Section 1. In pursuance of the authority vested in the Common Council of The City of San Diego, California:

PROCLAMATION IS HEREBY MADE that on Tuesday, the ~~4th~~ 27th day of ~~December~~ November, 1917, a Special Election will be held in The City of San Diego, California, for the purpose of submitting to the vote of the electors of The City of San Diego a certain proposed ordinance initiated by petition of the electors of said City, and filed in the office of the City Clerk of said City on September 5th, 1917, document numbered 111441-1/2, and entitled, "An Ordinance prohibiting traffic in alcoholic liquor." Said proposed ordinance so submitted by initiative petition is in the words and figures following:

"ORDINANCE NO. _____

AN ORDINANCE PROHIBITING TRAFFIC IN ALCOHOLIC LIQUOR.

BE IT ORDAINED By the Common Council of The City of San Diego, as follows:

Section 1. It shall be unlawful for any person, firm, corporation, club or other association, either as principal, agent or otherwise, to manufacture, sell, barter, offer for sale, give away, have, keep, solicit orders for, take orders for, furnish, deliver, serve, distribute, ship into, bring into, or receive within The City of San Diego, California, any alcoholic liquor; or to establish, maintain, conduct, operate or receive the profits from any place where any alcoholic liquor of any kind is manufactured, received, kept, sold, served, offered for sale, furnished or distributed, except as herein provided.

Section 2. The term 'alcoholic liquor' as used in this ordinance includes all spirituous, vinous, malt, brewed and fermented liquors, and any and every substance or compound containing more than one-half of one per cent. by volume of alcohol, which is not so mixed with other drugs as to prevent its use as a beverage.

Section 3. Nothing in this ordinance shall prevent the keeping, sale and use of alcoholic liquor for medicinal, sacramental, scientific or mechanical purposes, but only under such regulations as are herein provided.

Section 4. The Common Council may grant to the owner of any pharmacy, having in his employ a regularly licensed pharmacist, a license, which will authorize the receiving, keeping and sale of such liquor only at the place designated in said license, for such purposes only as are designated in Section 3 of this ordinance.

The application for such license shall be in writing and verified by the applicant. It shall designate the location and describe the premises for which such license is sought. It shall give the names and addresses of the owners of said pharmacy; and if a corporation be interested in said pharmacy, the application shall give the names and addresses of the President, Secretary and Directors thereof.

Upon the filing of such application, the Common Council shall cause an investigation to be made and, if fully satisfied that the statements contained in said application are true, that the owner is conducting a bona fide pharmacy, that said owner is in all respects a proper person to conduct such pharmacy, and that neither he nor any of his employees have within one year violated any of the provisions of this ordinance, the Common Council may grant said application and direct the City Clerk to issue said license.

Such license when so issued shall remain in force for one year, provided the same owner conducts said pharmacy at the same place, and provided that there is no viola-

tion of this or any other liquor law by said owner or any of his employees.

The Common Council may at any time and for any cause which it may deem sufficient, revoke such license; and when once revoked, no license shall be issued to the same owner or pharmacist or at the same location for one year.

Section 5. The holder of such a license may, only at the place designated in said license, receive, keep and sell alcoholic liquor and alcohol only as follows:

First: Alcoholic liquor for bona fide medicinal purposes only; upon a prescription issued, signed and dated by a duly licensed and practising physician; provided that the name and address of the person applying for the prescription, and for whose use only such prescription may be made, shall be inserted in such prescription by the physician issuing the same, at the time the prescription is made or given, and that not more than one sale or furnishing is made upon any one prescription, and then only upon the date of the issuance thereof; and that all such prescriptions are kept on file at the place of business of the holder of such license for at least one year, open to public inspection during regular business hours; provided further that such liquor so dispensed shall not be drunk on the premises where dispensed.

Second: Pure alcohol only for scientific or mechanical purposes, upon a permit secured from the City Clerk, which permit shall be good for one sale only, and shall be kept on file for at least one year, open to public inspection during regular business hours. Such permit shall state the date, quantity of alcohol, purpose for which the same is desired, and the name and address of the person applying for the same.

Third: Wine for sacramental purposes; provided that such wine is sold only to a regularly ordained minister or priest of some religious denomination, or upon the written order of the governing body of a religious organization; provided further that the holder of such license shall keep a record of such sales, in which shall be entered the date of sale, the quantity sold, and the signature of the person purchasing the same; such record shall be open to public inspection during regular business hours.

Section 6. On or before the tenth day of each and every month the owner of every pharmacy shall file with the City Clerk a sworn statement of the kind and quantity of alcoholic liquor which he has received during the previous month, showing the date or dates on which it was received, and from whom it was purchased and received; and also showing all alcoholic liquor which he has sold or dispensed during said month, showing the kind and quantity of liquor in each sale, the date, the name of the purchaser and, in case it was dispensed on a prescription, the name of the physician who issued the prescription. Said statements shall be kept on file by the City Clerk for at least one year, open to public inspection.

Section 7. No physician shall give to, or write for, any person not in actual need of such liquor as a medicine, any prescription for alcoholic liquor either separately or compounded with other ingredients; nor shall any physician in any manner help or assist any person to sell or procure alcoholic liquor in violation of this ordinance. When any physician is convicted of a violation of this ordinance, no alcoholic liquor shall, during a period of one year thereafter, be supplied, furnished, sold or delivered to any person by any registered pharmacist upon the prescription of such physician.

Section 8. All alcoholic liquor and the vessels containing the same, which are kept, sold or furnished in violation of this ordinance, and all places where alcoholic liquor is sold or distributed or is kept for sale or distribution, in violation of any of the provisions of this ordinance, are hereby declared to be common nuisances, and shall be abated as such; and it shall be the duty of the City Attorney to take action to abate such nuisances.

Section 9. It is hereby made the duty of the Superintendent or Chief of Police, and all his subordinates, to put persons suspected of violating any of the provisions of this ordinance under police surveillance, and to use all legal means in detecting and convicting persons violating any of the provisions of this ordinance. The right of search, as given in Chapter 3 of Part 2 of Title 12 of the Penal Code of the State of California is hereby made applicable to all places where there is reasonable cause to believe that any of the provisions of this ordinance are being violated. All liquor taken from places operating or conducted in violation of the provisions of this ordinance shall, upon conviction of such person or persons from whom such liquor has been taken, be destroyed upon order of the Court in which such conviction has been had.

Section 10. It shall be unlawful for any person, either as owner, agent or otherwise, to lease, rent or permit any place owned or controlled by him to be used for the manufacture, sale, giving away or any traffic in alcoholic liquor, except as herein provided.

Section 11. The payment of the Internal Revenue special tax, required of liquor dealers by the United States, by any person or persons, other than the owners of pharmacies who hold valid and unrevoked licenses as provided in Section 4 of this ordinance, shall be prima facie evidence that such person or persons are keeping and selling alcoholic liquor in violation of this ordinance; and in any prosecution under this ordinance, a certificate from the Collector of Internal Revenue, or from any of his deputies or agents, showing that such tax has been paid by the defendant, either alone or in association with others, shall be sufficient evidence of the payment of such tax.

Section 12. If any particular section or part of this ordinance shall for any reason be judicially determined to be invalid, such invalidity shall not affect any other part or portion hereof.

Section 13. The word 'person' as herein used shall include corporation, and the singular shall include the plural and the plural the singular number.

Section 14. Any person, whether acting as principal, agent, employee or otherwise, who violates any of the provisions of this ordinance, shall be guilty of a misdemeanor, and upon conviction thereof, shall be punished by a fine of not more than three hundred dollars, or by imprisonment in the County Jail not exceeding three months, or by both such fine and imprisonment; but any person found guilty of violating any of the provisions of this ordinance by conviction of an offense committed after a previous conviction under this ordinance, shall be punished by a fine of not exceeding three hundred dollars, nor less than one hundred dollars, and by imprisonment in the County Jail not exceeding three months, nor less than one month.

Section 15. Every act in violation of this ordinance shall separately, and for each day of its continuance, be deemed and constitute a separate offense.

Section 16. The Common Council may at any time make any further or additional restrictions upon the traffic in alcoholic liquor, and it shall be the duty of said Common Council to provide by ordinance or otherwise for the full and effective enforcement of this ordinance.

Section 17. This ordinance shall be in full force and effect from and after thirty days after its adoption.

Section 1. It shall be unlawful for any person, firm or corporation to engage in or carry on in The City of San Diego, California, the business of a soft drink cabaret, coffee house, or place where non intoxicating drinks are dispensed and entertainment is provided by paid entertainers without having first secured from said city a license to do so, according to each and every requirement in this ordinance, or without complying with each and every regulation pertaining to such business contained herein.

Section 3. Said license shall be substantially in the following form:

This is to certify that (here insert the name) with the receipt of the City Tax Collector thereon written for the sum of _____ dollars is hereby authorized to keep, conduct and carry on (here describe business) for the term of _____ from the date hereof, at (here specifically describe location).

Dated this _____ day of _____, 19____.

Section 4. All licenses shall be signed by the Auditor and the amount to be paid therefor shall be paid to the City Tax Collector, and his receipt therefor endorsed thereon before the delivery thereof.

Section 5. No license shall be authorized issued by the Common Council, except upon a verified petition from the applicant therefor describing the place where such business is to be carried on, the nature and character of entertainment which it is proposed to offer, and the number of entertainers to be employed. All such petitions for said license shall be accompanied by the amount of money required by this ordinance at the rate required to be paid therefor, and no petition shall be presented to the Common Council unless the required amount of money has been deposited with the City Clerk before said petition is presented. Should the application for license be denied, the amount so deposited shall be returned to the applicant. Upon the presentation of such application for a license, said Common Council shall refer the same to the Chief of Police for a full investigation as to whether the applicant is a suitable and proper person to carry on and conduct the business for which he requests a license, whether the place described in said application is a proper and suitable place for such business and conforms to the requirements of this ordinance, and as to any and all other matters upon which said Common Council may desire to be informed. Unless it shall appear to the satisfaction of the said Common Council that the applicant for such license is a suitable and proper person to carry on and conduct the said business, and that the place of business conforms to the requirements herein contained and is a proper and suitable place for such business, said application shall be denied. The said Common Council shall have the absolute power to deny such application for any reason which it may deem sufficient. All license fees for licenses issued under the provisions of this ordinance shall be paid in advance, at the office of the Tax Collector of said City. The City Auditor shall furnish to the Chief of Police and the Common Council a list of all licensees whose licenses have expired at the end of each term and who have failed to apply for a renewal thereof; but nothing herein contained shall be deemed an excuse or defense for carrying on any business herein mentioned without having a valid and existing license therefor.

Section 6. The rate of license shall be as follows:

For every soft drink cabaret, coffee house, and every place in The City of San Diego where non intoxicating drinks are dispensed and where entertainment is provided by paid entertainers the sum of \$30.00 per quarter.

Such stage or platform must be so situated that entertainers in going to or from the same will not pass through any part of the room used by customers or patrons; and the patrons or customers shall at all times be excluded from said stage or platform; and the entertainers shall during all hours of their employment be excluded from any part of the place used by patrons or customers or from mingling with the patrons or customers of such place.

Section 10. It shall be unlawful for any person employed as an entertainer in a place licensed under the provisions of this ordinance to receive or for the person having the management or charge or control of such place, to allow or permit any entertainer of such place to receive any fee, tip or gift from any patron or customer of such place.

Section 11. It shall be unlawful for the owner, proprietor, manager or person in charge of a place licensed under the provisions of this ordinance to employ as entertainers in such place any person who is not at least twenty-one years of age, and of good moral character, and who is not a registered entertainer as provided in section 12 of this ordinance.

Section 12. Every person who is employed or offers himself or herself for employment as an entertainer in a place licensed under the provisions of this ordinance shall register his or her name and address with the Police Department of The City of San Diego.

Section 15. Upon the conviction of any person for a violation of this ordinance

a certified copy of the judgment of conviction shall be filed with the City Auditor, and the license of such person shall then and there be revoked and the said City Auditor shall not again issue a license to the person so convicted and whose license shall have been revoked.

Section 16. This is an ordinance for the immediate preservation of the public peace, health and safety, and one of urgency, and shall take effect and be in force from and after its passage and approval.

In the opinion of the Common Council the evils prohibited by the terms of this ordinance are of such a character as tend to affect the public morals of the community, and in order to remedy existing conditions having such tendency, this ordinance is declared to be one of urgency.

BE IT ORDAINED, By the Common Council of The City of San Diego, as follows:

Section 1. That Ordinance No. 6864 of the Ordinances of The City of San Diego, California, entitled, "An Ordinance providing for licensing and regulating automobile stages, automobiles for hire, and sightseeing automobiles in The City of San Diego, California", adopted by the Common Council of The City of San Diego, California, on the 10th day of January, 1917, be, and the same is hereby amended by adding thereto a new section to be numbered Section 19-A, which shall read as follows:

"Section 19-A. It shall be unlawful for any person, firm, or corporation to operate or for any person to drive any automobile licensed under the provisions of Section 17 of this ordinance, or to obtain a license therefor unless the following conditions, shall be complied with:

(a) Every person desiring to drive an automobile in said City of San Diego licensed under the provisions of Section 17 of this ordinance, must hold a certificate issued by the State of California authorizing such person to drive such motor vehicle, and must demonstrate to the Chief of Police of said city his ability to drive and operate such motor vehicle upon the streets of said City of San Diego. Section 2. This ordinance is declared to be an ordinance for the immediate preservation of the public peace, health and safety, and one of urgency, and shall take effect and be in force from and after its passage and approval.

Owing to the fact that during the past six months various offenses have been committed both upon and by certain drivers of automobiles for hire in The City of San Diego, and the Police Department of said city has been under great difficulty to locate and apprehend the offenders, and particularly because such department has no record of the drivers of automobiles for hire in said city, it is deemed highly desirable that such drivers shall be placed under the supervision and control of said Police Department, and to this end, and in order that the public peace, health, and safety may be the more speedily protected, this ordinance is declared to be one of urgency.
