The two preceding sections are not intended to prevent a hotel having at least Fifty (50) rooms furnished and ready for the entertainment of guests from having and using in such hotel a ballroom; provided the same is so managed and conducted as in no wise to contravene or violate the spirit and intent of said sections; provided in such hotels dancing shall conform to the standards laid down for public dances in The City of San Diego, as prescribed by the dance hall ordinance.

Section 5. It shall be unlawful for the owner, proprietor, manager, person in charge, or any employee of any place where intoxicating liquors are sold or served, to harbor, admit, receive, or to permit to be or remain in or about the place where such liquors are sold or served, any lewd or dissolute female, any common prostitute, or any common drunkard, or any drunken or boisterous person, or to conduct or engage in or permit any one else to conduct or engage in any game of percentage, skill or chance for money or anything of value, or representing value, excepting drinks and cigars within the place where such liquors are sold or served.

Section 6. The Common Council shall not authorize nor permit, nor shall the City Auditor issue or renew any license for the sale or serving of intoxicating liquors to any person, firm or corporation who shall procure, employ or permit any female to solicit, sell, serve, give away or distribute any intoxicating liquors.

Section 7. It shall be unlawful for the owner, proprietor, manager, person in charge, or any employee of a place licensed under the provisions of this ordinance, to harbor, admit or receive, or to allow or permit in such place any entertainment except that which is furnished by entertainers who are hired and paid by the person or persons who own and operate the business conducted at such place, and such entertainment must be only upon a stage or platform separated by a barrier or railing from any part of the room used by patrons or customers of the place. Such stage or platform must be so situated that entertainers in going to and from the same will not pass through any part of the room used by customers, guests or patrons; and the patrons, guests or customers shall at all times be excluded from such stage or platform. It is hereby declared to be unlawful for any paid entertainers, during their hours of employment, to mingle with patrons or guests or customers of such place, or to leave the stage or place of entertainment provided for said entertainers during said hours of employment.

It is hereby declared to be unlawful for the proprietor, manager or person having the management, charge or control of any such place licensed under the provisions of this ordinance to receive or accept any fee, tip or gift from any patron or customer of such place, either for himself or for any employee of such place, and it is hereby declared un-

lawful for any person visiting said place licensed under the provisions of this ordinance, to give, offer to give, or permit to be given, any fee, tip or gift to any employee of said place.

It is also declared to be unlawful for any person employed in such place to receive or accept from the proprietor or manager thereof, any rebate or commission on drinks, or for any other purpose, or to receive or accept from said proprietor or person having charge of such place, any fee, tip or gift or gratuity, from any customer, or from any other person. It is the intent and purpose of this section to prohibit the giving and accepting of tips, and to prevent the entertainer or person employed in said place licensed under the provisions of this ordinance, from receiving anything other than his or her regular salary paid by the proprietor or manager of said place, for his or her services. Nothing herein contained shall be construed so as to prevent the payment by customers, guests or patrons of any place licensed under the provisions of this ordinance from paying for any food or drink served in said place.

Section 9. It shall be unlawful for the owner, proprietor, manager or person in charge of a place licensed under the provisions of this ordinance to employ as entertainers in such place any person who is not at least twenty-one years of age, and of good moral character, and who is not registered as herein provided. Every person who is employed, or offers himself or herself for employment as an entertainer in a place licensed under the provisions of this ordinance, shall register his or her correct name and his or her present address with the police department of The City of San Diego.

Section 12. If any section, sub-section, subdivision, sentence, clause or phrase of this ordinance is for any reason held to be unconstitutional or void, such decision shall not affect the validity of the remaining portions of this ordinance. The Common Council hereby declares that it would have passed this ordinance and each section, sub-section, subdivision, sentence, clause and phrase thereof irrespective of the fact that any one or more section, sub-section, subdivision, sentence, clause or phrase is declared unconstitutional or void.

Section 13. This is an ordinance for the immediate preservation of the public peace, health and safety, and one of urgency, and shall take effect and be in force from and after its passage and approval.

# ORDINANCE NO. 7760.

AN ORDINANCE REGULATING PUBLIC DANCE HALLS, PROVIDING FOR THE LICENSING THEREOF AND REGULATING PUBLIC DANCES, AND PROVIDING FOR THE GRANTING OF PERMITS THEREFOR, AND PRESCRIBING PENALTIES FOR THE VIOLATION THEREOF, AND REPEALING ORDINANCE NO. 5044 OF SAID CITY.

BE IT ORDAINED By the Common Council of The City of San Diego, as follows:

Section 1. A public dance, within the meaning of this ordinance, is any dance to which the public is admitted, and which is held or conducted for profit, or at which an admission fee is charged those attending, whether said admission fee be charged at the door or through the sale of tickets, or in any other manner whatsoever.

Section 2. It is hereby declared to be unlawful for any person, persons, society of persons or individuals, organization, firm or corporation, owning, having in charge or under his or their control any hall, room or place, excepting hotels maintaining at least fifty (50) sleeping rooms for guests, and also excepting incorporated philanthropic societies, incorporated fraternal organizations and military or naval organizations of the United States, or the State of California, to permit or allow to be held any public dance or series of dances in said room, hall or place without first obtaining a license from the Common Council of The City of San Diego therefor.

Section 3. It shall be the duty of the Common Council, upon application for the license as provided in Section Two hereof, to cause the premises to be inspected and thereupon to approve said application. In case said application is by the Common Council approved, such approval shall thereupon be transmitted in writing to the City Auditor, and the City Auditor shall thereupon<sup>upon</sup>/receipt of a license fee of twenty-five dollars (\$25.00) per year, or three dollars (\$3.00) for a single dance, issue a license permitting such hall, room or place to be used for public dancing. Said license shall contain the name of the applicant and of the owner or person having said premises under his charge or control, and the location of the premises, and the date of the expiration of the license, which date shall be not more than one year from the date of issuance thereof.

Section 4. It is hereby declared to be unlawful for any person, persons, society of persons or individuals, organization or organizations, firm or corporation, except bona fide fraternal organizations, to give, hold or conduct any public dance or series of dances, or to conduct any dance hall within the limits of The City of San Diego without first obtaining a permit therefor from the Chief of Police of The City of San Diego. Such permits may in the discretion of the Chief of Police be granted for a single public dance, series of public dances, or for a specific period of time in which public dances may by the applicant be held. Such permits may be revoked at any time by a written order of the Chief of Police whenever in his judgment the said public dance or series of dances are being conducted in an improper manner, or in a manner tending to degrade or corrupt persons attending said dance or dances. The said permits shall be granted under the following terms and conditions:

(a) Every person, persons, society, organization, firm or corporation desiring such permit shall first make written application to the Chief of Police upon blanks furnished by him, and such application shall state the place where the said dance is to be held; its purpose and the benefit for which it is being conducted, if any; the hours during which said dance will be held; and the names of at least five persons who shall be in charge of said dance, and who shall be responsible for the proper conduct at said dance.

(b) Upon receipt of said application the Chief of Police shall carefully investigate the matters set out therein, and the place wherein the said dance is to be conducted, and the name of the persons and the matron who are to have charge of said dance and be responsible for the conduct thereat; and if in his judgment said dance will be conducted in a proper manner and be in every way of a good character, and will be in every respect for the best interests of the community and those attending, he shall grant the said permit; otherwise, he shall refuse said application.

(c) Any person or persons, society, organization, firm or corporation, may appeal to the Common Council from any decision of the Chief of Police in refusing an application for a permit or revoking a permit already granted, and the action of said Common Council shall be final; provided such appeal be made at the next regular meeting of the Common Council immediately following the decision of the Chief of Police.

(d) Said permit when granted by the Chief of Police shall contain the name of the applicant, the place where the said dance is to be conducted, the hours during which it is to be conducted, and the period of time during which said permit shall be effective. Said permit shall distinctly state whether it is granted for a single dance, a series of dances, or for a specific period of time in which dances may be held.

Section 5. Any peace officer of The City of San Diego, or of the State of California, or any officer of the United States Government charged with the duty of enforcing the police laws of the United States Government shall have free access at all times to any dance hall licensed under the provisions of this ordinance; and any place licensed as hereinabove provided shall be closed at any time upon the order of the Chief of Police.

Section 6. It shall be unlawful for the owner, proprietor, manager or person in charge of any place licensed under the provisions of this ordinance, or for any employee of said place, to harbor, admit, receive or to permit to be, or remain in or about such place any minor under the age of eighteen years, any lewd or dissolute person of either sex, any drunken or boisterous person or any person under the influence of intoxicating liquors, or any person whose conduct while present in said place tends to create a violation of any of the provisions of this ordinance, or of any of the laws of the City or State of California, or which tends in any way to corrupt the good morals of any person or persons attending said dance halls, or in any way interferes with the proper management and control of said dance halls.

It shall also be unlawful for any minor under the age of eighteen years, any lewd or dissolute person of either sex, any drunken or boisterous person or person under the influence of intoxicating liquors, or any person whose conduct while present in said place tends to create a violation of any of the provisions of this ordinance, or of any of the laws of the City, or of the State of California, or which tends in any way to corrupt the good morals of any person or persons attending said dance halls, or in any way interferes with the proper management and control of said dance halls, to be or remain in or about any place licensed under the provisions of this ordinance.

Section 7. Boisterous conduct and profanity shall be prohibited in dance halls, and in the hallways leading thereto. No dance of an immoral or vulgar character shall be permitted in any dance hall, and no person shall be permitted to conduct himself or herself in a vulgar or improper manner in said place. No undue familiarity shall be permitted.

It is hereby declared to be unlawful for any person while dancing or otherwise in any place licensed under the provisions of this ordinance, to assume or maintain any position, or to conduct himself in any manner which tends to create a violation of any of the provisions of this ordinance, or which tends in any way to corrupt the good morals of any person or persons attending said dance halls, or which in any way tends to interfere with the proper management and control of said dances, or which may be considered lewd, suggestive or immoral, or which may be objectionable to the matron in charge of said dance.

Section 8. No license shall be granted under the provisions of this ordinance unless the hall or place in which said dance shall be held shall conform to and comply with the ordinances and regulations of The City of San Diego.

Section 9. The Chief of Police of The City of San Diego shall appoint, with the advice and consent of the Common Council, one of the regular police officers of The City of San Diego to act as an Inspector of Dance Halls. All applications for licenses under the provisions of this ordinance shall be referred to said inspector, and it shall be the duty of said inspector so detailed and appointed, to examine and investigate the character of the applicant and the place in which said dance is to be conducted. Said officer shall re-

port in writing to the Chief of Police whether or not such place conforms to the provisions of this ordinance, whether arrangements have been made for properly lighting the same, and shall report as to the character of the applicant. In addition to the report herein required, it shall be the duty of said inspector to make regular inspections of the place licensed under the provisions of this ordinance, and to make written reports to the Chief of Police concerning the conduct and maintenance of said place so licensed, and to immediately report any infractions or violations of the provisions of this ordinance.

Section 10. The Chief of Police of The City of San Diego shall furnish and cause to be furnished a printed notice containing a summary or synopsis of the provisions of this ordinance to the proprietors or managers of every place licensed under the provisions of this ordinance. Said notices shall be printed in type of not less than twelve point in size, and it shall be the duty of the owner, proprietor and person having the charge and control of said place to print or cause to be printed, on heavy cardboard said notice as furnished by said Chief of Police, in type of not less than twelve point in size, and to post one of said notices in each ladies' dressing-room, and one in each gentlemen's dressing-room where patrons are admitted, and said owner, proprietor or manager shall post or cause to be posted one of said notices in the entrance way or hall of said dance hall, and shall post, or cause to be posted at least two of said notices in the main entertainment room.

It is hereby declared to be unlawful for any place licensed under the provisions of this ordinance to be open, or to remain open for the use of the public unless said notices are kept posted as herein provided. It shall be considered a violation of this ordinance for a proprietor, owner or manager, or person having the charge of said business, to refuse to immediately replace any notice herein provided for, upon demand of the inspector or matron or any peace officer of The City of San Diego, or the State of California.

Section 11. That no person who has obtained a license to operate a business under the provisions of this ordinance shall place or maintain, or authorize or permit to be placed or maintained upon any premises used by such person in the conducting of such business, any screen, blind, shutter, curtain, partition, or painted, ground or stained glass window, or any obstruction which shall interfere with the view from the street front of said premises, or from any of the doors or windows thereof of the business conducted upon any part of said premises.

Section 12. That no intoxicating liquor of any kind shall be permitted to be sold, served, dispensed, drunk or permitted to be drunk, in any place licensed under the provisions of this ordinance, or in any room adjoining or opening into or connected with any room or part of such place.

Section 13. The holder of such license shall keep such dance hall in a clean, healthful and sanitary condition at all times, and have the stairways and other passages and all rooms and places connecting with such dance hall at all times open and well lighted.

Section 14. Every person, firm or corporation operating a place under the provisions of this ordinance shall employ a regular matron, provided, however, that the person holding a license under the provisions of this ordinance shall only employ such person as matron as shall be first approved by the Chief of Police and such civic organization as shall take over the work now being done by the Women and Girls' Section of the Interdepartmental Board of Social Hygiene of the War Department, and thereafter confirmed by the Common Council.

The matron so employed shall be directly responsible to the civic organization

outlined above, and shall take orders from and report to said organization as that organization shall prescribe.

It shall be the duty of the matron to see that all rules herein provided for and hereinafter agreed upon are enforced, and to keep a strict watch over the girls and patrons who frequent or those employed in said place. She shall see that there is no solicitation in said dance hall, and that all the provisions of this ordinance are carried out so far as she shall be able.

Section 15. The Inspector shall visit as often as necessary to keep himself and the Chief of Police informed of conditions <sup>of</sup> every dance hall in the city, making regular reports of his inspection to the Chief of Police. He shall see that the terms of this ordinance are carried out and enforced. He shall report any violations immediately, and shall cause to be prosecuted any person violating the provisions or terms of this ordinance.

In addition to the foregoing he shall report the violation of any of the terms and provisions of this ordinance to the Common Council, and make such recommendations with respect to the suspension of the license held by such person or persons as he shall deem proper.

Section 16. If any teachers or instructors shall be employed, said teachers and instructors must remain in said dance hall at all times during their hours of employment, except in case of sickness or unusual happening. Said teachers or instructors shall leave the hall unaccompanied, and it shall be the duty of the Manager and the Matron to see that this provision is carried out. Dance partners, other than such teachers as are necessary, shall not be employed.

Section 17. Each application for a license under the provisions of this ordinance shall be made at least six hours before the dance is to begin, and the license issued thereupon shall be valid only for one dance at the time and place stated in said application; provided, however, that where the application states that dances are to be held at certain stated intervals at the same place, and in accordance with the provisions of this ordinance, a license may be issued for each of such dances to be held at such place, but only at the time and on the date set forth in said application. Licenses issued for more than one dance as herein provided shall be issued quarterly.

Section 18. All dance halls shall be closed and the places cleared of guests and patrons and employees on or before the hour of twelve o'clock, midnight.

Section 19. It shall be unlawful for any person to make any misrepresentation or false statement as to the age of himself or herself, or of any other person, for the purpose of obtaining admission of such person as to whose age such statement or representation is made.

Section 20. All places licensed under the provisions of this ordinance shall be brightly lighted during the hours such places are open and entertaining guests. So-called "shadow dances" and "moonlight dances" are hereby prohibited and declared to be unlawful.

Section 21. After sunset every such dance hall shall be lighted or illuminated by either gas or electricity or other means, in such manner and to such an extent as is usual or customary for lighting halls or rooms of like dimensions in the night time for public assemblies, before any person is admitted thereto, and before any dance or dancing is commenced therein; provided, however, that the intensity of such lighting or illumination shall at no time be less than one foot candle at a plane of three feet above the floor of such hall at all parts thereof, such lighting or illumination shall be maintained thereafter throughout the entire time which such dance hall shall be open and entertaining patrons, and during any recess or other intermission without diminution and without interruption until such dance hall shall be closed and the place cleared and closed.

Section 22. It shall be unlawful for any person to take any form of alcoholic liquor into any premises where a dance hall is being operated, and it shall be unlawful for any person in charge or assisting in the conduct of any dance hall to permit any person therein, and it shall be unlawful for any person to be or remain therein, who has any form of alcoholic liquor in his possession, or to permit any intoxicated person or disorderly person to enter, be or remain in, or assist in any dance hall; and it shall be unlawful for any person in an intoxicated condition to enter or remain in any dance hall, or for any person to conduct himself in a boisterous or disorderly manner in any dance hall.

Section 23. No entertainment shall be given in any dance hall in The City of San Diego of a lewd, suggestive, vulgar or immoral type. Entertainers shall not dance the Hula Hula or other lewd or suggestive dances, and shall not behave in a manner to offend. Entertainers shall not use objectionable or obscene language, and shall not sing songs of lewd, obscene or of a vulgar character.

Section 24. No person shall be permitted to smoke or carry in his hand a lighted cigar, cigarette or pipe in any public dance hall or in any ante room reserved for ladies, or in the hallways leading to such dance hall, at any time a dance is in progress, or during the intermission therein; provided, however, that it shall not be unlawful to smoke in any gentlemen's smoking room connected with said dance hall.

Section 25. Any person violating any of the provisions of this ordinance shall be guilty of a misdemeanor, and upon conviction shall be punished by a fine of not less than one hundred dollars (\$100.00), and not more than five hundred dollars (\$500.00), or by imprisonment in the City Jail not exceeding fifty (50) days, or by both such fine and imprisonment, and the Common Council of said City of San Diego is hereby authorized, for any cause which it may deem sufficient, to revoke at any time any license issued under the provisions of this ordinance. A conviction for a violation of any of the terms or provisions of this ordinance shall work an immediate forfeiture of a permit or license authorized by this ordinance, and in case of such forfeiture no permit or license shall be granted to the person violating the provisions of this ordinance within one year from the date of said conviction. If at any time, for any cause, the license of a dance hall or place mentioned within the provisions of this ordinance shall be forfeited or revoked, at least one month shall have elapsed before another license or permit shall be given for dancing or conducting such place of amusement in or upon said premises.

Section 26. That Ordinance No. 5044 of the ordinances of The City of San Diego, entitled, "An Ordinance regulating public dance halls, providing for the licensing thereof and regulating public dances, and providing for the granting of permits therefor, and prescribing penalties for the violation thereof," passed and adopted on the 2nd day of April, 1919, and all amendments thereto, be, and the same are hereby repealed.

Section 27. If any section, sub-section, sub-division, sentence, clause or phrase of this ordinance is for any reason held to be unconstitutional or void, such decision shall not affect the validity of the remaining portions of this ordinance. The Common Council hereby declares that it would have passed this ordinance and each section, sub-section, subdivision, sentence, clause and phrase thereof irrespective of the fact that any one or more section, sub-section, sub-division, sentence, clause or phrase is declared unconstitutional or void.

Section 28. Any person or persons, society, organization, firm or corporation may appeal to the Common Council from any decision of the Chief of Police or inspector in refusing to approve an application for a license under the provisions of this ordinance, or revoking a license already granted, and the Common Council of said City is hereby auth-

orized to review said decision of said Chief of Police or inspector and the action of said Common Council of said City shall be final; provided, however, that all appeals taken in accordance with the provisions of this section shall be filed with the Common Council of said City at the next regular meeting of said Common Council immediately following receipt of notice of the decision of the Chief of Police or inspector by the person, society, organization, firm or corporation affected by the said decision.

Section 29. This is an ordinance for the immediate preservation of the public peace, health and safety, and one of urgency, and shall take effect and be in force from and after its passage and approval.

ORDINANCE NO. 7761.

AN ORDINANCE PROVIDING FOR LICENSING AND REGULATING SOFT DRINK CABARETS, AND PLACES WHERE NON-INTOXICATING DRINKS ARE DISPENSED AND ENTERTAINMENT IS PROVIDED IN THE CITY OF SAN DIEGO, CALIFORNIA, AND REPEALING ORDINANCE NO. 7260 OF SAID CITY.

BE IT ORDAINED, By the Common Council of The City of San Diego, California, as follows:

Section 1. It shall be unlawful for any person, firm or corporation to engage in or carry on in The City of San Diego, California, the business of a soft drink cabaret, or place where non-intoxicating drinks are dispensed and entertainment is provided by paid entertainers without having first secured from said city a license to do so, according to each and every requirement in this ordinance, or without complying with each and every regulation pertaining to such business contained herein.

Section 2. That the City Auditor shall issue all licenses provided for by this ordinance, but no license shall be issued except upon the authorization and consent of the Common Council made and entered upon the minutes, nor without the payment of the amount hereinafter required to be paid therefor.

Section 3. Said license shall be substantially in the following form:

"This is to certify that (here insert the name) with the receipt of the City Tax Collector thereon written for the sum of \_\_\_\_\_ dollars is hereby authorized to keep, conduct and carry on (here describe business) for the term of \_\_\_\_\_ from the date hereof, at (here specifically describe location).

Dated this \_\_\_\_\_ day of \_\_\_\_\_, 19\_\_\_\_.

Auditor of The City of San Diego, California."

Section 4. All licenses shall be signed by the Auditor and the amount to be paid therefor shall be paid to the City Tax Collector, and his receipt therefor endorsed thereon before the delivery thereof.

Section 5. No license shall be authorized issued by the Common Council, except upon a verified petition from the applicant therefor describing the place where such business is to be carried on, the nature and character of entertainment which it is proposed to offer, and the number of entertainers to be employed. All such petitions for said license shall be accompanied by the amount of money required by this ordinance at the rate required to be paid therefor, and no petition shall be presented to the Common Council unless the required amount of money has been deposited with the City Clerk before said petition is presented. Should the application for the license be denied, the amount so deposited shall be returned to the applicant. Upon the presentation of such application for a license, said Common Council shall refer the same to the Chief of Police for a full investigation as to whether the applicant is a suitable and proper person to carry on and conduct the business for which he requests a license, whether the place described in said application is a proper and suitable place for such business and conforms to the requirements of this ordinance, and as to any and all other matters upon which said Common Council may desire to be informed. Unless it shall appear to the satisfaction of the said Common Council that the applicant for such license is a suitable and proper person to carry on and conduct the said business, and that the place of business conforms to the requirements herein contained and is a proper and suitable place for such business, said application shall be denied. The said Common Council shall have the absolute power to deny such application for any reason which it may deem sufficient. Said Common Council shall also have the power, for cause, to revoke, at any time, any license granted or issued under the provisions of this ordinance, and in case of such revocation the City Clerk shall give notice thereof, stating the cause to the person whose license has been revoked.

All licenses herein provided for shall be due and payable on the fifteenth day of January, April, July and October of each year, and all such licenses shall expire on the fourteenth day of January, April, July and October of each year, but the first quarterly license issued to any person as herein provided shall be issued for the unexpired portion of the current quarter. All license fees for licenses issued under the provisions of this

ordinance, shall be paid in advance, at the office of the Tax Collector of said City. The City Auditor shall furnish to the Chief of Police and the Common Council a list of all licensees whose licenses have expired at the end of each term, and who have failed to apply for a renewal thereof; but nothing herein contained shall be deemed an excuse or defense for carrying on any business herein mentioned without having a valid and existing license therefor.

Section 6. The rate of license shall be as follows:

For every soft drink cabaret, and every place in the City of San Diego, where non-intoxicating drinks are dispensed and where entertainment is provided by paid entertainers the sum of Forty Dollars (\$40.00) per quarter.

Section 7. That no intoxicating liquor of any kind shall be permitted to be sold, served, dispensed, drunk or permitted to be drunk, in any place licensed under the provisions of this ordinance, or in any room adjoining or opening into or connected with any room or part of such place.

Section 8. Section 4. This ordinance is declared to be one for the preservation of the public peace, health and safety and one of urgency and shall take effect and be in full force from and after its passage and approval..

The grounds constituting the urgency in this case are as follows:

That there are at the present time in The City of San Diego, certain persons, firms and corporations who are using the sidewalks of said City for the purpose of displaying fruits and other perishable goods; that said fruits and other perishable goods are subject to contamination by reason of being displayed upon the sidewalks of said City, and that certain persons, firms and corporations are placing upon said sidewalks goods, wares and merchandise and other things which obstruct said sidewalks to such a degree as to render the passage to and fro on said sidewalks, unsafe for the general public, and in order that the health and safety of the community may be more effectually preserved and protected this ordinance is declared to be one of urgency.

ORDINANCE NO. 7810.

AN ORDINANCE AMENDING ORDINANCE NO. 7761 OF THE ORDINANCES OF THE CITY OF SAN DIEGO, CALIFORNIA, ENTITLED: "AN ORDINANCE PROVIDING FOR LICENSING AND REGULATING SOFT DRINK CABARETS AND PLACES WHERE NON-INTOXICATING DRINKS ARE DISPENSED AND ENTERTAINMENT IS PROVIDED IN THE CITY OF SAN DIEGO, CALIFORNIA; AND REPEALING ORDINANCE NO. 7260 OF SAID CITY."

BE IT ORDAINED By the Common Council of The City of San Diego, as follows:

Section 1. That Section 19 of Ordinance No. 7761 of the ordinances of The City of San Diego, entitled, "An ordinance providing for licensing and regulating soft drink cabarets and places where non-intoxicating drinks are dispensed and entertainment is provided in The City of San Diego, California, and repealing Ordinance No. 7260 of said City," approved June 18th, 1919, be, and the same is hereby amended to read as follows:

Section 19. MATRON. Every person, firm or corporation operating a place under the provisions of this ordinance shall employ a regular matron, provided, however, that the

person holding a license under the provisions of this ordinance shall only employ such person as matron as shall be first approved by the Chief of Police and such civic organization as shall take over the work now being done by the Women and Girls' Section of the Interdepartmental Board of Social Hygiene of the War Department, and thereafter confirmed by the Common Council.

The matron so employed shall be directly responsible to the civic organization outlined above, and shall take orders from and report to said organization as that organization shall prescribe.

It shall be the duty of the matron to see that all rules herein provided for and hereinafter agreed upon are enforced, and to keep a strict watch over the girls and patrons who frequent, or those employed in said place. She shall see that there is no solicitation in said cabaret and that all the provisions of this ordinance are carried out so far as she shall be able.

Section 2. This is an ordinance for the immediate preservation of the public peace, health and safety and one of emergency and shall take effect and be in force from and after its passage and approval.

The grounds constituting the emergency in this case are as follows:

That there are now in force in The City of San Diego, Ordinances No. 7760 and No. 7761; that ordinance No. 7761 cannot be properly enforced until such time as the same is amended as above set forth. In the opinion of the Common Council the evils prohibited by the terms of Ordinance No. 7761 are of such a character as tend to affect the public morals of the community and in order to remedy existing conditions it is necessary to enforce the terms of Ordinance No. 7761.

For the above reasons this ordinance is declared to be one of urgency.

Passed and adopted by the Common Council of the City of San Diego, California, this 30th day of July 1919, by the following vote, to-wit:

Section 21. It shall be unlawful for any person, firm or corporation to erect or construct, or cause or permit to be erected or constructed or maintained any billboard or advertising sign board upon any public sidewalk, street, alley or public park in The City of San Diego.

Section 24. No billboard shall be so constructed as to have an advertising surface of more than fifteen (15) feet in height from the lower to the upper edge thereof.

Section 25. The surface of all billboards erected or maintained within the fire limits shall be of fireproof, non-combustible material. The surface of billboards erected or maintained outside of such limits shall be of either fireproof, non-combustible material or of wood at least three-quarters of an inch in thickness.

Section 26. All billboards, except those fastened or placed against the side of a building, with an advertising surface in excess of twenty (20) square feet shall be

constructed according to the following specifications; provided, however, that the specifications shall not be considered to interfere with any additional requirements for safety as may be approved by the Building Department, as provided for in this ordinance:

The surface of the billboard shall be securely fastened to a framework, the posts or uprights of which shall be of wood not less than four (4) inches by six (6) inches in dimensions, said posts to be spaced not more than eight (8) feet apart and shall extend to the top of the billboard; said posts to be set not less than three (3) feet in the ground, and the earth about them to be securely tamped into place. The material which comprises the surface of the billboard shall be securely attached to wooden stringers, which stringers shall run continuously the entire length of the billboard. There shall not be less than one (1) stringer, two (2) inches by four (4) inches in dimensions, for each four (4) feet or fraction thereof that the surface of such billboard is in height; provided, however, that when the advertising surface of a billboard does not exceed eleven (11) feet in height, three (3) wooden stringers may be employed; the one to which the top edge of the advertising surface is attached shall be two (2) inches by six (6) inches in dimensions; the one to which the middle of the advertising surface is attached shall be two (2) inches by four (4) inches in dimensions; and the one to which the lower edge of the advertising surface is attached shall be two (2) inches by six (6) inches in dimensions. Each wooden stringer shall be attached to each post with three 30d nails. The vertical posts shall be braced by wooden braces two (2) inches by six (6) inches in dimensions; one brace to each post, each brace to be securely attached to the top or within two (2) feet of the top of each post with three (3) 30d nails. The lower end shall be securely attached with three (3) 30d nails to a wooden anchor post not less than four (4) inches by six (6) inches by five (5) feet in dimensions. Said anchor post shall be set at least three (3) feet in the ground. A cross piece, not less than fourteen (14) inches long of two (2) by six (6) inch wood shall be securely nailed with three (3) 30d nails across the front of the anchor post six (6) inches below the ground surface. Wooden anchor posts not less than four (4) inches by six (6) inches by five (5) feet in dimensions, or concrete or steel anchor posts or other types of equal strength may be substituted for the foregoing, with the approval of the Building Inspector. Where the vertical posts rest upon a foundation wall or bulkhead, they shall be securely fastened to the same by means of steel dowel-pins, set at least four (4) inches into the foundation wall or bulkhead. There shall be one pin to each post. When a billboard is built in an excavation so that the height of said billboard above ground is such that the lengths of the posts and braces above ground exceed sixteen (16) feet, the posts and braces shall be strengthened by means of re-inforcing braces. When a billboard having an advertising surface of more than eleven (11) feet and not more than twenty (20) feet in height is erected, said billboard shall be made to withstand a lateral wind pressure of twenty (20) pounds per square foot of exposed surface.

Section 27. An ornamental border may be added to surround the advertising surface of any billboard; and there may be placed at the ends of billboards appropriate ornamental columns; and there may be placed between the lower edge of the billboard and the ground a latticework or basework, provided that the lower edge of the billboard or ornamental border shall be at least eight (18) inches from the surface of the ground, except when said billboard is fastened to the side of a building or used as an enclosure.

Section 28. Signs or billboards having a solid or closed surface, hereafter constructed on, over, or above the roof of any building in The City of San Diego, shall not be greater than twenty (20) feet in height from the bottom line to the top line of the

advertising surface of such sign or billboard.

No sign or billboard shall hereafter be constructed on a building with the bottom line of said sign or billboard less than thirty-six (36) inches higher than the top line of the nearest fire wall of said building. Should the space between the bottom of such sign or billboard and the top line of the nearest fire wall of the building on which said sign or billboard is placed be latticed or ornamented, an opening at least thirty-six (36) inches by four (4) feet in size shall be left clear under each twenty-five (25) foot section of said sign or billboard.

All frame work and bracing of signs or billboards erected on or above the roofs of buildings in The City of San Diego shall be of strong, safe construction, securely bolted and fastened to the roof of said building on which said sign or billboard is installed, and such sign or billboard, when completed, must be of sufficient strength to withstand a lateral wind pressure of twenty (20) pounds to the square foot. No sign or billboard shall be placed on or above the roof of any building in The City of San Diego unless the building has first been passed upon by the City Building Inspector as being safe and of sufficient strength to support such sign.

Section 29. No paper, cloth or advertising matter shall be allowed or permitted to hang loose from any billboard, but the same shall be securely fastened or pasted to the surface of the billboard.

Section 30. It shall be unlawful for any person, firm or corporation, except a public officer or employee in the performance of a public duty, to paste, paint, print, nail, tack, or otherwise fasten any card, banner, hand-bill, sign, poster or advertisement or notice of any kind, or cause the same to be done, on any curbstone, lamp-post, pole, hitching post, watering trough, hydrant, bridge or tree upon a public street or public property within the city limits of The City of San Diego, except as may be required by the ordinances of The City of San Diego, or the laws of the State, or of the United States.

Section 31. It shall be unlawful for any person, firm or corporation, except a public officer or employee in the performance of a public duty, to paste, post, paint, print, nail, tack, or otherwise fasten any card, banner, hand-bill, sign, poster, advertisement or notice of any kind, or cause the same to be done on any property of The City of San Diego.

Section 32. It shall be unlawful for any person, firm or corporation, except a public officer or employee in the performance of a public duty, or a private person in giving a legal notice, to paste, post, paint, print, nail or tack, or otherwise fasten any card, banner, hand-bill, sign, poster, advertisement or notice of any kind upon any property without the written consent of the owner, holder, lessee, agent or trustee thereof. Any advertisements prohibited by this section and the next preceding sections may be taken down, moved or destroyed by any one.

Section 33. It shall be unlawful for any person, firm or corporation to scatter, daub, or leave any paint, paste, glue, or other substance used for painting or affixing advertisement matter upon any public street or sidewalk, or scatter or throw or permit to be scattered or thrown any bills, waste matter, paper, cloth, or materials of whatsoever kind removed from billboards on any public street or on private property.

Section 34. It shall be unlawful for any person, firm or corporation erecting, constructing, owning or controlling any billboard or advertising sign board within The City of San Diego to fail, refuse or neglect to remove or cause to be removed at all times, weeds, rubbish, or any inflammable waste or material from the base of any such billboard or advertising sign board built or constructed of wood or other inflammable materials.

Section 35. The provisions of this ordinance do not apply to signs not exceeding eighty (80) square feet in size, advertising for sale or rent the property upon which they stand, but all such signs shall be securely fastened to the ground or to the structures to which they are attached.

Section 36. There shall be placed and maintained on the top of each billboard and each advertising sign the name, plainly painted, of the person, firm or corporation owning or who is in possession, charge or control of the same, for advertising purposes.

Section 37. If any section, sub-section, subdivision, sentence, clause or phrase of this ordinance is for any reason held to be unconstitutional or void, such decision shall not affect the validity of the remaining portions of this ordinance. The Common Council hereby declares that it would have passed this ordinance and each section, sub-section, subdivision, sentence, clause and phrase thereof irrespective of the fact that any one or more section, sub-section, subdivision, sentence, clause or phrase is declared unconstitutional or void.

Section 38. Any person violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor, and shall upon conviction thereof be punished by a fine of not less than five dollars (\$5.00), nor more than fifty dollars (\$50.00), and every day that any sign or billboard is maintained in violation of this ordinance shall constitute a separate offense.

Section 39. That all ordinances and parts of ordinances in conflict herewith be, and the same are hereby repealed.

BE IT ORDAINED By the Common Council of The City of San Diego, as follows:

Section 1. That the public interest, convenience and necessity of The City of San Diego, State of California, and the inhabitants thereof, for public use and for the impounding, conserving and delivering of water to said The City of San Diego for municipal

purposes, require the construction of a dam and reservoir in and upon certain portions of the Cleveland National Forest and the Capitan Grande Indian Reservation, and lands adjacent thereto, in the County of San Diego, State of California, which lands are hereinafter more particularly described.

Section 2. That the public interest, convenience and necessity of said The City of San Diego and the inhabitants thereof, for the use and purpose of constructing and maintaining said dam and reservoir, demand the acquisition and taking of certain portions of the Cleveland National Forest and Capitan Grande Indian Reservation, and lands adjacent thereto, in the County of San Diego, State of California, and hereinafter more particularly described.

Section 3. That the property to be taken by said City, hereinabove referred to, is particularly described as follows:-

The fee simple of the following described lands to be used for the purpose of constructing and maintaining a dam and reservoir in the County of San Diego, State of California, a particular description of which lands follows:

The south half of the northeast quarter of the northwest quarter and the north half of the southwest quarter of section eight; the west half of the southwest quarter of the southwest quarter and the west half of the northeast quarter of the northwest quarter of section nine, all in township fifteen south, range two east, San Bernardino base and meridian, within the Cleveland National Forest; and the southeast quarter of the southwest quarter and the southwest quarter of the southeast quarter of section fifteen; the northeast quarter of the southeast quarter of section twenty-one; the northwest quarter of the northeast quarter, the northwest quarter, the north half of the southwest quarter, and the southwest quarter of the southwest quarter of section twenty-two; the west half of the northwest quarter of section twenty-seven; and the east half of the northeast quarter, the southwest quarter of the northeast quarter, and the southeast quarter of section twenty-eight; and the northeast quarter, the west half of the southeast quarter, the east half of the southwest quarter, and the southeast quarter of the northwest quarter of section thirty-three, all in township fourteen south, range two east, San Bernardino base and meridian; also the north half of the southwest quarter and the southwest quarter of the southwest quarter of section three, and lots two, three, six, seven, eight, nine, ten, eleven, and the south half of section four, all in township fifteen south, range two east, San Bernardino base and meridian, within the Capitan Grande Indian Reservation, and all within the County of San Diego and State of California.

That said construction equipment and materials of construction shall constitute a part of, shall be credited to, and shall be held as belonging to the storeroom and warehouse account of the Purchasing Department of The City of San Diego.

Section 3. This is an ordinance for the immediate preservation of the public peace, health and safety, and one of urgency, and shall take effect and be in force from and after its passage and approval.

The facts constituting the emergency in this case are as follows: Under the terms of the Sheriff's sale the purchase price of said property must be paid to the Sheriff of San Diego County immediately upon the acceptance of the highest bid. In order to comply with this requirement it is necessary that this measure become effective upon its passage and approval.

The construction equipment and materials of construction, the purchase of which is herein ratified, is intended for the use of The City of San Diego in the construction of Barrett Dam, and the immediate assemblage of construction plant and equipment for such construction work is necessary and essential to impound and conserve rainfall at the earliest possible moment for existing needs of this municipality. The purchase in the open market and the shipment to San Diego of equipment of a type similar to that, the purchase of which is herein ratified, and which is necessary and essential in the construction of said Barrett Dam, would require a period of time, the elapse of which would prevent the municipality from impounding the flood waters of the Pine and Cottonwood Creeks during the rainy season of 1920-1921, which impoundment and conservation are essential to the needs of this municipality and the inhabitants thereof in the matter of municipal water supply.

AUDITOR'S CERTIFICATE. I HEREBY CERTIFY that the appropriation made, or indebtedness incurred, by reason of the provisions of the annexed ordinance, can be made or incurred without the violation of any of the provisions of the Charter of the City of San Diego, California.

The City Treasurer is also authorized and directed to sign his name as Treasurer of said City to each and every of the coupons attached to each respective bond; provided, that it shall be a sufficient signature of all such coupons if the signature of the Treasurer is printed upon such coupons, and the signing of the said coupons by the City Treasurer in the manner and form aforesaid shall constitute and be a sufficient and binding execution of each and every of said coupons by said City.

Section 7. For the purpose of paying the principal on said bonds as they shall come due, and the interest thereon as such interest shall accrue, the legislative branch of said City shall, at the time of fixing the general tax levy and in the manner provided by law, levy and collect each year, until such bonds are paid, or until there shall be a sum in the treasury of said City, set apart for that purpose, sufficient to meet all sums coming due for principal and interest on any of said bonds, a tax sufficient to pay the annual interest on such bonds and also such part of the principal thereof as shall become due before the time of fixing the next general tax levy. Said taxes shall be levied and paid in addition to any other tax levied for municipal purposes, and shall be collected at the same time and in the same manner as other municipal taxes are collected, and shall be used for no other purpose than the payment of said bonds and accruing interest.

Section 8. There is hereby established a sinking fund, to be kept by the Treasurer of The City of San Diego, for each of the funds provided in Sections 1, 2, 3 and 4 of this ordinance, and the proceeds of the taxes levied as aforesaid shall be paid into such sinking fund as soon as the same shall be collected, and shall remain in such sinking fund until required for the payment of the principal and interest to be made upon said bonds and coupons. When the respective payments of principal and interest of said bonds and coupons shall fall due, the Treasurer of said City is authorized and directed to pay out of the moneys in said fund the respective sums of principal and interest as they shall fall due on each several bond and coupon, as demand shall be made therefor and upon the surrender of such bond and coupon.

Section 9. Said bonds shall be sold, and in the following manner, to-wit:

The City Clerk shall, when so directed by the Common Council, cause notice to be published in the official paper of said City for ten (10) days previous to the date of sale hereinafter mentioned, to the effect that sealed bids for the purchase of the whole or any part of such bonds as may be determined by the Common Council, will be received at his office

M. of the day of the meeting of the Common Council next following the completion of such notice, and that said bonds will be sold to the highest bidder or bidders therefor by the Common Council of The City of San Diego, and that the same shall not be sold for less than par. Each bid shall be accompanied by a check certified by a responsible bank equal to one per centum (1%) of the amount of the bid, payable to the City Treasurer of said City, as a guaranty and assurance that the bidder will take so much of said bonds as he shall bid for, and will pay the price bid therefor, should the bonds be awarded to him.

The Common Council shall at its first regular meeting after the time fixed for the placing of bids, consider such bids as may have been offered, and shall sell bonds to the highest bidder; provided the right shall be reserved to reject any and all bids.

The successful bidder or bidders shall be required to take so much of said bonds as he shall bid for, and shall be awarded to him by the Common Council, at the rate fixed and upon ten days' notice from the City Clerk that said bonds are executed and ready for delivery. In the event of the failure of any such purchaser to take the amount and number of bonds awarded to him upon his bid by the Common Council for ten days after giving the notice last aforesaid, his check accompanying his bid and the sum for which it is drawn, shall be forfeited to the City, and the money shall be paid into the City Treasury.

In the event of the failure of the Common Council to sell said bonds at the time for which bids have been requested as hereinabove provided, the same may be sold without any further advertisement to any bidder for the best price that can be obtained, but for not less than par, which shall be construed to mean the face of the bond plus accrued interest to the date of delivery.
