(New Charter)

AN ORDINANCE PRESCRIBING THE MODE OF TRIAL OF CONTESTED ELECTIONS OF CITY OFFICERS OF THE CITY OF SAN DIEGO AND ESTABLISHING RULES OF PROCEDURE THEREIN.

BE IT ORDAINED By the Board of City Trustees of the City of San Diego, as follows:

Section 1. Any elector of the City of San Diego may contest the right of any person declared elected to any of the offices of Trustee in any ward of said City, or City Tax Collector, or Assessor of said City for any of the following causes:

1. For malconduct on the part of the Board of Election or any member thereof.

2. When the person whose right to the office is contested was not at the time of the election eligible to such office.

3. When the person whose right is contested has given to any elector or inspector, Judge or clerk of the election any bribe or reward or has offered any such bribe or reward ~~or has offered any such bribe or reward~~ for the purpose of securing his election, or has committed any other offense against the elective franchise defined in Title IV Part 1 of the Penal Code of the State of California.

4. On account of illegal votes-

Sec. 2. No irregularity or improper conduct in the proceedings of the election board or any of them is such malconduct as avoids an election unless the irregularity or improper conduct is such as to procure the person whose right to the office is contested, to be declared elected when he had not received the highest number of legal votes, and the burden of showing such fact by preponderance of evidence shall devolve upon the contestant-

Sec.-3- No election shall be set aside on account of illegal votes unless it appear affirmatively that a number of illegal votes has been given to the person whose right to the office is contested which, if taken from him, would reduce the number of his legal vote

below the number of votes given to some other person for the same office, after deducting therefrom the illegal votes which may be shown to have been given to such other person.

Sec. 4- In determining the qualifications of electors, the Board of City Trustees sitting for the purpose of determining contested elections shall be guided by the provisions of Section 485 of the City Charter, and by the Political Code of the State of California so far as the same may be applicable to the case at issue, and in judging of the admissibility or pertinence of evidence offered before them, the provisions of the Code of Civil Procedure of the State of California shall be the guide, together with the decisions of the Supreme Court of California and other States upon kindred subjects; and in judging of alleged violations of duty by election officers, the provisions of the Penal Code of California as far as applicable, shall be the guide-

Sec. 5. When an elector contests the right of any person declared elected to such office he must within forty days after the official declaration of the result of said election file with the City Clerk, a written statement first duly served by copy upon the person declared to be elected, setting forth specifically.

1. The name of the party contesting such election, and that he is an elector of the district in which such election was held-

2- The name of the person whose right to the office is contested.

3. The office.

4. The particular ground of such contest-

If the reception of illegal votes is alleged as a cause of contest the statement shall contain a written list of the number of illegal votes, and by whom given and to whom, and that said illegal votes if taken from the person whose election is contested will reduce the number of his legal votes below the number of legal votes given to some other person for the same office after deducting

therefrom the illegal votes which may be shown to have been given to such other person, and in default of such specification no testimony can be received of such alleged illegal votes on the trial of the contest. Which statement must be verified by the affidavit of the contesting party, that the matter and things therein are true.

Sec. 6. No statement of the grounds of contest will be rejected, nor the proceedings dismissed for want of form, if the grounds of contest are alleged as hereinbefore provided with such certainty as will advise the defendant of the particular proceeding, or cause for which such election is contested.

Sec. 7. Upon the statement being filed with proof of service as hereinbefore specified upon the defendant with the City Clerk, the said Clerk must inform the President of the Board of City Trustees thereof, who must give notice to the Board of City Trustees who must give public notice and order a special meeting of the Board of City Trustees to be held at the City Hall in the City of San Diego, on some day to be named by them, not less than ten nor more than twenty days from the date of such notice, to hear and determine such contested election-

Sec. 8. The Clerk must also at the same time issue a citation for the person whose right to the office is contested to appear at the time and place specified in the notice, which citation must be delivered to the Sheriff and be served upon the party in person, or if he cannot be found by leaving a copy thereof at the house where he last resided.

Sec. 9. The Clerk must issue subpoenas for witnesses at the request of either party, which must be served as other subpoenas, and the Board of City Trustees sitting as a Court to determine contested elections of City officers, has full power to issue attachments to compel the attendance of witnesses who have been subpoenaed to attend;

Sec. 10. The Board of Trustees must meet at the time and place designated to determine such contested election, and shall proceed with all reasonable diligence to a final conclusion thereof; it may adjourn from time to time as may seem proper to its convenience, and with due regard to the dispatch of the business, and may also continue the trial for any time not exceeding thirty days, for good cause shown by either party upon affidavit, and may make such order with costs to the party applying, at the discretion of said Board-

Sec. 11- The Board must be governed in the trial and determination of such contested election by the rules of law and evidence governing the determination of questions of law and fact, so far as the same may be applicable, and may dismiss the proceedings if the statement of the cause or causes of the contest is insufficient or for want of prosecution- After hearing the proof and allegations of the parties, the Board must pronounce judgment in the premises, either confirming, or annulling and setting aside such election.
