NOTICE OF APPLICATION FOR A FRANCHISE AND PRIVILEGE TO CONSTRUCT, MAINTAIN AND OPERATE A SYSTEM OF TELEPHONE AND TELEGRAPH WIRES OVER, UNDER AND ALONG ALL THE PUBLIC STREETS, ALLEYS AND PLACES IN THE CITY OF SAN DIEGO; AND OF THE DETERMINATION OF THE COMMON COUNCIL TO GRANT THE SAME AND TO STRIKE OFF, SELL AND AWARD SAID FRANCHISE TO THE HIGHEST CASH BIDDER THEREFOR; ALSO THAT SEALED BIDS WILL BE RECEIVED FOR THE SALE OF SAID FRANCHISE AND PRIVILEGE UP TO THE HOUR OF 11:00 O'CLOCK A. M., ON MONDAY THE 25TH DAY OF MAY, 1914, AT WHICH TIME SAID BIDS WILL BE OPENED, READ, DECLARED AND CONSIDERED, AND THAT IMMEDIATELY AFTER THE OPENING OF SAID SEALED BIDS ANY RESPONSIBLE PERSON, FIRM OR CORPORATION MAY INCREASE THE HIGHEST SEALED BID BY A SUM NOT LESS THAN TEN PER CENTUM. OF THE HIGHEST SEALED BID, AND THAT SAID LAST BID MAY BE RAISED NOT LESS THAN TEN PER CENTUM. BY ANY OTHER RESPONSIBLE BIDDER, AND THAT SAID BIDDING MAY BE SO CONTINUED UNTIL SAID FRANCHISE SHALL HAVE BEEN SOLD AND AWARDED TO THE HIGHEST BIDDER THEREFOR IN GOLD COIN OF THE UNITED STATES, UPON THE TERMS AND CONDITIONS PROVIDED BY LAW AND THE PROPOSED ORDINANCE GRANTING SAID FRANCHISE.

WHEREAS, an application has been made to the Common Council of the City of San Diego by the Pacific Telephone and Telegraph Company, a corporation, organized and existing under and by virtue of the laws of the State of California, and having its principal place of business in the City of San Francisco, State of California, which application was filed in the office of the City Clerk of said City on Wednesday, the 15th day of April, 1914, being Document No. 75457, for the grant of a franchise and permit to construct, maintain and operate a system of telephone and telegraph wires over, under and along all the public streets, alleys and places of the City of San Diego for a period or term of thirty years commencing on the taking effect of the ordinance granting said franchise and ending on the _____ day of _____, 1944, and,

WHEREAS, upon due consideration of said application said Common Council has in its discretion determined to advertise the fact of said application, and that it is for the best interests of the said City of San Diego, and its inhabitants, that a franchise and privilege to construct, maintain and operate a system of telephone and telegraph wires over, under and along all the public streets, alleys and places now or hereafter existing in said City, be granted, sold and struck off to the highest bidder therefor in the manner, and in the form, and under the conditions provided by law, said grant to be evidenced by an ordinance duly and regularly passed by the Common Council containing the terms, conditions and covenants upon which said franchise and privilege is granted; and,

WHEREAS, the said Common Council proposes to grant a franchise as hereinbefore recited and as applied for;

NOW, THEREFORE, BE IT RESOLVED BY THE COMMON COUNCIL OF THE CITY OF SAN DIEGO AS FOLLOWS:

That it is now determined that it is the intention of the Common Council of the City of San Diego that such franchise and privilege shall hereafter be granted for a period or term of thirty years commencing on the taking effect of the ordinance granting said franchise and ending on the _____ day of _____, 1944, as applied for in said application on file in the Office of the City Clerk;

AND FURTHER BE IT RESOLVED BY THE COMMON COUNCIL OF THE CITY OF SAN DIEGO, that the City Clerk be and he is hereby directed to insert the advertisement of the Common Council of said City reciting the fact of said application, and that it has been filed with the Common Council, together with a statement that it proposes to grant the same as applied for in said application, and stating that bids will be received for such franchise and privilege, and

that said franchise and privilege will be struck off, sold and awarded to the highest cash bidder therefor, by publication of said advertisement in the official newspaper of the City of San Diego, to-wit: The Evening Tribune, once a day for ten successive days, and that said City Clerk is hereby directed to sign said notice and advertisement.

That this resolution shall constitute a part of such advertisement and that said advertisement shall also contain as a part thereof the proposed ordinance granting such proposed franchise, with the exception of the dates that are left blank, the sum bid by the successful bidder and the name of the successful bidder and grantee, which proposed ordinance with the above noted omissions is in words and figures as follows, to-wit:

ORDINANCE NO.

An ordinance of the City of San Diego granting a franchise and privilege to _____, to construct, maintain and operate a system of telephone and telegraph wires, over, under and along all of the public streets, alleys and places in the City of San Diego.

Be it ordained by the Common Council of the City of San Diego as follows:

Section 1. The Common Council of the City of San Diego, County of San Diego, State of California, does hereby declare that The Pacific Telephone and Telegraph Company made an application by petition in writing, filed on the 15th day of April, 1914, to the said Common Council for a franchise and privilege hereinafter described; that said application came on regularly on the said 15th day of April, 1914, to be heard and considered by said Common Council, and thereupon, on motion duly made, seconded, passed, carried and adopted, it was declared and stated that said Common Council proposed to grant said franchise and privilege for a period or term of thirty years, commencing on the taking effect of this ordinance granting the same and ending on the _____ day of _____, 1944, upon the terms and subject to the conditions and restrictions in said ordinance as hereinafter stated; that in and by said motion it was further ordered that the fact of said application for said franchise and privilege together with a statement that it proposed to grant the same upon said terms and subject to said conditions and restrictions, be made by the City Clerk of said City by publication in "The Evening Tribune", a daily newspaper, published in said City once a day for ten successive days, and that the full publication thereof must be completed not less than twenty days nor more than thirty days before the 25th day of May, 1914, the last named date being the day fixed upon which tenders and bids for said franchise and privilege would be received.

Section 2. That the Common Council does further declare that said advertisement containing all the statements required by law, was duly published in said newspaper for the time and in the manner required by law, and said order of said Common Council; that said Common Council met in open, regular session at the room of said Common Council in the City Hall in the said City of San Diego, County of San Diego, State of California, on the 25th day of May, 1914, at 11:00 o'clock, A. M., of said day, and then and there opened and read the bids for said franchise and privilege; and immediately after the opening and reading of said bids an opportunity was given to any responsible person, firm or corporation present or represented to bid for said franchise and privilege a sum not less than ten per cent above the highest sealed bid therefor, and full opportunity having been given to any responsible person, firm or corporation present or represented to continue to increase each last bid made by an increased bid of not less than ten per cent over and above such last bid, thereupon said _____ made the highest bid therefor, to-wit: the sum of _____; that said sum was the highest sum bid or offered therefor, and that said franchise and privilege was thereupon, by said Common Council, struck off, sold and awarded to said _____; that said _____ has deposited with the proper city official as and within the time required by law the total sum aforesaid in

United States gold coin; that said grantee has filed with the said Common Council a bond in the sum of Five Thousand Dollars (\$5000.00), with good and sufficient sureties satisfactory to said Common Council, running to said City conditioned that the whole amount of the penal sum therein named shall be taken and deemed to be liquidated damages and shall be recoverable from the principal and sureties upon said bond; that said bond is in the form and contains the terms required by law and the order of the Common Council, and said bond has been regularly approved by said Common Council.

Section 3. There is hereby granted to _____ and to his or its successors or assigns the franchise and privilege to construct, maintain and operate a system of telephone and telegraph wires, over, under and along all of the public streets, alleys and places now or hereafter existing in the said City of San Diego.

Section 4. That said franchise and privilege shall continue for a period or term of thirty years commencing on the taking effect of this ordinance granting the same and ending on the _____ day of _____, 1944.

Section 5. That said franchise and privilege is granted upon the following terms and subject to the following conditions, to-wit:

(1) That the grantee of the said franchise shall have the right, during the period for which said franchise is granted, to construct, maintain and operate the said telephone and telegraph system and collect rents, service, tolls and charges for the use thereof, provided that such rents, tolls and charges shall at all times be reasonable and subject to the regulations of the Common Council of the City of San Diego, or other legally constituted regulatory body having jurisdiction over rates to be charged by the grantee. The poles and wires shall be placed on all the streets, alleys and public places in such a manner as to offer the least possible hindrance to the free use of the said streets, alleys and public places by the public and at all times shall be constructed, placed, operated and maintained subject to and in accordance with the ordinances of said City of San Diego now in force or hereafter to be enacted, and in accordance with the directions of the Common Council of the City of San Diego, and the wires of the grantee, its or his successors or assigns shall, whenever so directed by the Common Council of the City of San Diego, be placed in underground conduits in such proper manner as the said Common Council may direct, and in every instance where underground conduits are installed the street or streets where such installation is made shall be replaced and maintained by the grantee in as good order and condition as said street or streets were at the time immediately before the underground conduits were so installed.

(2) That all of the poles and telephone and telegraph wires placed on the public streets under the provisions of this franchise shall be located, constructed and placed on the said public streets, alleys and public places in accordance with the directions of the Common Council of the City of San Diego and in conformity to the ordinances of the said City of San Diego now in force or hereafter to be enacted.

(3) That said grantee, if required by the said City, shall, during the life of this franchise, where aerial construction exists, allow said City to place a fixture on the tops of poles erected and maintained under this franchise, to which may be attached wires, not exceeding ten (10); and where underground conduits exist the said grantee shall furnish said City with one duct in its underground system or two pairs of wires in underground cable free of charge to said City to be used for city low tension police and fire alarm purposes, it being understood that it shall be optional with the grantor as to whether two pairs of wires ~~or wires~~ shall be given or a duct in the underground system; provided, however, that said City shall in its use and maintenance of such fixtures, wires or duct comply with the reasonable plans and rules of said grantee so that there may be a minimum danger of contact between the said wires, cables or ducts of said grantee, its successors or assigns; nor shall the

wires of said City be unduly exposed to foreign electrical currents in excess of five thousand volts; and provided further that in case of rearrangement of the said grantee's plant the said City will care for its own wires and construction and will save the grantee harmless from any accidents caused by the City, its representative or employees in any and all work done pursuant to this provision.

(4) The City of San Diego reserves the right to change the grade of any street, alley or public place over which this franchise is granted, and the grantee of said franchise shall at once change the location of all telephone poles, wires or conduits constructed or maintained under the provisions of this franchise so as to conform to such change of grade.

(5) The prompt and complete compliance with each and every condition hereof, imposed upon the grantee to be performed and complied with is hereby declared to be the essence of this franchise and for the failure to observe and comply with and perform in the manner and at the time herein specified, each and all of the conditions and obligations herein imposed upon the grantee, this franchise shall immediately, without further action or notice on the part of the grantor, become null and void and all rights of the grantee thereunder shall thereby be forfeited.

(6) The term "grantee" as used herein shall be held to include the grantee, its, his, her or their successors and assigns.

(7) That the said grantee and his or its successors or assigns shall, during the life of said franchise pay to the City of San Diego in lawful money of the United States, two per cent. of the gross annual receipts of such grantee and his or its successors or assigns arising from the use, operation or possession of said franchise. And it shall be the duty of the grantee of said franchise and of his or its successors or assigns to file with the City Clerk at the expiration of one year from the _____ day of _____, 191, the date when the granting of such franchise shall take effect, and at the expiration of each and every year thereafter a statement verified by the oath of said grantee, or his or its successors or assigns or by the oath of the manager or presiding officer of said grantee or his or its successors or assigns showing in detail the total gross receipts and gross earnings collected or received by said grantee or his or its successors or assigns during the preceding twelve months, arising from the use, operation or possession of said franchise, and within ten days after the time for filing the aforesaid statement it shall be the duty of said grantee and his or its successors or assigns to pay to the City Treasurer of the City of San Diego the aggregate sum of the said percentage upon the amount of the gross annual receipts arising from the use, operation or possession of said franchise, and if the amount paid is incorrect, in the judgment of the Common Council after an examination of the books, accounts and records of the grantee, they may order the payment of such additional sum as they may find due hereunder and if not paid the same may be collected by suit. And any neglect, omission or refusal by said grantee or his or its successors or assigns to file said verified statement or to pay the said percentage of the said gross annual receipts at the times or in the manner hereinbefore provided shall, ipso facto, work a forfeiture of said franchise and of all the rights thereunder to the City of San Diego.

(8) That any neglect, failure or refusal to comply with any of the conditions of said franchise shall thereupon immediately, ipso facto, effect a forfeiture thereof and the said City, by its Common Council, may thereupon declare said franchise forfeited and may exclude said grantee or his or its successors or assigns from further use of the highways of said City under said franchise, and said grantee and his or its successors or assigns shall thereupon and immediately surrender all rights in and to the same and said franchise shall be deemed and shall remain null, void and of no effect.

(9) Work to construct a system of telephone and telegraph wires over, under and along all the public streets, alleys and places in the City of San Diego, as provided in

this ordinance, shall be commenced in good faith within not more than four months from the granting of this franchise and privilege, and if not so commenced within said time, said franchise and privilege so granted shall be declared forfeited; and said telephone system shall be completed within not more than three years thereafter, and if not so completed within said time, said franchise and privilege so granted shall be forfeited; provided that for good cause shown the Common Council may by resolution extend the time for completion thereof not exceeding three months; and provided further that in case any person, firm or corporation, to whom said franchise and privilege shall be struck off, sold and awarded, his or its successors or assigns, shall have already constructed or acquired a system of telephone and telegraph wires within the City of San Diego, or shall acquire the right to use or the right to operate a system of telephone and telegraph wires over, under and along all the public streets, alleys and places in the City of San Diego, such system so constructed shall be deemed a compliance with the provisions in that regard and with the provisions of this paragraph, so far as construction hereunder is required, to the extent that the same are in accordance with the conditions and limitations herein contained, and shall also be deemed to be a compliance with the provision of law and of this paragraph requiring the commencement of work in not less than four months from the date on which the franchise is granted.

Section 6. The franchise, right or privilege hereby granted shall be subject to the right of the majority of the electors of the City of San Diego, voting at any election at any time during the life of this franchise or privilege, to repeal, change or modify the said grant.

Section 7. This ordinance shall take effect and be in force from and after thirty days from the date of its final passage by the Common Council and approval by the Mayor of the City of San Diego, and the said Clerk of said City shall, within thirty days, cause this ordinance to be published once in "The Evening Tribune", a daily newspaper of general circulation, printed and published in the said City of San Diego.

Section 8. If any section, sentence, clause, phrase or provision of this ordinance is for any reason held to be unconstitutional or invalid, such decision shall not affect the validity of the remaining portion of this ordinance nor the validity of the franchise hereby granted. The Common Council hereby declares that it would have passed this ordinance and each section, sentence, clause, phrase and provision irrespective of the fact that any one or more other sections, sentences, clauses, phrases or provisions be declared unconstitutional or invalid.

AND BE IT FURTHER RESOLVED AS FOLLOWS:

(a) That notice is also hereby given that sealed bids in writing will be received for the sale and award of said franchise and privilege up to the hour of 11:00 o'clock A. M. on Monday, the 25th day of May, 1914; that said sealed bids may be deposited with the City Clerk at his office in the City Hall to be delivered to the Common Council, or will be received by the Common Council when in session at the City Hall up to 11:00 o'clock A. M. of the day herein designated.

That at 11:00 o'clock A. M. on Monday, the 25th day of May, 1914, the Common Council will at open session, open and publicly declare said bids.

(b) That said franchise and privilege will be struck off, sold and awarded to the person, firm or corporation who shall make the highest cash bid therefor, provided only that at the time of the opening of said bids any responsible person, firm or corporation, present or represented, may bid for said franchise and privilege a sum not less than ten per cent. above the highest sealed bid therefor, and said bid so made may be raised not less than ten per cent. by any responsible bidder and said bidding may so continue until finally said franchise shall be struck off, sold and awarded by said Common Council to the highest bidder therefor in gold coin of the United States.

(c) That sealed bids shall be accompanied with cash or certified check, payable to the Treasurer of the City of San Diego, for the full amount of said sealed bid, and no sealed bid shall be considered unless said cash or check is enclosed therewith, and in the event that a bid is received and the franchise and privilege sold on a bid not less than ten per cent. higher than the highest sealed bid, the successful bidder shall deposit at least ten per cent. of the amount of his or its bid with the Clerk of said City before the franchise shall be sold, awarded and struck off to the person, firm or corporation making such bid, and if such successful bidder shall fail to make such deposit immediately, then in that case his or its bid shall not be received and shall be considered as void, and the said franchise shall then and there be again offered for sale to the bidder who shall make the highest cash bid therefor subject to the same conditions as to deposit as provided by law and above mentioned. Such procedure shall be had and continued until said franchise is struck off, sold and awarded to the highest responsible bidder who shall make the necessary deposit of at least ten per cent. of the amount of his or its bid therefor as herein provided.

Such successful bidder shall deposit with the Clerk of said City within twenty-four hours of the acceptance of his or its bid the remaining ninety per cent. of the amount bid therefor, and in case he or it shall fail to do so, then the said deposit theretofore made shall be forfeited and the said award of said franchise shall be void, and said franchise

then and there by said Common Council be again offered for sale to the highest bidder therefor in the same manner and under the same restrictions as hereinbefore provided, and in case said bidder shall fail to deposit with the Clerk of said City the remaining ninety per cent. of his or its bid within twenty-four hours after its acceptance, the award to him or it of such franchise, right, permit and authority shall be set aside, and the deposit theretofore made shall be forfeited, and no further proceedings for a sale of said franchise, right, permit and authority shall be had unless the same shall be re-advertised and again offered for sale in the manner herein and by law provided.

(d) Notice is also hereby given that the successful bidder shall also file a bond running to the said City with at least two good and sufficient sureties to be approved by said Common Council in the penal sum of Five Thousand Dollars, conditioned that such bidder shall well and truly observe, fulfill and perform each and every term and condition of such franchise and privilege, and that in case of any breach of condition of such bond the whole amount of the penal sum named therein shall be taken and deemed to be liquidated damages and shall be recoverable from the principal and sureties upon said bond.

Said bond shall be filed with said Common Council within five days after such franchise and privilege is awarded, and upon the filing and approval of said bond the said franchise shall by the Common Council be granted by ordinance to the person, firm or corporation to whom it has been stuck off, sold and awarded, and in case that said bond shall not be so filed the award of such franchise shall be set aside, and any money paid therefor shall be forfeited and said franchise and privilege shall in the discretion of said Common Council be re-advertised and again offered for sale in the same manner and under the same restrictions as hereinbefore provided.

Resolved that this resolution shall be in force from and after its passage and approval; that it is intended to and shall be a compliance with each, every and all of the provisions of the statutes of the State of California and with the provisions of the Charter of the City of San Diego prescribing the manner in which an application for a franchise and privilege to erect or lay telegraph or telephone wires and to operate a telephone system, shall be made and filed, and advertising the fact of said application together with the advertisement that said franchise will be struck off, sold and awarded to the person, firm or corporation who shall make the highest cash bid therefor, and the City Clerk is further directed to publish the same as and for the Common Council of the City of San Diego, calling for sealed bids for said franchise as provided in this resolution.

AND FURTHER BE IT RESOLVED, that the ten days successive publication of this advertisement herein provided for must be completed not less than twenty nor more than thirty days from the date on which said sealed bids for said franchise will be opened and declared, to-wit: said advertisement must be completed not later than the 28th day of April, 1914.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 15th day of April, 1914, by the following vote, to-wit:

RESOLUTION OF INTENTION NO. 17055.

Front Street.

RESOLVED, that it is the intention of the Common Council of the City of San Diego, California, to order the following street work to be done, to-wit:

The grading, to the official grade thereof, of FRONT STREET, in said City, for the entire width of said street, from property line to property line, from the north line of Lewis Street to the north line of Dickenson Street produced west, including the entire width and length of all terminations of streets in said Front Street, between said points, according to the specifications therefor contained in Ordinance No. 3510 of the ordinances of said City, and as shown upon the plans and drawings contained in Document No. 75545, on file in the office of the City Clerk of said City, and copies of which are on file in the office of the City Engineer of said City.

And also, as a part of said work, the construction across the said Front Street, at a point 305 feet north from the north line of Stockton Street produced west, of an eight-inch single-strength cement pipe culvert, 131 feet in length, together with its accessories, as shown upon and according to the plans, drawings and typical cross-sections and specifications therefor contained in said Document No. 75545.

All of said plans, drawings and typical cross-sections and specifications contained in said Document No. 75545 are hereby approved and adopted as the plans, drawings and typical cross-sections and specifications to be followed, in connection with the specifications contained in said Ordinance No. 3510, in said grading of, and said work upon, said Front Street, between said points; and by reference thereto, all said plans, drawings and typical cross-sections and specifications contained in said Document No. 75545, and said specifications contained in said Ordinance No. 3510, are incorporated herein and made a part hereof.

The said Common Council hereby determines that serial bonds bearing interest at the rate of seven per cent. per annum shall be issued to represent assessments of twenty-five dollars or over for the cost of said work or improvement. Said serial bonds shall extend over a period of nine years from the second day of January next succeeding their issuance, and an even annual proportion of the principal sum thereof shall be payable by coupon, on the second day of January, every year after their date, until the whole is paid, and the interest shall be payable semi-annually, by coupon, on the second days of January and July, respectively, of each year, at the rate of seven per cent. per annum on all sums unpaid, until the whole of said principal and interest are paid. Said bonds shall be issued in accordance with the provisions of an Act of the Legislature of the State of California, entitled, "An Act to Provide a System of Street Improvement Bonds to Represent Certain Assessments for the Cost of Street Work and Improvement Within Municipalities, and also for the Payment of such Bonds," approved February 27th, 1893, and of all acts supplementary thereto, or amendatory thereof. And said Common Council hereby determines that said serial bonds shall be issued to represent the expenses of said work or improvement.

That the contemplated work of improvement, hereinbefore mentioned, is in the opinion of said Common Council of more than local and ordinary public benefit, and the expense of said work and improvement is made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to-wit: All that real property in the said City of San Diego, included within the following exterior boundry lines, to-wit:

Beginning at a point on the north line of Lewis Street distant 100 feet west from the west line of Front Street; thence north on a line parallel to and distant 100 feet west from the west line of Front Street to an intersection with the north line of Pueblo Lot C; thence east along the north line of Pueblo Lot C, to a point distant 150 feet east from the

east line of Front Street; thence south on a line parallel to and distant 150 feet east from the east line of Front Street to a point distant 225 feet north from the north line of Stockton Street; thence west on a line parallel to and distant 225 feet north from the north line of Stockton Street to a point distant 100.20 feet east from the east line of Front Street; thence south on a line parallel to and distant 100.20 feet east from the east line of Front Street to an intersection with the north line of Stockton Street; thence south to a point on the south line of Stockton Street distant 100 feet east from the east line of Front Street; thence south on a line parallel to and distant 100 feet east from the east line of Front Street to an intersection with the north line of Lewis Street produced east; thence west along the north line of Lewis Street produced east, and west along the north line of Lewis Street to the point or place of beginning; excepting therefrom all public streets, roads, alleys, avenues and highways.

A plat of which said district, indicating by a boundary line the extent of the territory included in said assessment district, approved by this Common Council, is on file in the office of the City Engineer of said City; reference to which is hereby made.

That the Evening Tribune, a daily newspaper published and circulated, and of general circulation, in the said City of San Diego, be, and it is hereby designated as the newspaper in which this Resolution of Intention shall be published by two insertions, and the notice of the passage thereof shall be published by two insertions, in the manner and by the persons required by law.

That the Clerk of the said City of San Diego be, and he is hereby directed to post this Resolution conspicuously for two days on or near the chamber door of the said Common Council, and to cause the same to be published by two insertions in said daily newspaper in the manner required by law.

That the Street Superintendent of the said City of San Diego shall, after the passage of this Resolution of Intention, cause to be conspicuously posted along all streets and parts of street and other public places and rights of way where the work and improvement hereinbefore described is to be done and made, notices of the passage of this Resolution, in the manner and in the form required by law, and shall also cause a notice similar in substance to be published by two insertions in said daily newspaper, in the manner required by law, and thereupon said Superintendent of Streets shall cause to be filed in the office of the City Clerk of said City, affidavits showing the posting and publication of the said notices of street work.

That the ^{City} Clerk of said City be, and he is hereby directed, immediately upon the passage of this Resolution of Intention, to mail, with postage thereon prepaid, to each property owner whose property is to be assessed to pay the costs and expenses of said improvement, a postal card containing notice of the passage of this Resolution, designating the location and limits of the improvement provided for herein, and referring to this resolution for particulars, and stating that property belonging to such owner is to be assessed for said improvement, all in the manner, substance and form as prescribed by law; and thereupon said Clerk shall cause to be filed affidavits in proof of such mailing.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 21st day of April, 1914, by the following vote, to-wit:

BE IT RESOLVED, that it is the intention of the Common Council of the City of San Diego, California, to order the following improvement to be made in said City, to-wit:

The construction of a system of sewers in Burlingame, in the City of San Diego, California, as follows, to-wit:

The construction of a sewer line commencing at a point on the East line of 30th Street distant 20 feet south from the north line of Maple Street; running thence southeasterly across said 30th Street, and across a right of way over lot 1, block H, of said Burlingame, a distance of 256 feet, to a point in the alley in said block H opposite the northwest corner of lot 14, of said block H; thence southerly through said alley in said block H a distance of 216 feet; thence easterly through said alley, and said alley produced easterly, a distance of 135 feet; thence southerly through San Marcos Avenue, a distance of 440 feet to the center of Kalmia Street; thence easterly through said Kalmia Street a distance of 780 feet to the center line of Pamo Avenue produced southerly; thence northerly through said Pamo Avenue a distance of 474 feet to a point near the center of the intersection of said Pamo Avenue with Laurel Street;

Also, the construction of a sewer line commencing in Laurel Street, at a point near the intersection of the center line of said Laurel Street with the east line of Dulzura Avenue produced northerly; running thence easterly through said Laurel Street a distance of 510 feet to a point 30 feet east from the west line of 32nd Street; thence southerly through said 32nd Street, a distance of 415 feet; said sewer line connecting with the sewer line last above described in the intersection of Laurel Street with Pamo Avenue;

Also, the construction of a sewer line, 490 feet in length, in Capitan Avenue, connecting with the sewer line first above described, in the intersection of said Capitan Avenue with Kalmia Street;

Also, the construction of a sewer line, 456 feet in length, in Dulzura Avenue, connecting with the said sewer line first above described in the intersection of said Dulzura Avenue with said Kalmia Street;

Also, the construction of a sewer line commencing at the said sewer line first above described, in the termination of Laurel Street in San Marcos Avenue; running thence westerly through said Laurel Street a distance of 136 feet; thence southerly across said Laurel Street, and across the right of way over the rear end of lots 1, 2, 3 and 4, of block G of said Burlingame, a distance of 164 feet;

Also, the construction of a sewer line commencing at the said sewer line first above described, at a point where said sewer line in said San Marcos Avenue intersects the sewer line running easterly through the alley in block H of Burlingame produced easterly; running

thence northerly through said San Marcos Avenue, a distance of 85 feet; thence northeasterly through Laurel Street a distance of 305 feet; thence northeasterly through Maple Street, a distance of 280 feet; thence southeasterly through said Maple Street, a distance of 265 feet; and thence easterly through said Maple Street a distance of 235 feet;

Also, the construction of a sewer line commencing at the apex of the angle in the sewer line last above described, in the intersection of said Laurel Street, Maple Street and Capitan Avenue; running thence southeasterly through said intersection, and through said Laurel Street a distance of 190 feet;

Also, the construction of a sewer line commencing at the manhole already constructed, at the termination of the present sewer line in Burlingame Drive, opposite lot 20, in said block H, of Burlingame; running thence northeasterly through said Burlingame Drive, a distance of 362 feet; thence southeasterly through said Burlingame Drive a distance of 187 feet; thence southeasterly and easterly through San Marcos Avenue, a distance of 470 feet;

Also, the construction of a sewer line commencing at the sewer line last above described, in the intersection of said Burlingame Drive with San Marcos Avenue, opposite the southwest corner of lot 1, block M, of said Burlingame; running thence southwesterly through said San Marcos Avenue, a distance of 580 feet;

Also, the construction of a sewer line commencing at the said sewer line in the intersection of said Burlingame Drive with San Marcos Avenue, opposite the southwest corner of said lot 1, block M, of said Burlingame; running thence southerly through said Burlingame Drive a distance of 140 feet;

Also, as a part of said work, the construction along said sewer lines of twenty-four (24) brick manholes, six (6) brick and concrete flush-tanks, and four (4) dead ends; said manholes, flush-tanks and dead ends to be located at the points shown upon the plans hereinafter referred to.

That said sewer system shall be constructed of six-inch vitrified salt-glazed sewer pipe, as shown upon and according to the plans, drawings and typical cross-sections and specifications therefor contained in Document No. 74495, on file in the office of the City Clerk of said City, and copies of which are on file in the office of the City Engineer of said City; and said man-holes, flush-tanks and dead ends shall be constructed at the points shown upon, and according to, the said plans, drawings and typical cross-sections and specifications contained in said Document No. 74495.

All of said plans, drawings and typical cross-sections and specifications contained in said Document No. 74495 are hereby approved and adopted as the plans, drawings and typical cross-sections and specifications to be followed in making said improvement; and by reference thereto all said plans, drawings and typical cross-sections and specifications contained in said Document No. 74495 are incorporated herein and made a part hereof.

All of said improvements to be made and said work to be done under and in conformity with that certain Act of the Legislature of the State of California, known as the "Vrooman Act."

The said Common Council hereby determines that serial bonds bearing interest at the rate of seven per cent. per annum shall be issued to represent assessments of twenty-five dollars or over for the cost of said work or improvement. Said serial bonds shall extend over a period of nine years from the second day of January next succeeding their issuance, and an even annual proportion of the principal sum thereof shall be payable by coupon, on the second day of January, every year after their date, until the whole is paid, and the interest shall be payable semi-annually, by coupon, on the second days of January and July respectively, of each year, at the rate of seven per cent. per annum on all sums unpaid, until the whole of said principal and interest are paid. Said bonds shall be issued in accordance with the provisions of an Act of the Legislature of the State of California, en-

titled, "An Act to Provide a System of Street Improvement Bonds to Represent Certain Assessments for the Cost of Street Work and Improvement Within Municipalities, and also for the Payment of such Bonds," approved February 27th, 1893, and of all acts supplementary thereto, or amendatory thereof. And said Common Council hereby determines that said serial bonds shall be issued to represent the expenses of said work or improvement.

That the contemplated work of improvement, hereinbefore mentioned, is in the opinion of said Common Council of more than local and ordinary public benefit, and the expense of said work and improvement is made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to-wit: All that real property in the said City of San Diego, included within the following exterior boundary lines, to-wit:

Beginning at the intersection of the westerly line of 32nd Street with the northerly line of Burlingame; thence west along the northerly line of Burlingame to an intersection with the easterly line of 30th Street; thence southerly along the easterly line of 30th Street to an intersection with the northerly line of Kalmia Street; thence easterly along the northerly line of Kalmia Street to an intersection with the westerly line of 32nd Street; thence northerly along the westerly line of 32nd Street to the point or place of beginning; excepting therefrom all public streets, roads, alleys, avenues and highways.

A plat of which said district, indicating by a boundary line the extent of the territory included in said assessment district, approved by this Common Council, is on file in the office of the City Engineer of said City; reference to which is hereby made.

That the Evening Tribune, a daily newspaper published and circulated, and of general circulation, in the said City of San Diego, be, and it is hereby designated as the newspaper in which this Resolution of Intention shall be published by two insertions, and the notice of the passage thereof shall be published by two insertions, in the manner and by the persons required by law.

That the Clerk of the said City of San Diego be, and he is hereby directed to post this Resolution conspicuously for two days on or near the chamber door of the said Common Council, and to cause the same to be published by two insertions in said daily newspaper in the manner required by law.

That the Street Superintendent of the said City of San Diego, shall, after the passage of this Resolution of Intention, cause to be conspicuously posted along all streets and parts of streets and other public places and rights of way where the work and improvement hereinbefore described is to be done and made, notices of the passage of this Resolution, in the manner and in the form required by law, and shall also cause a notice similar in substance to be published by two insertions in said daily newspaper, in the manner required by law, and thereupon said Superintendent of Streets shall cause to be filed in the office of the City Clerk of said City, affidavits showing the posting and publication of the said notices of street work.

That the City Clerk of said City be, and he is hereby directed, immediately upon the passage of this Resolution of Intention, to mail, with postage thereon prepaid, to each property owner whose property is to be assessed to pay the costs and expenses of said improvement, a postal card containing notice of the passage of this Resolution, designating the location and limits of the improvement provided for herein, and referring to this resolution for particulars, and stating that property belonging to such owner is to be assessed for said improvement, all in the manner, substance and form as prescribed by law; and thereupon said Clerk shall cause to be filed affidavits in proof of such mailing.

RESOLUTION OF INTENTION NO. 17057.

Utah Street.

RESOLVED, that it is the intention of the Common Council of the City of San Diego, California, to order the following street work to be done, to-wit:

The grading, and paving with decomposed granite, to the official grade thereof, of the roadway of UTAH STREET, in said City, from curb line to curb line, from the north line of University Avenue to the south line of Copley Avenue, and also that portion of the roadway of said Utah Street leading into all alleys, between said points, including the roadway of all intersections of said Utah Street with all cross streets, between said points, (excepting the intersections of said Utah Street with El Cajon Avenue, Madison Avenue, Adams Avenue and Collier Avenue), as shown upon and according to the plans, drawings and typical cross-sections and specifications therefor contained in Document No. 75130, on file in the office of the City Clerk of said City, and copies of which are on file in the office of the City Engineer of said City.

Also, as a part of said work, the grading to the official grade thereof, of said Utah Street, on both sides thereof, between the curb line of said street and the property line, from the north line of University Avenue to the south line of Copley Avenue, including the returns in all intersections of said Utah Street with all cross streets, between said points, (excepting the intersections of said Utah Street with El Cajon Avenue, Madison Avenue, Adams Avenue and Collier Avenue, and also excepting the east side of said Utah Street, between a point 150 feet north from the north line of University Avenue to the south line of Lincoln Avenue, and also excepting the east side of said Utah Street, between a point 150 feet north of the north line of Lincoln Avenue and a point 250 feet north of the north line of said Lincoln Avenue, already graded to the official grade), as shown upon and according to the plans, drawings and typical cross-sections and specifications therefor contained in said Document No. 75130.

And also, as a part of said work, the construction of cement concrete sidewalks and cement concrete curbing on both sides of the said Utah Street, from the north line of University Avenue to the south line of Copley Avenue, including the returns in all intersections of said Utah Street with all cross streets, between said points, (excepting the intersections of said Utah Street with El Cajon Avenue, Madison Avenue, Adams Avenue and Collier Avenue,

and also excepting the sidewalks and curbing already constructed on the east side of said Utah Street, between a point 150 feet north from the north line of University Avenue and the south line of Lincoln Avenue, and on the east side of said Utah Street, between a point 150 feet north from the north line of Lincoln Avenue and a point 250 feet north from the north line of said Lincoln Avenue), according to the specifications therefor contained in Ordinance No. 5250 of the ordinances of said City, and as shown upon the plans, drawings and typical cross-sections contained in said Document No. 75130.

All of said plans, drawings and typical cross-sections and specifications contained in said Document No. 75130, are hereby approved and adopted as the plans, drawings and typical cross-sections to be followed, in connection with the specifications contained in Ordinance No. 5250, in said grading and paving of, and said work upon, said Utah Street, between said points; and by reference thereto, all said plans, drawings and typical cross-sections and specifications contained in said Document No. 75130, and said specifications contained in said Ordinance No. 5250, are incorporated herein and made a part hereof.

The said Common Council hereby determines that serial bonds bearing interest at the rate of seven per cent. per annum shall be issued to represent assessments of twenty-five dollars or over for the cost of said work or improvement. Said serial bonds shall extend over a period of nine years from the second day of January next succeeding their issuance, and an even annual proportion of the principal sum thereof shall be payable by coupon, on the second day of January, every year after their date, until the whole is paid, and the interest shall be payable semi-annually, by coupon, on the second days of January and July, respectively, of each year, at the rate of seven per cent. per annum on all sums unpaid, until the whole of said principal and interest are paid. Said bonds shall be issued in accordance with the provisions of an Act of the Legislature of the State of California, entitled "An Act to Provide a System of Street Improvement Bonds to Represent Certain Assessments for the Cost of Street Work and Improvement Within Municipalities, and also for the Payment of such Bonds," approved February 27th, 1893, and of all acts supplementary thereto, or amendatory thereof. And said Common Council hereby determines that said serial bonds shall be issued to represent the expenses of said work or improvement.

That the contemplated work of improvement, hereinbefore mentioned, is in the opinion of said Common Council of more than local and ordinary public benefit, and the expense of said work and improvement is made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to-wit: All that real property in the said City of San Diego, included within the following exterior boundary lines, to-wit:

RESOLUTION OF INTENTION NO. 17058.

Sewer in Alley between Grim and 31st Streets, and in Alley south of
University Avenue.

BE IT RESOLVED, that it is the intention of the Common Council of the City of San Diego, California, to order the following improvement to be made in said City, to-wit:

The construction in the alley between Grim Street and 31st Street, of a six-inch

salt-glazed vitrified pipe sewer, together with eight brick manholes and accessories, said sewer commencing at the present manhole at the intersection of the center line of the alley in block 30 of Park Villas with the north line of Upas Street, and running thence northerly through said block 30, of Park Villas, along the right of way over block 29 of said Park Villas, through block 28, of said Park Villas, and through blocks G and B of McFadden & Buxton's North Park, and blocks 7 and 2 of Hartley's North Park, and across the intervening streets, a distance of 2547 feet, to the center line of the alley running east and west through said block 2 of said Hartley's North Park.

Also, as a part of said work, the construction of a six-inch salt-glazed vitrified pipe sewer, 210 feet in length, together with two dead-ends and accessories, in the alley running east and west in said block 2 of said Hartley's North Park, connecting with the said sewer last above described;

All of said work to be done as shown upon and according to the plans, drawings and typical cross-sections and specifications therefor contained in Document No. 74693, on file in the office of the City Clerk of said City, and copies of which are on file in the office of the City Engineer of said City.

All of said plans, drawings and typical cross-sections and specifications contained in said Document No. 74693 are hereby approved and adopted as the plans, drawings and typical cross-sections and specifications to be followed in making said improvement; and by reference thereto all said plans, drawings and typical cross-sections and specifications contained in said Document No. 74693 are incorporated herein and made a part hereof.

All of said improvements to be made and said work to be done under and in conformity with that certain Act of the Legislature of the State of California, known as the "Vrooman Act."

That the contemplated work of improvement, hereinbefore mentioned, is in the opinion of said Common Council of more than local and ordinary public benefit, and the expense of said work and improvement is made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to-wit: All that real property in the said City of San Diego, included within the following exterior boundary lines, to-wit:

Beginning at the southwest corner of the intersection of University Avenue with 31st Street; thence south along the west line of 31st Street to an intersection with the north line of Upas Street; thence west along the north line of Upas Street to an intersection with the east line of Grim Street; thence north along the east line of Grim Street to an intersection with the south line of University Avenue; thence east along the south line of University Avenue to the point or place of beginning; excepting therefrom all public streets, roads, alleys, avenues and highways.

A plat of which said district, indicating by a boundary line the extent of the territory included in said assessment district, approved by this Common Council, is on file in the office of the City Engineer of said City; reference to which is hereby made.

That the Evening Tribune, a daily newspaper published and circulated, and of general circulation, in the said City of San Diego, be, and it is hereby designated as the newspaper in which this Resolution of Intention shall be published by two insertions, and the notice of the passage thereof shall be published by two insertions, in the manner and by the persons required by law.

That the Clerk of the said City of San Diego be, and he is hereby directed to post this Resolution conspicuously for two days on or near the chamber door of the said Common Council, and to cause the same to be published by two insertions in said daily newspaper in the manner required by law.

That the Street Superintendent of the said City of San Diego shall, after the passage of this Resolution of Intention, cause to be conspicuously posted along all streets and parts of streets and other public places and rights of way where the work and improvement hereinbefore described is to be done and made, notices of the passage of this Resolution, in the manner and in the form required by law, and shall also cause a notice similar in substance to be published by two insertions in said daily newspaper, in the manner required by law, and thereupon said Superintendent of Streets shall cause to be filed in the office of the City Clerk of said City, affidavits showing the posting and publication of the said notices of street work.

That the City Clerk of said City be, and he is hereby directed, immediately upon the passage of this Resolution of Intention, to mail, with postage thereon prepaid, to each property owner whose property is to be assessed to pay the costs and expenses of said improvement, a postal card containing notice of the passage of this Resolution, designating the location and limits of the improvement provided for herein, and referring to this resolution for particulars, and stating that property belonging to such owner is to be assessed for said improvement, all in the manner, substance and form as prescribed by law; and thereupon said Clerk shall cause to be filed affidavits in proof of such mailing.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 21st day of April, 1914, by the following vote, to-wit:

RESOLUTION OF INTENTION NO. 17060.

Fenelon Street.

RESOLVED, that it is the intention of the Common Council of the City of San Diego, California, to order the following street work to be done, to-wit:

The grading, and paving with decomposed granite, to the official grade thereof, of the roadway of FENELON STREET, in said City, from curb line to curb line, from the northwesterly line of Rosecrans Street to the northwesterly line of Pueblo Lot 198, including the roadway of all intersections of said Fenelon Street with all cross streets, between said points, (excepting the intersections of said Fenelon Street with Willow Street and Plum Street);

Also, as a part of said work, the grading to the official grade thereof, of said

on both sides thereof, between the curb line of said street and the property line, Fenelon Street, from the northwesterly line of Rosecrans Street to the northwesterly line of Pueblo Lot 198, including the returns in all intersections of said Fenelon Street with all cross streets, between said points, (excepting the intersections of said Fenelon Street with Willow Street and Plum Street);

Also, as a part of said work, the construction of cement concrete gutters on both sides of the said Fenelon Street, from the northwesterly line of Rosecrans Street to the northwesterly line of Pueblo Lot 198, including the gutters in the returns at the intersections of said Fenelon Street with all cross streets, between said points, (excepting the returns at the south and west corners of the intersection of said Fenelon Street with Clove Street, also excepting all of the returns at the intersections of said Fenelon Street with Plum Street, Evergreen Street and Locust Street, also excepting the portions of the returns within the intersection of said Fenelon Street with Willow Street, and also excepting the return at the south corner of the intersection of said Fenelon Street with Rosecrans Street);

And also, as a part of said work, the construction of two ten-inch double-strength cement pipe culverts, 120 feet in length, together with their accessories and accessory culverts, at each of the intersections of said Fenelon Street with Evergreen Street and Locust Street; and also the construction of one ten-inch double-strength cement pipe culvert, 120 feet in length, together with its accessories and accessory culverts, at the intersection of said Fenelon Street with Clove Street; and also the construction of one ten-inch double strength cement pipe culvert on each side of the said Fenelon Street, from the northwesterly line of Plum Street to a point 27 feet northwesterly from the northwesterly line of said Plum Street, to connect with the culverts already in; and also the construction of one ten-inch double-strength cement pipe culvert on the southwesterly side of said Fenelon Street, from a point 27 feet northwesterly from the northwesterly line of Rosecrans Street to the northwesterly line of Rosecrans Street, to connect with the culvert already in said Rosecrans Street;

That all of said work shall be done as shown upon and according to the plans, drawings and typical cross-sections and specifications therefor contained in Document No. 71041, on file in the office of the City Clerk of said City, and copies of which are on file in the office of the City Engineer of said City.

All of said plans, drawings and typical cross-sections and specifications contained in said Document No. 71041 are hereby approved and adopted as the plans, drawings and typical cross-sections and specifications to be followed in said grading and other work upon said Fenelon Street, between said points; and by reference thereto all said plans, drawings and typical cross-sections and specifications contained in said Document No. 71041, are incorporated herein and made a part hereof.

The said Common Council hereby determines that serial bonds bearing interest at the rate of seven per cent. per annum shall be issued to represent assessments of twenty-five dollars or over for the cost of said work or improvement. Said serial bonds shall extend over a period of nine years from the second day of January next succeeding their issuance, and an even annual proportion of the principal sum thereof shall be payable by coupon, on the second day of January, every year after their date, until the whole is paid, and the interest shall be payable semi-annually, by coupon, on the second days of January and July, respectively, of each year, at the rate of seven per cent. per annum on all sums unpaid, until the whole of said principal and interest are paid. Said bonds shall be issued in accordance with the provisions of an Act of the Legislature of the State of California, entitled, "An Act to Provide a System of Street Improvement Bonds to Represent Certain Assessments for the Cost of Street Work and Improvement Within Municipalities, and also for the Payment of such Bonds," approved February 27th, 1893, and of all acts supplementary thereto, or amendatory thereof. WHEREAS, on April 6, 1914, Eugene A. Schmidt, Supervising Engineer of Municipal Harbor Improvements has filed with said City Clerk a certain communication, being Document

No. 75078, reporting that the work on said municipal bulkhead and improvements had been completed; and

WHEREAS, on April 6, 1914, Eugene A. Schmidt, Supervising Engineer of Municipal Harbor Improvements, has filed with said City Clerk a certain communication, marked Document No. 75079, showing that on said day the sum of approximately \$312,000.00 was due said R. P. Shields & Son for the construction of said municipal bulkhead and improvements; and

WHEREAS, under the terms of said contract of July 25, 1912 and in particular under the first paragraph of page 5 of said contract, the said City is entitled and directed to retain twenty-five per cent (25%) of the whole estimate for all of the work on said bulkhead and improvements for a period of thirty-five (35) days from and after the completion of the work on said bulkhead and improvements and the acceptance of the same, and until such time as said R.P. Shields & Son shall furnish said City with proof that said contract has been completely performed, and that all claims for labor and materials have been paid; and

WHEREAS, the City of San Diego is retaining under said last mentioned provision of said contract the sum of approximately \$80,000.00 to guarantee the performance of the conditions of said last mentioned paragraph; and

WHEREAS, said R. P. Shields & Son have, on April 18, 1914, filed with said City Clerk a certain communication, being marked Document No. 75541, and being an affidavit wherein said R. P. Shields swears, under oath, that the amount now due for labor and materials furnished on said bulkhead and improvements does not exceed the sum of \$10,000.00; and

WHEREAS, it is the sense of this Common Council that the amount of money retained by said City is sufficient to protect said City under all the terms of said contract and against all claims for labor and materials furnished in the construction of said bulkhead and improvements; NOW THEREFORE,

BE IT RESOLVED, By the Common Council of the City of San Diego, as follows:

That said R. P. Shields and E. S. Shields, co-partners doing business under the firm name and style of R. P. Shields & Son, be and they hereby are authorized and permitted to cancel said bonds in this resolution mentioned, given for the purpose of holding said City harmless from claims for labor and materials furnished in the construction of a municipal bulkhead and improvements connected therewith, and for the faithful performance of the conditions of said contract of July 25, 1912, for the construction and erection of the same.

RESOLUTION OF INTENTION NO. 17113.

Plum Street.

RESOLVED, that it is the intention of the Common Council of the City of San Diego, California, to order the following street work to be done, to-wit:

The grading, and paving with decomposed granite, to the official grade thereof, of the roadway of PLUM STREET, in said City, from curb line to curb line, from the northeasterly line of Quimby Street to the northeasterly line of Curtis Street, including the roadway of all intersections of said Plum Street with all cross streets, between said points, (excepting the intersection of said Plum Street with Browning Street);

Also, as a part of said work, the grading to the official grade thereof, of said Plum Street, on both sides thereof, between the curb line of said street and the property line, from the northeasterly line of Quimby Street to the northeasterly line of Curtis Street, including the returns in all intersections of said Plum Street with all cross streets, between said points, (excepting the intersection of said Plum Street with Browning Street);

Also, as a part of said work, the construction of cement concrete curbing and cement concrete gutters on both sides of the said Plum Street, from the northeasterly line of Quimby Street to the northeasterly line of Curtis Street, including the curbing in the returns at all intersections of said Plum Street with all cross streets, between said points, and also including the gutters in the returns at the intersections of said Plum Street with Russell Street and Udal Street, (excepting the curbing and gutters in the portions of the returns within the intersection of said Plum Street with Browning Street, and also excepting the gutters in the returns at the intersections of said Plum Street with Quimby Street, Sterne Street, Tennyson Street, Voltaire Street, Whittier Street, Xenophon Street, Younge Street, Zouch Street, Alcott Street, Browning Street and Curtis Street);

Also, as a part of said work, the construction of two ten-inch double-strength cement pipe culverts, 116 feet in length, together with their accessories and accessory culverts, at each of the intersections of said Plum Street with Tennyson Street, Voltaire Street, Whittier Street, Xenophon Street, Younge Street, Zouch Street, Alcott Street, and Curtis Street; also, the construction of two ten-inch double-strength cement pipe culverts, 65 feet in length, together with their accessories and accessory culverts, at the intersection of said Plum Street with Sterne Street; also, the construction of one eighteen-inch double-strength cement pipe culvert, 131 feet in length, together with its accessories, across the said Plum Street, at a point 118 feet southwesterly from the southwesterly line of Alcott Street; also the construction of one cement concrete catch-basin on each side of the said Plum Street, at a point 75 feet southwesterly from the southwesterly line of Alcott Street; also the construction of one twelve-inch single-strength cement pipe culvert across the roadway of said Plum Street, at a point 75 feet southwesterly from the southwesterly line of Alcott Street; also the construction of one twelve-inch single-strength cement pipe culvert, commencing at the catch-basin on the southeasterly side of the roadway of said Plum Street, at a point 75 feet southwesterly from the southwesterly line of Alcott Street, and running southwesterly to connect with the eighteen-inch culvert hereinbefore referred to;

All of said work to be done as shown upon and according to the plans, drawings and typical cross-sections and specifications therefor contained in Document No. 69016, on file in the office of the City Clerk of said City, and copies of which are on file in the office of the City Engineer of said City.

All of said plans, drawings and typical cross-sections and specifications contained in said Document No. 69016 are hereby approved and adopted as the plans, drawings and typical cross-sections and specifications to be followed, in making said improvement; and by reference thereto all said plans, drawings and typical cross-sections and specifications

contained in said Document No. 69016, are incorporated herein and made a part hereof.

The said Common Council hereby determines that serial bonds bearing interest at the rate of seven per cent. per annum shall be issued to represent assessments of twenty-five dollars or over for the cost of said work or improvement. Said serial bonds shall extend over a period of nine years from the second day of January next succeeding their issuance, and an even annual proportion of the principal sum thereof shall be payable by coupon, on the second day of January, every year after their date, until the whole is paid, ^{and} the interest shall be payable semi-annually, by coupon, on the second days of January and July, respectively, of each year, at the rate of seven per cent. per annum on all sums unpaid, until the whole of said principal and interest are paid. Said bonds shall be issued in accordance with the provisions of an Act of the Legislature of the State of California, entitled, "An Act to Provide a System of Street Improvement Bonds to Represent Certain Assessments for the Cost of Street Work and Improvement Within Municipalities, and also for the Payment of such Bonds," approved February 27th, 1893, and of all acts supplementary thereto, or amendatory thereof. And said Common Council hereby determines that said serial bonds shall be issued to represent the expenses of said work or improvement.

That the contemplated work of improvement, hereinbefore mentioned, is in the opinion of said Common Council of more than local and ordinary public benefit, and the expense of said work and improvement is made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to-wit: All that real property in the said City of San Diego, included within the following exterior boundry lines, to-wit:

Beginning at a point on the northeasterly line of Quimby Street distant 150 feet northwesterly from the northwesterly line of Plum Street; thence northeasterly on a line parallel to and distant 150 feet northwesterly from the northwesterly line of Plum Street to an intersection with the southwesterly line of Dumas Street; thence southeasterly along the southwesterly line of Dumas Street to a point distant 150 feet southeasterly from the southeasterly line of Plum Street; thence southwesterly on a line parallel to and distant 150 feet southeasterly from the southeasterly line of Plum Street to an intersection with the northeasterly line of Quimby Street; thence northwesterly along the northeasterly line of Quimby Street to the point or place of beginning; excepting therefrom all public streets, roads, alleys, avenues, and highways.

A plat of which said district, indicating by a boundary line the extent of the territory included in said assessment district, approved by this Common Council, is on file in the office of the City Engineer of said City; reference to which is hereby made.

That the Evening Tribune, a daily newspaper published and circulated, and of general circulation, in the said City of San Diego, be, and it is hereby designated as the newspaper in which this Resolution of Intention shall be published by two insertions, and the notice of the passage thereof shall be published by two insertions, in the manner and by the persons required by law.

That the Clerk of the said City of San Diego be, and he is hereby directed to post this Resolution conspicuously for two days on or near the chamber door of the said Common Council, and to cause the same to be published by two insertions in said daily newspaper in the manner required by law.

That the Street Superintendent of the said City of San Diego shall, after the passage of this Resolution of Intention, cause to be conspicuously posted along all streets and parts of streets and other public places and rights of way where the work and improvement hereinbefore described is to be done and made, notices of the passage of this Resolution, in the

manner and in the form required by law, and shall also cause a notice similar in substance to be published by two insertions in said daily newspaper, in the manner required by law, and thereupon said Superintendent of Streets shall cause to be filed in the office of the City Clerk of said City, affidavits showing the posting and publication of the said notices of street work.

That the City Clerk of said City be, and he is hereby directed, immediately upon the passage of this Resolution of Intention, to mail, with postage thereon prepaid, to each property owner whose property is to be assessed to pay the costs and expenses of said improvement, a postal card containing notice of the passage of this Resolution, designating the location and limits of the improvement provided for herein, and referring to this resolution for particulars, and stating that property belonging to such owner is to be assessed for said improvement, all in the manner, substance and form as prescribed by law, and thereupon said Clerk shall cause to be filed affidavits in proof of such mailing.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 27th day of April, 1914, by the following vote, to-wit:

RESOLUTION ORDERING WORK NO. 17121.

Cedar Street.

RESOLVED By the Common Council of the City of San Diego, California, that the public interest and convenience require the work hereinafter described to be done, and therefore the said Common Council hereby orders the following street work to be done, to-wit:

All the street work described in Resolution of Intention No. 16712, adopted by this Common Council on March 16, 1914, and on file in the office of the City Clerk of said City, for the improvement of CEDAR STREET, in said City, from the east line of Grove Street to the west line of Felton Street.

For a description of the work reference is hereby made to said Resolution of Intention No. 16712.

All of said work shall be done according to the specifications therefor contained in Ordinance No. 3510 of the ordinances of said City, and according to, and as shown upon the plans, drawings and typical cross-sections and specifications contained in Document No. 73887, on file in the office of the City Clerk of said City, and copies of which are on file in the office of the City Engineer of said City; and by reference thereto, all said specifications contained in said Ordinance No. 3510, and said plans, drawings and typical cross-sections and specifications contained in said Document No. 73887, are incorporated herein and made a part hereof.

The costs and expenses of said work and improvement are to be assessed upon the district which is more particularly described in said Resolution of Intention No. 16712.

The said Common Council determined that serial bonds to extend over a period of nine years from the second day of January next succeeding their issuance, bearing interest at the rate of seven per cent. per annum, shall be issued to represent assessments of twenty-five dollars or over for the costs of said work or improvement.

For further particulars, reference is hereby made to said Resolution of Intention

No. 16712.

The EVENING TRIBUNE, a daily newspaper published and circulated and of general circulation in said City of San Diego, is hereby designated as the newspaper in which this Resolution Ordering Work, and the notice of said work inviting sealed proposals for doing the same, shall be published, in the manner and form, and by the persons required by law.

The Clerk of the said City of San Diego is hereby directed to post conspicuously for five days, on or near the chamber door of the said Common Council, in the manner and form required by law, a notice with specifications inviting sealed proposals or bids for doing said work; and said Clerk is hereby directed to publish, for two days in said newspaper in the manner and form required by law, a notice of said work, inviting sealed proposals or bids for doing the said work, and referring to the specifications posted or on file. Said notice shall require either a certified check or bond, as prescribed by law, for an amount not less than ten per cent. of the aggregate of the proposal.

Said Clerk of the said city of San Diego is also directed to publish for two days in said newspaper, in the manner required by law, this resolution ordering work.

Resolution Determining and Proposing to Grant a Street Railway Franchise on the streets named in the application therefor, and ordering notice of said application and of the proposition of the Common Council to grant the same, to be advertised by publication in the official newspaper of said City.

WHEREAS, an application has been made to the Common Council of the City of San Diego by the San Diego Electric Railway Company, a corporation, dated the 21st day of April, 1914, for the grant to it of the franchise and authority to construct, maintain and operate an

electric railway for a period of time commencing on the day of the going into effect of the ordinance granting said franchise and ending on the first day of September, 1952, on certain streets of said City named in said application on file in the office of the City Clerk of said City; and,

WHEREAS, upon due consideration of said application the said Common Council has determined that it is for the best interest of said City that such franchise and authority be granted, and that said Common Council proposes to grant the same.

NOW, THEREFORE, Be it Resolved by the Common Council of the City of San Diego, as follows:

That it is now determined that such franchise and authority shall be granted, for a period of time commencing on the day of the going into effect of the ordinance granting said franchise and ending on the first day of September, 1952, as applied for in said application on file in said office.

That said City Clerk be and he is hereby directed to advertise the fact of said application, together with a statement that it is proposed to grant the same as applied for and stating that bids will be received for such franchise and that it will be sold, struck off and awarded to the highest cash bidder therefor, by publication thereof in the official newspaper of said City, to-wit: "The Evening Tribune", once a day for ten successive days; and said Clerk is hereby further directed to sign said notice and advertisement and to state in said notice the character of the franchise and authority proposed to be granted, the term for which it is granted, and the route to be traversed; and that sealed bids therefor will be received up to the hour of 10 o'clock A. M., of Monday, the 1st day of June, 1914, when in open session said Common Council will open and publicly declare said bids; and that the successful bidder and his assigns must, during the life of said franchise, pay to the said City two per centum of the gross annual receipts of the person, partnership, or corporation to whom the franchise is awarded, arising from its use, operation or possession; such percentage to be payable annually and to commence to accrue from the date of the taking effect of the ordinance granting such franchise.

That this resolution shall be in force from and after its passage and approval, and said City Clerk is hereby further directed to cause the same to be published once in the official newspaper of said City, to-wit: "The Evening Tribune".

RESOLUTION NO. 17125.

Determining and Proposing to Grant a Street Railway Franchise upon Point Loma along the Streets and Private Property named in the Application therefor, and Ordering Notice of said Application and of the Proposition of the Common Council to Grant the Same to be Advertised by Publication in the official newspaper of said City.

WHEREAS, an application has been made to the Common Council of the City of San Diego by the Point Loma Railroad Company, dated the 21st day of April, 1914, for the grant to it of the franchise and authority to construct, maintain and operate an electric railway for a period of time commencing on the taking effect of the ordinance granting the same and ending on the first day of September, 1952, including side-tracks, turnouts, curves and other appurtenances, on certain streets named in said application on file in the office of the City Clerk of said City; and,

WHEREAS, together with said application there has been filed in said City Clerk's Office a general petition signed by about five hundred bona fide residents and property owners of Point Loma who are directly affected by and who are to be served by the railway sought to be operated under such franchise and authority, requesting that the same be granted as applied for, and setting out the extensions of the line, and the rates of fares, desired, and prompting such request and the conditions governing the same; and,

WHEREAS, upon due consideration of said application and of the said petition of property owners of Point Loma the said Common Council has determined that it is for the best interests of said City, of the signers of said petition and of the inhabitants of said City in general that such franchise and authority be granted as applied for in said application and that the said Common Council proposes to grant the same;

NOW, THEREFORE, Be it Resolved by the Common Council of the City of San Diego, as follows:-

That it is now determined that such franchise and authority shall be granted for a period of time commencing on the taking effect of the ordinance granting said franchise and ending on the first day of September, in the year nineteen hundred and fifty-two, as applied for in said application and as approved and requested by the residents and property owners of Point Loma in their said petition, which said application and petition are on file in the office of the City Clerk of said City.

That said City Clerk be and he is hereby directed to advertise the fact of said application, together with a statement that it is proposed to grant the same and stating that bids will be received for such franchise and that it will be sold, struck off and awarded to the highest cash bidder therefor, by publication thereof in the official newspaper of

said City, to-wit: "The Evening Tribune", once a day for ten successive days; and said Clerk is hereby further directed to sign said notice and advertisement and to state in said notice the character of the franchise and authority proposed to be granted, the term for which it is granted, and the route to be traversed; and that sealed bids therefor will be received up to the hour of ten o'clock A. M. of Monday, the 1st day of June, 1914, when in open session said Common Council will open and publicly declare said bids; and that the successful bidder and his assigns must during the life of said franchise pay to the said City two percentum of the gross annual receipts of the person, partnership, or corporation to whom the franchise is awarded, arising from its use, operation or possession; such percentage to be paid annually and to commence to accrue from the date of the taking effect of the ordinance granting such franchise.

That this resolution shall be in force from and after its passage and approval, and said City Clerk is hereby further directed to cause the same to be published once in the official newspaper of said City, to-wit: "The Evening Tribune".

RESOLUTION OF INTENTION NO. 17156.

First Street.

RESOLVED, that it is the intention of the Common Council of the City of San Diego, California, to order the following street work to be done, to-wit:

The paving, with asphalt pavement, laid upon a concrete base, of the roadway of FIRST STREET, in said City, from curb line to curb line, from the north line of University Avenue to the south line of Washington Street, (excepting such portions of the said First Street, between said points, required by law to be kept in order or repair by any person or company having railroad tracks thereon, and also excepting such portions of the said First Street, between said points, to be occupied by the concrete gutters hereinafter referred to), according to the specifications therefor contained in Ordinance No. 5176 of the ordinances of said City, and as shown upon the plans, drawings and typical cross-sections contained in Document No. 75413, on file in the office of the City Clerk of said City, and copies of which are on file in the office of the City Engineer of said City.

Also, as a part of said work, the construction upon both sides of the said First Street, from the north line of University Avenue to the south line of Washington Street, of concrete gutters, as shown upon and according to the plans, drawings and typical cross-sections and specifications therefor contained in said Document No. 75413.

Also, as a part of said work, the construction on each side of the said First Street, at the north line of University Avenue, of a concrete intake, together with its accessories, as shown upon and according to the plans, drawings and typical cross-sections and specifications therefor contained in said Document No. 75413.

All of said plans, drawings and typical cross-sections and specifications contained in said Document No. 75413 are hereby approved and adopted as the plans, drawings and typical cross-sections and specifications to be followed in connection with the specifications contained in said Ordinance No. 5176, in said paving of, and said work upon, said First Street, between said points; and by reference thereto, all said plans, drawings and typical cross-sections and specifications contained in said Document No. 75413, and said specifications contained in said Ordinance No. 5176, are incorporated herein and made a part hereof.

The said Common Council hereby determines that serial bonds bearing interest at the rate of seven per cent. per annum shall be issued to represent assessments of twenty-five dollars or over for the cost of said work or improvement. Said serial bonds shall extend over a period of nine years from the second day of January next succeeding their issuance, and an even annual proportion of the principal sum thereof shall be payable by coupon, on the second day of January, every year after their date, until the whole is paid, and the interest shall be payable semi-annually, by coupon, on the second days of January and July, respectively, of each year, at the rate of seven per cent. per annum on all sums unpaid, until the whole of said principal and interest are paid. Said bonds shall be issued in accordance with the provisions of an Act of the Legislature of the State of California, entitled, "An Act to Provide a System of Street Improvement Bonds to Represent Certain Assessments for the Cost of Street Work and Improvement Within Municipalities, and also for the Payment of such Bonds," approved February 27th, 1893, and of all acts supplementary thereto, or amendatory thereof. And said Common Council hereby determines that said serial bonds shall be issued to represent the expenses of said work or improvement.

That the contemplated work of improvement, hereinbefore mentioned, is in the opinion of said Common Council of more than local and ordinary public benefit, and the expense of said work and improvement is made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to-wit: All that real property in the said City of San Diego, included within the following exterior boundrylines, to-wit:

Beginning at a point on the north line of University Avenue 140 feet east from the eastline of First Street; thence north on a line parallel to and distant 140 feet east from the east line of First Street to an intersection with the south line of Washington Street;

thence west along the south line of Washington Street to a point distant 137.50 feet west from the west line of First Street; thence south on a line parallel to and distant 137.50 feet west from the west line of First Street to an intersection with the north line of University Avenue; thence east along the north line of University Avenue to the point or place of beginning; excepting therefrom all public streets, roads, alleys, avenues and highways.

A plat of which said district, indicating by a boundary line the extent of the territory included in said assessment district, approved by this Common Council, is on file in the office of the City Engineer of said City; reference to which is hereby made.

That the Evening Tribune, a daily newspaper published and circulated, and of general circulation, in the said City of San Diego, be, and it is hereby designated as the newspaper in which this Resolution of Intention shall be published by two insertions, and the notice of the passage thereof shall be published by two insertions, in the manner and by the persons required by law.

That the Clerk of the said City of San Diego be, and he is hereby directed to post this Resolution conspicuously for two days on or near the chamber door of the said Common Council, and to cause the same to be published by two insertions in said daily newspaper in the manner required by law.

That the Street Superintendent of the said City of San Diego shall, after the passage of this Resolution of Intention, cause to be conspicuously posted along all streets and parts of streets and other public places and rights of way where the work and improvement hereinbefore described is to be done and made, notices of the passage of this Resolution, in the manner and in the form required by law, and shall also cause a notice similar in substance to be published by two insertions in said daily newspaper, in the manner required by law, and thereupon said Superintendent of Streets shall cause to be filed in the office of the City Clerk of said City, affidavits showing the posting and publication of the said notices of street work.

That the City Clerk of said City be, and he is hereby directed, immediately upon the passage of this Resolution of Intention, to mail, with postage thereon prepaid, to each property owner whose property is to be assessed to pay the costs and expenses of said improvement, a postal card, containing notice of the passage of this Resolution, designating the location and limits of the improvement provided for herein, and referring to this resolution for particulars, and stating that property belonging to such owner is to be assessed for said improvement, all in the manner, substance and form as prescribed by law; and thereupon said Clerk shall cause to be filed affidavits in proof of such mailing.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 29th day of April, 1914, by the following vote, to-wit:

RESOLUTION OF INTENTION NO. 17160.

Park Boulevard.

RESOLVED, that it is the intention of the Common Council of the City of San Diego, California, to order the following street work to be done, to-wit:

The paving, with asphalt pavement laid upon a concrete base, of the roadway of PARK BOULEVARD, in said City, from curb line to curb line, from the north line of University Avenue to the north line of El Cajon Avenue, including the roadway of the intersections of said Park Boulevard with all cross streets, between said points, and also including the roadway of all terminations of streets in said Park Boulevard, between said points, (excepting such portions of the said Park Boulevard and said intersections and terminations of streets, between said points, required by law to be kept in order or repair by any person or company having railroad tracks thereon, and also excepting a strip of land twenty-five feet wide in the center of said Park Boulevard, between the north line of University Avenue and the south line of El Cajon Avenue, to be graded as hereinafter provided), according to the specifications therefor contained in Ordinance No. 5176 of the ordinances of said City, and as shown upon the plans, drawings and typical cross-sections contained in Document No. 72222, on file in the office of the City Clerk of said City, and copies of which are on file in the office

of the City Engineer of said City.

Also, as a part of said work, the grading to the official grade thereof, of a strip of land twenty-five feet wide in the center of said Park Boulevard, between the north line of University Avenue and the north line of El Cajon Avenue, (excepting such portions of said Park Boulevard and said intersections of streets, between said points, required by law to be kept in order or repair by any person or company having railroad tracks thereon), according to the specifications therefor contained in Ordinance No. 3510 of the ordinances of said City, and as shown upon the plans, drawings and typical cross-sections and specifications contained in said Document No. 72222.

And also, as a part of said work, the construction of concrete curbing upon the said Park Boulevard, on both sides thereof, from the north line of University Avenue to the north line of El Cajon Avenue, including the returns in all intersections of said Park Boulevard with all cross streets, between said points, and also including the returns in all terminations of streets in said Park Boulevard, (excepting such portions of the said Park Boulevard and said intersections and terminations of streets, between said points, already curbed with concrete at the time of the adoption of this resolution of intention), according to the specifications therefor contained in Ordinance No. 5250 of the ordinances of said City, and as shown upon the plans, drawings and typical cross-sections and specifications contained in said Document No. 72222.

All of said plans, drawings and typical cross-sections and specifications contained in said Document No. 72222 are hereby approved and adopted as the plans, drawings and typical cross-sections and specifications to be followed, in connection with the specifications contained in said Ordinances No. 5176, No. 3510 and No. 5250, in said paving of, and said work upon said Park Boulevard, between said points; and by reference thereto all said plans, drawings and typical cross-sections and specifications contained in said Document No. 72222 and said specifications contained in said Ordinances No. 5176, No. 3510 and No. 5250 are incorporated herein and made a part hereof.

The said Common Council hereby determines that serial bonds bearing interest at the rate of seven per cent. per annum shall be issued to represent assessments of twenty-five dollars or over for the cost of said work or improvement. Said serial bonds shall extend over a period of nine years from the second day of January next succeeding their issuance, and an even annual proportion of the principal sum thereof shall be payable by coupon, on the second day of January, every year after their date, until the whole is paid, and the interest shall be payable semi-annually, by coupon, on the second days of January and July, respectively, of each year, at the rate of seven per cent. per annum on all sums unpaid, until the whole of said principal and interest are paid. Said bonds shall be issued in accordance with the provisions of an Act of the Legislature of the State of California, entitled, "An Act to Provide a System of Street Improvement Bonds to Represent Certain Assessments for the Cost of Street Work and Improvement Within Municipalities, and also for the Payment of such Bonds," approved February 27th, 1893, and of all acts supplementary thereto, or amendatory thereof. And said Common Council hereby determines that said serial bonds shall be issued to represent the expenses of said work or improvement.

That the contemplated work of improvement, hereinbefore mentioned, is in the opinion of said Common Council of more than local and ordinary public benefit, and the expense of said work and improvement is made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to-wit: All that real property in the said City of San Diego, included within the following exterior boundry lines, to-wit:

Beginning at the intersection of the north line of University Avenue with the east-

erly line of the alley in block 193, University Heights; thence northerly along the easterly line of the alley in said block 193, to an intersection with the southerly line of Lincoln Avenue; thence northwesterly to the westerly corner of block 178, University Heights; thence northerly to a point on the west line of Center Street distant 200 feet southerly from the southerly line of Polk Avenue; thence westerly on a line parallel to and distant 200 feet southerly from the southerly line of Polk Avenue to a point distant 150 feet westerly from the westerly line of Center Street; thence northerly on a line parallel to and distant 150 feet westerly from the westerly line of Center Street and Center Street produced northerly to an intersection with the northerly line of Polk Avenue; thence northerly on a line parallel to and distant 150 feet easterly from the easterly line of University Boulevard to a point distant 275 feet northerly from the northerly line of Polk Avenue; thence westerly on a line parallel to and distant 275 feet northerly from the northerly line of Polk Avenue to an intersection with the easterly line of University Boulevard; thence northerly to a point on the westerly line of University Boulevard distant 630 feet northerly from the northerly line of Campus Avenue; thence westerly at right angles to said westerly line of University Boulevard to a point distant 200 feet westerly from the westerly line of University Boulevard; thence northerly on a line parallel to and distant 200 feet westerly from the westerly line of University Boulevard to an intersection with a line parallel to and distant 200 feet west from the west line of Robert's Subdivision; thence north on a line parallel to and distant 200 feet west from the west line of Robert's Subdivision to a point distant 300 feet south from the south line of Meade Avenue; thence east on a line parallel to and distant 300 feet south from the south line of Meade Avenue to a point distant 170 feet east from the east line of Park Boulevard; thence south on a line parallel to and distant 170 feet east from the east line of Park Boulevard to an intersection with the north line of El Cajon Avenue; thence southerly to a point on the south line of El Cajon Avenue distant 150 feet east from the east line of Park Boulevard; thence south on a line parallel to and distant 150 feet east from the east line of Park Boulevard to an intersection with the north line of University Avenue; thence west along the north line of University Avenue to an intersection with the east line of Park Boulevard; thence westerly to an intersection of the west line of Park Boulevard with the north line of University Avenue; thence west along the north line of University Avenue to the point or place of beginning; excepting therefrom all public streets, roads, alleys, avenues and highways.

A plat of which said district, indicating by a boundary line the extent of the territory included in said assessment district, approved by this Common Council, is on file in the office of the City Engineer of said City; reference to which is hereby made.

That the Evening Tribune, a daily newspaper published and circulated, and of general circulation, in the said City of San Diego, be, and it is hereby designated as the newspaper in which this Resolution of Intention shall be published by two insertions, and the notice of the passage thereof shall be published by two insertions, in the manner and by the persons required by law.

That the Clerk of the said City of San Diego be, and he is hereby directed to post this Resolution conspicuously for two days on or near the chamber door of the said Common Council, and to cause the same to be published by two insertions in said daily newspaper in the manner required by law.

That the Street Superintendent of the said City of San Diego shall, after the passage of this Resolution of Intention, cause to be conspicuously posted along all streets and parts of streets and other public places and rights of way where the work and improvement hereinbefore described is to be done and made, notices of the passage of this Resolution, in the manner and in the form required by law, and shall also cause a notice similar in substance to be published by two insertions in said daily newspaper, in the manner required by law,

and thereupon said Superintendent of Streets shall cause to be filed in the office of the City Clerk of said City, affidavits showing the posting and publication of the said notices of street work.

That the City Clerk of said City be, and he is hereby directed, immediately upon the passage of this Resolution of Intention, to mail, with postage thereon prepaid, to each property owner whose property is to be assessed to pay the costs and expenses of said improvement, a postal card containing notice of the passage of this Resolution, designating the location and limits of the improvement provided for herein, and referring to this resolution for particulars, and stating that property belonging to such owner is to be assessed for said improvement, all in the manner, substance and form as prescribed by law; and thereupon said Clerk shall cause to be filed affidavits in proof of such mailing.

RESOLUTION OF INTENTION NO. 17213.

Fifth Street.

RESOLVED, that it is the intention of the Common Council of the City of San Diego, California, to order the following street work to be done, to-wit:

The paving, with asphalt pavement laid upon a concrete base, of the roadway of FIFTH STREET, in said City, from curb line to curb line, from the south line of A Street to the north line of L Street, including the roadway of the intersections of said Fifth Street with all cross streets, between said points, (excepting such portions of the said Fifth Street and said intersections of streets, between said points, required by law to be kept in order or repair by any person or company having railroad tracks thereon), according to the specifications therefor contained in Ordinance No. 5176 of the ordinances of said City, and according to, and as shown upon the plans, drawings and typical cross-sections contained in Document No. 76454, on file in the office of the City Clerk of said City, and copies of which are on file in the office of the City Engineer of said City.

Also, as a part of said work, the construction upon both sides of the said Fifth Street, between the south line of A Street and the north line of K Street, and in the returns in all intersections of said Fifth Street with all cross streets, between said points, of granite block gutters, including the construction of gutters in the return at the northwest corner of the intersection of said Fifth Street with K Street, (excepting upon the east side of said Fifth Street, between the south line of J Street and the north line of K Street), according to the specifications therefor contained in Ordinance No. 4108 of the ordinances of said City, and according to and as shown upon the plans, drawings and typical cross-sections contained in said Document No. 76454.

Also, as a part of said work, the construction of 19.7 feet of concrete curbing in the return at the northwest corner of the intersection of said Fifth Street with B Street, according to the specifications therefor contained in Ordinance No. 5250 of the ordinances of said City, and as shown upon the plans, drawings and typical cross-sections contained in said Document No. 76454.

Also, as a part of said work, the construction in the said Fifth Street of the following cement concrete catch-basins, to-wit:

One cement concrete catch-basin, No. 1, at the curb line at the northeast corner of the intersection of said Fifth Street with K Street;

One cement concrete catch-basin, No. 2, at the curb line at the southeast corner of the intersection of said Fifth Street with K Street;

One cement concrete catch-basin, No. 3, in the gutter on the west side of said Fifth Street, at the north line of L Street;

One cement concrete catch-basin, No. 4, at the curb line on the east side of said

Fifth Street, at the north line of L Street; and

One cement concrete catch-basin, No. 5, in the gutter at the northwest corner of the intersection of said Fifth Street with C Street;

And also, the construction in the said Fifth Street of the following culverts, to-wit:

One twenty-four inch double-strength cement pipe culvert, together with its accessories, commencing at said Catch-basin No. 1, and running thence southerly across the intersection of said Fifth Street with K Street, and thence southerly along the east curb line of said Fifth Street, a distance of 365 feet, to said Catch-basin No. 4;

One thirty-inch double-strength cement pipe culvert, 180 feet in length, together with its accessories, commencing at said Catch-basin No. 4, and running thence southerly and southwesterly a distance of 180 feet, to the shore line of the Bay of San Diego;

One twelve-inch double-strength pipe culvert, 50 feet in length, across the roadway of said Fifth Street, at the north line of L Street, between said Catch-basin No. 3 and said Catch-basin No. 4;

(Excepting such portions of the said culverts required by law to be kept in order or repair by any person or company having railroad tracks thereon);

All of said catch-basins and said culverts and their accessories to be constructed as shown upon and according to the plans, drawings and typical cross-sections and specifications therefor contained in said Document No. 76454.

All of said plans, drawings and typical cross-sections and specifications contained in said Document No. 76454, are hereby approved and adopted as the plans, drawings and typical cross-sections and specifications to be followed, in connection with the specifications contained in said Ordinances No. 5176, No. 5250 and No. 4108, in said paving of, and said work upon, said Fifth Street, between said points; and by reference thereto, all said plans, drawings and typical cross-sections and specifications contained in said Document No. 76454, and said specifications contained in said Ordinances No. 5176, No. 5250 and No. 4108, are incorporated herein and made a part hereof.

The said Common Council hereby determines that serial bonds bearing interest at the rate of seven per cent. per annum shall be issued to represent assessments of twenty-five dollars or over for the cost of said work or improvement. Said serial bonds shall extend over a period of nine years from the second day of January next succeeding their issuance, and an even annual proportion of the principal sum thereof shall be payable by coupon, on the second day of January, every year after their date, until the whole is paid, and the interest shall be payable semi-annually, by coupon, on the second days of January and July, respectively, of each year, at the rate of seven per cent. per annum on all sums unpaid, until the whole of said principal and interest are paid. Said bonds shall be issued in accordance with the provisions of an Act of the Legislature of the State of California, entitled, "An Act to Provide a System of Street Improvement Bonds to Represent Certain Assessments for the Cost of Street Work and Improvement Within Municipalities, and also for the Payment of such Bonds," approved February 27th, 1893, and of all acts supplementary thereto, or amendatory thereof. And said Common Council hereby determines that said serial bonds shall be issued to represent the expenses of said work or improvement.

That the contemplated work of improvement, hereinbefore mentioned, is in the opinion of said Common Council of more than local and ordinary public benefit, and the expense of said work and improvement is made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to-wit: All that real property in the said City of San Diego, included within the following exterior boundary lines, to-wit:

Beginning at a point on the north line of L Street distant 100 feet east from the east line of Fifth Street; thence north on a line parallel to and distant 100 feet east from the east line of Fifth Street to an intersection with the south line of A Street; thence west along the south line of A Street to a point distant 100 feet west from the west line of Fifth Street; thence south on a line parallel to and distant 100 feet west from the west line of Fifth Street to an intersection with the north line of L Street; thence east along the north line of L Street to the point or place of beginning; excepting therefrom all public streets, roads, alleys, avenues and highways.

A plat of which said district, indicating by a boundary line the extent of the territory included in said assessment district, approved by this Common Council, is on file in the office of the City Engineer of said City.

All of the herein proposed work shall be done in pursuance of an Act of the Legislature of the State of California, entitled, "An Act to provide for work upon street, lanes, alleys, courts, places and sidewalks, and for the construction of sewers within municipalities," approved March 18, 1885, and the several acts amendatory thereof or supplementary thereto.

That the Evening Tribune, a daily newspaper published and circulated, and of general circulation, in the said City of San Diego, be, and it is hereby designated as the newspaper in which this Resolution of Intention shall be published by two insertions, and the notice of the passage thereof shall be published by two insertions, in the manner and by the persons required by law.

That the Clerk of the said City of San Diego be, and he is hereby directed to post this Resolution conspicuously for two days on or near the chamber door of the said Common Council, and to cause the same to be published by two insertions in said daily newspaper in the manner required by law.

That the Street Superintendent of the said City of San Diego shall, after the passage of this Resolution of Intention, cause to be conspicuously posted along all streets and parts of streets and other public places and rights of way where the work and improvement hereinbefore described is to be done and made, notices of the passage of this Resolution, in the manner and in the form required by law, and shall also cause a notice similar in substance to be published by two insertions in said daily newspaper, in the manner required by law, and thereupon said Superintendent of Streets shall cause to be filed in the office of the City Clerk of said City, affidavits showing the posting and publication of the said notices of street work.

That the City Clerk of said City be, and he is hereby directed, immediately upon the passage of this Resolution of Intention, to mail, with postage thereon prepaid, to each property owner whose property is to be assessed to pay the costs and expenses of said improvement, a postal card containing notice of the passage of this Resolution, designating the location and limits of the improvement provided for herein, and referring to this resolution for particulars, and stating that property belonging to such owner is to be assessed for said improvement, all in the manner, substance and form as prescribed by law; and thereupon said Clerk shall cause to be filed affidavits in proof of such mailing.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 11th day of May, 1914, by the following vote, to-wit:

RESOLUTION NO. 17218.

DIRECTING NOTICE INVITING SEALED PROPOSALS.

Fourth Street Lighting No. 2.

BE IT RESOLVED By the Common Council of the City of San Diego, California, as follows:

That the City Clerk of the City of San Diego, California, be, and he hereby is, directed to publish for two days, in the newspaper hereinafter designated, in the manner and form required by law, notice inviting sealed proposals or bids for doing all of the following work, to-wit:

The furnishing of electric current for the lighting of the west side of FOURTH STREET, in said City, between the north line of C Street and the south line of B Street; of the south side of B STREET, in said City, between the west line of Fourth Street and the east line of Third Street; and of the east side of THIRD STREET, in said City, between the south line of B Street and a point 50 feet south of the south line of B Street; together with the maintenance of the posts, wires, conduits and lamps on said streets, between said points. Such furnishing of electric current and such maintenance of appliances to be for the period of eighteen months from January 1, 1914, to-wit: to and including June 30, 1915.

All of said work to be done strictly in accordance with the plans and specifications contained in the report of the City Engineer of said City, being Document No. 73758, on file in the office of the City Clerk of said City.

Bidders may file with said Clerk separate bids as follows:

1. For the furnishing of said electric current for said period, and for maintenance of appliances, complete, in accordance with said plans and specifications;
2. For furnishing electric current for the lighting of said B Street, between said points, only, in accordance with said plans and specifications;
3. For the maintenance of the posts, wires, conduits and lamps for said period, in accordance with said plans and specifications.

That the Evening Tribune, a daily newspaper, published and circulated, and of general circulation in said City of San Diego, is hereby designated as the newspaper in which said notice inviting sealed proposals for doing the said work, shall be published, in the manner and form, and by the persons required by law.

RESOLUTION NO. 17219.

Repealing Resolution No. 17125, adopted on the 27th day of April, 1914, in the Matter of the Point Loma Railroad Company Application for a railway Franchise on Point Loma, San Diego, California.

Whereas, inadvertent misdescription of the route to be taken by the proposed railway, owing chiefly to the numerous changes of the names of streets re-subdivision of tracts of land and numerous closing proceedings affecting public thoroughfares, has appeared in proceedings under Resolution No. 17125 in the Matter of the Application of the Point Loma Railroad Company for a railway franchise on Point Loma dated the 21st day of April, 1914, which render said proceedings abortive, and it is desired to correct the same by the filing of a new application and commencing new proceedings; Therefore,

Be It Resolved, by the Common Council of the City of San Diego, as follows:

That the certain Resolution No. 17125 passed and adopted by the Common Council of the City of San Diego on the 27th day of April, 1914, in the Matter of the Application of the Point Loma Railroad Company for a railway franchise on Point Loma, be and the same is hereby annulled and repealed.

That this Resolution shall be in force from and after its passage and adoption.

I HEREBY CERTIFY that the above and foregoing is a full, true and correct copy of Resolution No. 17219 of the resolutions of the City of San Diego, California, as adopted by the Common Council of said City on the 11th day of May, 1914.

RESOLUTION NO. 17220.

Determining and Proposing to Grant a Street Railway Franchise upon Point Loma along the Streets and Private Property named in the Application therefor, and Ordering Notice of said Application and of the Proposition of the Common Council to Grant the Same to be Advertised by Publication in the official newspaper of said City.

WHEREAS, an application has been made to the Common Council of the City of San Diego by the Point Loma Railroad Company, dated the 11th day of May, 1914, for the grant to it of the franchise and authority to construct, maintain and operate an electric railway for a period of time commencing on the taking effect of the ordinance granting the same and ending at the expiration of forty-one years thereafter, including side-tracks, turn-outs, curves and other appurtenances, on certain streets named in said application on file in the office

of the City Clerk of said City; and,

WHEREAS, together with said application there has been filed in said City Clerk's office a general petition signed by about five hundred bona fide residents and property owners of Point Loma who are directly affected by and who are to be served by the railway sought to be operated under such franchise and authority, requesting that the same be granted as applied for, and setting out the extensions of the line, and the rates of fares desired, and prompting such request and the conditions governing the same; and,

WHEREAS, upon due consideration of said application and of the said petition of property owners of Point Loma the said Common Council has determined that it is for the best interests of said City, of the signers of said petition and of the inhabitants of said City in general that such franchise and authority be granted as applied for in said application and that the said Common Council proposed to grant the same:

NOW, THEREFORE, Be it resolved by the Common Council of the City of San Diego, as follows:-

That it is now determined that such franchise and authority shall be granted for a period of time commencing on the taking effect of the ordinance granting said franchise and ending at the expiration of forty-one years thereafter, as applied for in said application and as approved and requested by the residents and property owners of Point Loma in their said petition, which said application and petition are on file in the office of the City Clerk of said City.

That the City Clerk be and he is hereby directed to advertise the fact of said application, together with a statement that it is proposed to grant the same and stating that bids will be received for such franchise and that it will be sold, struck off and awarded to the highest cash bidder therefor by publication thereof in the official newspaper of said City, to-wit: "The Evening Tribune", once a day for ten consecutive days; and said Clerk is hereby further directed to sign said notice and advertisement and to state in said notice the character of the franchise and authority proposed to be granted, the term for which it is granted, and the route to be traversed; and that sealed bids therefor will be received up to the hour of ten o'clock A. M. of Monday, the 15th day of June, 1914, when in open session said Common Council will open and publicly declare said bids; and that the successful bidder and his assigns must during the life of said franchise pay to the said City two per centum of the gross annual receipts of the person, partnership, or corporation to whom the franchise is awarded, arising from its use, operation or possession; such percentage to be paid annually and to commence to accrue from the date of the taking effect of the ordinance granting such franchise.

That this resolution shall be in force from and after its passage and approval, and said City Clerk is hereby further directed to cause the same to be published once in the official newspaper of said City, to-wit: "The Evening Tribune".

Passed and adopted by the said Common Council of the said City of San Diego, California, this 11th day of May, 1914, by the following vote, to-wit:

RESOLUTION OF INTENTION NO. 17275.

Bermuda Avenue.

RESOLVED, that it is the intention of the Common Council of the City of San Diego, California, to order the following street work to be done, to-wit:

The grading, and paving with decomposed granite, to the official grade thereof, of the roadway of BERMUDA AVENUE, in said City, from curb line to curb line, from the northwest line of Santa Barbara Street to the southeast line of De Foe Street, including the roadway of all intersections of said Bermuda Avenue with all cross streets, between said points;

Also, as a part of said work, the grading to the official grade thereof, of said Bermuda Avenue, on both sides thereof, between the curb line of said street and the property line, from the northwest line of Santa Barbara Street to the southeast line of De Foe Street, including the returns in all intersections of said Bermuda Avenue with all cross streets, between said points;

Also, as a part of said work, the construction of cement concrete curbing and cement concrete gutters on both sides of the said Bermuda Avenue, from the northwest line of Santa Barbara Street to the southeast line of De Foe Street, including the curbing in the returns in all intersections of said Bermuda Avenue with all cross streets, between said points, (excepting the gutters in the returns at all intersections of said Bermuda Avenue with all cross streets, between said points);

And also, as a part of said work, the construction of two ten-inch double-strength cement pipe culverts, together with their accessories and accessory culverts, at each of the intersections of said Bermuda Avenue with Froude Street, Guizot Street and Ebers Street;

All of said work to be done as shown upon and according to the plans, drawings and typical cross-sections and specifications therefor contained in Document No. 75186, on file in the office of the City Clerk of said City, and copies of which are on file in the office of the City Engineer of said City.

All of said plans, drawings and typical cross-sections and specifications contained in said Document No. 75186 are hereby approved and adopted as the plans, drawings and typical cross-sections and specifications to be followed, in making said improvement; and by reference thereto all said plans, drawings and typical cross-sections and specifications contained in said Document No. 75186, are incorporated herein and made a part hereof.

The said Common Council hereby determines that serial bonds bearing interest at the rate of seven per cent. per annum shall be issued to represent assessments of twenty-five

dollars or over for the cost of said work or improvement. Said serial bonds shall extend over a period of nine years from the second day of January next succeeding their issuance, and an even annual proportion of the principal sum thereof shall be payable by coupon, on the second day of January, every year after their date, until the whole is paid, and the interest shall be payable semi-annually, by coupon, on the second days of January and July, respectively, of each year, at the rate of seven per cent. per annum on all sums unpaid, until the whole of said principal and interest are paid. Said bonds shall be issued in accordance with the provisions of an Act of the Legislature of the State of California, entitled, "An Act to Provide a System of Street Improvement Bonds to Represent Certain Assessments for the Cost of Street Work and Improvement Within Municipalities, and also for the Payment of such Bonds," approved February 27th, 1893, and of all acts supplementary thereto, or amendatory thereof. And said Common Council hereby determines that said serial bonds shall be issued to represent the expenses of said work or improvement.

That the contemplated work of improvement, hereinbefore mentioned, is in the opinion of said Common Council of more than local and ordinary public benefit, and the expense of said work and improvement is made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to-wit: All that real property in the said City of San Diego, included within the following exterior boundry lines, to-wit:

Beginning at a point on the northwesterly line of Santa Barbara Street distant 140 feet southwesterly from the southwesterly line of Bermuda Avenue; thence northwesterly on a line parallel to and distant 140 feet southwesterly from the southwesterly line of Bermuda Avenue to an intersection with the northwesterly line of Point Loma Heights; thence southwesterly along the northwesterly line of Point Loma Heights to a point distant 150 feet southwesterly from the southwesterly line of Bermuda Avenue; thence northwesterly on a line parallel to and distant 150 feet southwesterly from the southwesterly line of Bermuda Avenue to an intersection with the southeasterly line of De Foe Street; thence northeasterly along the southeasterly line of De Foe Street to a point distant 150 feet northeasterly from the northeasterly line of Bermuda Avenue; thence southeasterly on a line parallel to and distant 150 feet northeasterly from the northeasterly line of Bermuda Avenue to an intersection with the westerly line of lot 2, Point Loma Heights; thence southerly along the westerly line of Point Loma Heights to an intersection with the northwesterly line of Santa Barbara Street; thence southwesterly along the northwesterly line of Santa Barbara Street to the point or place of beginning; excepting therefrom all public streets, roads, alleys, avenues and highways.

A plat of which said assessment district, indicating by a boundary line the extent of the territory included in said assessment district, approved by this Common Council, is on file in the office of the City Engineer of said City; reference to which is hereby made.

That the Evening Tribune, a daily newspaper published and circulated, and of general circulation, in the said City of San Diego, be, and it is hereby designated as the newspaper in which this Resolution of Intention shall be published by two insertions, and the notice of the passage thereof shall be published by two insertions, in the manner and by the persons required by law.

That the Clerk of the said City of San Diego be, and he is hereby directed to post this Resolution conspicuously for two days on or near the chamber door of the said Common Council, and to cause the same to be published by two insertions in said daily newspaper in the manner required by law.

That the Street Superintendent of the said City of San Diego shall, after the passage of this Resolution of Intention, cause to be conspicuously posted along all streets and parts

of streets and other public places and rights of way where the work and improvement hereinbefore described is to be done and made, notices of the passage of this Resolution, in the manner and in the form required by law, and shall also cause a notice similar in substance to be published by two insertions in said daily newspaper, in the manner required by law, and thereupon said Superintendent of Streets shall cause to be filed in the office of the City Clerk of said City, affidavits showing the posting and publication of the said notices of street work.

That the City Clerk of said City be, and he is hereby directed, immediately upon the passage of this Resolution of Intention, to mail, with postage thereon prepaid, to each property owner whose property is to be assessed to pay the costs and expenses of said improvement, a postal card containing notice of the passage of this Resolution, designating the location and limits of the improvement provided for herein, and referring to this resolution for particulars, and stating that property belonging to such owner is to be assessed for said improvement, all in the manner, substance and form as prescribed by law; and thereupon said Clerk shall caused to be filed affidavits in proof of such mailing.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 18th day of May, 1914, by the following vote, to-wit:

RESOLUTION ORDERING WORK NO. 17281.

Rosecrans Street.

RESOLVED By the Common Council of the City of San Diego, California, that the public interest and convenience require the work hereinafter described to be done, and therefore the said Common Council hereby orders the following street work to be done, to-wit:

All the street work described in Resolution of Intention No. 16841, adopted by this Common Council on March 30, 1914, and on file in the office of the City Clerk of said City, for the improvement of ROSECRANS STREET, in said City, from the southwesterly line of Dumas Street to the northeasterly line of New Main Street.

For a description of the work reference is hereby made to said Resolution of Intention No. 16841.

All of said street work to be done according to the specifications therefor, and as shown upon the plans, drawings and typical cross-sections, contained in Document No. 73030, on file in the office of the City Clerk of said City, and copies of which are on file in the office of the City Engineer of said City; and by reference thereto all said specifications and said plans, drawings and typical cross-sections contained in said Document No. 73030, are incorporated herein and made a part hereof.

The costs and expenses of said work and improvement are to be assessed upon the district which is more particularly described in said Resolution of Intention No. 16841.

The said Common Council determined that serial bonds to extend over a period of nine years from the second day of January next succeeding their issuance, bearing interest at the rate of seven per cent per annum, shall be issued to represent assessments of twenty-five dollars or over for the costs of said work or improvement.

For further particulars, reference is hereby made to said Resolution of Intention No. 16841.

The EVENING TRIBUNE, a daily newspaper published and circulated and of general circulation in said City of San Diego, is hereby designated as the newspaper in which this Resolution Ordering Work, and the notice of said work inviting sealed proposals for doing the same, shall be published, in the manner and form, and by the persons required by law.

The Clerk of the said City of San Diego is hereby directed to post conspicuously for five days, on or near the chamber door of the said Common Council, in the manner and form required by law, a notice with specifications inviting sealed proposals or bids for doing said work; and said Clerk is hereby directed to publish, for two days in said newspaper in the manner and form required by law, a notice of said work, inviting sealed proposals or bids for doing the said work, and referring to the specifications posted or on file. Said notice shall require either a certified check or bond, as prescribed by law, for an amount not less than ten per cent. of the aggregate of the proposal.

Said Clerk of the said city of San Diego is also directed to publish for two days in said newspaper, in the manner required by law, this resolution ordering work.

RESOLUTION OF INTENTION NO. 17378.

A Street.

RESOLVED, that it is the intention of the Common Council of the City of San Diego, California, to order the following street work to be done, to-wit:

The paving, with asphalt pavement laid upon a concrete base, of the roadway of A STREET, in said City, from curb line to curb line, from the east line of India Street ~~Street~~ to the west line of Sixth Street, including the roadway of the intersections of said A Street with Columbia Street, Second Street and Third Street, (excepting such portions of the said A Street and such intersections of streets, between said points, already paved, and also excepting such portions of the said A Street and said intersections of streets, between said points, required by law to be kept in order or repair by any person or company having railroad tracks thereon), according to the specifications therefor contained in Ordinance No. 5176 of the ordinances of said City, and according to and as shown upon the plans, drawings and typical cross-sections therefor contained in Document No. 76407, on file in the office of the City Clerk of said City, and copies of which are on file in the office of the City Engineer of said City.

Also, as a part of said work, the construction upon the said A Street of the following concrete curbing, to-wit: 18.3 feet of concrete curbing on the north side of said A Street, between Columbia Street and State Street; and 18.3 feet of concrete curbing on the south side of said A Street, between First Street and Second Street; according to the specifications therefor contained in Ordinance No. 5250 of the ordinances of said City, and according to and as shown upon the plans, drawings and typical cross-sections therefor contained in said Document No. 76407.

All of said plans, drawings and typical cross-sections contained in said Document No. 76407 are hereby approved and adopted as the plans, drawings and typical cross-sections to be followed, in connection with the specifications contained in said Ordinances No. 5176 and No. 5250, in said paving of, and said work upon, said A Street, between said points; and by reference thereto all said plans, drawings and typical cross-sections contained in said Document No. 76407, and said specifications contained in said Ordinances No. 5176 and No. 5250 are incorporated herein and made a part hereof.

The said Common Council hereby determines that serial bonds bearing interest at the rate of seven per cent. per annum shall be issued to represent assessments of twenty-five dollars or over for the cost of said work or improvement. Said serial bonds shall extend over a period of nine years from the second day of January next succeeding their issuance, and an even annual proportion of the principal sum thereof shall be payable by coupon, on the second day of January, every year after their date, until the whole is paid, and the interest shall be payable semi-annually, by coupon, on the second days of January and July, respectively, of each year, at the rate of seven per cent. per annum on all sums unpaid, until the whole of said principal and interest are paid. Said bonds shall be issued in accordance with the provisions of an Act of the Legislature of the State of California, entitled, "An Act to Provide a System of Street Improvement Bonds to Represent Certain Assessments for the Cost of Street Work and Improvement Within Municipalities, and also for the Payment of such Bonds," approved February 27th, 1893, and of all acts supplementary thereto, or amendatory thereof. And said Common Council hereby determines that said serial bonds shall be issued to represent the expenses of said work or improvement.

That the contemplated work of improvement, hereinbefore mentioned, is in the opinion

of said Common Council of more than local and ordinary public benefit, and the expense of said work and improvement is made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to-wit: All that real property in the said City of San Diego, included within the following exterior boundry lines, to-wit:

E Street.

RESOLVED, that it is the intention of the Common Council of the City of San Diego, California, to order the following street work to be done, to-wit:

The grading, to the official grade thereof, of E STREET, in said City, for the entire width of said street, from property line to property line, from the east line of 26th Street to the west line of 27th Street, according to the specifications therefor contained in Ordinance No. 3510 of the ordinances of said City, and as shown upon the plans and drawings contained in Document No. 76406, on file in the office of the City Clerk of said City, and copies of which are on file in the office of the City Engineer of said City.

Also, as a part of said work, the construction in the said E Street, at a point 250 feet west from the west line of 27th Street, of one twenty-four inch double-strength cement pipe culvert, and its accessories, 91 feet in length, and also two cement concrete catch-basins, and two twelve-inch single-strength cement pipes leading from said catch-basins into said culvert, as shown upon and according to the plans, drawings and typical cross-sections and specifications therefor contained in said Document No. 76406.

All of said plans, drawings and typical cross-sections and specifications contained in said Document No. 76406 are hereby approved and adopted as the plans, drawings and typical cross-sections and specifications to be followed, in connection with the specifications contained in said Ordinance No. 3510, in said grading of and said work upon, said E Street, between said points; and by reference thereto all said plans, drawings and typical cross-sections and specifications contained in said Document No. 76406, and said specifications contained in said Ordinance No. 3510, are incorporated herein and made a part hereof.

The said Common Council hereby determines that serial bonds bearing interest at the rate of seven per cent. per annum shall be issued to represent assessments of twenty-five dollars or over for the cost of said work or improvement. Said serial bonds shall extend over a period of nine years from the second day of January next succeeding their issuance, and an even annual proportion of the principal sum thereof shall be payable by coupon, on the second day of January, every year after their date, until the whole is paid, and the interest shall be payable semi-annually, by coupon, on the second days of January and July, respectively, of each year, at the rate of seven per cent. per annum on all sums unpaid, until the whole of said principal and interest are paid. Said bonds shall be issued in accordance with the provisions of an Act of the Legislature of the State of California, entitled,

"An Act to Provide a System of Street Improvement Bonds to Represent Certain Assessments for the Cost of Street Work and Improvement Within Municipalities, and also for the Payment of such Bonds," approved February 27th, 1893, and of all acts supplementary thereto, or amendatory thereof. And said Common Council hereby determines that said serial bonds shall be issued to represent the expenses of said work or improvement.

That the contemplated work of improvement, hereinbefore mentioned, is in the opinion of said Common Council of more than local and ordinary public benefit, and the expense of said work and improvement is made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to-wit: All that real property in the said City of San Diego, included within the following exterior boundry lines, to-wit:

Beginning at a point on the east line of 26th Street distant 150 feet north from the north line of E Street; thence east on a line parallel to and distant 150 feet north from the north line of E Street to an intersection with the west line of 27th Street; thence south along the west line of 27th Street to a point distant 150 feet south from the south line of E Street; thence west on a line parallel to and distant 150 feet south from the south line of E Street to an intersection with the east line of 26th Street; thence north along the east line of 26th Street to the point or place of beginning; excepting therefrom all public streets, roads, alleys, avenues and highways.

A plat of which said district, indicating by a boundary line the extent of the territory included in said assessment district, approved by this Common Council, is on file in the office of the City Engineer of said City; reference to which is hereby made.

That the Evening Tribune, a daily newspaper published and circulated, and of general circulation, in the said City of San Diego, be, and it is hereby designated as the newspaper in which this Resolution of Intention shall be published by two insertions, and the notice of the passage thereof shall be published by two insertions, in the manner and by the persons required by law.

That the Clerk of the said City of San Diego be, and he is hereby directed to post this Resolution conspicuously for two days on or near the chamber door of the said Common Council, and to cause the same to be published by two insertions in said daily newspaper in the manner required by law.

That the Street Superintendent of the said City of San Diego shall, after the passage of this Resolution of Intention, cause to be conspicuously posted along all streets and parts of streets and other public places and rights of way where the work and improvement hereinbefore described is to be done and made, notices of the passage of this Resolution, in the manner and in the form required by law, and shall also cause a notice similar in substance to be published by two insertions in said daily newspaper, in the manner required by law, and thereupon said Superintendent of Streets shall cause to be filed in the office of the City Clerk of said City, affidavits showing the posting and publication of the said notices of street work.

That the City Clerk of said City be, and he is hereby directed, immediately upon the passage of this Resolution of Intention, to mail, with postage thereon prepaid, to each property owner whose property is to be assessed to pay the costs and expenses of said improvement, a postal card containing notice of the passage of this Resolution, designating the location and limits of the improvement provided for herein, and referring to this resolution for particulars, and stating that property belonging to such owner is to be assessed for said improvement, all in the manner, substance and form as prescribed by law; and thereupon said Clerk shall cause to be filed affidavits in proof of such mailing.

Passed and adopted by the said Common Council of the said City of San Diego, Cali-

RESOLUTION OF INTENTION NO. 17420.

Kansas Street.

RESOLVED, that it is the intention of the Common Council of the City of San Diego, California, to order the following street work to be done, to-wit:

The grading, and paving with decomposed granite, to the official grade thereof, of the roadway of KANSAS STREET, in said City, from curb line to curb line, from the south line of Lincoln Avenue to the south line of El Cajon Avenue, including the roadway of all intersections of said Kansas Street with all cross streets, between said points, and also that portion of the roadway of said Kansas Street leading into all alleys, between said points;

Also, as a part of said work, the grading to the official grade thereof, of said Kansas Street, on both sides thereof, between the curb line of said street and the property line, from the south line of Lincoln Avenue to the south line of El Cajon Avenue, including the returns in all intersections of said Kansas Street with all cross streets, between said points;

And also, as a part of said work, the construction of cement concrete sidewalks and cement concrete curbing on both sides of the said Kansas Street, from the south line of Lincoln Avenue to the south line of El Cajon Avenue, including the returns in all intersections of said Kansas Street with all cross streets, between said points;

All of the said work to be done as shown upon and according to the plans, drawings and typical cross-sections and specifications therefor contained in Document No. 75284, on file in the office of the City Clerk of said City, and copies of which are on file in the office of the City Engineer of said City.

All of said plans, drawings and typical cross-sections and specifications contained in said Document No. 75284 are hereby approved and adopted as the plans, drawings and typical cross-sections and specifications to be followed, in making said improvement; and by refer-

ence thereto all said plans, drawings and typical cross-sections and specifications contained in said Document No. 75284, are incorporated herein and made a part hereof.

The said Common Council hereby determines that serial bonds bearing interest at the rate of seven per cent. per annum shall be issued to represent assessments of twenty-five dollars or over for the cost of said work or improvement. Said serial bonds shall extend over a period of nine years from the second day of January next succeeding their issuance, and an even annual proportion of the principal sum thereof shall be payable by coupon, on the second day of January, every year after their date, until the whole is paid, and the interest shall be payable semi-annually, by coupon, on the second days of January and July, respectively, of each year, at the rate of seven per cent. per annum on all sums unpaid, until the whole of said principal and interest are paid. Said bonds shall be issued in accordance with the provisions of an Act of the Legislature of the State of California, entitled, "An Act to Provide a System of Street Improvement Bonds to Represent Certain Assessments for the Cost of Street Work and Improvement Within Municipalities, and also for the Payment of such Bonds," approved February 27th, 1893, and of all acts supplementary thereto, or amendatory thereof. And said Common Council hereby determines that said serial bonds shall be issued to represent the expenses of said work or improvement.

That the contemplated work of improvement, hereinbefore mentioned, is in the opinion of said Common Council of more than local and ordinary public benefit, and the expense of said work and improvement is made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to-wit: All that real property in the said City of San Diego, included within the following exterior boundry lines, to-wit:

Beginning at a point on the south line of El Cajon Avenue distant 150 feet east from the east line of Kansas Street; thence south on a line parallel to and distant 150 feet east from the east line of Kansas Street to a point distant 300 feet south from the south line of Lincoln Avenue; thence west on a line parallel to and distant 300 feet south from the south line of Lincoln Avenue to a point distant 150 feet west from the west line of Kansas Street; thence north on a line parallel to and distant 150 feet west from the west line of Kansas Street to an intersection with the south line of El Cajon Avenue; thence east along the south line of El Cajon Avenue to the point or place of beginning; excepting therefrom all public streets, roads, alleys, avenues and highways.

A plat of which said district, indicating by a boundary line the extent of the territory included in said assessment district, approved by this Common Council, is on file in the office of the City Engineer of said City; reference to which is hereby made.

That the Evening Tribune, a daily newspaper published and circulated, and of general circulation, in the said City of San Diego, be, and it is hereby designated as the newspaper in which this Resolution of Intention shall be published by two insertions, and the notice of the passage thereof shall be published by two insertions, in the manner and by the persons required by law.

That the Clerk of the said City of San Diego be, and he is hereby directed to post this Resolution conspicuously for two days on or near the chamber door of the said Common Council, and to cause the same to be published by two insertions in said daily newspaper in the manner required by law.

That the Street Superintendent of the said City of San Diego shall, after the passage of this Resolution of Intention, cause to be conspicuously posted along all streets and parts of streets and other public places and rights of way where the work and improvement hereinbefore described is to be done and made, notices of the passage of this Resolution, in the manner and in the form required by law, and shall also cause a notice similar in substance

to be published by two insertions in said daily newspaper, in the manner required by law, and thereupon said Superintendent of Streets shall cause to be filed in the office of the City Clerk of said City, affidavits showing the posting and publication of the said notices of street work.

That the City Clerk of said City be, and he is hereby directed, immediately upon the passage of this Resolution of Intention, to mail, with postage thereon prepaid, to each property owner whose property is to be assessed to pay the costs and expenses of said improvement, a postal card containing notice of the passage of this Resolution, designating the location and limits of the improvement provided for herein, and referring to this resolution for particulars, and stating that property belonging to such owner is to be assessed for said improvement, all in the manner, substance and form as prescribed by law; and thereupon said Clerk shall cause to be filed affidavits in proof of such mailing.

RESOLUTION OF INTENTION NO. 17421.

Alameda Place, Guy Street and Henry Street.

RESOLVED, that it is the intention of the Common Council of the City of San Diego, California, to order the following street work to be done, to-wit:

The grading, to the official grade thereof, of the following streets in the City of San Diego, California, to-wit:

ALAMEDA PLACE, for the entire width of said street, from property line to property line, from the southwesterly line of Puterbaugh Street to the southwesterly line of Guy Street, including the entire width and length of the intersection of said Alameda Place with Guy Street;

GUY STREET, for the entire width of said street, from property line to property line, from the southeasterly line of Alameda Place to the northwesterly line of Henry Street; and

HENRY STREET, for the entire width of said street, from property line to property line, from the northeasterly line of Puterbaugh Street to the southwesterly line of Linwood Street, including the entire width and length of the intersections of said Henry Street with Puterbaugh Street, Guy Street and Linwood Street;

Said grading to be done according to the specifications therefor contained in Ordin-

ance No. 3510 of the ordinances of said City, and as shown upon the plans, drawings and typical cross-sections contained in Document No. 76004, on file in the office of the City Clerk of said City, and copies of which are on file in the office of the City Engineer of said City.

Also, as a part of said work, the construction in the curb line at the south corner of the intersection of said Henry Street with Puterbaugh Street, of a cement concrete catch-basin; also the construction of a fourteen-inch double-strength cement pipe culvert, and its accessories, commencing at said catch-basin, and running thence southerly a distance of thirty-eight feet; and also the construction of one twelve-inch double-strength cement pipe culvert, 15 feet in length, leading from said catch-basin into said culvert; as shown upon and according to the plans, drawings and typical cross-sections and specifications therefor contained in said Document No. 76004.

All of said plans, drawings and typical cross-sections and specifications contained in said Document No. 76004 are hereby approved and adopted as the plans, drawings and typical cross-sections and specifications to be followed, in connection with the specifications contained in said Ordinance No. 3510, in said grading of and said work upon, said Alameda Place, Guy Street and Henry Street, between the points hereinbefore mentioned; and by reference thereto all said plans, drawings and typical cross-sections and specifications contained in said Document No. 76004, and said specifications contained in said Ordinance No. 3510, are incorporated herein and made a part hereof.

The said Common Council hereby determines that serial bonds bearing interest at the rate of seven per cent. per annum shall be issued to represent assessments of twenty-five dollars or over for the cost of said work or improvement. Said serial bonds shall extend over a period of nine years from the second day of January next succeeding their issuance, and an even annual proportion of the principal sum thereof shall be payable by coupon, on the second day of January, every year after their date, until the whole is paid, and the interest shall be payable semi-annually, by coupon, on the second days of January and July, respectively, of each year, at the rate of seven per cent. per annum on all sums unpaid, until the whole of said principal and interest are paid. Said bonds shall be issued in accordance with the provisions of an Act of the Legislature of the State of California, entitled, "An Act to Provide a System of Street Improvement Bonds to Represent Certain Assessments for the Cost of Street Work and Improvement Within Municipalities, and also for the Payment of such Bonds," approved February 27th, 1893, and of all acts supplementary thereto, or amendatory thereof. And said Common Council hereby determines that said serial bonds shall be issued to represent the expenses of said work or improvement.

That the contemplated work of improvement, hereinbefore mentioned, is in the opinion of said Common Council of more than local and ordinary public benefit, and the expense of said work and improvement is made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to-wit: All that real property in the said City of San Diego, included within the following exterior boundry lines, to-wit:

Beginning at a point on the southwesterly line of Puterbaugh Street distant 150 feet southeasterly from the southeasterly line of Henry Street; thence southwesterly on a line parallel to and distant 150 feet southeasterly from the southeasterly line of Henry Street to a point distant 100 feet southwesterly from the southwesterly line of Linwood Street; thence northwesterly on a line parallel to and distant 100 feet southwesterly from the southwesterly line of Linwood Street to a point distant 150 feet northwesterly from the northwesterly line of Henry Street; thence northeasterly on a line parallel to and distant 150 feet northwesterly from the northwesterly line of Henry Street to a point distant 100 feet

RESOLUTION OF AWARD NO. 17428.

Redwood Street,

between 30th Street and 31st Street.

RESOLVED, that the Common Council of the City of San Diego, California, having in open session on the 25th day of May, 1914, opened, examined and publicly declared all sealed proposals or bids offered for doing the following work, to-wit:

All the street work described in Resolution of Intention No. 16847, adopted by this Common Council on March 30, 1914, and on file in the office of the City Clerk of said City, for the improvement of REDWOOD STREET, in said City, from the east line of 30th Street to the west line of 31st Street.

For a description of the work reference is hereby made to said Resolution of Intention No. 16847.

All of said street work to be done according to the specifications therefor contained in Ordinance No. 3510 of the ordinances of said City, and as shown upon and according to the plans, drawings and typical cross-sections and specifications contained in Document No. 74213, on file in the office of the City Clerk of said City, and copies of which are on file in the office of the City Engineer of said City; and by reference thereto all said specifications contained in said Ordinance No. 3510, and said plans, drawings and typical cross-sections and specifications contained in said Document No. 74213, are incorporated herein and made a part hereof.

The costs and expenses of said work and improvement are to be assessed upon the district which is more particularly described in said Resolution of Intention No. 16847.

The said Common Council determined that serial bonds to extend over a period of nine years from the second day of January next succeeding their issuance, bearing interest at the rate of seven per cent per annum, shall be issued to represent assessments of twenty-five dollars or over for the costs of said work or improvement.

For further particulars, reference is hereby made to said Resolution of Intention No. 16847.

FOR THAT WHEREAS, it appearing that the invitation for bids for the construction of a concrete and brick stadium and the grading and excavating connected therewith having been duly advertised, and the bids thereon having been regularly received and opened by the Board of Park Commissioners of the City of San Diego, in pursuance of the provisions of said proposal for bids, and the laws and ordinances in force in the City of San Diego, and it appearing to the Common Council that the Board of Park Commissioners, at a regular meeting of said Commissioners held in their office on May 29, 1914, have made the following findings of fact:

"This (29th, day of May, 1914) being the time and place, set by notice, for the opening of bids for the grading of the site for the Stadium, and for the receipt of bids for the general construction thereof, same were duly received and opened.

It was found by the Board that the C. L. Hyde Construction Co. submitted the lowest responsible bid for the removal of Top Soil and Excavating, and the F. O. Engstrum Co., submitted the lowest responsible bid for the General Construction work.

On motion, duly made, seconded and carried, to that effect, the Board unanimously awarded the contract to the C. L. Hyde Construction Company for the Removal of Top Soil and Excavating, as per the Plans and Specifications, at their bid of \$29,900.00, and to the F. O. Engstrum Company the contract for General Construction, as per the Plans and Specifications, at their bid of \$72,694.00".

And it appearing further to the Common Council that the bids accepted by said Board of Park Commissioners, as set forth in said findings of fact, are the bids of the lowest responsible bidders for said work; NOW THEREFORE

BE IT RESOLVED, By the Common Council of the City of San Diego, as follows:

That the above mentioned findings of fact of the Board of Park Commissioners, adopted May 29, 1914, be and the same hereby are ratified and approved.

Ibis Street, Hawk Street, Horton Avenue, Walnut Street and Redwood Street.

RESOLVED, that it is the intention of the Common Council of the City of San Diego, California, to order the following street work to be done, to-wit:

The grading, to the official grade thereof, of the following streets in the said City of San Diego, to-wit:

IBIS STREET, for the entire width of said street, from property line to property line, from the south line of Brookes Avenue to the south line of Walnut Street, including the entire width and length of the intersection of said Ibis Street with Walnut Street;

WALNUT STREET, for the entire width of said street, from property line to property line, from the east line of Ibis Street to the east line of Hawk Street; including the entire width and length of the intersection of said Walnut Street with Hawk Street;

HAWK STREET, for the entire width of said street, from property line to property line, from the south line of Walnut Street to the northeasterly line of Horton Avenue, including the entire width and length of the intersections of said Hawk Street with all cross streets, between said points;

HORTON AVENUE, for the entire width of said street, from property line to property line, from the westerly line of Hawk Street produced southerly, to the southeasterly line of Redwood Street produced northeasterly, including the entire width and length of the intersection of said Horton Avenue with Redwood Street; and,

REDWOOD STREET, for the entire width of said said street, from property line to property line, from the southwesterly line of Horton Avenue to the northeasterly line of Union Street;

Said grading to be done according to the specifications therefor contained in Ordinance No. 3510 of the ordinances of said City, and as shown upon the plans, drawings and typical cross-sections contained in Document No. 74494, on file in the office of the City Clerk of said City, and copies of which are on file in the office of the City Engineer of said City.

Also, as a part of said work, the construction along the northerly side of the intersection of Walnut Street with Hawk Street, of one twelve-inch single-strength cement pipe culvert, 72 feet in length, together with its accessories, including one cement concrete catch-basin, and one concrete lug, connecting culvert next hereinafter described;

Also, as a part of said work, the construction in said intersection of Walnut Street with Hawk Street, of one ten-inch double-strength cement pipe culvert, together with its accessories, including one cement concrete catch-basin, said culvert commencing at the culvert last above described, and running thence southeasterly a distance of 55.7 feet.

Also, as a part of said work, the construction along the northerly side of the intersection of Hawk Street with Spruce Street, of one fourteen-inch double-strength cement pipe culvert, 75 feet in length, together with its accessories, including two cement concrete catch-basins;

Said culverts and accessories and said catch-basins to be constructed as shown upon and according to the plans, drawings and typical cross-sections and specifications therefor contained in said Document No. 74494.

All of said plans, drawings and typical cross-sections and specifications contained in said Document No. 74494 are hereby approved and adopted as the plans, drawings and typical cross-sections and specifications to be followed, in connection with the specifications contained in said Ordinance No. 3510, in said grading and other work upon said Streets, between the points hereinbefore mentioned; and by reference thereto all said plans, drawings and typical cross-sections and specifications contained in said Document No. 74494 and said specifications contained in said Ordinance No. 3510, are incorporated herein and made a part hereof.

The said Common Council hereby determines that serial bonds bearing interest at the rate of seven per cent. per annum shall be issued to represent assessments of twenty-five dollars or over for the cost of said work or improvement. Said serial bonds shall extend over a period of nine years from the second day of January next succeeding their issuance, and an even annual proportion of the principal sum thereof shall be payable by coupon, on the second day of January, every year after their date, until the whole is paid, and the interest shall be payable semi-annually, by coupon, on the second days of January and July, respectively, of each year, at the rate of seven per cent. per annum on all sums unpaid, until the whole of said principal and interest are paid. Said bonds shall be issued in accordance with the provisions of an Act of the Legislature of the State of California, entitled, "An Act to Provide a System of Street Improvement Bonds to Represent Certain Assessments for the Cost of Street Work and Improvement Within Municipalities, and also for the Payment of such Bonds," approved February 27th, 1893, and of all acts supplementary thereto, or amendatory thereof. And said Common Council hereby determines that said serial bonds shall be issued to represent the expenses of said work or improvement.

That the contemplated work of improvement, hereinbefore mentioned, is in the opinion of said Common Council of more than local and ordinary public benefit, and the expense of said work and improvement is made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to-wit: All that real property in the said City of San Diego, included within the following exterior boundry lines, to-wit:

RESOLUTION OF INTENTION NO. 17511.

28th Street.

RESOLVED, that it is the intention of the Common Council of the City of San Diego, California, to order the following street work to be done, to-wit:

The grading, to the official grade thereof, of the following portions of 28th street, in said City, between the south line of B Street and the north line of K Street, particularly described as follows, to-wit:

Commencing at the southeast corner of the intersection of said 28th Street with B Street, running thence southerly along the east line of 28th Street to the south line of G Street; thence southwesterly a distance of 156.5 feet to a point which is 23.9 feet westerly from the east line of 28th Street and 145.96 feet north from the north line of H Street; thence southerly along the east line of 28th Street to a point 4.0 feet south of the north line of H Street; thence southwesterly on an angle of 48° 24' to the right a distance of 16.62 feet; thence on a curve to the left, said curve having a radius of 18.67 feet a distance of 15.75 feet; thence southerly on a line parallel to and distant 18.67 feet west from the east line of 28th Street, a distance of 42 feet; thence on a curve to the left, said curve having a radius of 18.67 feet, a distance of 15.75 feet; thence southeasterly a distance of 16.62 feet to a point on the east line of 28th Street distant 4.0 feet northerly from the south line of said H Street; thence southerly along the east line of 28th Street to the north line of K Street; thence west along the north line of K Street to the west line of 28th Street; thence northerly along the west line of 28th Street to a point 36.32 feet south from the south line of I Street; thence north on a line parallel to and distant 4.8 feet east from the west line of 28th Street to the south line of I Street; thence northwesterly to the northwest corner of the intersection of said 28th Street with I Street; thence northerly along the west line of 28th Street to a point 4.0 feet north from the south line of H Street; thence northeasterly on an angle of 43° 23' to the right, a distance of 19.17 feet; thence on a curve to the left, said curve having a radius of 17.17 feet a distance of 13.0 feet; thence northerly on a line parallel to and distant 17.17 feet east from the west line of 28th Street a distance of 42 feet; thence on a curve to the left, said curve having a radius of 17.17 feet a distance of 13.0 feet; thence northwesterly to a point on the west line of 28th Street distant 4.0 feet south from the north line of H Street; thence northeasterly to a point which is 150.66 feet north from the north line of H Street, and 60 feet west from the east line of 28th Street; thence northeasterly to a point which is 5.3 feet south of the south line of G Street produced easterly and 60 feet west from the east line

of 28th Street; thence northerly on a line parallel to and distant 60 feet west from the east line of 28th Street to the south line of B Street; thence east along the south line of B Street to the point or place of beginning, including all intersections of said portions of said 28th Street with all cross streets, between said points, and including all terminations of streets in said portion of said 28th Street, between said points, (excepting the intersections of said 28th Street with C Street and Broadway), according to the specifications therefor contained in Ordinance No. 3510 of the ordinances of said City, and as shown upon and according to the plans, drawings and typical cross-sections therefor contained in Document No. 75666, on file in the office of the City Clerk of said City, and copies of which are on file in the office of the City Engineer of said City.

Also, as a part of said work, the construction in the said 28th Street of the following described culverts and catch-basins, to-wit:

The construction of one thirty-inch cement pipe culvert, 229 feet in length, together with its accessories, commencing in said 28th Street at a point which is 84 feet south from the south line of G Street and 15 feet east from the west line of 28th Street; running thence southeasterly and southerly inside and adjacent to the curb line on the westerly side of said 28th Street, a distance of 229 feet to the north line of H Street, connecting with the thirty-inch culvert already in;

Also, the construction of one twelve-inch double-strength cement pipe culvert, together with its accessories, including one cement concrete catch-basin, across the roadway of said 28th Street, at the north line of H Street, connecting with said thirty-inch culvert last above described;

Also, the construction of one thirty-inch cement pipe culvert, 800 feet in length, together with its accessories, commencing at the thirty-inch culvert already in, at the south line of H Street, and running thence southerly inside and adjacent to the curb line on the westerly side of said 28th Street, to a point 40 feet south of the south line of J Street produced westerly;

Also, the construction of one cement concrete catch-basin in the gutter on the west side of said 28th Street, at the north line of I Street; and also the construction of one cement concrete catch-basin in the gutter on the west side of said 28th Street, at the south line of I Street;

Also, the construction of one twenty-four inch cement pipe culvert, 14 feet in length, together with its accessories, including one cement concrete catch-basin, commencing at the thirty-inch culvert last above described, at a point 202 feet south from the south line of I Street, and running thence northwesterly a distance of 14 feet;

Also, the construction of one thirty-six inch corrugated iron culvert, 250 feet in length, together with its accessories, commencing at the termination of said thirty-inch culvert last above described, at a point 40 feet south from the south line of J Street produced westerly, running thence southerly on a line parallel to and distant 10 feet east from the west line of said 28th Street, to a point 80 feet north from the north line of K Street; running thence southwesterly to a point which is 11 feet north from the north line of H Street, and 8.5 feet west from the west line of 28th Street, connecting with the thirty-six inch culvert already in;

Also, the construction of a thirty-inch cement pipe culvert, 68 feet in length, together with its accessories, including one cement concrete catch-basin, commencing at the thirty-six inch culvert last above described, on the westerly side of said 28th Street, at a point 40 feet south from the south line of J Street produced westerly, and running thence easterly and northeasterly across the said 28th Street a distance of 68 feet, to the southeast corner of the intersection of J Street with 28th Street;

Also, the construction of a fourteen-inch cement pipe culvert, together with its ac-

cessories, including one cement concrete catch-basin, commencing at the curb line at the southeast corner of the intersection of 28th Street with J Street, and running thence southerly a distance of 8.29 feet to connect with the thirty-inch culvert last above described;

Also the construction of a twelve-inch cement pipe culvert, 12 feet in length, said pipe commencing at the termination of the thirty-inch Borden culvert already in, at a point 117 feet north from the north line of K Street, and running thence northeasterly a distance of 12 feet.

All of said culverts and catch-basins to be constructed as shown upon and according to the plans, drawings and typical cross-sections and specifications therefor contained in said Document No. 75666.

All of said plans, drawings and typical cross-sections and specifications contained in said Document No. 75666 are hereby approved and adopted as the plans, drawings and typical cross-sections and specifications to be followed, in connection with the specifications contained in said Ordinance No. 3510, in said grading and said work upon said 28th Street, between said points; and by reference thereto all said plans, drawings and typical cross-sections and specifications contained in said Document No. 75666, and said specifications contained in said Ordinance No. 3510, are incorporated herein and made a part hereof.

The said Common Council hereby determines that serial bonds bearing interest at the rate of seven per cent. per annum shall be issued to represent assessments of twenty-five dollars or over for the cost of said work or improvement. Said serial bonds shall extend over a period of nine years from the second day of January next succeeding their issuance, and an even annual proportion of the principal sum thereof shall be payable by coupon, on the second day of January, every year after their date, until the whole is paid, and the interest shall be payable semi-annually, by coupon, on the second days of January and July, respectively, of each year, at the rate of seven per cent. per annum on all sums unpaid, until the whole of said principal and interest are paid. Said bonds shall be issued in accordance with the provisions of an Act of the Legislature of the State of California, entitled, "An Act to Provide a System of Street Improvement Bonds to Represent Certain Assessments for the Cost of Street Work and Improvement Within Municipalities, and also for the Payment of such Bonds," approved February 27th, 1893, and of all acts supplementary thereto, or amendatory thereof. And said Common Council hereby determines that said serial bonds shall be issued to represent the expenses of said work or improvement.

That the contemplated work of improvement, hereinbefore mentioned, is in the opinion of said Common Council of more than local and ordinary public benefit, and the expense of said work and improvement is made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to-wit: All that real property in the said City of San Diego, included within the following exterior boundry lines, to-wit:

RESOLUTION OF INTENTION NO. 17513.

Broadway Lighting No. 2.

RESOLVED, that it is the intention of the Common Council of the City of San Diego, California, to order the following improvement to be made within said City, to-wit:

The installation upon the sidewalks on both sides of Broadway in and along the curb line of said sidewalks, between the east line of Eighth Street and the west line of Twenty-fourth Street, in said City, of ornamental iron posts, carrying incandescent lights, for the lighting of said Broadway, between said points, which said posts between the east line of Eighth Street and the west line of Twelfth Street shall carry clusters of incandescent lights, and between the east line of Twelfth Street and the west line of Twenty-fourth Street shall carry single incandescent lights.

Also, the installation on both sides of said Broadway, between the east line of Eighth Street and the west line of Twenty-fourth Street of underground conduits and electric wires, for the purpose of furnishing electric current for the lighting of said Broadway.

Also the furnishing of electric current for the lighting of said Broadway, between the east line of Eighth Street and the west line of Twenty-fourth Street, together with the maintenance of the posts, wires, conduits and lamps on said Broadway, between said points. Such furnishing of electric current and such maintenance of appliances to be for the period of one year from and after the date of the contract for the same.

That the exterior boundaries of the district in said City to be benefited by said improvement, and to be assessed to pay the costs and expenses thereof, and to be known as the assessment district, are hereby specified as follows, to-wit:

Beginning at a point on the west line of Eighth Street distant 50 feet north from the north line of Broadway; thence east on a line parallel to and distant 50 feet north from the north line of Broadway to an intersection with the west line of Thirteenth Street; thence northeasterly to a point on the east line of Thirteenth Street distant 90 feet north from the north line of Broadway; thence east on a line parallel to and distant 90 feet north from the north line of Broadway to an intersection with the west line of Fourteenth Street; thence easterly to a point on the east line of Fourteenth Street distant 100 feet north from the north line of Broadway; thence east on a line parallel to and distant 100 feet north from the north line of Broadway to a point distant 216.50 feet east from the east line of Fourteenth Street; thence north on a line parallel to and distant 216.50 feet east from the east line of Fourteenth Street to a point distant 140 feet north from the north line of Broadway; thence east on a line parallel to and distant 140 feet north from the north line of Broadway to a point distant 125 feet west from the west line of Fifteenth Street; thence south on a line parallel to and distant 125 feet west from the west line of Fifteenth Street to a point distant 100 feet north from the north line of Broadway; thence east on a line parallel to and distant 100 feet north from the north line of Broadway to an intersection with the west line of Fifteenth Street; thence southeasterly to a point on the east line of Fifteenth Street distant 50 feet north from the north line of Broadway; thence east on a line parallel to and distant 50 feet north from the north line of Broadway to an intersection with the east line of 24th Street; thence south along the east line of 24th Street to a point distant 50 feet south from the south line of Broadway; thence west on a line parallel to and distant 50 feet south from the south line of Broadway to an intersection with the east line of Fifteenth Street; thence southwesterly to a point on the west line of Fifteenth Street distant 140 feet south from the south line of Broadway; thence west on a line parallel to and distant 140 feet south from the south line of Broadway to a point distant 183.30 feet west from the west line of Fifteenth Street; thence north on a line parallel to and distant 183.30 feet west from the west line of Fifteenth Street to a point distant 50 feet south from the south line of Broadway; thence west on a line parallel to and distant 50 feet south

from the south line of Broadway to an intersection with the west line of Eighth Street; thence north along the west line of Eighth Street to the point or place of beginning; excepting therefrom all public streets, roads, alleys, avenues and highways.

Said Common Council does hereby order that one-fifth of the costs and expenses of said improvement of furnishing electric current and maintenance of appliances shall be paid out of the Treasury of said City, from the Street Light Fund of said City.

That the proposed improvement is hereby referred to the City Engineer of said city, and said City Engineer is hereby directed to make and file, with the Clerk of said Common Council, a report, in writing, presenting the following:

1. Plans and specifications for the work required in order to make said improvements;
2. An estimate of the cost of said improvement and of the incidental expenses in connection therewith;
3. A diagram showing the district above referred to, and also the boundaries and dimensions of the respective subdivisions of the land within said district, each of which subdivisions shall be given a separate number in red ink upon said diagram;
4. A proposed assessment of the total amount of the costs and expenses of the proposed improvement upon the several subdivisions of land in said district in proportion to the estimated benefits to be received by such subdivisions, respectively, from said improvement; provided, that whenever any portion or percentage of the cost and expenses of said improvement is ordered to be paid out of the treasury of the municipality, as hereinabove provided, the amount of such portion or percentage shall first be deducted from the total estimated cost and expenses of such improvement, and the assessment upon property, proposed in said report, shall include only the remainder of said estimated costs and expenses. Said assessment shall refer to such subdivisions upon said diagram by the respective red ink numbers thereof, and shall show the names of the owners, if known, otherwise designating them as unknown. No mistake in the name of the owner of any parcel of land shall affect the validity of the assessment thereon.

This proceeding shall be designated as "Broadway Lighting No. 2."

RESOLUTION ORDERING WORK NO. 17514.

Sewer in Alley between Grim and 31st Streets, and in Alley south of University Avenue.

RESOLVED By the Common Council of the City of San Diego, California, that the public interest and convenience require the work hereinafter described to be done, and therefore the said Common Council hereby orders the following street work to be done, to-wit:

The construction in the alley between Grim Street and 31st Street, of a six-inch salt-glazed vitrified pipe sewer, together with eight brick manholes and accessories, said sewer commencing at the present manhole at the intersection of the center line of the alley in block 30 of Park Villas with the north line of Upas Street, and running thence northerly through said block 30, of Park Villas, along the right of way over block 29 of said Park Villas, through block 28, of said Park Villas, and through blocks G and B of McFadden & Buxton's North Park, and blocks 7 and 2 of Hartley's North Park, and across the intervening streets, a distance of 2547 feet, to the center line of the alley running east and west through said block 2 of said Hartley's North Park.

Also, as a part of said work, the construction of a six-inch salt-glazed vitrified pipe sewer, 210 feet in length, together with two dead-ends and accessories, in the alley running east and west in said block 2, of said Hartley's North Park, connecting with the said sewer last above described;

All of said work to be done as shown upon and according to the plans, drawings and typical cross-sections and specifications therefor contained in Document No. 74693, on file in the office of the City Clerk of said City, and copies of which are on file in the office of the City Engineer of said City; and by reference thereto all of said plans, drawings and typical cross-sections and specifications contained in said Document No. 74693, are incorporated herein and made a part hereof.

The costs and expenses of said work and improvement are to be assessed upon the district which is more particularly described in Resolution of Intention No. 17058, on file in the office of the City Clerk of said City.

For further particulars, reference is hereby made to said Resolution of Intention No. 17058.

All of said improvements to be made and said work to be done under and in conformity with that certain Act of the Legislature of the State of California, known as the "Vrooman Act."

The EVENING TRIBUNE, a daily newspaper published and circulated and of general circulation in said City of San Diego, is hereby designated as the newspaper in which this Resolution Ordering Work, and the notice of said work inviting sealed proposals for doing the same, shall be published, in the manner and form, and by the persons required by law.

The Clerk of the said City of San Diego is hereby directed to post conspicuously for five days, on or near the chamber door of the said Common Council, in the manner and form required by law, a notice with specifications inviting sealed proposals or bids for doing said work; and said Clerk is hereby directed to publish, for two days in said newspaper in the manner and form required by law, a notice of said work, inviting sealed proposals or bids for doing the said work, and referring to the specifications posted or on file. Said notice shall require either a certified check or bond, as prescribed by law, for an amount not less than ten per cent. of the aggregate of the proposal.

Said Clerk of the said city of San Diego is also directed to publish for two days in said newspaper, in the manner required by law, this resolution ordering work.

RESOLUTION NO. 17520.

Accepting the bid of the Point Loma Railroad Company, a corporation, for and awarding to said Company, the franchise and authority to construct, maintain and operate a street railway upon Point Loma in the City of San Diego, California.

WHEREAS, pursuant to the provisions of the Charter of the City of San Diego, the Point Loma Railroad Company, a corporation, on the 11th day of May, 1914, filed its application for the franchise and authority to construct, maintain and operate a street railway upon Point Loma of said City, upon terms and conditions set out in said application; and,

WHEREAS, upon full consideration of said application and the premises, the said Common Council did in open session on the 11th day of May, 1914, by its Resolution No. 17220, determine that it was for the best interest of the City that such franchise and authority be granted as applied for in said application, which said resolution was published once, on the 13th day of May, 1914, in the City Official newspaper, to-wit: The Evening Tribune, as therein directed, and in all respects as required by law; and,

WHEREAS, said Common Council in said resolution directed the City Clerk of said City to advertise the fact of said application, together with a statement that it was proposed to grant said franchise and authority as applied for, and that bids would be received therefor, and that it would be sold, struck off and awarded to the highest cash bidder therefor, in the official newspaper of said City, to-wit: The Evening Tribune; and,

WHEREAS, NOTICE OF APPLICATION FOR STREET RAILWAY FRANCHISE, AND OF DETERMINATION OF THE COMMON COUNCIL TO GRANT THE SAME AT PUBLIC SALE TO THE HIGHEST CASH BIDDER, was published and advertised in full in said City official newspaper once a day for more than ten successive

days, to-wit: Commencing upon and including the 13th day of May, 1914, and ending upon and including the 23rd day of May, 1914, and in all respects as required by law; and,

WHEREAS, on Monday, the 15th day of June, 1914, at the hour of 10 o'clock A. M., being the day and date and time set by said notice for the opening of all sealed bids for said franchise and authority, the sealed bid of the Point Loma Railroad Company, a corporation, was in open session, opened and publicly declared, and there being no other sealed bids therefor, nor any oral or other bid made at the time of the opening of said sealed bids, or at all, in a sum not less than ten per centum above the highest sealed bid therefor, or in any sum whatever, and the said sealed bid of the said Point Loma Railroad Company, being the highest cash bid for said franchise and authority, the same was at said time and place so declared, and the said Point Loma Railroad Company was then declared to be the highest bidder for said franchise and authority by the said Common Council, and the said franchise and authority was then and there struck off, sold and awarded to said Point Loma Railroad Company.

THEREFORE, BE IT RESOLVED, By the Common Council of the City of San Diego, as follows:

Section 1. RESOLUTION OF INTENTION NO. 17581

Bancroft Street.

RESOLVED, that it is the intention of the Common Council of the City of San Diego, California, to order the following street work to be done, to-wit:-

The grading, and paving with decomposed granite, to the official grade thereof, of the roadway of BANCROFT STREET, in said City, from curb line to curb line, from the north line of Upas Street to the south line of Lincoln Avenue, and the southwesterly line of Boundary Street, including the roadway of all intersections of said Bancroft Street with all cross streets, between said points, (excepting the intersections of said Bancroft Street with Myrtle Avenue and University Avenue);

Also as a part of said work, the grading to the official grade thereof, of said Bancroft Street, on both sides thereof, between the curb line of said street and the property line, from the north line of Upas Street to the south line of Lincoln Avenue and the southwesterly line of Boundary Street, including the returns in all intersections of said Bancroft Street with all cross streets, between said points, (excepting the intersections of said Bancroft Street with Myrtle Avenue and University Avenue);

Also, as a part of said work, the construction of cement concrete sidewalks and cement concrete curbing on both sides of the said Bancroft Street, from the north line of Upas Street to the south line of Lincoln Avenue and the southwesterly line of Boundary Street, including the returns in all intersections of said Bancroft Street with all cross streets, between said points, (excepting the intersections of said Bancroft Street with Myrtle Avenue and University Avenue);

And also, as a part of said work, the construction across the said Bancroft Street, of a sixteen-inch double - strength cement pipe culvert, 200 feet in length, together with its accessories, said culvert to be located 75 feet north from the north line of University Avenue on the east side of said Bancroft Street; and 180 feet north from the north line of University Avenue on the west side of said Bancroft Street; also the construction on the easterly side of the roadway of said Bancroft Street, of one twelve-inch double strength cement pipe culvert, 78 feet in length, together with its accessories, including one cement concrete catch-basin, said culvert commencing at a point distant 180 feet north from the north line of University Avenue, and running thence south along the easterly gutter line of said Bancroft Street a distance of 78 feet, connecting with said sixteen-inch culvert last above described; ^{and} also the construction in the curb line on the westerly side of said Bancroft Street, at a point 180 feet north from the north line of said University Avenue of one cement concrete catch-basin, and also one twelve-inch cement pipe, leading from said catch-basin into said sixteen-inch culvert hereinbefore described;

That all of said work shall be done as shown upon and according to the plans, drawings and typical cross-sections and specifications therefor contained in Document No. 78047, on file in the office of the City Clerk of said City, and copies of which are on file in the office of the City Engineer of said City.

All of said plans, drawings and typical cross-sections and specifications contained in said Document No. 78047, are hereby approved as the plans, drawings and typical cross-sections and specifications to be followed, in making said improvement; and by reference thereto all said plans, drawings and typical cross-sections and specifications contained in said Document No. 78047, are incorporated herein and made a part hereof.

The said Common Council hereby determines that serial bonds bearing interest at the rate of seven per cent per annum shall be issued to represent assessments of twenty-five dollars or over for the cost of said work or improvement. Said serial bonds shall extend over a period of nine years from the second day of January next succeeding their issuance, and an even annual proportion of the principal sum thereof shall be payable by coupon, on the second day of January, every year after their date, until the whole is paid, and the

interest shall be payable semi-annually, by coupon, on the second days of January and July, respectively, of each year, at the rate of seven per cent. per annum on all sums unpaid, until the whole of said principal and interest are paid. Said bonds shall be issued in accordance with ^{the provisions of} an Act of the Legislature of the State of California, entitled, "An Act to Provide a System of Street Improvement Bonds to Represent Certain Assessments for the Cost of Street Work and Improvement, within Municipalities, and also for the Payment of Such Bonds" approved February 27th, 1893, and of all acts supplementary thereto, or amendatory thereof, and said Common Council hereby determines that said serial bonds shall be issued to represent the expenses of said work or improvement.

That the contemplated work of improvement hereinbefore mentioned is in the opinion of said Common Council of more than local and ordinary public benefit, and the expense of said work and improvement, is made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to-wit: All that real property in the said City of San Diego, included within the following exterior boundary lines, to-wit:-

Beginning at a point on the south line of Lincoln Avenue distant 160 feet west from the west line of Bancroft Street; thence south on a line parallel to and distant 160 feet west from the west line of Bancroft Street to an intersection with the north line of University Avenue; thence southeasterly to a point on the south line of University Avenue distant 130 feet west from the west line of Bancroft Street; thence south on a line parallel to and distant 130 feet west from the west line of Bancroft Street to an intersection with the north line of Upas Street; thence east along the north line of Upas Street to a point 130 feet east from the east line of Bancroft Street; thence north on a line parallel to and distant 130 feet east from the east line of Bancroft Street to an intersection with the south line of University Avenue; thence northwesterly to an intersection of the north line of University Avenue with the southwesterly line of Boundary Street; thence northwesterly along the southwesterly line of Boundary Street to an intersection with the east line of Bancroft Street; thence northwesterly to an intersection of the west line of Bancroft Street with the south line of Lincoln Avenue; thence west along the south line of Lincoln Avenue to the point or place of beginning, excepting therefrom all public streets, roads, alleys, avenues and highways.

A plat of which said district, indicating by a boundary line the extent of the territory included in said assessment district, approved by this Common Council, is on file in the office of the City Engineer of said City; reference to which is hereby made.

That the Evening Tribune, a daily newspaper published and circulated, and of general circulation in the said City of San Diego, be, and it is hereby designated as the newspaper in which this Resolution of Intention shall be published by two insertions, and the notice of the passage thereof shall be published by two insertions, in the manner and by the persons required by law.

That the Clerk of the said City of San Diego, be and he is hereby directed to post this Resolution conspicuously for two days on or near the chamber door of the said Common Council, and to cause the same to be published by two insertions in said daily newspaper in the manner ^{and} required by law.

That the Street Superintendent of the said City of San Diego shall, after the passage of this Resolution of Intention, cause to be conspicuously posted along all streets and parts of streets and other public places and rights of way where the work and improvement hereinbefore described is to be done and made, notices of the passage of this Resolution, in the manner and in the form required by law, and shall also cause a notice similar in

substance to be published by two insertions in said daily newspaper, in the manner required by law, and thereupon said Superintendent of Streets shall cause to be filed in the office of the City Clerk of said City, affidavits showing the posting and publication of the said notices of street work.

That the City Clerk of said City be, and he is hereby directed, immediately upon the passage of this Resolution of intention to mail, with postage thereon prepaid, to each property owner whose property is to be assessed to pay the costs and expenses of said improvement, a postal card containing notice of the passage of this Resolution, designating the location and limits of the improvement provided for herein, and referring to this resolution for particulars, and stating that property belonging to such owner is to be assessed for said improvement, all in the manner, substance and form as prescribed by law, and thereupon said Clerk shall cause to be filed affidavits in proof of such mailing.

Also, as a part of said work, the construction of concrete curbing upon the said Lewis Street, on both sides thereof, from the east line of Hawk Street to the northeasterly line of Fort Stockton Drive, including the returns in all intersections of said Lewis Street with all cross streets, between said points, (excepting such portions of the said Lewis Street and said intersections of streets, between said points, already curbed with concrete at the time of the adoption of this resolution of intention), according to the specifications therefor contained in Ordinance No. 5250 of the ordinances of said City, and as shown upon and according to the plans, drawings and typical cross-sections contained in said Document No. 77221.

Also, as a part of said work, the construction of two twenty-four inch reinforced concrete culverts and their accessories, at each of the intersections of said Lewis Street with Ibis Street and Calhoun Street, (excepting portions of said culverts extending across and under the railway tracks of the San Diego Electric Railway Company), as shown upon and according to the plans, drawings and typical cross-sections and specifications therefor contained in said Document No. 77221.

Also, the paving with asphalt pavement laid upon a concrete base, of the roadway of FORT STOCKTON DRIVE, in said City, from curb line to curb line, from the south line of Lewis Street produced west to the northwesterly line of Trias Street, including the roadway of all intersections of said Fort Stockton Drive with all cross streets, between said points, and also including the roadway of all terminations of streets in said Fort Stockton Drive, between said points, and also including the roadway of said Fort Stockton Drive leading into all alleys, between said points, (excepting such portions of the said Fort Stockton Drive and said intersections and terminations of streets, between said points, required by law to be kept in order or repair by any person or company having railroad tracks thereon), according to the specifications therefor contained in said Ordinance No. 5176, and as shown upon and according to the plans, drawings and typical cross-sections contained in said Document No. 77221.

Also, as a part of said work, the construction of concrete curbing upon the said Fort Stockton Drive, on both sides thereof, from the south line of Lewis Street produced west to the northwesterly line of Trias Street, including the returns in all intersections of said Fort Stockton Drive with all cross streets, between said points, and also including the returns in all terminations of streets in said Fort Stockton Drive, between said points, (excepting such portions of the said Fort Stockton Drive and said intersections and terminations of streets, between said points, already curbed with concrete at the time of the adoption of this resolution of intention), according to the specifications therefor contained in said Ordinance No. 5250, and as shown upon and according to the plans, drawings and typical cross-sections contained in said Document No. 77221.

Also, as a part of said work, the construction in the said Fort Stockton Drive of the following culverts and catch-basins, to-wit:

The construction of one eighteen-inch reinforced concrete culvert, together with its accessories, across the roadway of said Fort Stockton Drive, from the northeast corner of the termination of Hermosa Way in said Fort Stockton Drive to a point on the southwesterly curb line of said Fort Stockton Drive, where said southwesterly curb line is intersected by the westerly line of Hermosa Way produced southerly; also the construction in the curb line at the northeast corner of the termination of Hermosa Way in said Fort Stockton Drive of one cement concrete catch-basin;

The construction of one eighteen-inch double-strength cement pipe culvert, 73 feet in length, together with its accessories, across the said Fort Stockton Drive, at the easterly line of Canyon Road produced southerly; also the construction on each side of the road-

way of said Fort Stockton Drive, at the easterly line of Canyon Road produced southerly, of one cement concrete catch-basin;

The construction of one eighteen-inch reinforced concrete culvert, together with its accessories, across the roadway of said Fort Stockton Drive, at the southeasterly line of Hortensia Street produced northeasterly;

(Excepting portions of said culverts extending across and under the railway tracks of the San Diego Electric Railway Company);

All of said culverts and catch-basins to be constructed as shown upon and according to the plans, drawings and typical cross-sections and specifications therefor contained in said Document No. 77221.

All of said plans, drawings and typical cross-sections and specifications contained in said Document No. 77221 are hereby approved and adopted as the plans, drawings and typical cross-sections and specifications to be followed, in connection with the specifications contained in said Ordinances No. 5176 and No. 5250, in said paving of, and said work upon, said Lewis Street and Fort Stockton Drive, between the points hereinbefore mentioned; and by reference thereto all said plans, drawings and typical cross-sections and specifications contained in said Document No. 77221, and said specifications contained in said Ordinances No. 5176 and No. 5250, are incorporated herein and made a part hereof.

The said Common Council hereby determines that serial bonds bearing interest at the rate of seven per cent. per annum shall be issued to represent assessments of twenty-five dollars or over for the cost of said work or improvement. Said serial bonds shall extend over a period of nine years from the second day of January next succeeding their issuance, and an even annual proportion of the principal sum thereof shall be payable by coupon, on the second day of January, every year after their date, until the whole is paid, and the interest shall be payable semi-annually, by coupon, on the second days of January and July, respectively, of each year, at the rate of seven per cent. per annum on all sums unpaid, until the whole of said principal and interest are paid. Said bonds shall be issued in accordance with the provisions of an Act of the Legislature of the State of California, entitled, "An Act to Provide a System of Street Improvement Bonds to Represent Certain Assessments for the Cost of Street Work and Improvement Within Municipalities, and also for the Payment of such Bonds," approved February 27th, 1893, and of all acts supplementary thereto, or amendatory thereof. And said Common Council hereby determines that said serial bonds shall be issued to represent the expenses of said work or improvement.

That the contemplated work of improvement, hereinbefore mentioned, is in the opinion of said Common Council of more than local and ordinary public benefit, and the expense of said work and improvement is made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. RESOLUTION DETERMINING AND PROPOSING TO GRANT THE RIGHT, PERMIT,
FRANCHISE AND AUTHORITY TO CONSTRUCT, MAINTAIN AND OPERATE A GEN-
ERAL COMMERCIAL RAILROAD OVER THE ROUTE AND ON THE STREETS NAMED
IN THE APPLICATION THEREFOR, IN THE CITY OF SAN DIEGO, STATE OF
CALIFORNIA: AND ORDERING A NOTICE OF SAID APPLICATION AND OF THE
PROPOSITION OF THE COMMON COUNCIL TO GRANT THE SAME TO BE ADVER*

TISED BY PUBLICATION IN THE OFFICIAL NEWSPAPER OF SAID CITY.

WHEREAS, an application has been made to the Common Council of the City of San Diego, by BAY SHORE RAILROAD COMPANY, a corporation organized under the laws of the State of California, with its principal place of business in the said City of San Diego filed in the office of the Clerk of said City on the 22nd day of June, 1914, and being document No. 78087 for the granting of the right, permit, franchise and authority to construct, maintain and operate a general commercial railroad for the carriage of passengers and freight, goods, wares and merchandise, express and mail matter for a period commencing on the taking effect of the ordinance granting the same, and ending on the 31st day of December, 1952, on certain streets and places in said city named in said application; and,

WHEREAS upon due consideration of said application, said Common Council has determined that it is for the best interests of said City that said right, permit, franchise and authority be granted, and that the said Common Council proposes to grant the same;

NOW THEREFORE, BE IT RESOLVED by the Common Council of the City of San Diego as follows:

That it is now determined that such franchise and authority shall be granted for a period commencing on the taking effect of the ordinance granting the same and ending on the 31st day of December, 1952, as applied for in said application on file in said Clerk's office.

The successful bidder for the franchise to be ^Fstuck off, sold and awarded as provided herein, shall file, within five (5) days after such franchise is awarded, a bond running to the city of San Diego, with at least two good and sufficient sureties to be approved by said Common Council in the penal sum of Five Thousand Dollars, conditioned that such bidder shall well and truly observe, fulfill and perform each and every term and condition of such franchise, and that in case of any breach of condition of such bond, the whole amount of the penal sum therein named shall be taken and deemed to be liquidated damages and shall be recoverable from the principal and sureties upon said bond;

That said City Clerk be, and he is hereby directed to advertise the fact of said application, together with a statement that it is proposed to grant the same as applied for in said application and stating that bids will be received for such franchise and that it will be sold, stuck off and awarded to the highest cash bidder therefor by publication thereof in the official newspaper of said city, to-wit, "The Evening Tribune", once a day for ten successive days, and said Clerk is hereby ordered and directed to sign said notice and advertisement.

Said advertisement shall be in the following form and shall contain the following provisions, to-wit:

NOTICE OF APPLICATION FOR A RIGHT, PERMIT, FRANCHISE AND AUTHORITY
TO CONSTRUCT, MAINTAIN AND OPERATE A GENERAL COMMERCIAL RAILROAD
FOR THE CARRIAGE OF PASSENGERS AND FREIGHT, GOODS, WARES AND MER-
CHANDISE, EXPRESS AND MAIL MATTER, ALONG AND UPON CERTAIN STREETS
AND PLACES IN THE CITY OF SAN DIEGO, STATE OF CALIFORNIA: AND OF
DETERMINATION OF THE COMMON COUNCIL TO GRANT THE SAME AT PUBLIC
SALE TO THE HIGHEST CASH BIDDER.

TO WHOM IT MAY CONCERN:

NOTICE IS HEREBY GIVEN that an application has been made to the Common Council of the City of San Diego for the granting of the right, permit, franchise and authority to construct, maintain and operate a general commercial railroad for the carriage of passengers, freight, goods, wares and merchandise, express and mail matter, along and upon certain streets and places in the City of San Diego, California, for a period commencing on the date of the granting the same and ending on the 31st day of December, 1952, and that it is pro-

posed by said Common Council, to grant the same as applied for and to offer the same for sale to the highest cash bidder therefor.

Said application and the right, permit, franchise and authority therein described, is as follows:

San Diego, California,

June 22nd, 1914.

TO THE HONORABLE THE COMMON COUNCIL

OF THE CITY OF SAN DIEGO:-

Bay Shore Railroad Company, a corporation organized under the laws of the State of California, with its principal place of business in the City of San Diego, County of San Diego, State of California, hereby petitions your Honorable Body for a right, permit, franchise and authority to construct, maintain and operate a general commercial railroad for the carriage of passengers and freight, goods, wares, merchandise, express and mail matter, including side tracks, turnouts, switches, spur tracks and any and all other things necessary and incident to railway construction, maintenance and operation, and to erect and maintain either a single or double pole line for the support of overhead trolley support arms or span wires, and to suspend electric wires therefrom, to be used in the operation of said railway through, over, across, upon and along any and all public avenues, plazas, streets, alleys, navigable waters, highways and pueblo, tide, submerged and overflowed or other lands in the said City of San Diego, a route described as follows, to-wit:-

Commencing at the center of the intersection of Voltaire Street and Bacon Street, in the City of San Diego, County of San Diego, State of California, as shown and delineated on the map of Ocean Bay Beach, said map being filed in the office of the County Recorder of said San Diego County, June 22nd, 1909, said map being numbered 1189; thence northeasterly along said Bacon Street to the center of the intersection of said Bacon Street with West Point Loma Boulevard, 200 feet more or less; thence continuing on West Point Loma Boulevard on a curve northerly and crossing Block One Hundred Three (103) of said Ocean Bay Beach, and Block Sixty (60) of said Ocean Bay Beach to the mean high tide line on the southerly side of the channel of Mission Bay; thence in a northerly direction crossing said channel of Mission Bay to the mean high tide line on the northerly side thereof; thence continuing northerly along and upon Pueblo Lot No. 1803 to the southerly line of Block Three Hundred Eighty-nine (389), as shown on the map of Pacific Beach, which said map was filed in the County Recorder's Office, September 28th, 1898, said map being numbered 854.

Said franchise, right, permit and authority to commence with the date of granting same, and to continue, exist to and end upon the thirty-first day of December, 1952.

Said franchise, right, permit and authority to be granted upon the following conditions and limitations, to-wit:

1. The successful bidder for said franchise and his assigns must, during the life of same, pay to the City of San Diego two per cent. of the gross annual receipts of the person, partnership or corporation to whom said franchise is awarded, arising from its use, operation or possession. No percentage shall be paid for the first five years succeeding the date of the franchise, but thereafter said percentage shall be payable annually, and in the event said payment is not made, said franchise shall be forfeited. Within sixty days after the expiration of each year for which said two per cent. is payable, the grantee of said franchise, successors or assigns, shall file with the Clerk of the City of San Diego a statement verified by the oath of said grantee, successors or assigns, showing the total gross receipts arising from the use, operation or possession of said franchise, and shall thereupon pay to said City Clerk, for the said City of San Diego, the aggregate sum of two (2) per centum of said gross annual receipts, as shown by said statement.

Any refusal of said grantee, successors or assigns, to file said verified statement,

and to pay said percentage of said gross annual receipts, within the time above provided, shall constitute ground for forfeiture of said franchise, right, permit and authority, and all rights granted thereby.

The Mayor and the Common Council may, after said statement is made, inspect and examine the books of the grantee of this franchise, right, permit and authority, and may cause the same to be examined by an expert accountant, and may examine, under oath, any and all of its officers or agents, for the purpose of ascertaining the gross annual receipts under this franchise.

2. Motive Power. That the cars and trains upon said railroad shall be propelled by steam or electricity, or both, or other modern motive power, said electricity to be carried or transmitted by storage batteries, or by wires, or by conductors erected or constructed either over or underground, provided that other motive power may be used in case of accident or unavoidable delay in procuring equipment.

3. Condition of Streets. The grantee of the franchise, right, permit and authority, or assigns, shall pave or macadamize the entire length of the street used by said tracks, rails, and for two feet on each side thereof, and between the between the tracks if there be more than one, immediately upon notice so to do from the Common Council, whenever such street is ordered to be paved or macadamized by said Common Council, and shall keep the same constantly in repair, with the tops of the rails flush with the street and with good crossings.

4. Track Specifications. That the track shall be constructed at the standard gauge of four feet, eight and one-half inches within the rails, and shall have a space between it and said side tracks, turnouts and switches of not less than five feet three inches.

5. Single or Double Track. That the grantee or its assigns, shall have the right to lay and maintain either single or double tracks, as the condition of business may warrant, but the laying of a single track shall be deemed a compliance with the conditions of this franchise, right, permit and authority, and shall in nowise impair the right of said grantee, or assigns to subsequently lay a second track paralleling the first track.

6. Rail Specifications. That good and substantial steel rails shall be used in the construction of said track.

7. City's Right to Access to Streets. That the right to grade, sewer, pave, macadamize, or otherwise improve the said streets, or change the grade thereof, shall be reserved to the said City, such work to be done so as to obstruct the said railway as little as possible; the grantee or its assigns shall shift and re-shift the rails so as to avoid the obstruction created thereby; the grantee and its assigns shall waive any and all claims for damages against said City caused by reason of such grading, paving or macadamizing, or otherwise improving, altering or repairing said streets.

8. Tracks on Graded Streets. That the laying of said track and all side-tracks, cross-overs, spur-tracks, turn-outs, switches or curves shall conform in all cases with the grade of said streets where the same have been graded, and in all other cases to be as near to the natural grade as practicable, and when at any time any part of this route shall be graded, or the grade thereof altered or changed by said Common Council the bed of the road and the tracks thereon shall be made to conform therewith by said grantee or its assigns, so that the tops of the rails will be flush with the surface of the street. That the overhead system may be of single or double pole construction. That all spur tracks or other turnout tracks, may be so constructed and maintained as to curve off the main track and across the curbs and sidewalks and lead into car barns, repair shops, machine shops, depots and other buildings, but a substantial gutter shall be maintained under such tracks to provide the necessary drainage thereof.

9. City Engineer's Services. That the City Engineer shall, under the direction of the said Common Council, give the established grade of the streets along the line of con-

struction of said railway and set stakes indicating the said grades. He shall see that the said railway is constructed in conformity with the terms and requirements of the franchise, right, permit and authority, and for his services as herein required, he shall receive such fees as are provided therefor, and the same shall be paid by the grantee or assigns.

10. Location of Tracks on Streets. That all tracks which shall be laid hereunder shall be constructed and laid so that each of them shall be, when practicable, in the centre of streets, or as nearly so as the condition or width of the streets will permit.

11. Location of Switches. That no switch shall be constructed or maintained within fifty feet of any cross street, and the location of such switches and all turnouts shall be changed at the expense of the grantee or its assigns whenever so ordered by said Common Council.

12. Time Limit for Construction and Completion. Work to construct the railroad shall be commenced in good faith within not more than four months from the granting of the franchise, right, permit and authority, and if not so commenced within said time, said franchise, right, permit and authority shall be declared forfeited; and the said railroad shall be completed within not more than three years thereafter, and if not so completed within said time, said franchise, right, permit and authority so granted shall be forfeited; provided, that for good cause shown, the Common Council may by resolution, extend the time for completion thereof, not exceeding three months. Provided that in case any person to whom said franchise, right, permit and authority shall be awarded, successors or assigns, shall have already constructed or acquired a railroad, or shall have acquired, or shall acquire the right to ^{the} use, or the right to operate over a railroad along and upon the streets and places herein described, or any part thereof, such railroad and construction shall, in said event, be deemed a compliance with this paragraph, and with all the conditions hereof as to construction hereunder, to the extent that the same are in accordance with the conditions and limitations herein contained, and shall also be deemed a compliance with the conditions of this paragraph as to commencement of work.

13. Cessation of Operation. In case the grantee of the franchise, right, permit and authority, successors or assigns, shall cease to operate said railway for a period of ninety days consecutively after said railway shall have been fully constructed and completed, except in case of unavoidable accident, or other matters not within the control of the grantee, or successors or assigns, the franchise, right, permit and authority shall be and is hereby declared to be forfeited, and the said grantee, successors or assigns, shall thereafter remove the tracks of said railway and put the streets in good condition.

14. Right to Repeal. The grant of said franchise, right, permit and authority shall be subject to the right of the majority of the electors of said City, voting at any election at any time thereafter, to repeal, change or modify the said grant, and the ordinance making such grant shall contain a reservation of such right to repeal, amend or modify said ordinance.

15. Bids. Said franchise will be struck off, sold and awarded to the person, firm or corporation who shall make the highest cash bid therefor; provided, only, that at the time of the opening of said bids any responsible person, firm or corporation present or represented may bid for said franchise or privilege, a sum not less than ten per cent. above the highest sealed bid therefor, and said bid so made may be raised not less than ten per cent. by any other responsible bidder, and said bidding may so continue until finally said franchise shall be struck off, sold and awarded by said Common Council to the highest bidder therefor in gold coin of the United States. Each sealed bid shall be accompanied with cash or certified check, payable to the Treasurer of said City, for the full amount of said bid, and no sealed bid shall be considered unless said cash or check is enclosed therewith, and the successful bidder shall deposit at least ten per cent. of the amount of his bid with the Clerk of said City before the franchise, right, permit and authority shall be struck off to him. And if

he shall fail to make such deposit immediately then, and in that case, his bid shall not be received, and shall be considered as void, and the said franchise, right, permit and authority shall then and there be again offered for sale to the bidder who shall make the highest cash bid therefor, subject to the same conditions as to deposit as above mentioned. Said procedure shall be had until said franchise, right, permit and authority is struck off, sold and awarded to a bidder who shall make the necessary deposit of at least ten per cent. of the amount of his bid therefor, as herein provided. Said successful bidder shall deposit with the Clerk of said City within twenty-four hours after the acceptance of his bid, the remaining ninety per cent. of the amount thereof, and in case he or it shall fail to do so, then the said deposit theretofore made, shall be forfeited, and the said award of said franchise, right, permit and authority shall be void, and the said franchise, right, permit and authority shall then and there, by said Common Council, be again offered for sale to the highest bidder therefor, in the same manner and under the same restrictions as hereinbefore provided, and in case said bidder shall fail to deposit with the Clerk of said City, the remaining ninety per cent. of his bid within twenty-four hours after its acceptance, the award to him of said franchise, right, permit and authority shall be set aside and the deposit theretofore made by him shall be forfeited and no further proceedings for a sale of said franchise, right, permit and authority shall be had unless the same shall be re-advertised and again offered for sale, in the manner hereinbefore provided.

16. The successful bidder for any franchise or privilege struck off, sold and awarded under these proceedings, shall file a bond running to said City, with at least two good and sufficient sureties, to be approved by said Common Council, in a penal sum by it to be prescribed and set forth in the advertisement for bids, conditioned that such bidder shall well and truly observe, fulfill and perform each and every term and condition of such franchise, right, permit and authority, and that in case of any breach of condition of such bond, the whole amount of the penal sum therein named shall be taken and deemed to be liquidated damages and shall be recoverable from the principal and sureties upon said bond. Said bond shall be filed with said Common Council within five days after such franchise, right, permit and authority is awarded, and upon the filing and approval of such bond, the said franchise, right, permit and authority shall, by said Common Council, be granted by ordinance to the person, firm or corporation to whom it has been struck off, sold or awarded, and in case that said bond shall not be so filed, the award of said franchise, right, permit and authority shall be set aside, and any money paid therefor shall be forfeited, and said franchise, right, permit and authority shall, in the discretion of said Common Council, be re-advertised and again offered for sale in the same manner and under the same restrictions as hereinbefore provided.

Respectfully,

BAY SHORE RAILROAD COMPANY

By Charles W. Fox,
President.

Attest: J. H. McKie
Secretary.

NOTICE IS ALSO HEREBY GIVEN that sealed bids in writing will be received for said franchise and authority up to the hour of 10.30 o'clock A. M., on Monday, the 27th day of July, 1914, when the Common Council will, in open session, open and publicly declare said bids; that the successful bidder and assigns must, during the life of said franchise, pay to the said City two per centum of the gross annual receipts of the person, partnership or corporation to whom the franchise is awarded, arising from its use, operation or possession, and in the event said payment is not made said franchise shall be forfeited; and that no percentage shall be paid for the first five years succeeding the date of the franchise, but

that thereafter such percentage shall be payable annually; and that said franchise and authority will be stuck off, sold and awarded to the person, firm or corporation who shall make the highest cash bid therefor; provided, only, that at the time of the opening of said bids any responsible person, firm or corporation present or represented, may bid for said franchise or privilege, a sum not less than ten per cent. above the highest sealed bid therefor, and said bid so made may be raised not less than ten per cent. by any other responsible bidder, and said bidding may so continue until finally said franchise shall be stuck off, sold and awarded by said Common Council to the highest bidder therefor, in gold coin of the United States. Each sealed bid shall be accompanied with cash or certified check, payable to the Treasurer of said city, for the full amount of said bid, and no sealed bid shall be considered unless said cash or check is enclosed therewith, and the successful bidder shall deposit at least ten per cent. of the amount of his bid with the Clerk of said City before the franchise shall be stuck off to him. And if he shall fail to make such deposit immediately, then and in that case his bid shall not be received, and shall be considered as void, and the said franchise shall then and there be again offered for sale to the bidder who shall make the highest cash bid therefor, subject to the same conditions as to deposit as above mentioned. Said procedure shall be had until said franchise is struck off, sold and awarded to a bidder who shall make the necessary deposit of at least ten per cent. of the amount of his bid therefor, as herein provided. Said successful bidder shall deposit with the Clerk of said City, within twenty-four hours after the acceptance of his bid the remaining ninety per cent. of the amount thereof, and in case he or it shall fail to do so, then the said deposit theretofore made shall be forfeited, and the said award of said franchise shall be void, and the said franchise shall then and there, by said Common Council, be again offered for sale to the highest bidder therefor, in the same manner and under the same restrictions as hereinbefore provided, and in case said bidder shall fail to deposit with the Clerk of said City the remaining ninety per cent. of his bid, within twenty-four hours after its acceptance, the award to him of said franchise, right, permit and authority shall be set aside, and the deposit theretofore made by him shall be forfeited, and no further proceedings for a sale of said franchise shall be had unless the same shall be readvertised, and again offered for sale in the manner hereinbefore provided.

NOTICE IS ALSO HEREBY GIVEN that the successful bidder for said franchise and authority shall file a bond running to said City of San Diego, with at least two good and sufficient sureties to be approved by said Common Council in the penal sum of Five Thousand Dollars, conditioned that such bidder shall well and truly observe, fulfill and perform each and every term and condition of said franchise and that in case of any breach of condition of such bond, the whole amount of the penal sum therein named shall be taken and deemed to be liquidated damages and shall be recoverable from the principal and sureties upon said bond. Said bond shall be filed with said Common Council within five (5) days after such franchise is awarded, and upon the filing and approval of said bond the said franchise shall, by said Common Council, be granted by ordinance to the person, firm or corporation to whom it has been stuck off, sold or awarded and in case said bond shall not be so filed, the award of said franchise shall be set aside and any money paid therefor shall be forfeited and said franchise shall, in the discretion of said Common Council, be readvertised and again offered for sale in the same manner and under the same restrictions as hereinbefore provided.

RESOLUTION OF AWARD NO. 17597.

Pennsylvania Avenue.

RESOLVED, that the Common Council of the City of San Diego, California, having in open session on the 8th day of June, 1914, opened, examined and publicly declared all sealed proposals or bids offered for doing the following work, to-wit:

All the street work described in Resolution of Intention No. 16344, adopted by this Common Council on February 2, 1914, and on file in the office of the City Clerk of said City, for the improvement of PENNSYLVANIA AVENUE, in said City, from the east line of Vermont Street to the west line of Richmond Street.

For a description of the work reference is hereby made to said Resolution of Inten-

tion No. 16344.

All of said street work to be done according to the specifications therefor contained in Ordinance No. 3510 of the ordinances of said City, and as shown upon the plans and drawings contained in Document No. 69395, on file in the office of the City Clerk of said City, and copies of which are on file in the office of the City Engineer of said City; and by reference thereto all said specifications contained in said Ordinance No. 3510, and said plans and drawings contained in said Document No. 69395, are incorporated herein and made a part hereof.

The costs and expenses of said work and improvement are to be assessed upon the district which is more particularly described in said Resolution of Intention No. 16344.

The said Common Council determined that serial bonds to extend over a period of nine years from the second day of January next succeeding their issuance, bearing interest at the rate of seven per cent. per annum, shall be issued to represent assessments of twenty-five dollars or over for the costs of said work and improvement.

For further particulars, reference is hereby made to said Resolution of Intention No. 16344.

Mississippi Street.

RESOLVED, that it is the intention of the Common Council of the City of San Diego, California, to order the following street work to be done, to-wit:

The grading, and paving with decomposed granite, to the official grade thereof, of the roadway of MISSISSIPPI STREET, in said City, from curb line to curb line, from the north line of El Cajon Avenue to the south line of Adams Avenue, and also that portion of the roadway of said Mississippi Street leading into all alleys, between said points, including the roadway of all intersections of said Mississippi Street with all cross streets, between said points, (excepting the intersection of said Mississippi Street with Madison Avenue);

Also, as a part of said work, the grading to the official grade thereof, of said Mississippi Street, on both sides thereof, between the curb line of said street and the property line, from the north line of El Cajon Avenue to the south line of Adams Avenue, including the returns in all intersections of said Mississippi Street with all cross streets, between said points, (excepting the intersection of said Mississippi Street with Madison Avenue);

And also, as a part of said work, the construction of cement concrete sidewalks and cement concrete curbing on both sides of the said Mississippi Street, from the north line of El Cajon Avenue to the south line of Adams Avenue, including the returns in all intersections of said Mississippi Street with all cross streets, between said points, (excepting the intersection of said Mississippi Street with Madison Avenue);

All of said work to be done as shown upon and according to the plans, drawings and typical cross-sections and specifications therefor contained in Document No. 77777, on file in the office of the City Clerk of said City, and copies of which are on file in the office of the City Engineer of said City.

All of said plans, drawings and typical cross-sections and specifications contained in said Document No. 77777 are hereby approved and adopted as the plans, drawings and typical cross-sections to be followed, in said grading and paving of, and said work upon said Mississippi Street, between said points; and by reference thereto all said plans, drawings and typical cross-sections and specifications contained in said Document No. 77777 are incorpor-

ated herein and made a part hereof.

The said Common Council hereby determines that serial bonds bearing interest at the rate of seven per cent. per annum shall be issued to represent assessments of twenty-five dollars or over for the cost of said work or improvement. Said serial bonds shall extend over a period of nine years from the second day of January next succeeding their issuance, and an even annual proportion of the principal sum thereof shall be payable by coupon, on the second day of January, every year after their date, until the whole is paid, and the interest shall be payable semi-annually, by coupon, on the second days of January and July, respectively, of each year, at the rate of seven per cent. per annum on all sums unpaid, until the whole of said principal and interest are paid. Said bonds shall be issued in accordance with the provisions of an Act of the Legislature of the State of California, entitled, "An Act to Provide a System of Street Improvement Bonds to Represent Certain Assessments for the Cost of Street Work and Improvement Within Municipalities, and also for the Payment of such Bonds," approved February 27th, 1893, and of all acts supplementary thereto, or amendatory thereof. And said Common Council hereby determines that said serial bonds shall be issued to represent the expenses of said work or improvement.

That the contemplated work of improvement, hereinbefore mentioned, is, in the opinion of said Common Council of more than local and ordinary public benefit, and the expense of said work and improvement is made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to-wit: All that real property in the said City of San Diego, included within the following exterior boundry lines, to-wit:

Beginning at a point on the north line of El Cajon^{Avenue} distant 150 feet east from the east line of Mississippi Street; thence north on a line parallel to and distant 150 feet east from the east line of Mississippi Street to an intersection with the south line of Adams Avenue; thence west along the south line of Adams Avenue to a point distant 150 feet west from the west line of Mississippi Street; thence south on a line parallel to and distant 150 feet west from the west line of Mississippi Street to an intersection with the north line of El Cajon Avenue; thence east along the north line of El Cajon Avenue to the point or place of beginning; excepting therefrom all public streets, roads, alleys, avenues and highways.

A plat of which said district, indicating by a boundary line the extent of the territory included in said assessment district, approved by this Common Council, is on file in the office of the City Engineer of said City; reference to which is hereby made.

That the Evening Tribune, a daily newspaper published and circulated, and of general circulation, in the said City of San Diego, be, and it is hereby designated as the newspaper in which this Resolution of Intention shall be published by two insertions, and the notice of the passage thereof shall be published by two insertions, in the manner and by the persons required by law.

That the Clerk of the said City of San Diego be, and he is hereby directed to post this Resolution conspicuously for two days on or near the chamber door of the said Common Council, and to cause the same to be published by two insertions in said daily newspaper in the manner required by law.

That the Street Superintendent of the said City of San Diego shall, after the passage of this Resolution of Intention, cause to be conspicuously posted along all streets and parts of streets and other public places and rights of way where the work and improvement hereinbefore described is to be done and made, notices of the passage of this Resolution, in the manner and in the form required by law, and shall also cause a notice similar in substance to be published by two insertions in said daily newspaper, in the manner required by law, and thereupon said Superintendent of Streets shall cause to be filed in the office of the City

Clerk of said City, affidavits showing the posting and publication of the said notices of street work.

That the City Clerk of said City be, and he is hereby directed, immediately upon the passage of this Resolution of Intention, to mail, with postage thereon prepaid, to each property owner whose property is to be assessed to pay the costs and expenses of said improvement, a postal card containing notice of the passage of this Resolution, designating the location and limits of the improvement provided for herein, and referring to this resolution for particulars, and stating that property belonging to such owner is to be assessed for said improvement, all in the manner, substance and form as prescribed by law; and thereupon said Clerk shall cause to be filed affidavits in proof of such mailing.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 29th day of June, 1914, by the following vote, to-wit:

The paving, with asphalt pavement laid upon a concrete base, of the roadway of SIXTEENTH STREET, in said City, from curb line to curb line, from the north line of H Street to the south line of Balboa Park, including the roadway of all intersections of said Sixteenth Street with all cross streets, between said points, and also including the roadway of said Sixteenth Street leading into all alleys, between said points, (excepting such portions of the said Sixteenth Street and said intersections of streets, between said points, required by law to be kept in order or repair by any person or company having railroad tracks thereon, and also excepting the intersections of said Sixteenth Street with C Street, Broadway and G Street), according to the specifications therefor contained in Ordinance No. 5176 of the ordinances of said City, and as shown upon and according to the plans, drawings and typical cross-sections contained in Document No. 77782, on file in the office of the City Clerk of said City, and copies of which are on file in the office of the City Engineer of said City.

And also, as a part of said work, the construction upon the said Sixteenth Street of the following concrete curbing, to-wit: 28 feet of concrete curbing on the west side of said Sixteenth Street, between E Street and F Street; 142.7 feet of concrete curbing on the east side of said Sixteenth Street, between C Street and Broadway; 23.71 feet of concrete curbing in each of the returns at the northeast and southeast corners of the intersections of said Sixteenth Street with B Street; 82 feet of concrete curbing on the east side of said Sixteenth Street, between A Street and B Street; and 23.71 feet of concrete curbing in each of the returns at the northeast, southeast, and northwest corners of the intersection of said Sixteenth Street with A Street; according to the specifications therefor contained in Ordinance No. 5250 of the ordinances of said City, and as shown upon and according to the plans, drawings and typical cross-sections contained in said Document No. 77782.

All of said plans, drawings and typical cross-sections contained in said Document No. 77782 are hereby approved and adopted as the plans, drawings and typical cross-sections to be followed, in connection with the specifications contained in said Ordinances No. 5176 and 5250, in said paving of, and said work upon said Sixteenth Street, between said points; and by reference thereto all said plans, drawings and typical cross-sections contained in said Document No. 77782 and said specifications contained in said Ordinances No. 5176 and No. 5250, are incorporated herein and made a part hereof.

The said Common Council hereby determines that serial bonds bearing interest at the rate of seven per cent. per annum shall be issued to represent assessments of twenty-five dollars or over for the cost of said work or improvement. Said serial bonds shall extend over a period of nine years from the second day of January next succeeding their issuance, and an even annual proportion of the principal sum thereof shall be payable by coupon, on the second day of January, every year after their date, until the whole is paid, and the interest shall be payable semi-annually, by coupon, on the second days of January and July, respectively, of each year, at the rate of seven per cent. per annum on all sums unpaid, until the whole of said principal and interest are paid. Said bonds shall be issued in accordance with the provisions of an Act of the Legislature of the State of California, entitled, "An Act to Provide a System of Street Improvement Bonds to Represent Certain Assessments for the Cost of Street Work and Improvement Within Municipalities, and also for the

Payment of such Bonds," approved February 27th, 1893, and of all acts supplementary thereto, or amendatory thereof. And said Common Council hereby determines that said serial bonds shall be issued to represent the expenses of said work or improvement.

That the contemplated work of improvement, hereinbefore mentioned, is in the opinion of said Common Council of more than local and ordinary public benefit, and the expense of said work and improvement is made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to-wit: All that real property in the said City of San Diego, included within the following exterior boundry lines, to-wit:

Beginning at a point on the north line of H Street distant 100 feet east from the east line of Sixteenth Street; thence north on a line parallel to and distant 100 feet east from the east line of Sixteenth Street to an intersection with the south line of Balboa Park; thence west along the south line of Balboa Park to a point distant 100 feet west from the west line of Sixteenth Street; thence south on a line parallel to and distant 100 feet west from the west line of Sixteenth Street to an intersection with the north line of H Street; thence east along the north line of H Street to the point or place of beginning; excepting therefrom all public streets, roads, alleys, avenues and highways.

A plat of which said district, indicating by a boundary line the extent of the territory included in said assessment district, approved by this Common Council, is on file in the office of the City Engineer of said City; reference to which is hereby made.

That the Evening Tribune, a daily newspaper published and circulated, and of general circulation, in the said City of San Diego, be, and it is hereby designated as the newspaper in which this Resolution of Intention shall be published by two insertions, and the notice of the passage thereof shall be published by two insertions, in the manner and by the persons required by law.

That the Clerk of the said City of San Diego, be, and he is hereby directed to post this Resolution ~~of Intention~~ conspicuously for two days on or near the chamber door of the said Common Council, and to cause the same to be published by two insertions in said daily newspaper in the manner required by law.

That the Street Superintendent of the said City of San Diego shall, after the passage of this Resolution of Intention, cause to be conspicuously posted along all streets and parts of streets and other public places and rights of way where the work and improvement hereinbefore described is to be done and made, notices of the passage of this Resolution, in the manner and in the form required by law, and shall also cause a notice similar in substance to be published by two insertions in said daily newspaper, in the manner required by law, and thereupon said Superintendent of Streets shall cause to be filed in the office of the City Clerk of said City, affidavits showing the posting and publication of the said notices of street work.

That the City Clerk of said City be, and he is hereby directed, immediately upon the passage of this Resolution of Intention, to mail, with postage thereon prepaid, to each property owner whose property is to be assessed to pay the costs and expenses of said improvement a postal card containing notice of the passage of this Resolution, designating the location and limits of the improvement provided for herein, and referring to this resolution for particulars, and stating that property belonging to such owner is to be assessed for said improvement, all in the manner, substance and form as prescribed by law; and thereupon said Clerk shall cause to be filed affidavits in proof of such mailing.
