of water works, or water rights in and to, or upon lands
in Mission Valley, or upon the San Dieguito river, whether
in said city or out of said city, or rights to evacuate
wells on lands in Mission Valley and to take water
therefrom. Also all other property, goods, real, personal
or mixed, of every name and nature whatsoever, which
form a part or portion of said system of Water Works, or
is used in connection therewith in furnishing water
to the said City of San Diego and its inhabitants. If being
the intention of the said Common Council that said
property shall include all property, real, personal
and mixed, of which said system of water works
is composed, or which forms any part or portion
thereof, and which is now in use, or has been heretofore
used by the said San Diego Water Company in furnishing
water to the said City of San Diego, and its inhabitants.

If the said San Diego Water Company be and
said Company is hereby required to furnish said Common
Council with an answer to this proposal within thirty
(30) days from the approval of this.

Section 2. That the Ordinance shall take effect
and be in force from and after its passage and approval.

Ordinance No. 155:

An Ordinance, authorizing and directing the Mayor of the City of San Diego, California, to execute, and the City Clerk of said City of San Diego, to attend the execution of Quit Claim Deeds in the name of said City, and as the act and deed of the said City of San Diego, California, to the owners of lots in Hermans Addition to the said City of San Diego, California:

Whereas, it appears from the records and proceedings of the Board of Trustees of the City of San Diego, California, that at an Auction Sale of Certain lots and blocks in the said City of San Diego, California, on the 2nd day of June, 1861, Parcel Lot numbered 1155 of the Public Lands of said City, containing 160 acres, together with other lands, was sold to Matthias Hermans for and for the price of One hundred and sixty ($160.00) Dollars, and that the deed executed under and by virtue of said sale, conveying said property to said Matthias Hermann, were in accordance with the Trustees of said City, and signed by them individually, instead of being signed by them as Trustees of said City, and for and on behalfof the said City of San Diego, and,

Whereas, said parcel Lot numbered 1155 has, since said sale and the execution of said Deeds to said Matthias Hermans been subdivided into lots and blocks and is now known as "Hermans Addition," and lots and blocks in said subdivision have been sold according to said Map of said Addition made for Matthias Hermans by James Pasare, Court Surveyor of the County of San Diego, which said map is on file in the office of the County Recorder of said County, and,

Whereas, it appears that the said City of San Diego has no right, title or interest in or to said property, or any portion thereof.

Now Therefore, be it Ordained, by the Common Council of the City of San Diego, as follows:

Section 1. That the Mayor of the City of San Diego, California, and the City Clerk, are hereby authorized, empowered and instructed to execute, acknowledge and deliver
Quitclaim deeds for and on behalf in the name of
and as the act and deed of the said City of San Diego,
and the City Clerk of said City is hereby authorized and
directed to execute the execution of all such deeds ex-
cepted by the Mayor of said City by endorsing his
name thereon and affixing the Corporate seal of the said
City of San Diego to all persons who are not mayors of or
owners of any of the lots and blocks in the said Sherman
Addition to the said City of San Diego, providing, that any
person desiring a quitclaim deed to any of said
property in said Sherman Addition shall furnish to
the City Attorney of the said City of San Diego an Abstract
of Title to the said property which he shall sign and deliver
executed by the Mayor of said City until the City
Attorney shall be satisfied from the Abstract so furn-
ished showing that the title to the property to which a quit-
claim deed is requested is in the name of the person
for or in whose behalf the application for a quitclaim
deed is made, nor any person other than the owner
of the property.

Section 2. That said deeds shall contain a recital
that they are made pursuant to the ordinance hereto,
referred to as the deed of deeds, made by the said City by

Ordinance No. 851

An Ordinance requiring each aqueduct Company or person supplying water to the City of California, or to the inhabitants thereof, to furnish to the Common Council of said City in the month of January 1901, a detailed and verified statement, showing the name of each water rate payer, his or her place of residence, and the amount paid for water by each of such water rate payers during the year preceding the date of such statements, and also showing all revenue derived from all sources, and an itemized statement of expenditures made for supplying water during said time, In pursuance of the provisions of an Act of the Legislature of the State of California, approved March 7th, 1881, Statutes of 1881, page 575.

Be it ordained, by the Common Council of the City of San Diego, as follows:

Section 1. That the San Diego Water Company and the Southern California Mound Water Company Corporation, duly organized and existing under the laws of the State of California, and the United Water Supply Company, and each and any other corporation, Company or person supplying water to the City of San Diego, or the inhabitants thereof, and each of them is hereby required to furnish to the Common Council of the said City of San Diego, in the month of January 1901, a detailed statement, verified by the oath of the President and Secretary of such corporation or company, or if such person as the case may be, signing the name of such water rate payer, his or her place of residence, and the amount paid for water by each of such water rate payers during the year preceding the date of such statements, and also showing all revenue derived from all sources, and an itemized statement of expenditures made for supplying water during said time, said statement to be made and furnished in accordance with and pursuant to the provisions of an Act of the Legislature of the State of California, entitled "An Act to establish the Board of SUPERINTENDENT of the City of SAN DIEGO," and all other legislative body of any
City and County, City or Town, to obtain data and information from any Corporation, Company, or person supplying water to such City and County, City or Town, requiring such Boards, Board, Council, or other Legislative body to perform the duties prescribed by section 1 of Article 14 of the Constitution, and prescribing penalties for the non-performance of such duties, approved March 7th, 1881.

Section 2. That accompanying such statement be served and specifying in such statement, the amount of money annually expended, and the number of persons employed, and the amount of money annually received from all sources, and whether or not such Corporation, Company or person supplying water to such City and County, City or Town, is engaged in the purchase, construction, and maintenance, respectively, of the premises necessary to carry on such business, and all the gross cash receipts annually for the same period from all sources, such statement to be made and furnished with such insistence of the provisions of the said Act of the Legislature of the State of California above described.

Section 3. That the City Clerk of said City or Town be and is hereby directed, immediately after the passage, approval, and publication of this ordinance, to send a copy of the same upon each and every Corporation, Company or person supplying water to the said City of San Diego, or to the inhabitants thereof.

Section 4. That this ordinance shall take effect and be in force from and after its passage and approval.

Section 5. That the City Clerk of the said City of San Diego, or Town, is hereby directed, immediately after the approval of this ordinance, to publish or Caused the same to be published once in the City official newspaper of said City, namely the San Diego Union and Daily Bee,

Passed and adopted by the Board of Delegates of the City of San Diego California this 8th day of December 1900.

Ordinance No. 557.

An Ordinance Authorizing and Directing the Mayor of the City of San Diego, California, to Execute and the City Clerk of said City to Attatch the Execution of a Quit-claim Deed in the Name, Iny and on Behalf, and as the Act and Deed of the Said City of San Diego, California, to the Owners of Land in and about the City of San Diego, California, in the Owykes of Lots in the Plaza and Choicesy's Addition and Powers's Addition to the Said City of San Diego, Being Subdivisions of a Portion of Pueblo Lot 1153 of the Pueblo Lands of Said City, as the City Clerk, or any of his Assistants, Shall be Directed by the Mayor of the City of San Diego, California, to Deliver the Same to the City Clerk to Deliver Such Deed to the County Recorder of San Diego County, California, for Recordation, Wherein, it appears from the records and proceedings of the Board of Trustees of the City of San Diego, California, that at an auction sale of certain land held in the said City of San Diego, on the 8th day of June, 1900, the southwest quarter of Pueblo Lot 1153 was sold to David Ward Briant for the sum of $1153, dollars and no cents, and that the said sum was paid to and received by said City and declared in the deed so executed to the said David Ward Briant, the said property is described as "The southwest quarter of Pueblo Lot 1153" without specifying the number of acres intended to be conveyed; and whereas, a portion of the said southwest quarter of said Pueblo Lot numbered 1153, being a tract of 40 acres, is the property of the said David Ward Briant, subdivided into lots and blocks, and is known as Bouman and Choicesy's Addition and Powers' Addition; and whereas, lots and blocks of said additions have been sold according to the said deed so executed on file in the office of the County Recorder of San Diego County, and whereas, it appears that the said City of San Diego, California, has no right, title or interest in any portion of said land or blocks, as in any of said property is held in the said southwest quarter of said Pueblo Lot numbered 1153, except for delinquency taxes, or where said City of San Diego has acquired title to some lot or lots in the said additions, or some part or parts of the said southwest quarter of said Pueblo Lot numbered 1153, execute and deliver such deed to the said David Ward Briant, and whereas, the Common Council of the said City of San Diego is desirous of correcting any and all errors in said deed, therefore, be it ordained, by the Common Council of the City of San Diego, California, that:

Section 1. That the Mayor of the City of San Diego, California, is hereby authorized, and instructed to cause said property to be conveyed to the said David Ward Briant by the said Board of Trustees of the City of San Diego, California, and to deliver said deed to the said David Ward Briant by the said Board of Trustees of the City of San Diego, California, to the Owners of Land in and about the City of San Diego, California, in the Owykes of Lots in the Plaza and Choicesy's Addition and Powers's Addition, to all persons having any interest therein, not including, however, the said City as an owner, and that the City Clerk of said City is, and he is hereby authorized and directed to deliver said deed to the owners of said property, as the greatest in said deed, by delivering said deed to the County Recorder of San Diego County, State of California, for the owners of said property, and instructing him to record the same.

Section 2. That said deed shall contain a recital that it is made pursuant to this ordinance to correct a defect in the description, and the execution, of a deed made by the said City of San Diego by and through its Board of Trustees to David Ward Briant, dated on the 12th day of November, 1868, and filed for record on the 18th day of November, 1868, and recorded on November 19th, 1868 in Book 2 of Deeds, at page 125, in the office of the County Recorder of the said County of San Diego, California, and that said deed shall also recite that the said City of San Diego does not, or never, convey any interest which the said City has acquired in the said property for delinquent taxes, or otherwise, since said property was subdivided into lots and blocks. It being the intention of the Common Council that said deed, to be so executed by the Mayor and City Clerk, shall correct any error or errors in the deed made by the Board of Trustees of the said City of San Diego to the said David Ward Briant, as referred to, and that the same shall be so executed by said Mayor and said City Clerk, shall overcome any possible defect in the said City of San Diego did not, by the said deed so execute the said David Ward Briant by the said Board of Trustees of said City, convey all said property, in fee simple, forever, and estates of every name and nature whatsoever that the said City of San Diego had in the said southwest quarter of the said Pueblo Lot numbered 1153, at the time said deed was so executed in the said year 1868.

Section 3. That this ordinance shall take effect and be in force from and after the passage hereof.

Ordinance No. 578.

An ordinance Declaring the Grade of East Portion of Third Street in the City of San Diego, California, at the Intersection of the South Line of Nutmeg Street, With the East Line of Extant Third Street to be Changed, and Establishing the Grade of the Same.

Whereas, the Common Council of the City of San Diego, California, on the 7th day of January, 1901, duly passed a resolution of intention to change and establish the grade of that portion of Third Street between the point where said Street intersects the south line of Nutmeg Street, with the west line of said Third Street, with the intersection of the north line of said Third Street, at the intersection of said Street, with the west line of said Third Street, in the City of San Diego, California, at the intersection of the south line of Nutmeg Street, with the east line of said Third Street, which said resolution was approved by the Mayor of said city on the 9th day of January, 1901, and which resolution described the said proposed change of grade; and

Whereas, the said Common Council, by and by said resolution, duly designated and established the district to be benefited by such change of grade, and to be assessed to pay the cost of the same; and

Whereas, said resolution of intention was published for forty (40) days in the official notices of the Common Council of said city, as required by law; and

Whereas, the Superintendent of streets of said city did, within ten (10) days after the first publication of said resolution of intention, file with the Clerk of Common Council, a copy of the petition of the owners of property within said district, in the manner and form required by law; and

Whereas, more than thirty (30) days have elapsed from the day of the first publication of said resolution of intention, duly caused no objections have been filed with the said clerk by owners of property, of a majority of the property affected by said proposed change of grade; and

Whereas, the petition of the owners of a majority of the property affected by said proposed change of grade, has been duly filed with the said clerk of the said Common Council, and presented to the said Common Council, as required by law.

Therefore, be it ordained, by the Common Council of the City of San Diego, as follows:

Section 1. That the grade of that portion of Third street in the City of San Diego, California, at the intersection of said Third street with the north line of Nutmeg street, be, and it is hereby changed, established, and declared to be to be uniform for the grade as follows:

At the intersection of said east line of said Third street with the south line of said Nutmeg street, the grade shall be, still the same is hereby changed from 30 feet above the datum line of grade as fixed by Ordinance No. 20, as amended, of the ordinaries of the said City of San Diego, California, to 256 feet above the said datum line, and the same is hereby declared, to be, and it is hereby established, to be, and it issued for the purposes of subsequently establishing grades by ordinances, approved June 9th, 1905, to 2010, for above said datum line, and said grade shall be, and the same is hereby fixed and established as said point at 252 feet above said datum line; that the grade of said Third street between the point so changed by this ordinance and the point hereinafter fixed, is hereby declared to be uniform from said point to said Third street with the south line of said Third street, at the intersection of the north line of said Third street, with the 256 feet above the said datum line, and the grade of said Nutmeg street, from said point, to the intersection of the south line of said Nutmeg street, with the west line of Fourth street, heretofore fixed and established by the ordinaries of said city, shall be of uniform ascent and descent.

That the center line of said Third street, from the point where said South line of said Nutmeg street intersects the north line of said Third street, shall have an average elevation of 256 feet above the said datum line; and

That the center line of said Nutmeg street, from the said east line of said Third street to the west line of Fourth street, shall have an average elevation of 256 feet above the said datum line.

That the grades herein above, where their meaning is not shown to be otherwise, by their respective context, mean the number of feet which the point designated in the proposed new grade shall be above the city datum line of levels as fixed by the said Ordinance No. 20, and as amended.

Section 2. That any ordinance or parts of ordinance in conflict herewith, be, and the same are hereby repealed.

Ordinance No. 94.

An Ordinance Providing for the Incurrence of a Bonded Indebtedness of the City of San Diego, California, in the Sum of Six Hundred Thousand Dollars, in Lawful Money of the United States, for the Acquisition by Said City of Water Works for the Use of Said City and Its Inhabitants, and Providing the Form of Bond, and for the Revenue and Sale of Bonds Securing Such Indebtedness.

Be it Ordained, By the Common Council of the City of San Diego, As Follows:

Section 1. Whereas, The Common Council of the City of San Diego, California, having the legislative power of said City, did, on the 31st Day of March, 1911, pass and adopt, by a two thirds vote of all the Members of said Board of the said Common Council, Resolution Numbered 304, by which Resolution it was duly determined and declared, that the Public Interest Demands and the Public Necessity Requires the Acquisition of Water Works by said City, as described and specified in said Resolution, to which Reference is hereby made for further particularization, and that the Acquisition of said City of said Water Works is Necessary and Convenient to Carry Out the Objects and Purposes of the Municipality of the Said City of San Diego, that the Cost Thereof May be too great to be Paid out of the Ordinary Annual Income and Revenue of said City and that all Necessary and Proper Proceedings Shall be Taken and Had According to the Laws of the State of California;

Whereas, Said Resolution Numbered 304, declaring Said Public Interest and Necessity, Was duly Approved by the Execution of said City, to-wit: The Mayor Thereof, on the 17th Day of March, 1911, and Was duly Published, as All Such are Required by the Laws Thereof, for Three Days in the City Official Newspaper of said City, to-wit: The San Diego Union and Daily Bee, viz, on the 18th, 21st, and 24th Days of March, 1911, and that Said Publication was Made in the Said Newspaper proper and Notice in a Supplement Thereof, the Said San Diego Union and Daily Bee Being at All Times Herein Mentioned, the Official Newspaper of the Said City of San Diego, and a Daily Newspaper Published in the Said City of San Diego Seven Days in Each Week;

Whereas, on Monday, the First Day of April, 1911, the Said Common Council by a Two Thirds Vote of all the Members of said Board Thereof, Did Pass and Adopt Ordinance Number 900, Declaring a Special Election in the Said City of San Diego, Submitting to the Qualified Electors of said City the Proposition for the Incurrence of a Bonded Indebtedness of Six Hundred Thousand Dollars in lawful Money of the United States, for the Acquisition by said City of the Water Works described in Said Ordinance Number 900, to which Reference is Hereby Made, For Further Particularization, the Cost of Which Will be Too Great to be Paid out of the Ordinary Annual Income and Revenue of said City.
and Whereas the Said Ordinance Number 900, was duly passed by the Council of Said City on the 2nd day of April, 1901, and was duly published in all respects as required by law and by the terms of Said Ordinance, to wit, for 10 days immediately prior to the 20th day of April, 1901, in the Daily Official Newspaper of Said City, to wit, The San Diego Union and Daily Bee, Which Newspaper is published 7 times a week in Said Municipal community, viz., on the 7th, 8th, 9th, 10th, 11th, 12th, 13th, 14th, 15th, 16th, 17th, 18th, 19th, and 20th days of April, 1901, and that Said publication was made in said Newspaper, performed Not in a Supplement thereto, and

Whereas, each and every one of the facts, matters, and things stated and recited in Said Ordinance Number 900, calling Said Special Election and said vote, were true and correct and in exact accordance with its statement and recital contained in said Joint Resolution Number 1804, and

Whereas, on Saturday, April 20th, 1901, Said Special Election as called and specified in Said Ordinance Number 900, was duly and regularly held and conducted in all respects as required by law and by Said Ordinance Number 900, calling Said Election, and

Whereas, at Said Election the proposition for the Incurrence of Said Indebtedness and the issuance of bonds therefor for Said purpose, as specified in Said Ordinance Number 900, was duly submitted to the qualified electors of Said City in all respects as required by law and the provisions of Said Ordinance calling Said Election, and

Whereas, at Said Special Election, more than two thirds of the qualified electors of Said City voting at Said Special Election voted in favor of the proposition submitted to them as follows, to wit:

In favor of the Incurrence of Said Indebtedness by said City, in the sum of Six Hundred Thousand Dollars, in lawful Money of the United States, payable in forty years in equal Annual installments, with interest thereon at the Rate of Five and one-half Per Cent, per annum, payable Semi-Annually in lawful Money of the United States, for the acquisition by Said City of the Water Works described in Said Ordinance Number 900, and the issuance of bonds for said Indebtedness, as provided by Said Ordinance Number 900, and

Whereas all the votes cast at Said Election were duly and properly cast and counted, and the Returns thereof duly and properly certified, made, canvassed, and declared; and

Whereas the Whole Number of votes cast at Said Special Election in Said City upon Said Proposition was 2,572, of which Number 2,372 votes were given in favor of Said proposition, and 140 votes were given against Said Proposition, that at Said Election 2,572 votes voted upon Said proposition, of which Number 2,372 votes voted in favor
of said proposition, and 140 of said voters voted against said proposition, and
therefore said proposition has been duly accepted by the qualified voters of
day city; and
therefore the said city has been and is now authorized and empowered
to issue a bonded indebtedness of five hundred thousand dollars in lawful
money of the United States, payable in forty years in equal annual installments, with
interest therein at the rate of five and one-half percent per annum, payable semi-
annually, in like lawful money of the United States, for the acquisition by said
city of the said water works described in said ordinance, hereinabove,
Now therefore, Be it Ordained By the Common Council of the City of San
Diego, as follows:
Section 1. That the bonds of the said city of San Diego, for the payment
of the cost of the acquisition of said water works, described in said ordinance num-
ber 99, shall issue as follows:
Said bonds shall be negotiable in four and a half years at the denom-
ation of one thousand dollars each, and shall bear interest from their date until
paid at the rate of five and one-half percent, per annum, payable semi-annually, with
interest which shall be evidenced by interest coupons attached to said bonds respecting
as hereinafter provided, and the principal and interest of said bonds shall be
payable in lawful money of the United States, in the manner following, that
is to say: One Forth part of the whole amount of the principal of said Indebt-
teness, represented by said bonds, to wit, the sum of fifteen thousand dollars
in lawful money of the United States, shall be paid annually each and every
year, during said term of forty years, at the city treasury of the said city of
San Diego, by the Treasurer of said city, who shall be in office as and how
ever at the respective times when each payment due hereunder is due, and payable upon the surrender of said bonds, that the interest on said bonds shall be paid
semi-annually, in like lawful money, at the city treasury of said city, by the Treasurer of said city, who shall be in office as and how
ever at the respective times when each payment of interest shall be due and payable upon the surrender of the interest coupons evidencing the same that
the first installment of said bonds, to wit, the bonds numbered from ones fifty
both inclusive, shall mature and be payable as aforesaid at the end of the year
from their date, which bonds shall bear interest at the rate of five and one-half
percent per annum, payable semi-annually, which interest shall be evidenced by the coupons attached thereto;
that the second installment of said bonds shall be the bonds numbered
from fifty-one to ninety, both inclusive, shall mature and be payable as
aforesaid at the end of five years from their date, which bonds shall bear interest at the rate of five and one-half percent per annum, payable
semi-annually, which interest shall be evidenced by the coupons attached thereto;

Lucille P. Hardy,
Mayor of the City of San Diego, California.
An Ordinance Accepting the Donation of $60,000.00 by Andrew Carnegie to the City of San Diego, California, for the Construction and Equipment of a Building for a Free Public Library and Reading Room in the City of San Diego, California.

Whereas, the Honorable Andrew Carnegie in the year 1890 offered to give to the city of San Diego, California, the sum of $50,000.00 to erect a building for a free public library and reading-room upon the condition that the said city of San Diego obligate itself to maintain a free public library therein, and from the taxes provide a sum of from $5,000.00 to $6,000.00 a year for its maintenance, and provide a site for such building.

Whereas, the Common Council of the said City of San Diego, by joint resolution No. 1205, accepted said gift upon such conditions, and has procured such site for such building.

Whereas, the Honorable Andrew Carnegie has offered to increase said gift for said purpose to $60,000.00, provided, that the said city of San Diego obligates itself to furnish a sum of at least $6,000.00 per year for the maintenance of a free public library in said building;

Whereas, it is the desire of this Common Council for and on behalf of said city to accept such additional sum of $10,000.00 upon said terms and conditions.

Therefore, be it ordained, by the Common Council of the city of San Diego, as follows:

Section 1. That this Common Council for and on behalf of said city extend to Mr. Andrew Carnegie the sincere thanks of the said city of San Diego for the munificent gift donated by him to this city, and hereby pledges the good faith of said city to furnish at least $6,000.00 per year from the taxes for the care and maintenance of said library and building.

Section 2. That this ordinance shall take effect and be in force from and after its passage and approval.

Section 3. That the City Clerk, the City Treasurer, and the City Auditor of the said city of San Diego, California, be and he is hereby authorized and directed, immediately after the approval of this ordinance, to publish or cause the same to be published in the official newspaper of said city, the San Diego Union and Daily Bee:

I hereby certify that the foregoing Ordinance No. 947 of the City of San Diego, California, as adopted by the Common Council of said city and approved by the Mayor thereof, is in due form, and have hereunto set my hand, this 15th day of July, 1901.

Section 2. That the title to the property to be con-
veyed to the said city of San Diego by the said San Diego
Water Company, pursuant to the terms of the said act between the said San Diego Water Company, and
said city of San Diego, dated March 12th, 1901, and en-
dorsed in the office of the City Clerk of the said City of
San Diego, be and the same hereby is accepted, prov-
ed that all sums and encumbrances shown shall be
paid and satisfied by the San Diego Water Company,
provided, that the said San Diego Water Company, binds
the said city of San Diego as bond, with two suffi-
cient sureties, to be approved by the Mayor of
said city in the sum of $100,000, as security for the
payment of the state and county taxes for the
year of 1901-02, before the same shall become delinquent.

Section 3. That the Board of Public Works
be and the said Board of Public Works is hereby auth-
orized to receive all property of the said San Diego
Water Company, as described, and set forth in its
accordingly delivered to the Chairman of the Joint Water Committee of said Common Council and the Water Foreman at Fort Point, except that said Water Company shall also deliver the map of said System of Water Works and the Water Rate Records, and the same in the Reservoirs and Pipe of said Company, that all lots and Blocks of land not traversed or owned by the Municipality of the said Water Company, or under direction with the System of Water Works shall be donated by the said Water Company to the said City of San Diego, and all lots owned by said Company traversed or owned by pipe line of said Company, shall be included in said Company that the deed be executed by the Southern California Muni-
tain Water Company to the said City of San Diego shall contain the following provision:

Whereas the City of San Diego, California, during the years 1895, 1896 issued to the San Diego Water Company its Warrant No. 972, 999, 1963, 2222, 1697 for the sum of $22, $9.99 for the Hydrant erected for the year 1895; and whereas a stipulation and agreement has been entered into between the said San Diego Water Company and the City of San Diego that if the said City of San Diego pay the said San Diego Water Company the sum of Five Thousand, Two Hundred and Fifty Dollars ($5,250.00) on each Warrant on or before the first day of October, 1895, that the said San Diego Water Company will dismiss the Case brought by the San Diego Water Company vs the City of San Diego on said Warrants in the Superior Court of the County of San Diego, State of California, said Case being Numbered 6977; and also the Case Numbered 6977 entitled Higginson vs the City of San Diego, now pending in the Superior Court of the County of San Diego, State of California; and whereas the said Warrant issued in the year 1899, $869.47 of the delinquent taxes for the year 1899 and the years prior thereto; and whereas the City of San Diego collected in the year 1899, $869.47 of the delinquent taxes for the year 1899 and the years prior thereto; and whereas the City of San Diego collected in the year 1899, $869.47 of the delinquent taxes for the year 1899 and the years prior thereto; and whereas the City of San Diego collected in the year 1899, $869.47 of the delinquent taxes for the year 1899 and the years prior thereto; and whereas all the said money collected in the year 1899 and the year 1900 has been carried forward as an offset into the year 1901.

And whereas the said City of San Diego owed to the San Diego Gas and Electric Light Company, Warrant Number 444.03 for the sum of $993.60 on the second day of June, 1896, as a balance due said Company for lighting the streets, highways and parks in the said City of San Diego for the year 1895 with electric lights; and whereas none of said Warrants have been paid; and whereas the said City of San Diego is desirous of paying the said Warrant held by the said San Diego Water Company and the said San Diego Gas and Electric Light Company out of the taxes levied for the year 1895 and the years prior thereto, there-
Be it Ordained, by the Common Council of the City of San Diego, as follows:

Section 1. That the sum of $30.00, and the same is hereby transferred from the Fire Hydrant Fund of the City of San Diego, for the year 1900, to the Delinquent Tax Fund. That the Auditor and Treasurer of the said City of San Diego do and they are hereby authorized and directed to make the necessary entries in the records of their respective offices to carry into effect this transfer. Thereafter the sum of $30.00 be transferred from the said Delinquent Tax Fund to the Fire Hydrant Fund of the City of San Diego, California, for the year 1900; that thereafter the sum of $30.00 be transferred from said Delinquent Tax Fund to the Fire Hydrant Fund of the said City of San Diego for the year 1900; that the said Treasurer and Auditor of the said City of San Diego do and they are hereby authorized and directed to make the proper entries in the records of their respective offices necessary to carry into effect these transfers, provided, however, that the said first transfer shall not be made by the said Treasurer and Auditor until the said San Diego Water Company shall agree in writing that the time in which to pay the balance of said Warrants shall be extended until the first day of December, 1901, and that the said Company will return to the said City of San Diego the sum of $30.00 and pay the same into the Treasury of said City in Case said City of San Diego cannot pay the balance due on said Warrants from the Collection of Delinquent Taxes for the year 1900, and the years prior thereto, by the said first day of December, 1900, or such further extension of time as said San Diego Water Company shall grant to said City for that purpose. And that said San Diego Water Company shall in said agreement promise and agree to take no other or further action in the case of Higgins vs. the City of San Diego, No. 6777, Pending in the Superior Court of the County of San Diego, State of California, nor in the Case of the San Diego Water Company vs. the City of San Diego, No. 4679, pending in the Superior Court of the County of San Diego, State of California, until the said sum of $30.00 shall have been returned by the said San Diego Water Company to said City of San Diego as aforesaid, and that the City Attorney of said City do and he is hereby authorized and empowered to enter into such a stipulation with the Attorney of the San Diego Water Company, and that upon the execution of such stipulation
And Agreement said transfer of said money shall be made as aforesaid, and the City Treasurer of said City be and he is hereby authorized and directed to pay said sum so transferred upon the said funds of said San Diego Main Company, and that the Treasurer and Auditors of said City be and they are hereby authorized and directed hereafter, when any money is collected for the delinquent taxes of the year 1898 and the years prior thereto, to apportion and transfer the same to the said light fund of the year 1898, and the said Fire Hydrant Fund of the said year 1898, until the whole amount transferred in the said light fund shall equal the amount of $350,000, and the whole amount transferred to the Fire Hydrant Fund shall equal the sum of Five Thousand, Two Hundred and Fifty Dollars ($5,250.00).

Section 2. That this Ordinance shall take effect and be in force from and after its passage and approval.

Passed and Adopted by the Board of Aldermen of the City of San Diego, California, this 17th day of September, 1901, and signed in Open Session thereof, by the President of said Board, September 17th, 1901.

Ordinance No. 1025.

An Ordinance Providing for the Execution of a Contract with the San Diego Brewing Company for furnishing Water.

Whereas, Section 1 of Ordinance No. 882 of the Ordinance of the City of San Diego, California, approved on the 26th day of February, 1901, provides that:

31. "Water shall be furnished to steam engines, gas machines, or motors, for homes, office houses, (Chinese or otherwise), and strict supervision, or for any other purpose whatsover, and no compensation is hereunto. And therefore, and satisfactory rates cannot be agreed upon, water rates shall be charged for the water so furnished, to be measured by a meter."

And

Whereas, said Ordinance does not fix any water rate for the purposes for which said water is desired to be used by the San Diego Brewing Company, and

Whereas, it is the desire of the Common Council of the said City of San Diego to enter into a contract with the said San Diego Brewing Company to furnish water to said Company for and at the rate of fifteen (15) cents per one thousand gallons, up to and including the 30th day of June, 1901.

Now, therefore, Be it ordained, by the Common Council of the City of San Diego, as follows:

Section 1. That the City of San Diego, California, supply
Water from the date of the approval hereof up to and including the 30th day of June, 1907, to and for the use of the San Diego Brewing Company on lot 13 and part of lot 14 in Pueblo lot 1166, at and for the rate of fifteen (15) cents per one thousand gallons; said water to be measured through a meter to be placed and maintained by the said City of San Diego. The compensation therefor to be paid monthly, said water to be delivered at the following points:

At a point on专#1 st street in the City of San Diego, California, one hundred feet south of the southerly line of Cotton Avenue, at which said meter shall be placed and maintained; provided, that the pipe line from said point to the Brewery shall be maintained by the said San Diego Brewing Company, said water to be used for the purpose of steam engines, boilers, brewing beer and other purposes of the said San Diego Brewing Company, and that the Mayor of the said City of San Diego be and is hereby authorized and directed for and on behalf in the name, and as the act and deed of the said City of San Diego, to execute such a contract with the said San Diego Brewing Company, and that the City Clerk of the said City of San Diego be and is hereby authorized and directed to attest the execution of such contract by affixing thereto his name and the corporate seal of said City.

Section 2. That this Ordinance shall take effect and be in force from and after its Passage and Approval.

Passed and Adopted by the Board of Aldermen of the City of San Diego, California, this 11th day of November, 1901, and signed in Open Session thereof by the President of Said Board, November 11th, 1901.

Ordnance No. 1053.

An ordinance providing specifications for the grading of streets in the city of San Diego, California, and repealing Ordinance No. 36 of the ordinance of said city, entitled "An ordinance providing specifications for the grading of streets in the city of San Diego, California, approved February 11th, 1896." Approved February 11th, 1896.

As it ordains, by the Common Council of the City of San Diego, as follows:

Section 1. All street grading in the city of San Diego, California, shall hereafter be performed in accordance with the following specifications. The City Engineer shall set stakes indicating the exact depth of cutting or filling at the points where such grades are to be made in its official grade, and the contractor shall not proceed with the work until the work is completed, and pay the expenses of replacing those removed or disturbed.

The grading shall include such clearing, grubbing, cutting, filling, and other work as may be necessary to properly form the roadway, gutters and shoulders.

No earth shall be removed from the streets except upon the written authority and direction of the Superintendent of streets.

No rubbish or perishable material shall be used in the grading of any street, and all boulders and loose stones shall be buried at least six inches below the surface of the finished grade, and cases shall be taken to remix the earth that there shall be no jetties or sand pockets.

Upon all embankments or fills there shall be placed a top dressing of earth of uniform quality, and of such character as will form a compact surface, and such percentage of allowance for settlement shall be made as may be directed by the City Engineer, and when a fill exceeds one foot in depth, all trees standing on the margin of the street shall be removed, unless the owner of the abutting property shall agree to saw his or her expenses place them to the grade as when requested by the contractor.

Before the resolution ordering the work is passed by the Common Council, the City Engineer shall make a careful estimate in writing of the number of cubic yards of earth-cut, and the number of cubic yards of earth-fill, necessary to grade the street in the direction of the street to be graded, and in case said estimate of cubic yards fill are in excess of the cubic yards of cut, the Superintendent of Streets shall designate in writing the number of cubic yards in which such earth-fill is required, and in case the number of cubic yards of earth-cut exceeds the number of cubic yards of fill, said Superintendent of Streets in writing shall specify the point or points where such excess of earth shall be deposited, provided that such excess earth shall not be deposited in any place where it will obstruct the public streets or sidewalks, unless under the direction of the Board of Public Works of said City.

The estimate of the City Engineer, made as above specified, shall be kept on file in the office of the City Engineer, and the designation of the Superintendent of Streets, made as above specified, shall be kept on file in the office of the Superintendent of Streets, and both said estimates and said designation shall, during office hours, be accessible for inspection by any person who may desire to inspect the same.

The place or places where the excess of earth is deposited as well as the places or places from which the earth is taken for making the fill in the street is to be graded, shall be by the contractor, before the work is accepted, surveyed down and put in a condition satisfactory to the Superintendent of Streets.

The contractor shall furnish all tools, machinery and labor, provided all temporary bridges, ditches and other means required to protect the work from damage, and prosecute all work with dispatch, and without unnecessary delay.

The Superintendent shall supervise all work and shall not approve or accept the same until the street throughout is finished to the form of cross section and in the elevations required by the official grade.

All bills and contracts must express the price by the cubic yard for cutting, and the price by the cubic yard for filling, and no other items or expenses shall be allowed unless they are particularly set forth in the contract.

Indirect expenses shall include the cost of all publication and posting and the labor and material incident thereto, and the compensation of the City Engineer for surveys and estimates, and the cost of all labor and materials approved by him.

I HEREBY CERTIFY that the annexed clipping is a full, true and correct copy of Ordinance No.1053 of the ordinances of the City of San Diego, California, adopted by the Common Council of said city, and approved by the Mayor of said city on the 23rd day of December, 1901, and

I FURTHER CERTIFY that said Ordinance No.1053 was correctly published in the San Diego Union and Daily Bee on the 27th day of December, 1901.

Ordinance No. 1100.

As Ordinance Amending Section 1 of Ordinance No. 40 of the Ordinances of the City of San Diego, California, Enacted "An Ordinance Declaring a License Upon Certain Persons Selling Goods, Wares and Merchandise in the City of San Diego, California," approved September 15th, 1881.

Do it ordained, by the Common Council of the City of San Diego, as follows:

Section 1. That section 1 of Ordinance No. 40 of the ordinances of the City of San Diego, California, entitled "An Ordinance imposing a license upon certain persons selling goods, wares, and merchandise in the City of San Diego, California," approved September 15th, 1881, and the same is hereby amended to read as follows:

Section 2. That persons, outside of those conducting regular places of business in the city of San Diego, California, selling in the said city different articles of apparel, dry goods, fancy goods, notions, jewelry, cutlery, groceries, harness, pianos, organs, furnishings of all kinds, vehicles, hardware, shoes, and poultry, fish, or other edible or merchandise from a wagon, cart, wheelbarrow or a horse vehicle, water, and other articles regularly occupied by such person upon any street, sidewalk, alley, or the right of way, or provided, that such provision shall occupy only the sidewalk and the right of way, or the sidewalks thereon, between the hour of 9 o'clock and 10 o'clock, on any day for such purpose, provided, that this ordinance shall not apply to any person selling or engaged in selling or vending merchandise in the street of the said city, nor to any person using any portion of the sidewalk or sidewalk in front of a building or premises, or to any person using the said sidewalk or sidewalk in front of any building or premises for the purpose of advertising or selling merchandise, goods, wares or other articles.

And provided further, that this ordinance shall not affect Ordinance No. 1100 of the ordinances of said city, entitled "An Ordinance relating to fruit and other stands in the City of San Diego, California," approved September 15th, 1881, nor Ordinance No. 80 of the ordinances of said city, entitled "An Ordinance imposing a license upon any person engaged in the business of selling unhusked corn, barley, or other cereal grains, or other agricultural products in the said city." And provided further, that the said ordinance shall not apply to the sale of wool, milk, fruits, vegetables, hay or grain, or of any other agricultural product in the said city, nor to any person using the said sidewalk or sidewalk for the purpose of advertising or selling merchandise, goods, wares or other articles.

Ordinance No. 1129.

An Ordinance Prescribing Specifications for Asphalt Pavement on any Street in San Francisco, California.

WHEREAS, the Municipal Council of the City of San Francisco, as by resolution, has ordered the City Engineer to make rules and regulations for the construction of streets in the City, and said Engineer has prepared said rules and regulations:

NOW, THEREFORE, the said ordnance is as follows:

Section 1. That the paving of all streets in the City of San Francisco shall be constructed of asphalt concrete, and the specifications hereafter contained.

The said Engineer shall provide for herein by its formal drawings and specification, approved by the Board of Supervisors, for the construction of streets in the City of San Francisco, and the official grade of the street upon which all paved sidewalks and streets shall be shown on the plans and specifications hereafter contained.

Section 2. That all grading and the placing of the surface base for any street pavement shall be done and performed as follows:

1. Grading shall include the work of removing all of nature's irregularities, mounds, hardpan, and all other material that may obstruct the work of constructing the street. Grading shall include all filling, trimming, shaping, setting, leveling, regularizing, surging, and all other work that, in the discretion of the Engineer, is necessary to bring the face of the street to a uniform level. The said Engineer shall have the right to remove all of the street, by the contractor, or at his own expense, by the contractor before the work has been completed, and paid for, to a uniform level, as shown on the plans and specifications hereafter contained.

2. Grading shall be done so as to bring the street to the required surface, and the surface base shall be made of such material as will enable the street to be uniform in thickness and cross-section, and to accommodate all general depressions in the street, in width, joining the curb, and the gutter shall be immediately covered for same base, and made of asphalt cement until all have been brought to the required thickness.

3. Grading shall be done so as to bring all sidewalks and streets to the required surface, and the surface base shall be made of such material as will enable the sidewalk to be uniform in thickness and cross-section, and to accommodate all general depressions in the sidewalk, in width, joining the curb, and the gutter shall be immediately covered for same base, and made of asphalt cement until all have been brought to the required thickness.

Section 3. That the paving of all streets shall commence at the curb and shall consist of a cross-section of asphalt concrete, and the specifications hereafter contained shall be of such width as shall be considered necessary by the Engineer for the proper execution of the work:

The paving of all streets with natural stone blocks shall consist of six inches at the corner, and shall be brought to an approximate fine asphaltum and conformance with the plans and specifications hereafter contained.

1. The blocks shall be of a shape required, and of maintaining it in good修理

2. The blocks shall be laid on an asphalt concrete surface, and shall be brought to an approximate fine asphaltum and conformance with the plans and specifications hereafter contained.

3. The blocks shall be laid on the asphalt concrete surface, and shall be brought to an approximate fine asphaltum and conformance with the plans and specifications hereafter contained.

4. The blocks shall be laid on the asphalt concrete surface, and shall be brought to an approximate fine asphaltum and conformance with the plans and specifications hereafter contained.

5. The blocks shall be laid on the asphalt concrete surface, and shall be brought to an approximate fine asphaltum and conformance with the plans and specifications hereafter contained.

6. The blocks shall be laid on the asphalt concrete surface, and shall be brought to an approximate fine asphaltum and conformance with the plans and specifications hereafter contained.
