Delegates - Magone: Pauly: Morgan: Kinman: Burnett: Switzer and Hulbert.

The Minutes of meetings held Oct. 20th, 27th and Nov. 3rd, 1890. were read and approved.

A Message from the Mayor recommending the appointment of ten Special policemen for service on Election day, Nov. 4th, 1890, together with an Ordinance providing for the payment for same, was read and on motion of Delegate Heath the same was laid upon the table indefinitely.

A Report from M. L. Rawson, Police Judge, for October, 1890. was read and referred to the Finance-Committee.

The following report from the City Lands Committee was read and adopted, viz:

"Your Committee to whom was referred the resolution of Delegate Heath relating to the cemetery in Pueblo Lots A. & B. beg leave to report that after a careful examination of the records they are unable to find any deed of conveyance for cemetery purposes to either the Catholic, Protestants nor any one else, of said lands: that said lands were deeded to the Trustee of said City "In trust for, and to the use and behalf of said City." - the deed says nothing about cemetery purposes: that the said lands consist of ten acres, the south five acres being used as a Catholic burying ground, while in the north five acres no interments have been made: that within the last few years and especially within the last year the City has rapidly grown and improved towards the land in question: that the use of said lands for cemetery purposes tends to depreciate what would otherwise be

valuable lands within the surrounding neighborhood: and we further believe that the good health of the City is not enhanced by the location of a Cemetery upon said lands. Therefore we recommend that the resolution referred to be not adopted: that interments in the north five acres be prohibited and that the proper steps be taken whereby the use of the south five acres of said lands may be discontinued for burying purposes.

Frank C. Thompson.
S. M. Switzer. } Committee."

The Health & Morals Committee reported favorably upon the following petitions for retail liquor license, viz:

Young Bros.
Charles Swartz.
Emil P. Raether
Charles Treber.

The Health & Morals Committee reported favorably upon the petition to prohibit the removal of a steam laundry to F. street between 14th & 15th streets. And On motion of Delegate Bradt the same was recommitted.

The following report from the City Attorney was read and filed, viz:

"I herewith return the communication of the Board of Health read before your Hon. Body at its last meeting and referred to me for the purpose of preparing an ordinance in conformity therewith, with the following statement. I find on examination that the general laws of the State fully provide for the punishment of any person selling or offering for sale any unhealthy or adulterated articles of food or beverage, and an ordinance would have no effect. In regard to the other recommendation, viz: All slaughter houses furnishing meats to the markets or people be concentrated at some place to be selected by the Common Council and Board of Health, as an ordinance for this purposition would be meless without a definate place being designated & determined upon; it is in power of the Common Council to locate the place where new slaughter houses shall exist

Very respectfully. James P. Goodwin.
City Attorney."

The City Clerk presented the affidavit of O A Mullen principle Clerk of the printers and publishers of the San Diego Daily Sun a Daily newspaper printed and published in the City of San Diego, California, showing that the resolution (passed by the Board of Delegates of the City of San Diego, September 15th 1890 and by the Board of Aldermen of said City September 16th 1890) declaring the intention of the Common Council of said City to order the following Strut Work to be done to-wit:

Chamber of the Board of Delegates of the City of San Diego, California, November 17th, 1890.

An adjourned meeting of the Board of Delegates, of the City of San Diego, California, was held this day at 7.30 o'clock p. m. with President Hewitt presiding.

Present, Delegates = Marshall: Pauly: Bradley: Rodiger: Burnell: Heath: Thompson: Switzer: Hulbert: Hewitt and Clerk Patten.

Absent, Delegates = Wagner: Lyon: Morgan: Thurman: Llewellyn: Hollingtan.

The Minutes of an adjourned meeting held November 10-1890 were read and approved.

The City Lands Committee reported favorably upon the petition of Henry C. Bradley & D. McKim to purchase for coal upon Pueblo Lots 1324, 1325 & 1331 upon conditions each part in said petition. and Thompson said petition was granted

A petition from M. M. Manspeaker for an Electric Street railway franchise, was read & referred to the Street Committee and City Attorney.

The City Attorney reported favorably upon the claim of Hannah Forrest for refund of $1.45 over taxation. Also of H. Abrahamson for refund of $7.50 over taxation and Thompson said claims were allowed & refund ordered.

The following Street Committee report was read & adopted, viz:

"The Street Committee to whom was referred the communication of the Board of Public Works in regard to certain expenditures from the Street sprinkling fund report

1st That the Material Yard of the City is unsheltered and practically unenclosed, thus being unsuitable for the proper protection and care of the sprinkling carts, tools, material and other property of the City.

2nd That to economically and efficiently remove the

sweepings from paved streets low dump carts with capacious boxes, together with harness should be owned by the City.

3rd That the cost of sweeping and cleaning paved streets is fairly estimated at $300 per month.

4th That six sprinkling carts may be profitably employed in sprinkling during a great portion of the year.

The four carts now owned by the City have been used constantly during the day time, and one of them has also been used at night, practically making five carts in use during the season, with the result of not only keeping down the dust in the central portion of the City and on the main thoroughfares but of also preventing the wear of the streets and the formation of chuck holes; that the thorough sprinkling of streets has saved the expense of repairing chuck holes which has heretofore cost over $400- per month, while the cost of sprinkling has not been as much as $175- per cent per month; that with four carts it has not been possible to cover all the streets which should be watered to say nothing of irregular and exceptional sprinkling which may be done to great advantage.

5th That the net balance in the Street sprinkling fund on the first day of November was $4400- and the sources of revenue have produced fully $1000- per month during the months of July, August, September and October and we think are reliable; and that the recommended expenditures may be made without impairing said fund. for sprinkling purposes and Street cleaning

6th That the unexpended balance of $220- heretofore appropriated for the purchase of a sweeping Machine should be restored to said Street Sprinkling fund.

Your Committee therefore recomend that the recommendation of the Board of Public Works be adopted and that the Resolution herewith submitted be passed.

Respectfully
Chas. W. Pauly

} Committee

Said Committee further submitted a Joint Resolution made in accordance with the above report. On motion of Delegate Sartzer said resolution was referred back to the Committee

In the matter of changing the location of the New Town Plaza Electric Light, the Gas & Electric Light Committee reported as follows, to-wit:

"The Electric Light, Gas and Telephone Committee recommend that the change be made as petitioned for and recommended by the Board of Public Works.

Committee"

Said Committee further submitted a Joint Resolution made in accordance with the above report. On motion said resolution was referred back to the Committee

---

The following Street Committee report was read & adopted, to-wit:

"Pursuant to instructions your Street Committee having examined the new street sweeping machine report that said Machine was selected by the Board of Public Works after correspondence with Several Manufacturers of sweeping Machines and upon a careful investigation of the subject, that its price was substantially the same as that of other Machines of similar character, and that its cost, with duplicate parts, freight, setting up &c will amount to about $580= as follows;

Machine	$400=
Duplicate Broom	38[00]
" Driving Chain & pinions	20=
Freight Charges	116[27]
Incidentals (about)	5[73]
	$580,00

Thus leaving an unexpended balance of $220= of the $800 appropriated for the purpose.

Your Committee is of the opinion that said Machine is both suitable and efficient and should be accepted by the City

Respectfully Submitted
Chas W. Pauly
John H. Marshall"

The Health & Morals Committee reported favorably upon the following petitions for Liquor Licenses, to-wit:

Herzog & Korman - retail

The Davis Company - wholesale.

Upon motion said petitions were granted.

A petition from Joseph Miller, for refund of $3.90 erroneous taxation, was read & referred to the City Attorney.

A Communication from the Board of Public Works relative to the erection of an Electric light on 16th & K. streets & submitting the following Joint Resolution, was read & upon motion said resolution was read & adopted & is as follows, to wit:

Joint Resolution No. 31.

Be it resolved by the Common Council of the City of San Diego, that the Board of Public Works be and it is hereby authorized and directed to have placed at the corner of K. and 16th streets one low electric light similar to and under the same conditions as those provided for in Concurrent Resolution No. 25."

The following report from the Ways & Means Committee was read & adopted, to wit:

In the matter of the application of Bryant Howard and Marcus Schiller, for financial aid for the San Diego Benevolent Association, your Committee do find upon consultation with City Auditor, City Attorney and Board of City Auditors, that it appears there are no funds available at present from which an appropriation can be made and that no levy or apportionment for such or other contingent purposes was estimated in the City's last years expenses or necessities.

Now your committee do respectfully recommend that a Contingent Fund be by Ordinance Created, from which all such Meritorious and Charitable objects May be assisted

Delegate Llewelyn offered the following resolution which was read, to-wit: (Rose March) and referred to the Committee on City Lands.

The following Message from the Mayor was read, received and placed upon file, to-wit:

"Mayor's Office

San Diego, Cal. November 24-1890.

To the Common Council:

I have the honor to call the attention of the Common Council to the condition of the several Bonded Debt Funds of the City. The Auditor has notified me of the following deficiencies in these funds:

Municipal Bond Fund	$380.90 :	due Jan 1. 1891,
Sewer Bond Fund	1302.79 :	due Dec. 4-1890
School Bond Fund	2145.16 :	due Dec 4.-1890.
Total	4228.76	

The original estimates of the Auditor in April last, upon the basis of a total levy of $1.25 per $100. provided for the payments from these funds as they should fall due. When the Common Council decided to reduce the levy to $1. for all purposes (including the Bonded debt) the Auditor pointed out the fact that this reduction made no account of the

probable deduction for delinquent taxes of 10 o/o: and stated that before the close of the year there must inevitably be deficiencies in several of the funds, including a shortage of $4295.22 in the Bond fund. The actual deficit now existing differs but a few dollars from his estimate. There is also an actual shortage in the Sewer and Drainage fund, from the same cause, of about $3000.00. I am unable to suggest any transfer from other funds that can be made available to meet the above stated deficit. I would however recommend that aside from the absolute running expenses of the City, no appropriations be made during the remainder of the fiscal year: and that all moneys in the General fund be held for the Bonded debt account.

Respectfully

Douglas Gumm

Mayor."

Delegate Switzer offered the following resolution which was adopted, towit:

"Resolved, That Delegates Rediger, Burnell and Hollington are hereby appointed a committee to inquire into the cause of the frequent and continued absence without leave, of Delegates Wagner: Lyons and Thurman and to report at the next meeting of this Board."

Delegate, Burnett now enters and took his seat in the Board.

The following Special Committee report was read and adopted to-wit

"To The Honorable Board of Delegates.

Gentlemen, Your special committee appointed to inquire into the continued absence of Delegates, Lyons, Wagner, and Thurman, report as follows, That from an inspection of the

records we find that Delegat Lyons was present at the meeting of the Board of Delegates of Nov. 10th 1890 therefore we do not consider it Nescessary to inquire the reason why he has been absent, as he has not violated any rule of this Board or any law,

As regards Delegate Thurman the letter from him, accompaning this report, fully explains his position

In the case of Delegate Wagner, we find he has been absent on official business looking out for the interests of the dear people and also his own.

After considerable trouble on our part we finally succeeded in prevailing upon said Delegate to once more honor us with his presence.

Respectfully Submitted.
Paul H. Redger
W. Hollington"

Delegate Heath offered a Joint Resolution providing that all claims against the City shall be submitted to the Common Council before going to the auditing Committee. Said resolution was read and refered to the Finance Committee.

The following Strat Committee Report was read and adopted, to-wit:

To the Board of Delegates:

We, the Strat Committee to whome was refered the accompanying petition of W. W. Mansfeaker for an Electric Strat Railway Franchise, would respectfully report, that we recommend the granting of the Franchise, as prayed for with the change of route as follows: that said route be changed to read on 4th Strat from C to K and thence on K as prayed for, and to be Constructed with the best modern improvements, as soon as there is sufficient evidence to convince your Honorable Body that the work will be commenced, prosecuted and completed within a reasonably

short time. In other words that we should be careful not to grant it for speculative purposes; and while we are convinced that the petitioner intends to push the work in good faith at once, if the right is given, yet we would respectfully recommend as a matter of business prudence and caution that the matter be referred to the Street Committee and the City Attorney, to propose such terms upon which it is to be granted, if at all, as will insure the speedy construction of the road within a reasonable time, or as a penalty to provide for a complete forfeiture of the franchise, including the completed as well as the incompleted portion of the road.

Respectfully Submitted
Chas. W. Pauly.

Majority and Minority reports of the Strat Committee were read as follows, to-wit:

"Majority Report.

Your Strat Committee to whome was refered the petition of W. W. Mansperker asking for a franchise to maintain and operate an Electric Strat railway, having carefully examined the said petition and all matters connected therewith, after having suggested that Certain Changes be in said petition by the insertion of certain provisions which in our opinion would protect the interests of the City, the said changes, in the understanding of the Committee having been accepted and agreed to by the representatives of the Electric Railway

over

We therefor recommend that upon the insertion of these provisions, - to-wit,

1st. That said road or franchise shall proceed east on D. St. from India Strid to Front St. North on Front St to B. St. east on B. St to 4th St, South on 4th St to G. St,

2d. That the wires shall not be less than 21 feet from level of the Strid.

3d. That all parts used from B. St. to K. St and from K. St. to 7th St. shall be of iron and shall be not less than 125 apart, that the same shall be placed inside the curb and close up to the same.

4th. That in case said franchise be granted that work thereon begin within 60 days after the granting of the same and be fully completed and in Operation within 18 Months from the granting of said franchise.

5th. That a good and Sufficient Bond be given to the City of San Diego in the Sum of $20000 with approved Sureties for the faithful performance of all the requirements of the ordinance.

6th. That in the event of failure to commence within the time mentioned or Complete and operate the road within the time mentioned for such Completion and operation, to forfeit the entire franchise in addition to the bond.

7th That all Streets that may be torn up that the same shall be replaced by the persons obtaining said franchise, at their own expense to the Satisfaction and under the direction of the Board of Public Works.

Chas. C. Pauly
John H. Marshall"

"Minority Report

I concur with Majority repat in full except in that part of rout running from B. to K streets,

I think said rout should be continuous on 4th Strid from B. to K streets, instead of from B. on 4th Strid to G. Strid, thence along G. Strid to 5th Strid, thence along 5th Strid to K. Strid. I believe the interests of the owners of property on 4th below G. Strid should be respected and that no franchise should be granted unless the rout be continuous on 4th Strid to K. Strid.

W. Llewlyn { Minority Strid Committee"

The following report from the Board of Public Works was read, toit:

"To the Board of Delegates: The accompanying reference of the report of your Health and Morals Committee upon the petition of Louis J. Davis in regard to a nuisance existing on "C" street between 2nd & 3rd streets is respectfully declined and returned for the reason that said report is insincere in its character, undignified in its language and insolent in its spirit.

All Communications and recommendations from us to the Common Council have been made with a consideration regard for the best interests of the city and courtesy in courteous, respectful and dignified language although many of them have not met with a considerate reception and some of them have been wilfully and cancelously disregarded.

Every reference to us has been cheerfully accepted, fairly considered, and promptly reported back with the results

of our investigation and conclusions, and this notwithstanding the fact that matters were referred to us which were wholly outside of and foreign to our duties.

We have not sought personal favor of any character at the hands of the Common Council, nor have we attempted in any other than a proper manner to influence its action upon any subject.

When our recommendations have been rejected and when the action of the Common Council has been as we believed impractical and mischievous like we have contemporaneously acquiesced in that action and endeavored to give it proper face and effect.

Very respectfully

Jno. F. Sinks } Commissioners
Jos. Talkington } of Public Works"

Delegate Marshall moved to reject the report of the Board of Public Works, and that the Common Council order the said nuisance abated. The motion carried and it was so ordered.

The following "Majority" and "Minority" reports from the Street Committee upon the petition of M. M. Manspeaker for an Electric railway franchise, were read, to-wit:

"Majority Report"

To the Hon. Board of Delegates.

The Street Committee herewith report back the petition of M. M. Manspeaker asking for a franchise to maintain and operate an electric street railway upon and over the streets of the City set forth in said petition - with the recommendation that upon the insertion of the following changes and conditions that the petition be granted.

1st: That said road or franchise shall proceed east on D. st. from India St. to First St. north on First St. to B. st. thence east on B. st to 4th St, south on 4th St to G. St.

2nd: That the wires shall not be less than 21 feet Light from the level of the street.

3rd: That all posts used from B. St to K. St. and from K. St. to 7th St shall be of iron and shall not be less than 125 feet apart - that the same shall be placed inside the curb and close up to the same.

4th: That in case said franchise shall be granted that work thereon shall begin within sixty days after the granting

of the same and be fully completed and in operation within 18 months from the granting of said franchise.
5th: That a good and sufficient bond be given to the city of San Diego by the grantee of the franchise in the sum of $20.000. with approved sureties for the faithful performance of all the requirements of the ordinance granting the franchise.
6th: That a failure by the grantee of the franchise to comply with any of the conditions of the franchise shall work a forfeiture of the rights and privileges granted by said franchise.
7th: That there be inserted in the franchise the provision that the Council reserves the right to repeal, amend or modify the ordinance granting the franchise.
8th: That all streets torn up by said grantee of said franchise shall be replaced by the same at his or their own expense to the satisfaction and under the direction of the Board of Public Works.

Chas. N. Saulq
John N. Marshall."

"Minority Report."

To the Board Delgates: Gentlemen - the minority of your committee to whom was referred the petition of Mr. Mannspeaker respectfully report as follows - It is the opinion of this part of your committee that for the best interests of the city, and also the property owners on 4th St. below G. that no franchise should be granted to any company that would not be a continuous one along 4th st. from B. to K. St. At the present time, the upper part of 4th st. is used for the benefit of 6th st. and to continue only on 4th st. from B as prayed for by your petitioner to G. st - thence to 5th St. which has at the present time and perhaps for a long time hence sufficient for accomodation would work a serious injury to property of property owners on lower 4th st. This part of your committee believes that property owner interests should be guarded first and your petitioner next, with the change of route - viz: running along 4th St. from B. to K. st. instead of from B. to G. st. and ----- A bond to the amount of $20000. that the road be commenced within sixty days, completed within eighteen months, and operated thereafter; I recommend an ordinance be made in accordance with the petition of your

petitioner granting such franchise.

M. Llewelyn."

1st: That the grantee or his assigns agree that should franchise be granted that work on the same be commenced within 60 days after such grant, and be fully completed and in operation within 18 months from the granting of said franchise.

2nd: That a good and sufficient bond be given to the city of San Diego by the grantee of the franchise in the sum of $20.000 with approved sureties for the faithful performance of all the requirements of the ordinance granting the franchise.

3rd: That all streets that may be torn up by the grantee of said franchise shall be replaced by the same at his or their own expense to the satisfaction and under the direction of the Board of Public Works.

Chas. M. Pauly
John N. Marshall."

The following report of the Ways and Means Committee made upon a resolution inquiring into the authority of an expenditure of $125.0- for extra legal services &c. was read and adopted, to-wit:

"In the matter of the accompanying resolution - your committee do find that by resolutions passed by the Board of Delegates on August 19th, 1889. and by the Board of Aldermen on Aug 20 - 1889. That the entire matter

pertaining to the suit to test the Charter brought against the Mayor, be referred to the City Attorney, and he be authorized to engage such additional counsel as he may deem proper. On the Board of Delegates the whole matter was referred to the City Attorney with full power to act.

Your committee do further find that all the bills have been audited by the auditing committee and paid by the Auditor, amounting to the sum of $275.0. and that all liabilities have been paid and none remain unpaid. And that the auditing Committee under the Charter have full power in the premises.

Adjourned Meeting.

Council Chamber of the Board of Delegates, of the City of San Diego, California, December 29th, 1890.

An adjourned meeting of the Board of Delegates of the City of San Diego was held this day at 7.30 o'clock p.m. with President Hewitt presiding.

Present, Delegates = Lyons: Marshall: Daily: Brady: Atherton: Burnett: Rediger: Llewelyn: Heath: Thompson: Hollington: Switzer: Hewitt: & Clerk Patton.

Absent, Delegates = Wagner: Morgan & Hulbert.

The minutes of an adjourned meeting held December 22-1890. were read and approved.

After giving notice President Hewitt did in open Session sign Ordinance No. 109.

The following report from the Sewer Committee was read & adopted, viz:

"To the Honorable Board of Delegates: Gentlemen: Your Committee on Sewers in regard to the petition of Spreckles Bros. respectfully report; that they find that on account of the lease of the Spreckles wharf from month to month that the City must remove at Spreckles Bros. request their wagons from the Spreckles Wharf.

That in itself the garbage is not a nuisance because the odor from the garbage is not perceptible at any distance, but the odor from the sewer tank just adjoining the place of depositing the garbage is thought by parties by to emanate from the garbage scow because the scow is perceptable to the Eye, but the sewer tank with its deadly and malarious mud is not perceptible, and your Committee will state that they were on Spreckles Wharf when there was a deposit of Christmas turkey feathers in the pockets of the garbage wharf and nothing more dangerous, and when the scow was not in the Bay, and at that time the odor from the sewer tank was dangerous even at the distance of Spreckles Wharf.

That as the present system of dumping garbage with only two pockets was considered when constructed to be but a temporary shift, we recommend that the City remove the point of deposit of garbage to some place more remote from the centre of wharves and

Commerce, and that the system consist of eight pockets enclosed in a building of such a capacity as to fill a boat at one emptying and that the scow be loaded at night and immediately when laden to be floated out at night into the Channel and then in the morning when the breeze springs up to be sailed out of the Bay and be taken out so far that the garbage will not float back with the incoming tide; and that it be emptied when the tide is first going out: and that appliances for washing with salt water the scow and pockets and garbage wagons every few days be constructed. The estimated cost of the above improvements to be from $3000. to $3500.

That the Crematory system is not practicable for this city as being too expensive for a seaboard town, and also as being somewhat of an experiment.

Respectfully submitted.

W. Wollington
Isaac L. Burnett."

The following report from the Finance Committee was read & adopted, toit:

"To the Board of Delegates, Gentlemen: Your Finance Committee to whom was referred the ordinance presented by Delegate Switzer, fixing a schedule of salaries to be paid Charter officers for the ensuing four years, beg leave to report, that after a thorough canvass of the sentiments of the taxpayers with regard to the cost of city administration we find a universal demand for retrenchment not only in the matter of official salaries, but in every department and in every direction where expense is necessarily incurred. In view of this manimous demand of the people it seems absolutely necessary that this Council should willingly and promptly acquiesce, and in so doing lay aside both personal and political consideration, looking only to the necessities of the case, made possible by the present and impending future condition of our general financial and commercial interests. With these facts before your Committee, they would recommend the adoption of the ordinance, excepting the schedule of rates therein proposed, the following schedule of salaries being offered as a substitute therefor, and recommended for adoption by this Board, toit:

The salary of the Mayor to be		$ 600	per annum.
" " "	Auditor and Assessor to be	1200.	" "
" " "	Treasurer and Tax Collector	1200.	" "
" " "	City Attorney to be	1200.	" "

The salary of the Police Judge to be. $ 6.00 per annum.
" " " Commissioner of the Board of Public Works to be 300. " "
" " " Commissioner of the Board of Public Works to be 300. " "
" " " Commissioner of the Board of Public Works to be 300. " "
" " " City Engineer to be 1200. " "
" " " Chief of Police to be 1200. " "
" " " Chief of the Fire Department to be 900. " "
" " " Superintendent of Public Schools to be 900. " "
All of which is respectfully submitted by

Adjourned Meeting.

Council Chamber of the Board of Delegates,
of the City of San Diego, California,
January 26- 1891.

An adjourned meeting of the Board of Delegates, of said City, was held this day at 7:30 o'clock p.m. with President Hewitt presiding.

Present Delegates = Nutt: Marshall: Brady: Alverson: Bennett: Rediger: Llewellyn: Heath: Wellington: Switzer: Hulbert: Hewitt: and Clerk Patton.

Absent Delegates = Lyon: Pauly: Morgan and Thompson.

The minutes of an adjourned meeting held January 19- 1891, were read and approved.

After giving notice, President Hewitt did, in open session, sign Ordinances Nos. 113 and 114.

The following Veto Message, from the Mayor, was read, received & ordered spread upon the record, to-wit-

Mayors office, City of San Diego.

To the Board of Delegates:

I have the honor to return herewith, without my approval, Ordinance No—, fixing the salaries of the Mayor and other City officers.

This bill proposes to establish the annual compensation of the officers therein named for the period of four years, as follows: The Mayor $600; Auditor and Assessor $1200; Treasurer and Tax Collector $1200; City Attorney $1200; Police Judge $600; Commissioners of Public Works, each $300; City Engineer $1200; Chief of Police $1200; Chief of Fire Department $900; Superintendent of Schools $900, And its provisions are made to take effect immediately.

I object to the proposed enactment because I believe it to be not only inconsistent with the Charter of the City and laws of the state, but against public policy, prejudicial to public morals, and dangerous to the public interest.

The authority for this legislation is probably supposed to be found in the following section of Article 3 of the Charter, — "The annual salaries of the officers and the compensation

"of the employees of the city shall be as follows; The Mayor "$1500; the Auditor and Assessor, $2400; the Treasurer and Tax "Collector $1800; the City Attorney $2,000; the Police Judge $1500; "the Commissioners of the Board of Public Works, each $1,500; the "City Engineer $2,000; the Chief of Police $1,800; the Chief of the Fire "Department $1,200; the Superintendent of Schools $1,500; and of "all other officers and employees as may be fixed by the "Common Council; and all salaries shall be payable monthly.

The Common Council in the month of January 1891, and every four years thereafter, shall readjust, and fix anew the amount of all official salaries provided for in this Charter.

The Charter undoubtedly vests the power of fixing the compensation of all officers and employees of the City in the Common Council; just as the constitution vests the power of fixing the compensation of State and County officers in the Legislature, But it is to be presumed that the power will be reasonably exercised; and that the compensation fixed will be such reasonable compensation as shall be commensurate with the duties and responsibilities attached to the office. In both cases, in regard to certain specified officers, the power is not immediately vested in the legislative body, but the salaries are at first fixed by the instrument of government.

The section of the Charter quoted provided that the annual salaries of the officers of the City (meaning the officers who should first take office under it) shall be as follows; (naming them).

The first election under the charter was held on the first "Tuesday after the first Monday in April "1889 and the officers then elected took office "on the first Monday of May next following" (May 6th 1889), for the term of two years. The end of the term for which these "annual salaries" are thus provided will be on Monday May 5th 1891. In the same Article of the Charter provision is made that "the amounts of all official bonds shall be fixed by the Common Council by ordinance; provided, that the following officers taking office for the first time under this Charter, shall give bonds in the following sums: "(naming them). And the section of the Charter creating the Auditing Committee of the City provides that "all demands against the city including the pay-roll of all employes of the City, whether under regular Monthly salary or not, (except salaries of city officers as fixed by this Charter, shall be presented to and passed upon by said Committee; the warrants for the salaries of these excepted officers being drawn by the

auditor upon direct authority of the Charter.

It is the manifest intention of the Charter that these officers, particularly designated, shall be paid the annual salaries therein provided until the end of their term of office.

The language of section is that in the month of January 1891 the Common Council shall "readjust" the salaries referred to. It may increase some of them and reduce others; or it may increase all of them or reduce all of them; or it may reduce some and leave the others unchanged; or increase some and leave the others as now fixed. (In point of fact as the records of the Board of Freeholders will show, the framers of the Charter when they adopted this section, anticipated that the Council would increase the salaries of the City Attorney, Superintendent of Schools, and City Engineer, which were reduced below the Fourth class Charter schedule, and of the Chief of the Fire Department, whose duties were expected to grow in importance and responsibility. It was also expected that the salary of the Mayor would be sufficiently increased to make it a fairly adequate compensation for the service required from the officer.) It certainly will not be presumed that an increase of compensation under the January readjustment could take effect during the term of the present officers. The able lawyers who composed the committee on revision of the Charter were perfectly aware of the constitutional prohibition. It is a readjustment that is to be made, and if it had been intended that in such readjustment the salaries as at first fixed should not be increased, it would have been so stated. But the Charter was made for the future as well as for the present; and so it is provided that this salary readjustment shall be made at periods of four years, with perfect liberty of action within reasonable limits. The purpose of the Charter in requiring it to be done in the month of January is sufficiently evident.

It was intended that the Council should not only have the benefit of the information derived from observation of the practical workings of the new plan of government during the first term of its existence, but that the procedure of the Council should be deliberate; that when it came to establish a salary schedule to be in force for so long a period as four years, covering the two next succeeding terms, it should exercise a suitable degree of judgment; that its action should be guided by an intelligent appreciation of the nature and

importance of the service to be compensated, a careful regard for the public welfare, and a due sense of justice.

A term was therefore designated that should be as near the close of the first term, and yet at a sufficient distance from the approaching City election to preclude the interference of partisan or personal influence with an impartial consideration of the subject.

It being the duty of the Common Council to fix a new schedule of salaries, to take effect with the term beginning, May 5th, 1891, and continue in force during the ensuing four years, the arrangement of the schedule must be consistent with the theory and obvious intention of the organic law. "The Ordinance must be reasonable and consonant with the general powers and purposes of the Charter." An ordinance proceeding by undisguised evasion to abolish the salaries of certain officers and to so reduce the salaries of others as necessarily to deprive them of that independent exercise of their functions expressly vested in them by the Charter, is nothing less than an act of nullification. "Ordinances cannot change the Charter." In its distribution of powers and definition of duties, as well as in its explicit provisions, the intention of the Charter that certain officers should receive compensation for their services is plainly declared, in all cases where it is intended that services shall be performed without compensation it is so expressly stated. The "annual salary" provided by this ordinance for the Mayor and for the Police Judge, is not a "salary" in the meaning and intention of the Charter; the compensation fixed for the Commissioners of the Board of Public Works is not such a "compensation" as is contemplated by the law creating that Board and prescribing the powers and duties of its members, each of whom is required to file a bond in the sum of fifteen thousand dollars. When the Charter vests the power of fixing salaries in the Council, with liberty of action either to increase or reduce them, it presumes a reasonable use of that power. "Where power to legislate on a given subject is conferred and the mode of its exercise is not prescribed, then the ordinance passed in pursuance thereof must be a reasonable exercise of that power, or it will be pronounced invalid."

I am inclined to believe that if the Legislature should pass an act fixing the annual salary of the Governor at $24, and of the members of the State Board of Equalization at $600 each, the Courts would hold that that such salaries were

were not "a compensation," within the meaning of the Constitution for the services required from these officers.

Supposing such an ordinance as this to be valid and bona fide what it purports to be in its title, (which is a violent presumption), what would be its effect in the administration of the city government? The Charter is the Constitution of the City. It is to be considered as a whole, in its obvious meaning and intention, and to be judged by common sense.

The interpretation of any of its parts must be in harmony with the spirit of the entire instrument. What were the particular objects and purposes sought to be attained in its enactment; what are its distinctive features, and wherein does it differ from the Charter which it has superseded. Under the former Charter the executive and legislative powers were united in a "Mayor and City Council," who were required to serve without compensation. The Mayor was the presiding officer at meetings of the Council, having a casting vote in case of a tie, and the right to veto an ordinance; beyond this his powers and duties were nominal and unimportant; he had nothing to do with administration. All actual authority rested in the Council; all of the business of the City was under its control and direction. It appointed all officers not elected by the people, made all contracts, purchased all supplies, and audited all claims.

The present charter distinctly separates the legislative and executive departments of the government. The executive power is vested in the Mayor, who is charged with the appointment of all of the executive Boards of the City, of the Collector and Assessor, and all other officers whose election or appointment is not otherwise provided for; it is his duty also to fill all vacancies that may occur, except in the Council; and he has power to suspend or remove, for cause any officer appointed by him; applications for additional deputies, Clerks, or employees in any department, can be granted by the Council only on his recommendation. He is required to vigilantly observe the official conduct of all public officers, and take note of the fidelity exactitude, or the want thereof, with which they perform their duties, especially in the collection administration and disbursement of the public funds and property; he must take special care to see that the books and Records of every offices and department are kept in legal and proper form; he must direct proceedings to be taken in all cases of official Miscon-
=duct

neglect of duty or defalcation that he may discover or that may be reported to him; he is required to have a general supervision over all the departments and institutions of the City and see that they are honestly, economically and lawfully conducted; he must see that all contracts and agreements with the City are faithfully kept and fully performed; must cause an expert examination of the books and accounts of every department, board and officer to be made at least once in each year; must investigate all charges of inefficiency or extravagance in any office or department, and suspend or remove incompetent, delinquent or needless subordinate officers or employees; he must see that the laws of the State and ordinances of the City are observed and enforced; must take all proper measures for the preservation of public order and the suppression of all riots and tumults, and has power to use and Command the police force to this end, and must act promptly in cases of public danger, or extraordinary emergency, as the public safety and interest may require; he is ex officio a member and President of the Auditing Committee and of the Board of Police Commissioners; he must approve all official bonds and all other bonds made to the city not otherwise provided for; the heads of the several departments must render to him reports at stated times, and whenever he may require them; and every board and department of the government must make to him an annual report, embracing all of their operations, receipts and expenditures during the preceding fiscal year; he must from time to time give this Common Council information relative to the state of the City, and recommend such measures as he may deem beneficial to its interests, and must communicate in an annual Message a detailed account of all of the operations of the government, embracing the substance of the annual reports of the departments, and he may convene the Council or either Board thereof, in special session whenever he may deem proper. The Charter expressly says that the Mayor shall not receive for any public services rendered by him during his term office any other or greater compensation than the salary allowed him as Mayor." In addition to the specific duties set forth in the Charter and prescribed by law, the Mayor must be at all times ready to receive communications and petitions, here complaints, answer questions and furnish informations to citizens and others. The correspondence of his office with officers of other Municipalities and of federal and State governments, and in reply to letters of inquiry from

individuals in all countries is very large. He is also expected to take an active part in all matters of public interest and importance; to preside at meetings; receive official committees, delegations and distinguished visitors, and render them the due and usual courtesies; and to extend the welcom of the municipality to conventions, societies and other bodies that may assemble in the City. These unwritten duties no little time and attention, and are seldom unattended with personal expense.

The most important of the executive boards created by the charter is the Board of Public Works, composed of three Commissioners who are appointed by the Mayor and confirmed by the Board of Delegates. This Board controls all of the expenditures of the government, except the disbursements on interest and sinking fund and salary accounts. It has the custody of all of the property of the city, - Maps surveys, plans, specifications, contracts, documents books and papers, Machinery, tools and appliances connected with the streets, parks public places and buildings, Sewer system, water supply, ect. It has charge and superintendence of all public work of every kind to be done for the City, the Board of Education or any other department. It has the furnishing of all supplies of every kind for the city and each of its departments. It has the appointment of the City Engineer, Superintendent of Streets, Superintendent of Sewers, and such other employees as the Charter allows, who hold their offices at the pleasure of the Board. It has special charge superintendence and control of all Streets side-walks, highways Bridges, Wharves, parks and places, and of the entire Sewer system of the city; and of all streets improvements and repairs; of the cleaning, sweeping and sprinkling of the streets, and of the disposal of all garbage; of all lamps for the lighting of the Streets parks & public places of the city; of the construction and repair of all public buildings, and of all public improvements of whatever nature, It has exclusive authority to prescribe rules and grant permits in conformity with the ordinances passed by the Council relative to laying down railway tracks in the Streets, erecting telegraph and electric light poles and masts, Moving buildings, puting up of signs or awnings, laying down gas and water pipes and all other matters of like nature wherein the safety and convenience of the public and the interest of the city are concerned; It makes all contracts for supplying the city with water, for lighting the Streets and for all work done for or material and supplies required by the City or

any of its departments. Considerable More than one-fourth of the Charter is devoted to the enumeration and definition of the powers and duties of this Board. The express purpose of the Charter in creating a department of Public Works, was to take the whole of this executive business out of the hands of the Common Council, and confine that body to the exercise of its proper functions as a municipal legislature.

Is it seriously believed that the government of this City can be carried on in conformity with the requirements of its organic law under the operation of the provisions of this ordinance. The mere statement of the question is sufficient. To argue it would be wholly superfluous. What then would be the result?

It is certain that no person but a man of Considerable wealth and abundant leisure will accept the office of Mayor without compensation - unless he means to steal. It is equally certain that no honest man, possessing the special business qualifications and experience required in the position, will serve on the Board of Public Works for a smaller salary than that now paid.

A rich man retired from active business, with political ambition, or rare public spirit, may perhaps, be found willing to serve a term as Mayor for the honor of the office. A man really competent and fit to be trusted with the Control of public expenditures in the Board of Public Works, can usually earn More than $125 per month in private employment. Are men of means and leisure so numerous that we shall always be sure of a supply of pure patriots? Is the possession of wealth a guaranty of honesty and fidelity to public trust; and is it invariably accompanied with peculiar intellectual power and administrative capacity? Is it in conformity with the policy of the state to exclude all but rich men from the public service? The Constitution of California declares that "no property qualification shall ever be required to vote or hold office." It is the theory of our government that any office in the gift of the people is open to the ambition of every honest and capable American Citizen. "A Municipal Ordinance must be consistant with the laws and police of the the State."

In point of fact, no such ordinance could be put into effect without subverting the present system of City Government and bringing about a state of anarchy. I can have no other meaning.

If the people are not contented with the operation of the Charter government, they have a perfect right to alter it. If they desire to abolish the offices of Mayor and Police Judge, and do away with the Board of Public Works, and return to the old plan of an executive Council, they Can do it. But the Common

Council cannot do it. It cannot be brought about by ordinance.

The law will not permit a Co-ordinate department of the City government to be deprived of the power vested in it by the Charter under any mere pretense of Salary adjustment: it will not permit the Municipal Legislature to nullify the very law which called it into being and under authority of which it exists; it will not permit that to be done by indirection and evasion which may be done directly and for which a mode is prescribed. The Charter of San Diego was framed and adopted by the people of this City for their own government, under direct authority of the Constitution; and until the people, acting in the mode therein directed, see fit to make such change, it is obligatory upon all of them — and upon the representative body, as well as upon the other departments of the government. Aside from its illegality, this ordinance, in its arbitrary adjustment of the Salaries of the officers other than those heretofore mentioned exhibits an utter ignorance of the functions and responsibilities attached to the different positions. It is plain that no attempt was made to obtain any information on the subject, or to preserve a just proportion in the schedule according to the relative duties imposed.

The principle of equity seems to have been foreign to the work in hand. Having altered the Charter with reference to the executive and judicial departments, the next step was to mulct the remaining salary list in as large a lump sum as possible, with perfect indifference as to the apportionment of the residue.

The Salaries provided are in no case adequate remuneration, having regard to services performed, the responsibility imposed, the amount of bond required from the incumbent, or the importance of the office in its relation to the public interests.

The Auditor and Assessor is the most important financial officer in the City. He is the City's book-keeper, and is required to keep his books in such a manner as to show at all times the exact condition of the Treasury; he is the Secretary of the Auditing Committee; he must approve all demands before they can be allowed, must keep a register of claims against the City; must draw all warrants on the Treasury; issue all licenses; and sign in attestation all Municipal bonds; he must apportion to the proper funds all moneys paid in to the Treasury, and must prepare the annual estimate for the expenses of carrying on the government; he is made personally liable for any loss the city may incur through the payment of any illegal or fraudulent claim; he must file with the City Clerk a monthly abstract of his accounts

with the several funds; and must make a detailed monthly report to the Mayor, showing the receipts and expenditures for the preceding month, with a statement of all warrants drawn, in whose favor on what account, and the amount of each; he must also make an annual report to the Mayor, giving in detail the entire financial operations of the City during the preceding fiscal year, as assessor he must make the assessment of all the real and personal property of the City. The salary allowed this officer by the Charter is $2400 a year. This is a low salary considering the nature and importance of his duties, the responsibility resting upon him, the business qualifications required, and the interest of the City in having the work faithfully carefully and honestly done, and of every tax-payer in the impartial assessment of property. This ordinance reduces the compensation one half allowing him $1,200 a year. The predecessor of the present incumbent (Mr G W Jorris) whose appointment was the first one filed by me on assuming the office of Mayor, resigned the position at the end of a year to accept a larger salary with much less duty to perform, in one of our City banks.

The duties of the Treasurer and Tax Collector are not so exacting as those of the Auditor; but equally concerns the interests of the City that they shall be capably, punctually and honestly performed. His salary is fixed by the Charter at $1,800 a year, and is reduced by this ordinance one-third, or to $1200 a year the same as that of the Auditor and Assessor. The Treasurer & Tax Collector is required to give bonds aggregating $50,000. If the incumbent of this office should be compelled to procure his bonds from one of the Bond Assurance Companies, one year's salary would not be sufficient to pay his premium. The Salary of the City Attorney was fixed by ordinance under the fourth Class Charter at $2,400 a year; it was reduced by the present Charter to $2,000 a year, this ordinance proposes to reduce it to $1,200 a year. There is not a City in the State of California that has greater need of the service of a thoroughly capable and strictly conscientious legal advisor than San Diego. The City owns real property in lots and blocks, park lands and Pueblo lots with water front and tide land interests, worth from three to five Millions of dollars; its Pueblo and park lands are nearly 8,400 acres; and the title to public property is never free from danger of attack. The experience of San Francisco and other California cities - nay our own experience sufficiently warns us of the fact. We have many and various interests as a municipality that demand the constant attention of an

able and honest law officer. In the every day details of his office the City Attorney is a busy man, he is public prosecutor of the city; the legal advisor of the Common Council and of the Executive, and of every officer, Board and department; he must see that all ordinances are drawn in legal form, as well as all official and other bonds, and all Contracts in which the city is interested, and he is ex-officio a member of the City Auditing Committee. I consider this ordinance (assuming it to be valid) dangerous in every feature; but in none more menacing to the public interest than in cheapening the services of the City Attorney.

An unscrupulous man in this position could enrich himself without danger of detection at the expense of the city; and an inefficient man would imperil the interests of the people.

An honest and capable lawyer will not take the office at the salary fixed. There are enough of the other kind who would take it at any salary. The Common Council should restore the office of the City Attorney to the Standard of the fourth class Charter $2400 a year, with a deputy at $1,200 a year.

The City Engineer, under the Fourth Class Charter was appointed by the Council and his salary was $2400 a year

He was an independent officer, and selected his own deputies and employees. The cost of his office for salaries during the last and cheapest year of the old government, when there was comparatively little street work done, was $13486. The present charter placed this office under the control of the Board of Public works, and fixed the salary at $2000 a year. The cost of the Engineers office, including the salary of himself and assistants, under the new system during the year 1890 was $6,685; and during the same year he returned more then $3000 in fees into the City Treasury, a difference in favor of the new charter system of $9,803 in a single year; and within a few hundred dollars of the entire amount proposed to be "saved" by this salary reduction ordinance. I think in view of the fact that this office under the management of the Board of Public Works has saved $9,803 in salary expense over the cheapest year of the old system under Council Management and has earned the City a thousand dollars a year more then the salary of its incumbent that the reduction proposed in this ordinance $2,000 to $1200 is almost as sagacious a stroke of "retrenchment" as the reduction of the salaries of the Board itself, to $300 a year

The Chief of the Fire Department, is provided under the charter schedule $2400 a year. The ordinance proposes to allow

him $900 a year, and I have been informed by a member of the Common Council that "there are plenty of men who will take it for $500 a year". I have no doubt that this is true. I know something about the Fire Department of this city, and also about the departments of other cities, and I have no hesitation in saying that, excepting the city of San Francisco, and making the proper allowance for difference of population and for the lack of a fire-alarm telegraph system and additional apparatus, San Diego possesses the best organized most efficient and least expensive Fire Department in the state of California. Under the new Charter System, vesting the management of the Department in a Board of Commissioners, with power of appointment and removal of all officers and employees, its affairs have been administered with admirable economy and constantly increasing efficiency. The work that it has done during its present organization speaks for itself. It has prevented by prompt action on several occasions extensive conflagrations, and has saved many thousands of dollars worth of property. The salary of its Chief should be increased to $1,800 per year; and the compensation of its subordinates, recently reduced by ordinance, should be restored.

The Salary of the Chief of Police is reduced by this ordinance from $1,800 to $1,200 a year. The usefulness of the Police Department has been very much impaired by the reduction of its force during the past year; but it is to be hoped and expected that the kind of legislation that "economizes" in this direction will not be continued during the next four years. The salary expense of this Department for 1890 was about $7000 less than at the close of the old government, when the force had been reduced to sixteen men. No Man fit to occupy the very important position of Chief of Police in a City like San Diego should be paid less than $1,800 a year.

The Superintendent of Schools was paid $1,800 a year under the Fourth Class Charter. The present Charter reduced the salary to $1,500 a year, and this ordinance proposes to still further reduce it to $900 a year. His present compensation is $700 a year less than the average paid in the ten largest towns in the State. Here he is required to act as clerk to the Board of Education and business agent of the department in addition to his regular duties. In most of the other towns he does not. In several of these towns the Superintendent has a deputy who is paid from $1200 to $1800 a year. San Diego has 2557 pupils in the public schools, with 61 teachers. Santa Barbara with 1000 pupils and

25 teachers, pays the Superintendent $1800 a year. Pasadena, with 1300 pupils and 32 teachers pays him $2000. Neither of these towns requires its superintendent to perform other than school work. The salary of the Superintend in San Diego should be raised to $2,000 a year we can afford to pay at least as much as Pasadena, a town of less than 5,000 population. Of the $71,785 which it cost to run our School Department last year, only $17,674 was paid from revenue raised by the City, $54,110 was State School Money.

As I have here to fore remarked, at the time the Charter was framed, two years ago, it was anticipated that when the Council should come to make this readjustment, the salaries of several of these officers would be reasonably increased; it was never supposed that any of them would be diminished. The new Charter was a reform measure, having for its leading purpose the more efficient and economical administration of the government, and proposing, as essential to that end, a complete divorce of the unprofitable union of powers that existed under the system heretofore in vogue.

The business operations of the City were to be carried on upon the business principle of systematizing the work. Executive departments were created, each under a separate board or head, responsible for its own particular duties; and the whole under the supervision and control of the Chief executive. The legislative powers of the City were carefully enumerated and defined, and vested in the Common Council, "subject to the provisions limitations and restrictions of the Charter and the laws of the State"

Upon the organization of the new government it was at once apparent that there was an element in the Board of Delegates, (whose members are chosen by the seperate wards) unfriendly to the charter and unwilling to coöperate in carrying its provisions into effect according to the spirit and intention of the instrument. I foresaw this upon assuming the direction of the administration and in my first communication to the legislative body endeavored to point out the importance of the acceptance in good faith of the organic law which after the fullest discussion of its provisions had been adopted by a very great majority of the people, in the largest vote that had ever been cast at a special election in the City. I quote here a brief paragraph from the message: — "In undertaking to put in motion an entirely new form of government, we assume a task which demands more than ordinary devotion to duty. We shall as a necessity of the situation, have to deal with difficult questions at the beginning of

our course, the settlement of which will require the exercise of the wisest judgment and the utmost patience. We must remember that our work is not to be done in a day. Above all things the harmonious coöperation of the several departments is earnestly to be desired. This will give us the best assurance of success, and will most certainly bring to our administration the strong support of the people, who have called us to this service, and to whom we are responsible for its faithful performance."

It is to be regretted that the unity of purpose so much to be desired, has been wanting; that in its stead a policy of obstruction has been developed and continuously maintained, which finds its culmination in this ordinance.

There have been other difficulties in our way of no ordinary nature: Within six months of the organization of the government the Charter was attacked by a private corporate interest in a quo warranto proceeding, brought against me personally, and carried to the Supreme Court. Decisions of that tribunal in cases arising under other charters had previously convinced us that our street improvement law, from which so much was expected was subject to the general street law of the state. A feeling of doubt and uncertainty was thereby developed which has had an unwholesome influence. Extraordinary expenses had to be met, not only in defending the suit forced upon us, but also in repairing the sewer outlet, providing for better garbage disposal, and rebuilding and repairing bridges and streets damaged by the heavy storms of last winter. The continued business depression has also had the usual effect of causing a feeling of discontent which invariably leads to a spirit of fault-finding with the government, no matter how carefully it may be conducted.

Nevertheless, this first term of the new Charter government has been successful beyond the most sanguine anticipations of its supporters; and the record which it has made will stand.

We were expected to introduced a reform in the methods of municipal administration, and we have done so. When we undertook charge of the government, May 6th 1889, the Treasury was without current funds. The regular establishment carried 85 names on the City pay-rolls, and the annual salary account for all officers and employees was over $81,000. We cut off 30 employees under the regular establishment of the new government and reduced the annual salary list (for both regular and temporary employees) over $26,000; the reduction in the "regular" list was $28,220 per year. The current expense account of the City

(exclusive of bonded interest and sinking fund and school and library funds, controled by separate departments) was $201,533 during the last and cheapest year of the Fourth Class Charter government; it was $130,297 in 1890 a reduction in annual current expense of $71,236. We have paid $30000 of the debts of the old government; we have paid off $46,000 of the bonded debt of the City (paying $23000 in 1890) and have paid $41,176 interest on bonds.

We have established a partially paid fire department; we have made important permanent improvements, and have reduced taxation on an average more than 40 per cent.

We began the year 1890 with a surplus of $81,255, and the year 1891 with a surplus of $60,412. The financial condition of the city has never been more satisfactory than it is today. We have never since the City began to grow, had so economical an administration of the government.

Sound legislation must be based upon reason. What ground exists for the sweeping reduction of the compensation of the officers of the City attempted by this ordinance? What public demand has been made for such action. What extravagance can be shown in any department? The particular department which this ordinance attempts to destroy, can be clearly shown to have effected economies in doing the City's business amounting to more than $16,000 per annum.

Is it sought to destroy the executive power because individuals are not popular? Surely this is not the course of reason and common sense. The system should not be condemned because its instruments may be regarded with an unfriendly feeling. I speak with greater freedom because my official term will shortly close, and my relations with the government will again be those of a private Citizen.

I undertook this service at the sacrifice of private interest, in obedience to the call of the people. I have the satisfaction of knowing that, in spite of obstruction some positive results have been accomplished. I ask that my successor shall not be deprived of the reasonable compensation due to the office, and I hope that he will not (as I have been) be compelled to expend the whole of it in the public interest. No man can perform this service as the law requires without devoting his entire time to it. If he is in active business he must withdraw therefrom; if his personal affairs require much attention he must place them in the hands of an agent. He will be liable to expense of Counsel fees in defending suits that

may be brought against him as an officer; although I trust that my own experience in that respect may not be repeated.

I wish to see the executive department maintained in its present integrity; and if the salaries now paid the officers of the City cannot be increased - as in several cases they undoubtedly ought to be - they should not be diminished.

This City cannot afford to take advantage of the necessities of men, and force them to work for starvation wages. No City can do that with either honor, profit or true economy. It degrades an officer in his own esteem and robs him of a proper zeal in the public service, & treats him as if he were a beggar, and dole out scant compensation as a grudged gratuity, instead of fair and honest payment for honest work, willingly performed.

It is against public morals to subject officers placed in positions of important trust to the temptations that naturally follow a sense of injustice and ill-paid service.

The experience of many years as an employer of skilled labor, and in the conduct of public business has taught me that the prompt payment of good wages to good and honest workmen is the most economical policy that can be pursued.

No public or private interest was ever promoted upon the theory of "getting something for nothing".

Respectfully,
Douglas Gunn, Mayor.

San Diego, January 23d 1891.

On motion, the Clerk was instructed to notify the Board of Aldermen of the receipt by this Board, of the above Message.

Pres. Board Delegates

Adjourned Meeting.

Council Chamber of the Board of
Delegates of the City of San Diego, Calif.
January 31-1891.

An adjourned meeting of the Board of Delegates of said City was held this day at 7.30 o'clock p.m. with President Hewitt presiding.
Present, Delegates = Nutt: Lyon: Marshall: Bradt: Morgan: Atherton: Burnett: Rediger: Llewelyn: Heath: Hollington: Switzer: Hulbert: Hewitt and Clerk Patton.
Absent, Delegates = Pauly: and Thompson.

The minutes of an adjourned meeting held January 26-1891. were read and approved.

The Special Committee submitted a report in reference to the proposed vacation of the seat of Delegate Morgan.
Delegate Bradt objected to the reading of same, and the objection was overruled by the Chair. Thereupon Delegate Bradt appealed from the decision of the Chair. Delegate Marshall moved to lay the appeal on the table. The motion was put and declared by the Chair to be carried. Thereupon Delegate Rediger appealed from the decision of the Chair, and the appeal being put to vote the Chair was sustained by the following vote:
In favor of sustaining the Chair, Delegates = Marshall: Atherton: Llewelyn: Heath: Hollington: Switzer & Hulbert.
Against sustaining the Chair, Delegates = Nutt: Lyon: Bradt: Morgan: Burnett & Rediger.
Absent, Delegates = Pauly & Thompson.
Thereupon said report was read and adopted by the following vote, to wit:
Ayes, Delegates = Nutt: Lyon: Marshall: Atherton: Llewelyn: Heath: Hollington: Switzer: Hulbert and Hewitt.
Noes, Delegates = Bradt: Burnett and Rediger.
Absent, Delegates = Pauly & Thompson.
Said report as adopted is as follows, to wit:

"San Diego, Jan. 31-1891.

To the President and Board of Delegates:

Gentlemen = Your committee to whom was referred the investigation of the question of the temporary vacation of the seat of Delegate Morgan under a certain

motion to vacate offered by Delegate Heath on Monday evening January 26th, 1891, do report that after due and proper inquiry and investigation we find that Delegate Morgan left this City on or about the first of November last, that he returned and attended a meeting of this Board on the 24th day of November, that since that day and date he has never attended a meeting of this Board, that on or about the first day of December he vacated his place of residence on P. street, and at the same time removed his family and household effects to a point near Mesa Grande post office where he had purchased a piece of land and erected thereon a house and established a family residence, and where himself and family have since and do now reside; that at or near his residence he has commenced the development of a mining claim in which business he has for several months last past been continuously engaged, that by general report he has so established himself as a permanent resident at Mesa Grande; that under the provision of Section 6, of Article 10, of the Charter it is explicitly provided among other things that an office becomes vacant when the incumbent thereof "ceases to be a resident of said City" and under this provision and the fact of Delegate Morgan having changed his residence to another and permanent residence sixty miles distant from this City, it is apparent beyond question that he has wholly and completely forfeited his seat as member of this Board. Your Committee would further call your attention to the provision of the same section and Chapter which says that the Common Council must not grant leave of absence to any officer (except for the purpose of attending to official business) for a longer period than thirty days." The records of this Board do not to our knowledge show that Delegate Morgan at any time requested leave of absence nor do they show that leave of absence was ever granted him, the fact being thereby established that the seat of the said Delegate was by him neglected duly and wholly forfeited. Your Committee would therefore respectfully report that in its opinion there is no question whatever as to the legal disqualification of said Morgan as a Member of this Board, and that the motion to officially declare his seat vacant should prevail.

Very respectfully yours

S. M. Switzer
C. E. Heath
M. Llewelyn.
} Committee.

Delegate Marshall moved to declare vacant the seat of Delegate Morgan. The motion carried by the following vote, towit:
Ayes, Delegates = Nutt: Lyons: Marshall: Atherton: Llewelyn: Heath: Hollington: Switzer: Hulbert and Hewitt.
Noes, Delegates = Braat: Burnett and Rediger.
Absent, Delegates = Pauly and Thompson.

Delegate Marshall moved that the Board proceed to fill the vacancy in the Board of Delegates, from the 3rd Ward. Delegate Rediger raised a point of order that the above motion was out of order. Said point of order was overruled by the Chair - and thereupon Delegate Burnett appealed from the decision of the Chair. Being put to vote, the decision of the Chair was sustained by the following vote, towit:
In favor of sustaining: Delegates = Nutt: Lyons: Marshall: Atherton: Llewelyn: Heath: Hollington: Switzer: Hulbert and Hewitt.
Against sustaining: Delegates = Braat: Burnett and Rediger.
Absent: Delegates = Pauly and Thompson.

Thereupon the above motion of Delegate Marshall to proceed to fill vacancy, was put and carried.

Delegate Marshall then placed in nomination Mr. M. E. Hadley. There being no further nominations the Chair appointed Delegates Nutt and Hulbert as tellers and the Board proceeded to ballot, with the following result, towit:

Mr. M.E. Hadley received nine (9) votes.

Mr. Hadley having received a sufficient number of votes was declared by the Chair to be duly elected a member of the Board of Delegates of the City of San Diego.

Delegate Burnett objected to the above action on the ground that said Morgan's name was called at the regular roll call of this meeting and therefore for all purposes of this meeting he was entitled to vote on every question coming before the Board.

The following protest was read:

"Protest - I Paul. N. Rediger a member of the Board of Delegates of the City of San Diego, do hereby protest against the seating of Delegate A.C. Morgan as the same is unlawful and illegal."

Delegate Marshall moved to consider the Ordinance fixing salaries of the Charter Officers, and the motion being carried said Ordinance was read and Delegate Marshall moved to adopt and following is the vote;
Ayes, Delegates = Nutt: Lyons: Marshall: Braat: Hadley: Atherton: Llewelyn: Heath: Hollington: Switzer: Hulbert and Hewitt.

Noes, Delegates = Burnett and Rediger.
Absent, Delegates = Pauly and Thompson.
There being a necessary two third vote, the Chair declared said Ordinance to be adopted.

Delegate Brady requested permision to change his vote from Aye to No. upon the ground that he had voted Aye by mistake. The request was ruled out of order.

Said above ordinance as adopted is as follows, to wit:

"Ordinance No. 45:

An ordinance fixing the amount of the salaries of the Mayor, Auditor and Assessor, the Treasurer and Tax Collector, the City Attorney the Police Judges, the Commissioner of the Board of Public Works, the City Engineer, the Chief of Police, the Chief Engineer of the Fire Department and the Superintendent of Schools.

Be it ordained by the Common Comcil of the City of San Diego as follows:

Section 1. The annual salaries of the officers of the City of San Diego hereinafter described shall be as follows: the Mayor six dollars per annum: the Auditor and Assessor twelve hundred dollars per annum: the Treasurer and Tax Collector twelve hundred dollars per annum: the City Attorney twelve hundred dollars per annum: the Police Judges six dollars per annum: the Commissioner of the Board of Public Works three hundred dollars each per annum: the City Engineer twelve hundred dollars per annum: the Chief of Police twelve hundred dollars per annum: the Chief Engineer of the Fire Department nine hundred dollars per annum: and the Superintendent of Schools nine hundred dollars per annum.

Section 2. This ordinance shall be in force and effect from on and after its passage, and one publication in the official paper of said City." - - - - -

On motion of Delegate Switzer, the Clerk was instructed to notify the Board of Aldermen of the adoption by this Board of the above Ordinance.

A petition from S.G. Blandell for permission to erect an office tin way, boarded sides on 3rd street near B. was read, and Delegate Switzer moved that the portion of the Building Ordinance relating hereto be suspended & the permit granted as requested. The motion carried by the following vote, to wit:

Ayes, Delegates = Nutt: Lyon: Hadley: Atherton: Burnett: Rediger: Llewelyn: Heath: Wellington: Switzer: Gilbert: Stein.

Absent, Delegates = Pauly & Thompson

On motion of Delegate Switzer it was ordered that Delegate Nutt be placed upon the several Committees formaly represented by Delegate Wagner.

Delegate Heath offered the following joint resolution, which was read and adopted, towit:

"Joint Resolution No.

Whereas, Section 2. of Chap. 5. of Art. 3. of the Charter provides that "the Common Council shall have control of all litigation of the City and may employ other Attorneys to take charge of any such litigation or to assist the City Attorney therein" and

Whereas, the City has been made party defendant to an important suit brought by the San Diego Water Company and for trial on the 16th day of February inst. in which case the City Attorney has requested that assistant counsel be furnished him, therefore be it

Resolved, that the Common Council does immediately appoint a Committee of one from each Board thereof to recommend the name or names of such legal assistants as may be deemed necessary and satisfactory together with such additional information as may appear requisite. said Committee to report to the next meeting of the Common Council."

A petition from Geo. D. Copeland to have Joint Resolution No. 40. amended so as to allow him to Bid for lighting the City with incandescent light; was read and referred to the Committee on Electric Light.

Delegate Heath offered a Joint resolution protesting against certain changes in the law governing the powers of the Harbor Commissioners and the same being read, Delegate Switzer moved to refer to a Special Committee of three to be appointed by the Chair. Delegate Burnett moved to amend by referring to the Harbor and Wharf Committee. The amendment was lost and the original motion was put and carried.

President Powell appointed for said Committee, Delegates Heath, Wellington & Nutt

---

Delegate Rediger offered the following joint resolution, which was read & adopted, towit:

"Joint Resolution No. 43.

Whereas, a bill has been introduced in the State Legislature appropriating the sum of $195,000. for the construction of a seawall

in the Harbor of San Diego. &c.
Whereas, the proposed work is one of state importance, equally with the similar work in the Harbor of San Francisco, which fact has been recognized in the enactment of the law providing for the creation of a Harbor Commission for this port, &c.
Whereas, the revenues of the Harbor are to be applied to the payment of the construction and maintenance of such seawall and of the wharves, etc. to be operated in this Harbor; therefore be it
Resolved, by the Common Council of the City of San Diego, that the legislature be respectfully urged to pass said appropriation bill, and that His excellency the governor of California, be requested to approve the same: and be it further
Resolved, that His Honor, the mayor, be hereby requested to forward a copy of these resolutions to our representatives in the legislature, they to use all honorable means and endeavors to secure the passage of the said bill."

The Committee on Health & Morals submitted a report, &c. on motion of Delegate Dietzer action on the same was postponed until the next meeting.

Delegate Heath offered the following resolution which was read and adopted, to-wit:

"Resolved, that it is the sense of this Board that under the provisions of the City Charter as set forth in Sec. 5: of Chap. 2. of Art. 6. it is the duty of the City Auditor to furnish to the City Council an itemized statement of the condition of the City funds such statement to be made on or before the tenth day of each month, and further that such statement for the month of December not having been submitted to the Council the same is hereby requested to be made and filed with this Board at its next meeting."

Thereupon the Board adjourned.

Absent, Delegates = Pauly.

A report from the Committee on Health and Morals relative to the closing of saloons on Sunday was read & on motion of Delegate Switzer the clause therein relating to the calling of a Special Election was amended to read "at the next City election." Said report was then adopted as amended & is as follows, viz:

"To the Hon. Board of Delegates:

We, your Committee on Health and Morals to whom was referred a petition to close saloons on Sundays, also another petition calling upon the Common Council to refrain from passing any law that make illegal on Sunday any act which is considered lawful on other days of the week - find that there are about as many names on one petition as the other, but your Committee are not able to arrive at which has the most legal voters, or inasmuch as the people have taken such an active part in petitioning the Common Council to such an extent and both petitions being about equal in strength. We, your Committee would recommend that it be left to the people to decide, and that decision be by ballot at the next city election. All of which we most respectfully submit.

R. G. Hulbert
J. F. Atherton."

The following Special Committee report embodying a Joint resolution, was read & adopted, viz:

"To the President and Members Board of Delegates.

Gentlemen:

Your Committee to whome was referred the Joint Resolution offered by Delegate Heath, and protesting against certain changes in the law governing the powers of

the Harbor Commissioners of the Bay of San Diego, do hereby recommend the adoption of said Resolution, and we further recommend that your honorable body adopt the following and additional resolution in relation thereto, to wit:

"Joint Resolution No 42.

Resolved, that it is the further sense of this Council that there should be added to Section 2605 proposed by Section 3 of Senate Bill No 332 to be amended the following words, to wit: Subject first however to the ratification and confirmation thereof by Ordinance of the Common Council of the City of San Diego, and be it further,

Resolved, that our Senator and Assemblyman are respectfully and urgently requested to secure the addoption of this amendment to the proposed amendment."

Your Committee would further recomend that copies of these resolutions be also forwarded to the Committee on Commerce and Navigation in each house of the General Assembly, all of which is respectfully submitted.

C. E. Heath } Committee
W Hollingsworth } Board of
R E Nutt } Delegates."

The City Attorney reported favorably upon the following claims for rebate on personal taxation, to wit:

J. E. Mulvey & Son = $2.38
Savings Bank of San Diego 33.29
F. J. Villa 4.96
F. N. Newman 4.50

Whereupon said Claims were granted & ordered to be paid.

The following Joint Resolution, heretofore offered by Delegate Heath, was read & adopted, to wit:

"Joint Resolution No 41.

Whereas, the Legislature of the State, passed an act, entitled an Act, Establishing a Board of Harbor Commissioners for the Bay of San Diego, approved March 1889, providing among other things, to wit: Under Section 2606 of said act "that no special privilege or franchise granted within the City of San Diego, by the Commissioners to any person or corporation to use any of the lands of the State or the extended streets provided for by Section 2580 shall be valid until the same shall be ratified and confirmed by Ordinance of

the Common Council of the City of San Diego, and Whereas, on the 21st day of January 1891 there was introduced in the State Senate a certain bill known as Senate Bill No 332 being entitled an Act to amend an Act Entitled an act to Establish a Political Code, approved March 12th 1872 by amending Sections 2589, 2595, 2605, 2606 and 2607 of said Code relating to the Establishing of a Board of State Harbor Commissioners for the bay of San Diego, in which said bill it is provided among other things, to wit;

by Section 4 of said bill That Section 2606 be amended & read as follows: "Section 2606 The said Board may grant authority to any person or Corporation to construct a wharf, chute or pier, in the bay of San Diego for a term not exceeding ten years, upon such terms and conditions as said Board may determine"; Therefore be it

Resolved, That it is the sense of this Council, that the adoption of said amendment to Section 2606 is both dangerous and inimical to the public interests of this City, and subversive of the inherent powers and perogatives legally and properly belonging to the people of this City; that the delegation of those powers and perogatives to a Board of Commissioners is both injudicious and unsafe, because susceptible of unjust and unlimited action both in extent and the manner in which it may be exercised in the creation of Monopolies and injurious discriminations alike destructive to the Marine and general Commercial interests of this City, and be it further,

Resolved, That as the legal representatives of the people of this City we do solemnly protest against the passage of said amendment and that our representatives in the Senate, and Assembly, respectively, are respectfully and urgently requested to use their best endeavors to prevent the passage and adoption of said amendment.

And be it further,

Resolved, That Copies of these resolutions properly authenticated by the President of each Board and the Clerk of this Council be immediately forwarded to the Governor the Presiding officers of the State Senate and Assembly, respectively to our state Senator and Assemblyman, and to others as members of the state Legislature."

A report from the City Engineer, submitting plans & specification for the improvement of the Horton Plaza, was read & referred to the Street Committee.

Delegate Marshall offered the following Joint Resolution which was adopted to-wit:

Joint Resolution No.

Whereas the Common Council of the City of San Diego laboring under a common sense view of the matter

on

supposed that each member of the Board of Public Works had been by the Mayor appointed upon said Board for reasons of the peculiar ability of each to fill that position. To illustrate; The Council always supposed that the Mayor had appointed one gentleman upon said Board for his peculiar ability as a business man, and that his Honor had appointed another gentleman upon said Board because of his peculiar ability and profession as an architect and builder; and when said appointments were made, the foregoing reasons were given out for the purpose of having said appointees confirmed so that the services and peculiar abilities of said appointees could be procured for the City of San Diego and be exerted in behalf of and to the great benefit and welfare of said City; and the Mayor and the Council in good faith accepted the services of said gentlemen with that understanding, and no other.

And Whereas, having under consideration the matter of building a wharf at foot of 9th Street, the Board of Aldermen required its Committee on Wharves to call upon said Board of Public Works, for the purpose of examining the plans of a wharf which said Board had reported to the Alderman would cost a certain large sum of money. And when said Committee had so called upon said Board, it was met with the statement that the Board of Public Works "considered it an insult to its intelligence and acumen for the Aldermen to suppose that it or any member thereof was there to furnish the City with any such information; that the City should advertise for plans and pay for them; that the plans from which said estimates were reported, were made by a member of the Board of Public Works and were his private property."

And Whereas, The Common Council believes it to be the duty of the Board of Public Works to furnish to the Council the plans of said wharf, as prepared by said Board and asked for by the Aldermen. And Whereas, said wharf is an immediate and urgent necessity, which makes the refusal of the Board of Public Works to furnish said plans not only an insult to the public, but a great public injury.

Therefore, Be It resolved by the Common Council of the City of San Diego as follows:

1st That the Mayor of the City of San Diego, be and he hereby is requested to demand of said Board of Public Works that it forthwith furnish to the Council plans and specifications of a

garbage wharf to be constructed at foot of 9th Street with plans for tanks, windmill &c as drawn and recommended by said in its reported estimates to the Council.

2nd That if said Board refuses and neglects to furnish said plans &c. that the Mayor ask for the unconditional and unqualified resignation of the Members thereof to take immediate effect.

3rd That if said Board of Public Works refuses to furnish said plans, and the Members thereof refuse to resign; that the Mayor take such steps legal or otherwise, as will oust the members of said Board from office for wilfull refusal and neglect to perform their official duties in utter disregard of their oaths of office.

Delegate offered the following resolution which was adopted, to-wit:

Whereas, The Board of Public Works has seen fit to order the Superintendent of Streets to enforce the ordinances of the City in relation to obstructions on sidewalks; and under the order to enforce such ordinances the Supt. of Streets has caused numerous sign posts awnings &c to be removed from the sidewalks in accordance with the provisions of said ordinances, And

Whereas, numerous complaints have been, and are now being made that said ordinances are not being enforced impartially; and charges are made that either the Board of Public Works or the Superintendent of Streets or both are not enforcing said ordinances impartially, but have shown favors and especially is the unsightly porties on the N E Corner of 5th and D Streets supported as it is by large posts set in the sidewalk, pointed to as being undisturbed through official favor and discrimination, And

Whereas the Board of Delegates has not sufficient information upon the charges herein referred to, to enable said Board to pass and express its condemnation without possible injury to some officer not culpable. And

Whereas, Said charges of discrimination in the enforcement of said ordinances, have become so profuse, that this Board judges it a duty not only to the people, but to the officers concerned that a thorough investigation be had,

Therefore be it Resolved by the Board of Delegates of the City of San Diego, that the President of said Board

appoint a Special Committee consisting of three members of said Board, to at once make a rigid and thorough examination and enquiry into the matters and charges herein referred to, and if said charges, or any of them are found to be true; then said Committee shall enquire further into the matter so as to fix the responsibility of such official discrimination, and report to this Board all of its findings and conclusions in the premises".

Delegate Hadley offered the following resolution, which was read and adopted, to-wit:

"Resolved, That a Committee of three members of this Board, be appointed by the Chair to investigate as to the foundation and facts in connection with certain reported acts of the Clerk of this Board, as alleged by certain members of the Board of Alderman and of this Board."

The Board of Public Works submitted a resolution of intention to construct a sidewalk on D. street in front of lot "G" block 36. Etc. the same was read & referred to the Street Committee.

Delegate Hadley offered the following resolution which was read and adopted, to-wit:

"Whereas, the San Diego Gas & Electric Light Company has a virtual monopoly of the public Electric lighting of this city and at rates & on conditions that are most fair & liberal toward said Company, Etc.

Whereas, numerous complaints are being made & much dissatisfaction is being expressed, at the inadequacy and insufficiency of the light furnished by said Company.

Now, Therefore, Be it resolved, that a Committee of three be appointed by the President to inquire into the merits of said complaints & investigate the cause of such alleged dissatisfaction with directions to report to the Board with all Convenient speed."

Delegate Hadley offered the following resolution which was adopted, to-wit:

Whereas, the Auditing Committee did on the tenth (10) day of Oct. 1889, audit, allow and order paid, to Luce McDonald and Torrence the sum of Two hundred and fifty ($250--) dollars, and on March 30th, 1890, the further sum

of one thousand ($1,000) dollars to Gorber, Boalt & Bishop, of San Francisco and on may 9th 1890, the further sum of fifteen hundred ($1500--) dollars to said Gorber, Boalt and Bishop; all of said sums having been so audited, allowed and ordered paid to said parties, as alleged compensation for special legal services in the Conduct of the case entitled, "The People of the State of California" V.S. Douglas Gunn, Mayor, and whereas, said audit allowance, and order for payment, was made and done contrary to law, and the specific provisions of the City Charter, therefore be it resolved, that the finance Committee of this Board, be and the same is hereby instructed to proceed to an investigation of the said action of the auditing Committee, and other things that said committee report the names of the members of said auditing committee, who took the action in question, the names of the Bondsmen of those members of said committee, who are, or were then under Bonds to the City and the name of the Auditor who issued the warrants in favor of said payments, together with all facts and circumstances relating thereto and connected therewith

The following Joint Resolution heretofore adopted by the Board of Aldermen was read and adopted by the following Vote, to wit:

Ayes. Delegates, Nutt. Marshall, Bradt, Hadley, Atherton, Redgar, Llewelyn, Heath, Thompson, Hallinger, Switzer and Hewitt.

Noes. None

Absent. Delegates, Lyons, Pauly, ~~Bryant~~ and Hulbert.

Joint Resolution No 45

Be it resolved by the Common Council,

That the petition of S. G. Blaisdell for permission to to erect a small office, as in his petition specified, provided that the same shall be subject to removal at any time by the order of the Common Council, it being expressly understood that the petition herein granted extends only to the structure in said petition mentioned, to wit: a small office 10 ft by 18 ft erected as in the manner specified in said petition. Said Structure to not exceed 12 feet in height.

Delegate Atherton offered the following resolution

which was adopted, to wit;

Whereas it has come to the knowledge of this Board that the Auditing Committee has recently Audited allowed and ordered paid, a certain bill of the Sun Publishing Company indicts former Management for publishing the Bridding Ordinance by which Action a considerable sum of Money has, as is alleged been illegally and by misrepresentation obtained from the City

Therefore, be it resolved, that it is the sense of this Board that the finance Committee proceed at once to an investigation of the matter and report to this body at its earliest convenience.

Delegate Heath offered the following resolution which was adopted, to wit;

Whereas, the City of San Diego did in the year 1885, issue certain Bonds known as Municipal Bonds and in the total sum of $66.000 and whereas, it is alleged the sums due, and by law provided to be paid annually into the Municipal Bond Sinking, or redemption fund, have not for some unexplained reason, been so paid, Therefore be it Resolved, that the Finance Committee of this Board proceed to investigate as to the facts in relation thereto, and report thereon, together with such recomendation as to the official action of this Council, as said Committee deem Necessary to be taken.

Delegate Heath offered the following Joint Resolution which was adopted, to wit;

Joint Resolution No 48

Whereas, certain suits at law are now pending in Court involving, under the claims of the Harbor Commissioners, and of parties holding Stat Patents therefor, the largest and most valuable portion of the tide lands embraced within the Corporate limits of this City; under and by which claims and proceedings the important and valuable rights of this City as a Corporation are being jeopardized, and liable thereby to be alienated, and as we believe illegally seized, therefor be it resolved, that the City Attorney is requested to report in writing to the next Meeting of this Council what steps, at the present time should be taken to properly protect the interests of this City.

Joint resolution No 47.

Delegate Heath offered the following Joint Resolution which was adopted. to-wit:

Whereas it is understood from general report that it is contemplated by the City Assessor to increase the assessed valuation of real property, this year, largely in excess of that of the year 1890, for the purpose of raising an unnecessarily large revenue, and Whereas it is a notorious fact that a large portion of the property now standing upon the assessment rolls is assessed at valuations largely in excess of the price at which it can be sold at forced or private sale, and whereas, it is believed the time has come when people are fully convinced that the policy of assessing real Estate in this City upon the basis of boom prices, for the purpose of aiding in maintaining fictitious values or to raise an excessive revenue for the purpose of maintaining an expensive local government, is a mistaken one, and alike injurious, illegal and wrong, demanding a radical change in the direct interest of the property owner and tax payer, and whereas, the continued and increasing depression in business, in values, and, incomes from property, creates an imperative necessity for the most rigid economy, and the greatest reduction of expenses possible to attain in the administration of the City Government, Therefore be it resolved, as the sense of this Council that we as property owners and in behalf of the property owners and tax payers of this City do demand that the assessed valuation of property for purposes of taxation for the year 1891 be made lower generally, than that fixed for the year 1890 and that such valuations be fixed at the lowest minimum possible, in accordance with a consistent and proper compliance with the law, and be it further resolved that the clerk of this Council furnish the City assessor with a Copy of these resolutions without delay.

Delegate Heath offered the following Joint Resolution which was adopted, to-wit:

Joint Resolution No

The minutes of adjourned meetings held February 9th & 16th, 1891. were read and approved.

After giving notice, President Hewitt did in open session, sign Ordinance No. being an ordinance employing J.E. Kaler, as associate counsel &c.

The following special Committee report was read and adopted, toit:

"Your joint Committee to whom was referred the matter of investigating as to the legal right of Gilbert Rennie holding the position of City Auditor and Assessor for the City of San Diego, beg leave to submit the following report: 1st: we find in two different issues of the San Diego Daily Sun, articles pertaining to the matter which we herby attach and make part of our report-

(See follow said articles, taken from issues of Jan 6 & 14, 1891.)

2nd: that the San Diego Daily Sun is the official paper of the City of San Diego & for a Contract with said City of San Diego for the publishing of all legal notices, ordinances, City delinquent tax list &c: 3rd: we find that upon the purchase of the Daily Sun in Jany, 1891, that Gilbert Rennie the City Auditor & Assessor of the City of San Diego was one of the purchasing parties & did become a part owner in said San Diego Daily Sun at that time as mentioned above, toit: Jany, 1891, and that his name the said Gilbert Rennie, City Auditor & Assessor does appear upon the present stock book of said Daily Sun, & on or about the time Jany, 1891, there was issued to & in the name of said Rennie, City Auditor & Assessor one Hundred & thirty shares of stock of the San Diego Daily Sun, the said Daily Sun being the official newspaper, and under Contract with the City of San Diego as mentioned above, and that said stock so issued was for his own use, and not held in trust for another: our informant offered to take oath to the above statement & will do so when called upon by the Comcil: the reason your Committee did not take said informants Evidence under oath was for the cause that they would & now do ask the Comcil to request that Mr. Rennie appear before each Board of said Common Comcil, and that upon his appearance before said Board, he be given a full opportunity to answer the above charge & that Mr. Rennie be given a full impartial hearing before each Board of the Common Comcil. In conclusion we beg leave to draw the attention of each Board of the Comcil to Article 10, Section 3. of the Charter, of the City of San Diego, & request the Clerk to read the above mentioned Section 3, in Article 10, of the Charter of San Diego in conjunction with this report.

John N. Marshall, J.F. Atherton, M. Llewelyn — Special Committee Board of Delegates

On motion the Clerk was instructed to notify the Auditor to appear before each Board of the Common Council at their next meeting.

The following Special Committee report was read and adopted, viz:

"Your Committee to whom was referred the matter of investigating the complaint made against the Board of Public Works & Supt of Streets would beg to submit, that upon due enquiring we find the Supt. of Streets should not be charged with any discrimination in the matter as he receives his orders from the Board of Public Works & has executed the same strictly to orders. We further find that the course pursued is as follows: the Board of Public Works instructs the Supt. of Streets to give a verbal or written order to all parties maintaining obstruction upon sidewalks to remove the same & if not so removed in a reasonable time to report same to said Board of Public Works, when said Board would further instruct said Supt. of Streets to give said parties a further notice that if said obstruction were not removed in forty-eight hours said Supt. of Streets would remove the same. We further find that no such instructions had been given by the Board of Public Works to said Supt. of Streets to serve second notice on the owner of the property on the N. E. corner of 5th & D. sts. as complained of & also find that said obstructions still exist, for what reason or cause your committee know not, but would recommend that your Hon. Body instruct by resolution or otherwise that the Board of Public Works remove, or have removed the said obstruction existing on N. E. corner of 5th & D. streets, & all other obstructions of said nature, at the earliest time possible, thus removing the cause for further complaints of discrimination or favoritism.

signed by your Special Com.

John N. Marshall, Chairman.

Conduct of Clerk, Patton he had would report
First. That by agreement officially determined at a
joint session of this Committee with a Committee of the
Board of Aldermen, appointed for a like service, proceedings
in the investigation were held in joint session in the City
Hall, on Saturday Feb. 14th 1891. That with regard to the
question of Mr Patton delaying the delivery to the Mayor of the
Salary Ordinance, which we are convinced that he did not
use his best endeavors to perfect such delivery, it is in
proof, before the Committee that he was in a great meas-
=ure prevented from effecting such delivery by the premedit-
=ated and preconcerted scheme of Mayor Gunn, who in his
testimony before the Committee squarely and unblushingly
stated that being informed of the adoption of a resolution
by this Board (on Monday Evening Jan 12th) instructing the City Clerk
to make an immediate delivery of said Salary Ordinance,
that he (Gunn) left the City Hall immediately thereby
making such contemplated delivery that evening impossible,
and further that he purposely and designedly absented
himself from that time from his place of residence, and from
his office (which he visited only when he knew Clerk Patton
was absent from the City Hall building) and that he did
so for the sole and express purpose of avoiding and preventing
the delivery of said Ordinance before and until the 15th day
of January. That in consideration of the unprecedented
action of the Mayor by which as is universally understood
by the people of this City he sought to secure the final defeat
of said Salary Ordinance, and in connection with the further
fact that he thereby wrongfully and unjustifiably jeop-
-dized the good repute of the City Clerk by placing him in
the unfortunate position of being suspicioned of irregular
Conduct. Your Committee refrains from further comment
upon this and other questions at issue and from further
report thereon.

The following Special Committee report was read
and adopted, to wit:

Your Committee to whome was referred the following
resolution, to wit: here follows resolution relating
hereto as set forth upon page 320 of this record, would

respectfully report as follows,

First at the present time and under the present system of lighting the City we find the San Diego Gas and Electric Light Company has a monopoly on the lighting of the City.

Second, that the amount of light furnished the City is not adequate to the amount being paid for, or as per contract with said Lighting Company third notwithstanding the inadequacy of the light as per contract, we can find at no time was the light sufficient for distant surroundings.

Therefore we recommend you appoint a Committee to ascertain the Minimum of light that would be sufficient to light our City and further to recall all invitations for bids for the lighting of the City until a report of said Committee be received by your Board

The following report from the Finance Committee was read and adopted, to wit:

Your Finance Committee to whom was reffered the resolution of inquiry relative to the failure of the City Government to provid, as by law required, for the sinking or redemption fund of certain Municipal Bonds would report that we find as follows:

That in the year 1885 this City issued Municipal Bonds in the aggregate sum of $66.000. That under the provisions of the State law one twentieth of the total amount of these bonds are required to be redeemed every year, and the full amount of the interest thereon to be paid as stipulated.

That in providing for such redemption and interest payments the law requires that the annual tax levy shall include and specifically stipulate for the collection of revenue independent of other collections of revenue to the extent and in the sum or sums necessary to pay all interest due upon the bonded debt of the City and for the payment into the sinking fund the amount necessary to redeem the one twentieth of the original sum of such bonded indebtedness.

That we find the interest to have been satisfactorily adjusted to date of last payment due.

That we further find from a statement of the auditor that none of these Bonds were redeemed until 1890

when on October 28th of that year the sum of $4,000 was paid in the redemption of four of said bonds, and on the first of January 1891 the further sum of $2,000 was paid in the additional redemption of two of said bonds.

Your Committee has not examined the records of the years 1886-7-8 for the purpose of ascertaining whether the tax levies of those years included the specific revenue collections for the necessary annual redemption of one-twentieth of these bonds amounting in the aggregate for those years to $9,900 but it is sufficient to state that of provided for and collected, the revenue was not used for that purpose as there is now delinquent on account of such redemption fund the sum of $10,500. From the Auditor however it is learned that there is now in the Municipal Bond Sinking Fund the sum of $2,217,44 with which amount two more bonds can be redeemed as soon as presented leaving then a balance in said fund of $217.44 and a net delinquency on account of said redemption fund for the years 1886 to 1890 inclusive of $8,282,56 for the payment of which as by law required provision should be properly made at the earliest moment practicable, that the financial reputation of this City may be maintained intact and beyond question of doubt as regards its integrity. All of which is very respectfully submitted by

The following report from the City Attorney was read, to wit:

To the Hon. Board of Delegates,

Gentlemen, I herewith return to your Hon. Board the petition and papers pertaining to tax matters of J. Steer. M. Kew, and C. C. Hakes.

The petition of J. Steer, asks the Common Council to refund the amount paid by him for the property described in his petition, the same being purchased by him at tax sale, it afterward being found that the taxes on the property had been previously paid by the owner. Under the law, the Common Council may, but are not required by law to refund the money paid in this way.- The petition of M. Kew, or rather the report of the Treasurer shows that M. Kew had paid the taxes for L. H. Nutt, but the premises were sold for taxes and purchased by J. R. Payne, and the Council is asked to refund the amount. This is like the previous case.

The communication of the Board of Education in reference to the claim of C. C. Hakes, recommending that the same be allowed is herewith returned with the statement that the land sold for taxes and bought by C. C. Hakes was school lands and should never have been offered for sale, and if the Council were ever justified in refunding this sort of claim, this claim in view of the recommendation of the Board of Education, might be allowed.

Very Respectfully.

Jas. P. Goodwin, City Atty."

The following Finance Committee Report was read and adopted, to wit:

Your Finance Committee to whome was referred the accompanying resolution in which it is alleged that a certain sum of Money was illegally obtained from the City by the former Managers of the Sun Publishing Company, Messrs W. G Smith and W E Simpson beg leave to report that we find that this Council passed a certain Ordinance known as the Building ordinance; that among other provisions of said ordinance it was provided that said ordinance should take effect and be in force from and after its passage and one publication in the San Diego Daily Sun; that the ordinance was delivered to the Managers of said paper with an order to publish the same as therein provided to be done; that said Ordinance contrary to its provisions and without any order from this Council, or from the City Clerk, was published two times, to wit: on Dec 19th and 20th 1890, that on the 2d day of January 1891, the Managers of the Sun Newspaper proceeded to file their claim for said publications with the City Auditor, filing two seperate bills, each for the sum of $73.00 or the total sum of $146.00 each of said bills being in words effect as follows, to wit:

City of San Diego
To Sun Publishing Company
To Sundries as per items attached $73.00
State of California County of San Diego City of San Diego } ss

W.E. Simpson being duly sworn, says: That the foregoing account is a Correct, legal, and true Claim against said city, for the full amount for which is presented to said City: That the said amount accrued as set forth therein, is due, and no part of the same has been paid.

Signed W. E. Simpson

Subscribed and sworn to before me this second day of January 1891. Signed: Gilbert Rennie, Auditor.

That to one of said bills the items said to be attached thereto consisted of a copy of said Ordinance, To the other bill no itemised statement or other thing was attached as required.

That at a meeting of the Auditing Committee, all of the members being present, held on or about January 6th (the exact date is not known to your Committee as no minuets of the proceedings of this meeting appear upon the records of the Auditing Committee) these claims were presented to said Committee and favorably considered for allowance and payment with the exception of President Hewitt who objected to such allowance and payment, first, because the ordinance was not printed in accordance with the Contract between the City and said publishers, which requires the type to be set solid and forbids the use of "rules, dual headlines, and other artifices to increase space" and, second because the charge for two publications was illegal and invalid in that the City had ordered but one publication, whereupon an investigation was commenced, and it was discovered that an overcharge had been made by improper measurement, amounting to several thousand Ems, and resulting in each of said bills being cut down from $75.00 to $64.00 each and reducing the total of said claims from $146.00 to $128.00, whereupon the question occured as to the original claim of President Hewitt that any payment other than the payment for one insertion, to wit: the sum of $64.00 would be illegal and a virtual robbery of the City treasury. It also appears that after further discussion the balance of the Committee determined the allowance to Simpson (who was present) of the sum of $100.00 in full payment of the original claim of $146.00 which amount was accepted and allowed and ordered paid as evidenced by warrants Nos. 1176 & 1177 and so ordered to be paid Contrary to law and right, and under the protest of President Hewitt.

Your Committee would further add that under the Contract between the City and the Sun Publishing Company it is expressly stipulated that for each 1000 ems of type,

set solid, if the publication is made three times, or less than shall be paid by said City the sum of "one dollar per thousand Ems." and therefore that by the very terms of said Contract, and well known to the Auditing Committee and to the Mayor (the Chairman of said Committee) the city had the right to one, two, or three publications, as it might choose and at the single price, for one, or all, of one dollar per 1000 ems, and therefore had no right to be charged a single cent in excess of the total sum of $64.00 providing the final measurement was correct as allowed. Your Committee would add it will be apparent to the most casual observer that a serious and unwarranted discrepancy exists in connection with this case, in that W.E. Simpson, first solemnly and positively swore, that his bill or account, as rendered for the sum of $146.00 was a correct, legal, and true claim against said city for the full amount for which the same is presented, which a subsequent oath, if the accounts are now properly filed with the Auditor, will show that he swore that $100, and not $146.00, was the "Correct, legal, and true claim against said City" which amount he hastened with due celerity to accept in full payment and satisfaction.

Wherefore your Finance Committee, in behalf of this Council, does recommend, that as a means, and looking to the end, that decisive Measures be taken to discontinue such loose methods of disbursing the revenues of this City, that the Auditing Committee be required to proceed at once to secure the refund, by the party or parties to whom this illegal payment was made, of the full amount over paid. That difference between the sum of $100.00 allowed and paid, and that such sum found to be overpaid be covered back into the City Treasury within ten days from date hereof all of which is respectfully submitted with the recommendation that the same be spread upon the records of the Board

The following Joint Water Committee report, was read and adopted, to wit:

Your Joint Water Committee, to whome was referred the reports of the San Diego Water Company, beg to report as follows:

We find that no person, Company or Corporation other than the San Diego Water Company is or has been during the past

year, furnishing or supplying water in the City of San Diego for sale rental or distribution; accordingly our chief object has been to ascertain what rates will be necessary and proper during the year to commence on the first day of July 1891 to give that Company a fair and reasonable compensation for the services to be rendered by it during that year, based on the actual cash or market value of its plant and property (including its franchise) actually used and useful in furnishing water to this city and its inhabitants. The conclusion we have come to is that rates substantially in accordance with those allowed by ordinance at present in force, and adopted in February 1890, will be reasonable and proper.

In the course of our inquiry we have, in addition to such new evidence as we have been able to obtain, by a searching and thorough examination of the offices of the San Diego Water Company, and its books, relating to the business of the past year, perused and carefully considered the evidence obtained by your Committee of last year relating to the Company's property and business; and every effort has been made on our part to procure all necessary information to enable your Honorable Body to act intelligently and fairly in fixing the water rates for the ensuing year. The Company's officers readily gave us such information as we asked for; but in reply to our request that they would lay before us such further information as in their opinion the interests of the Company might require, declined to furnish any. Their counsel also declined to address any argument to us. One result of our inquiry is that we are satisfied your Committee of last year made a most liberal estimate of and allowance for the then actual cash value of the Company's plant and property, which they placed at the figure of $581,296,81 and the same could now be readily duplicated and replaced for that sum by any other person, Company or Corporation. The greater part of this plant and property was on the 29th day of August, 1889, the property of the San Diego and Coronado Water Company, and was on that day sold and transferred to the San Diego Water Company.

Your Committee endeavored, as your former Committee did, to obtain the production of the books of the former Company, which contain entries of the original and actual cost of purchase and construction of the property and plant in question but without success. We were informed by Mr Flint who is the Secretary both of the old and new Companies, that the books we required were, upon demand of the purchasers

-that is of the New Company - delivered to them upon the Consum=
=mation of the purchase; and were in the month of September,
1889 sent out of this State either to St Paul, Minn., or to London,
England, Your Committee are satisfied that these
book have been throughout, and still are under the
control of the present Company, or of some of its officers, or
stockholders, and accordingly cannot but other than an
unfavorable construction on the company's unwillingness to
produce them, for they alone could show error, - if error that
should be... in our estimates of the value of the Company's prop=
=erty. We have therefore taken as a starting point in our estimate
the value of last year, namely $581,296.81.

During the past year we find that the Company has entered
into a new contract for a term of twenty years with the San
Diego Flume Company, under which the latter has bound
itself to furnish the former with a liberal supply of water.

Accordingly in our opinion, part only of the pumping plant
of the San Diego Water Company in Mission Valley is or will
be required or useful in the future in furnishing water to
the city and its inhabitants; and that only as an alter=
=native source of supply in case of a temporary inabi=
=lity on the part of the Flume Company, to furnish water
under its contracts. We have therefore cut off from
the value of last year the sum of ten thousand dollars.

On the other hand, we find that the value of the Company's
plant has been increased by an expenditure, reasonably
and properly incurred in new construction and extension of
its pipe system, amounting to $12,456.65. This brings the
present cash or market value of the Company's plant or property,
actually used and useful in the appropriation and furnishing of
water to the city and its inhabitants, to the sum of $593,753.46

We have attempted in adjusting the rates, which in
this report we recommend shall be allowed for the year
commencing on the first day of July, 1891, to suggest such
as will make the next annual receipts and profits to the
company - having due regard to the conditions of time and place -
a just and reasonable compensation for the services to be
rendered during that year; such compensation being based
upon said actual cash or market value.

In arriving at an estimate of the Company's probable
expenditure for operating expenses during the ensuing year,
we have been in part in part guided by the Company's own

own estimate in their new contract with the Flume Company of what may be expected as the maximum amount required for any year during the next twenty years for all operating expenses, excepting only the cost of water. This they place at the sum of $30,000. We have also been guided by what we find from a searching examination of the company's books. was reasonably and properly expended by the Company in furnishing water to the city and its inhabitants, during the past year, namely $38,000. This latter figure includes among other things, cost of water expenditure for repairs and maintenance of plant, taxes, legal charges, officers salaries, and office expenses. We find that for the last six months of the year 1890, the company report as "earnings" under the ordinance now in force $38,541.21, or earnings at the rate of $77,082.42 per annum but this amount is some $8000 less than in our opinion, it would properly be, owing to the Company's wilful Misconstruction of the meter provisions of that ordinance: there the Company has construed as requiring them to "maintain" meters originally placed by them prior to the passage of the ordinance and at their own expense, as "waste detectors." The company report that they had when the present ordinance went into effect 674 of these "waste detectors" and that since the first day July, 1890. they have collected only Meter rates under them.

The Company's earnings for the ensuing year under rates substantially the same as those allowed by the present ordinance will therefor in our opinion amount to $85,000 at least.

This sum after deducting $38,000 for operating expenses, including the cost of water and of maintenance of the system, will leave the company $47,000. or approximately eight per cent, on the present actual cash or market value of its property or plant used or useful in furnishing water to the City and its inhabitants. We have made no separate allowance for interest on any actual or alleged indebtedness of the Company, as we conceive it to be immaterial for your purposes, whether the property and plant used and useful in supplying water to this city is owned by unincumbered stockholders, or partly by stockholders and partly by bond-holders.

The police upon which the present ordinance is based, namely, comparatively high rates for City services, and corresponding low rates for private consumers is we think a sound one, and one which, having regard to the conditions

of time and place, should be adhered to both in the interests of the water company and of the citizens of the City of San Diego generally.

With this report we present a complete transcript of the stenographer's notes of all the testimony taken by us (during lengthy sessions extending over ten days) and also all that taken before before your committee of last year; and annexed hereto is a draft of such water rate ordinance as we now recommend to your Honorable Body for adoption for the ensuing year.

Eleven and one-fourth cents per 100 cubic feet or 15 cents per 1000 gallons provided the amount used shall exceed 13333 1/2 cubic feet, or 100,000 gallons.

Meter Rates for shipping.

Water shall be furnished and delivered by Meter Measurement to shipping lying alongside of any of the wharves on the water front, where water pipes or mains are laid, between the hours of 6 O'clock A.M. to 6. O'clock P.M., daily upon application being made therefor, at the following rates:
Seventy five cents per 100 cubic feet, or $1 per 1000 Gallons.
Water shall be supplied and delivered to water supply

boats at any of the wharves on the water front as above mentioned, between the hours of 6. o'clock a.m. and 6 o'clock P.M., daily, for the purpose of supplying shipping in the Bay of San Diego, upon application being made therefor at the rate of 37½ cents per 100 cubic feet or 50 cents per 1000 gallons.

No water boat furnishing and supplying water to shipping lying at anchor within the limits of the waters of the City of San Diego, shall charge a rate to exceed $3 per 1000 gallons.

Twenty-second.— When water is furnished to hotels, lodging houses, boarding houses, steam engines, gas machines or works, wash houses (Chinese or otherwise), street and sidewalk sprinkling, washing store and shop fronts, where satisfactory rates cannot be agreed upon, the meter rates shall govern.

Twenty-third.— Rent for each fire hydrant and for water used through such hydrant $100 per year to be paid Monthly by said City. New hydrants to be located upon order of the Common Council, and the same rate to prevail up to 200 hydrants; and all over 200 hydrants at $60 per year payable in the same Manner. Provided that the persons, Associations or Companies furnishing water through hydrants to the city shall maintain a pressure of forty pounds at the hydrants located at the corner of Fifth and A Streets, and a proportionate pressure at all other hydrants, to entitle such person, association or company to the hydrant rate provided in this ordinance; and further, that upon an alarm of fire a full pressure shall be immediately turned on.

Twenty-fourth. All water used for City purposes shall be charged at meter rates as above mentioned, except those herein after mentioned.

Twenty-fifth. All water used for Street Sprinkling purposes to be charged at the rate of 10 cents per 1000 gallons.

Twenty-sixth. All water used for flushing sewers to be charged at the rate of 15 cents per 1000. gallons.

Twenty-seventh. For water required and used for purposes not specified in the above rates, the rate shall be in accordance with and in conformity to said above rates.

Twenty-eight. For the purpose of irrigating, any Water Company, Corporation or person engaged in the business of furnishing or supplying water to said city, or its inhabitants may charge and collect from the owner agent, or occupant, for the period of seven months, beginning July 1st 1891, and ending December 1st 1891, and beginning May 1st 1892, and ending June 30th

1892, for every lot having a dwelling house thereon and being occupied and in the residence portion of said city, as follows;

For every lot with a dwelling house thereon and the same being occupied, of not more than twenty-five feet, 25 cents per month,

For every lot with a dwelling house thereon, the same being occupied, and not than fifty feet, 50 cents per month, but said company, corporation or person shall not collect for more than one lot, and said lot being the one upon which the said dwelling house is located, unless the owner, agent or occupant shall request said company, corporation or person so furnishing water to furnish water for additional lots in which case the same rate per lot shall be collected by said company, corporation or person; Provided however, should such owner, Agent or Occupant be paying for water furnished by meter rates, the said 25 cents or 50 cents as herein provided, shall not be collected by said company person or corporation.

Twenty-ninth. — Said company, corporation or person shall make no charge for any pipe or fire apparatus connected with their mains, and to be used only in case of fire.

Section 2. Any person or Association or water Company so furnishing water to said city shall have the power in all cases to apply meters and collect meter rates; but when said meters are so placed by said company, corporation or person the same shall charge only by said meter and according to meter rates.

Any water rate payer shall have the right to demand a meter and pay a meter rate for water upon tendering to any company, corporation or person furnishing water the sum of seven dollars for placing and connecting the same to the supply pipe of such water rate payer.

Upon such demand and payment or tender of said sum by any water rate payer it shall be the duty of such person, company or corporation to furnish, place and maintain a meter; provided that the person, company or Corporation furnishing the water shall be entitled to collect from such water rate payer at least $2.50 per month so long as the maintenance of a meter is required.

If any consumer after having a meter put in discontinues or abandons the use thereof, he shall pay to the owner of the same $5 for removing it. All water rates except meter rates, are due due and payable monthly in advance on presentation of

bill, and if not so paid shall be subject to an addition of 5 per cent, Meter rates are due and payable Monthly on presentation of bill, and if not so paid shall be subject to an addition of 5 per cent.

Nothing herein contained shall be construed as requiring any person, Company or Corporation to charge and collect meter rates in any case where he or they shall at ~~this~~ their own cost have applied, either before or after the passage of this ordinance, a meter for the purpose of detecting waste.

Whenever any meter has been or shall be placed or maintained as a "waste detector," the house and irrigation rates as allowed by this ordinance shall be collected but if any such meter shows an excess of water used over and above what is an equivalent for the house and irrigation rate paid or payable, then the person, Company or Corporation supplying the water may collect for such excess the meter rates allowed by this ordinance.

Section 3. The water Company, Association, Corporation or person engaged in the business of furnishing water, by their or his duthorized agents, shall be allowed proaccess to make personal examination of the premises of any applicant for, or consumer of water to designate the rates as herein established, and for inspection of water pipes and apparatus.

Section 4 This ordinance shall take effect and be in force from and after its passage, and one publication in the San Diego Daily Sun.

The following Veto message of Ordinance No. being an ordinance employing F. E. Deakin, as Associate Counsel, was read & filed, tavit:

San Diego, Calif. Feb. 28th 1891.

To the Board of Delegates of the City of San Diego:-

I have the honor to herewith return ordinance No to your board in which the same originated, without my signature thereto, and with this, my disapproval of the same, and specifying my objections to said ordinance and my reasons for not signing the same to be as follows:

First; Said ordinance is contradictory and inconsistent with itself in this, That the title of the same and section one (1), each provides for the employment of "associate counsel" and the same ordinance by section two (2) attempts to confer full management and control upon the person employed, associate Counsel and Managing Counsel are not Synonymous terms.

Second; Said ordinance provides for the transfer of money from one fund to another, which purpose no where appears in the title to the said Ordinance.

Third; Section 1. of Chapter IX of Article III, of the City Charter provides that "all salaries shall be payable monthly". At the of the presentation and passage of the accompanying returned ordinance there was due the officers and employes of the City their salaries for the Month of January 1891. An ordinance had been presented to your body, duly certified to by the city Auditor, making provision for the transfer of sufficient funds to meet this already existing indebtedness for salaries, a portion of which funds included the money now sought to be transfered for the payment of this later created indebtedness, prior to the presentation or passage of this Ordinance. Doubtless the limitation of available funds in the City Treasury rendered the convenient necessity of defeating the "Salary ordinance" referred to, in order to provide for the payment of "associate Counsel" fees.

This, I deem not only opposed to the equitable right of every officer and employe of the City Government to be paid relatively in point of time as near as may be to the date of labor performed, in conflict with a spirit of justice and fairness, but to be in plain violation of the provisions of Section 13, of Chapter II, of Art. II, of the City Charter, which prohibits the Common Council from giving "one demand preference over another in the authorization, allowance or approval thereof; but demands shall be acted upon in the order in which they are submitted.

Very Respectfully Douglas Gunn, Mayor of the City of San Diego.

The following communication was read and ordered to be spread upon the record, to wit:

"To the Board of Delegates;

Gentlemen, In the report of your finance committee under date of Feb 2sc, 1891, touching a bill rendered by the Sun Publishing Co:, against the city this sentence occurs:- "A certain sum of money was illegally obtained from this city by the former Managers of the Sun Publishing Co., Messrs. W G Smith and W E Simpson."

The bill referred to appears by the report of the same committee to have been rendered Jan. 2. 1891, On that date I was not a member of the Sun Company and had not been since the 10th of December 1890, when my entire holding of stock was transfered to Warren Wilson.

My connection with the Sun therefore was that of an Editorial employe and none of the business of the paper was brought before me, Nor had I knowledge of the bill to which your committee refers, beyond that obtained since it became an issue with your Board and then only to the effect that the payment of the bill was made to the new Management of the paper rather than to the old. Having done me a personal injustice May I ask, either that the original charge be expunged from your minutes or that this explaination may be entered upon them

Very Truly yours

Walter G Smith:

An ordinance providing for the payment of the City Officers for January, was read.

(Delegate Hadley here entered and took his seat.)

2nd Delegate Heath moved to refer to the Finance Committee. The motion Lost by the following vote, to wit:

Joint Resolution No. 52.

Whereas, on the ninth day of February 1891 there was introduced in the State Senate a certain bill known as Senate bill No 585 being entitled an act to amend Section 2607 of an Act entitled an act to

add thirty four sections to an act of the Legislature of the State of California to establish a Political Code, approved March 12th 1872 Said Sections being known numbered and designated as Sections 2575 to 2608 inclusive, all relating to the establishing of a Board of State Harbor Commissioners for the Bay of San Diego, Approved March 18th 1889, relating to the Salaries and pay of the offices and employes of the Harbor Commissioner of the City of San Diego; in which said bill it is provided among other things that Section 2607 of the above entitled act is hereby amended to read as follows;

Section 2607, The Monthly Salaries of the officers shall be as follows: Each of the three Commissioners twenty five dollars: the Secretary who shall be elected by the Commissioners from their own number, one hundred dollars in addition to his salary as Commissioner; the Salaries and compensation of all officers and employes when appointed shall be fixed by the Majority of the Board of Harbor Commissioners, and all Salaries shall be paid Monthly, on warrants drawn on the San Diego Harbor Improvement Fund, and shall be signed by the President and Secretary of the Board, provided that in no event shall the state be liable for the Salaries of the Members of said Board of Commissioners or of the Secretary thereof or for the salary or compensation of any officer or employe, elected or appointed by said Board, or upon any Contract made or entered into by said Board, And it is hereby expressly provided that said Board of Commissioners shall not create any liability or indebtedness against the State in any manner or form whatever, and any liability or indebtedness so created or attempted to be created shall be absolutely Null and Void. And, Whereas the passage of said bill contemplates that said Harbor Commissioners must of necessity Create a fund from which their own and the salaries of a Secretary, Attorney, Engineer, Harbor Master, Wharfingers and numerous other Employes are to be paid at such rates of Compensation as may by them be fixed, and, Whereas, to create such fund it will be necessary to levy port charges, which said Board alone has the power to fix and determine and which may be levied to such an exhorbitant extent as to greatly injure our ocean Commerce and local property connected therewith, therefore be it Resolved, that it is the sense of this Council that in view of the advantages now offered by the very low rates of wharfage, dockage and other port dues charged in this harbor, which have

incured to our benefit in the port, and which important advan-
=tages may be greatly injured if not partially destroyed by an
excessive increase of such Charges to defray the expenses of a
possible extravigant Board of Commissioners, be it further
Resolved, that acting as the representatives of the people of this
City we are unalterably opposed to the enactment of said
bill and do respectfully request our Senator and Assembly-
=man to use all honorable efforts to defeat the same, and
be it also, Resolved, that it is the sense of this Council
that the people of San Diego do not desire a continuance
of the Board of Harbor Commissioners, preferring as they do
that the Control of our Maratime interests should in the
future as in the part, be vested in the Common Council,
subject in its action to the requirements of Commerce as directed
and guided by the business interests of this port and further
that Copies of these resolutions be forwarded at once to our
Senator and assemblyman, after proper certification by
the president of each Board and the City Clerk".

Thereupon the Board adjourned until Monday, March 9-1891.

John H. Marshall
N. Llewelyn."

The following Street Committee report was read & adopted, Viz:

To the Board of Delegates of San Diego:

Your Committee on Streets, or that part that are at present free from ills and are able to perform their duties on said Committee; and upon which Committee a demand was made by your Hon. Body to enlighten said Body as to the where abouts of a certain petition known as the Palmerston Electric Raid Road petition beg leave to report that we know not the present abode or into what highways, Streets, or lanes, this Missing petition has wandered, and become lost or stolen; but in our efforts to ascertain its hiding place we heard distant rumblings & rumors that said petition had got smothered in some deep pocket, what or whose pocket your Committee, that is able to report knows not, and upon further and more prying investigations rumor has it, that this infanticide was premeditated and that Father or some of its ancestors wished that its remains might lie quietly buried deep down in this aforesaid pocket, until the Ghost of another "Manspeaker Electric Rail Road" left its heavenly sphere and came wandering to San Diego with great flourishing of trumpets seeking new Electric Franchises from your Hon Body. In case of the advent of this second "Messiah" viz. (the Manspeaker Electric rail road) Your Committee was unable to discover wether it was the intention of the Gods to resurrect the Spirit of this defunct Electric petition for which so much anxiety exists or forever let it rest; further than this your committee is as much in the dark as the petition itself.

John H Marshall } St. Com.
W Llewelyn

The following Special Committee report was read and adopted, to wit:

To the President and Members Board of Delegates:

Gentlemen:

Your Special Committee to whome was referred the further consideration of the question of Street lighting, and the cost thereof, find by careful investigation that the sentiment of the tax payers generally is strongly in favor of a large reduction in this expense, and in favor of securing such reduction by any method that will most certainly accomplish it. In the determination of this question one of three propositions must of necessity be accepted; either to secure a considerable reduction from the present price, and failing in this, to reduce the number of lamps now being used, or to dispense with their use entirely, until satisfactory terms may be secured. The general opinion of those who have given the matter proper consideration, and as expressed to this committee, is that the city should not expend very much more than one half what it is now paying annually for this acknowledged, but not wholly indespensible public convenience. It is susceptible of proof that we paying but a fraction less than double the amount paid for the same designated power lights, by numerous cities east of us, and further that we are paying four times as much the cost, as shown to be in numerous Cities east, who own and operate their own Electric plant.

It is self evident therefore, that we are paying more for our Street lights than we ought to and it is the knowledge of this fact on the part of the tax payers that leads them to demand of this Council that a more liberal contract be secured, or other steps taken to secure the end sought.

Your Committee would recommend that an advertisement for proposals to furnish Street lights be published by the Board of Public Works for three consecutive weeks commencing immediately after the adoption of the proper joint resolution to this effect, a copy of which said advertisement is herewith attached.

In conclusion your Committee, in connection with its consideration of the report of the Gas & Electric light Committee (herewith returned) desires to say in reply that proposals, subject to the option of the city, or to invite bids or proposals stipulating the price per light, per Month would lead to the tender of higher bids, or the further proposition that because there will

be but one probable bidder on the tower or mast lights, and that to separate therefrom the low or street crossing lights with the possibility of successful Competition on the latter will make probable the tender of exhorbitantly high bids for the tower lights to compensate for the contingency of the loss of the low lights is generally of too insignificant importance for serious consideration, believing as we do that Competitors will be both ready and willing to furnish all the lights required at a fair Competitive rate to the fullest extent to which they may be by the city privileged to do.

All of which is respectfully submitted by Yours &c.,

C E Heath } Special Committee
J. F. Atherton } Bd of Delegates"

The following Message from the Mayor was read, to wit:

Mayor's Office.

San Diego. Cal. April 13th. 1891.

To the Common Council: With feelings of sorrow that will be shared by the whole community, I have to announce to the Common Council the death of the Honorable Robert M. Waterman, late Governor of the State of California, and one of the most public spirited, useful and highly esteemed citizens of San Diego.

His public services, his strongly manifested interest in the welfare of our city and county, and his private worth, alike render it befitting that a proper tribute of respect should be paid to his memory.

I therefore recommend such action on the part of the Common Council as shall testify the regard in which he was held by his fellow citizens, and their sympathy with his bereaved family.

Respectfully

Douglas Gunn Mayor"

Delegate Heath moved that a Committee of three on resolutions be appointed by the Chair: the motion carried and thereupon the Chair appointed as said Committee, Delegates Heath, Smith & Gilbert.

The following Veto Message from the Mayor was read and filed.

Mayor's office, City of San Diego
April 8th 1891.

To the Board of Delegates:

I have the honor to return herewith without my approval, ordinance no.—, entitled "An ordinance employing J. E. Deakin to Conduct the case of the San Diego Water Company, vs. The City of San Diego, and providing for the amount of his compensation therefor;" said ordinance having passed the Board of Delegates March 16th 1891, and the Board of Aldermen March 17th 1891.

This ordinance provides for the payment to J E Deakin, Esq. of the sum of two thousand dollars, which sum the Auditor certifies may be paid out of the General Fund for the year 1891.

An ordinance appropriating the sum of one thousand dollars for the payment of Mr Deakin as associate Counsel was heretofore passed by the Common Council and returned to your Board (in which it originated) without my approval, for reasons set forth in the accompanying Message, dated February 28th 1891. That ordinance is still pending as no action having been taken upon it since its return with my objections; and until it has been disposed of, the present ordinance is premature.

Moreover: The certificate of the Auditor in the present case cannot be properly given because the General Fund for the fiscal year 1891 does not now exist. The levy for the year 1891 has not been made, and cannot be made until after the first Monday in the Month of May next.

The Auditor cannot legally certify that money can be appropriated that has not yet been provided; he cannot know the amount of the levy that is hereafter to be made.

Absolute knowledge—not supposition—is necessary to the validity of the certificate required by the Charter.

My other objections to this ordinance have already been stated in the above mentioned Message (which still

awaits the consideration of the Common Council) and need not be here repeated.

Respectfully
Douglas Gunn Mayor,

Mayors Office.

San Diego, Cal. April 17th 1891.

Chas W. Pauly, Esq.

Dear Sir:

I understand that some of the members of the Board of Delegates are apprehensive that should the contract with the Trustees for City water supply be finally approved by the Common Council, I will consider it my duty to appoint three Commissioners under the Charter provision referring to City water supply. I wish to say to you that in my opinion the proposed contract contract does not require such Commissioners to be appointed; and furthermore that as my administration will close in a few days, I have no disposition to make appointments that are to continue through the term of my successor. You may be sure that I will appoint no water Commissioners. Respectfully &c

Douglas Gunn,

The following Joint Resolution on the matter of leasing the plant of the San Diego Water Company was read and adopted by the following vote, to wit:

Ayes. Delegates. Nutt, Lyons, Pauly, Bradt, Hadley, Atherton Rodgers, Thompson, Hallington, Switzer,

Noes Delegates. Hewitt.

Absent. Delegates. Marshall, Graham, Llewelyn, Heath & Kalbat,

Said Resolution is as follows, to wit:

Joint Resolution No 56.

Be it resolved by the Common Council of the City of San Diego, that the Mayor of said City of San Diego be and he is hereby authorized and empowered to accept and sign for and on behalf of the City of San Diego, a certain sub-lease from Bryant Howard, John D. Collins, Chas. S. Hamilton, A. E. Horton, and M. T. Gilmore, to the City of San Diego, for the water plant and other property owned by the San Diego Water Company, (a corporation), which sub-lease reads as follows:

Whereas, the parties of the first part hereinafter named have leased from the San Diego Water Company, a corporation, the entire plant of said water Company, together with the purchase of three million (3,000,000) gallons of water and more if required, which said Contract bears date the ---

day of April. 1891, and contains stipulations or agreements upon which it may be terminated:

Now Therefor, this agreement is made on the express condition that in case the contract above referred to shall be terminated under any of the conditions, stipulations and agreements in said contract contained, then and in that case this contract shall at once cease and determine and the parties hereto shall each be released by the other from all liability or damage hereunder by reason of the termination of this contract;

And further, that subject to the foregoing agreement This Indenture is made and entered into this ___ day of April, 1891 by and between, Bryant Howard, J W Collins, A.E. Horton, M.T. Gilmore and Charles S. Hamilton, parties of the first part, of the city of San Diego, and the City of San Diego a Municipal Corporation party of the second part, and Witnesseth:

That the parties of the first hereby agree to and do lease and sub-let to the party of the second part for and during the period of twenty (20) years from and after the first day of June, 1891, all and every portion of the water plant now owned by the San Diego Water Company, including all pipes, pipe-lines hydrants, wells, pumps and pumping Machinery, and the real estate upon which said wells and Machinery are situated. and the buildings thereon, stand-pipes, reservoirs, meters and everything now connected with the supplying of water to the City of San Diego under the present system of the said San Diego Water Company, with the right to use said pipes and all things above mentioned for the purpose of distributing water to the party of the second part and its citizens; and also conveys and sells to the party of the second part three million (3,000.000) gallons of water from what is known known as the San Diego flume for each and every twenty-four (24) hours during said period of (20) years; said water to be delivered to the said party of the second part at the present point of diversion of water from the San Diego Flume Company's pipe to the pipe of the said San Diego Water Company: and if for any reason over which the parties of the first part have no control the said supply of water cannot be had from the said Flume Company's system, than they agree to furnish said amount of water from the San Diego River by the pumps hereinbefore mentioned, the possession of which pumps they shall be entitled to during any period of time it may be necessary to pump said water, but should the parties of the first fail for more than sixty (60) days to furnish said flume water, the party of the second part shall have

the option to terminate this lease.

The party of the second part agrees to pay to the parties of the first part, or their assigns, monthly during said period of time, the sum of nine thousand one hundred sixty-six dollars and sixty six cents ($9166.66) as rental for said plant and for the right to use three millions (3000000) gallons of water per day of twenty-four (24) hours, whether said three million gallons of water is used or not; all of said water shall be used within the present limits of the City of San Diego, or if used outside of said City of San Diego, the parties of the first part shall be entitled to receive therefor whatever rate shall be fixed by the Board of Supervisors of the County of San Diego therefor in addition to the amount which they are entitled to in this Contract.

The parties of the first part further agree to furnish to the party of the second part all the water that it may desire to use in said City of San Diego over said three Million (3000000) gallons per day, at the rate of five (5) cents per one thousand (1000) gallons, to be paid for monthly.

It is further agreed that should any extensions of the pipe-lines or plant hereby sub-let to the party of the second part be necessary during the term of this lease the party of the second part shall have the option to put in such extensions, the same to be of the kind and quality now being put in and used by the said San Diego Water Company, or the said party of the second part may require such extensions to be made by the parties of the first part, and in such case the parties of the first part shall be allowed for the amount actually invested in such extensions the sum of six (6) per centum per annum as interest, payable at the time of paying the monthly amounts called for by this lease; and in case said parties of the first part shall fail or refuse to make such extensions when required so to do by the party of the second part then the said second party may cause such necessary extension to be made and deduct the cost thereof from the subsequent rentals falling due.

The parties of the first part agree to keep in good repair and look after and care for the system and plant hereby sub-let, free of all expense to the party of the second part; in case of a failure to make such repairs on demand, the said party of the second part shall have the right to make such repairs as shall be necessary and deduct the cost of such repairs and any loss occasioned by failure to repair, from any subsequent install-

=ments of rent; but if the party of the second part order larger or different pipes to be laid in place of pipe already laid, or any change or addition in the system or plant hereby sub-let, any increase of expense incurred thereby will be considered as new construction: provided, that whenever it shall be necessary to enlarge the pipe connecting the Flume Company's pipe with the head of Fifth Street, in order to carry the three million (3000000) gallons of water per day, the same shall be enlarged by and at the expense of the parties of the first part; or if the party of the second part should prefer new pipe laid in any direction to accomodate the overflow instead of the above change, then an amount in valuation in new pipe shall be laid by the parties of the first part equal to the amount required to make the above change.

The party of the second part agrees to permit the said San Diego Flume Company to use said system of pipes for carrying and conducting water to parties outside the City limits of the City of San Diego; the compensation to the party of the second part for the use of said system being fixed by said second party and the San Diego Flume Company; it being understood however that such use shall not in any way interfere with the city service.

It is also agreed that the party of the second part shall pay to the parties of the first part for the deterioration of the extensions of the pipe-lines or any part of the system three (3) per centum per annum, on the cost of such extensions; said Party of the second part to have the option of purchasing such extensions and the entire plant at any time during the term of this lease, at the actual first cost thereof less the amount paid for deterioration. Should the party of the second part at any time require an excess of three Million (3000000) gallons of water daily, it shall pay for such excess at the rate of five (5) cents per one thousand gallons (1000); and the parties of the first part agree to furnish any excess over said three Million (3,000,000) gallons, that may be required by said second party.

And it is expressly understood and agreed that the party of the second part has the option to terminate this lease in case any of the conditions, stipulations, or agreements above mentioned shall not be complied with, by giving notice of such option to the parties of the first part of one (1) month, and upon returning to the parties of the first part in as good condition as when this lease is executed, ordinary wear and tear and damages by the elements excepted of the property above described;

or in case of a failure to return any part or piece thereof, to pay said parties of the first part the value of all property not returned as aforesaid: and from the of such notice an ascertainment the parties of the first part shall be restored to all of the rights and privileges they now have; and in the case of the termination of this contract the first parties shall be released from all libilcty for damages or otherwise by reason of such termination of failure of conditions, terms, or agreements.

In Witness Whereof, the parties of the first part have hereunto set their hands, and the party of the second part has caused its name to be subscribed and its corporate seal affixed hereto the day and year in this agreement first above written.

Whereupon the Board adjourned until Monday April 20th 1891 at 7 30 P. M.

Said Report as adopted is as follows, to wit:

In Matter of Leasing Building for City Hall.

Joint Report of the Ways and Means Committees of the Boards of Aldermen and Board of Delegates.

To the Honorable, the Common Council of the City of San Diego, State of California.-

Gentlemen,-

Your Committees on Ways and Means beg leave to submit this joint report in the matter of the City leasing a building for use as a City Hall, to wit:-

Your Committees have, since the matter was referred to them, held numerous joint meetings for the consideration of the different proposals submitted for the leasing to the City of various buildings for City Hall purposes.

Your Committees had before them, and examined into seven different propositions,

out of the seven then were four buildings only which were suitable for City Hall, to wit:-

1st - The building now used as City Hall, offered for two years, at $100.00 per month for the first year and $125.00 per Month for the second year; the owner to make all necessary repairs to prevent the roof of the building from leaking, and as a sanitary measure, to thoroughly fumigate under the floor of the building by use of Sulphur candles, twice each year.

2nd - The Hanbury building, N.W. Corner D and 3rd Sts. (offered only in case the city determined to move from present quarters), at $200.00 per Month for two years; the owner to put in necessary vault, and make all changes and repairs needed.

3rd The Kline Block, N.W. Corner D and 6th Sts. the whole lower floor, and enough of the second floor necessary to accommodate all of the City officers, including the Police Court and Board of Education, offered for two years at $160. per month; the owner to put in a vault and make all changes, and put in all partitions deemed necessary.

4th The Express Block. S.E. Corner D and 6th Sts., three large office rooms, two fronting on D St. and one on 6th. St., and sufficient office rooms upon the 2nd. and 3rd. floors to accommodate all of the City Officers, including the Board of Education and Police Court, offered for two years, at the monthly rental of $166.66; the owner to Construct a vault and make all necessary changes, and put in all partitions needed for the accommodation of said officers and Boards.

And your Committee having fully considered the matter, and made careful investigation into all of said proposals, taking into account the cost of moving from the present City Hall, and the cost of fitting up offices in new quarters, your Committee upon the grounds of economy, and believing the present building occupied as a City Hall is suitable, do recommend that the City lease the same for two years from June 1st. 1891, at the figures and upon the

terms named; And we would urge the importance of requiring the owner of the present City Hall to obligate himself to put the premises in a condition to meet the approval of the Board of Health; and hereby submit a Joint Resolution for adoption, to that effect.

Respectfully.

San Diego, Cal. May 25th 1891.

(Which Joint Resolution is as follows.)

Joint Resolution No. 61.

Be it Resolved by the Common Council of the City of San Diego, as follows, to wit:- That the City of San Diego do lease from D. G. Stephens, the owner, the building situate upon the South West Corner of D and 3rd. Streets, in the City of San Diego, now used by said City for its City Hall, for the term of two years from June 1st. 1891; at the Monthly rental of $100.00 for the first year, and the monthly rental of $125.00 for the second year. Said rentals to be paid at the end of each Month during said term, by Warrants drawn upon the Public Building Fund" of said City, said Warrants as soon as drawn to be, by the Auditor sent to the address of said D. G. Stephens, at Los Angeles, Calif. by Mail;

Provided, that the said Stephens agree and covenant in a written lease to the City, that he, the Lessor will at once repair the roof of said building, and keep the same in such repair, that it will not leak, during the said term of two years; and also covenant and agree in said lease, that he, the Lessor, will cause said building to be thoroughly fumigated twice each year, under the floor, by the use of Sulphur Candles; also covenant that in default of his compliance with said Covenants, or either of them, the City to have the right to terminate this lease. And further Resolved, that the City

Attorney at once prepare a Lease in conformity to and with this Resolution.

Further Resolved that the Mayor of said City execute and deliver said Lease on behalf of said City of San Diego.

Further Resolved that said lease provide that the Board of Health designate the time for said fumigations to be made; and if not so made, then said Board can have and cause the same to be made at a cost not to exceed $10. each and the same to be deducted from the rentals.

Auditors Certificate

I hereby Certify, that the foregoing Joint Resolution can be passed and adopted by the Common Council without violating any of the provisions of the City Charter of the City of San Diego.

San Diego, Calif. May 25th. 1891. Gilbert Rennie
Auditor City of San Diego.

The following Report of the Street Committee, to whom was referred the Communication of Jas. P. Jones in regard to Scale on trees bordering on sidewalks was read and on motion of Delegate Thorpe adopted. Said report is as follows, to wit:-

To the Board of Delegates:

Upon the Communication of the Horticultural Commissioner of the County in regard to the existence of Scale on Pepper and other trees bordering the sidewalks; the Street Committee reports, that such trees were planted and are cared for by the owners of abutting property and are the private property of such owners. It seems that under the law such trees should be treated as trees growing upon private property, and we therefore recommend that no further action be taken.

The Report of the Health & Morals Committee to whom was referred the Joint Resolution instructing the City Attorney to report a Liquor License Ordinance

was read, and on Motion of Delegate Cippen adopted. Said report is as follows, to wit:-

To the Honorable Board of Delegates.

In the Matter of Joint Resolution No.— Laid down from the Board of Aldermen, and referred to the Health & Moral Committee at your last Meting, your Committee respectfully recommend that your Board non-Concur for the following reasons:-

1st Sufficiently valid reasons have not as yet been presented to this Committee for a reduction of the existing rate of licensing the sale of intoxicating liquors in the City of San Diego, and a Concurrence of this Board in the Joint Resolution becomes a tacit admission on its part that such a reduction is advisable. Such an admission seems certainly inexpedient at the present time in view of the fact that figures furnished by the City Auditor show that up to May 10th the liquor dealers of San Diego owed to said City a sum slightly exceeding $21,000. delinquent license tax, and inasmuch as the Mayor, assisted by the proper City authorities, is now taking Measures for enforcing the existing excellent license ordinance, it seems inexpedient to weaken his action by any proceeding on the part of the Council which admits in any measure that said action is either illegal or abortive.

2nd. The argument that Collecting licenses six months in advance will insure its payment seems invalid inasmuch as the provisions of the present license ordinance require payment Monthly in advance, and still licenses are not paid.

3rd. The question whether in justice owing to present business depression, the license tax of the sale of intoxicating liquors should be reduced, becomes a question for Careful Consideration and argument before your Board, but your Committee would respectfully call your attention to the fact if this is a valid reason for a reduction of one half in the present rate of taxation, those parties demanding such reduction on the score of Justice should be equally just, and make some provision for making good to the City Treasury at least one half of the delinquency of $21,000 Now outstanding against them, besides such costs as the City May

have incurred in attempting its collection.

In view however of the action of the Board of Aldermen in the matter of imposing Municipal Licenses in the City of San Diego, and of the general public interest in the same, your Committee would respectfully recommend that after Non-Concurrence in the Joint Resolution, the whole matter be again referred to them with authority to confer with the Committee from the Board of Aldermen, for the purpose of learning if there is really any good reason for a change in the present License Ordinance which has not come to their knowledge, in order to bring the matter fairly and honestly before your Board.

Said Commissioners report is as follows, to wit:-

Report: To the Common Council of the City of San Diego, California, We the undersigned Commissioners, appointed by you, respectfully make and submit to you the following report, to wit: On the 23rd day of September 1889, and on the 1st day of October 1889, a resolution was passed by your Honorable body, of which the following is a copy, viz:-

Resolution of Intention to open "D" from 17th to 33rd Street.

Resolved that the Common Council of the City of San Diego, California, deems it to be required by the public interest and convenience and hereby declares its intention to order the opening and extending of "D" Street in said City from Seventeenth Street to thirty third Street for which

purpose it is deemed necessary to take and appropriate a strip of ground eighty (80) feet wide and four hundred and eighty (+80) feet long running from the east line of said Seventeenth Street to the west line of Nineteenth Street off of the South side of a tract of land designated on the Map of Gardner's Addition as "Orange Hill Reservation" and also a strip of ground eighty (80) feet wide and six hundred and sixty 660 feet long running from the west line of twenty fourth Street to the west line of twenty-fifth Street off of the South side of a tract of land designated on the map of the City as the "Goodrich track" and that the damages, cost and expenses of making said improvement shall be assessed in proportion to benefits upon a district the exterior boundaries of which are hereby fixed as follows, to wit:-

Begining at a point in the east line of Atlantic Street one hundred and twenty five feet North of the North west Corner of Block 50 New town according to Gray and Johns map, thence north one hundred and twenty (120) feet, thence east or easterly on a line parallel to the North line of "D" Street to the west line of 3rd Street; thence producing said line one hundred and fifty (150) feet from and parallel with the North line of "D" Street to a point on the west line of of thirty third Street; thence south to a point one hundred and fifty (150) feet South of the South line of "D" Street; thence west or westerly one hundred and fifty (150) feet from and parallel with the South line of "D" Street to the west line of third Street; thence producing said line one hundred and thirty five (135) feet from and parallel with the South line of "D" Street to a point on the east line of Atlantic Street; thence North two hundred and fifty (250) feet to the point of begining. The San Diego Daily Sun is hereby designated as the daily Newspaper published and Circulated in the City in which notice of the passage of the resolution of intention shall be published ten (10) days, as often as said Newspaper is issued therein. The Street Superintendent of the City is hereby directed to post and publish said Notice in the manner prescribed by law.

And after the same had been duly posted and published, and due notice published as required by law, and the time in which objections could be made having expired, Your Honorable Body duly passed a resolution in the following words and figures, to wit:-

Resolution ordering the opening and extending of "D" Street from 17th Street to 33rd Street. Whereas Notice of the passage of the Resolution of Intention to open and extend "D" Street from Seventeenth Street to thirty third Street has been duly published for ten days and posted along the line of the Street, And Whereas the period of ten days has expired within which objections to the Contemplated work could be presented and no such objections have been made or filed and Whereas jurisdiction has thus been fully acquired

to order said work to be done, Wherefore be it, Resolved that the Common Council of the City of San Diego California deems it to be required by the public interest and convienence and hereby orders the opening and extending of "D" Street in said City from Seventeenth (17) Street to thirty third (33) Street for which purpose it is deemed necessary to take and appropriate and it is hereby ordered that there shall be taken and appropriated a strip of ground eighty (80) feet wide and four hundred and eighty (480) feet long running from the east line of said Seventeenth Street to the west line of Nineteenth (19) Street off of the south side of a tract of land designated on the map of Gardner's Addition to the City of San Diego as "Orange Hill Reservation". And also a strip of ground eighty (80) feet wide and six hundred and sixty (660) feet long running from the west line of twenty fourth (24) Street to the west line of twenty fifth Street off of the south side of a tract of land designated on the map of the City as the "Goodrich tract" And it is further ordered that the damages, Cost and expenses of opening and extending said Street and the making of said improvements shall be assessed in proportion to the benefits upon a district the exterior boundaries of which are as follows, to wit:- Begining at a point in the east line of Atlantic Street 125 feet north of the north west corner of Block 50 Newtown according to Gray and Johns Map, thence North 120 feet thence east or easterly on a line parallel to the north line of "D" Street to the west line of 33 Street, thence producing said line 150 feet from and parallel with the North line of D Street to a point on the west line of 33 Street, thence South to a point 150 feet South of the south line of D Street, thence west or westerly 150 feet from and parallel with the South line of D Street to the west line of 31 Street, thence producing said line 135 feet from and parallel with the South line of D Street to a point on the east line of Atlantic Street thence North 260 feet to the point of begining." And also passed of the 10th and 18th days of March 1890, a resolution as follows" Concurrent Resolution No. 23, Be it resolved by the Board of Delegates of the City of San Diego, the Board of Aldermen thereof concurring; That G. C. Arnold, H. M. Stanton and C. N. Stevens be and and the same are hereby appointed Commissioners to assess benefits and damages and to have general supervision of all work pertaining to the opening of D Street in the said City of San Diego, as the same is particularly described in the resolution of intention for opening said Street on file in the office of the Clerk of said City. That the Compensation of said Commissioners hereby appointed shall be not more than four dollars per day during the time said Commissioners shall be engaged in such work. That said Commissioners shall before entering on said work qualify and file such bond as is required by law.

That on the 24th and 25th days of March 1890, immediately after receiving notice of their said appointments, the undersigned duly qualified as such Commissioners and ever since have acted as such, that they immediately after such qualification proceeded to view the lands described in said

resolution of intention and examining witnesses on oath and examining the improvements affected and after considering the same they proceeds to determine the value of the lands and damage to improvements and property affected. and also the amount of expenses incident to said work, and improvement and assessed the same upon the district of lands declared benefitted, the exterior boundaries of which were fixed by the said resolution of intention and made a report thereof attached to a plat, according to law, which was filed with the City Clerk of said City on the 30th day of June 1890, That the said Clerk gave due notice of said filing by publication in a daily Newspaper published and circulated in said City and on all persons in interest to appear and show cause at the hearing of said report why the same should not be approved, and the same came regularly before the Common Council of said City and said Common Council on the 18th day of November 1890 passed a resolution of which the following is a copy, to wit: "That the report submitted by the A Strut Commissioners be referred back with instructions to consider the recommendations made by the Board of Public Works and that they amend their report to conform with such recommendations as far as practible and further that they confer with the City Attorney for Legal advice."

And immediately after receiving the said resolution and the said report and plat the said Commissioners proceeded to view the lands described in said resolution of intention and examined witnesses on oath, and examined the improvements affected, and after considering the same they proceeded to determine the value of the lands and the damage to improvement and property affected, and also the amount of the expenses incident to said work and improvements and assessed the same upon the lands declared benefitted, the exterior boundaries of which were fixed by the said Resolution of Intention.

The following explanations are made of the foregoing assessments, viz:
"Assessment Number" refers to the Assessment Number upon the Accompanying Plat. "Lot," "Block" and "Addition" are locations of the property in the City of San Diego, California. "Owners Name" is name of owner of property; and "amount" is the amount in dollars and cents of the assessments against each piece of land in the District.

And the Commissioners also herewith present a Plat of the assessment District as required by law, which is hereby referred to and made a part of this report.

Respectfully Submitted
