DOCUMENT NO. 742
Ordinance No. 52

Regulating the Laying of all kinds of Pipes in the Streets and Alleys of the City of San Diego, and the use of the streets, Alleys and Public Grounds in said City, for Gas, Water, Drainage and Sewer Purposes.

Be it ordained by the Common Council of the City of San Diego as follows:

Section 1. That subject to the provisions of this ordinance the Board of Public Works shall control and regulate the laying of all kinds of pipes in and the use of the streets, alleys and public grounds of the City for gas, water, drainage and sewer purposes.

Section 2. Before laying any pipes for such purposes every person, company, corporation or association shall, on a written application, obtain from said Board of Public Works a written permit accurately describing the location, extent and character of the work to be done; and the work shall be done in strict conformity to such permit.

Section 3. Under the direction of said Board of Public Works the City Engineer shall establish the elevation of grade for all pipes and set stakes for the laying of new pipes, but the top of all main pipes shall be not less than thirty six (36) inches below the surface of the street as fixed by the established grade. The City Engineer shall charge for all work herein provided for such fees as have heretofore been fixed by ordinance.
Section 4 The main pipes of the San Diego Gas and Electric Light Company shall be placed in the west side of streets running North and South and in the North side of streets running East and West and on a line parallel with and ten feet from the center line of the street; and the main pipes of the San Diego and Coronado Water Company shall be placed in the East side of streets running North and South and in the South side of streets running East and West and on a line parallel with and ten feet from the center line of the street; provided that where there are public alleys and when it is practicable so to do all gas, water and sewer pipes shall be laid in such alleys, the gas pipes five feet from the west line of alleys running North and South and five feet from the North line of alleys running East and West, the water pipes five feet from the East line of alleys running North and South and five feet from the South line of alleys running East and West, and sewer pipes in the center of all alleys.

Section 5 Gas and water service pipes shall not be laid in the same ditch and all stop cocks and the boxes thereof shall be placed inside of and adjoining the curb line, the top of the box to be on a level with the grade of the sidewalk.

Section 6 The San Diego Gas and Electric Light Company and the San Diego and Coronado Water Company and all other persons companies corporations and associations now having pipes for any of the purposes mentioned in the streets of the City shall, within ninety days after the passage of this ordinance, file in the office of the Board of Public Works maps on a scale of not less than four hundred feet per inch accurately showing the location, size and quality of all pipes belonging to them or either
of them now lying in the streets of the City, and also showing the location of all fire hydrants and the length, size and kind of pipe leading to the same from the main pipe and denoting the normal pressure in pounds per square inch at each hydrant.

Section 7. At periods of six months after the filing of the maps required by Section 6 such persons companies, corporations and associations shall file in the office of said Board of Public Works supplemental maps, on the said scale, accurately delineating the location, size and quality of all new and additional pipes laid.

Section 8. The Street Superintendent shall inspect all back filling of trenches and require the same to be done in an efficient manner and so as not to impair the street.

Section 9. Every person, company, corporation or association violating any of the provisions of this ordinance shall be fined in any sum not exceeding three hundred dollars ($300), and each month of such violation shall be and constitute a separate offense.

Section 10. Ordinance numbered three hundred and thirty-five (335) and all other ordinances and parts of ordinances in conflict herewith are hereby repealed.

Section 11. This ordinance shall take effect and be in force from and after its passage and one publication in the San Diego Daily Sun.
Passed and adopted by the Board of Aldermen on the 10th day of December 1889 and signed in open session by the President of said Board this Dec. 17th 1889.

Ordinance No. 53.

An ordinance providing specifications for the grading of streets.

Be it ordained by the Common Council of the City of San Diego as follows.

Section 1. All street grading in the City of San Diego shall hereafter be performed in accordance with the following specifications: The City Engineer shall set stakes indicating the exact depth of cutting or filling required to bring the street to the official grade established by ordinance and as illustrated by the plans and profiles in his office, and the contractor shall preserve such stakes until the work is completed or pay the expense of replacing those improperly removed.

The grading shall include such cleaning, grubbing, cutting, filling and other labor as may be necessary to properly form the roadway, gutters and sidewalk.

The earth taken from excavations shall be used in making embankments at the most convenient points on the street and no material or earth shall be removed from the street except by the written authority and direction of the City Engineer.

No rubbish or perishable material shall be used and all boulders and loose stone shall be buried at least six inches below the surface of the finished grade. Care shall be taken to so mix the earth that there will be no soft places on sand pockets.

Upon all embankments or fills there shall be placed a top dressing of earth of uniform quality and of such character as will form a compact surface, and such percentage of allowance for settlement shall be made as shall be
directed by the City Engineer; and when the filling exceeds two feet or the cutting exceeds one foot in depth all trees standing on the margin of the street shall be removed unless the owner of the abutting property shall at his own expense place them to grade when so requested by the Contractor.

The City Engineer shall direct the disposition of all earth and other materials excavated from the street and when the same are hauled a greater distance than Five hundred (500) feet such allowance for each one hundred feet of excess thereof shall be made for overhaul as is specified in the bid and contract.

All earth and materials not needed on the street shall be the property of the City and shall be disposed of by the Street Superintendent under the direction of the Board of Public Works.

The Contractor shall furnish all tools, machinery, and labor, and provide all temporary bridges, drains etc required to protect the work from damage, and prosecute all work with diligence and without unnecessary delay.

The Street Superintendent shall supervise all work and shall not approve nor accept the same until the street throughout is finished to the form of cross section and to the elevations required by the official grade.

All bids and contracts shall specifically state the price per cubic yard for cutting, filling, all excavations, the price per cubic yard for embankments, the price per cubic yard for overhaul; and no other items of expense shall be allowed unless they are particularly set forth in the contract.

Incidental expenses shall include the cost of all publication and posting and the labor and material incident thereto and the compensation of the City Engineer for surveys and estimates and the cost of all labor and material furnished by him, all of which incidental expenses shall be
advanced by the City as they occur and be charged against the street.

Section 2. This ordinance shall take effect and be in force from and after its passage and one publication in the San Diego Daily Sun.

That the cars upon said cable railway shall be propelled by wire ropes running under the surface of the streets, and moved by stationary steam engines; but if at any time the railway cannot be operated by cable, owing to accident to the cable or machinery, horses or mules may be used to propel cars thereon during the time necessary to repair the said cable or machinery.

II.
That said cable railway shall be constructed in such a manner as will present the least obstruction to the free use of said streets—the tracks to be as nearly as possible in the center thereof.

III.
That the grantee, or his assigns, shall plank, pave or macadamize, as the said Council may direct, the entire length of that portion of said streets used by said railway tracks, between the rails and for two feet on each side thereof; and between the tracks, and keep the same constantly in repair—flush with the street, and with good crossings.

IV.
That the track shall not be more than five feet within the rails; and shall have a space between them, and between side tracks, turnouts and switches of not exceeding five feet, being sufficient to allow the cars to pass each other freely.

V.
That work on the construction of said cable railway shall commence within two days after the granting of the franchise therefor, and
six hundred feet of one track thereof completed within five days thereafter, and one track shall be wholly completed and operated within twelve months, and the balance within three years.

VI.
That the City of San Diego reserves the right to grade, pave, macadamize, sewer or otherwise improve, alter or repair the said streets, such work to be done so as to obstruct the said railway as little as possible, the grantee shall shift and re-shift said rails so as to avoid the obstructions made thereby.

VII.
That the laying of said tracks, and all side tracks, turnouts, switches, or curves, shall conform in all cases with the grade of any of said streets which have been graded, and in all other cases as near to the natural grade of such street as practicable; and when at any time any part of said route shall be graded, or the grade thereof altered or changed by the said Common Council, the bed of the road and the tracks thereon shall be made to conform therewith by the grantee.

VIII.
That no switch shall be constructed or maintained within fifty feet of any cross street, and the location of such switches or turnouts shall be changed at the expense of the grantee whenever so ordered by the said Common Council.

IX.
That the City Engineer shall, under the direction of the Common Council, give the established grades of the streets along the line of the construction of said railway, and set stakes indicating the
said grade; he shall see that the said railway is constructed and maintained in conformity to the terms and requirements of the franchise; and for his services as herein required he shall receive such fees as are provided therefor, and the same shall be paid by the grantee.

Section 2. That the certified check for two thousand dollars, accompanying said grantee's bid, shall remain in the possession of the City Clerk to be returned to said grantee upon the completion of one track of said railway, provided the said one track thereof be completed within twelve months from the date hereof, otherwise to be paid into the city treasury at the end of said twelve months, and be and remain the property of the City of San Diego.

Section 3. That the failure to comply with any of the conditions of the franchise shall work a forfeiture of the rights and privileges granted thereby.

Section 4. That the Common Council reserves the right to repeal, amend or modify this ordinance.

Section 5. That this ordinance shall take effect and be in force from and after its passage and approval, and one publication thereof in the SAN DIEGO SUN, a newspaper printed and published in said city of San Diego, and being the official paper.

Passed & adopted by the Board of Alderman of the City of San Diego, on the 17th day of December, 1889. & signed in open session by the President of said Board, on the 17th day of December, 1889.

ORDINANCE No. 55

AN ORDINANCE GRANTING A FRANCHISE TO David O. Dare

FOR AUTHORITY TO CONSTRUCT, MAINTAIN AND OPERATE FOR THE PERIOD OF TWENTY-FIVE YEARS A DOUBLE TRACK CABLE STREET RAILWAY ALONG AND UPON CERTAIN STREETS IN THE CITY OF SAN DIEGO, CALIFORNIA.

Be it ordained by the Common Council of the City of San Diego, California:

Section 1. That David O. Dare have, and he is hereby granted authority to construct, maintain and operate for the period of twenty-five years a double track cable street railway along and upon the following streets in the City of San Diego, County of San Diego, State of California, viz:

Commencing on Fourth street, at the south line of Palm street in Horton's addition, thence running north on and over Fourth street to Ferry avenue in Nutt's addition; thence running across and over Ferry avenue, in a northwesterly direction, to Fourth street in Nutt's addition; thence running north on and over Fourth street in Nutt's addition and Brook's addition to the center of Newhall avenue; thence running east on and over Newhall avenue, through Hill and King's addition and Nutt's addition to Cleveland avenue in Estudillo and Capron's addition; thence running east on and over Cleveland avenue to University boulevard in University Heights; thence running on and over said University boulevard to the intersection of Park boulevard; thence to a point on said boulevard directly west of the southwest corner of block number 98 in University Heights.

Upon the following conditions and limitations, viz:

That the cars upon said cable railway shall be propelled by wire ropes running under the surface of the streets, and moved by stationary steam engines; but if at any time the railway can not be operated by cable, owing to accident to the cable or machinery, horses or mules may be used to propel cars thereon during the time necessary to repair the said cable or machinery.

II. That said cable railway shall be constructed in such a manner as will present the least obstruction to the free use of said streets—the tracks to be as nearly as possible in the center thereof.
III.

That the grantee, or his assigns, shall plank, pave, or macadamize, as the said Council may direct, the entire length of that portion of said streets used by said railway tracks, between the rails and for two feet on each side thereof; and between the tracks, and keep the same constantly in repair—flush with the street, and with good crossings.

IV.

That the track shall not be more than five feet within the rails; and shall have a space between them, and between side tracks, turnouts and switches of not exceeding five feet, being sufficient to allow the cars to pass each other freely.

V.

That work on the construction of said cable railway shall commence within two days after the granting of the franchise therefor, and six hundred feet of one track thereof completed within five days thereafter, and one track shall be wholly completed and operated within twelve months, and the balance within three years.

VI.

That the City of San Diego reserves the right to grade, pave, macadamize, sewer or otherwise improve, alter or repair the said streets, such work to be done so as to obstruct the said railway as little as possible, the grantee shall shift and re-shift said rails so as to avoid the obstructions made thereby.

VII.

That the laying of said tracks, and all side tracks, turnouts, switches, or curves, shall conform in all cases with the grade of any of said streets which have been graded, and in all other cases as near to the natural grade of such street as practicable; and when at any time any part of said route shall be graded, or the grade thereof altered, or changed by the said Common Council, the bed of the road and the tracks thereon shall be made to conform therewith by the grantee.

VIII.

That no switch shall be constructed or maintained within fifty feet of any cross street, and the location of such switches or turnouts shall be changed at the expense of the grantee whenever so ordered by the said Common Council.
That the City Engineer shall, under the direction of the Common Council, give the established grades of the streets along the line of the construction of said railway, and set stakes indicating the said grade; he shall see that the said railway is constructed and maintained in conformity to the terms and requirements of the franchise; and for his services as herein required he shall receive such fees as are provided therefor, and the same shall be paid by the grantee.

ORDINANCE NO. 64.

An ordinance amending section five of Ordinance No. 19, entitled an ordinance imposing municipal licenses in the City of San Diego, State of California, and providing the manner of issuing and collecting the same, regulating the manufacture, sale and giving away of intoxicating liquors in said city, prescribing the duties of certain officers of said city, and fixing a penalty for its violation.

[Approved February 25th, 1890.]

Be it ordained by the Common Council of the City of San Diego as follows:

Section 1. That section five of Ordinance No. 19, and being entitled an ordinance imposing municipal licenses in the City of San Diego, State of California, and providing the manner of issuing and collecting the same, regulating the manufacture, sale and giving away of intoxicating liquors in said city, prescribing the duties of certain officers of said city, and fixing a penalty for its violation, be so amended as to read as follows:

Sec. 5. No license shall be ordered issued by the Common Council except upon a petition from the applicant therefor, signed by five respectable taxpayers of said city, residing or doing business in the immediate vicinity where said liquors are to be sold, and that the applicant is a sober and suitable person to keep and conduct said place of business. That all such petitions for said license shall be accompanied by the amount of money required by this ordinance as the rate to be paid for the kind of business asked for by said petition, and no petition shall be presented to the Common Council unless the required amount of money has been deposited with the City Clerk before said petition is presented to the Common Council. Should said license be refused the amount so deposited shall be returned to the applicant. All licenses herein provided for shall be due and payable on the 10th day of each month, and in advance, at the office of the Tax Collector of said city, as hereinbefore provided. That said Tax Collector must, on the 12th day of each month, furnish to the Chief of Police of said city a complete list of all persons to whom licenses have been issued for the preceding month, with the place of business of such persons who have not paid the license required to be paid on the 10th day of each month, as herein provided. And in addition to all other duties imposed by this ordinance on said Chief of Police, he shall visit immediately the places of the persons named in the list furnished him by said Tax Collector and arrest the person or persons found at said place selling or giving away any spirituous, vinous, malt or other intoxicating liquor without the license required by this ordinance.

Sec. 2. That this ordinance shall take effect and be in force from and after its passage and ten days publication in the San Diego Daily Sun.

I hereby certify that the above and foregoing is a full, true and correct copy of Ordinance No. 64 of the City of San Diego, California, adopted February 17th, 1890, as found on page 45 of Ordinance Book No. 3 record of the City of San Diego.

TWENTY NINTH: Said company, corporation or person, shall make no charge for any pipe or fire apparatus connected with their mains and to be used only in case of fire.

SECTION 2. Any person or association, or water company so furnishing water to said city, shall have the power in all cases to apply meters and collect meter rates; but when said meters are so placed by said company, corporation or person, the same shall be charged only by said meter and according to meter rates.

Any water rate payer shall have the right to demand a meter and pay a meter rate for water upon tendering to any company, corporation or person
furnishing water the sum of seven dollars for placing and connecting the
same to the supply pipe of such water rate payer, upon the demand and
tender of said sum by any water rate payer, it shall be the duty of any
such company, corporation or person to furnish, place and maintain such
meters,; provided that any such company, corporation or person may charge
the special rate up to three dollars per month instead of meter rates,
but only when such rate payer shall demand such meter. If any consumer
after having a meter put in discontinues or abandons the use thereof, he
shall pay to the owner of the same $3 for removing it. All water rates,
except meter rates, are due and payable monthly in advance on presentation
of bill, and if not so paid shall be subject to an addition of 5 per cent.
Meter rates are due and payable monthly on presentation of bill, and if
not so paid shall be subject to an addition of 5 per cent.

Section 3. The water company, association, corporation or person engaged
in the business of supplying or furnishing water, by their or his authorized
agents, shall be allowed free access to make personal examination of the
premises of any applicant for, or consumer of water to designate the rates
as herein established and for inspection of water pipes and apparatus.

SECTION 4. This Ordinance shall take effect and be in force from and after
its passage, and five days publication in the San Diego Daily Sun.

METRIC RATES.

Twelve-foot: The rates for water furnished to consumers in any one month through meters are fixed as follows:

Twenty-two and one-half cents per 100 cubic feet, for 50 cents per 1,000 gallons, provided the amount

...
TWENTY SECOND. Where water is furnished to hotels, lodging houses, boarding houses, steam engines, gas machines or works, wash houses (Chinese or otherwise) street and sidewalk sprinkling, washing store and shop fronts, where satisfactory rates cannot be agreed upon, the meter rates shall govern.

TWENTY THIRD: Rent for each fire hydrant and for water used through such hydrant, one hundred dollars per year, to be paid monthly by said city. New hydrants to be located upon order of the Common Council and the same rates to prevail up to two hundred hydrants, and all over two hundred hydrants at sixty dollars per year, payable in the same manner. Provided that the persons associations or companies furnishing water through hydrants to the City shall maintain a pressure of forty pounds on the hydrants located at the corner of Fifth and A streets and a proportionate pressure at all other hydrants to entitle such person, association or company to the hydrant rate provided in this ordinance, and further that upon an alarm of fire a full fire pressure shall be immediately turned on.
TWENTY-FOURTH: All water used for city purposes shall be charged at the rates as above mentioned except those hereinafter mentioned.

TWENTY-SIXTH: All water used for street sprinkling purposes to be charged at the rate of ten cents per thousand gallons.

TWENTY-SIXTH: All water used for flushing sewers to be charged at the rate of fifteen cents per thousand gallons.

TWENTY-SEVENTH: For water required and used for purposes not specified in the above rates, the rate shall be in accordance with and in conformity to said above rates.

TWENTY-EIGHTH: For the purpose of irrigating, any water Company, corporation or person engaged in the business of furnishing or supplying water to said city or its inhabitants may charge and collect from the owner, agent or occupant, for the period of seven months, beginning July 1st, 1890, and ending December 1st, 1890, and beginning May 1st, 1891 and ending June 30th, 1891, for every lot having a dwelling house thereon and being occupied and in the residence portion of said city, as follows:

For every lot with a dwelling house thereon and the same being occupied, of not more than twenty five feet, 25 cents per month.

For every lot with a dwelling house thereon, the same being occupied, and not more than fifty feet, 50 cents per month, be said company, corporation or person shall not collect for more than one lot and said lot being the one upon which the said dwelling house is located unless the owner, agent or occupant shall request said company, corporation or person, so furnishing water.
to furnish water for additional lots in which case the same rate per lot shall be collected by said company, corporation or person. Provided, however, should such owner, agent or occupant be paying for water furnished by meter rates, the said 25 cents or 50 cents as herein provided shall not be collected by said company, person or corporation.

TWENTY NINTH: Said company, corporation or person, shall make no charge for any pipe or fire apparatus connected with their mains and to be used only in case of fire.

SECTION 2. Any person or association, or water company so furnishing water to said city, shall have the power in all cases to apply meters and collect meter rates; but when said meters are so placed by said company, corporation or person, the same shall charge only by said meter and according to meter rates.

Any water rate payer shall have the right to demand a meter and pay a meter rate for water upon tendering to company, corporation or person furnishing water the sum of seven dollars for placing and connecting the same to the supply pipe of such water rate payer, upon the demand and tender of said sum by any water rate payer, it shall be the duty of any such company, corporation or person to furnish, place and maintain such meters; provided that any such company, corporation or person may charge the special rate up to three dollars per month instead of meter rates, but only when such rate payer shall demand such meter.
SECTION 4. This Ordinance shall take effect and be in force from and after its passage, and five days publication in the San Diego Daily Sun.

An Ordinance providing for the Public Health, Defining Certain
Nuisances, and the Enforcement of Certain Sanitary Measures.

BE IT ORDAINED by the Common Council of the City of San Diego,
California, as follows:

SECTION 1. That all persons within the limits of the City of
San Diego, shall at all times keep the premises used by them
or subject to their control as agent or otherwise, in such condi-
tion as not to endanger the public by having or permitting any
privy vault, cess-pool, or decaying vegetables or other decompos-
able matter to become foul or offensive.

SEC. 2: That all persons living along the line of any sewer
shall, within the time specified in a written notice given by
the Board of Health that by reason of such premises not being
connected with the sewer that the same are detrimental to the
public health, connect such premises with such sewer in accordance
with the Rules of the Board of Health.

SEC. 3: That upon failure or neglect of such person, after such
proper notice being given, to comply therewith, the Health Officer
may have such premises connected with the sewer and the owner or
agent or person having control of such premises, in addition to
the penalty hereinafter provided by this ordinance shall be liable
to said city for the cost of making and connection and connecting
such premises with the sewer, to be recovered by said city in
any court of competent jurisdiction within said city.

SEC. 4: Any premises which are permitted to become in such condi-
tion as in the opinion of the Board of Health to endanger the
public health is hereby defined to be a nuisance.
SEC. 5: No animal shall be slaughtered or cut up within the
limits of the City of San Diego without a permit having been
previously granted therefor by the Board of Health.
SEC. 6: The rendering of any dead animals or fats within the limits
of the City of San Diego is hereby prohibited, unless a permit
therefor has previously been granted by the Board of Health.
SEC. 7: It shall be unlawful to keep or feed any swine within
the limits of the City of San Diego unless a permit therefor has
previously been granted by the Board of Health.
SEC. 8: It shall be unlawful to dump or leave any garbage or
other decomposable matter in the Bay of San Diego or on any lot,
street or alley in the City of San Diego.
SEC. 9: Any place within the limits of the City of San Diego
where any animals may be slaughtered, or where any fat may be
rendered, or where any swine may be fed or where any garbage or
decomposable matter may be dumped or remain in violation of the
provisions of this ordinance, are hereby declared to be nuisances
and within twenty-four hours after notice being given by the Board
of Health to the owner agent or other person having the same in
charge, such person shall remove and abate the same; and in the
event of failure by such owner, agent or other person in charge,
or having control of such premises, to remove and abate the said
nuisance, such nuisance shall be removed and abated under the
instructions of the Board of Health at the expense of the owner,
agent or occupant of such premises, to be recovered in the name of
the City of San Diego.
SEC. 10: Any person violating any of the provisions of this
Ordinance shall be deemed upon conviction to be guilty of a misde-
meanor, and in addition to the penalties heretofore provided,
shall be subject to a fine of not more than three hundred dollars,
or by imprisonment in the City jail for not more than ninety days,
or by both such fine and imprisonment.
SEC. 11: Each successive day that any person shall permit any
such nuisance to remain after time specified in notice by Board
of Health, shall be an additional offense.

ORDINANCE NO. 89.

An Ordinance Providing for a Special Election to be held with the city of San Diego, California, Submitting to the Qualified Electors Thereof the Question Shall that Portion of Said City known as Coronado Beach be Excluded from Said City and Cease to be a Part Thereof.

BE IT ORDAINED BY THE COMMON COUNCIL OF THE CITY OF SAN DIEGO AS FOLLOWS;--

SEC.1;-- That the Legislature of the State of California passed a certain act, which act is entitled "An Act to Provide for Changing the Boundaries of Cities and Municipal Corporations and to Exclude Territory therefrom" which act was duly approved and became a law on the 20th day of March, 1889, said act being in the words and figures following, to wit:

"An act to provide for changing the boundaries of cities and municipal corporations, and to exclude territory therefrom.

(Approved March 20, 1889.)

The People of the States of California, represented in Senate and Assembly, do enact as follows:

SECTION: The boundaries of any city or municipal corporation may be altered and territory excluded therefrom after preceding had as required in this section. The Council, Board of Trustees, or other legislative body of such corporation, shall upon receiving
a petition therefor, signed by not less than one fifth of the
qualified electors thereof as shown by the vote cast at the last
municipal election held therein, submit to the electors of such
corporation the question whether such territory as is proposed by
such petition shall be excluded from such municipal corporation and
cease to be a part thereof. Such question shall be submitted at
a Special Election to be held for that purpose, and such
legislative body shall give notice thereof by publication in a
newspaper printed and published in such corporation for a period
of four weeks prior to such election. Such notice shall distinctly
state the proposition to be submitted, and shall designate
specifically the boundaries of the territory so proposed to be
excluded. And the electors shall be invited thereby to vote upon
such proposition by placing upon their ballots the words "For
Exclusion" or "Against Exclusion" or words equivalent thereto
such(sic) legislative body shall also designate the places or
places at which the polls will be opened in such territory so
proposed to be excluded, which place or places shall be that or
those usually used for that purpose within such territory if any
such there be, and for the purposes of this act, the qualified
electors residing in the territory proposed to be excluded shall
be entitled to vote at the polls in such territory and not
elsewhere. Such legislative body shall also appoint and designate
in such notice the names of the Officers of election. Such
legislative body shall meet on the Monday next succeeding the day
of such election, and proceed to canvass the votes cast thereat.
The votes cast in such territory so proposed to excluded shall be
canvassed separately, and if it shall appear on such canvass that a majority of all the votes cast in such territory, and a majority of all the votes in such a corporation shall be for exclusion, such legislative body shall, by an order upon their minutes, cause their Clerk, or other officer performing the duties of clerk, to make and transmit to the Secretary of State a certified abstract of such vote, which abstract shall show the whole number of electors voting in such territory, the whole number electors voting in such corporation exclusive of such territory, the whole number of votes cast in each exclusion, and the whole number of votes cast in each against exclusion. From and after the date of filling such abstract such exclusion of such territory from such municipal corporation shall be deemed complete, and thereafter such territory shall cease to be a part of such municipal corporation; provided that nothing contained in this act shall be held to relieve in any manner whatsoever any part of such territory from any liability for any debt contracted by such municipal corporation prior to such exclusion; and provided further, that such municipal corporation is hereby authorize to levy and collect from any territory so excluded, from time to time, such sums of money as shall be found due from it on account of its just proportion of liability for any payment on the principal or interest of such debts. Such assessment and collection shall be made in the same manner and at the same time that such assessment and collection is levied and made upon the property of such municipal corporation for any payment on account of such debts; and provided further, that any such territory so excluded from any municipal corporation may at
any time tender to the legislative body of such municipal corporation, the amount for which such territory is liable of account of such debts, and after such tender is made, such authority as is herein given municipal corporation to levy and assess taxes on such excluded territory shall cease.

SEC. 2. This Act shall take effect and be in force from and after its passage.

SEC. 2:-- That a petition containing the names of not less than one fifth of the qualified electors of said municipal corporation as shown by the votes cast at the last municipal election held therein and all other conditions and provisions of said Act of March 20, 1889, having been complied with, that the City Clerk be, and he is hereby ordered under the provisions of said Act of March 20th, 1889, to cause the following notice of election to be published in the San Diego Daily Sun, a newspaper printed and published in the City of San Diego, California, for a period of four weeks prior to the 6th day of October 1890, to wit:

corporation, the question whether such territory as is proposed by
such petition shall be excluded from such municipal corporation
and cease to be a part thereof. Such question shall be submitted
at a Special Election to be held for that purpose, and such
legislative body shall give notice thereof by publication in a
newspaper printed and published in such corporation for a period
of four weeks prior to such election. Such notice shall distinct-
ly state the proposition to be submitted, and shall designate spe-
cifically the boundaries of the territory so proposed to be
excluded. And the electors shall be invited thereby to vote
upon such proposition by placing upon their ballots the words
"For Exclusion" or "Against Exclusion" or words equivalent thereto,
or places.

such legislative body shall also designate the places at which the
polls will be opened in such territory so proposed to be excluded,
which place or places shall be that or those usually used for that
purpose within such territory, if any such there be, and for
the purposes of this act, the qualified electors residing in the
territory proposed to be excluded shall be entitled to vote at
the polls in such territory and not elsewhere. Such legislative
body shall also appoint and designate in such notice the names of
the officers of election. Such legislative body shall meet on the
Monday next succeeding the day of such election, and proceed
to canvass the votes cast therein. The votes cast in such terri-
tory so proposed to be excluded shall be canvassed separately, and
if it shall appear on such canvass that a majority of all votes
in such corporation, shall be for exclusion, such legislative body

--3--
shall, by an order-executed among their minutes, cause to be
Clark, or other officer performing the duties of clerk, to make and
transmit to the Secretary of State a certified sheet of such
vote, which shall include an accurate statement of the number of votes
in such territory, for and against exclusion, in each of such voting
in such corporation exclusive of such territory, the number of votes
cast in each: for exclusion, and in whole numbers, votes cast in each
against exclusion. From and after the date of mailing such certi-
dicate, such exclusion, if made by such territory from such municipal corporation shall be deemed completed, and thereafter such territory
shall cease to be a part of such municipal corporation; provided
that nothing contained in this Act shall be held to relieve in any
manner whatever any part of such territory from any liability
for any debt contracted by such municipal corporation prior to
such exclusion; and provided further, that such municipal corpora-
tion is hereby authorized to levy and collect from any territory so excluded, from the 1st day of the month in which it shall be
found due from it on account of the just amount of debt
for any payment on the principal or interest of such debts. Such
assessment and collection shall be made in the same manner and at
the same time that such assessment and collection is made and
made upon the property of such municipal corporation for any
payment on account of such debts; and provided further, that any
such territory so excluded from any municipal corporation may at
any time tender to the legislative body of such municipal corporation
the amount for which such territory is liable on account of
such debts, and after such tender is made, such authority as is
herein given municipal corporation to levy and assess taxes on such
--3--
excluded territory shall cease.

SEC. 2. This Act shall take effect and be in force from and
after its passage.

SEC. 3.-- That a petition containing the names of not less than one
fifth of the qualified electors of said municipal corporation as
shown by the votes cast at the last municipal election held therein

ORDINANCE NO. 90

Providing for Special Election to Incur indebtedness, Construction, and acquisition Water Works

6 - 3 - 90

DOCUMENT NO. 779
Ordinance No. 90

An ordinance providing for and calling a special election in the City of San Diego for the purpose of voting upon the question of incurring indebtedness in the construction, completion and acquisition of water works, the cost of which is greater than the amount allowed for such purpose by the annual tax levy.

Be it ordained by the Common Council of the City of San Diego as follows:

Section 1.

That it is hereby proposed to be incurred by the City of San Diego, an indebtedness in the sum of Three hundred twenty-six thousand and 00/100 ($326,000.00) Dollars, to provide the said City of San Diego and the inhabitants thereof with pure, fresh and wholesome water for domestic, irrigating and other purposes and thereby meet the public interest and necessity heretofore determined by ordinance #84 to exist, by the acquisition, completion and construction of a system of water-works in the City of San Diego.

That the said Common Council of the City of San Diego did on the 21st day of July 1890 pass an ordinance in the words and figures as follows:

"Ordinance #84.

An ordinance to determine that the public interest and necessity demand the acquisition, construction and completion of water works, the cost of which is too great to be paid out of the ordinary annual income and revenue of the City of San Diego.

Be it ordained by the Common Council of the City of San Diego as follows:
Section 1.

That it is hereby determined that the public interest and necessity demand the acquisition, construction and completion of a system of water works in the City of San Diego, California, the cost of which is too great to be paid out of the ordinary income and revenue of the City of San Diego.

Section 2.

This ordinance shall take effect and be in force from and after its passage and two weeks publication in the San Diego Daily Sun," and which said ordinance #84, was duly published for two weeks immediately after its passage in the San Diego Daily Sun a newspaper printed and published in the City of San Diego and being the official paper of said City, and which ordinance was duly approved by the Mayor of the said City on the 22nd day of July, 1890.

Section 3.

That the estimated cost of said public improvements, according to the plans and estimates made by J. D. Tchuyled, who is a competent engineer and who has had successful experience in such work, by him furnished to the said Common Council of the City of San Diego, is the sum of three hundred twenty-six and 00/100 ($326.00) dollars,

Section 4.

That the public necessity of the City of San Diego requires such improvement to provide the said City of San Diego and the inhabitants thereof with pure, fresh and wholesome water for domestic, irrigating and other purposes.
Section 5.

That the bond of the City of San Diego shall issue for the sum of Three hundred twenty-six thousand and 00/100 ($326,000.00) dollars, which said amount together with all other indebtedness for public improvements incurred by the City of San Diego, does not aggregate a sum in excess of five (5) per cent of the assessed value of all the real and personal property of said City, for the payment of the cost of said improvement as in this ordinance set forth, if the proposition be accepted by the qualified voters of the City of San Diego as hereinafter provided.

Section 6.

Said bonds shall be known as serials and numbered from one (1) to four hundred (400) respectively of eight hundred fifteen and 00/100 ($815.00) dollars each, and bearing interest at the rate of five (5) per cent per annum from date of issue, payable on or before twenty (20) years from date of issue, and one-twentieth (1/20) part of the whole amount of indebtedness incurred for said improvements shall be paid each and every year, and said one-twentieth (1/20) part of the whole amount of indebtedness incurred for said improvements together with the interest on all sums unpaid at such date shall be paid annually on the first day of July of each year at the office of the City Treasurer of the City of San Diego, California.

Section 7.

That a special election in the City of San Diego is hereby called to be held on the 4th day of October 1890, in the same manner as is provided for special elections and at which election the ballots shall contain the words "For incurring indebtedness" and "Against incurring indebtedness."
Section 8.

Said election shall be held as provided by law for holding such elections in such municipal corporations.

Section 9.

This ordinance shall be published once a day for ten consecutive days (Sundays excepted) in the San Diego Daily Sun, after which it shall be in full force and effect.

Passed, approved & adopted by the Board of Delegates of the City of San Diego, California and by a two-thirds vote of said Board on September 7-1890 & signed in open session by the President of said Board, September 7-1890.

D. H. Hewitt
President of the Board of Delegates

Passed, approved and adopted by the Board of Aldermen of the City of San Diego, California and by a two thirds vote of said Board on August 19th, 1890, and signed by the President of said Board in open session thereof this September 2nd 1890.

ORDINANCE NO. 95.

An Ordinance Granting a Franchise to the San Diego Cable Railway Company to Construct and Maintain and Operate for the Period of Twenty-five Years, a Double Track Cable Street Railway Along and Upon Certain Streets in the City of San Diego.

BE IT ORDAINED By the Common Council of the City of San Diego, California:

SEC. 1.--That the San Diego Cable Railway Company have and it is hereby granted authority to construct and maintain and operate for the period of twenty-five years, a double track cable street railway along and upon the following streets in the City of San Diego, County of San Diego, State of California, viz: Commencing at a point on Park Boulevard, directly west of the southwest corner of Block Number 98 in University Heights, thence running north along said Boulevard and Caroline Streets to the north line of Adams Avenue, on said University Heights, upon the following conditions and limitations, viz:

I. That the cars upon said Cable Railway shall be propelled by wire ropes running under the surface of the streets, and moved by stationery steam engines; but if at any time the railway cannot be operated by cable owing to accident to the cable or machinery, horses or mules may be used to propel cars thereon during the time necessary to repair the said cable or machinery.

II. That said Cable Railway shall be constructed in such a manner as will present the least obstruction to the free use of said streets -- the tracks to be as nearly as possible in the centre thereof.

III. That the grantee or its assigns shall plan, pave or macadamize, as the said Council may direct, the entire length of that portion of said streets used by said railway tracks between the rails and for two feet on each side thereof and between the tracks and keep the same constantly in repair, flush with the street, and with good crossings.

IV. That the track shall not be more than five feet within the rails, and shall have a space between them, and between side tracks turnouts and switches of not exceeding five feet, being sufficient to allow the cars to pass each other freely.
V.

That work on the construction of said Cable Railway shall commence within two days after granting the franchise therefor and be prosecuted continuously, and one track shall be wholly completed and operated within twelve months, and the balance within three years.

VI.

That the City of San Diego reserves the right to grade, pave, macadamize, sewer, or otherwise improve, alter or repair the said streets, such work to be done so as to obstruct the said railway as little as possible, the grantee shall shift and reshift said rails so as to avoid the obstructions made thereby.

VII.

That the laying of said tracks and all side tracks, turnouts, switches or curves, shall conform in all cases with the grade of any of said streets which have been graded and in all other cases as near to the natural grade of such street as practicable; and when at any time any part of said route shall be graded or the grade thereof altered or changed by the said Common Council, the bed of the road and the tracks thereon shall be made to conform therewith by the grantee.

VIII.

That no switch shall be constructed or maintained within fifty feet of any cross street, and the location of such switches or turnouts shall be changed at the expense of the grantee whenever so ordered by the said Common Council.

IX.

That the City Engineer shall, under the direction of the Common Council, give the established grades of the streets along the line of the construction of said railway, and set stakes indicating the said grade; he shall see that the said railway is constructed and maintained in conformity to the terms and requirements of the franchise, and for his services as herein required he shall receive such fees as are provided therefor, and the same shall (sic) be paid by the grantee.
SEC. 2:--That the failure to comply with any of the conditions of the franchise shall work a forfeiture of the rights and privileges granted thereby.

SEC. 3:-- That the Common Council reserves the right to repeal, amend, or modify this ordinance.

SEC. 4:-- That this ordinance shall take effect and be in force from and after its passage and approval and one publication thereof in the San Diego Daily Sun, a newspaper printed and published in said city of San Diego, and being the official paper.
