AN ORDINANCE FIXING THE AMOUNT OF THE OFFICIAL BOND OF THE SUPERINTENDENT  
OR CHIEF OF POLICE OF THE CITY OF SAN DIEGO, CALIFORNIA.

BE IT ORDAINED By the Common Council of The City of San Diego, as follows:

Section 1. That the amount of the official bond of the Superintendent or Chief of Police, which position is provided for under paragraph (f), section 2 of Chapter I of Article II of the City Charter, which became effective in May, 1915, which bond shall be conditioned for the faithful performance of the duties of the officer filling such position, be, and the same is hereby fixed in the sum of ten thousand dollars (\$10,000.00).

Section 2. That the form of such official bond shall be approved by the City Attorney, and the amount thereof and the sureties thereon shall be approved by the Auditing Committee, and when so approved the same shall be filed with the City Clerk of said City.

Section 3. This is an ordinance for the immediate preservation of the public peace, health and safety, and one of urgency, and shall take effect and be in force from and after its passage and approval.

The facts constituting the emergency in this case are that there is now before the Common Council for action the nomination of the Mayor to the position of Superintendent or Chief of Police; that such position has, since the effective date of the charter amendment creating the same, never been filed, and that the organization and efficient administration of the Police Department as provided by said charter amendment require that an appointment be immediately made to the position of Superintendent of such department. That under charter requirements the filing of an official bond is a condition precedent to the qualification to office.

Section 3. The duties of the Juvenile Officer shall consist in a general supervision of and investigation of complaints against and offenses by minors or juveniles which come under the jurisdiction of the Police Department of The City of San Diego, and such other duties as may be delegated to such officer by the Superintendent of the Police Department.

Section 4. This is an ordinance for the immediate preservation of the public peace, health and safety, and one of urgency, and shall take effect and be in force from and after its passage and approval.

BE IT ORDAINED, By the Common Council of the City of San Diego, as follows:

Section 1. That the Superintendent of the Fire Department of The City of San Diego be and he is hereby authorized to employ, in addition to all members of the Fire Department, as the strength of such department is set forth and defined in Ordinance No. 6893, approved February 5th, 1917, fifteen (15) watchmen to be used for the purpose of guarding fire stations, fire alarm system, and other property under the jurisdiction of the Fire Department of said City.

Section 2. That said watchmen shall be under the direction and jurisdiction of the Superintendent of the Fire Department, but shall not be considered as members of the Fire Department within the meaning of the term "Fire Department", as used in Ordinance No. 4979 of the Ordinances of the City of San Diego, approved February 4th, 1913, providing for a Firemen's Relief and Pension Fund.

Section 3. The salary of the watchmen herein provided for shall be Two dollars and fifty cents per day, and shall be payable monthly in good and lawful money of the United States for services rendered during the preceding month. Said salaries shall be payable out of Item 1, Series A, Section 2, of Ordinance No. 6868, of the Ordinances of the City of San Diego.

The action of the Superintendent of the Fire Department in engaging watchmen for the purposes herein indicated and placing said watchmen at work on Wednesday, the 11th day of April, 1917, and continuing said watchmen in the service of said Fire Department, is hereby approved, and the period of service of the watchmen herein provided for shall begin from and after said 11th day of April, 1917.

Section 5. This is an ordinance for the immediate preservation of the public peace, health and safety, and shall take effect and be in force from and after its passage and approval.

The facts constituting the emergency in this case are that prior to said 11th day of April, 1917, no watchmen were provided for the property of the Fire Department of the City of San Diego; that the same was left entirely unguarded at night time, and at such

AN ORDINANCE OF THE CITY OF SAN DIEGO, APPROPRIATING THE SUM OF  
\$100.00 IN PAYMENT OF A PORTION OF LOT 1, BLOCK 2, F. T. SCRIPPS'

Provided, however, that the Common Council may, in its discretion, accept in lieu of such finished work, a cash deposit or bond in such sum, as it deems sufficient as a guaranty that such water mains and fire hydrants will be installed and completed within such time as the Common Council may designate. Upon the approval of such bond or deposit, of such cash, the Common Council may accept and approve such map or plat, before the actual installation of such water mains and fire hydrants. Section 2. It shall be unlawful for the owner, proprietor, manager, person in charge, or any employee of any place where intoxicating liquors are manufactured, sold, served, given away, drunk or permitted to be drunk, to permit dancing by guests, patrons, visitors, or any other person except only paid entertainers, or for any person except only such paid entertainers to dance in any room where such liquors are sold, served, kept or drunk, or in any balcony, alcove, booth, hall, stage or room in or connected therewith; provided that the proprietor of a bona fide eating house may provide entertainment for his guests which may include music and dancing by paid entertainers; but all such entertainments must be only upon a stage or platform separated by a barrier, or aisle, from any part of the room used by patrons or customers of the place. Section 3. It shall be unlawful for the owner, proprietor, agent, manager, person in charge, or any employee of any place where dancing is conducted or permitted, except as provided in the preceding section, or for any inmate or visitor therein, whether holding a license or not, to sell, offer for sale, give away, deliver, serve, drink, permit to be drunk, any intoxicating liquors, or to have any such liquors in his possession in or about said place or in any room or place adjoining or connected therewith by any passageway.

Section 4. The two preceding sections are not intended to prevent a hotel having at least one hundred (100) rooms furnished and ready for the entertainment of guests from having and using in such hotel a ballroom; provided the same is so managed and conducted as in no wise to contravene or violate the spirit and intent of said sections.

Section 5. It shall be unlawful for the owner, proprietor, manager, person in charge or any employee of any place where intoxicating liquors are sold or served, to harbor, admit, receive, or to permit to be or remain in or about the place where such liquors are sold or served, any lewd or dissolute female, any common prostitute, or any common drunkard, or any drunken or boisterous person, or to conduct or engage in or permit any one else to conduct or engage in any game of percentage, skill or chance for money or anything of value, or representing value, excepting drinks and cigars within the place where such liquors are sold or served.

Section 6. The Common Council shall not authorize nor permit, nor shall the City Auditor issue or renew any license for the sale or serving of intoxicating liquors to any person, firm or corporation who shall procure, employ, or permit any female to solicit, sell, serve, give away or distribute any intoxicating liquors.

Section 7. Any person violating any of the provisions of this ordinance shall, upon conviction thereof, be punished by a fine of not less than twenty-five

dollars (\$25.00), nor more than three hundred dollars (\$300.00), or by imprisonment in the City Jail of said City for a period not exceeding one hundred and fifty (150) days, or by both such fine and imprisonment, and in the event that the fine imposed hereunder is not paid, then by imprisonment in the City Jail of said City at the rate of one day for every two dollars of the fine so imposed; and when any person shall be convicted of violating any provisions of this ordinance, the license of such person so convicted shall be immediately forfeited, and no further license shall be granted or issued to the person so convicted.
