The ordinance authorizing and directing the Mayor of the City of San Diego, California, to execute a quit-claim deed in the name for and on behalf, and as the act and deed of the City of San Diego, California, to Rosanna E. Law, conveying portion of Lot No. 34, 35, 36, and 37, in Block 288 of Seaman and Charter Addition to the City of San Diego, California.

Whereas, it appears from the records and proceedings of the Board of Trustees of the City of San Diego, California, that at an auction sale of certain lands held in the said City of San Diego on the 13th day of February, 1865, that the A. W. corner of Rieb's Lot No. 1161 of the public lands of the said City, containing forty (40) acres, was sold to Franklin A. Gregory at and for the price of one hundred ($100) dollars, and that in a deed executed by the said Board of Trustees of the said City to the said Franklin A. Gregory, the said property is described as "The A. W. corner of Lot No. 1161", without specifying the number of acres intended to be conveyed; and

Thereof, that portion of Lots 34, 35, 36, and 37 in Block 288 in Seaman and Charter Addition to the said City of San Diego, lying south and west of the Right of Way of the Atlantic City and Oldy Motor Railroad tracks, and the Right of Way being ten (10) feet each way from the center of said Motor tracks (said addition being a subdivision of the A. Thereof, the said Rosanna E. Law has made application by petition to the Common Council for a quit-claim deed to the said portion of said lots for the purpose of curing and correcting said defects in her title thereto; and,

That portion lots numbered 34, 35, 36, and 37 in Block numbered 238 of Deamans and Cohrs addition to San Diego, lying south and west of the right of way of the National City and Otay Motor Rail road track, said right of way being ten (10) feet each way from the center of said Motor track; said addition being a sub division of the northwest quarter of Public Lot numbered 181 of the Public Lands of the City of San Diego, California, which deed shall contain a clause that it be made sufficient to this ordinance to correct defects and omissions in the description in a deed made by said city by and through its Board of Trustees to Franklin A. Gregory bearing date of February 23, 1888, and recorded in Book 3 of Deeds in the office of the County Recorder in the said County of San Diego at page 35; which deed shall also recite that said deed shall not convey any interest which the City has acquired in said property for delinquent municipal taxes.

That the City Clerk of the said City be, and he is hereby authorized and directed to attach the execution of the said deeds by endorsing his name thereon, and affixing the seal of the said City of San Diego thereto.

Section 2. That this ordinance shall take effect and be in force from and after its passage and approval.

Hence, it appears from the records and proceedings of the Board of Trustees of the said City of San Diego, California, that at an ancient sale of certain lands held in the said city of San Diego, on the 12th day of January, 1885, that the N.W. corner of Block 10, 1161 of the Pueblo lands of the said City of San Diego, containing forty (40) acres, was sold to Franklin A. Gregory for and for the price of one hundred ($100) dollars; and that said deed, executed by the said Board of Trustees of the said City to the said Franklin A. Gregory, therefor the said property is described as the N.W. corner of Block, 1161, without specifying the number of acres intended to be conveyed; and

Hence, Lots 1 and 2 in Block 285 of Seaman and Short's Addition to the said City of San Diego (said Addition being a subdivision of a part of the northwestern quarter of said Pueblo Lot numbered 1161) have been conveyed, by means of conveyances from the said Franklin A. Gregory to Martha Doblin.

Hence, the said Martha Doblin has made application by petition to the Common Council for a quit-claim deed to the said Lots for the purpose of curing and correcting said defects in their title thereto; and,

Hence, it appears that the said City of San Diego has no right, title or interest in said Lots, or any one of them,

Therefore, Be it ordained, By the Common Council of the City of San Diego, as follows:

Section 1. That the Mayor of the said City of San Diego, California, be and he is hereby authorized, empowered, and directed to execute, acknowledge, and deliver to the said Martha Doblin a quit-claim deed in the name, for and on behalf, and to the use and deed of the City of San Diego, upon the payment to the City Treasurer of said City of the sum of Five dollars as a consideration for said deed for and to the following described pieces and parcels of land, situate, lying and being in the City of San Diego County of San Diego, State of California, and more particularly described as follows:

Lots numbered 1 and 2 in Block numbered 285 of Seaman and Short's Addition to the said City of San Diego, being a subdivision of a part of the northwestern quarter of Pueblo Lot numbered 1161 of the Pueblo Lands of the City of San Diego, California, which deed shall...
contain a recital that it is made pursuant to said ordinance to correct defects and supply omissions in the description in said deed made by said city and through its Board of Directors to Franklin A. Gregg, bearing date of February 25th, 1898, and recorded in Book 3 of Deeds, in the office of the County Recorder in the said County of San Diego, at page 46, which deed shall also recite that said deed shall not convey any interest which the City has acquired in said properties for delinquent municipal taxes; and that the City Clerk of said City be and he is hereby authorized and directed to attach the execution of said deed by endorsing his name thereon, and affixing the seal of said City of San Diego thereto.

Section 2. That this ordinance shall take effect and be in force from and after its passage and approval.
