O R D I N A N C E No. 1902.

AN ORDINANCE PROVIDING FOR THE PURCHASE OF WATER FOR THE USE OF THE CITY OF SAN DIEGO, AND THE INHABITANTS THEREOF.

BE IT ORDAINED, By the Common Council of the City of San Diego, as follows;

SECTION 1. That the Board of Public Works of the City of San Diego, California, be, and it is hereby authorized and directed to purchase from the San Diego Flume Company, water for the use of said City of San Diego, and the inhabitants thereof, at the following rates, viz; The sum of four cents per one thousand gallons when said San Diego Flume Company can supply water to the said City from the running streams, after its storage reservoirs west of its diverting dam have been filled, and the sum of five cents per one thousand gallons until its storage reservoirs west of its diverting dam have been filled.

SECTION 2. That it be, and it is hereby, determined and declared that the adoption of this Ordinance is a matter of urgency, and is for the immediate preservation of the public health and safety of the said City and the inhabitants thereof, as the said City cannot furnish water for its own use and for the use of its inhabitants with its pumping plants, as nearly all of them are flooded with water from the recent floods in Mission Valley, and it is therefore required to purchase water for its own use, and for the use of its inhabitants.

SECTION 3. That this Ordinance shall take effect and be in force from and after its passage and approval.

Passed and adopted by the Common Council of the City of San Diego, California, this 6th day of February, 1905., by the following vote, to-wit;

AYES---Councilmen-Nichols, Osborne, Hage, S.T.Johnson, Lambert, Perrin, A.P.Johnson, Jr.,
Woolman and Jones.

and signed in open session thereof by the President of said Common Council, this 6th day of February, 1905.

D. F. JONES.

President of the Common Council of the
City of San Diego, California.

I HEREBY CERTIFY, that the foregoing ordinance was by a two-thirds vote of all the members of the said Common Council, present, put on its final passage at its first reading, this 6th day of February, 1905.

H. W. Vincent.

City Clerk of the City of San Diego,
California, and Ex-Officio Clerk of the
Common Council of the said City of San
Diego.

(SEAL)

I HEREBY APPROVE the foregoing ordinance this 7th day of February, 1905.

ORDINANCE NO. 1903.

AN ORDINANCE FIXING AND ESTABLISHING THE GRADE OF CAMPUS AVENUE, IN UNIVERSITY HEIGHTS, IN THE CITY OF SAN DIEGO, CALIFORNIA.

BE IT ORDAINED, By the Common Council of the City of San Diego, as follows:

Section 1. That the grade of Campus avenue, in University Heights, in the City of San Diego, California, be, and the same is hereby, fixed and established as follows; to-wit:

At the north-west corner of the intersection of said Campus avenue and Madison Avenue, three hundred and fifty-three feet; at the north-east corner of the intersection of said Campus avenue and Madison avenue, three hundred and fifty three feet.

At a point on the west line of said Campus avenue three hundred and twenty-five feet north of the north line of said Madison avenue, three hundred and fifty feet; at a point on the east line of said Campus avenue three hundred and twenty-five feet north of the north line of said Madison avenue, three hundred and fifty feet.

That the grade of the said Campus avenue, between said points, is hereby fixed and established so as to conform to the grade elevations above named; provided, that the center line of the said Campus avenue shall have an average elevation of the opposite curb grades, and that the grade of the intersections of said Campus avenue with cross streets or avenues is hereby fixed and established so as to conform to the grade of said streets adjoining said intersections; provided, further, that the grade elevations above named are hereby declared to be above the datum line of levels as fixed by ordinance No. 3 of the ordinances of the said City of San Diego, entitled, "An ordinance establishing a datum line for the grading of streets in the City of San Diego, State of California, and providing for the manner of establishing grades by ordinance," approved on the 30th day of June, 1886.

Said University Heights being an addition in the City of San Diego, California, known as "University Heights", according to the map thereof filed in the office of the County Recorder of the County of San Diego, California, on the 6th day of August, 1886.

Section 2. That this ordinance shall take effect and be in force from and after 30 days after its passage and approval.

Section 3. That the City Clerk of the said City of San Diego be, and he is hereby, authorized and directed, immediately after the approval of this ordinance, to publish or cause the same to be published once in the City official newspaper of said City, to-wit, the San Diego Union and Daily Bee.

Passed and adopted by the Common Council of the City of San Diego, California, this 6th day of February, 1905, by the following vote, to-wit;

AYES-- Councilmen Nichols, Osborne, Hage, S. T. Johnson, Lambert, Perrin, A. P.

ORDINANCE No. 1937.

An Ordinance providing for the payment of the money paid by the Bartlett Estate Company on account of the grading of Twenty-fifth street, in the City of San Diego, California, between the center line of "F" street and the north line of "K" street, upon the cost thereof.

WHEREAS, on the Fourth day of March, 1904, the Bartlett Estate Company, a corporation in the City of San Diego, California, agreed to pay a portion of the cost of grading Twenty-fifth street, in said City, between the center line of "F" street and the north line of "K" street; and,

WHEREAS, the grading of the said Twenty-fifth street, between said points, is now about completed; and, WHEREAS, the said Bartlett Estate Company has paid to the Superintendent of Streets of said City the sum of twenty-two hundred and thirty and 03/100 Dollars to apply on the cost thereof, being the amount in full so agreed to be paid according to said agreement, now, therefore;

BE IT ORDAINED, By the Common Council of the City of San Diego, as follows:

Section 1. That Samuel W. Hackett, as Superintendent of Streets of the City of San Diego, California, be, and he is hereby authorized and directed to pay said sum of twenty-two hundred and thirty and 03/100 dollars into the municipal treasury of said City, to the credit of the unapportioned fund thereof, to be used exclusively for the purpose of paying a portion of the costs of so grading the said Twenty-fifth street, between said points, which sum shall be paid to the contractor grading said Twenty-fifth street; between said points, as soon as the said Twenty-fifth street, in said City, between the center line of "F" street and the north line of "K" street, shall have been brought to the official grade and cross-sections, including the intersections of cross streets and including the side walks on both sides of said Twenty-fifth street, between said points, and the same duly accepted by the Superintendent of Streets of said City, and shall be applied on the total cost of so grading the said Twenty-fifth street.

Section 2. That the said Superintendent of Streets shall (after the said sum of twenty-two hundred and thirty and 03/100 dollars has been so paid to the party or parties entitled thereto, as aforesaid), in making up the assessment for the costs and expenses of doing said grading, deduct said sum of twenty-two hundred and thirty and 03/100 dollars from the whole cost and expenses of such grading, and shall assess the remainder of such costs and expenses proportionately upon the lots, parts of lots, and lands, fronting on the said Twenty-fifth street, between said points, and upon any other lots, parts of lots, and lands, liable to be assessed for the grading of said Twenty-fifth street, between said points, in the manner provided by law.

Section 3. That this ordinance shall take effect and be in force from and after thirty days after its passage and approval.

O R D I N A N C E No. 1942.

An ordinance establishing the water rates in the City of San Diego, California, for the year beginning July 1st, 1905, and ending June 30th 1906.

Be it ordained, by the Common Council of the City of San Diego, as follows,

Section 1. That the rates and compensation to be collected for water furnished by the City of San Diego, California, to the inhabitants thereof for family, private and all other purposes for the year commencing July 1st, 1905, and ending June 30th 1906, are hereby fixed as follows:

1. Bath tubs in private residences, 25 cents each per month.
 2. Bath tubs, public, \$1.25 each per month.
 3. Water closets in business houses, \$1.00 per month for each water closet, and 25 cents per month for each urinal in said business house.
 4. Water closets in private residences, 25 cents per month for each water closet.
 5. Water closets, public, \$2.00 each per month, and for each urinal, 50 cents per month.
 6. Barber shops, single chair, 75 cents per month; each additional chair, 25 cents per month.
 7. Business offices, 75 cents per month.
 8. Rooms in second and third stories occupied as offices, for each room, per month, 20 cents.
 9. Dental rooms, \$2.00 per month.
 10. Drug stores, \$3.00 per month.
 11. Photograph galleries, \$5.00 per month.
 12. Stores and business houses employing not to exceed three persons, \$1.00 per month and for each additional person, 15 cents per month.
 13. Warehouses, \$3.00 per month.
 14. Dwellings, tenements, flats and other apartments, the same being occupied by not more than three persons, \$1.00 per month, and for each additional person, 15 cents per month.
 15. Boarding houses, in addition to family rates, 15 cents per month for each person.
 16. Coffee houses, open day and night, \$3.50 per month.
 17. Hotels, in addition to family rates, 15 cents per month for each bed.
- The keepers of hotels, lodging houses, and boarding houses shall furnish to the Board of Public Works of said City (under oath if required) a correct list of the number of persons in his or their families, and the number of lodgers.
18. Lodging houses, in addition to family rates, 10 cents per month for each bed.
 19. Restaurants and eating houses, \$3.50 per month.
 20. Saloons, \$3.50 per month.
 21. For water to be used for irrigating one-half acre and under one acre, 10 cents per 1000 gallons; for one acre and under two acres, 8 cents per 1000 gallons; for two acres or more, 6 cents per 1000 gallons; to be measured by meter to be placed at the expense of the party to whom the water is furnished; such acreage to include town lots where there is

sufficient number of lots in one body or tract collectively, to make one-half acre or more; provided, that where meter rates are charged for irrigation under this section, no extra charge shall be made for domestic, family, or household use; and provided further, that the rates herein specified shall apply only to the irrigation of lands cultivated for the purpose of making a profit or livelihood, and not to irrigation for ornamental purposes; provided, further, that no person, company, or corporation shall be entitled to the above rates for irrigation unless the above quantities of land are actually being cultivated and irrigated; provided, also, that the rate for water furnished for the irrigation of cemeteries shall be six cents per 1000 gallons.

22. Irrigation of lawns, trees, shrubbery, etc., 1 cent per month for each and every month in the year, for every front foot, including the irrigation of sidewalks in front of the lot, provided, that said rate of 1 cent per month for every front foot shall not apply to acre property, or to any property except to town lots.

And provided further, that said rate of 1 cent per month for every front foot shall not apply to acreage property, or to any property except to town lots not considered as acreage.

23. Feed yards, \$5.00 per month.

24. Horse and carriage, 35 cents per month, and 20 cents per month for each additional horse.

25. Livery stables, including carriage washing, for each horse, 35 cents per month.

26. Horses, mules, and cows, each 20 cents per month.

27. The rate for water furnished to consumers through meters, except as otherwise herein provided, is fixed as follows: 20 cents per 1000 gallons.

28. Where water is furnished for steam engines, gas machines or works, wash-houses (chinese or otherwise), or for any other purpose whatever, and no compensation is herein fixed therefor, and satisfactory rates cannot be agreed upon, meter rates shall be charged for the water so furnished, to be measured by a meter.

The said City shall be entitled to collect a minimum rate of \$1.00 per month where water is furnished at meter rates, and an additional minimum sum of 25 cents for each additional house, whether occupied or not, and each flat, whether occupied or not, supplied with water through the same meter.

PROVIDED, that such minimum charge shall entitle the consumer to use no more than 5000 gallons per month for one house or flat, and 1250 gallons more for each additional house or flat.

That said City shall be entitled to collect a minimum meter rate of \$1.00 per month where water is furnished at meter rates for each meter supplying any business block or business building, and 25 cents for each additional ground floor store or business room or place, in any business block or business building, supplied from the same meter, whether occupied or not. Provided that such minimum charge shall entitle the consumer to use no more than 5000 gallons per month for one business block, and 1250 gallons more for each additional store or business room.

29. Water shall be furnished and delivered by meter measurement to shipping lying alongside of any of the wharves on the water front, where water pipes or mains are laid,

upon application being made therefor, at the following rates; 50 cents per 1000 gallons. Water shall be supplied and delivered to water supply boats at any of the wharves on the water front above mentioned, for the purpose of supplying shipping in the bay of San Diego, upon application being made therefor, at the rate of 50 cents per 1000 gallons. No water boat, furnishing and supplying water to the shipping lying at anchor within the limits of the waters of the City of San Diego, shall charge a rate to exceed \$3.00 per 1000 gallons.

30. Bakeries, for each 25 barrels of flour, \$2.00 per month.

31. Water for hydraulic elevators and motors in hotels and stores, 10 cents per 1000 gallons, to be measured by a meter.

32. The regular charge for making and placing taps and laying pipe shall be made for any taps placed or pipe laid or connected with the mains for fire apparatus, which shall be used only in case of fire, but no other charge shall be made for such fire apparatus if used only in case of fire; provided, that if any person shall at any time use such fire apparatus for other than fire purposes, the said Board of Public Works shall have the right to charge and collect from such person the sum of \$50.00 for such fire apparatus connection for said year.

33. Horseshoeing only, \$1.50 per month.

34. Soda fountains, 50 cents per month each; each jet, 50 cents per month; each tumbler washer, 50 cents per month.

35. Persons slacking lime, 15 cents per barrel; and cement, 10 cents per barrel; for wetting brick, 15 cents per 1000.

36. Wagon and blacksmith shops, including horseshoeing \$2.50 per month.

37. Breweries, ice manufacturing plants, and cold storage plants, 12 cents per 1000 gallons.

38. That water furnished to all charitable institutions, such as "The Helping Hand," "King's Daughters Boarding Club," "Seaman's Rest," and "Children's Home," and "Salvation Army," shall be \$1.00 per annum; provided, that if water is wasted by any such institution, meter rates shall thereafter be charged. Provided, that this provision shall not apply to hospitals and sanitariums.

39. Parks on private land, but open to the public and maintained by private subscriptions, such as the "H-Street Park", "K-Street Park," and "Park" at southwest corner of Twenty-second and "K" streets, 10 cents per 1000 gallons.

40. Public Schools of the San Diego School District and the "Academy of Our Lady of Peace," 10 cents per 1000 gallons.

Section 2. Any water rate payer shall have the right to demand a meter and pay a meter rate upon tendering the said Board of Public Works the sum of \$5.00 for placing and connecting the meter with the supply pipe of such water rate payer; upon such demand or payment, or the tender of such sum by any water rate payer, it shall be the duty of the said Board of Public Works to furnish, place, and maintain a meter; provided, that the said charge of five dollars shall not apply to any meter the supply pipe of which exceeds three-quarters of an inch in diameter, and that if a larger meter is demanded by any water rate payer, under any provision of this ordinance such water rate payer shall pay to the said Board of Public Works, for the purpose of placing, connecting, and maintaining such meter, a sum equal to the cost of the meter demanded; provided that any rate payer who has heretofore

paid for placing and maintaining a meter shall not be obliged to pay an additional sum therefor.

The said Board of Public Works shall have the right at any time to place a meter on the service pipe of any water consumer and charge meter rates for water used through it; provided, that such meter shall be placed and maintained at the expense of the said City.

Upon the demand of any consumer and the payment or tender of payment of the sum of three dollars (\$3.00) the said Board of Public Works shall place and maintain on the said consumer's supply pipe an air valve, in connection with the meter, of the latest and most improved pattern.

Section 3. That all flat rate payers must pay their water bills for the current month on or before the 20th day of each month; that all meter rate payers shall pay their water bills on or before the 20th day of each month for water furnished for the preceding month, and unless so paid, an additional sum of five per cent (5%) shall be added thereto; that the said Board of Public Works be and said Board of Public Works is hereby authorized and directed to shut off the water from the premises unless such bills are so paid; and not to turn the same on again until the payment of all arrearages and amounts due, and the sum of one dollar for turning on the water; that no water tap or service pipe connected with said system of water works shall be placed nearer than two feet from any sewer pipe ditch in said City.

Section 4. Any employee of the Water Department of said City, when directed by the said Board of Public Works, under this ordinance, shall be allowed free access to make personal examination of the premises of any applicant for or consumer of water for the purpose of designating the rate established and for the inspection of water pipes and apparatus.

Section 5. When water is furnished by meter, the meter shall be read at monthly intervals, or as near monthly intervals as the ordinary course of business will permit.

Section 6. That all water rates shall be paid by the owners of the property upon which water is used, or upon a written guaranty to be signed by the owner of the property, that the water furnished upon said property shall be paid for at the rates fixed by this ordinance; that in the event that the owner of the property refuses to agree to pay for the water and refuses to execute such guaranty, then the said Board of Public Works shall have the right to demand, as security for the payment of the monthly water bills when the same are not paid in advance, a sum sufficient to pay the water bill for water used on said Property for any month during the year.

Section 7. That this ordinance shall take effect and be in force from and after thirty days after its passage and approval.

Section 8. That the City Clerk of the said City of San Diego, be and he is hereby authorized and directed, immediately after the approval of this ordinance, to publish or cause the same to be published once in the city official newspaper of said City, to-wit: The San Diego Union and Daily Bee.

Passed and adopted by the Common Council of the City of San Diego, California, this 23rd day of February 1905, by the following, vote, to-wit:

ORDINANCE No. _____

An Ordinance imposing certain regulations for liquor saloons and fixing the number of licenses that shall be granted.

Be it ordained by the people of the City of San Diego, as follows:

Section 1. That no license shall be granted for the sale of spirituous, vinous, or malt liquors other than in a room situated on the ground floor and fronting its full width on a public street, the front of which room shall be open, and uninclosed excepting by a single thickness of transparent window glass, to a height of at least eight feet above the sidewalk in front thereof, and beginning not more than four feet above such sidewalk, provided that a space not to exceed one-sixth of the width of the front of said room may be occupied by the posts, frames and sash of the doors and windows thereof; and provided, that where such room is located upon the corner of a block, the petitioner shall designate

in his petition upon which street the same shall front, which front shall conform to the provisions of this Section, and he shall be required to maintain only such openings, in size and location, for doors and windows, upon the other street adjacent thereto, as he may choose, but all of said openings shall be unenclosed and unobstructed excepting by transparent window glass and the necessary frames and sash therefor, from the top thereof to within four feet of the adjacent sidewalk, if said openings extend so far.

Section 2. That no person having secured a license to retail spirituous, vinuous or malt liquors shall place or maintain, or authorize or permit to be placed or maintained upon any premises used by him for the sale of spirituous, vinuous or malt liquors, any screen, blind, shutter, curtain, partition, or painted ground or stained glass window, or any other obstruction which shall interfere with the view from the street front of said premises, or from any of the doors or windows thereof, of the business conducted upon any part of said premises, and all liquors or drinks of any kind sold at retail or dispensed in said place of business shall be dispensed and delivered from a bar not more than 24 feet in length which shall begin at the front of said room and extend at right angles to said front from a point not further than five feet therefrom; and the City Council before making an order for such license shall cause an examination to be made by a Committee of said Council, or otherwise, of said premises for which such license is applied, and unless the same shall conform to the provisions of this ordinance, such license shall be denied, and any license issued where said premises do not so conform shall be void.

Section 3. That no permits for retail liquor licenses in excess of fifty-five shall at any time be granted by the Council of the City of San Diego.

Section 4. That any person violating any of the provisions of this ordinance shall, upon conviction thereof, be punished by a fine of not less than \$25.00 nor more than \$300.00 or by imprisonment in the City jail of said City for a period not exceeding 150 days, or by both such fine and imprisonment, and in the event that the fine imposed hereunder is not paid, then by imprisonment in the City jail of said City at the rate of one day for every two dollars of the fine so imposed; and that when any person shall be convicted of violating any provision of this ordinance, the license of such person so convicted shall be immediately forfeited, and no further license shall be granted or issued to the person so convicted, and every license for the sale of spirituous, vinuous or malt liquors hereafter issued by the Auditor of said City shall contain printed therein a copy of this Section.

Section 5. That this ordinance shall take effect and be in force thirty days from and after its adoption.

Section 6. That the City Clerk of the said City of San Diego, be, and he is hereby authorized and directed, immediately after the approval of this ordinance, to publish or cause the same to be published one time in the City official newspaper of said City, to-wit: the San Diego Union and Daily Bee.

The other of said petitions being endorsed, "Document No 8828. Filed Feb. 13, 1905, H. W. Vincent, City Clerk, By Percy L. Day Deputy. Petition of Qualified Electors for submitting to the voters at next general election, an ordinance providing for the closing of saloons on Sunday"; which petition was filed in the office of the said City Clerk on the said 13th day of February, 1905, and duly certified by him to be sufficient February 23rd 1905, and thereafter duly submitted by him to the said Common Council on the said 23rd day of February,

O R D I N A N C E No. 1961.

An Ordinance declaring the grade of Juniper street, in the City of San Diego, California, from the east line of Albatross street to the west line of Front Street, to be changed, and establishing the grade of the same.

WHEREAS, the Common Council of the City of San Diego, a municipal corporation in the County of San Diego, State of California, on the 24th day of October 1904, duly passed a Resolution of Intention to change and establish the grade of Juniper street, in the City of San Diego, California, from the east line of Albatross street to the west line of Front street, which Resolution of Intention was approved by the Mayor of said City on the 26th day of October 1904, and which Resolution of Intention described the said proposed change of grade; and,

WHEREAS, said Common Council in and by said Resolution of Intention duly designated and established the district to be benefited by such proposed change of grade and to be assessed to pay the cost of the same; and,

WHEREAS, said Resolution of Intention was published for ten days in the newspaper of said City in which the official notices of the Common Council of said City are usually printed and published, to-wit, the San Diego Union and Daily Bee, in every regular issue of said newspaper, during said period of ten days, as directed by said Resolution of Intention, and in the manner and by the persons required by law; and,

WHEREAS, the Superintendent of Streets of said City within five days after the first publication of said Resolution of Intention, duly caused notices of the passage of said Resolution of Intention to be conspicuously posted within said district, in the manner and form required by law; and,

WHEREAS, more than thirty days have elapsed since the first publication of said notice in said newspaper aforesaid, and no objection or objections to said proposed change of grade or claims for damages to property on account of said proposed change of grade have been made or filed with the Clerk of said Common Council; and,

WHEREAS, a petition of the owners of a majority of the property affected by said proposed change of grade, praying that said grade be so changed, has been duly filed with the Clerk of said Common Council and presented to this Common Council, as required by law, and,

WHEREAS, it is not deemed necessary that an assessment be levied to pay the expenses of the proceedings for so changing the grade of the said Juniper street; now, therefore,

BE IT ORDAINED, By the Common Council of the City of San Diego, as follows:

Section 1. That the grade of said Juniper street, in the City of San Diego, California, from the east line of Albatross street to the west line of Front street, be, and the same is hereby changed and established and declared to be in conformity with said Resolution of Intention, as follows:

At the north-east corner of Albatross street and Juniper street, the grade elevation shall remain at one hundred and sixty-eight (168) feet.

At a point on the north line of Juniper street eighty feet east of the east line of Albatross street, the grade elevation is hereby changed from one hundred and seventy-five

and twenty-hundredths (175.20/100) feet to one hundred and seventy-eight and sixty-hundredths (178.60/100) feet.

At a point on the north line of said Juniper street twenty feet east of the last named point, the grade elevation is hereby changed from one hundred and seventy-seven (177) feet to one hundred and eighty and sixty-hundredths (180.60/100) feet.

At a point on the north line of the said Juniper street twenty feet east of the last named point, the grade elevation is hereby changed from one hundred and seventy-eight and eighty hundredths (178.80/100) feet to one hundred and eighty-two (182) feet.

At the north-west corner of said Juniper street and Front street, the grade elevation shall remain at one hundred and eighty-six (186) feet.

At the southeast corner of said Juniper street and Albatross street, the grade elevation shall remain at one hundred and sixty-eight (168) feet.

O R D I N A N C E No. 1965.

An ordinance providing for the purchase of water for the use of the City of San Diego, and ~~the~~ ^{the} inhabitants thereof.

BE IT ORDAINED, By the Common Council of the City of San Diego, as follows:

Section 1. That the Board of Public Works of the City of San Diego, California, be, and it is hereby authorized and directed to purchase from the San Diego Flume Company, water for the use of said City of San Diego and the inhabitants thereof, at the following rates, viz:

The sum of four cents per one thousand gallons when said San Diego Flume Company can supply water to the said City from the running streams, after its storage reservoirs west of its diverting dam have been filled, and,

The sum of five cents per one thousand gallons until its storage reservoirs west of its diverting dam have been filled, and

The sum of five cents per one thousand gallons for water drawn from its reservoirs when the supply from running streams is insufficient to furnish said City and all the regular country consumers.

Section 2. That it be, and it is hereby determined and declared that the adoption of this ordinance is a matter of urgency and is for the immediate preservation of the public health and safety of the said City and the inhabitants thereof, as the said City cannot furnish water for its own use and for the use of its inhabitants with its pumping plants, as nearly all of them are flooded with water from the recent floods in Mission Valley and it is therefore required to purchase water for its own use and for the use of its inhabitants.

Section 3. That this ordinance shall take effect and be in force from and after its passage and approval.

Ordinance No. 1981.

An Ordinance granting a Street Railway Franchise to the San Diego Electric Railway Company to Construct a Street Railway from the Center of "L" and State Streets to Smith and Congress Streets, in the City of San Diego, California.

Whereas, on the 23rd day of November, 1904, the San Diego Electric Railway Company filed in the office of the City Clerk of the City of San Diego, California, a petition for authority to construct, maintain, and operate, for a period of twenty five years, a street railway track along and upon certain streets and property in the City of San Diego, California, hereinafter designated; said petition being Document No. 7879, and

Whereas, the Common Council of said City did thereafter determine that the franchise so petitioned for should be granted, with certain changes and amendments, as herein specified, by the adoption of Concurrent Resolution numbered Fifty, approved by the Mayor of said City on the 9th day of December, 1904, being Document No. 7980, and

Whereas, the said Concurrent Resolution numbered Fifty was thereafter duly published in the City official newspaper of said City, to wit, the San Diego Union and Daily Bee, as required by law and as required by the said Concurrent Resolution numbered Fifty, and

Whereas, the said Common Council duly adopted Concurrent Resolution numbered Fifty-one, approved by the Mayor of said City on the 23rd day of December, 1904, being Document No. 8099, which Concurrent Resolution numbered Fifty-one provided that the City Clerk of said City should cause notice of such application for said Street railway franchise, and notice of said Concurrent Resolution numbered Fifty determining that said Street railway franchise should be granted, to be published for ten days in the City official newspaper of said City to wit, in the San Diego Union and Daily Bee, and

Whereas, the said City Clerk did publish said notice as required by said Concurrent Resolution numbered Fifty-one, and

Whereas, due proof of the publication of said notice in the said San Diego Union and Daily Bee, as required by said Concurrent Resolution numbered Fifty-one has been filed in the office of the City Clerk of said City, and

Whereas, at a session of the Common Council of said

City, held on the 23rd day of January, 1905, pursuant to and in accordance with such notice, bids for said street railway franchise were received, opened, and considered and properly declared; and

Whereas, the only bid received by said Common Council for said franchise was made and presented by the San Diego, Electric Railway Company, and

Whereas, the said bid of the said San Diego, Electric Railway Company was for the sum of \$1125.00 for said street railway franchise, and conformed to the provisions of the Charter of the said City of San Diego, and to the said notice given by the said City Clerk as aforesaid, and to law, and was the highest and best bid received therefor, and,

Whereas, on the 23rd day of January, 1905, the said Common Council duly accepted the said bid of the said San Diego, Electric Railway Company by ordinance No. 1882, approved by the Mayor of said City on the 24th day of January, 1905, and

Whereas, the said San Diego, Electric Railway Company has heretofore filed with the City Clerk of said City a check for the sum of twenty five hundred dollars, duly certified by a responsible bank in said City, which check is payable to said City and is now held by the said City Clerk for said City as security and a guaranty on the part of the said San Diego, Electric Railway Company that it will comply with the terms of said franchise, fixing the time for the commencement and the time for the completion of said street railway, and that the same will be constructed in all particulars as in said franchise contained, now, therefore,

Be It Ordained, By the Common Council of the City of San Diego, as follows:

Section 1, That the San Diego Electric Railway Company, its successors and assigns, be and it is hereby granted a franchise to construct, operate, and maintain, for a period of twenty five years a street railway along and upon the following route and streets in the City of San Diego, California, to wit:

On State Street ^{of D Street to the center} from the center of Ivy Street, on Ivy Street, ~~on Ivy Street~~, from the center of State Street to the center of India Street, on India Street, from the center of Ivy Street to the center of Norasthy Street (formerly known as Prince Street) on Norasthy Street, from the center of India Street to the center of California Street, on California Street, from the center of Norasthy Street to the center of La Jolla Avenue, on La Jolla Avenue, from the center of California Street to the south line of

Wetherby street; on the public way, called the extension of India street, in a northwesterly direction from the south line of Wetherby street to the center of Congress street in Old Town; On Congress street, from the center of said Public way to Smith street.

Upon the following conditions and limitations, viz:

I.

That the cars upon said railway shall be propelled by electricity, used through the overhead system but if at any time said railway cannot be operated by electricity, owing to accident to the machinery or appurtenances, horses or mules may be used to propel cars thereon during the time necessary to repair such machinery or appurtenances.

II.

That the track shall be four feet eight and one-half inches within the rails and shall have a space between it and the sidetracks, turnouts and switches not exceeding six feet four inches being sufficient to allow the cars to pass each other freely and shall have proper curves where said route passes from one street to another, including the intersection of D and State streets, which shall obstruct public travel thereon as little as possible, and the same shall be placed under the direction of the City Engineer.

III.

That work on the construction of said railway shall be commenced within one year after the granting of this franchise and completed and operated between D street and Ivy street within one year thereafter; and the balance shall be completed and operated within three years from the granting of this franchise.

IV.

That the rails used in the construction of said road shall not be less than sixty pounds to the yard.

V.

That the right to grade, sewer, pave, and macadamize or otherwise improve or alter or repair the said streets shall be reserved to the City of San Diego; such work to be done so as to obstruct the said railway as little as possible. The grantee or its assigns shall shift and re-shift the rails so as to avoid the obstruction created thereby.

VI.

That the laying of said tracks and all sidetracks, turnouts, switches or curves shall conform in all cases with the grades of said streets which have been graded, and in all other cases as near to the natural grade of said streets as practicable. And when at any time any part of said route shall be graded, or the grade thereof altered or changed by the said Common Council, the bed of the road and the track thereon shall be made to conform therewith by the grantee or its assigns. The said track shall be laid as near to the center of the street as practicable; provided, that from the intersection of Ivy street and India street to the intersection of Smith street and Congress street the easterly or northerly rail of said track shall be two feet and eight inches westerly or southerly from the center line of the streets upon which said railway track is to be constructed, which is hereby considered as near to the center line of said streets as it is practicable to construct said railway track.

VII.

That the successful bidder for said franchise shall, in operating said proposed street railway, issue passenger transfers for continuous passage to all other lines of street railways owned or operated by said successful bidder in the City of San Diego, California, and shall also issue similar transfers from such other lines owned or operated as aforesaid, to the line to be constructed under this franchise.

VIII.

That the failure to comply with any of the conditions of this franchise shall work a forfeiture of the rights and privileges granted hereby.

IX.

That the right to repeal, amend or modify this ordinance granting the said franchise is hereby reserved to the said Common Council.

Section 2. That this ordinance shall take effect and be in force from and after thirty days after its passage and approval.

Section 3. That the City Clerk of the said City of San Diego, be and he is hereby authorized and directed, immediately after the approval of this ordinance, to publish or cause the same to be published once in the City official newspaper of said City, to-wit: The San Diego Union and Daily Bee.

An ordin

An ordinance to prevent the erection and maintenance of electric light, telephone, and telegraph poles upon the public streets of the City of San Diego, California, and providing for their removal in certain cases.

BE IT ORDAINED, By the Common Council of the City of San Diego, as follows:

Section 1. That each and every electric light, telephone, telegraph, or other pole, now standing on, or which may be hereafter erected upon, any public street in the City of San Diego, California, contrary to, or in violation of, any ordinance of said City, be, and the same is hereby declared to be an obstruction in the streets of said City and to be a public nuisance.

Section 2. That it be and is hereby declared to be unlawful for any person, company or corporation to erect, place, or maintain any electric light, telephone, telegraph, or other pole, or poles, in or upon any public street in said City, contrary to, or in violation of, any ordinance of said City. That any person, other than a corporation, violating any of the provisions of this ordinance, shall be deemed guilty of a misdemeanor, and, upon conviction thereof, shall be punished by a fine in any sum not exceeding three hundred dollars, and in the event the fine so imposed shall not be paid, then by imprisonment in the City jail of said City at the rate of one day for every two dollars of the fine so imposed.

Section 3. That each and every corporation violating any provision of this ordinance shall, upon conviction thereof, be fined in any sum not exceeding three hundred dollars; the fine so imposed upon any corporation may be collected by virtue of the order imposing it, by any police officer, or constable, of said City, or by the sheriff of San Diego County, out of the real and personal property of said corporation, in the same manner as upon an execution in a civil action under the laws of the State of California; and the summons against said corporation, and all other proceedings in connection therewith, shall, so far as practicable, be in accordance with the provisions of Chapter 9 of the Penal Code of the State of California, being Sections numbered from 1390 to 1396, inclusive.

Section 4. That each and every day, that any electric light, telephone, telegraph, or other pole, or poles, shall remain in or upon any public street in said City, contrary to, or in violation of, any ordinance of said City, shall be and constitute a separate and distinct offense and a separate and distinct violation of this ordinance.

Section 5. That the erection or maintenance of each and every pole in or upon any public street in said City, contrary to, or in violation of, any ordinance of said City, shall be and constitute a separate and distinct offense and a separate and distinct violation of this ordinance.

Section 6. That it be and is hereby made the duty of the Board of Public Works of said City, and the said Board of Public Works is hereby authorized and directed, after giving notice as provided in Section 7 of this ordinance, to remove, or cause to be removed, any and all electric light, telephone, telegraph, or other pole, or poles now standing on, or which may be hereafter erected upon, any public street in the said City of San Diego, contrary to, or in violation of, any ordinance of said City.

Section 7. That the said Board of Public Works shall serve, or caused to be served, a written notice upon any person, or persons, firm, or corporation, maintaining or erecting

any electric light, telephone, telegraph, or other pole, or poles, on any public street in the said City of San Diego, contrary to, or in violation of any ordinance of said City, which written notice shall require that said pole, or poles, be removed from such street, or streets, within thirty days after service of the said notice.

The service of such notice shall be deemed sufficient, if delivered to the person or to the local superintendent, or manager, or agent, or the person, or persons, firm, or corporation, owning or having charge of, the said poles or the erection or maintenance of the same.

Section 8. That this ordinance shall take effect and be in force from and after thirty days after its final passage and approval.

Section 9. That the City Clerk of the said City of San Diego be and he is hereby authorized and directed, immediately after the approval of this ordinance, to publish or cause the same to be published once in the City official newspaper of said City, to-wit, the San Diego Union and Daily Bee.

An ordinance imposing certain regulations for liquor saloons and fixing the number of licenses that shall be granted.

BE IT ORDAINED, By the people of the City of San Diego, as follows:

Section 1. That no license shall be granted for the sale of spirituous, vinous, or malt liquors other than in a room situated on the ground floor and fronting its full width on a public street, the front of which room shall be open, and uninclosed excepting by a single thickness of transparent window glass, to a height of at least eight feet above the sidewalk in front thereof, and beginning not more than four feet above such sidewalk, provided that a space not to exceed one-sixth of the width of the front of said room may be occupied by the posts, frames and sash of the doors and windows thereof; and provided that where such room is located upon the corner of a block, the petitioner shall designate in his petition upon which street the same shall front, which front shall conform to the provisions of this section, and he shall be required to maintain only such openings, in size and location, for doors and windows, upon the other street adjacent thereto, as he may choose, but all of such openings shall be unenclosed and unobstructed excepting by transparent window glass and the necessary frame and sash therefor, from the top thereof to within four feet of the adjacent sidewalk, if said openings extend so far.

Section 2. That no person having secured a license to retail spirituous, vinous or malt liquors shall place or maintain or authorize or permit to be placed or maintained upon any premises used by him for the sale of spirituous, vinous, or malt liquors, any screen, blind, shutter, curtain, partition, or painted, ground or stained glass window, or any other obstruction which shall interfere with the view from the street front of said premises, or from any of the doors or windows thereof, of the business conducted upon any part of said premises, and all liquors or drinks of any kind sold at retail or dispensed in said place of business shall be dispensed and delivered from a bar not more than 24 feet in length which shall begin at the front of said room and extend at right angles to said front from a point not further than five feet therefrom; and the City Council before making an order for such license shall cause an examination to be made by a committee of said Council, or otherwise, of said premises for which such license is applied, and unless the same shall conform to the provisions of this ordinance, such license shall be denied, and any license issued where said premises do not so conform shall be void.

Section 3. That no permits for retail liquor licenses in excess of fifty-five shall at any time be granted by the Council of the City of San Diego.

Section 4. That any person violating any of the provisions of this ordinance shall upon conviction thereof, be punished by a fine of not less than \$25.00 nor more than \$300.00 or by imprisonment in the City jail of said City for a period not exceeding 150 days, or by both such fine and imprisonment, and in the event that the fine imposed hereunder is not paid, then by imprisonment in the City jail of said City at the rate of one day for every two dollars of the fine so imposed; and that when any person shall be convicted of violating any provision of this ordinance, the license of such person so convicted shall be immediately forfeited, and no further license shall be granted or issued to the person so convicted; and every license for the sale of spirituous, vinous or malt liquors hereafter issued by the Auditor of said City shall contain printed therein a copy of this section.

Section 5. That this ordinance shall take effect and be in force thirty days from and after its adoption.

Section 6. That the City Clerk of the said City of San Diego be, and he is hereby authorized and directed, immediately after the approval of this ordinance, to publish or cause the same to be published one time in the city official newspaper, of said City, to-wit: the San Diego Union and Daily Bee.

An ordinance providing for the sale at public auction of certain real estate in Selloer's Addition, in the City of San Diego, California, owned by said City.

BE IT ORDAINED, By the Common Council of the City of San Diego, as follows:

Section 1. That the City Clerk of the City of San Diego, California, be, and he is hereby, authorized, directed, and required to sell at public auction, after publication of notice thereof for at least three weeks in the City official newspaper of said City, to-wit, the San Diego Union and Daily Bee, all the right, title, interest and estate of the said City of San Diego in and to the following described real property situated in the City of San Diego, County of San Diego, State of California, and particularly described as follows, to-wit:

All of Block fourteen (14), and lots one (1) to sixteen (16) inclusive, of Block Twenty-eight (28), all in Selloer's Addition in the said City of San Diego, according to the official map of said Selloer's Addition on file in the office of the Recorder of San Diego County, California.

Section 2. That such sale shall take place in front of the main entrance of the City Hall of said City, situated on the south-west corner of Fifth and "G" streets, at a time to be specified in the notice of such sale, which date shall be fixed by the City Clerk in said notice, and shall not be more than forty (40) days after this ordinance goes into effect; that notice of said sale shall be signed and given by the said City Clerk, and shall give the time and place of such sale, fixing the hour and date at which such sale shall take place, which hour shall be between 9 o'clock A.M. and 3 o'clock P.M. of the day upon which such sale is had; that said notice shall also contain the terms and conditions of such sale, as herein provided, and recite that the Common Council reserves the right to reject any and all bids; that said lots shall be offered for sale separately and collectively; that said property shall be sold at such sale to the highest bidder for cash, subject to the approval of the said Common Council by ordinance, as hereinafter provided.

Section 3. That the said City Clerk, after making such sale, shall immediately report the same to the said Common Council, giving the name of the purchaser or purchasers, the amount of the highest and best bid offered, both separately and collectively, and such other facts as may be necessary to fully inform the said Common Council of the proceedings had attending such sale. And said Common Council shall thereupon, by ordinance, accept or reject any or all of said bids made, and approve and confirm any sale, or all of the sales, or disapprove or reject any one of the sales, or all of the sales, made at such time.

Section 4. That if any sale be approved by the ^{said} Common Council, as herein provided, and the consideration therefor be paid to the said City of San Diego, a deed shall be executed by the said City of San Diego, as hereinafter provided, to said property so sold.

That the purchaser of said property at such sale shall pay to the said City of San Diego twenty per cent of the amount of his bid at the time such sale is made, taking the receipt of the said City Clerk therefor, which amount so paid shall be returned to the said purchaser in case said sale is not approved by the said Common Council within thirty (30) days after receiving the report of the same; and if such sale be approved by the said Common Council, the said twenty per cent shall be paid by the said City Clerk to the City Treasurer of said City.

Section 5. That if such sale, or any sale of said property, be approved by the said Common Council, the purchaser of said real estate shall be entitled to a deed from the City of San Diego for and to said real estate so sold, upon ~~presenting~~ presenting to the Mayor of said City a receipt from the Treasurer of said City showing that the balance of the purchase price of the said real estate, not already paid to the City Clerk, has been paid to the said City Treasurer, and the Mayor of said City shall thereafter, in the name of, for and on behalf and as the act and deed of said City, execute, acknowledge and deliver a deed of conveyance to the said purchaser of said real property, the execution of which deed shall be attested by the said City Clerk of said City by affixing thereto his signature and the official seal of said City.

Section 6. That the proceeds of such sale, or any sale made at said time and place, of said property, or of any portion thereof, shall be, if said sale is approved, by the said Common Council as aforesaid, placed and deposited in the treasury of said City to the credit of the Delinquent Tax Fund, thereof.

Section 7. That all ordinances or parts of ordinances in conflict herewith be, and the same are hereby, repealed.

Section 8. That this ordinance shall take effect and be in force from and after thirty days after its final passage and approval.

An ordinance directing the Board of Public Works of the City of San Diego, California, to accept the bid of, and enter into a contract with San Diego Consolidated Gas and Electric Company for lighting the streets, avenues, and Parks of the said City of San Diego.

BE WHEREAS, The Board of Public Works of the City of San Diego, California, in pursuance of the provisions of Ordinance No. 1946, entitled, "An ordinance directing the Board of Public Works of the City of San Diego, California, to advertise for bids for lighting the streets, avenues, and parks of said City with electric lights, for a period of not less than one year and not more than five years from and after the first day of June, 1905," and which was approved February 24th, 1905, did duly advertise for bids for the lighting of the streets, avenues, and parks of the said City of San Diego, as in said ordinance directed and provided; and,

WHEREAS, The said above named San Diego Consolidated Gas and Electric Company has answered said proposals with bids as therein required; and

WHEREAS, no other bids have been made, and the bid of the San Diego Consolidated Gas and Electric Company to supply the City as therein stated for a period of five years, seems reasonable and just, now, therefore,

BE IT ORDAINED, By the Common Council of the City of San Diego, as follows:

Section 1. That the said Board of Public Works be and it is hereby authorized and directed to accept the said bid of the said San Diego Consolidated Gas and Electric Company for the lighting of the streets, avenues, and parks of the said City for the period of five years from and after the first day of June, 1905, for seven dollars per lamp per month, in the manner and form as specified in said proposal, and to supply at the same rate such additional lamps as may be required by the Common Council of said City at a distance not more than three miles from the lines of said Company, as at present constructed. Said rates to be payable monthly. And the said Board of Public Works is hereby authorized and directed to enter into a contract in the usual form with the said San Diego Consolidated Gas and Electric Company for the performance and fulfillment of its said bid, and to that end said Board of Public Works is hereby required to exact from said San Diego Consolidated Gas and Electric Company, and the said San Diego Consolidated Gas and Electric Company is hereby required to give a bond to the said City in the sum of at least five thousand dollars, with two or more sureties, to be approved by the Auditing Committee of the said City, for the faithful performance of the contract, and also for the protection of the said City against all damage, costs or expenses on account of damage to any person or property, or for the use or infringement of any patents, or upon any account whatever.

AND IT IS FURTHER ORDAINED, that there shall be inserted in said contract the following provisos:

First--Although the lights may be run on what is known as "moon schedule", nevertheless, if it shall be so cloudy as to substantially obscure the moon-light and make the streets substantially darker, than they would otherwise be, then the lights shall be used as if there was no moonlight.

Second--The Police Department shall report to the San Diego Consolidated Gas and Electric Company when a light is not burning, and keep a record of the date of giving such

notice. The said Company shall, within three hours after the receipt of such notice at its office, make the necessary repair to such light, and have the same properly burning, and upon failure to do so, a proportionate rebate in price shall be made for each lighting hour until such light is burning. And upon such light being put in order so as to burn properly, the said Company shall ^{at once} notify the Police Department of such fact, and said department and the said Company shall keep records of all such notices in order that the same may be properly checked.

The rebate above mentioned shall be at the same rate that the said City pays for the lighting of the lamp.

Third--The said City shall have the right at all times to make such measurements of electricity as it may deem proper for the purpose of seeing that the said Company is complying with the specifications contained in the contract.

Section 2. That it be and is hereby determined that this ordinance is one of urgency and for the immediate preservation of the public peace, health, and safety, and that it shall take effect immediately after its passage and approval.

Passed and adopted by the Common Council of the City of San Diego, California, this 29th day of May, 1905, by the following vote, to-wit:

Ordinance No. 2061.

An ordinance providing specifications for the grading of streets in the city of San Diego, California.

Be it ordained, by the common council of the city of San Diego, as follows:

Section 1. That all street grading in the city of San Diego, California, shall hereafter be performed in accordance with the following specifications.

1. The work of grading is to be done in accordance with the profiles approved by the common council on file in the office of the city engineer of said city and all work shall conform, during the progress of the work and on its completion, to the lines and levels which may from time to time be given by the said city engineer in accordance therewith.

2. The city engineer shall set stakes indicating the exact depth of cutting or filling required to bring the street to its official grade.

3. Grading shall include the removal of all earth, stone, loose rock, clay, shale, cement, hardpan, boulders, solid rock, and all other materials that may be encountered in preparing the street, and shall also include all filling, trimming, shaping, picking down, refilling, surfacing, or other work that may be necessary to grade the roadway, gutters, and sidewalks to the official grade and in accordance with the said profiles.

4. In places where filling is necessary to bring the street to the official grade it shall be done with good sound material. The embankments shall be carried up of full width in layers not to exceed one foot in thickness, and the teams shall be made to travel as evenly as possible over the whole surface of each layer, both going and coming.

The formation of well defined ruts is specially prohibited. No material of a spongy nature shall be used for filling. The slopes of embankment shall be one and one-half (1½) horizontal to one vertical, and shall be trimmed as they are carried up. The space over which fills are to be made shall first be cleared of all brush, rubbish, and perishable material.

5. Upon all embankments there shall

be placed a top dressing of earth of uniform quality to form a compact surface.

6. Whenever a cut exceeds one (1) foot in depth, all trees standing on the margin of the street shall be removed.

7. Before the resolution of intention is passed by the common council, the city engineer shall make a careful estimate of the number of cubic yards of excavation and the number of cubic yards of embankment necessary to bring the street, or portion of the street, proposed to be graded, to its official grade and cross-section.

8. In case said estimate demonstrates that the number of cubic yards of embankment is an excess of the number of cubic yards of excavation, the resolution of intention shall provide how such deficiency shall be supplied; in case said estimate demonstrates that the number of cubic yards of excavation is an excess of the number of cubic yards of embankment, then the resolution of intention shall determine what disposition shall be made of such excess earth.

9. The estimate of the city engineer, made as above specified, shall be kept on file in his office, and shall, during office hours, be accessible for inspection by any person who may desire to inspect the same.

10. The resolution of intention shall designate the location and size of all bridges and culverts to be constructed on the street to be graded.

11. All bridges and culverts shall be built of the materials and as specified in the resolution of intention and according to the plans, specifications, and drawings therefor on file in the office of the city engineer.

12. All bids must state the price per cubic yard for excavation, the price per cubic yard for embankment and the price for each bridge and for each culvert.

13. Incidental expenses shall include the cost of the publication of notices, resolutions, orders, and other incidental expenses and matters required under the proceedings taken for the grading of the street, including the compensation of the city engineer, all work of civil engineering done by him on the street, and such other notices as may be deemed requisite by the said common council.

14. The street superintendent shall supervise all work and shall not approve or accept the same unless the work has been performed to the form of cross-section and to the elevation required by the official grade.

15. The contractor shall, when required to do so by the said superintendent of streets, remove from the work any overseer, superintendent, laborer, or other person employed on the work, who shall refuse or neglect to obey the said superintendent of streets in any way relating to the work, or who shall perform his work in a manner contrary to these specifications, or who shall be found to be incompetent or unfaithful.

16. Bidders must examine and judge for themselves as to the location of the proposed work, the nature of the excavation to be made, and the work to be done.

17. The contractor shall give twenty-four (24) hours' notice in writing when he shall require the services of the city engineer for laying out any portion of the work. He shall preserve all stakes set for lines, levels, or measurements for the work by the city engineer in their proper places. Any expense in replacing said stakes, which the contractor or his agents or employees shall have failed to preserve, shall be borne by the contractor. The contractor shall dig all stake holes necessary to give lines and levels.

18. All curbs and cross-walks which must be removed, shall be removed in a careful manner, and must be conveniently, and neatly piled upon the side of the nearest intersecting street.

19. All loss or damage arising from the nature of the work to be done under these specifications, during the progress of the work and before the acceptance thereof, or from any act or omission on the part of the contractor, or any agent or person employed by him, occurring in the course of the work not authorized by these specifications, shall be sustained and borne by the contractor. The contractor shall keep good and sufficient guards around said improvements, by fence or otherwise, to prevent accident, and shall hang thereon lights to burn from dusk to daylight, and the contractor shall hold to city harmless from any and all suits for damages arising from or out of and during the performance of said work, or any portion thereof, and before the same has been accepted.

20. All railroad tracks, gas, or water pipes, electrical conduits, tubing or underground structures of any character belonging to the city or others, shall be properly protected, and the contractor shall be responsible for any damage that may be caused by negligence or carelessness on the part of his employees.

21. In case it should be necessary to remove any railroad tracks, gas pipes or water pipes, electrical conduits, tubing or underground structures of any character, or any portion thereof, the owner will be kept the most valuable section of the late Francis Dymally. In having been provided through the be-

22. The right is reserved to street railroad companies, gas companies, or the city, to enter upon the street for the purpose of making repairs or changes that have become necessary by the improvement of the street.

23. The contractor shall remove all surplus material and rubbish from the work after its completion, and before he makes application for the acceptance of the work.

24. The contractor shall notify the superintendent of streets when he desires a final inspection of the work, when the latter will make the necessary examination, and if the work is found to be completed in accordance with these specifications, he shall accept the same.

25. All work provided for herein must in all cases be done under the direction and to the satisfaction of the said superintendent of streets, who shall have full power to condemn any work or material not in accordance with these specifications, and to require the contractor to immediately remove any work or material so condemned, and the contractor shall, at his own expense, replace said work or materials to the satisfaction of the said superintendent of streets. The decision of the said superintendent of streets shall be final as to the quality of the work and materials used, unless the common council shall determine otherwise upon an appeal.

26. Whenever the word "Contractor" is used in these specifications it refers to the party or parties to whom the contract has been awarded for the construction of the work.

27. Whenever the word "City Engineer" or "Street Superintendent" are used in these specifications, they refer, respectively, to the city engineer and the street superintendent of the city of San Diego, State of California.

Section 2. That all ordinances or parts of ordinances in conflict herewith be and the same are hereby repealed, provided that the adoption of this ordinance shall not affect or apply to any work heretofore ordered or now being done or authorized to be done under the provisions of ordinance number 1141 of the ordinances of the said city entitled "An ordinance providing specifications for the grading of streets in the city of San Diego, California," approved on the fifth day of June, 1902.

Section 3. That this ordinance shall take effect and be in force from and after thirty days after its final passage and approval.

Section 4. That the city clerk of the said city of San Diego, be and he is hereby authorized and directed, immediately after the approval of this ordinance, to publish, or cause the same to be published once in the city official newspaper of said city, to-wit, "The San Diego Union and Daily Bee."

Passed and adopted by the common council of the city of San Diego, California this 29th day of May, 1905, by the following vote, to-wit:

Ayes—Councilmen, Thorpe, Blochman, Kelly, McNeill, Creelman, Reynolds, and Goldkamp.

Noes—None.

Also the following described lands and premises: Beginning at a stake fifty links north of the northeast corner of lot "N" known as the McGee tract in the subdivision of the Rancho El Cajon, running thence north on the line between lots "O" and "T" to a post, a distance of fifty-nine chains; thence west thirty-three chains and ninety links to a post; thence south fifty-nine chains to a post; thence east thirty-three chains and ninety links to the place of beginning, containing two hundred and three and a fraction acres of land, more or less. Said land being a portion of subdivision "T" of the Rancho El Cajon, according to the decree of partition and map of said rancho on file in the office of the county clerk of San Diego county aforesaid, and being parts of sections twenty-one and twenty-eight in township fifteen south, range one west, San Bernardino Meridian, together with all appurtenances thereunto belonging; but not including gasoline engine, pump, nor moveable galvanized iron pipe, nor farming implements, at and for the estimated price of nine thousand nine hundred dollars (\$9,900.00).

Also the exclusive right and privilege to forever enter upon, possess, and occupy the land hereinafter described, for the following purposes, viz.: To sink, dig, construct, or maintain any number of wells that the said city may desire to sink, dig, or construct on said land; also to construct and maintain tunnels for the purpose of developing water thereon or thereunder, and in all ways and in any manner said city may desire or may deem proper to develop water on said lands and to pump, draw, or take water from said land; also to erect, construct, maintain, and operate on said land any pumping plants and pumping and other machinery for the purpose of developing, pumping and drawing or taking water from said land, either from above, on or below the surface of said land; also to construct and maintain any number of reservoirs, dams and receptacles for the storage of water the said city may desire to construct and maintain upon said land, not to exceed altogether in capacity, one million gallons, and to store and impound water therein; also to take and conduct away from said land, any water on or under said land, or that may be developed, pumped, or otherwise drawn or taken from said land to and into the corporate limits of said city of San Diego, for the use of said city and the inhabitants thereof, and for all other uses within said municipality; and to such persons or parties as shall prove to have rights to water flowing in the San Diego river valley, which may be impaired by, reason of the water being pumped from the lands herein described. Also to construct and maintain any flumes, pipe lines, aqueducts, or conduits on, over, or under said land for carrying or conducting water on, over, or from said land; also the right to erect and maintain on said land, where said city shall desire or deem proper, any buildings, or other improvements for the protection of any machinery or tools belonging to said city, and to erect any houses on said land for the use, protection, and shelter of any persons actually employed by said city in connection with the system of water works of said city, and such as cannot be conveniently placed on other lands of said city, which land is described as follows, to-wit:

Being that portion of the "Panita rancho", located in the westerly end of the said Rancho El Cajon in said county of San Diego, state of California, described as lot numbered one, that portion of lot numbered two lying east of a line running north and south three hundred feet east from the east line of the rancho house on said lot two, and running parallel with the east line of said lot two; also lots numbered five and six of said "Panita rancho", also commencing at a point on the west line of the Poway road, nine hundred feet north of the center line of the San Diego river; thence running in a straight line in a southwesterly direction to a point on the east line of the Chase ranch, nine hundred feet north of the center line of the San Diego river; thence running south along the east line of the Chase ranch to the center line of the San Diego river; thence following the meanderings of the center line of the San Diego river in an easterly direction to the west line of the Poway road; thence running north along the west line of the Poway road to the place of beginning; at and for the estimated price of ten thousand dollars (\$10,000.00).

Also all that portion of the "Panita rancho" located in the westerly end of said Rancho El Cajon in said county of San Diego, described as lot six of block one in said rancho, and containing seventy-one and one-half (71.5) acres, more or less, according to the map of part of "Panita rancho" on file in the recorder's office of the said county of San Diego; and including with the lands and rights above described, the right to enter upon any of said lands, and to establish and maintain pumping plants thereon, and to take water therefrom through wells, excavations and pumps, or otherwise, for the use of said city, to such extent as may be desired by the city, and the inhabitants thereof, for the price of three thousand four hundred dollars (\$3,400.00).

All of said lands, rights, easements, privileges, tenements, hereditaments, and appurtenances are estimated at seventy-one thousand four hundred dollars (\$71,400.00) and the cost thereof is declared in said resolution to be too great to be paid out of the ordinary annual income and revenue of the municipality; and

Whereas, it was further resolved by the said common council in the said resolution, that the public interest and convenience of the said city of San Diego, and of the inhabitants thereof, demands the construction, building, acquisition, and maintenance of dams, reservoirs, conduits and aqueducts, for the purpose of extending, increasing and enlarging the system of water works of the said city, and for the purpose of supplying the said city and its inhabitants with water for domestic, irrigation and other purposes, which are enumerated as follows:

The construction of a conduit and aqueduct for the conducting of water from the lands above described in the first paragraph of said resolution, and which are situated in El Cajon valley, to the University Heights reservoir, in the city of San Diego, California, for the construction of a system of water works, reservoirs, dams, water lines, pumping stations and headworks, and the acquisition of pumping machinery and material, all as set forth in that certain report of C. B. Alverson, civil and hydraulic engineer, and filed in the office of the city clerk of said city on the 16th day of January, 1905, with a supplemental report of the said C. B. Alverson relative to the same matter, and filed with the city clerk of said city on the 24th day of April, 1905, together with a supplemental report and estimate of the said C. B. Alverson relative to the same matter, and filed with the said city clerk on the 29th day of May, 1905, and the amended estimated cost of which, by the said engineer, is two hundred and fifty-two thousand dollars (\$252,000.00), and that the cost of the acquisition, construction, and completion of the said system of water works and the improvements, is too great to be paid out of the ordinary annual income and revenue of the municipality; and

Whereas, it was in said resolution further determined and declared that the public interest and convenience of the said city, and of the inhabitants thereof, demands the replacing of the Thirtieth street water main from El Cajon avenue to National avenue, all in said city, with new pipe, as set forth and described in the communication from the city engineer of said city, and filed in the office of the city clerk of said city on the 16th day of January, 1905, being document No. 5222, and as set forth in a communication from the said city engineer filed in the office of the said city clerk on the 31st day of May, 1905, in which the estimated cost of the construction and laying of said pipe and the purchase of material connected therewith, is estimated at fifty-four thousand dollars, and that the cost thereof is too great to be paid out of the ordinary annual income and revenue of the municipality.

And, whereas, it was also in said resolution determined and declared that the public interest and convenience of the said city, and of the inhabitants thereof, demands the construction of a reinforced concrete conduit, commencing at a point on the south line of the city park, about midway between Tenth and Eleventh streets, thence in a southwesterly course to Tenth street, thence down Tenth street to "B" street, and thence down "B" street to the west line of Atlantic street, all in said city, according to the plans and specifications of George A. d'Hemecourt, city engineer, filed in the office of the city clerk of said city on the 31st day of May, 1905, and which is estimated to cost seventy-five thousand dollars; and that the cost of the acquisition, construction, and completion of said improvement is too great to be paid out of the ordinary annual income and revenue of the municipality; and

Whereas, it was also in said resolution further determined and declared that the public interest and convenience of the said city, and of the inhabitants thereof, demands the acquisition, construction, and completion of the following municipal improvement, viz.: The construction of certain lines of sewer in that part of the city known as La Jolla park, and which consists of:

A line of sewer beginning at or near the west or northwest intersection of Beach row and Cave streets, and extending thence in a northwesterly direction along the beach through said Cave street into Grand avenue and across La Jolla park in a westerly direction, and thence in a southwesterly direction along the boulevard to a point between Cathedral rock and Seal rock, and thence into the ocean. Also a spur beginning on Grand avenue at about the north line of the boulevard, thence running in a northeasterly direction and an easterly direction a distance of about three hundred feet into the sewer first above mentioned.

Also a sewer commencing at about the middle of the intersection of Exchange place and Beach row, running thence northerly through Exchange place into Prospect street at its intersection with Cave street; thence running northwesterly and westerly and southwesterly and southerly through Prospect street to its intersection with Ravina street, near the south line thereof, and thence westerly to the outfall in the Pacific ocean.

Also a line of sewer beginning on Coast street, near the west line of Cuvier street, and extending southwesterly and southerly along the said Coast street to intersect the sewer last above described, near its outfall in the Pacific ocean.

All according to the plans and specifications of the city engineer of said city filed in the office of the city clerk of said city on the 31st day of May, 1905, and the cost of which is estimated by the city engineer and by this council at twenty-one thousand dollars; and that the cost of the acquisition, construction and completion of said improvement is too great to be paid out of the ordinary annual income and revenue of the municipality; and

Whereas, the whole indebtedness proposed to be incurred amounts to four hundred and seventy-three thousand four hundred dollars, which shall draw interest at the rate of four and one-half per cent. per annum; and

Whereas, said resolution was on the 3rd day of June, 1905, approved by the executive of the said municipality, viz., the mayor thereof, now, therefore,

Be it ordained, by the common council of the city of San Diego, as follows:

Section 1. There is hereby called and proclaimed a special election of the qualified voters of the said city of San Diego, at which election there shall be and is hereby submitted to the said voters the following propositions:

First—Shall the said city incur a bonded indebtedness of seventy-one thousand four hundred dollars (\$71,400.00) for the purpose of acquiring and paying for the lands, water rights, privileges, easements, and appurtenances, described in the first paragraph of the preamble to this ordinance?

All of which are, in the said resolution, and the recitation thereof herein, more fully and at large set forth and described, and which are also set forth in the proposition which shall be stated in the ballot hereinafter provided for, as the "El Cajon water lands".

Second—Shall the said city incur a bonded indebtedness of two hundred and fifty-two thousand dollars (\$252,000.00) other and different from the indebtedness mentioned in the first proposition herein, for the purpose of acquiring, building, setting up, and paying for pumps, pumping plants, reservoirs, aqueducts and conduits for the purpose of conducting water from the said "El Cajon water lands" to the University Heights reservoir in the said city of San Diego?

All as set forth in the second paragraph of the preamble of this ordinance, and which proposition is hereinafter referred to in the ballot hereinafter described as the "acquisition, establishment, and construction of the El Cajon water system and pipe line".

Third—Shall the said city incur a bonded indebtedness of fifty-four thousand dollars (\$54,000.00), other and different from the indebtedness mentioned in the first and second propositions above stated, for the purpose of replacing the Thirtieth street water main from El Cajon avenue to National avenue, all in said city, with new pipe?

All as set forth and described in the communication from the city engineer of said city and filed in the office of the city clerk of said city on the 16th day of January, 1905, being document No. 5222, and also as set forth in the communication from the said city engineer filed in the office of the said city clerk on the 31st day of May, 1905, and which proposition is stated in the ballot hereinafter described as the "Replacing of the Thirtieth street water main".

Fourth—Shall the said city incur a bonded indebtedness of seventy-five thousand dollars (\$75,000.00), other and different from any other indebtedness mentioned in this ordinance, for the purpose of constructing and completing a reinforced concrete conduit, commencing at a point on the south line of the city park about midway between Tenth and Eleventh streets, thence in a southwesterly course to Tenth street, thence down Tenth street to "B" street, thence down "B" street to the west line of Atlantic street, all in said city, according to the plans and specifications of Geo. A. d'Hemecourt, city engineer of said city, filed in the office of the city clerk of said city on the 31st day of May, 1905?

Said proposition shall be designed in the ballot hereinafter referred to and described as the "B-street reinforced concrete conduit".

Fifth—Shall the said city incur a bonded indebtedness of twenty-one thousand dollars (\$21,000.00) for the purpose of acquiring, constructing and completing a system of sewers in that part of said city known as La Jolla park, as described in the said resolution and the preamble to this ordinance?

Said proposition is referred to and designated in the ballot hereinafter described and set out as "A sewer system in La Jolla park".

Section 2. The total amount of indebtedness herein to be incurred is four hundred and seventy-three thousand four hundred dollars (\$473,400.00) in United States gold coin, and the rate of interest to be paid on the indebtedness, or so much as may be incurred, shall be four and one-half per cent. per annum in like gold coin, payable semi-annually.

Section 3. Said election shall be held in the city of San Diego, California, on the 22nd day of July, 1905, and said election shall be conducted in the manner provided in the charter of said city and the laws of the state of California. The polls for said election shall be opened at six o'clock in the morning of said day of election, and closed at five o'clock in the afternoon of the same day.

The ballot to be used at said election shall be printed in the following form, to-wit:

O R D I N A N C E N o. 20063.

An ordinance accepting the bid of and awarding a railway franchise to the San Diego, Old Town and Pacific Beach railroad Company to construct, maintain and operate a railroad in the City of San Diego, California.

WHEREAS, The Common Council of the City of San Diego, California, on the 5th day of May 1905, duly adopted Concurrent Resolution numbered Fifty-three, which resolution was approved by the Mayor of said City on the 8th day of May, 1905, and provided for the giving and publication of the notice of the sale of a railway franchise; and

WHEREAS, said notice of sale of said railway franchise has been given and published in all respects as in said Concurrent Resolution numbered Fifty-three and by law required; and

WHEREAS, Pursuant to said notice, bids have been received by the said Common Council at its chambers situated on the topmost floor of that certain building known as the "City Hall", located on the southwest corner of Fifth and "G" streets in said City, on the 5th day of June, 1905, at the hour of eight o'clock P.M. thereof; and the time and place required by law

WHEREAS, said Common Council, at said time and place, and at the time and place required by law, proceeded to open, examine, and publicly declare said bids; and

WHEREAS, the said San Diego, Old Town and Pacific Beach Railroad Company was the highest bidder for said franchise, and the bid of the said San Diego, Old Town and Pacific Beach Railroad Company for the sum of Seventy-five Dollars was the highest and best bid received therefor, and conformed in all respects to the conditions and provisions specified and set forth in said notice of sale, and contained in said Concurrent Resolution numbered fifty-three; and

WHEREAS, it is the wish of said Common Council to accept said bid and sell said franchise to the said San Diego, Old Town and Pacific Beach Railroad Company;

NOW, THEREFORE, BE IT ORDAINED, by the Common Council of the City of San Diego, as follows:

Section 1. That the bid of the San Diego, Old Town and Pacific Beach Railroad Company for said franchise be, and the same is, hereby accepted; that the said franchise be, and it is, hereby sold to the said San Diego, Old Town and Pacific Beach Railroad Company; and the said Common Council hereby rejects all bids received or made for said franchise except the said bid of the said San Diego, Old Town and Pacific Beach Railroad Company therefor. That said franchise so sold is set forth and described in Concurrent Resolution numbered Fifty-two, duly adopted by said Common Council on the 24th day of April, 1905, and approved by the Mayor of said City on the 26th day of April, 1905, being Document numbered 9646, on file in the office of the City Clerk of said City, to which reference is hereby made for further particulars, provided that this ordinance shall not be considered as a final grant of said franchise

Section 2. That this ordinance shall take effect and be in force from and after thirty days after its final passage and approval.

Section 3. That the City Clerk of the said City of San Diego be, and he is, hereby authorized and directed, immediately after this ordinance takes effect, to publish, or cause the same to be published, once in the City official newspaper of said City, to-wit, "The San

Diego Union and Daily Bee."

Passed and adopted by the Common Council of the City of San Diego, California, this 5th day of June, 1905, by the following vote, to-wit:

AYES---COUNCILMEN:-Thorpe, Blochman, Kelly, McNeill, Creelman, Reynolds, Johnson, and Goldkamp;

NOES---NONE;

ABSENT-COUNCILMAN:-Osborn;

and signed in open session thereof by the President of said Common Council, this 5th day of June, 1905.

E.C. THORPE,

President pro tempore of the Common Council of the City of
San Diego, California.

An ordinance granting a railroad franchise to the San Diego, Old Town and Pacific Beach Railroad Company in the City of San Diego, California.

BE IT ORDAINED, By the Common Council of the City of San Diego, as follows:

Section 1. That the San Diego, Old Town and Pacific Beach Railroad Company be, and it is hereby granted a franchise to construct, operate, and maintain, until the 23rd day of June, 1918, a single track, steam or electric railroad upon certain property and streets in the City of San Diego, California, described as follows:

Commencing at a point on the center line of Arctic street in the City of San Diego, California, twenty-two feet south of the south line of Willow street; thence running in a northwesterly direction on a four degree curve to the left, tangent to the center line of Arctic street, three hundred and fifty-seven and three tenths feet; thence in a northwesterly direction on a line tangent to the curved line above described one thousand and thirty-six and nine tenths feet to a point on Moore street seven feet easterly and fourteen feet southerly from the southeasterly corner of Block numbered one hundred and eighty-one of Middletown, thence running in a northwesterly direction on a three degree curve to the left, tangent to the last described line, three hundred and forty-seven and two tenths feet to a point on the center line of Moore street forty-eight feet southeasterly from the northwesterly line of Clayton street; thence running in a northwesterly direction following the center line of Moore street one hundred and forty-nine feet to a point on the center line of Moore street in line with the division line between lots numbered eight and nine in block one hundred and eighty-six of Middletown, according to the map thereof made by Jackson upon the following conditions and limitations, viz:

I

That the grantee or its assigns shall plank, pave, or macadamize, as the Common Council of said City may direct, the entire portion of the streets used by said railway tracks, between the rails, and for two feet on each side thereof, and keep the same constantly in repair, flush with the streets and with good crossings, and shall also provide all necessary flumes and culverts for the free and uninterrupted passage of water under said track. The track shall be four feet eight and one-half inches between the rails.

II.

The laying of said track and all side-tracks, switches, or turnouts, shall in all cases conform to the grade of all said streets where the same have been graded and in all other cases as near to the natural grade as practicable; and when at any time any part of said route shall be graded, or the grade thereof altered or changed, by the said Common Council, the bed of the road and the tracks thereon shall be made to conform therewith by the grantee, or its assigns.

III.

No switch shall be constructed or maintained within fifty feet of any cross street, and the location of such switches and all turnouts shall be changed at the expense of the grantee, or its assigns, whenever so ordered by the said Common Council.

Said road shall be constructed under the direction and supervision of the City Engineer of said City, who shall, under the direction of the Common Council of said City,

designate the rate of curves to be used, where it is necessary to change the direction of sidings and switches, and shall furnish to said grantee or its assigns, the grades upon all of said streets where grades have been established, and set stakes upon said streets indicating the said grade. He shall also see that the said road is constructed and maintained in conformity to the terms and requirements of the franchise, and for his services herein required he shall receive such fees as are provided therefor, and the same shall be paid by the grantee, or its assigns.

IV.

That the grantee of this franchise, his or its successors or assigns, will be allowed ten months from the time of granting said franchise in which to commence the work of constructing said railway and the same shall be prosecuted diligently and must be completed within four months after the same is begun. And on failure of the grantee, his or its successors or assigns, to comply with this provision, the Common Council may, without notice, annul this franchise.

V.

The said City of San Diego reserves the right to designate stations which shall be established along the said railroad track, at which the trains on the said road shall stop for the accommodation of passengers. The said City also reserves the right to regulate the number of trains that may be run on said road and fix the time for the departure of the same from the southern terminus thereof.

VI.

Said City also reserves the right to grade, regrade, sewer, pave, macadamize, alter, improve, or repair, all or either of said streets, or any part thereof, or to lay down, or permit any other person or company to lay down, pipes for water, gas, or for other purposes such work to be done so as to obstruct or injure said road as little as possible. The owners of said road shall shift and reshift their rails and ties so as to avoid the obstructions made thereby.

VII.

It is further provided that a failure to comply with any of the conditions of this franchise, shall work a forfeiture of the rights and privileges granted hereby, and that the right to repeal, amend, or modify this ordinance granting this franchise, is hereby reserved to the said Common Council.

VIII.

The grantee of this franchise shall have the right to charge as fare over the line of said road five cents from the southern terminus thereof to the northern line of Middletown; PROVIDED, however, that if the said grantee, its successors or assigns, shall operate a road in a southerly direction toward "D" street, and in a northerly direction toward La Jolla Park, in said City, said grantee, its successors or assigns, may charge as fare over the entire line of said road five cents from the southern terminus to the northern line of Middletown and ten cents for one fare from the said southern terminus to Old Town, and such fare as may be reasonable for a greater distance; provided, that said grantee, its successors or assigns, shall sell round trip tickets, in sums not less than one dollar, at half the usual fare charged, to all school children, which said half fare tickets shall entitle such children to be carried on said road in going to and returning from school in the City of San Diego.

IX.

It is hereby further provided that as the San Diego, Old Town and Pacific Beach Railroad Company is now operating a line near to the route of the franchise herein granted, which will not be required after the completion of the road on the proposed new route, that said grantee shall abandon said old parallel road and put such portions of the public streets occupied thereby in as good condition as the said streets were before the laying of said track.

Section 2. That this ordinance shall take effect and be in force from and after thirty days after its final passage and approval.

Section 3. That the City Clerk of the said City of San Diego be, and he is, hereby authorized and directed, immediately after this ordinance takes effect, to publish, or cause the same to be published, once in the City official newspaper of said City, to-wit, the San Diego Union and Daily Bee.

Ordinance No 2112

An ordinance declaring the result of the special election held in the city of San Diego, California, on the twenty-second day of July, 1905.

Be it ordained by the common council of the city of San Diego as follows:

Section 1. That at the special election, held in the city of San Diego, California, on the twenty-second day of July, 1905, pursuant to ordinance No. 2062 of the ordinances of the said city of San Diego, passed and adopted by the common council of said city on the fifth day of June, 1905, and approved by the mayor of said city on the sixth day of June, 1905, calling such special election held in said city on the twenty-second day of July, 1905, the propositions hereinafter set forth were submitted to the qualified electors of said city for their acceptance or rejection and were in said ordinance No. 2062 stated as follows:

First—"Shall the said city incur a bonded indebtedness of seventy-one thousand four hundred dollars (\$71,400.00) for the purpose of acquiring and paying for the lands, water rights, privileges, easements, and appurtenances described in the first paragraph of the preamble to this ordinance? All of which are in said resolution and the recitation thereof here in more fully and at large set forth and described, and which are aluded to in the proposition which shall be stated in the ballot hereinafter provided for, as the "El Cajon water lands."

Second—"Shall the said city incur a bonded indebtedness of two hundred and fifty-two thousand dollars (\$252,000.00) other and different from the indebtedness mentioned in the first proposition herein, for the purpose of acquiring, building, setting up, and paying for pumps, pumping plants, reservoirs, aqueducts, and conduits for the purpose of conducting water from the said "El Cajon water lands" to the University Heights reservoir in the said city of San Diego? All as set forth in the second paragraph of the preamble of this ordinance, and which proposition is hereinafter referred to in the ballot hereinafter described as the "acquisition, establishment, and construction of the El Cajon water system and pipe line."

Third—"Shall the said city incur a bonded indebtedness of fifty-four thousand dollars (\$54,000.00), other and different from the indebtedness mentioned in the first and second propositions above stated, for the purpose of replacing the Thirtieth street water main from El Cajon avenue to National avenue, all in said city, with new pipe?"

All as set forth and described in the communication from the city engineer of said city, and filed in the office of the city clerk of said city on the 16th day of January, 1905, being document No. 8522; and also as set forth in the communication from the said city engineer filed in the office of the said city clerk on the 31st day of May, 1905, and which proposition is stated in the ballot hereinafter described as the "replacing of the Thirtieth street water main."

Fourth—"Shall the said city incur a bonded indebtedness of seventy-five thousand dollars (\$75,000.00), other and different from any other indebtedness mentioned in this ordinance, for the purpose of constructing and completing a reinforced concrete conduit, commencing at a point on the south line of the city park about midway between Tenth and Eleventh streets, thence in a southwest-erly course to Tenth street, thence down Tenth street to "B" street, thence down "B" street to the west line of Atlantic street, all in said city, according to the plans and specifications of Geo. A. d'Hemecourt, city engineer of said city, filed in the office of the city clerk of said city on the 31st day of May, 1905?"

Said proposition shall be designated in the ballot hereinafter referred to and described as the "B" street reinforced concrete conduit."

Fifth—"Shall the said city incur a bonded indebtedness of twenty-one thousand dollars (\$21,000.00) for the purpose of acquiring, constructing, and completing a system of sewers in that part of said city known as La Jolla park, as described in the said resolution and the preamble to this ordinance?"

Said proposition is referred to and designated in the ballot hereinafter described and set out as "A sewer system in La Jolla park."

All of said propositions being more specifically set forth and described in resolution No. 2246, referred to in said ordinance, and in said ordinance No. 2062, and the recitals thereof.

That the whole number of votes, (being the whole number of ballots) cast in said city at said election was 2155.

Section 2. That the whole number of votes cast at said election in said city upon said first proposition was 2076, of which 1157 votes were given in favor of said proposition, and 919 votes were given against said proposition.

That the whole number of votes cast at said election in said city upon said second proposition was 2017, of which 775 votes were given in favor of said proposition and 1242 votes were given against said proposition.

That the whole number of votes cast at said election in said city upon said third proposition was 2031 votes; of which 1622 votes were given in favor of said proposition and 409 votes were given against said proposition.

That the whole number of votes cast at said election in said city upon said fourth proposition was 1892, of which 1331 votes were given in favor of said proposition and 561 votes were given against said proposition.

That the whole number of votes cast at said election in said city upon said fifth proposition was 1971, of which 1225 votes were given in favor of said proposition and 746 votes were given against said proposition.

That the said City Clerk shall sign and give notice of such sale by a publication of such notice for at least three weeks prior to the date of such sale in the City official newspaper of said City, to-wit, the San Diego Union and Daily Bee, and such notice shall state the time and place, when and where such sale will be made, and the hour thereof, which hour shall be between nine o'clock A.M. and three o'clock P.M. of the date of such sale. And said notice shall describe the property to be sold, and shall

state the manner, terms, and conditions of such sale. And said City Clerk shall attend at the time and place specified in said notice, and then and there sell said property in the manner and upon the terms and conditions stated in said notice, and therein provided.

Section 3. That said property shall be offered at public auction for sale to the highest and best bidder in lawful money of the United States, first in separate parcels or lots, and then collectively, all the lots together as a whole, and shall then and there be sold to the highest and best bidder, subject to the approval and confirmation of such sale by the Common Council of said City by ordinance, and to the right of the said Common Council to reject and disaffirm any and all such sale or sales. That any purchaser or purchasers of said property at such sale shall pay to the Clerk of said City for the use and benefit of the said City of San Diego twenty per cent. of the amount of his bid at the time such sale is made, taking the receipt of the said City Clerk therefor, and if the sale to such purchaser, making such payment, shall thereafter be approved as herein provided, he shall be credited upon the purchase price of the property so sold to him for the amount paid by him thereon to the said City Clerk at the time of the sale thereof, as hereinbefore provided; and if such sale to such purchaser, making such payment, shall be disaffirmed by said Common Council as herein provided, the amount so paid by him shall be returned to him upon demand at any time after the taking effect of the ordinance disaffirming or rejecting such sale.

Section 4. That the said City Clerk, after making such sale or sales shall immediately report the same to the said Common Council, giving the name of the purchaser or purchasers, and the amount or amounts of the highest and best bid or bids offered, both separately and collectively, and such other facts as may be necessary.

to fully inform the said Common Council of the proceedings had attending such sale. And the said Common Council shall thereupon by ordinance accept, approve, and confirm, or reject, disapprove, and annul either, any, or all of such sales.

Section 5. That if any sale be approved by the said Common Council as herein provided, the ordinance approving such sale shall provide for the execution of a good and sufficient deed from the said City of San Diego, of the property sold to the purchaser thereof, and upon the tender of such deed to such purchaser, said purchaser shall pay in full, in lawful money of the United States, to the said City Clerk the balance of the purchase price then remaining unpaid of the property mentioned in said deed, and upon the payment thereof said deed shall be delivered to such purchaser.

Section 6. That upon the taking effect of the ordinance confirming or rejecting any sale or sales made as herein provided, the said City Clerk shall pay over to the Treasurer of said City, and take his receipt therefor, any and all money received by him by reason of any proceedings, acts or things done in pursuance of this ordinance. And if such sale or sales is approved by the said Common Council, the money so deposited with the said Treasurer shall be placed to the credit of the delinquent tax fund of said City.

Section 7. That all ordinances or parts of ordinances in conflict herewith be and the same are hereby repealed.

An ordinance to provide for the expense of street improvements in the City of San Diego, California.

BE IT ORDAINED, By the Common Council of the City of San Diego, as follows:

Section 1. That upon the filing of any petition asking to change or modify the grade of any public street, lane, alley, place or court within the City of San Diego, California, or to open, widen, straighten, or close up, in whole or in part, any street, square, lane, alley, court or place within said City, the Clerk of said City shall estimate the probable cost and expenses necessary to be incurred in the proceeding prayed for in such petition, down to and including the publication of the final ordinance therein (excepting, however, such expenses and costs as will be incurred in event a petition be filed praying for damages because of the proceedings asked for in said original petition, or a commission be appointed to assess the benefits and damages by reason thereof), and, as a condition precedent to further action being taken on such original petition, there shall be deposited with the Treasurer of said City a sum of money equivalent to the amount estimated by said Clerk as the probable costs and expenses of the proceeding asked for in such original petition.

Section 2. The Treasurer shall, upon receipt of such deposit, place the same in a separate fund, designating such fund by an appropriate name to identify it with such original petition.

Section 3. In the event no petition be filed praying for damages because of the proceedings asked for in said original petition, or no commission be appointed to assess the benefits and damages by reason thereof, all the costs and expenses of such proceedings shall be paid by said Treasurer upon warrants drawn upon said fund.

Section 4. If any surplus remain in said fund after all costs and expenses of said proceedings have been paid, such surplus shall, upon a warrant being drawn upon said fund, be refunded by said Treasurer, to the person who deposited the same.

Section 5. In the event an assessment or assessments be levied upon the lands deemed to have been benefited by the work or improvement asked for in said original petition, and such assessment or assessments shall have been collected, then the money deposited in said fund shall, upon a warrant being drawn upon the said fund, be refunded by said Treasurer to the person who deposited the same.

Section 6. That the City Clerk of the said City of San Diego be and he is hereby authorized and directed, immediately after the approval of this ordinance, to publish or cause the same to be published once in the city official newspaper of said City, to-wit, the San Diego Union and Daily Bee.

ORDINANCE No. 2133.

An ordinance to secure to the inhabitants of the City of San Diego, California, pure, wholesome milk and cream, and to provide for the manner of sale thereof, and for the inspection of milks and dairies and dairy cows.

BE IT ORDAINED, By the Common Council of the City of San Diego, as follows:

Section 1. The Board of Health of the City of San Diego, California, is hereby authorized, empowered, and directed to regulate and control the traffic of milk and cream in said City of San Diego and the inspection of dairies and dairy cows producing milk and cream for sale or consumption within the said City.

Section 2. No milk or cream producer, or milk or cream vendor, shall, after this ordinance becomes operative, either himself or through his agents, servants or employees, ^{offer or expose for sale, or sell or deliver for sale,} use or consumption within the said City of San Diego, any milk or cream without first having obtained from the Board of Health of the said City of San Diego, a permit to do so, as hereinafter provided.

Section 3. To procure such a permit, the applicant shall present to said Board of Health a written application, and shall state therein the name, and business and residence address of the applicant or applicants, the source or sources from which said applicant or applicants obtain or will obtain all supplies of milk or cream, the number of cows in possession of such applicant, the average quantity of milk and cream produced, and the average quantity disposed of by said applicant, and the manner and character of such disposition, such application to be made to the said Board of Health upon printed blanks to be provided by the Board of Health for such purpose. Such application shall further state the brand or business name, if any, under which said milk or cream is to be sold, exchanged, or distributed.

Section 4. If the Board of Health, upon such application, shall determine that the statements therein made are true, and that the applicant does not propose selling or offering or exposing for sale or delivering or distributing any unwholesome milk or cream as food for any human being, it shall be the duty of the said Board of Health to issue without cost to said applicant a permit to bring into, sell, or expose or offer for sale, exchange, deliver or distribute milk and cream within the said City of San Diego, and all such written statements required as aforesaid shall be registered in a register to be provided by the said Board of Health and kept for that purpose.

Section 5. One such permit shall be required for each place of general sale or storage of milk and cream, such permits shall be issued only in the name of the owners of the supply of milk and cream, thus on storage or for sale, and shall for the purpose of this ordinance be prima facie evidence of such ownership. No such permits shall be sold or assigned or transferred. Such permits shall be subject at all times to revocation by said Board of Health in its discretion upon sufficient cause therefor shown to said Board, provided, however, that no such permit shall be revoked until after a hearing after five days' (5) notice in writing has been served on the owner of such permit, in the manner prescribed for the service of notice by Section 1011 of the Code of Civil Procedure of the State of California, which notice shall state the ground of complaint against such owner, and the time and place where the hearing shall take place, and provided further, that no

permit shall be revoked by said Board of Health for the first offense, without the unanimous vote of all the members of said Board.

At least once in each year every person or persons, firm or corporation holding such permit shall register with the said Board of Health his or their name and permit number, and shall make a written statement to the said Board of Health, containing all the information required to be given by applicants for permits, and all such written statements required as aforesaid shall be registered in a register to be provided by the said Board of Health and kept for that purpose. Such permit shall be good until the first day of May next after same is granted, unless previously suspended.

Section 6. No person or persons, firm or corporation, shall sell or expose for sale or exchange or delivery or distribute within the limits of the said City of San Diego milk or cream from any vehicle or wagon unless such wagon or vehicle shall have exposed on both sides thereof the permit number of the person or persons, firm or corporation, selling or offering or exposing for sale, or distributing, or delivering, or exchanging such milk or cream. Such permit shall be painted on said wagon or vehicle in numbers not less than three inches in height, in what is known as Arabic numerals, and shall be placed on said wagon or vehicle under the direction and according to the requirements of the said Board of Health, and in case the milk or cream is sold from cans or vessels carried by human beings, or on horseback, or on foot, then the permit number of the person or persons, firm or corporation, so selling or offering for sale, delivery, distribution or exchange such milk or cream, shall be placed in a conspicuous place on such can or vessel immediately below the opening thereof, so as to be plainly apparent on superficial inspection, or if such milk and cream is sold or exposed or offered for sale, delivery, distribution or exchange, within a store or house, or on the sidewalk of any street in this City, then such permit number shall also be constantly exposed in some conspicuous manner at the place wherever such milk and cream is sold or kept so as to be plainly apparent.

Section 7. It shall be unlawful for any person or persons, firm or corporation, by themselves, or by their agents, servants or employees in said City to render or manufacture, sell, offer for sale, exchange, deliver, distribute, or have in his or its possession, with intent to sell, expose, or offer for sale or exchange, or distribute for human consumption, any impure, adulterated, unhealthy or unwholesome milk and cream.

Section 8. The terms adulterated, impure, unhealthy, and unwholesome, as used in this ordinance, as applied to milk and cream mean:

- 1st. Milk containing less than twelve (12) per centum of milk solids.
- 2nd. Milk containing more than eighty-eight (88) per centum of water or fluids.
- 3rd. Milk containing less than 3.4 per centum of butter fat.
- 4th. Milk with a specific gravity of less than 1.029 at a temperature of 60 degrees F.
- 5th. Milk containing less than nine (9) per centum by volume of cream.
- 6th. Milk drawn from cows fifteen days before or within ten days after parturition.
- 7th. Milk drawn from cows fed on any unhealthy or unwholesome food.
- 8th. Milk drawn from cows kept in an unhealthy or unsanitary condition; or from cows affected with any form of disease, or from cows which are supplied with water which is impure or unwholesome.

- 9th. Milk from which any part of the cream has been removed.
- 10th. Milk which has been diluted with water, or with any other fluid, or to which has been added or into which has been introduced any foreign substance whatever.
- 11th. Milk drawn from cows or by milkers that are themselves in a condition of filth or uncleanness.

12th. Any milk which is shown by analysis to contain any substance of any character whatever, not natural or normal constituents of milk, or to have been deprived either wholly or in part of any constituent, naturally or normally contained in milk.

13th. For cream butter fat, to be not less than twenty (20) per centum by weights. Any milk of less specific gravity than 1.029, at a temperature of 60 F., or any milk containing more than the proportion of water, or less than the proportions of solids, butter fat or cream prescribed in the foregoing standard, and any cream containing less than twenty (20) per centum of butter fat, shall be deemed to be below the standard, and it shall be unlawful for any person to sell, exchange or deliver, or have in possession or custody for sale, exchange, or delivery any milk or cream below the standard as hereinbefore prescribed and defined.

The term cream means the fatty portions of pure milk which rise to the surface when the milk is left at rest, or which are separated by other means.

Section 9. It shall be unlawful for any person or persons, firm or corporation, to have or carry on any wagon or vehicle upon or from which milk or cream is being or is bought, carried, stored, deposited, sold, exchanged, delivered or distributed, or offered or exposed for sale or distribution for any human being, any swill, garbage, refuse, or any decaying or fermenting, putrefying, foul, unwholesome, noxious or filthy matter, or any cans or receptacles containing any material or substance with which cream or milk might be diluted, adulterated, or rendered impure, unwholesome, or unhealthy.

Section 10. All cans, vessels, and receptacles used in the handling of milk and cream, as well as all packages, refrigerators, or compartments of stores or other places where milk or cream is kept stored or hauled, shall be kept and maintained scrupulously neat and clean and shall be kept free from the presence or vicinity of any article of any kind likely to contaminate or injuriously affect the quality or sweetness of the milk or cream. All cans, vessels, and receptacles in which milk or cream is put or kept shall be sterilized with boiling water or live steam each time before they are used, and all pouring cans, dippers, or other vessels used in peddling milk or cream shall be scalded or sterilized daily, and all bottles in which milk is distributed shall be washed clean and sterilized each time they are used.

Shippers' cans must not be used for the storage of milk or cream by the consumer but must be returned to the shipper or owner clean and dry within 36 hours after the dealer shall have received the same.

Section 11. Purchasers of milk or cream in bottles supplied by the vendor must use these bottles for such milk or cream only. Should they use them for any other purpose, they shall be liable to the penalty prescribed for violation of this ordinance.

Section 12. It shall be unlawful for any dealer in milk or cream, or his agents, to serve milk or cream in bottles to any dwelling that has in it any contagious disease, of which he has knowledge or notice, or that is placarded by the Department of Health for

contagious disease, until such placard has been removed by the proper authorities.

It shall be unlawful for any person to remove from such dwelling or place any bottles or receptacles which have been, or are to be used for the purpose of receiving or storing milk or cream.

Section 12-a. It shall be unlawful for any dealer in milk or cream, or his agents, to bottle, cause to be bottled, or to be placed in jars, cans, or other receptacles, any part of his milk or cream supply while upon the delivery wagon, or at any other place than the milk house or milk depot.

Section 13. No dairyman or dealer in milk, nor the servant or agent of any dairyman or dealer in milk, shall sell, exchange, or deliver, or have in custody, or possession with intent to sell, exchange, or deliver, milk from which the cream or any part thereof has been removed, unless the same be sold as Skimmed Milk, and in a conspicuous place above the center, upon the outside of every vessel, can or package from or in which such milk is sold or held for exchange or delivery, the words "Skimmed Milk" are distinctly painted or printed in letters not less than one inch in length.

Section 14. The existence, in the City of San Diego, of adulterated milk or cream, or of milk or cream below the standard as hereinbefore defined and prescribed, is hereby declared a nuisance, and shall be abated accordingly; and any Health Officer, Milk Inspector and any other officer of the City of San Diego charged with the inspection of milk is hereby authorized to remove the same with all reasonable promptness; provided, that this section shall not apply to skimmed milk, when sold as such under the provisions of this Ordinance.

Section 15. It shall be unlawful for any person to use any bottle, can or other vessel, for the purpose of selling, delivering, or distributing milk or cream therein, unless immediately prior to such use said bottle, can or other vessel has been washed clean in warm water, with soda or soap, and thoroughly sterilized by boiling or steaming by means of an appliance or plant used exclusively for that purpose. Such appliance or plant shall be open at all times to the inspection of the Health Officer, or any inspector designated by him.

Section 16. It shall be unlawful for any person to sell, deliver, or distribute any milk or cream in bottles, unless such bottles have been securely sealed up at the dairy or milk depot with paraffine or other suitable sealing material, after having been filled with milk or cream.

Section 17. It shall be unlawful for any person sick with scarlet fever, diphtheria, small-pox or other contagious or infectious disease, or who knows himself to have been exposed to any such disease within a period of ten (10) days, to handle, transport, deliver, mix, work over or distribute milk or cream, or to serve as a milker or milkman; and it shall be unlawful for any person knowingly to use any bottle, can or other vessel in the sale, distribution or delivery of milk or cream, which has been handled by any person sick with any such contagious or infectious disease, unless such bottle, can or vessel has been thereafter cleaned and sterilized, as hereinbefore provided.

Section 18. Every dealer in milk or cream who uses a wagon, cart, or other vehicle in his business as such dealer, during each month from the first of May to the last of November of each year, inclusive, have and keep upon such vehicle a covering of canvass,

or other material, equally effective as canvass, to protect the contents thereof from the rays of the sun.

Section 19. In order to carry out the purposes and provisions of this ordinance, the said Board of Health and all its officers, agents, and employees shall have the right at any and all times to enter upon or into the premises or any producer or vender or distributor of milk authorized under the provisions of this ordinance, and any refusal upon the part of any producer, vender, or distributor to allow such entry and such inspection as may be required and directed by the said Board of Health, may be punished by the revocation of the permit of such producer, distributor or vender by the said Board of Health.

Section 20. All cow stables shall be thoroughly cleaned daily, and shall at all times be kept in a sanitary condition, and no manure shall be allowed to remain in or near the stable or other place where the milking is done or the cows are kept, and it is hereby made the duty of the Board of Health of the city to cause all cow stables and places in the City where cows are kept for dairy purposes to be inspected so often as said Board may deem expedient, and said Board may also inspect dairies and places where cows are kept for dairy purposes outside the city and from which milk is brought into the city for sale, and if any such place is not kept as herein required, or if the milk therefrom is, by reason of the filthy practices or any unsanitary condition or want of cleanliness, unfit to be brought into the City for sale, the said Board may exclude such milk from coming into the City and may notify any dealer or other person who shall receive the same not to receive milk from such places, and upon such notice no dealer shall accept or receive milk or cream from any such dairy.

Section 21. The said Board and all its officers, agents, and employees shall have the right and it shall be their duty to enter and have full access, egress, and ingress to all places where milk is stored or kept for sale, and to all wagons and carriages or other vehicles, railroad cars, steamboats or conveyances of every kind used for the conveyance or transportation or delivery of milk for the purpose of consumption in the said City of San Diego.

Section 22. All persons selling or offering for sale milk or cream within the said city of San Diego, or furnishing or supplying milk or cream to be sold therein, shall allow samples thereof to be taken by the Board of Health, its officers, agents, and employees at any time when demanded and without any charge therefor.

Section 23. It shall be the duty of the owner, agent, or manager of any dairy in the said City of San Diego, or of any dairy from which milk is brought into this City, to forthwith report to the Board of Health of the said City in writing anything of which he has knowledge or notice, tending to render milk obtained from such dairy unwholesome, impure, or unhealthy.

Section 24. It shall be unlawful for any person or persons, firm or corporation, to obstruct or interfere with the said Board of Health, or any officer, agent or employee of said Board, in the performance of any of the duties required by the officer of said Board.

Section 25. Nothing herein contained shall be construed to prevent or prohibit the use, sale or manufacture of what is known as condensed milk, provided the same is made,

compounded, and prepared from pure, clean, fresh, wholesome, and unadulterated milk within the meaning of this ordinance, and is in sound and wholesome condition, and provided also, that in the case of condensed milk, the proportion of milk solids shall be equivalent to twelve (12) per centum of milk solids in crude milk, and that of such solids twenty-six and one-half (26-1/2) per centum shall be fat. Cane sugar shall not be considered an adulterant of condensed milk.

Section 26. No person shall expose or offer for sale within the said City any milk commonly known as "skimmed milk", or milk from which the cream or any portion of it has been extracted except it is plainly stated to be skimmed milk. And no restaurant or hotel keeper, his agent, servant or employee shall serve any so-called skimmed milk otherwise than as skimmed milk, it being the intent and purpose of this provision that milk as ordinarily disposed of shall mean milk from which no cream has been taken or extracted.

Section 27. It shall be the duty of the owner or consignee of any milk brought into the said City of San Diego, to cause the same to be tendered and exposed for inspection according to the requirements of the said Board of Health, provided that said milk shall not be detained for inspection for more than one hour.

Section 28. Any person who shall violate any of the provisions of this ordinance shall be deemed guilty of a misdemeanor and upon conviction thereof shall be punished by a fine of not more than one hundred dollars (\$100.00), or by imprisonment in the City Jail of said City for not more than fifty (50) days, or by both such fine and imprisonment.

Section 29. All ordinances or parts of ordinances in conflict herewith are hereby repealed.

Section 30. That this ordinance shall take effect and be in force thirty (30) days from and after its final passage and approval.

Passed and adopted by the Common Council of the City of San Diego, California, this 14th day of August, 1905, by the following vote, to-wit:

City Clerk of the City of San Diego, California.

Ordinance No. 2137.

An Ordinance providing for the issuance of the City Bonds in the sum of seventy-five thousand dollars for the purpose of constructing and completing the B street re-enforced concrete conduit.

Whereas, on the 22nd. day of July, 1905, in pursuance of a call for a special election, duly made by the Common Council of the City of San Diego, California, there was submitted to the legal voters of said City at such special election, among other things, the proposition whether or not the City should incur a bonded indebtedness of seventy-five thousand dollars for the purpose of constructing and completing a re-enforced concrete conduit commencing at a point on the south line of the City Park about midway between Tenth and Eleventh streets; thence in a southwesterly course to Tenth street, thence down Tenth street to "B" street, thence down "B" street to the west line of Atlantic street, all in said City, according to the plans and specifications of Sec. A. d'Hemecourt, City Engineer of said City, filed in the office of the City Clerk of said City on the 31st. day of May, 1905; and

Whereas, at said election, the whole number of votes cast on said proposition was eighteen hundred and ninety-two (1892) votes, of which thirteen hundred and thirty-one (1331) votes were given in favor of said proposition, and five hundred and sixty-one (561) votes, were no more, were given against said proposition, and

Said proposition received the votes of two-thirds of all the voters voting at said special election; and

Whereas, the present contemplated bond issue, and all other contemplated bond issues, and the aggregate indebtedness of the City, will not exceed fifteen per cent. of the assessed value of all the real and personal property of said City, Now, Therefore,

Be it Ordained, By the Common Council of the City of San Diego, as follows:

Section 1. That the bonds of the said City of San Diego to the amount of seventy-five thousand dollars, with interest at the rate of four and one-half per cent. per annum, shall be issued for the purpose of constructing and completing the said "B" street Re-

enforced concrete conduit, it being the same conduit heretofore more fully set out in the preamble contained in this ordinance.

Section 2. Said bonds shall be negotiable in form, and shall contain the promise of the City of San Diego to pay the amount for which they are issued, with interest at the rate of four and one-half per cent. per annum, payable semi-annually, at the times and in the manner hereinafter specified, and shall further recite the said ordinance, authorizing this indebtedness, and the purpose for which it is incurred; and shall be one hundred and sixty in number, one hundred and twenty of which shall be for five hundred dollars, each and forty of which shall be for three hundred and seventy-five dollars each. Said bonds, principal, and interest shall be payable in gold coin of the United States.

Said bonds shall be numbered from one to one hundred and sixty. The bonds of the denomination of five hundred dollars shall be numbered one, two, three, five, six, seven, nine, ten, eleven, thirteen, fourteen, fifteen, seventeen, eighteen, nineteen, twenty-one, twenty-two, twenty-three, twenty-five, twenty-six, twenty-seven, twenty-nine, thirty, thirty-one, thirty-three, thirty-four, thirty-five, thirty-seven, thirty-eight, thirty-nine, forty-one, forty-two, forty-three, forty-five, forty-six, forty-seven, forty-nine, fifty, fifty-one, fifty-three, fifty-four, fifty-five, fifty-seven, fifty-eight, fifty-nine, sixty-one, sixty-two, sixty-three, sixty-five, sixty-six, sixty-seven, sixty-nine, seventy, seventy-one, seventy-three, seventy-four, seventy-five, seventy-seven, seventy-eight, seventy-nine, eighty-one, eighty-two, eighty-three, eighty-five, eighty-six, eighty-seven, eighty-nine, ninety, ninety-one, ninety-three, ninety-four, ninety-five, ninety-seven, ninety-eight, ninety-nine, one hundred and one, one hundred and two, one hundred and three, one hundred and five, one hundred and six, one hundred and seven, one hundred and nine, one hundred and ten, one hundred and eleven, one hundred and thirteen, one hundred and fourteen, one hundred and fifteen, one hundred and seventeen, one hundred and eighteen, one hundred and nineteen, one hundred and twenty-one, one hundred and twenty-two, one hundred and twenty-three, one hundred and twenty-five.

one hundred and twenty-six, one hundred and twenty-seven, one hundred and twenty-nine, one hundred and thirty, one hundred and thirty-one, one hundred and thirty-three, one hundred and thirty-four, one hundred and thirty-five, one hundred and thirty-seven, one hundred and thirty-eight, one hundred and thirty-nine, one hundred and forty-one, one hundred and forty-two, one hundred and forty-three, one hundred and forty-five, one hundred and forty-six, one hundred and forty-seven, one hundred and forty-nine, one hundred and fifty, one hundred and fifty-one, one hundred and fifty-three, one hundred and fifty-four, one hundred and fifty-five, one hundred and fifty-seven, one hundred and fifty-eight, one hundred and fifty-nine, respectively,

And the bonds of the denomination of three hundred and seventy-five dollars shall be numbered four, eight, twelve, sixteen, twenty, twenty-four, twenty-eight, thirty-two, thirty-six, forty, forty-four, forty-eight, fifty-two, fifty-six, sixty, sixty-four, sixty-eight, seventy-two, seventy-six, eighty, eighty-four, eighty-eight, ninety-two, ninety-six, one hundred, one hundred and four, one hundred and eight, one hundred and twelve, one hundred and sixteen, one hundred and twenty, one hundred and twenty-four, one hundred and twenty-eight, one hundred and thirty-two, one hundred and thirty-six, one hundred and forty, one hundred and forty-four, one hundred and forty-eight, one hundred and fifty-two, one hundred and fifty-six, one hundred and sixty, respectively.

The amount of the principal of each bond shall be printed upon the face thereof in large figures, and with ink of a different color than that which the body of the bond is printed.

On the first day of October, 1906, the bonds numbered one, two, three, and four shall become due and payable, and on the first day of October in the year following the bonds numbered five, six, seven and eight shall become due and payable, and so on, in the order of their number from the less to the greater; three five-hundred dollar bonds and one three-hundred and seventy-five dollar bond, shall become due and be payable on the first day of October in each succeeding year until all of said bonds shall have been paid in the order of their maturity.

There shall be attached to each bond one coupon for each semi-annual payment of interest accruing on the said bond, which coupons shall be so arranged as to come due, one in each six months, until and including the maturity of the principal specified in such bond. Each of these coupons shall have printed upon it the number of the principal bond to which it is attached, and shall in addition be numbered from one consecutively up to the last of the coupons.

Section 3. That the Executive, to-wit, the Mayor of said City of San Diego, he and he is hereby authorized and directed for and on behalf of and as the act and deed of the said City of San Diego, to sign each and every one of said bonds as the Executive of said City as aforesaid, and that the Treasurer of said City he and he is hereby authorized and directed to sign his name as Treasurer of the said City of San Diego, to each and every one of said bonds, and the City Clerk of said City he and he is hereby authorized and directed to execute each and every one of said bonds as City Clerk of the said City of San Diego, and to affix the corporate seal of said City of San Diego to each and every one of said bonds; and that said signing and sealing shall constitute and be a sufficient and binding execution of each and every one of said bonds by said City, and that the City Treasurer he and he is hereby authorized and directed to sign his name as Treasurer of said City to each and every one of the respective coupons attached to each respective bond, and that the said signing of said coupons by the City Treasurer shall constitute and be a sufficient and binding execution of each and every one of said coupons by said City.

Section 4. That for the purpose of paying the principal and interest of said bonds, the legislative branch of said City shall, at the time of fixing the general tax levy, and in the manner of such general tax levy provided, levy and collect annually, each year, until such bonds are paid, or until there shall be a sum in the treasury of said City set apart for that purpose, sufficient to meet all sums coming due for principal and interest on said

bonds, a tax sufficient to pay the annual interest on such bonds, and also such part of the principal thereof as shall become due before the time of fixing the next general tax levy. Said taxes shall be in addition to all other taxes levied for municipal purposes, and shall be collected at the same time and in the same manner as other municipal taxes are collected, and be used for no other purpose than the payment of said bonds and accruing interest.

That there shall be and is hereby provided a Sinking Fund to be kept by the Treasurer of said City to be designated as the Sinking Fund for the Payment of the Bonds for Constructing and Completing the B-street Concrete Conduit, and that the proceeds of the taxes levied, as above mentioned, shall be paid into the said Sinking Fund as soon as the same shall be collected, and shall remain in said fund until required for the payment of the principal and interest to be made upon said bonds; and that when the respective payments of principal and interest of said bonds shall fall due, the Treasurer of said City is hereby authorized and directed to pay out of the moneys in said Sinking Fund the said respective sums of principal and interest as they shall fall due, when demand shall be made therefor, upon the surrender of such bonds and coupons.

Section 5. That the form of bond, and the form of the interest coupons, submitted by the City Attorney at this time, and now filed with the City Clerk, is hereby ratified and approved as and for the form of said bonds, and of said interest coupons (omitting the number, date of maturity, and denomination).

And the Board of Public Works of said City is hereby directed to cause the same to be printed, and when printed they shall be executed in the manner hereinabove provided.

Section 6. That it be and is hereby determined that this ordinance is one of urgency and for the immediate preservation of the public peace, health, and safety, and shall take effect and be in force from and after its final passage and approval by the Mayor of said City.

Passed and adopted by the Common Council of the City of San Diego, California, this 5th day of September 1905, by the following vote, to-wit:

I hereby certify that the above and foregoing is a full, true and correct copy of Ordinance No. 2137 of the Ordinances of the City of San Diego, California as adopted by the Common Council of said City and approved by the Mayor of said City, on the 6th day of September, 1905.

J. J. Butler
City Clerk of the City of San Diego, California.

Ordinance No. 2138.

An Ordinance providing for the issuance of the City bonds in the sum of fifty-four thousand dollars for the replacing of the thirtieth-street water main from El Cajon Avenue, to National Avenue, (all in the City of San Diego, California,) with new pipe.

Whereas, on the 22nd day of July, 1905, in pursuance of a call for a special election duly made, there was submitted to the legal voters of the City of San Diego, California, at such special election, among other things, the proposition whether or not the said City should incur a bonded indebtedness of fifty-four thousand dollars for the purpose of replacing the Thirtieth-street water main from El Cajon Avenue to National Avenue, all in said City, with new pipe; and

Whereas, at said election the whole number of votes cast was twenty-one hundred and fifty-five (2155), out of which sixteen hundred and twenty-two (1622) votes were given in favor of said proposition, and four hundred and nine (409), and no more, were given against said proposition, and said proposition received the votes of two-thirds of all the voters voting at said special election; and

Whereas, the present bond issue and aggregate indebtedness of the City will not exceed fifteen per cent. of the assessed value of all the real and personal property of said City, Now, Therefore,

Be it ordained, By the Common Council of the City of San Diego, as follows:

Section 1. That the bonds of the said City of San Diego to the amount of fifty-four thousand dollars with interest at the rate of four and one-half per cent. per annum, shall be issued for the purpose of replacing, with money derived from the sale of said bonds, the Thirtieth-street Water Main from El Cajon Avenue to National Avenue, all in said City, with new pipe.

Section 2. Said bonds shall be negotiable in form, and shall contain the promise of the City of San Diego to pay the amount for which they are issued with interest at four and one-half per cent per annum, payable semi-annually, at the times and in the manner hereinafter specified, and shall further recite the said election authorizing this indebtedness and the purpose

for which it is incurred; and shall be one hundred and twenty in number, eighty of which shall be for five hundred dollars each, and forty of which shall be for three hundred and fifty dollars each. Said bonds, principal and interest shall be payable in gold coin of the United States.

Said bonds shall be numbered from one to one hundred and twenty. The bonds of the denomination of five hundred dollars shall be numbered one, two, four, five, seven, eight, ten, eleven, thirteen, fourteen, sixteen, seventeen, nineteen, twenty, twenty-two, twenty-three, twenty-five, twenty-six, twenty-eight, twenty-nine, thirty-one, thirty-two, thirty-four, thirty-five, thirty-seven, thirty-eight, forty, forty-one, forty-three, forty-four, forty-six, forty-seven, forty-nine, fifty, fifty-two, fifty-three, fifty-five, fifty-six, fifty-eight, fifty-nine, sixty-one, sixty-two, sixty-four, sixty-five, sixty-seven, sixty-eight, seventy, seventy-one, seventy-three, seventy-four, seventy-six, seventy-seven, seventy-nine, eighty, eighty-two, eighty-three, eighty-five, eighty-six, eighty-eight, eighty-nine, ninety-one, ninety-two, ninety-four, ninety-five, ninety-seven, ninety-eight, one hundred, one hundred and one, one hundred and three, one hundred and four, one hundred and six, one hundred and seven, one hundred and nine, one hundred and ten, one hundred and twelve, one hundred and thirteen, one hundred and fifteen, one hundred and sixteen, one hundred and eighteen, and one hundred and nineteen, respectively.

And the bonds of the denomination of three hundred and fifty dollars shall be numbered three, six, nine, twelve, fifteen, eighteen, twenty-one, twenty-four, twenty-seven, thirty, thirty-three, thirty-six, thirty-nine, forty-two, forty-five, forty-eight, fifty-one, fifty-four, fifty-seven, sixty, sixty-three, sixty-six, sixty-nine, seventy-two, seventy-five, seventy-eight, eighty-one, eighty-four, eighty-seven, ninety, ninety-three, ninety-six, ninety-nine, one hundred and two, one hundred and five, one hundred and eight, one hundred and eleven, one hundred and fourteen, one hundred and seventeen, and one hundred and twenty, respectively.

The amount of the principal of each bond shall be printed upon the face thereof in large

figures, and with ink of a different color than that with which the body of the bond is printed.

On the first day of October, 1906, the bonds numbered one, two, and three shall become due and payable, and on the first day of October in the year following the bonds numbered four, five, and six shall become due and be payable, and so on, in the order of their number from the less to the greater; two five-hundred dollar bonds and one three-hundred and fifty dollar bond shall come due and be payable on the first day of October in each succeeding year until all of said bonds shall have been paid in the order of their maturity.

There shall be attached to each bond one coupon for each semi-annual payment of interest accruing on the said bond, which coupons shall be so arranged as to come due, one in each six months, until and including the maturity of the principal specified in such bond. Each of these coupons shall have printed upon it the number of the principal bond to which it is attached, and shall in addition be numbered from one consecutively up to the last of the coupons.

Section 3. That the Executive, to-wit, the Mayor of said City of San Diego, he and he is hereby authorized and directed for and on behalf and as the act and deed of the said City of San Diego, to sign each and every one of said bonds as the Executive of said City as aforesaid, and that the Treasurer of said City he and he is hereby authorized and directed to sign his name as Treasurer of the said City of San Diego, to each and every one of said bonds; and the City Clerk of said City he and he is hereby authorized and directed to execute each and every one of said bonds as City Clerk of the said City of San Diego, and to affix the corporate seal of said City of San Diego to each and every one of said bonds; and that said signing and sealing shall constitute and be a sufficient and binding execution of each and every one of said bonds by said City, and that the City Treasurer he and he is hereby authorized and directed to sign his name as Treasurer of said City to each and every one of the respective

coupons attached to each respective bond, and that the said signing of said coupons by the City Treasurer shall constitute and be a sufficient and binding execution of each and every one of said coupons by said City.

Section 4. That for the purpose of paying the principal and interest of said bonds, the legislative branch of said City shall, at the time of fixing the general tax levy, and in the manner for such general tax levy provided, levy and collect annually, each year, until such bonds are paid, or until there shall be a sum in the treasury of said City set apart for that purpose, sufficient to meet all sums coming due for principal and interest on said bonds, a tax sufficient to pay the annual interest on such bonds, and also such part of the principal thereof as shall become due before the time for fixing the next general tax levy. Said taxes shall be in addition to all other taxes levied for municipal purposes, and shall be collected at the same time and in the same manner as other municipal taxes are collected, and be used for no other purpose than the payment of said bonds and accruing interest.

That there shall be and is hereby provided a Sinking Fund to be kept by the Treasurer of said City to be designated as the "Sinking Fund for the Payment of the bonds for Replacing the Thirtieth - street Water Main from El Cajon Avenue to National Avenue," and that the proceeds of the taxes levied as above mentioned, shall be paid into the said Sinking Fund as soon as the same shall be collected, and shall remain in said fund until required for the payment of the principal and interest to be made upon said bonds; and that when the respective payments of principal and interest of said bonds shall fall due, the Treasurer of said City is hereby authorized and directed to pay out of the moneys in said Sinking Fund the said respective sums of principal and interest as they shall fall due, when demand shall be made therefor, upon the surrender of such bonds and coupons.

Section 5. That the form of bonds, and the form of the interest coupons, submitted by the City Attorney at this time, and now filed with the City Clerk, is hereby ratified and approved as

and for the form of said bonds, and of said interest coupons (omitting the number, date of maturity and denomination). And the Board of Public Works of said City is hereby directed to cause the same to be printed, and when printed they shall be executed in the manner hereinabove provided.

Section 6. That it be and is hereby determined that this ordinance is one of urgency and for the immediate preservation of the public peace, health and safety, and shall take effect and be in force from and after its final passage and approval by the Mayor of said City.

Ordinance No. 2140

An ordinance changing and establishing the grade of "M" street, between a point 300 feet west of the west line of 29th street and the east line of 30th street, in the city of San Diego, California.

Whereas, the owners of a majority of the property affected by the herein ordained change of grade of "M" street, in the city of San Diego, California, at the points hereinafter mentioned, did petition the common council of the city of San Diego, California, to change and modify the grade of said street as hereinafter set forth, and on consideration of said petition by said common council, said common council, did on the 24th day of July, 1905, duly pass resolution of intention, No. 2283, which resolution was thereupon approved by the mayor of said city, on the 25th day of July, 1905, wherein and whereby said common council did declare its intention to change and modify the grade of said "M" street, at the points hereinafter mentioned and in all respects as hereinafter set forth; and

Whereas, all the acts and things required by law to confer jurisdiction upon the said common council to change and modify the grade of said street, have been done and said resolution of intention has been published and posted, as required by law, and the time required by law, and the time for filing objections in respect to the proceedings herein, and to the proposed change, changes and modifications of the grade of said street, as hereinafter set forth, and the time to file a petition with the clerk of the city council, claiming damages to property by said proposed change and modification of grade, if completed, has expired, and no objections have been filed and no claim or claims for damages to property by reason of this proceeding, or of the changing and modification of the grade of said street, as hereinafter set forth, have been filed, and sufficient money to defray the expense of this proceeding has been provided and is available therefor and no assessment is, or will be necessary herein, now therefore,

Be it ordained, by the common council of the city of San Diego, as follows:

Section 1. That the grade of "M" street, in the city of San Diego, California, be and the same is hereby changed and established, as follows, to-wit:

At a point on the north line of said "M" street three hundred feet west of the west line of said Twenty-ninth street, which point is more particularly identified as being three hundred and sixty feet west of the southwest corner of block seventy-eight (78) of Seaman and Choate's addition, the grade elevation to remain as now established at 74.5 feet; at a point on the south line of said "M" street 300 feet west of the west line of said Twenty-ninth street, which point is more particularly identified as being three hundred and sixty feet west of the northwest corner of block seventy-seven (77) in said Seaman and Choate's addition, the grade elevation to remain as now established, at 73.5 feet.

At the northwest corner of said "M" street and Twenty-ninth street, change the grade elevation from seventy-five feet to seventy-two feet; at the northeast corner of said "M" street and said Twenty-ninth street, change the grade elevation from 75 feet to 72 feet; at the

southwest corner of said "M" street and said Twenty-ninth street, change the grade elevation from seventy-four feet to seventy-one feet; at the southeast corner of said "M" street and said Twenty-ninth street, change the grade elevation from seventy-four feet to seventy-one feet.

At the northwest corner of said "M" street and said Thirtieth street, change the grade elevation from seventy-six feet to seventy-five feet; at the northeast corner of said "M" street and said Thirtieth street, the grade elevation to remain as now established, at seventy-six and five tenths feet; at the south west corner of said "M" street and said Thirtieth street the grade elevation to

remain as now established at seventy-five feet; at the southeast corner of said "M" street and said Thirtieth street the grade elevation to remain as now established at seventy-five and five tenths feet.

And the grade of said "M" street, between the points hereinbefore mentioned, shall have a uniform ascent and descent. And the center line of said "M" street shall have an average elevation of the opposite curb grades.

All of said grade elevations to be above the datum line of levels as fixed by ordinance No. 3 of the ordinances of the said city of San Diego, entitled: "An ordinance establishing a datum line for the grading of streets in the city of San Diego, state of California, and providing for the manner of establishing grades by ordinances." Approved on the 30th day of June, 1885.

Section 2. That this ordinance shall take effect and be in force from and after thirty days after its passage and approval.

Section 3. That the city clerk of the said city be, and he is, hereby authorized and directed, immediately after this ordinance goes into effect, to publish, or cause the same to be published, once in the city official newspaper of said city, to-wit, the San Diego Union and Daily Bee.

Passed and adopted by the common council of the city of San Diego, California, this 5th day of September, 1905, by the following vote, to-wit:

Ayes—Councilmen Thorpe, Blochman, Kelly, McNeill, Creelman, Reynolds, Johnson, Goldkamp and Osborn.

Noes—None.

Absent—None.

and signed in open session thereof by the president of said common council, this 5th day of September, 1905.

JOHN B. OSBORN,
President of the common council of the city of San Diego, California.

I hereby certify that the foregoing ordinance was by a two-thirds vote of all the members of the said common council, present, put on its final passage at its first reading, this 5th day of September, 1905.

(Seal.) J. T. BUTLER,
City clerk of the city of San Diego, California, and ex-officio clerk of the common council of the said city of San Diego.

By PERCY L. DAY, Deputy.
I hereby approve the foregoing ordinance this 6th day of Sept., 1905.

JOHN L. SEHON,
Mayor of the city of San Diego, California.

(Seal) Attest: J. T. BUTLER,

By PERCY L. DAY, Deputy.

I hereby certify that the above and foregoing is a full, true and correct copy of Ordinance No. 2140 of the Ordinances of the City of San Diego, California as adopted by the Common Council of said City and approved by the Mayor of said City, on the 6th day of September 1905.

I further certify that Ordinance No. 2140 was correctly published in the San Diego Union and Daily Bee on the day of September 1905.

J. T. Butler
City Clerk of the City of San Diego, California.

Ordinance No. 2141.

An ordinance imposing municipal licenses in the city of San Diego, California, and providing the manner of issuing and collecting the same, regulating the manufacture, sale, and giving away of spirituous, vinous, or malt liquors in said city, and the hours for opening and closing places where such liquors are sold, prohibiting screens and other obstructions, limiting the number of licenses to be issued, and prescribing the duties of certain officers of said city, and fixing a penalty for the violation of said ordinance.

Be it ordained, by the common council of the city of San Diego, as follows:

Section 1. That it shall be unlawful for any person to keep a saloon, bar, barroom, tippling house, dram shop, store or other place, where any wine, ale, beer, or any spirituous, vinous, malt, or mixed liquors, or any intoxicating drinks are manufactured, sold, dispensed, or given away, or to manufacture, sell, dispense, or give away any such wine, ale, or beer, or spirituous, vinous, malt, or mixed liquors, or any intoxicating drinks, without first having obtained a license therefor, as provided in this ordinance; provided, that this ordinance shall not apply to the sale of liquors for medicinal purposes, by the owners and proprietors of drug stores, or by their registered assistants, upon the prescription of a regular practicing physician, or for mechanical purposes.

Section 2. That the city auditor shall issue all licenses provided for by this ordinance but no license shall be issued except upon the authorization and consent of the common council made and entered upon the minutes, nor without the payment of the amount hereinafter required to be paid therefor.

Section 3. Said license shall be substantially in the following form:

This is to certify that (here insert the name,) with the receipt of the city tax collector thereon written for the sum of _____ dollars, is hereby authorized to keep, conduct, and carry on (here describe business), for the term of _____ from the date hereof, at (here specify the location.)

Dated this _____ day of _____, 190____.

Auditor of the city of San Diego, California.

Section 4. All licenses shall be signed by the auditor and the amount to be paid therefor shall be paid to the city tax collector, and his receipt therefor endorsed thereon before the delivery thereof.

Section 5. No license shall be authorized issued by the common council, except upon a petition from the applicant therefor, signed by five respectable tax payers of said city residing or doing business in the immediate vicinity where said liquors are to be sold or dispensed, and stating that the applicant is a sober and suitable person to keep and conduct said place of business and describing the place where such business is to be carried on. That all such petitions for said license shall be accompanied by the amount of money required by this ordinance at the rate to be paid therefor, and no petition shall be presented to the common council unless the required amount of money has been deposited with the city clerk before said petition is presented to the common council. Should the application for said license be denied, the amount so deposited shall be returned to the applicant. Upon the presentation of such application for a license, said common council shall fully investigate the question of whether the person making such application is a sober, suitable, or proper person to carry on and conduct the business for which he requests a license, and whether the place described in said application is a proper or suitable place for such business, and conforms to the requirements of this ordinance, and unless it shall appear to the satisfaction of the said common council that the applicant for such license is a sober and suitable and proper person to carry on and conduct said business, and that such place conforms to the requirements of this ordinance, and is a proper and suitable place for such business, said application shall be denied and that said common council shall have the absolute power to deny such application for any reason which it may deem sufficient. Said common council shall also have the power, for cause, to revoke, at any time, any license granted or issued under the provisions of this ordinance; and in case of such revocation the city clerk shall give notice thereof, stating the cause, to the person whose license has been revoked.

All licenses herein provided for shall be due and payable on the tenth day of each month, and in advance, at the office of the tax collector of said city, as hereinafter provided. Said tax collector must, on the twelfth day of each month, furnish to the chief of police of said city, a complete list of all persons to whom licenses have been issued for the preceding month, with the place of business of such person, who have not paid the license required to be paid on the tenth day of each month, as herein provided. And in addition to all other duties imposed by this ordinance on said chief

of police, he shall visit immediately the places of the persons named in the list furnished by said tax collector, and arrest the person or persons at said place, found selling or giving away any wine, ale, beer, or spirituous, vinous, malt, or mixed liquor, or any intoxicating drinks, without the license required by this ordinance.

Section 6. The rate of license shall be as follows:

First—For every hotel, restaurant, or eating house where wine, ale, or beer, but not distilled liquors, are sold or furnished with and as a part of bona fide meals, and where no bar is kept, and no wine, ale or beer is sold, furnished or given away, except with bona fide meals, the sum of twenty-five dollars per month.

Second—For every place of business where said liquors or any of them are sold at wholesale, in quantities of not less than one-fifth of a gallon at a time, the sum of twenty-five dollars per month.

Third—For every distillery, brewery, or place where spirituous, vinous, malt, or any intoxicating liquors are manufactured, but not sold, at retail, the sum of twenty-five dollars per month.

Fourth—For every saloon, bar, barroom, tippling house, or any other place where any wine, ale or beer, or any spirituous, vinous, or malt liquor or intoxicating drinks are to be sold or dispensed in quantities of less than one-fifth of a gallon at a time, or to be drunk on the premises where sold, except the places mentioned in subdivision One of this section, the sum of fifty dollars per month, or ten dollars per day.

Provided, that no person, holding a license to carry on and conduct the business of a retail dealer, shall be required to take out an additional license to carry on and conduct the business of a wholesale liquor dealer, within the same room covered by his retail license.

Section 7. That it shall be and is hereby declared to be unlawful for any person to sell, barter, dispense, or give away any wine, ale, or beer, or any spirituous, malt, vinous or mixed liquors, or any intoxicating drinks, in the city of San Diego, California, between the hour of twelve o'clock and five minutes a. m. on Sunday, and five o'clock a. m. on the following Monday.

Section 8. That it shall be and is hereby declared to be unlawful for any person to sell, barter, or give away any wine, ale, beer, or any spirituous, vinous, malt, or mixed liquors, or any intoxicating drinks, either at wholesale or retail, in the city of San Diego, California, between the hours of twelve o'clock and five minutes a. m. and five o'clock a. m. of every day of the week other than Sunday; provided, that the provisions of this ordinance shall not apply to the sale by druggists of such liquors upon a prescription in writing of a licensed physician given for medicinal purposes only.

Section 9. That it shall be and is hereby declared to be unlawful for any saloon, bar, barroom, tippling house, or other place in the city of San Diego, California, where wine, ale, beer, or any spirituous, vinous, malt or mixed liquors, or any intoxicating drinks are sold, to be open or kept open between the hours of twelve o'clock and five minutes a. m. on Sunday and five o'clock a. m. on the following Monday, and between the hours of twelve o'clock and five minutes a. m. and five o'clock a. m. of each and every day of the week other than Sunday.

Section 10. That it shall be and is hereby declared to be unlawful for any saloon, bar, barroom or tippling house, where any spirituous, malt or vinous liquors, or any intoxicating drinks are sold or dispensed at retail, to be open or to be kept open on the day of any general state, or municipal election held in said city; or for any person to sell, barter, dispense, or give away any spirituous, vinous, or malt liquors, or any intoxicating drinks, except under a license to sell at wholesale, on any such day of election, between sunrise and sunset of such day.

Section 11. That the owner, proprietor, manager or other person having charge or control of any saloon, tippling house, barroom, or place where spirituous, malt, or vinous liquors are sold or given away, in quantities less than one-fifth of a gallon, excepting hotels, eating houses, restaurants, and drug stores, shall securely close and lock all entrances to and exits from any such place, or cause the same to be so closed and locked, and shall keep the same in such condition against the entrance or exit of any person other than the owner, proprietor, or manager thereof, and the servants regularly employed in and about the same, from sunrise to sunset of all days of any general, state, or municipal election, as in this ordinance provided, and between the hour of twelve o'clock and five minutes a. m. on Sunday and the hour of five o'clock a. m. on the following Monday, and between the hours of twelve o'clock and five minutes a. m. and five o'clock a. m. of each and every day of the week, other than Sunday.

Section 12. That it shall be unlawful for any owner, proprietor, manager, or other person, having charge or control of any saloon, tippling house, bar, barroom, or other place, where spirituous, malt, or vinous liquors are sold, dispensed, or given away, in quantities less than one-fifth of a gallon, excepting hotels, eating

houses, restaurants, and drug stores, to be or remain within such place during any hour of the night time unless the same is lighted up and such person or persons plainly visible from the public sidewalk adjoining such place.

Section 14. That no license shall be granted for the sale of spirituous, vinous, or malt liquors other than in a room situated on the ground floor and fronting its full width on a public street, the front of which room shall be open, and unenclosed excepting by a single thickness of transparent window glass, to a height of at least eight feet above the sidewalk in front thereof, and beginning not more than four feet above such sidewalk, provided that a space not to exceed one-sixth of the width of the front of said room may be occupied by the posts, frames and sash of the doors and windows thereof; and provided that where such room is located upon the corner of a block, the petitioner shall designate in his petition upon which street the same shall front, which front shall conform to the provisions of this section, and he shall be required to maintain only such openings, in size and location, for doors and windows, upon the other street adjacent thereto, as he may choose, but all of said openings shall be unenclosed and unobstructed excepting by transparent window glass and the necessary frames and sash therefor, from the top thereof to within four feet of the adjacent sidewalk, if said openings extend so far.

Section 15. That no person having secured a license to retail spirituous, vinous or malt liquors shall place or maintain, or authorize or permit to be placed or maintained upon any premises used by him for the sale of spirituous, vinous, or malt liquors, any screen, blind, shutter, curtain, partition, or painted, ground or stained glass window, or any other obstruction which shall interfere with the view from the street front of said premises, or from any of the doors or windows thereof, of the business conducted upon any part of said premises, and all liquors or drinks of any kind sold at retail or dispensed in said place of business shall be dispensed and delivered from a bar not more than 24 feet in length which shall begin at the front of said room and extend at right angles to said front from a point not further than five feet therefrom; and the city council before making an order for such license shall cause an examination to be made by a committee of said council, or otherwise, of said premises for which such license is applied, and unless the same shall conform to the provisions of this ordinance such license shall be denied, and any license issued where said premises do not so conform shall be void.

Section 16. That no permits for retail license in excess of fifty-five shall at any time be granted by the council of the city of San Diego.

Section 17. That no person engaged in selling or dispensing any wine, ale, beer, or any spirituous, malt or fermented liquors or any intoxicating drinks, in quantities less than one-fifth of a gallon in any barroom, dramshop or saloon in the city of San Diego, California, shall sell or dispense any liquors or drinks, to be delivered or used, or that shall be delivered or used in any room or apartment that does not conform to the requirements of sections 14 and 15 of this ordinance, or shall have or maintain any private or separate entrance for any particular class of customers or shall have or maintain any place of entrance or exit for customers or patrons, or permit the same to be used by customers or patrons, except a place of entrance or exit into the main apartment of such barroom, dramshop, or saloon opening upon a public street; or any words or signs upon any entrance signifying that such entrance is for ladies or families, or for any particular class of persons, or is a private entrance to such barroom or saloon; provided that nothing herein contained shall prohibit the maintenance of a place of entrance to any water closet, which said place of entrance shall not be used as private entrance for customers or patrons, of any barroom or saloon; and that nothing in this section contained shall prohibit the serving of wine, ale, or beer to guests in a hotel, or restaurant, having a valid license to sell the same; provided, however, that no restaurant shall have a bar, barroom, or saloon connected therewith, nor shall the keeper of any restaurant or hotel sell or give away any liquors of any kind, other than wine, ale, or beer, and these only with a bona fide meal.

Section 18. That no person engaged in selling or dispensing wine, ale, or beer, or any spirituous, vinous, malt, or any intoxicating liquors, in any restaurant in said city of San Diego, shall sell or dispense any such liquors to be delivered or used, or that shall be delivered or used in any side room, back room, upper room or other apartment in the same, or any adjoining building connected or used with such restaurant, excepting only alcoves or booths, without doors, curtains, or other obstructions to the view, opening upon the main dining room of such restaurant.

Section 19. That it shall be unlawful for any person or persons engaged in the business of selling or dispensing any wine, ale, beer, or any spirituous, vinous, malt, or mixed drinks, in said city, to harbor, admit, or receive, or permit to be or remain within the room or place where any of said liquors are sold or dispensed, any lewd or dissolute female, or any common prostitute, Indian, minor, or any common drunkard or to conduct or engage in, or permit any one else to conduct or engage in, any gaming, or any game of percentage, skill, or chance, for money or anything of value or representing value, within the room

or place where any wine, ale, or beer, or any spirituous, vinous, malt, or mixed, or any intoxicating drinks are or may be sold or dispensed.

Section 20. It shall be unlawful for any physician or person claiming to be a physician to give a prescription to a druggist or any other person for any spirituous or intoxicating liquors, except for medicinal purposes, and in cases of necessity, or to give any such prescription for the purpose of evading or assisting to evade the provisions of this ordinance.

Section 21. No license issued under this ordinance shall be assigned or transferred, except by the permission of the common council before said permission can be granted, the would-be assignee must apply for a license in the manner described in section 5 of this ordinance, and the council shall investigate and pass upon the same, according to the rule laid down in said section. Any person other than the licensee doing business under any license without the permission of the common council first obtained, shall be guilty of a violation of this ordinance.

Section 22. That it is hereby made the duty of the city tax collector to collect all licenses provided for by this ordinance. He shall receipt for all moneys received for each license on the back thereof, and shall return, under oath, on the first day of each month the amount collected by him for the preceding month, and shall pay the same to the city treasurer.

Section 23. It is hereby made the duty of the chief of police to see that all persons keeping or in charge of any saloon, bar, barroom, tippling house, dramshop, store, or other place where any spirituous, vinous, malt, or any intoxicating liquors are manufactured, sold, dispensed, or given away, comply strictly with all the provisions of this ordinance.

Section 24. Prosecutions under this ordinance may be in the name of the people of the state of California, and it is hereby made the duty of the city attorney to prosecute all cases arising under this ordinance.

Section 25. That any person violating any of the provisions of this ordinance shall, upon conviction thereof, be punished by a fine of not less than \$25.00 nor more than \$300.00, or by imprisonment in the city jail of said city for a period not exceeding 150 days, or by both such fine and imprisonment; and in the event that the fine imposed hereunder is not paid, then by imprisonment in the city jail of said city at the rate of one day for every two dollars of the fine so imposed; and that when any person shall be convicted of violating any provision of this ordinance, the license of such person so convicted shall be immediately forfeited, and no further license shall be granted or issued to the person so convicted; and every license for the sale of spirituous, vinous, or malt liquors hereafter issued by the auditor of said city shall contain printed therein a copy of this section.

Section 26. Upon the conviction of any person for a violation of this ordinance, a certified copy of the judgment of conviction shall be filed with the city auditor, and the license of such person shall then and there stand and be revoked, and the said city auditor shall not again issue a license to the person so convicted, and whose license shall have been revoked.

Section 27. That Ordinance No. 1541 of the ordinances of the said city of San Diego, approved on the twenty-eighth day of March, nineteen hundred and four, and Ordinance No. 1570, approved on the sixth day of May, Nineteen hundred and four, be, and the same are, hereby repealed, together with all other ordinances and parts of ordinances in conflict with this ordinance.

Section 28. That this ordinance shall take effect and be in force from and after thirty days after its final passage and approval.

Section 29. That the city clerk of said city of San Diego, be, and he is hereby, authorized and directed, immediately after the approval of this ordinance, to publish or cause the same to be published, once in the city official newspaper of said city, to-wit, the San Diego Union and Daily Bee.
