Ordinance No. 52

Regulating the Laying of all kinds of Pipes in the Streets and Alleys of the City of San Diego, and the use of the streets, Alleys and Public Grounds in said City, for Gas, Water, Drainage and Sewer Purposes.

Be it ordained by the Common Council of the City of San Diego as follows:

Section 1. That subject to the provisions of this ordinance the Board of Public Works shall control and regulate the laying of all kinds of pipes in and the use of the streets alleys and public grounds of the City for gas, water, drainage and sewer purposes.

Section 2. Before laying any pipes for such purposes every person, company, corporation or association shall, on a written application, obtain from said Board of Public Works a written permit accurately describing the location, extent and character of the work to be done; and the work shall be done in strict conformity to such permit.

Section 3. Under the direction of said Board of Public Works the City Engineer shall establish the elevation of grade for all pipes and set stakes for the laying of new pipes, but the top of all main pipes shall be not less than thirty six (36) inches below the surface of the street as fixed by the established grade. The City Engineer shall charge for all work herein provided for such fees as have heretofore been fixed by ordinance.

Section 4. The main pipes of the San Diego Gas and Electric Light Company shall be placed in the west side of streets running North and South and in the North side of streets running East and West and on a line parallel with and ten feet from the center line of the street; and the main pipes of the San Diego and Coronado Water Company shall be placed in the East side of streets running North and South and in the South side of streets running East and West and on a line parallel with and ten feet from the center line of the street; provided that where there are public alleys and when it is practicable so to do all gas, water and sewer pipes shall be laid in such alleys, the gas pipes five feet from the west line of alleys running North and South and five feet from the North line of alleys running East and West, the water pipes five feet from the East line of alleys running North and South and five feet from the South line of alleys running East and West, and sewer pipes in the center of all alleys.

Section 5. Gas and water service pipes shall not be laid in the same ditch and all stop cocks and the boxes thereof shall be placed inside of and adjoining the curb line, the top of the box to be on a level with the grade of the sidewalk.

Section 6. The San Diego Gas and Electric Light Company and the San Diego and Coronado Water Company and all other persons companies corporations and associations now having pipes for any of the purposes mentioned in the streets of the City shall, within ninety days after the passage of this ordinance, file in the office of the Board of Public Works maps on a scale of not less than four hundred feet per inch accurately showing the location, size and quality of all pipes belonging to them or either

of them now lying in the streets of the City, and also showing the location of all fire hydrants and the length, size and kind of pipe leading to the same from the main pipe and denoting the normal pressure in pounds per square inch at each hydrant.

Section 7. At periods of six months after the filing of the maps required by Section 6 such persons companies, corporations and associations shall file in the office of said Board of Public Works supplemental maps, on the said scale, accurately delineating the location, size and quality of all new and additional pipes laid.

Section 8. The Street Superintendent shall inspect all back filling of trenches and require the same to be done in an efficient manner and so as not to impair the street.

Section 9. Every person, company, corporation or association violating any of the provisions of this ordinance shall be fined in any sum not exceeding three hundred dollars (\$300), and each month of such violation shall be and constitute a separate offense.

Section 10. Ordinance numbered three hundred and thirty-five (335) and all other ordinances and parts of ordinances in conflict herewith are hereby repealed.

Section 11. This ordinance shall take effect and be in force from and after its passage and one publication in the San Diego Daily Sun.

Passed and adopted by the Board of Aldermen on the 10th day of December 1889 and signed in open session by the President of said Board this Dec. 17th 1889.

Ordinance No. 53.

An ordinance providing specifications for the grading of streets.

Be it ordained by the Common Council of the City of San Diego as follows.

Section 1. All street grading in the City of San Diego shall hereafter be performed in accordance with the following specifications: The City Engineer shall set stakes indicating the exact depth of cutting or filling required to bring the Street to the official grade established by ordinance and as illustrated by the plans and profiles in his office, and the Contractor shall preserve such stakes until the work is completed <sup>and</sup> on pay the expense of replacing those improperly removed.

The grading shall include such cleaning, grubbing, cutting, filling and other labor as may be necessary to properly form the roadway, gutters and sidewalk.

The earth taken from excavations shall be used in making Embankments at the most convenient points on the street and no material or Earth shall be removed from the Street except by the written authority and direction of the City Engineer.

No rubbish or perishable material shall be used and all boulders and loose stone shall be buried at least six inches below the surface of the finished grade. Care shall be taken to so mix the Earth that there will be no soft places or sand pockets.

Upon all Embankments or fills there shall be placed a top dressing of Earth of uniform quality and of such character as will form a compact surface, and such percentage of allowance for settlement shall be made as shall be

directed by the City Engineer; and when the filling exceeds two feet or the cutting exceeds one foot in depth all trees standing on the margin of the street shall be removed unless the owner of the abutting property shall at his own expense place them to grade when so requested by the Contractor.

The City Engineer shall direct the disposition of all earth and other materials excavated from the street and when the same are hauled a greater distance than Five hundred (500) feet such allowance for each one hundred feet of excess thereof shall be made for overhaul as is specified in the bid and contract.

All earth and materials not needed on the street shall be the property of the City and shall be disposed of by the Street Superintendent under the direction of the Board of Public Works.

The Contractor shall furnish all tools, machinery, and labor, and provide all temporary bridges, drains etc required to protect the work from damage, and prosecute all work with diligence and without unnecessary delay. The Street Superintendent shall supervise all work and shall not approve nor accept the same until the street throughout is finished to the form of cross section and to the elevations required by the official grade.

All bids and contracts shall specifically state the price per cubic yard for cutting, the price per cubic yard for filling, the price per cubic yard for overhauls; and no other items of expense shall be allowed unless they are particularly set forth in the contract.

Incidental expenses shall include the cost of all publication and posting and the labor and material incident thereto and the compensation of the City Engineer for surveys and estimates and the cost of all labor and material furnished by him, all of which incidental expenses shall be

advanced by the City as they occur and be charged against the street.

Section 2. This ordinance shall take Effect and be in force from and after its passage and one publication in the San Diego Daily Sun

-ORDINANCE No. 55.

AN ORDINANCE GRANTING A FRANCHISE TO DAVID D. DARE FOR AUTHORITY TO CONSTRUCT AND MAINTAIN AND OPERATE FOR THE PERIOD OF TWENTY-FIVE YEARS, A DOUBLE TRACK CABLE STREET RAILWAY ALONG AND UPON CERTAIN STREETS IN THE CITY OF SAN DIEGO, CALIFORNIA.

Be it ordained by the Common Council of the City of San Diego, California:

Section 1. That David D. Dare have, and he is hereby granted authority to construct, and maintain and operate for the period of twenty-five years, a double track cable street railway along and upon the following streets in the City of San Diego, County of San Diego, State of California, Viz:-

Commencing on Fourth street, at the south line of Palm street in Horton's addition, thence running north on and over Fourth street to Ferry avenue in Nutt's addition; thence running across and over Ferry avenue, in a northwesterly direction, to Fourth street in Nutt's addition; thence running north on and over Fourth street in Nutt's addition and Brook's addition to the center of Newhall avenue; thence running east on and over Newhall avenue, through Hill and King's addition and Nutt's addition, to Cleveland avenue in Estudillo and Capron's addition; thence running east on and over Cleveland avenue to University boulevard in University Heights; thence running on and over said University boulevard to the intersection of Park boulevard; thence to a point on said boulevard directly west of the southwest corner of block number 98 in University Heights.

Upon the following conditions and limitations, viz:-

I.

That the cars upon said cable railway shall be propelled by wire ropes running under the surface of the streets, and moved by stationary steam engines; but if at any time the railway cannot be operated by cable, owing to accident to the cable or machinery, horses or mules may be used to propel cars thereon during the time necessary to repair the said cable or machinery.

II.

That said cable railway shall be constructed in such a manner as will present the least obstruction to the free use of said streets -the tracks to be as nearly as possible in the center thereof.

III.

That the grantee, or his assigns, shall plank, pave or macadamize, as the said Council may direct, the entire length of that portion of said streets used by said railway tracks, between the rails and for two feet on each side thereof; and between the tracks, and keep the same constantly in repair -flush with the street, and with good crossings.

IV.

That the track shall not be more than five feet within the rails; and shall have a space between them, and between side tracks, turnouts and switches of not exceeding five feet, being sufficient to allow the cars to pass each other freely.

V.

That work on the construction of said cable railway shall commence within two days after the granting of the franchise therefor, and

six hundred feet of one track thereof completed within five days thereafter, and one track shall be wholly completed and operated within twelve months, and the balance within three years.

VI.

That the City of San Diego reserves the right to grade, pave, macadamize, sewer or otherwise improve, alter or repair the said streets, such work to be done so as to obstruct the said railway as little as possible, the grantee shall shift and re-shift said rails so as to avoid the obstructions made thereby.

VII.

That the laying of said tracks, and all side tracks, turnouts, switches, or curves, shall conform in all cases with the grade of any of said streets which have been graded, and in all other cases as near to the natural grade of such street as practicable; and when at any time any part of said route shall be graded, or the grade thereof altered or changed by the said Common Council, the bed of the road and the tracks thereon shall be made to conform therewith by the grantee.

VIII.

That no switch shall be constructed or maintained within fifty feet of any cross street, and the location of such switches or turnouts shall be changed at the expense of the grantee whenever so ordered by the said Common Council.

IX.

That the City Engineer shall, under the direction of the Common Council, give the established grades of the streets along the line of the construction of said railway, and set stakes indicating the

said grade; he shall see that the said railway is constructed and maintained in conformity to the terms and requirements of the franchise; and for his services as herein required he shall receive such fees as are provided therefor, and the same shall be paid by the grantee.

Section 2. That the certified check for two thousand dollars, accompanying said grantee's bid, shall remain in the possession of the City Clerk to be returned to said grantee upon the completion of one track of said railway, provided the said one track thereof be completed within twelve months from the date hereof, otherwise to be paid into the city treasury at the end of said twelve months, and be and remain the property of the City of San Diego.

Section 3. That the failure to comply with any of the conditions of the franchise shall work a forfeiture of the rights and privileges granted thereby.

Section 4. That the Common Council reserves the right to repeal, amend or modify this ordinance.

Section 5. That this ordinance shall take effect and be in force from and after its passage and approval, and one publication thereof in the SAN DIEGO SUN, a newspaper printed and published in said city of San Diego, and being the official paper.

Passed & adopted by the Board of Alderman of the City of San Diego, on the 17th day of December. 1889. & signed in open session by the President of said Board, on the 17th day of December. 1889.

ORDINANCE NO. 64.

*An ordinance amending section five of Ordinance No. 19, entitled an ordinance imposing municipal licenses in the City of San Diego, State of California, and providing the manner of issuing and collecting the same, regulating the manufacture, sale and giving away of intoxicating liquors in said city, prescribing the duties of certain officers of said city, and fixing a penalty for its violation.*

[Approved February 25th, 1890.]

Be it ordained by the Common Council of the City of San Diego as follows:

Section 1. That section five of Ordinance No. 19, and being entitled an ordinance imposing municipal licenses in the City of San Diego, State of California, and providing the manner of issuing and collecting the same, regulating the manufacture, sale and giving away of intoxicating liquors in said city, prescribing the duties of certain officers of said city, and fixing a penalty for its violation, be so amended as to read as follows:

Sec. 5. No license shall be ordered issued by the Common Council except upon a petition from the applicant therefor, signed by five respectable taxpayers of said city, residing or doing business in the immediate vicinity where said liquors are to be sold, and that the applicant is a sober and suitable person to keep and conduct said place of business. That all such petitions for said license shall be accompanied by the amount of money required by this ordinance as the rate to be paid for the kind of business asked for by said petitioner, and no petition shall be presented to the Common Council unless the required amount of money has been deposited with the City Clerk before said petition is presented to the Common Council. Should said license be refused the amount so deposited shall be returned to the applicant. All licenses herein provided for shall be due and payable on the 10th day of each month, and in advance, at the office of the Tax Collector of said city, as hereinbefore provided. That said Tax Collector must, on the 12th day of each month, furnish to the Chief of Police of said city a complete list of all persons to whom licenses have been issued for the preceding month, with the place of business of such persons who have not paid the license required to be paid on the 10th day of each month, as herein provided. And in addition to all other duties imposed by this ordinance on said Chief of Police, he shall visit immediately the places of the persons named in the list furnished him by said Tax Collector and arrest the person or persons found at said place selling or giving away any spirituous, vinous, malt or other intoxicating liquor without the license required by this ordinance.

Sec. 2. That this ordinance shall take effect and be in force from and after its passage and ten days publication in the San Diego Daily Sun.

I hereby certify that the above and foregoing is a full, true and correct copy of Ordinance No. 64 of the City of San Diego, California, adopted February 17th, 1890, as found on page 45 of Ordinance Book No. 3 record of the City of San Diego.

TWENTY-SEVENTH: For water required and used for purposes not specified in the above rates, the rate shall be in accordance with and in conformity to said above rates.

TWENTY-EIGHTH: For the purpose of irrigating, any water Company, corporation or person engaged in the business of furnishing or supplying water to said city or its inhabitants may charge and collect from the owner, agent or occupant, for the period of seven months, beginning July 1st, 1890, and

ending December 1st, 1890, and beginning May 1st, 1891 and ending June 30th, 1891, for every lot having a dwelling house thereon and being occupied and in the residence portion of said city, as follows:

For every lot with a dwelling house thereon and the same being occupied, of not more than twenty five feet, 25 cents per month.

For every lot with a dwelling house thereon, the same being occupied, and not more than fifty feet, 50 cents per month, but (sic) said company, corporation or person shall not collect for more than one lot and said lot being the one upon which the said dwelling house is located unless the owner, agent or occupant shall request said company, corporation or person, so furnishing water.

to furnish water for additional lots in which case the same rate per lot shall be collected by said company, corporation or person, Provided, however, should such owner, agent or occupant be paying for water furnished by meter rates, the said 25 cents or 50 cents as herein provided shall not be collected by said company, person or corporation.

TWENTY NINTH: Said company, corporation or person, shall make no charge for any pipe or fire apparatus connected with their mains and to be used only in case of fire.

SECTION 2. Any person or association, or water company so furnishing water to said city, shall have the power in all cases to apply meters and collect meter rates; but when said meters are so placed by said company, corporation or person, the same shall not charge only by said meter and according to meter rates.

Any water rate payer shall have the right to demand a meter and pay a meter rate for water upon tendering to any company, corporation or person

furnishing water the sum of seven dollars for placing and connecting the same to the supply pipe of such water rate payer, upon the demand and tender of said sum by any water rate payer, it shall be the duty of any such company, corporation or person to furnish, place and maintain such meters,, provided that any such company, corporation or person may charge the special rate up to three dollars per month instead of meter rates, but only when such rate payer shall demand such meter. If any consumer after having a meter put in discontinues or abandons the use thereof, he shall pay to the owner of the same \$3 for removing it. All water rates, except meter rates, are due and payable monthly in advance on presentation of bill, and if not so paid shall be subject to an addition of 5 per cent. Meter rates are due and payable monthly on presentation of bill, and if not so paid shall be subject to an addition of 5 per cent.

Section 3. The water company, association, corporation or person engaged in the business of supplying or furnishing water, by their or his authorized agents, shall be allowed free access to make personal examination of the premises of any applicant for, or consumer of water to designate the rates as herein established and for inspection of water pipes and apparatus.

SECTION 4. This Ordinance shall take effect and be in force from and after its passage, and five days publication in the San Diego Daily Sun.

Passed, approved and adopted by the Board of Delegates, of the City of San Diego, California, February 25th 1890, and signed in open session by the President of said Board February 25th 1890.

Ordinance No. 70

An ordinance to regulate blasting within the City limits.

Be it ordained by the Common Council of the City of San Diego, as follows:

Section 1

It shall be unlawful to explode any blasts or use any powder or other explosive material for the purpose of blasting anywhere within the City limits of San Diego south of the San Diego river without first obtaining permission in writing from the Board of Public Works, and no blasting of any character whatever will be allowed within twenty feet of any brick building. All blasts must be covered with timbers, planks or other heavy material sufficiently to prevent fragments of rock or earth from being thrown against or upon adjacent lots or buildings or upon any public highway.

Before exploding any blasts warning must be given to all passersby in the vicinity, and to all persons living in the neighborhood of such blasts.

All contractors or owners of property or corporations doing such work shall be required to give a good and sufficient bond, subject to the approval of the Board of Public Works, for the payment of all damages resulting from blasting performed or ordered by them, and all such persons will be held responsible for damage or injury to persons or property.

Section 2

All persons violating any of the provisions of this ordinance shall be subject to a fine of any sum not exceeding Five hundred Dollars.

Section 3

This ordinance shall take effect and be in force from and after its passage and one publication in the San Diego Daily Sun Newspaper.

ORDINANCE NO. 89.

An Ordinance Providing for a Special Election to be held with the city of San Diego, California, Submitting to the Qualified Electors Thereof the Question Shall that Portion of Said City known as Coronado Beach be Excluded from Said City and Cease to be a Part Thereof.

BE IT ORDAINED BY THE COMMON COUNCIL OF THE CITY OF SAN DIEGO AS FOLLOWS;--

SEC.1;-- That the Legislature of the State of California passed a certain act, which act is entitled "An Act to Provide for Changing the Boundaries of Cities and Municipal Corporations and to Exclude Territory therefrom" which act wa duly approved and became a law on the 20th day of March, 1889, said act being in the words and figures following, to wit:

"An act to provide for changing the boundaries of cities and municipal corporations, and to exclude territory therefrom.

(Approved March 20, 1889.)

The People of the States of California, represented in Senate and Assembly, do enact as follows:

SECTION: The boundaries of any city or municipal corporation may be altered and territory excluded therefrom after preceding had as required in this section. The Council, Board of Trustees, or other legislative body of such corporation, shall upon receiving

a petition therefor, signed by not less than one fifth of the qualified electors thereof as shown by the vote cast at the last municipal election held therein, submit to the electors of such corporation the question whether such territory as is proposed by such petition shall be excluded from such municipal corporation and cease to be a part thereof. Such question shall be submitted at a Special Election to be held for that purpose, and such legislative body shall give notice thereof by publication in a newspaper printed and published in such corporation for a period of four weeks prior to such election. Such notice shall distinctly state the proposition to be submitted, and shall designate specifically the boundaries of the territory so proposed to be excluded. And the electors shall be invited thereby to vote upon such proposition by placing upon their ballots the words "For Exclusion" or "Against Exclusion" or words equivalent thereto. Such legislative body shall also designate the places or places at which the polls will be opened in such territory so proposed to be excluded, which place or places shall be that or those usually used for that purpose within such territory if any such there be, and for the purposes of this act, the qualified electors residing in the territory proposed to be excluded shall be entitled to vote at the polls in such territory and not elsewhere. Such legislative body shall also appoint and designate in such notice the names of the Officers of election. Such legislative body shall meet on the Monday next succeeding the day of such election, and proceed to canvass the votes cast thereat. The votes cast in such territory so proposed to be excluded shall be

canvassed separately, and if it shall appear on such canvass that a majority of all the votes cast in such territory, and a majority of all the votes in such a corporation shall be for exclusion, such such legislative body shall, by an order upon their minutes, cause their Clerk, or other officer performing the duties of clerk, to make and transmit to the Secretary of State a certified abstract of such vote, which abstract shall show the whole number of electors voting in such territory, the whole number electors voting in such corporation exclusive of such territory, the whole number of votes cast in each exclusion, and the whole number of votes cast in each against exclusion. From and after the date of filling such abstract such exclusion of such territory from such municipal corporation shall be deemed complete, and thereafter such territory shall cease to be a part of such municipal corporation; provided that nothing contained in this act shall be held to relieve in any manner whatsoever any part of such territory from any liability for any debt contracted by such municipal corporation prior to such exclusion; and provided further, that such municipal corporation is hereby authorize to levy and collect from any territory so excluded, from time to time, such sums of money as shall be found due from it on account of its just proportion of liability for any payment on the principal or interest of such debts. Such assessment and collection shall be made in the same manner and at the same time that such assessment and collection is levied and made upon the property of such municipal corporation for any payment on account of such debts; and provided further, that any such territory so excluded from any municipal corporation may at

any time tender to the legislative body of such municipal corporation, the amount for which such territory is liable of account of such debts, and after such tender is made, such authority as is herein given municipal corporation to levy and assess taxes on such excluded territory shall cease.

SEC.2. This Act shall take effect and be in force from and after its passage."

SEC.2:-- That a petition containing the names of not less than one fifth of the qualified electors of said municipal corporation as shown by the votes cast at the last municipal election held therein and all other conditions and provisions of said Act of March 20, 1889, having been complied with, that the City Clerk be, and he is hereby ordered under the provisions of said Act of March 20th, 1889, to cause the following notice of election to be published in the San Diego Daily Sun, a newspaper printed and published in the City of San Diego, California, for a period of four weeks prior to the 6th day of October 1890, to wit:

NOTICE OF SPECIAL ELECTION, SUBMITTING TO THE VOTERS OF THE CITY OF SAN DIEGO, THE QUESTION WHETHER OR NOT CORONADO BEACH SHALL BE EXCLUDED FROM SAID CITY AND CEASE TO BE A PART THEREOF.

Notice is hereby given by the Common Council of the city of San Diego, State of California, that there will be a special election held in said City on Monday the Sixth day of October 1890, at which election there hereby is, and there shall be, submitted to the electors of said City the question whether or not the boundary of the City of San Diego, in the County of San Diego, State of California, shall be altered and the following described

territory be excluded therefrom and cease to be a part thereof, viz: That portion of the said city of San Diego known as Coronado Beach, and being specifically described as follows: Commencing at a point where a line drawn from the southwest corner of Pueblo Lot Number 1168 to the old light-house on point Loma would intersect the east shore of the Peninsula of San Diego; thence westerly along said line to the Pacific Ocean; thence northwesterly along the Pacific ocean to the most westerly point of the Peninsula of San Diego; thence along the shore of the Bay of San Diego, at first generally northerly and easterly to the point of beginning.

That the electors of said City of San Diego be, and they are hereby invited to vote upon such proposition at said election by placing upon their ballots either the words "FOR EXCLUSION" or "AGAINST EXCLUSION," or words equivalent thereto.

ORDINANCE NO. 89

An Ordinance, Providing for a Special Election to be held within the City of San Diego, California, Submitting to the Qualified Electors thereof a Question Subject to the Decision of Said City known as Coronado Beach to be Excluded from Said City and Come to be a Part thereof.

BE IT ORDAINED BY THE COMMON COUNCIL OF THE CITY OF SAN DIEGO AS FOLLOWS:--

SEC. 1:-- That the Legislature of the State of California passed a certain act, which act is entitled "An Act to Provide for Changing the Boundaries of Cities and Municipal Corporations and to Exclude Territory Therefrom," which act was duly approved and became a law on the 20th day of March, 1889, said act being in the words and figures following, to-wit:

"An act to provide for changing the boundaries of cities and municipal corporations, and to exclude territory therefrom.

(Approved March 20, 1889.)

The People of the State of California, represented in Senate and Assembly, do enact as follows:

SECTION 1: The power of the Legislature to change the boundaries of cities and municipal corporations may be exercised and laws may be enacted therefor after complying with the requirements herein provided. The Council, Board, or Trustees, or other legislative body of such corporation, shall upon receiving a petition therefor, signed by not less than one fifth of the qualified electors thereof as shown by the vote cast at the last municipal election held therein, submit to the electors at such

corporation the question whether such territory as is proposed by such petition shall be excluded from such municipal corporation and cease to be a part thereof. Such question shall be submitted at a Special Election to be held for that purpose, and such legislative body shall give notice thereof by publication in a newspaper printed and published in such corporation for a period of four weeks prior to such election. Such notice shall distinctly state the proposition to be submitted, and shall designate specifically the boundaries of the territory so proposed to be excluded. And the electors shall be invited thereby to vote upon such proposition by placing upon their ballots the words 'For Exclusion' or 'Against Exclusion' or words equivalent thereto. Such legislative body shall also designate the places <sup>or places</sup> at which the polls will be opened in such territory so proposed to be excluded, which place or places shall be that or those usually used for that purpose within such territory, if any such there be, and for the purposes of this act, the qualified electors residing in the territory proposed to be excluded shall be entitled to vote at the polls in such territory and not elsewhere. Such legislative body shall also appoint and designate in such notice the names of the officers of election. Such legislative body shall meet on the Monday next succeeding the day of such election, and proceed to canvass the votes cast thereat. The votes cast in such territory so proposed to be excluded shall be canvassed separately, and if it shall appear on such canvass that a majority of all ~~the~~ the votes cast in such territory, and a majority of all the votes in such corporation, shall be for exclusion, such legislative body

shall, by an order entered upon their minutes, cause their  
Clerk, or other officer performing the duties of clerk, to make and  
transmit to the Secretary of State a certified abstract of such  
vote, which abstract shall show the whole number of electors voting  
in such territory, the whole number of electors voting in such  
corporation exclusive of such territory, the number of votes cast  
in each for exclusion, and the whole number of votes cast in each  
against exclusion. From and after the date of filing such ab-  
stract such exclusion of such territory from such municipal corpo-  
ration shall be deemed complete, and thereafter such territory  
shall cease to be a part of such municipal corporation; provided  
that nothing contained in this Act shall be held to relieve in any  
manner whatsoever any part of such territory from any liability  
for any debt contracted by such municipal corporation prior to  
such exclusion; and provided further, that such municipal corpora-  
tion is hereby authorized to levy and collect from any territory  
so excluded, from time to time, such sum of money as shall be  
found due from it on account of its just proportion of liability  
for any payment on the principal or interest of such debts. Such  
assessment and collection shall be made in the same manner and at  
the same time that such assessment and collection is levied and  
made upon the property of such municipal corporation for any  
payment on account of such debts; and provided further, that any  
such territory so excluded from any municipal corporation may at  
any time tender to the legislative body of such municipal corpora-  
tion, the amount for which such territory is liable on account of  
such debts, and after such tender is made, such authority as is  
herein given municipal corporation to levy and assess taxes on such

excluded territory shall cease.

SEC.2. This Act shall take effect and be in force from and after its passage."

SEC.3:-- That a petition containing the names of not less than one fifth of the qualified electors of said municipal corporation as shown by the votes cast at the last municipal election held therein and all other conditions and provisions of said Act of March 20, 1889, having been complied with, that the City Clerk be, and he is hereby ordered under the provisions of said Act of March 20th, 1889, to cause the following notice of election to be published in the San Diego Daily Sun, a newspaper printed and published in the City of San Diego, California, for a period of four weeks prior to the 6th day of October 1890, to wit:

NOTICE OF SPECIAL ELECTION, SUBMITTING TO THE VOTERS OF THE CITY OF SAN DIEGO THE QUESTION WHETHER OR NOT CORONADO BEACH SHALL BE EXCLUDED FROM SAID CITY AND CEASE TO BE A PART THEREOF.

Notice is hereby given by the Common Council of the City of San Diego, State of California, that there will be a special election held in said City on Monday the Sixth day of October 1890, at which election there hereby is, and there shall be, submitted to the electors of said City the question whether or not the boundary of the City of San Diego, in the County of San Diego, State of California, shall be altered and the following described territory be excluded therefrom and cease to be a part thereof, viz: That portion of the said city of San Diego known as Coronado Beach, and being specifically described as follows: Commencing at a point where a line drawn from the southeast corner of Pueblo Lot number 1168 to the old light-house on Point Loma would intersect the east shore of the Peninsula of

San Diego; thence westerly along said line to the Pacific Ocean; thence northwesterly along the Pacific Ocean to the most westerly point of the Peninsula of San Diego; thence along the shore of the Bay of San Diego, thence generally northerly and easterly to the point of beginning.

Ordinance No. 90

An ordinance providing for and calling a special election in the City of San Diego for the purpose of voting upon the question of incurring indebtedness in the construction, completion and acquisition of water works, the cost of which is greater than the amount allowed for such purpose by the annual tax levy.

Be it ordained by the Common Council of the City of San Diego as follows:

Section 1.

That it is hereby proposed to be incurred by the City of San Diego, an indebtedness in the sum of Three hundred twenty-six thousand and 00/100 (\$326,000.00) Dollars, to provide the said City of San Diego and the inhabitants thereof with pure, fresh and wholesome water for domestic, irrigating and other purposes and thereby meet the public interest and necessity heretofore determined by ordinance #84 to exist, by the acquisition, completion and construction of a system of water-works in the City of San Diego.

That the said Common Council of the City of San Diego did on the 21st day of July 1890 pass an ordinance in the words and figures as follows:

"

Ordinance #84.

An ordinance to determine that the public interest and necessity demand the acquisition, construction and completion of water works, the cost of which is too great to be paid out of the ordinary annual income and revenue of the City of San Diego.

Be it ordained by the Common Council of the City of San Diego as follows:

Section 1.

That it is hereby determined that the public interest and necessity demand the acquisition, construction and completion of a system of water works in the City of San Diego, California, the cost of which is too great to be paid out of the ordinary income and revenue of the City of San Diego.

Section 2.

This ordinance shall take effect and be in force from and after its passage and two weeks publication in the San Diego Daily Sun,"

and which said ordinance #84, was duly published for two weeks immediately after its passage in the San Diego Daily Sun a newspaper printed and published in the City of San Diego and being the official paper of said City, and which ordinance was duly approved by the Mayor of the said City on the 22nd day of July, 1890.

Section 3.

That the estimated cost of said public improvements, according to the plans and estimates made by J. D. Tchuyled, who is a competent engineer and who has had successful experience in such work, by him furnished to the said Common Council of the City of San Diego, is the sum of three hundred twenty=six and 00/100 (\$326.00) dollars,

Section 4.

That the public necessity of the City of San Diego requires such improvement to provide the said City of San Diego and the inhabitants thereof with pure, fresh and wholesome water for domestic, irrigating and other purposes.

Section 5.

That the bond of the City of San Diego shall issue for the sum of Three hundred twenty-six thousand and 00/100 (\$326,000.00) dollars, which said amount together with all other indebtedness for public improvements incurred by the City of San Diego, does not aggregate a sum in excess of five (5) per cent of the assessed value of all the real and personal property of said City, - for the payment of the cost of said improvement as in this ordinance set forth, if the proposition be accepted by the qualified voters of the City of San Diego as hereinafter provided.

Section 6.

Said bonds shall be known as serials and numbered from one (1) to four hundred (400) respectively of eight hundred fifteen and 00/100 (\$815.00) dollars each, and bearing interest at the rate of five (5) per cent per annum from date of issue, payable on or before twenty (20) years from date of issue, and one-twentieth (1/20) part of the whole amount of indebtedness incurred for said improvements shall be paid each and every year, and said one-twentieth (1/20) part of the whole amount of indebtedness incurred for said improvements together with the interest on all sums unpaid at such date shall be paid annually on the first day of July of each year at the office of the City Treasurer of the City of San Diego, California.

Section 7.

That a special election in the City of San Diego is hereby called to be held on the 4" day of October 1890, in the same manner as is provided for special elections and at which election the ballots shall contain the words "For incurring indebtedness" and "Against incurring indebtedness."

Section 8.

Said election shall be held as provided by law for holding such elections in such municipal corporations.

Section 9.

This ordinance shall be published once a day for ten consecutive days (Sundays excepted) in the San Diego Daily Sun, after which it shall be in full force and effect.

Passed, approved & adopted by the Board of Delegates of the City of San Diego, California and by a two-thirds vote of said Board on September 7- 1890 & signed in open session by the President of said Board, September 7- 1890.

D. H. Hewitt

President of the Board of Delegates

Passed, approved and adopted by the Board of Aldermen of the City of San Diego, California and by a two thirds vote of said Board on August 19th, 1890, and signed by the President of said Board in open session thereof this September 2nd 1890.

ORDINANCE NO. 95.

An Ordinance Granting a Franchise to the San Diego Cable Railway Company to Construct and Maintain and Operate for the Period of Twenty-five Years, a Double Track Cable Street Railway Along and Upon Certain Streets in the City of San Diego.

BE IT ORDAINED By the Common Council of the City of San Diego, California:

SEC.1:--That the San Diego Cable Railway Company have and it is hereby granted authority to construct and maintain and operate for the period of twenty-five years, a double track cable street railway along and upon the following streets in the City of San Diego, County of San Diego, State of California, viz: Commencing at a point on Park Boulevard, directly west of the southwest corner of Block Number 98 in University Heights, thence running north along said Boulevard and Caroline Streets to the north line of Adams Avenue, on said University Heights, upon the following conditions and limitations, viz:

I.

That the cars upon said Cable Railway shall be propelled by wire ropes running under the surface of the streets, and moved by stationery steam engines; but if at any time the railway cannot be operated by cable owing to accident to the cable or machinery, horses or mules may be used to propel cars thereon during the time necessary to repair the said cable or machinery.

II.

That said Cable Railway shall be constructed in such a manner as will present the least obstruction to the free use of said streets -- the tracks to be as nearly as possible in the centre thereof.

III.

That the grantee or its assigns shall plan, pave or macadamize, as the said Council may direct, the entire length of that portion of said streets used by said railway tracks between the rails and for two feet on each side thereof and between the tracks and keep the same constantly in repair, flush with the street, and with good crossings.

IV.

That the track shall not be more than five feet within the rails, and shall have a space between them, and between side tracks turnouts and switches of not exceeding five feet, being sufficient to allow the cars to pass each other freely.

V.

That work on the construction of said Cable Railway shall commence within two days after granting the franchise therefor and be prosecuted continuously, and one track shall be wholly completed and operated within twelve months, and the balance within three years.

VI.

That the City of San Diego reserves the right to grade, pave, macadamize, sewer, or otherwise improve, alter or repair the said streets, such work to be done so as to obstruct the said railway as little as possible, the grantee shall shift and reshift said rails so as to avoid the obstructions made thereby.

VII.

That the laying of said tracks and all side tracks, turnouts, switches or curves, shall conform in all cases with the grade of any of said streets which have been graded and in all other cases as near to the natural grade of such street as practicable; and when at any time any part of said route shall be graded or the grade thereof altered or changed by the said Common Council, the bed of the road and the tracks thereon shall be made to conform therewith by the grantee.

VIII.

That no switch shall be constructed or maintained within fifty feet of any cross street, and the location of such switches or turnouts shall be changed at the expense of the grantee whenever so ordered by the said Common Council.

IX.

That the City Engineer shall, under the direction of the Common Council, give the established grades of the streets along the line of the construction of said railway, and set stakes indicating the said grade; he shall see that the said railway is constructed and maintained in conformity to the terms and requirements of the franchise, and for his services as herein required he shall receive such fees as are provided therefor, and the same shall (sic) be paid by the grantee.

SEC.2:--That the failure to comply with any of the conditions of the franchise shall work a forfeiture of the rights and privileges granted thereby.

SEC.3:-- That the Common Council reserves the right to repeal amend, or modify this ordinance.

SEC.4:-- That this ordinance shall take effect and be in force from and after its passage and approval and one publication thereof in the San Diego Daily Sun, a newspaper printed and published in said city of San Diego, and being the official paper.
