BE IT RESOLVED by the Common Council of the City of San Diego, as follows:

That the City Engineer of the City of San Diego, California, be and he is hereby authorized and directed to furnish to this Common Council a careful estimate of the number of cubic yards of excavation and the number of cubic yards of embankment necessary to bring MYRTLE Street in the City of San Diego, California, for the entire width of said street, from property line to property line, from the West line of Park Boulevard to the east line of Vermont Street including the entire width and length of all intersections of said Myrtle Street with cross streets, between said points, to its official grade and cross-section, excepting such portion of the said Myrtle Street and the said intersections of streets between said points required by law to be kept in order or repair by any person or company having railroad tracks thereon;

That said estimate shall be made in Duplicate, one copy of which shall be kept on file in the office of the said City Engineer and shall, during office hours, be accessible for inspection by any person who may desire to inspect the same; that the said estimate shall include plans and specifications of the grading and of any and all culverts and bridges which it may be necessary to construct in doing said work.

And said City Engineer is further directed to furnish this Common Council with a description of the exterior boundaries of the district of lands to be affected and benefited by, and to be assessed to pay the costs and expenses of the aforesaid work or improvement.

R E S O L U T I O N N O. 1 7 6 7 8.

BE IT RESOLVED, by the Common Council of the City of San Diego, as follows:

That the City Engineer of the City of San Diego, California, be and he is hereby authorized and directed to furnish to this Common Council a careful estimate of the number of cubic yards of excavation and the number of cubic yards of embankment necessary to bring A Street, from the east line of Granada Avenue to the west line of 30th Street in the City of San Diego, California, for the entire width of said street, from property line to property line, from the south line of A Street to the north line of B Street, including the entire width and length of all intersections of said A Street and 29th Street with cross streets, between said points, to their official grade and cross-section, excepting such portion of the said A Street and 29th Street and the said intersections of streets between said points required by law to be kept in order or repair by any person or company having railroad tracks

thereon;

That said estimate shall be made in duplicate, one copy of which shall be kept on file in the office of the said City Engineer and shall, during office hours, be accessible for inspection by any person who may desire to inspect the same; that the said estimate shall include plans and specifications of the grading and of any and all culverts and bridges which it may be necessary to construct in doing said work.

And said City Engineer is further directed to furnish this Common Council with a description of the exterior boundaries of the district of lands to be affected and benefited by, and to be assessed to pay the costs and expenses of the aforesaid work or improvement.

RESOLUTION NO. 17679.

BE IT RESOLVED, by the Common Council of the City of San Diego, as follows:

That the City Engineer of the City of San Diego, California, be and he is hereby authorized and directed to furnish to this Common Council a careful estimate of the number of cubic yards of excavation and the number of cubic yards of embankment necessary to bring Long Branch Avenue, in the City of San Diego, California, for the entire width of said street, from property line to property line, for its entire length, including the entire width and length of all intersections of said Long Branch Avenue, with cross streets, between said points, to its official grade and cross-section, excepting such portion of the said Long Branch Avenue and the said intersections of streets between said points required by law to be kept in order or repair by any person or company having railroad tracks thereon;

And said City Engineer is further directed to furnish this Common Council with a description of the exterior boundaries of the district of lands to be affected and benefited by, and to be assessed to pay the costs and expenses of the aforesaid work or improvement.

RESOLUTION NO. 17680.

BE IT RESOLVED by the Common Council of the City of San Diego, as follows:

That the Plat showing the boundaries of the district to be included in the assessment for the work and improvement on SEWER in Arizona Street, from the alley north of El Cajon Avenue to a point 25 feet south of Monroe Avenue, be, and the same hereby is approved; and the City Clerk of said City is hereby directed to file said plat in the office of the City Engineer of said City.

RESOLUTION NO. 17681.

BE IT RESOLVED by the Common Council of the City of San Diego, as follows:

That the Plat showing the boundaries of the district to be included in the assessment for the work and improvement on DALE STREET, in said City, from the north line of Nutmeg Street to the south line of Palm Street, be, and the same hereby is approved; and the City Clerk of said City is hereby directed to file said plat in the office of the City Engineer of said City.

I HEREBY CERTIFY that the above and foregoing is a full, true and correct copy of Resolutions Nos. 17666, 17667, 17668, 17669, 17670, 17671, 17672, 17673, 17674, 17675, 17676, 17677, 17678, 17679, 17680 and 17681 of the resolutions of the City of San Diego, California, as adopted by the Common Council of said City on the 1st day of July, 1914.

Allen H. Wright,

City Clerk of the City of San Diego, California.

By Y. Jacques Deputy.

RESOLUTION OF AWARD NO. 17682.

Front Street.

RESOLVED, that the Common Council of the City of San Diego, California, having in open session on the 22nd day of June, 1914, opened, examined and publicly declared all sealed proposals or bids offered for doing the following work, to-wit:

All the street work described in Resolution of Intention No. 17055, adopted by this Common Council on April 21, 1914, and on file in the office of the City Clerk of said City, for the improvement of FRONT STREET, in said City, from the north line of Lewis Street to the north line of Dickenson Street produced west.

For a description of the work reference is hereby made to said Resolution of Intention No. 17055.

All of said street work to be done according to the specifications therefor contained in Ordinance No. 3510 of the ordinances of said City, and according to and as shown upon the plans, drawings and typical cross-sections and specifications contained in Document No. 75545, on file in the office of the City Clerk of said City, and copies of which are on file in the office of the City Engineer of said City; and by reference thereto all said specifications contained in said Ordinance No. 3510, and said plans, drawings and typical cross-sections and specifications contained in said Document No. 75545, are incorporated herein and made a part hereof.

The costs and expenses of said work and improvement are to be assessed upon the district which is more particularly described in said Resolution of Intention No. 17055.

The said Common Council determined that serial bonds to extend over a period of nine years from the second day of January next succeeding their issuance, bearing interest at the rate of seven per cent. per annum, shall be issued to represent assessments of twenty-five dollars or over for the costs of said work or improvement.

For further particulars, reference is hereby made to said Resolution of Intention No. 17055.

Said Common Council hereby rejects all of said proposals or bids, except the next herein mentioned, and hereby awards the contract for said work to the lowest, regular, responsible bidder, to-wit: To D. R. Macdonald, at the prices specified in his bid for said work, on file in the office of the Clerk of said City of San Diego, to-wit: Excavation, per cubic yard, eight cents; Embankment, per cubic yard, fifty-three cents; Culverts, complete, forty dollars.

The Clerk of said City of San Diego is hereby directed to post a notice of this award, conspicuously for five days on or near the chamber door of the said Common Council, and also to cause said notice to be published for two days in The Evening Tribune, a daily newspaper published and circulated and of general circulation, in said City of San Diego, and hereby designated for that purpose.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 1st day of July, 1914, by the following vote, to-wit:

AYES- -COUNCILMEN Schmidt, Manney, Benbough, Adams and Fay.

NOES---NONE.

ABSENT-NONE.

Herbert R. Fay,

President of the Common Council of the City of
San Diego, California.

The foregoing Resolution of Award was thereupon approved by the said Common Council of the said City of San Diego, California, this 1st day of July, 1914, by the following vote, to-wit:

AYES---COUNCILMEN Schmidt, Manney, Benbough, Adams and Fay.

NOES---NONE.

ABSENT-NONE.

being a three-fourths vote of said Common Council.

Herbert R. Fay,

President of the Common Council of the City of
San Diego, California.

I HEREBY CERTIFY that the above and foregoing is a full, true and correct copy of Resolution No. 17682 of the resolutions of the City of San Diego, California, as adopted by the Common Council of said City on the 1st day of July, 1914.

RESOLVED, that the Common Council of the City of San Diego, California, having in open session on the 22nd day of June, 1914, opened, examined and publicly declared all sealed proposals or bids offered for doing the following work, to-wit:

All the street work described in Resolution of Intention No. 17060, adopted by this Common Council on April 21, 1914, and on file in the office of the City Clerk of said City, for the improvement of FENELON STREET, in said City, from the northwesterly line of Rosecrans Street to the northwesterly line of Pueblo Lot 198.

For a description of the work reference is hereby made to said Resolution of Intention No. 17060.

All of said street work to be done according to and as shown upon the plans, drawings and typical cross-sections and specifications contained in Document No. 71041, on file in the office of the City Clerk of said City, and copies of which are on file in the office of the City Engineer of said City; and by reference thereto all said plans, drawings and typical cross-sections and specifications contained in said Document No. 71041, are incorporated herein and made a part hereof.

The costs and expenses of said work and improvement are to be assessed upon the district which is more particularly described in said Resolution of Intention No. 17060.

The said Common Council determined that serial bonds to extend over a period of nine years from the second day of January next succeeding their issuance, bearing interest at the rate of seven per cent. per annum, shall be issued to represent assessments of twenty-five dollars or over for the costs of said work or improvement.

For further particulars, reference is hereby made to said Resolution of Intention No. 17060.

Said Common Council hereby rejects all of said proposals or bids, except the next herein mentioned, and hereby awards the contract for said work to the lowest, regular, responsible bidder, to-wit: To Pioneer Truck Company, at the prices specified in its bid for said work, on file in the office of the Clerk of said City of San Diego, to-wit: Excavation, per cubic yard, 36 cents; Embankment, per cubic yard, 4 cents; Paving, per square foot, 4-1/2 cents; Cement curb, per lineal foot, 37 cents; Cement gutters, per square foot, 15 cents; Culverts, \$502.00.

The Clerk of said City of San Diego is hereby directed to post a notice of this

award conspicuously for five days on or near the chamber door of the said Common Council, and also to cause said notice to be published for two days in The Evening Tribune, a daily newspaper published and circulated and of general circulation, in said City of San Diego, and hereby designated for that purpose.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 1st day of July, 1914, by the following vote, to-wit:

Sewer in Glenwood Drive.

BE IT RESOLVED, that it is the intention of the Common Council of the City of San Diego, California, to order the following improvements to be made in said City, to-wit:

The construction of a six-inch salt-glazed vitrified pipe sewer, 450 feet in length, together with one brick manhole and accessories therein, in Glenwood Drive, in said City, said sewer commencing at the termination of the present sewer line at the intersection of the northeasterly line of India Street with the center line of Glenwood Drive, and running thence northeasterly and northerly in said Glenwood Drive to a point 40 feet southwesterly

from the southwesterly line of State Street; all as shown upon and according to the plans, drawings and typical cross-sections and specifications therefor contained in Document No. 76408, on file in the office of the City Clerk of said City, and copies of which are on file in the office of the City Engineer of said City.

All of said plans, drawings and typical cross-sections and specifications contained in said Document No. 76408 are hereby approved and adopted as the plans, drawings and typical cross-sections and specifications to be followed, in making said improvement; and by reference thereto, said plans, drawings and typical cross-sections and specifications are incorporated herein and made a part hereof.

All of said improvements to be made and said work to be done under and in conformity with that certain Act of the Legislature of the State of California, known as the "Vrooman Act."

That the contemplated work of improvement, hereinbefore mentioned, is in the opinion of said Common Council of more than local and ordinary public benefit, and the expense of said work and improvement is made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to-wit: All that real property in the said City of San Diego, included within the following boundary lines, to-wit:

Beginning at a point on the southeasterly line of Walnut Street distant 40 feet northeasterly from the northeasterly line of India Street; thence northeasterly along the southeasterly line of Walnut Street to an intersection with the southwesterly line of State Street; thence southeasterly along the southwesterly line of State Street to an intersection with the northwesterly line of Vine Street; thence southwesterly along the northwesterly line of Vine Street to a point distant 60 feet northeasterly from the northeasterly line of India Street; thence northwesterly on a line parallel to and distant 60 feet northeasterly from the northeasterly line of India Street to an intersection with the southerly line of Glenwood Drive; thence northwesterly to a point on the northerly line of Glenwood Drive distant 40 feet northeasterly from the northeasterly line of India Street; thence northwesterly on a line parallel to and distant 40 feet northeasterly from the northeasterly line of India Street to the point or place of beginning; excepting therefrom all public streets, roads, alleys, avenues and highways.

A plat of which said district, indicating by a boundary line the extent of the territory included in said assessment district, approved by said Common Council, is on file in the office of the City Engineer of said City; reference to which is hereby made.

That the Evening Tribune, a daily newspaper published and circulated, and of general circulation, in the said City of San Diego, be, and it is hereby designated as the newspaper in which this Resolution of Intention shall be published by two insertions, and the notice of the passage thereof shall be published by two insertions, in the manner and by the persons required by law.

That the Clerk of the said City of San Diego be, and he is hereby directed to post this Resolution conspicuously for two days on or near the chamber door of the said Common Council, and to cause the same to be published by two insertions in said daily newspaper in the manner required by law.

That the Street Superintendent of the said City of San Diego shall, after the passage of this Resolution of Intention, cause to be conspicuously posted along all streets and parts of streets and other public places and rights of way where the work and improvement hereinbefore described is to be done and made, notices of the passage of this Resolution, in the manner and in the form required by law, and shall also cause a notice similar in substance to be published by two insertions in said daily newspaper, in the manner required by law,

and thereupon said Superintendent of Streets shall cause to be filed in the office of the City Clerk of said City, affidavits showing the posting and publication of the said notices of street work.

That the City Clerk of said City be, and he is hereby directed, immediately upon the passage of this Resolution of Intention, to mail, with postage thereon prepaid, to each property owner whose property is to be assessed to pay the costs and expenses of said improvement, a postal card containing notice of the passage of this Resolution, designating the location and limits of the improvement provided for herein, and referring to this resolution for particulars, and stating that property belonging to such owner is to be assessed for said improvement, all in the manner, substance and form as prescribed by law; and thereupon said Clerk shall cause to be filed affidavits in proof of such mailing.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 6th day of July, 1914, by the following vote, to-wit:

AYES---COUNCILMEN Schmidt, Manney, Benbough, Adams and Fay.

NOES---NONE.

RESOLUTION OF INTENTION NO. 17686.

Fifth Street Lighting No. 5.

RESOLVED, that it is the intention of the Common Council of the City of San Diego, California, to order the following improvement to be made within said City, to-wit:

The furnishing of electric current for the lighting of Fifth Street, in the City of San Diego, California, between the south line of A Street and the north line of H Street, together with the maintenance of the posts, wires, conduits and lamps on said Fifth Street, between said points. Such furnishing of electric current, and such maintenance of appliances shall be for the period of eleven months and two days from and after August 28th, 1914, to-wit: to and including June 30th, 1915.

Said work of improvement shall be done in all respects according to and at the places shown by, and of the materials provided for in, the plans and specifications therefor to be hereafter prepared by the City Engineer of said City, and furnished to this Common Council, as hereinafter set forth.

That the exterior boundaries of the district of lands in said City of San Diego to be benefited by said improvement, and to be assessed to pay the costs and expenses thereof, and to be known as the assessment district, are hereby specified as follows, to-wit:

Beginning at a point on the south line of A Street, distant 100 feet west from the

west line of Fifth Street; thence south on a line parallel to and distant 100 feet west from the west line of Fifth Street to the north line of H Street; thence east along the north line of H Street to a point distant 100 feet east from the east line of Fifth Street; thence north on a line parallel to and distant 100 feet east from the east line of Fifth Street to the south line of Broadway; thence northwesterly to a point on the north line of Broadway, said point being distant 50 feet east from the east line of Fifth Street; thence north on a line parallel to and distant 50 feet east from the east line of Fifth Street a distance of 70 feet; thence east on a line parallel to and distant 70 feet north from the north line of Broadway to a point 100 feet east from the east line of Fifth Street; thence north on a line parallel to and distant 100 feet east from the east line of Fifth Street to the south line of A Street; thence west along the south line of A Street to the point or place of beginning; excepting therefrom all public streets, roads, alleys, avenues and highways.

Said Common Council does hereby order that one-fifth of the costs and expenses of said improvement shall be paid out of the Treasury of said City of San Diego, from the Street Light Fund of said City.

That the proposed improvement is hereby referred to the City Engineer of said city, and said City Engineer is hereby directed to make and file, with the Clerk of said Common Council, a report, in writing, presenting the following:

1. Plans and specifications for the work required in order to make said improvements;
2. An estimate of the cost of said improvement and of the incidental expenses in connection therewith;
3. A diagram showing the district above referred to, and also the boundaries and dimensions of the respective subdivisions of the land within said district, each of which subdivisions shall be given a separate number in red ink upon said diagram.
4. A proposed assessment of the total amount of the costs and expenses of the proposed improvement upon the several subdivisions of land in said district in proportion to the estimated benefits to be received by such subdivisions, respectively, from said improvement; provided, that whenever any portion or percentage of the cost and expenses of such improvement is ordered to be paid out of the treasury of the municipality, as hereinabove provided, the amount of such portion or percentage shall first be deducted from the total estimated cost and expenses of such improvement, and the assessment upon property, proposed in said report, shall include only the remainder of said estimated costs and expenses. Said assessment shall refer to such subdivisions upon said diagram by the respective red ink numbers thereof, and shall show the names of the owners, if known, otherwise designating them as unknown. No mistake in the name of the owner of any parcel of land shall affect the validity of the assessment thereon.

This proceeding shall be designated as "Fifth Street Lighting No. 5."

Passed and adopted by the said Common Council of the said City of San Diego, California, this 6th day of July, 1914, by the following vote, to-wit:

RESOLUTION ORDERING IMPROVEMENT NO. 17701.

Fourth Street Lighting No. 3.

RESOLVED by the Common Council of the City of San Diego, California, that the public interest and convenience of said city require that the following improvement be made within said City, and therefore the said Common Council hereby orders the said following improvement to be made, to wit:

The installation upon the sidewalks on both sides of FOURTH STREET, in and along the curb line of said sidewalks, between the south line of B Street and the north line of Broadway, in said City of San Diego, (excepting the west side of said Fourth Street, between the south line of B Street and the north line of C Street), of ornamental iron posts, carrying clusters of incandescent lights, for the lighting of said Fourth Street, between said points.

Also, the installation on both sides of the said Fourth Street, between the south line of B Street and the north line of Broadway, (excepting the west side of said Fourth Street, between the south line of B Street and the north line of C Street), of underground conduits and electric wires, for the purpose of furnishing electric current for the lighting of said Fourth Street.

Also, the furnishing of electric current for the lighting of said Fourth Street, in said City, between the south line of B Street and the north line of Broadway (excepting the west side of said Fourth Street, between the south line of B Street and the north line of C Street), together with the maintenance of the posts, wires, conduits and lamps on said Fourth Street, between said points. Such furnishing of electric current and such maintenance of appliances shall be for the period of one year from and after the date of the contract for the same.

All of said work shall be done strictly in accordance with the plans and specifications contained in the report of the City Engineer of said City, being Document No. 77429, on file in the office of the City Clerk of the said City of San Diego.

AND BE IT FURTHER RESOLVED that said Common Council declares, and said Common Council does hereby declare, that on the 6th day of July, 1914, said Common Council did by

Resolution No. 17700 confirm the proposed assessment of the total amount of the costs and expenses of said proposed improvement, heretofore made and filed with the Clerk of said Common Council by the City Engineer of said City, and which said proposed assessment is contained in Document No. 77429, on file in the office of said City Clerk; and adopted as a whole the report of said City Engineer, as contained in said Document No. 77429.

AND BE IT FURTHER RESOLVED that the said assessment is hereby levied upon the respective subdivisions of land in the assessment district, more particularly described in said assessment and report, and the diagram attached thereto, and made a part thereof.

That the Clerk of said City of San Diego is hereby directed to transmit to the Tax Collector of the said City of San Diego, the diagram and assessment contained in said report of said City Engineer.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 6th day of July, 1914, by the following vote, to-wit:

RESOLUTION PROVIDING FOR THE SALE OF THE ONE MILLION FIVE HUNDRED
THOUSAND DOLLAR WATER BONDS.

BE IT RESOLVED BY THE COMMON COUNCIL OF THE CITY OF SAN DIEGO, as follows:

That water bonds of the City of San Diego, to the amount of one million five hundred thousand dollars authorized to be issued by and pursuant to Ordinance No. 5605 of the said city of San Diego, approved on the 1st day of June, 1914, and under and pursuant to the Special Election duly held in said City on the 5th day of May, 1914, be offered for sale and sold in the following manner, viz.: The City Clerk of the said City of San Diego shall give notice that he will receive bids for the purchase thereof, up to eleven o'clock A. M., on the 27th day of July, 1914, and the said City Clerk is hereby authorized, empowered and directed to publish, or cause to be published, for a period of fifteen days in the City Official Newspaper of the said City of San Diego, to-wit, "The Evening Tribune", a notice inviting sealed proposals or bids for the purchase of all of said bonds, to be delivered on the 15th day of August, 1914, or as soon thereafter as bonds are ready for delivery.

Said notice shall be signed by the said City Clerk and shall contain a provision that the said Common Council reserves the right to reject any and all bids received, and that this Common Council will, on the 27th day of July, 1914, award said bonds to the highest bidder therefor, or as soon after said bids have been received, as said Common Council can consider the matter, or at such time to which said Common Council shall adjourn.

Said Notice shall also state that the said bonds shall not be sold for less than their par value and accrued interest to the date of delivery.

Said bids shall be for the unconditional purchase of said bonds as soon as they are ready for delivery. Each bid shall be accompanied by the deposit of a certified check for one per cent of the amount of the bid, PROVIDED, HOWEVER, that no deposit need exceed the sum of Fifteen thousand dollars. Said check shall be certified by a responsible bank in the said City of San Diego, and shall be payable to the Treasurer of the said City. The amount of the said certified check shall be deemed to be liquidated damages in the case of the failure of the successful bidder or bidders to accept said bonds and pay therefor the price bid. Upon the delivery of, and upon the payment of said bonds, said certified check shall be returned to the bidder furnishing the same.

I HEREBY CERTIFY that the appropriation made, or indebtedness incurred, by reason of the provisions of the foregoing Resolution, providing for the sale of One Million, Five Hundred Thousand Dollars Water Bonds, can be made or incurred without the violation of any of the provisions of the Charter of the City of San Diego, California.

Dated this 6th day of July, 1914.

RESOLUTION OF INTENTION NO. 17730.

Hawthorn Street.

RESOLVED, that it is the intention of the Common Council of the City of San Diego, California, to order the following street work to be done, to-wit:

The grading, to the official grade thereof, of HAWTHORN STREET, in said City, for the entire width of said street, from property line to property line, from the east line of Fern Street to the west line of 31st Street, according to the specifications therefor contained in Ordinance No. 3510 of the ordinances of said City, and as shown upon the plans, and drawings contained in Document No. 65807, on file in the office of the City Clerk of said City, and copies of which are on file in the office of the City Engineer of said City.

And also, as a part of said work, the construction of a twelve-inch addition on the top of the present catch-basin on the north side of the roadway of said Hawthorn Street, at a point 191 feet east from the east line of Fern Street; and also, the construction of a twelve-inch addition on the top of the present catch-basin on the south side of the roadway of said Hawthorn Street, at a point 235 feet east from the east line of Fern Street; as shown upon and according to the plans, drawings and typical cross-sections and specifications contained in said Document No. 65807.

All of said plans, drawings and typical cross-sections and specifications contained in said Document No. 65807 are hereby approved and adopted as the plans, drawings and typical cross-sections and specifications to be followed, in connection with the specifications contained in said Ordinance No. 3510, in said grading and other work upon said Hawthorn Street, between said points; and by reference thereto all said plans, drawings and typical cross-sections and specifications contained in said Document No. 65807, and said specifications contained in said Ordinance No. 3510 are incorporated herein and made a part hereof.

The said Common Council hereby determines that serial bonds bearing interest at the rate of seven per cent. per annum shall be issued to represent assessments of twenty-five dollars or over for the cost of said work or improvement. Said serial bonds shall extend over a period of nine years from the second day of January next succeeding their issuance, and an even annual proportion of the principal sum thereof shall be payable by coupon, on the second day of January, every year after their date, until the whole is paid, and the interest shall be payable semi-annually, by coupon, on the second days of January and July, respectively, of each year, at the rate of seven per cent. per annum on all sums unpaid, until the whole of said principal and interest are paid. Said bonds shall be issued in accordance with the provisions of an Act of the Legislature of the State of California, entitled, "An Act to Provide a System of Street Improvement Bonds to Represent Certain Assessments for the Cost of Street Work and Improvement Within Municipalities, and also for the Payment of such Bonds," approved February 27th, 1893, and of all acts supplementary thereto,

or amendatory thereof. And said Common Council hereby determines that said serial bonds shall be issued to represent the expenses of said work or improvement.

That the contemplated work of improvement, hereinbefore mentioned, is in the opinion of said Common Council of more than local and ordinary public benefit, and the expense of said work and improvement is made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to-wit: All that real property in the said City of San Diego, included within the following exterior boundry lines, to-wit:

Beginning at a point on the east line of Fern Street distant 150 feet north from the north line of Hawthorn Street; thence east on a line parallel to and distant 150 feet north from the north line of Hawthorn Street to an intersection with the west line of 31st Street; thence south along the west line of 31st Street to a point distant 150 feet south from the south line of Hawthorn Street; thence west on a line parallel to and distant 150 feet south from the south line of Hawthorn Street to an intersection with the east line of Fern Street; thence north along the east line of Fern Street to the point or place of beginning; excepting therefrom all public streets, roads, alleys, avenues and highways.

A plat of which said district, indicating by a boundary line the extent of the territory included in said assessment district, approved by this Common Council, is on file in the office of the City Engineer of said City; reference to which is hereby made.

That the Evening Tribune, a daily newspaper published and circulated, and of general circulation, in the said City of San Diego, be, and it is hereby designated as the newspaper in which this Resolution of Intention shall be published by two insertions, and the notice of the passage thereof shall be published by two insertions, in the manner and by the persons required by law.

That the Clerk of the said City of San Diego be, and he is hereby directed to post this Resolution conspicuously for two days on or near the chamber door of the said Common Council, and to cause the same to be published by two insertions in said daily newspaper in the manner required by law.

That the Street Superintendent of the said City of San Diego shall, after the passage of this Resolution of Intention, cause to be conspicuously posted along all streets and parts of streets and other public places and rights of way where the work and improvement hereinbefore described is to be done and made, notices of the passage of this Resolution, in the manner and in the form required by law, and shall also cause a notice similar in substance to be published by two insertions in said daily newspaper, in the manner required by law, and thereupon said Superintendent of Streets shall cause to be filed in the office of the City Clerk of said City, affidavits showing the posting and publication of the said notices of street work.

That the City Clerk of said City be, and he is hereby directed, immediately upon the passage of this Resolution of Intention, to mail, with postage thereon prepaid, to each property owner whose property is to be assessed to pay the costs and expenses of said improvement, a postal card containing notice of the passage of this Resolution, designating the location and limits of the improvement provided for herein, and referring to this resolution for particulars, and stating that property belonging to such owner is to be assessed for said improvement, all in the manner, substance and form as prescribed by law; and thereupon said Clerk shall cause to be filed affidavits in proof of such mailing.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 13th day of July, 1914, by the following vote, to-wit:

RESOLVED, that it is the intention of the Common Council of the City of San Diego, California, to order the following improvement to be made in said City, to-wit:

The construction of a six-inch salt-glazed vitrified pipe sewer, 1110 feet in length, together with the construction of one brick flush-tank and three brick manholes and accessories therein, said sewer commencing at the present manhole located at the intersection of the alley line 145 feet north of the north line of El Cajon Avenue with the center line of Arizona Street, running thence north along the center line of Arizona Street a distance of 1110 feet to a point 25 feet south from the south line of Monroe Avenue; all as shown upon and according to the plans, drawings and typical cross-sections and specifications therefor contained in Document No. 78343, on file in the office of the City Clerk of said City, and copies of which are on file in the office of the City Engineer of said City.

All of said plans, drawings and typical cross-sections and specifications contained in said Document No. 78343 are hereby approved as the plans, drawings and typical cross-sections and specifications to be followed, in making said improvement; and by reference thereto, all said plans, drawings and typical cross-sections and specifications contained in said Document No. 78343 are incorporated herein and made a part hereof.

All of said improvements to be made and said work to be done under and in conformity with that certain Act of the Legislature of the State of California, known as the

"Vrooman Act."

The said Common Council hereby determines that serial bonds bearing interest at the rate of seven per cent. per annum shall be issued to represent assessments of twenty-five dollars or over for the cost of said work or improvement. Said serial bonds shall extend over a period of nine years from the second day of January next succeeding their issuance, and an even annual proportion of the principal sum thereof shall be payable by coupon, on the second day of January, every year after their date, until the whole is paid, and the interest shall be payable semi-annually, by coupon, on the second days of January and July, respectively, of each year, at the rate of seven per cent. per annum on all sums unpaid, until the whole of said principal and interest are paid. Said bonds shall be issued in accordance with the provisions of an Act of the Legislature of the State of California, entitled, "An Act to Provide a System of Street Improvement Bonds to Represent Certain Assessments for the Cost of Street Work and Improvement Within Municipalities, and also for the Payment of such Bonds," approved February 27th, 1893, and of all acts supplementary thereto, or amendatory thereof. And said Common Council hereby determines that said serial bonds shall be issued to represent the expenses of said work or improvement.

That the contemplated work of improvement, hereinbefore mentioned, is in the opinion of said Common Council of more than local and ordinary public benefit, and the expense of said work and improvement is made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to-wit: All that real property in the said City of San Diego, included within the following exterior boundry lines, to-wit:

Beginning at a point on the east line of Arizona Street distant 175 feet north from the north line of El Cajon Avenue; thence east on a line parallel to and distant 175 feet north from the north line of El Cajon Avenue to a point distant 140 feet east from the east line of Arizona Street; thence north on a line parallel to and distant 140 feet east from the east line of Arizona Street to an intersection with the south line of Monroe Avenue; thence west along the south line of Monroe Avenue to an intersection with the east line of Arizona Street; thence south along the east line of Arizona Street to the point or place of beginning; excepting therefrom all public streets, roads, alleys, avenues and highways.

A plat of which said district, indicating by a boundary line the extent of the territory included in said assessment district, approved by this Common Council, is on file in the office of the City Engineer of said City; reference to which is hereby made.

That the Evening Tribune, a daily newspaper published and circulated, and of general circulation, in the said City of San Diego, be, and it is hereby designated as the newspaper in which this Resolution of Intention shall be published by two insertions, and the notice of the passage thereof shall be published by two insertions, in the manner and by the persons required by law.

That the Clerk of the said City of San Diego be, and he is hereby directed to post this Resolution conspicuously for two days on or near the chamber door of the said Common Council, and to cause the same to be published by two insertions in said daily newspaper in the manner required by law.

That the Street Superintendent of the said City of San Diego shall, after the passage of this Resolution of Intention, cause to be conspicuously posted along all streets and parts of streets and other public places and rights of way where the work and improvement hereinbefore described is to be done and made, notices of the passage of this Resolution, in the manner and in the form required by law, and shall also cause a notice similar in substance to be published by two insertions in said daily newspaper, in the manner required by law, and thereupon said Superintendent of Streets shall cause to be filed in the office of the

City Clerk of said City, affidavits showing the posting and publication of the said notices of street work.

That the City Clerk of said City be, and he is hereby directed, immediately upon the passage of this Resolution of Intention, to mail, with postage thereon prepaid, to each property owner whose property is to be assessed to pay the costs and expenses of said improvement, a postal card containing notice of the passage of this Resolution, designating the location and limits of the improvement provided for herein, and referring to this resolution for particulars, and stating that property belonging to such owner is to be assessed for said improvement, all in the manner, substance and form as prescribed by law; and thereupon said Clerk shall cause to be filed affidavits in proof of such mailing.

RESOLUTION ORDERING WORK NO. 17773.

E Street.

RESOLVED by the Common Council of the City of San Diego, California, that the public interest and convenience require the work hereinafter described to be done, and therefore the said Common Council hereby orders the following street work to be done, to-wit:

All the street work described in Resolution of Intention No. 17418, adopted by this Common Council on June 1, 1914, and on file in the office of the City Clerk of said City, for the improvement of E STREET, in said City, from the east line of 26th Street to the west line of 27th Street.

For a description of the work reference is hereby made to said Resolution of Intention No. 17418.

All of said street work to be done according to the specifications therefor contained in Ordinance No. 3510 of the ordinances of said City, and according to and as shown upon the plans, drawings and typical cross-sections and specifications contained in Document No. 76406, on file in the office of the City Clerk of said City, and copies of which are on file in the office of the City Engineer of said City; and by reference thereto all said specifications contained in said Ordinance No. 3510, and said plans, drawings and typical cross-sections and specifications contained in said Document No. 76406, are incorporated herein and made a part hereof.

The costs and expenses of said work and improvement are to be assessed upon the district which is more particularly described in said Resolution of Intention No. 17418.

The said Common Council determined that serial bonds to extend over a period of nine

years from the second day of January next succeeding their issuance, bearing interest at the rate of seven per cent. per annum, shall be issued to represent assessments of twenty-five dollars or over for the costs of said work or improvement.

For further particulars, reference is hereby made to said Resolution of Intention No. 17418.

The EVENING TRIBUNE, a daily newspaper published and circulated and of general circulation in said City of San Diego, is hereby designated as the newspaper in which this Resolution Ordering Work, and the notice of said work inviting sealed proposals for doing the same, shall be published, in the manner and form, and by the persons required by law.

The Clerk of the said City of San Diego is hereby directed to post conspicuously for five days, on or near the chamber door of the said Common Council, in the manner and form required by law, a notice with specifications inviting sealed proposals or bids for doing said work; and said Clerk is hereby directed to publish, for two days in said newspaper in the manner and form required by law, a notice of said work, inviting sealed proposals or bids for doing the said work, and referring to the specifications posted or on file. Said notice shall require either a certified check or bond, as prescribed by law, for an amount not less than ten per cent. of the aggregate of the proposal.

Said Clerk of the said city of San Diego is also directed to publish for two days in said newspaper, in the manner required by law, this resolution ordering work.

RESOLUTION ORDERING WORK NO. 17774.

Alameda Place, Guy Street and Henry Street.

RESOLVED By the Common Council of the City of San Diego, California, that the public interest and convenience require the work hereinafter described to be done, and therefore the said Common Council hereby orders the following street work to be done, to-wit:

All the street work described in Resolution of Intention No. 17421, adopted by this Common Council on June 1, 1914, and on file in the office of the City Clerk of said City, for the improvement of ALAMEDA PLACE, from the southwesterly line of Puterbaugh Street to the southwesterly line of Guy Street; of GUY STREET, from the southeasterly line of Alameda Place to the northwesterly line of Henry Street; and of HENRY STREET, from the northeasterly

line of Puterbaugh Street to the southwesterly line of Linwood Street, in the City of San Diego, California.

For a description of the work reference is hereby made to said Resolution of Intention No. 17421.

All of said street work to be done according to the specifications therefor contained in Ordinance No. 3510 of the ordinances of said City, and according to and as shown upon the plans, drawings and typical cross-sections and specifications contained in Document No. 76004, on file in the office of the City Clerk of said City, and copies of which are on file in the office of the City Engineer of said City; and by reference thereto all said specifications contained in said Ordinance No. 3510 and said plans, drawings and typical cross-sections and specifications contained in said Document No. 76004, are incorporated herein and made a part hereof.

The costs and expenses of said work and improvement are to be assessed upon the district which is more particularly described in said Resolution of Intention No. 17421.

The said Common Council determined that serial bonds to extend over a period of nine years from the second day of January next succeeding their issuance, bearing interest at the rate of seven per cent. per annum, shall be issued to represent assessments of twenty-five dollars or over for the costs of said work or improvement.

For further particulars, reference is hereby made to said Resolution of Intention No. 17421.

The EVENING TRIBUNE, a daily newspaper published and circulated and of general circulation in said City of San Diego, is hereby designated as the newspaper in which this Resolution Ordering Work, and the notice of said work inviting sealed proposals for doing the same, shall be published, in the manner and form, and by the persons required by law.

The Clerk of the said City of San Diego is hereby directed to post conspicuously for five days, on or near the chamber door of the said Common Council, in the manner and form required by law, a notice with specifications inviting sealed proposals or bids for doing said work; and said Clerk is hereby directed to publish, for two days in said newspaper in the manner and form required by law, a notice of said work, inviting sealed proposals or bids for doing the said work, and referring to the specifications posted or on file. Said notice shall require either a certified check or bond, as prescribed by law, for an amount not less than ten per cent. of the aggregate of the proposal.

Said Clerk of the said city of San Diego is also directed to publish for two days in said newspaper, in the manner required by law, this resolution ordering work.

Also, the construction of one cement concrete catch-basin, No. 1, in the intersection of said Ida Street with Cedar Street, at a point which is 39 feet west from the east line of Ida Street and 14 feet south from the north line of Cedar Street, connecting with the vertical pipe in the culvert already constructed in said intersection;

Also, the construction of one fourteen-inch cement pipe culvert, 128 feet in length, together with its accessories, across the said Ida Street, said culvert to be located 127 feet south from the south line of Elm Street on the east side of said Ida Street, and 175 feet south from the south line of said Elm Street on the west side of said Ida Street;

Also, the construction of one cement concrete catch-basin, No. 2, in the gutter on the west side of said Ida Street, at a point 150 feet south from the south line of Elm Street; and also the construction of one ten-inch cement pipe culvert leading from said catch-basin into said fourteen-inch culvert; and

Also, the construction of one cement concrete catch-basin, No. 3, in the gutter on the east side of said Ida Street, at a point 150 feet south from the south line of Elm Street, and also the construction of one ten-inch cement pipe culvert leading from said catch-basin into said fourteen-inch culvert;

All of said culverts and catch-basins to be constructed as shown upon and according to the plans, drawings and typical cross-sections and specifications therefor contained in said Document No. 75542.

All of said plans, drawings and typical cross-sections and specifications contained in said Document No. 75542 are hereby approved and adopted as the plans, drawings and typical cross-sections and specifications to be followed, in connection with the specifications contained in said Ordinance No. 3510, in said grading of, and said work upon, said Ida Street, between said points; ~~and by reference thereto all said work upon, said Ida Street, between said points;~~ and by reference thereto all said plans, drawings and typical cross-sections and specifications contained in said Document No. 75542, and said specifications contained in said Ordinance No. 3510, are incorporated herein and made a part hereof.

The said Common Council hereby determines that serial bonds bearing interest at the rate of seven per cent. per annum shall be issued to represent assessments of twenty-five dollars or over for the cost of said work or improvement. Said serial bonds shall extend over a period of nine years from the second day of January next succeeding their issuance, and an even annual proportion of the principal sum thereof shall be payable by coupon, on the second day of January, every year after their date, until the whole is paid, and the interest shall be payable semi-annually, by coupon, on the second days of January and July, respectively, of each year, at the rate of seven per cent. per annum on all sums unpaid, until the whole of said principal and interest are paid. Said bonds shall be issued in accordance with the provisions of an Act of the Legislature of the State of California, entitled, "An Act to Provide a System of Street Improvement Bonds to Represent Certain Assessments for the Cost of Street Work and Improvement Within Municipalities, and also for the Payment of such Bonds," approved February 27th, 1893, and of all acts supplementary thereto, or amendatory thereof. And said Common Council hereby determines that said serial bonds shall be issued to represent the expenses of said work or improvement.

That the contemplated work of improvement, hereinbefore mentioned, is in the opinion of said Common Council of more than local and ordinary public benefit, and the expense of said work and improvement is made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to-wit: All that real property in the said City of San Diego, included within the following exterior boundry lines, to-wit:

Beginning at a point on the south line of Grape Street distant 130 feet east from

the east line of Ida Street; thence south on a line parallel to and distant 130 feet east from the east line of Ida Street to an intersection with the north line of M. Santee's Subdivision; thence east along the north line of M. Santee's Subdivision to the northeast corner of lot 6, block 1, M. Santee's Subdivision; thence south along the east line of said lot 6 and south along the east line of lots 7, 8, 9, 10, 11 and 12, said block 1 to an intersection with the north line of Cedar Street; thence southwesterly to an intersection of the south line of Cedar Street with the east line of Ida Street; thence west along the south line of Cedar Street to a point distant 100 feet west from the west line of Ida Street; thence north on a line parallel to and distant 100 feet west from the west line of Ida Street to an intersection with the north line of M. Santee's Subdivision; thence east along the north line of said M. Santee's Subdivision to a point distant 120 feet west from the west line of Ida Street produced south; thence north on a line parallel to and distant 120 feet west from the west line of Ida Street produced south and the west line of Ida Street to an intersection with the south line of Grape Street; thence east along the south line of Grape Street to the point or place of beginning; excepting therefrom all public streets, roads, alleys, avenues and highways.

A plat of which said district, indicating by a boundary line the extent of the territory included in said assessment district, approved by this Common Council, is on file in the office of the City Engineer of said City; reference to which is hereby made.

That the Evening Tribune, a daily newspaper published and circulated, and of general circulation, in the said City of San Diego be, and it is hereby designated as the newspaper in which this Resolution of Intention shall be published by two insertions, and the notice of the passage thereof shall be published by two insertions, in the manner and by the persons required by law.

That the Clerk of the said City of San Diego be, and he is hereby directed to post this Resolution conspicuously for two days on or near the chamber door of the said Common Council, and to cause the same to be published by two insertions in said daily newspaper in the manner required by law.

That the Street Superintendent of the said City of San Diego shall, after the passage of this Resolution of Intention, cause to be conspicuously posted along all streets and parts of streets and other public places and rights of way where the work and improvement hereinbefore described is to be done and made, notices of the passage of this Resolution, in the manner and in the form required by law, and shall also cause a notice similar in substance to be published by two insertions in said daily newspaper, in the manner required by law, and thereupon said Superintendent of Streets shall cause to be filed in the office of the City Clerk of said City, affidavits showing the posting and publication of the said notices of street work.

That the City Clerk of said City be, and he is hereby directed, immediately upon the passage of this Resolution of Intention, to mail, with postage thereon prepaid, to each property owner whose property is to be assessed to pay the costs and expenses of said improvement, a postal card containing notice of the passage of this Resolution, designating the location and limits of the improvement provided for herein, and referring to this resolution for particulars, and stating that property belonging to such owner is to be assessed for said improvement, all in the manner, substance and form as prescribed by law; and thereupon said Clerk shall cause to be filed affidavits in proof of such mailing.

That the proposed improvement is hereby referred to the City Engineer of said city, and said City Engineer is hereby directed to make and file, with the Clerk of said Common Council, a report, in writing, presenting the following:

1. Plans and specifications for the work required in order to make said improvements;

2. An estimate of the cost of said improvement and of the incidental expenses in connection therewith;

3. A diagram showing the district above referred to, and also the boundaries and dimensions of the respective subdivisions of the land within said district, each of which subdivisions shall be given a separate number in red ink upon said diagram.

4. A proposed assessment of the total amount of the costs and expenses of the proposed improvement upon the several subdivisions of land in said district in proportion to the estimated benefits to be received by such subdivisions, respectively, from said improvement; provided, that whenever any portion or percentage of the cost and expenses of such improvement is ordered to be paid out of the treasury of the municipality, as hereinabove provided, the amount of such portion or percentage shall first be deducted from the total estimated cost and expenses of such improvement, and the assessment upon property, proposed in said report, shall include only the remainder of said estimated costs and expenses. Said assessment shall refer to such subdivisions upon said diagram by the respective red ink numbers thereof, and shall show the names of the owners, if known, otherwise designating them as unknown. No mistake in the name of the owner of any parcel of land shall affect the validity of the assessment thereon.

This proceeding shall be designated as "Point Loma Lighting District No. 1."

Passed and adopted by the said Common Council of the said City of San Diego, California, this 27th day of July, 1914, by the following vote, to-wit:

President of the Common Council of the City of
San Diego, California.

I HEREBY CERTIFY that the above and foregoing Resolution was passed by the Common Council of the said City of San Diego, at the time and by the vote, above stated.

Allen H. Wright,

City Clerk of the City of San Diego, California, and Ex-Officio
Clerk of the Common Council of the City of San Diego.

(SEAL)

By W. E. Bartlett Deputy.

I HEREBY CERTIFY that the above and foregoing is a full, true and correct copy of Resolution No. 17855 of the resolutions of the City of San Diego, California, as adopted by the Common Council of said City on the 27th day of July, 1914.

Allen H. Wright,

City Clerk of the City of San Diego, California.

By ya Jacques Deputy.

RESOLUTION OF INTENTION NO. 17856.

Madison Avenue.

RESOLVED, that it is the intention of the Common Council of the City of San Diego, California, to order the following street work to be done, to-wit:

The paving, with asphalt pavement laid upon a concrete base, of the roadway of MADISON AVENUE, in said City, from curb line to curb line, from the west line of Park Boulevard to the east line of Golden Gate Drive, including the roadway of the intersections of said Madison Avenue with all cross streets, between said points, and also including the roadway of all terminations of streets in said Madison Avenue, between said points, and also including the roadway of said Madison Avenue leading into all alleys, between said points, according to the specifications therefor contained in Ordinance No. 5176 of the ordinances.

of said City, and as shown upon and according to the plans, drawings and typical cross-sections contained in Document No. 79104, on file in the office of the City Clerk of said City, and copies of which are on file in the office of the City Engineer of said City.

Also, as a part of said work the construction of concrete curbing upon the said Madison Avenue, on both sides thereof, from the west line of Park Boulevard to the east line of Golden Gate Drive, including the returns in all intersections of said Madison Avenue with all cross streets, between said points, and also including the returns in all terminations of streets in said Madison Avenue, between said points, (excepting such portions of the said Madison Avenue and said intersections and terminations of streets, between said points, already curbed with concrete at the time of the adoption of this resolution of intention), according to the specifications therefor contained in Ordinance No. 5250 of the ordinances of said City, and as shown upon said plans, drawings and typical cross-sections contained in said Document No. 79104.

Also, as a part of said work, the construction of one twenty-four inch reinforced concrete culvert and its accessories, across the roadway of the said Madison Avenue, at the west curb line of North Avenue, as shown upon and according to the plans, drawings and typical cross-sections and specifications contained in said Document No. 79104.

All of said plans, drawings and typical cross-sections and specifications contained in said Document No. 79104 are hereby approved and adopted as the plans, drawings and typical cross-sections and specifications to be followed, in connection with the specifications contained in said Ordinances No. 5176 and No. 5250, in said paving of, and said work upon, said Madison Avenue, between said points; and by reference thereto all said plans, drawings and typical cross-sections and specifications contained in said Document No. 79104 and said specifications contained in said Ordinances No. 5176 and No. 5250 are incorporated herein and made a part hereof.

The said Common Council hereby determines that serial bonds bearing interest at the rate of seven per cent. per annum shall be issued to represent assessments of twenty-five dollars or over for the cost of said work or improvement. Said serial bonds shall extend over a period of nine years from the second day of January next succeeding their issuance, and an even annual proportion of the principal sum thereof shall be payable by coupon, on the second day of January, every year after their date, until the whole is paid, and the interest shall be payable semi-annually, by coupon, on the second days of January and July, respectively, of each year, at the rate of seven per cent. per annum on all sums unpaid, until the whole of said principal and interest are paid. Said bonds shall be issued in accordance with the provisions of an Act of the Legislature of the State of California, entitled, "An Act to Provide a System of Street Improvement Bonds to Represent Certain Assessments for the Cost of Street Work and Improvement Within Municipalities, and also for the Payment of such Bonds," approved February 27th, 1893, and of all acts supplementary thereto, or amendatory thereof. And said Common Council hereby determines that said serial bonds shall be issued to represent the expenses of said work or improvement.

That the contemplated work of improvement, hereinbefore mentioned, is in the opinion of said Common Council of more than local and ordinary public benefit, and the expense of said work and improvement is made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to-wit: All that real property in the said City of San Diego, included within the following exterior boundary lines, to-wit:

ACCEPTING BID OF THE SOUTHERN CALIFORNIA MOUNTAIN WATER COMPANY FOR THE
ONE MILLION FIVE HUNDRED THOUSAND DOLLAR WATER BONDS OF THE CITY OF SAN
DIEGO, CALIFORNIA.

WHEREAS, on the 1st day of July 1914, the Common Council of the City of San Diego, California, adopted a Resolution numbered 17703, which said Resolution is endorsed "Document Number 78684, "and was filed on the 6th day of July, 1914, in the office of the City Clerk of the City of San Diego, which Resolution provided for the sale of One Million Five Hundred Thousand Dollar Water Bonds of the said City of San Diego, dated on the first day of July 1914, to be issued by and pursuant to the Ordinance No. 5605 of the Ordinances of the said City of San Diego, and to the Special Election duly held in the said City of San Diego, on the 5th day of May, 1914, prescribing the manner of the issuance and the form of said Bonds; and,

WHEREAS, the said City Clerk by the said Resolution 17703 was authorized to give notice that he would receive Bids for the purchase of said bonds up to the hour of eleven o'clock A. M., on the 27th day of July 1914; and,

WHEREAS, the City Clerk of the said City of San Diego has published or caused to be published for fifteen days, said notice in the Official Newspaper of the said City of San Diego, in all respects as required by said Resolution No. 17703, which Notice is as follows:

"NOTICE CALLING FOR BIDS FOR THE PURCHASE OF ONE MILLION FIVE HUNDRED THOUSAND DOLLAR WATER BONDS OF THE CITY OF SAN DIEGO, CALIFORNIA.

Pursuant to Resolution No. 17703 adopted by the Common Council of the City of San Diego, California, on the 6th day of July 1914, directing this notice, said Common Council hereby invites sealed bids for the unconditional purchase of all of the water bonds of the City of San Diego, to the amount of One Million Five Hundred Thousand Dollars, authorized to be issued, by and pursuant to Ordinance No. 5605 of the Ordinances of the said City of San Diego, approved on the first day of June 1914, and under and pursuant to the Special Election duly held in the said City of San Diego on the 5th day of May, 1914.

Said bids shall be for the unconditional purchase of all of the said bonds as soon as they are ready for delivery.

Each bid shall be accompanied by the deposit of a certified check for one per cent. of the amount bid, PROVIDED, HOWEVER, that no deposit need exceed the sum of Fifteen Thousand Dollars. Said check shall be certified by a responsible bank in the said City of San Diego, California, and shall be payable to the Treasurer of said City. The amount of said certified check shall be deemed to be liquidated damages in case of the failure of the successful bidder or bidders to accept said bonds and pay therefor the price bid.

Upon the delivery of, and upon the payment for said bonds, such certified check shall be returned to the bidder furnishing the same.

Said bids are to be delivered to, and received by the said City Clerk of the City of San Diego for the purchase of all of said bonds, up to eleven o'clock A. M., on the 27th day of July, 1914, at his office on the south side of the fourth floor of that certain building known as the City Hall, located on the southwest corner of G and Fifth Streets in the said City of San Diego.

Said Common Council of the said City of San Diego hereby reserves the right to reject any and all bids received, and said Common Council will, on the said 27th day of July, 1914, award said bonds to the highest bidder therefor, or as soon after said bids have been received as the said Common Council can consider the matter, or at such time to which the said

Common Council shall adjour.

Said bonds shall be sold for not less than their par value and accrued interest thereon to the date of delivery..

This Notice is given pursuant to the said Resolution No. 17703 on file in the office of the City Clerk of the said City of San Diego, to which reference is hereby made for further particulars.

Dated at San Diego, California, this 7th day of July 1914.

Allen H. Wright,

City Clerk of the City of San Diego, California.

City Clerk of the City of San Diego, California.
By Y. A. Jacques Deputy.

RESOLUTION OF INTENTION NO. 17908.

Redwood Street.

RESOLVED, that it is the intention of the Common Council of the City of San Diego, California, to order the following street work to be done, to-wit:

The grading, to the official grade thereof, of REDWOOD STREET, in said City, for the entire width of said street, from property line to property line, from the west line of

Thirty-first Street to a line 100 feet east from the east line of Herman Avenue, in said City, produced south, including the entire width and length of the intersection of said Redwood Street with Thirty-first Street, and also including the entire length and width of all terminations of streets in said Redwood Street, between said points, and also including the entire length and width of all terminations of alleys in said Redwood Street, between said points, according to the specifications therefor contained in Ordinance No. 3510 of the Ordinances of said City, and as shown upon the plans and drawings contained in Document No. 79290, on file in the office of the City Clerk of said City, and copies of which are on file in the office of the City Engineer of said City.

And also, as a part of said work, the construction across said Redwood Street, at its intersection with Thirty-first Street, of one sixteen-inch double-strength cement pipe culvert, 121 feet in length, together with its accessories, commencing at a point on the north line of the intersection of said Redwood Street with said Thirty-first Street distant 47.2 feet easterly from the west line of said Thirty-first Street; running thence southeasterly across said intersection and along and across said Redwood Street a distance of 121 feet.

Also the construction at the curb line at the northeast corner of the intersection of said Redwood Street with Thirty-first Street of one concrete catch-basin.

Also the construction of two twelve-inch double-strength concrete pipes, together with their accessories, one of said concrete pipes to be 26 feet in length and the other to be 6 feet in length, leading from said catch basin into the sixteen-inch cement pipe culvert above described, all as shown upon and according to the plans and drawings and specifications therefor contained in said Document No. 79290.

All of said plans and drawings and specifications contained in said Document No. 79290 are hereby approved and adopted as the plans and drawings and specifications to be followed in connection with the specifications contained in said Ordinance No. 3510, in said grading of and said work upon said Redwood Street, between said points, and by reference thereto all said plans and drawings and specifications contained in said Document No. 79290, and said specifications contained in said Ordinance No. 3510 are incorporated herein and made a part hereof.

The said Common Council hereby determines that serial bonds bearing interest at the rate of seven per cent. per annum shall be issued to represent assessments of twenty-five dollars or over for the cost of said work or improvement. Said serial bonds shall extend over a period of nine years from the second day of January next succeeding their issuance, and an even annual proportion of the principal sum thereof shall be payable by coupon, on the second day of January, every year after their date, until the whole is paid, and the interest shall be payable semi-annually, by coupon, on the second days of January and July, respectively, of each year, at the rate of seven per cent. per annum on all sums unpaid, until the whole of said principal and interest are paid. Said bonds shall be issued in accordance with the provisions of an Act of the Legislature of the State of California, entitled, "An Act to Provide a System of Street Improvement Bonds to Represent Certain Assessments for the Cost of Street Work and Improvement Within Municipalities, and also for the Payment of such Bonds," approved February 27th, 1893, and of all acts supplementary thereto, or amendatory thereof. And said Common Council hereby determines that said serial bonds shall be issued to represent the expenses of said work or improvement.

That the contemplated work of improvement, hereinbefore mentioned, is in the opinion of said Common Council of more than local and ordinary public benefit, and the expense of said work and improvement is made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to-wit: All that real property in the said City of San

RESOLUTION OF INTENTION NO. 17909.

Thirty-first Street.

RESOLVED, that it is the intention of the Common Council of the City of San Diego, California, to order the following street work to be done, to-wit:

The grading, to the official grade thereof, of Thirty-first Street, in said City, for the entire width of said street, from property line to property line, from the north line of Redwood Street to the south line of Myrtle Avenue, including the entire width and length of all intersections of streets with said Thirty-first Street between said points, according to the plans, drawings and typical cross-sections and specifications therefor contained in Document No. 79177, on file in the office of the City Clerk of said City, and copies of which are on file in the office of the City Engineer of said City.

And also, as a part of said work, the construction across said Thirty-first Street of one sixteen-inch double-strength cement pipe culvert 210 feet in length, commencing at a point on the north line of Redwood Street 17.8 feet west from the east line of said Thirty-first Street, running thence in a northwesterly direction along and across said Thirty-first Street a distance of 210 feet, together with its accessories, as shown upon and according to the plans and drawings and specifications therefor contained in said Document No. 79177.

All of said plans, drawings and typical cross-sections and specifications contained in said Document No. 79177 are hereby approved and adopted as the plans, drawings and typical cross-sections and specifications to be followed in said grading of and said work upon said Thirty-first Street between said points, and by reference thereto all of said plans, drawings and typical cross-sections and specifications contained in said Document No. 79177 are incorporated herein and made a part hereof.

The said Common Council hereby determines that serial bonds bearing interest at the rate of seven per cent. per annum shall be issued to represent assessments of twenty-five dollars or over for the cost of said work or improvement. Said serial bonds shall extend over a period of nine years from the second day of January next succeeding their issuance, and an even annual proportion of the principal sum thereof shall be payable by coupon, on the second day of January, every year after their date, until the whole is paid, and the interest shall be payable semi-annually, by coupon, on the second days of January and July, respectively, of each year, at the rate of seven per cent. per annum on all sums unpaid, until the whole of said principal and interest are paid. Said bonds shall be issued in accordance with the provisions of an Act of the Legislature of the State of California, en-

titled "An Act to Provide a System of Street Improvement Bonds to Represent Certain Assessments for the Cost of Street Work and Improvement Within Municipalities, and also for the Payment of such Bonds," approved February 27th, 1893, and of all acts supplementary thereto, or amendatory thereof. And said Common Council hereby determines that said serial bonds shall be issued to represent the expenses of said work or improvement.

That the contemplated work of improvement, hereinbefore mentioned, is in the opinion of said Common Council of more than local and ordinary public benefit, and the expense of said work and improvement is made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to-wit: All that real property in the said City of San Diego, included within the following exterior boundry lines, to-wit:

Beginning at a point on the north line of Redwood Street distant 130 feet east from the east line of Thirty-first Street; thence north on a line parallel to and distant 130 feet east from the east line of Thirty-first Street to an intersection with the south line of Myrtle Avenue; thence west along the south line of Myrtle Avenue to a point distant 130 feet west from the west line of Thirty-first Street; thence south on a line parallel to and distant 130 feet west from the west line of Thirty-first Street to an intersection with the north line of Redwood Street; thence east along the north line of Redwood Street to the point or place of beginning, excepting therefrom all public streets, roads, alleys, avenues and highways.

A plat of which said district, indicating by a boundary line the extent of the territory included in said assessment district, approved by this Common Council, is on file in the office of the City Engineer of said City; reference to which is hereby made.

That the Evening Tribune, a daily newspaper published and circulated, and of general circulation, in the said City of San Diego, be, and it is hereby designated as the newspaper in which this Resolution of Intention shall be published by two insertions, and the notice of the passage thereof shall be published by two insertions, in the manner and by the persons required by law.

That the Clerk of the said City of San Diego be, and he is hereby directed to post this Resolution conspicuously for two days on or near the chamber door of the said Common Council, and to cause the same to be published by two insertions in said daily newspaper in the manner required by law.

That the Street Superintendent of the said City of San Diego shall, after the passage of this Resolution of Intention, cause to be conspicuously posted along all streets and parts of streets and other public places and rights of way where the work and improvement hereinbefore described is to be done and made, notices of the passage of this Resolution, in the manner and in the form required by law, and shall also cause a notice similar in substance to be published by two insertions in said daily newspaper, in the manner required by law, and thereupon said Superintendent of Streets shall cause to be filed in the office of the City Clerk of said City, affidavits showing the posting and publication of the said notices of street work.

That the City Clerk of said City be, and he is hereby directed, immediately upon the passage of this Resolution of Intention, to mail, with postage thereon prepaid, to each property owner whose property is to be assessed to pay the costs and expenses of said improvement, a postal card containing notice of the passage of this Resolution, designating the location and limits of the improvement provided for herein, and referring to this resolution for particulars, and stating that property belonging to such owner is to be assessed for said improvement, all in the manner, substance and form as prescribed by law; and thereupon said Clerk shall cause to be filed affidavits in proof of such mailing.

RESOLUTION OF INTENTION NO. 17910.

Wellborn Street and Torrence Street.

RESOLVED, that it is the intention of the Common Council of the City of San Diego, California, to order the following street work to be done, to-wit:

The grading, to the official grade thereof, of Wellborn Street, in said City, for the entire width of said Street, from property line to property line, from a point 70 feet southwesterly from the southwesterly line of Torrence Street to the easterly line of Middletown Addition to said City, including the entire width and length of all intersections of streets with said Wellborn Street, between said points, according to the specifications therefor contained in Ordinance No. 3510 of the Ordinances of said City, and as shown on the plans, drawings and typical cross-sections contained in Document No. 79050 on file in the office of the City Clerk of said City, and copies of which are on file in the office of the City Engineer of said City.

And also, as a part of said work, the grading to the official grade thereof, of Torrence Street, in said City, for the entire width of said street, from property line to property line, from the easterly line of Middletown Addition to said City, to a point 250 feet northwesterly of the northwesterly line of Wellborn Street, including the entire width and length of the intersection of Fremont Street with said Torrence Street, and excepting the entire width and length of the intersection of Wellborn Street with said Torrence Street, according to the specifications therefor contained in Ordinance No. 3510 of the Ordinances of said City, and as shown upon the plans, drawings and typical cross-sections contained in Document No. 79050 on file in the office of the City Clerk of said City, and copies of which are on file in the office of the City Engineer of said City.

And also, as a part of said work, the construction across said Torrence Street, at a point 167.5 feet northwesterly from the northwesterly line of Fremont Street, of one fourteen-inch, double-strength cement pipe culvert 176 feet in length, together with its accessories; also, as a part of said work, the construction at a point at the curb line on the northeasterly side of Torrence Street distant 150 feet northwesterly from the northwesterly line of Fremont Street, of one concrete catch basin, and also the construction of one ten-inch,

single-strength cement pipe 6 feet in length, and one ten-inch single-strength cement pipe 18 feet in length, together with their accessories, leading from said catch basin to the fourteen-inch culvert above described.

And also, as a part of said work, the construction at a point at the southwesterly line of said Torrence Street, distant 150 feet northwesterly from the northwesterly line of Fremont Street, of one concrete catch basin, and also the construction of one ten-inch single-strength cement pipe 20 feet in length, and one ten-inch, single-strength cement pipe 28 feet in length, together with their accessories, leading from said last mentioned catch-basin into said fourteen-inch cement culvert first above described, all as shown upon the plans, drawings and typical cross-sections and specifications therefor contained in said Document No. 79050.

All of said plans, drawings and typical cross-sections and specifications contained in said Document No. 79050 are hereby approved and adopted as the plans, drawings and typical cross-sections and specifications to be followed in connection with the specifications contained in said Ordinance No. 3510 in said grading of, and said work upon, said Wellborn Street and said Torrence Street, between the said points, and by reference thereto all of said plans, drawings and typical cross-sections and specifications contained in said Document No. 79050 and said specifications contained in said Ordinance No. 3510 are incorporated herein and made a part hereof.

The said Common Council hereby determines that serial bonds bearing interest at the rate of seven per cent. per annum shall be issued to represent assessments of twenty-five dollars or over for the cost of said work or improvement. Said serial bonds shall extend over a period of nine years from the second day of January next succeeding their issuance, and an even annual proportion of the principal sum thereof shall be payable by coupon, on the second day of January, every year after their date, until the whole is paid, and the interest shall be payable semi-annually, by coupon, on the second days of January and July, respectively, of each year, at the rate of seven per cent. per annum on all sums unpaid, until the whole of said principal and interest are paid. Said bonds shall be issued in accordance with the provisions of an Act of the Legislature of the State of California, entitled, "An Act to Provide a System of Street Improvement Bonds to Represent Certain Assessments for the Cost of Street Work and Improvement Within Municipalities, and also for the Payment of such Bonds," approved February 27th, 1893, and of all acts supplementary thereto, or amendatory thereof. And said Common Council hereby determines that said serial bonds shall be issued to represent the expenses of said work or improvement.

That the contemplated work of improvement, hereinbefore mentioned, is in the opinion of said Common Council of more than local and ordinary public benefit, and the expense of said work and improvement is made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to-wit: All that real property in the said City of San Diego, included within the following exterior boundry lines, to-wit:

Beginning at a point on the southwesterly line of Tupper Street distant 150 feet northwesterly from the northwesterly line of Wellborn Street produced northeasterly; thence southwesterly on a line parallel to and distant 150 feet northwesterly from the northwesterly line of Wellborn Street produced northeasterly and the northwesterly line of Wellborn Street to a point distant 107 feet northeasterly from the northeasterly line of Torrence Street; thence northwesterly on a line parallel to and distant 107 feet northeasterly from the northeasterly line of Torrence Street to a point distant 250 feet northwesterly from the northwesterly line of Wellborn Street; thence southwesterly on a line parallel to and distant 250 feet northwesterly from the northwesterly line of Wellborn Street to a point distant 100

RESOLUTION ORDERING WORK NO. 17946

Sewer in Montecito Way and Jackdaw Street.

RESOLVED By the Common Council of the City of San Diego, California, that the public interest and convenience require the work hereinafter described to be done, and therefore the said Common Council hereby orders the following street work to be done, to-wit:

The construction of a six-inch vitrified salt-glazed pipe sewer, together with the construction of two brick manholes and one dead end therein, said sewer commencing at the present manhole located at the intersection of the center line of Montecito Way with the center line of the alley in Block 2 of Washington Heights produced northerly, running thence westerly along the center line of Montecito Way a distance of 132.5 feet to the center line of Jackdaw Street; thence northerly along the center line of Jackdaw Street a distance of 625 feet to a point 50 feet south from the south line of Hunter Street; all as shown upon and according to the plans, drawings and typical cross-sections and specifications therefor contained in Document No. 76575, on file in the office of the City Clerk of said City, and copies of which are on file in the office of the City Engineer of said City.

All of said plans, drawings and typical cross-sections and specifications contained in said Document No. 76575, are, by reference thereto, incorporated herein and made a part hereof.

The costs and expenses of said work and improvement are to be assessed upon the district which is more particularly described in Resolution of Intention No. 17580, on file in the office of the City Clerk of said City.

For further particulars and a description of said assessment district, reference is hereby made to said Resolution of Intention No. 17580.

All of said improvement to be made and said work to be done under and in conformity with that certain Act of the Legislature of the State of California, known as the "Vrooman Act".

The EVENING TRIBUNE, a daily newspaper published and circulated and of general circulation in said City of San Diego, is hereby designated as the newspaper in which this Resolution Ordering Work, and the notice of said work inviting sealed proposals for doing the same, shall be published, in the manner and form, and by the persons required by law.

The Clerk of the said City of San Diego is hereby directed to post conspicuously for five days, on or near the chamber door of the said Common Council, in the manner and form required by law, a notice with specifications inviting sealed proposals or bids for doing said work; and said Clerk is hereby directed to publish, for two days in said newspaper in the manner and form required by law, a notice of said work, inviting sealed proposals or bids for doing the said work, and referring to the specifications posted or on file. Said notice shall require either a certified check or bond, as prescribed by law, for an amount not less than ten per cent. of the aggregate of the proposal.

Said Clerk of the said city of San Diego is also directed to publish for two days

in said newspaper, in the manner required by law, this resolution ordering work.

FOR THAT WHEREAS, the City of Santa Monica, a municipality in the County of Los Angeles, State of California, by its municipal officers, has appealed to this Common Council requesting that the City of San Diego allow said City of Santa Monica to use a certain steam fire engine belonging to said City of San Diego, and at this time not in use by said City of San Diego, and not immediately required by the Fire Department of said City of San Diego; and

WHEREAS, it appears to this Common Council that said City of Santa Monica is in grave danger of serious damage by fire by reason of inadequate fire protection; and

WHEREAS, it further appears to this Common Council that said City of Santa Monica has ordered and has contracted for certain fire fighting equipment, manufacture and delivery of which will necessitate an additional period of two to three months; and

WHEREAS, it appears to this Common Council that said City of San Diego has heretofore loaned other municipalities of this State the use of certain of its fire apparatus, and it further appearing that the City of San Diego has borrowed from and had the use of fire fighting equipment from other municipalities of this State, particularly the City of Los Angeles, NOW THEREFORE,

BE IT RESOLVED, By the Common Council of the City of San Diego, as follows:

That the Honorable Percy J. Benbough, Superintendent of the Department of Fire and Sewers of the City of San Diego, be and he is authorized and empowered to deliver to the proper officials of the municipality of Santa Monica, of the County of Los Angeles, State of California, one steam fire engine. That all expense incident to the transportation and care of said engine shall be borne by said City of Santa Monica, and that said engine shall be in the custody of an engineer belonging to the Fire Department of the City of San Diego, whose salary shall be paid by said City of Santa Monica, and that in accepting said steam fire engine, said City of Santa Monica, by its proper officials, shall execute in writing a receipt and acceptance for the use and shall assume responsibility for the return of said steam fire engine to the said City of San Diego, in first class condition, when said City of San Diego shall make demand for the return of the same.

BE IT RESOLVED, By the Common Council of the City of San Diego, as follows:

That permission be and hereby is granted the Benson Lumber Company, a corporation, to erect and construct a bulkhead on those certain tide lands of the Bay of San Diego now controlled by the said Benson Lumber Company under a franchise granted said Company by the Board of State Harbor Commissioners for the Bay of San Diego, February 28, 1908, said bulkhead to extend from the intersection of the center line of Sixteenth Street with the mean high tide line of the Bay of San Diego, said point being south 38° 36' west, 30.3 feet along the center line of said Sixteenth Street from the center line of the S.F. & A. T. Ry. tracks, thence south 38° 36' west along the center line of said Sixteenth Street produced southwesterly 612.1 feet to a point, said point being north 38° 36' east, 25 feet from the U. S. bulkhead line established in 1911; thence south 50° 50' east on a line parallel to and distant 25 feet from the said U. S. bulkhead line 1247.1 feet to a point, thence north 38° 35' east on a line parallel to and distant 45 feet southwesterly of the southwesterly line of Beardsley Street produced 205.6 feet to an intersection with said mean high tide line, thence along said mean high tide line north 49° 50' west 295.57 feet; thence north 41° 28' west 93.05 feet; thence north 31° 10' west 648.02 feet; thence north 17° 5' west, 305.10 feet to the place of beginning;

Provided, however, that said bulkhead shall not be constructed so as to be nearer than 25 feet to the line of a bulkhead to be erected by the City of San Diego.

Permission is further granted said Benson Lumber Company to fill the said tide lands within the bulkhead line above described, said fill to be made so as not to decrease the tidal waters of the Bay of San Diego. Said work above described to be done under the supervision of the Harbor Engineer of the City of San Diego.

RESOLUTION NO. 18071.

GRANTING PERMISSION TO PROPERTY OWNERS TO GRADE PORTION OF FRONT STREET BY PRIVATE CONTRACT.

BE IT RESOLVED By the Common Council of the City of San Diego, California, as follows:

That in pursuance of the petition therefor, as contained in Document No. 79860, on file in the office of the City Clerk of said City, W. A. Citerley, Mrs. M. E. Massingill, J. E. Bernard, J. C. Harlan, E. A. Berlet, O. E. Winders, A. D. Lowe, Robert Fay, David J. Burns, H. H. Gilbert and T. J. Johnson, be and they are hereby granted permission to grade, to the official grade thereof, Front Street, for the entire width of said Street, from property line to property line, from the south line of Lewis Street to the north line of Dickinson Street, according to the specifications therefor contained in ordinance No. 3510 of the ordinances of said City of San Diego.

The said work to be done to the satisfaction of the Superintendent of Streets of said City.

Provided, that as a part of said work, said property owners shall construct and install sufficient and proper fences, guards and barriers to safeguard said street, and shall also construct all necessary conduits, drains, pipes, catch-basins and gutters for the proper drainage of said street, between said points.

In case any electric poles or apparatus, or any public service pipes or conduits are encountered in the course of such private improvement, the person making such improvement shall serve notice upon the person, company or corporation owning or controlling such public utilities, to lower, remove or protect the same before such private improvement shall be made.

That all of said work shall be done under the direction and to the satisfaction of the Superintendent of Streets of said City, and all surplus dirt shall be deposited at the

places designated by said Superintendent of Streets.

That said work shall be commenced on or before the 1st day of September, 1914, and shall be fully completed on or before the 1st day of January, 1915.

A RESOLUTION CREATING AN ADVISORY BOARD TO BE KNOWN AS THE CITIZENS ADVISORY COMMITTEE, DEFINING THEIR POWERS AND DUTIES AND NAMING THE OFFICERS AND MEMBERS THEREOF.

BE IT RESOLVED, By the Common Council of the City of San Diego, as follows:

Section 1. That there be and is hereby created an advisory board consisting of citizens of the City of San Diego, to be known and constituted the Citizens Advisory Committee.

Section 2. The purpose and object of the Citizens Advisory Committee shall be to advise the present municipal administration on the water questions confronting the City, and in particular to investigate the proposals and offers of the Volcan Land and Water Company and the Cuyamaca Water Company, and such others as may be now or hereafter pending, and to report and recommend to the Common Council the views and conclusions of the Citizens Advisory Committee respecting the same, and to include in such report and recommendation the ideas of said Citizens Advisory Committee with respect to plans, ways and means whereby the City may acquire an additional water supply, or additional water for the use of the City and its inhabitants.

Section 3. This Citizens Advisory Committee is hereby authorized and empowered to obtain necessary headquarters wherein its meetings may be held, to employ a stenographer to perform the clerical and office work of said Committee, and to obtain and arrange for such other accommodations or equipment as shall be necessary to carry on the work of said Committee, and to incur the expense necessary or incidental thereto.

Section 4. The offices of the City Attorney and the Hydraulic Engineer shall at all times be open to and available for this Committee, and the files, reports, opinions and engineering data of the respective offices shall at all times be subject to the examination and use of this Committee, and this Committee is hereby authorized, in their discretion, to call upon the City Attorney and the Hydraulic Engineer for such legal advise and engineering data and opinion as in the opinion of said Committee may be desirable; and in the event that this Committee is unable to secure the desired information or opinions from either of the above mentioned city officials, or if said Committee desire to call upon other attorneys or engineers than those engaged by the City, and now in the employ of the City, then said Committee is hereby empowered and authorized to employ such attorneys and engineers as in their judgment may be necessary or advisable to carry on the work of said Committee, and to incur the expense necessary or incidental thereto.

Section 5. Notice of all meetings of the Citizens Advisory Committee shall be given to and served upon the Mayor of the City of San Diego, the members of the Common Council of said City, the City Attorney and the Hydraulic Engineer of said City, all of whom shall be entitled to attend the meetings of said Citizens Advisory Committee, and participate in the discussions and all other matters coming before said Committee; provided always, however, that no one other than a member of said Citizens Advisory Committee shall be entitled to vote on any question requiring a vote of said Committee, or upon which said Committee is desirous of taking a vote.

Section 6. The Citizens Advisory Committee shall be composed of the following officers and members.

Simon Levi, Chairman
 F. J. Belcher, Jr., Secretary
 F. R. Burnham
 M. F. Heller
 Claude Woolman
 George Burnham
 Carl H. Heilbron
 George A. Garrett
 John A. Gillons.

and in case of a vacancy in said Committee by resignation or otherwise, the vacancy shall be filled by resolution of the Common Council of the City of San Diego.

RESOLUTION OF INTENTION NO. 13164.

Goldfinch Street, Reynard Way and State Street.

RESOLVED, That it is the Intention of the Common Council of the City of San Diego, California, to order the following street work to be done upon the following streets, in said City, to-wit:

The grading, to the official grade thereof, of GOLDFINCH STREET, in said City, for the entire width of said street, from property line to property line, from the south line of Sutter Street to the north line of Pennsylvania Avenue, including the roadway of said Goldfinch Street leading into all alleys between said points, according to and as shown upon the plans, drawings and typical cross-sections and specifications therefor, contained in Document No. 80918, on file in the office of the City Clerk, and copies of which are on file in the office of the City Engineer of said City.

And also, as a part of said work, the construction of cement concrete curbing and cement concrete gutters upon said Goldfinch Street on both sides thereof, from the south line of Sutter Street to the north line of Pennsylvania Avenue, (excepting such cement concrete curbing and cement concrete gutters on the west side of said Goldfinch Street, from the south line of Sutter Street to a point 68.3 feet south from the said south line of Sutter Street).

Also, as a part of said work, the construction of a twelve-inch concrete pipe, twenty feet in length, along the west gutter line of said Goldfinch Street, commencing at the south end of the pipe already in, running thence southwesterly a distance of twenty feet to the cement concrete gutter on the west side of said Goldfinch Street, hereinbefore described, all according to and as shown upon the plans, drawings and typical cross-sections and specifications therefor contained in said Document No. 80918.

And also, as a part of said work, the grading, to the official grade thereof, of REYNARD WAY, in said City, for the entire width of said Reynard Way, from property line to property line, from the north line of Pennsylvania Avenue to the northeasterly line of State Street, including the entire width and length of all intersections of streets with said Reynard Way, between said points, and also including the roadways of all terminations of streets in said Reynard Way, between said points, and also including the roadway of said Reynard Way leading into all alleys between said points; (excepting all those portions of said Reynard Way particularly described as follows, to-wit: Beginning at a point on the westerly line of said Reynard Way 26.18 feet northwesterly from the southerly line of Torrence^{Street}, running thence on a curve to the right with a radius of 340 feet, a distance of 205.22 feet to a point; thence southwesterly along the northwesterly line of said Reynard Way a distance of 105.84 feet; thence southeasterly along said westerly line of Reynard Way a distance of 105.84 feet to the point or place of beginning; also, commencing at a point on the southeasterly line of Reynard Way distant 4.38 feet southwesterly from the south line of Thorn Street, running thence northerly on a curve to the left a distance of 68.42 feet to a point on the southeasterly line of said Reynard Way; thence southwesterly along the southeasterly line of Reynard Way and the southeasterly line of Reynard Way produced southwesterly a distance of 34.59 feet; thence southwesterly to the place of beginning; also, commencing at a point on the west line of said Reynard Way distant 18.12 feet north from the south line of Spruce Street, running thence on a curve to the right a distance of 64.05 feet to a point on the northwesterly line of Reynard Way, thence southwesterly along the northwesterly line of said Reynard Way a distance of 32.81 feet, thence south along the westerly line of said Reynard Way and said westerly line produced southerly, a distance of 32.81 feet to the place of beginning; also, commencing at a point on the west line of said Reynard Way distant 14.56 feet north from the south line of Quince Street, running thence southerly on a curve to the left, having a radius of 120 feet, a distance of 42.27 feet to a point on the southwesterly

line of Reynard Way, thence northwesterly along the southwesterly line of Reynard Way a distance of 21.36 feet, thence north along the north line of said Reynard Way a distance of 21.36 feet to the point of beginning), according to and as shown upon the plans, drawings and typical cross-sections and specifications therefor contained in said Document No. 80918.

And also, as a part of said work, the construction upon both sides of said Reynard Way, from the north line of Pennsylvania Avenue to a point 117.18 feet southwesterly from said north line of Pennsylvania Avenue, of cement concrete curbing and cement concrete gutters, according to and as shown upon the plans, drawings and typical cross-sections and specifications therefor contained in said Document No. 80918.

And also, as a part of said work, the construction of concrete curbing on both sides of said Reynard Way, from a line drawn at right angles across said Reynard Way through a point on the southwesterly line of said Reynard Way distant 528.27 feet northwesterly from the northwesterly corner of the intersection of said Reynard Way with Upas Street, to a line drawn across said Reynard Way at right angles thereto through a point where the north line of Nutmeg Street intersects the northwesterly line of ^{said} Reynard Way, including the returns in the easterly side of the intersections of said Reynard Way with Upas Street and Eagle Street, according to and as shown upon the plans, drawings and typical cross-sections and specifications therefor contained in said Document No. 80918.

And also, as a part of said work, the construction of cement concrete gutters on both sides of said Reynard Way, from a line drawn at right angles across said Reynard Way through a point on the southwesterly line of said Reynard Way distant 528.27 feet northwesterly from the northwesterly corner of the intersection of said Reynard Way with Upas Street, to a line drawn across said Reynard Way at right angles thereto through a point where the north line of Nutmeg Street intersects the northwesterly line of said Reynard Way, (excepting the easterly side of the intersections of said Reynard Way with Upas Street and Eagle Street), according to and as shown upon the plans, drawings and typical cross-sections and specifications therefor contained in said Document No. 80918.

Also, as a part of said work, the construction in the easterly side of the intersection and termination of said Reynard Way with Eagle Street, of one sixty-inch re-inforced cement concrete culvert, together with its accessories and accessory culverts; also the construction at the easterly side of the intersection of said Reynard Way with Upas Street, of one thirty-six inch reinforced cement concrete culvert, together with its accessories; also, the construction at the southeasterly corner of the intersection of said Reynard Way with Upas Street, of one forty-eight inch reinforced cement concrete culvert, leading from said gutter to the easterly line of Reynard Way produced northerly, together with its accessories and accessory ditch, the said concrete culverts to be constructed according to and as shown upon the plans, drawings and typical cross-sections and specifications therefor contained in said Document No. 80918.

Also, as a part of said work, the construction across said Reynard Way, at a point 117.18 feet southwesterly from the northerly line of Pennsylvania Avenue, of one sixteen-inch single strength cement pipe culvert, 240 feet in length, together with its accessories, the same being designated as Culvert "A" on said plans; also the construction at the easterly curb line of said Reynard Way, directly over said Culvert "A", of one cement concrete catch-basin; and also, the construction of one twelve-inch single-strength cement pipe fourteen feet in length, leading from said catch basin into said culvert "A"; also the construction at the west curb line of said Reynard Way, directly over said Culvert "A", of one cement concrete catch basin; also the construction of one twelve-inch concrete pipe twenty feet in length, leading from the catch basin last above described, into said culvert "A".

Also, as a part of said work, the construction across said Reynard Way of one twelve-inch single strength cement pipe culvert ninety-four feet in length, commencing at a point

on the easterly curb line of said Reynard Way, seventy feet northeasterly from the southerly corner of the intersection of said Reynard Way with Torrence Street, running thence southwesterly across said Reynard Way, said culvert being designated on said plans as Culvert "B"; also as a part of said work, the construction at a point in the easterly curb line of said Reynard Way seventy feet northerly from the southeasterly corner of the intersection of said Reynard Way with Upas Street, of one cement concrete catch basin, together with its accessories connected with said Culvert "B"; also the construction at a point ten feet northeasterly from the southwesterly line of said Reynard Way, directly over said Culvert "B" of one cement concrete catch basin, together with its accessories connected with said Culvert "B".

Also, as a part of said work the construction of one twelve-inch single strength cement pipe culvert 142 feet in length, crossing said Reynard Way on the northeasterly line thereof at a point 163 feet southwesterly from the southwesterly corner of the intersection of Reynard Way with Torrence Street and on the southwesterly line of said Reynard Way at a point 178 feet northwesterly from the southwesterly corner of the intersection of said Reynard Way with Brooks Avenue, together with its accessories, designated on said plans as Culvert "C"; also, the construction at the northeasterly curb line above said Culvert "C", of one cement concrete catch basin and its accessories; also the construction of one ten-inch single strength cement concrete pipe ten feet in length, leading from the last described catch basin into said culvert "C"; also, the construction at the southwesterly curb line of said Reynard Way, directly over said Culvert "C", of one cement concrete catch basin and its accessories; and also, the construction of one ten-inch single strength cement concrete pipe fourteen feet in length, leading from the last described catch basin to said Culvert "C".

Also, as a part of said work, the construction across said Reynard Way, of one twelve-inch single strength cement pipe culvert eighty-four feet in length, commencing at the northeasterly gutter line of said Reynard Way at the southeasterly corner of the intersection of said Reynard Way with Brooks Avenue, thence crossing said Reynard Way at right angles, together with its accessories and its accessory ditch thirty-five feet in length, the said culvert being designated on said plans as Culvert "D"; and, as a part of said work, the construction at the northeasterly curb line of said Reynard Way, immediately over said Culvert "D", of one cement concrete catch basin, and its accessories; also, the construction, directly over the said Culvert "D", at the southwesterly curb line of said Reynard Way, of one cement concrete catch basin and its accessories; and also the construction of one ten-inch single strength cement concrete pipe four feet in length, leading from said last described catch basin into said Culvert "D".

And also, as a part of said work, the construction across said Reynard Way, of one twelve-inch single strength cement concrete pipe culvert eighty-four feet in length, said culvert commencing on the northeasterly line of the intersection of said Reynard Way with Falcon Street at a point thirty feet northwesterly from said point where the east line of Falcon Street intersects with the northeasterly line of Reynard Way, running thence southwesterly across said Reynard Way, together with its accessories, said culvert being designated on said plans as Culvert "E"; also the construction directly over said culvert at the northeasterly gutter line of said Reynard Way, of one cement concrete catch basin and its accessories; and also, the construction, directly above said Culvert "E", at the southwesterly curb line of said Reynard Way, of one cement concrete catch basin and its accessories; also the construction of one ten-inch single strength cement pipe two feet in length, leading from the catch basin last above described, into said Culvert "E".

And also, as a part of said work, the construction of one eighteen-inch single-strength cement concrete pipe culvert 218 feet in length, commencing at the curb line at the

southerly corner of the intersection of said Reynard Way with Walnut Street, running thence northwesterly along and across said Reynard Way and Public rights of way, a distance of 218 feet, together with its accessories, said cement concrete pipe culvert being designated upon said plans as Culvert "F".

And also, as a part of said work, the construction across said Reynard Way, of one thirty-inch double-strength cement pipe culvert sixty feet in length, commencing at the curb line at the northwest corner of the intersection and termination of Nutmeg Street with said Reynard Way, running thence across said Reynard Way and at right angles thereto, a distance of sixty feet to the southwesterly curb line of said Reynard Way, together with its accessories; and also, as a part of said work, the construction of one cement concrete catch basin and sand trap at the northwesterly end of said last named cement concrete pipe; also, as a part of said work, the construction of one cement concrete catch basin and sand trap at the southeasterly end of said last named cement concrete pipe.

All of the said cement concrete culverts, cement concrete pipes and all of said catch basins and sand traps to be constructed according to and as shown upon the plans, drawings and typical cross-sections and specifications therefor contained in said Document No. 80918, on file in the office of the City Clerk of said City, and copies of which are on file in the office of the City Engineer of said City.

And also, as a part of said work, the construction of brick additions to twelve brick manholes in said Reynard Way, between the said points to bring said manholes, to the official grade thereof, at the present location of said manholes, and according to and as shown upon said plans, drawings and typical cross-sections and specifications therefor contained in said Document No. 80918.

And also, as a part of said work, the grading, to the official grade thereof, of STATE STREET, in said City, for the entire width of said street, from property line to property line, from the northwesterly line of Reynard Way produced southwesterly, to the northwesterly line of Laurel Street, according to and as shown upon the plans, drawings and typical cross-sections and specifications therefor contained in said Document No. 80918.

And also, as a part of said work, the construction in said State Street, between said points, of additions to two manholes, at their present location, and according to and as shown upon the plans, drawings and typical cross-sections and specifications therefor contained in said Document No. 80918.

And as a part of said work the construction in connection therewith, upon, along and across said Reynard Way and State Street, of one thirty-six-inch cement concrete pipe drain 766 feet in length, commencing at the catch basin last above described, running thence southwesterly and southerly along said Reynard Way and along the natural drain and southwesterly across State Street to a connection with the existing pipe drain under Laurel Street, according to and as shown upon the plans, drawings and typical cross-sections and specifications therefor contained in said Document No. 80918.

All of said plans, drawings and typical cross-sections and specifications contained in said Document No. 80918 are hereby approved and adopted as the plans, drawings and typical cross-sections and specifications to be followed in said grading of, and said work upon said Goldfinch Street, Reynard Way and State Street, between said points, and by reference thereto, all of said plans, drawings and typical cross-sections and specifications contained in said Document No. 80918 are incorporated herein and made a part hereof.

The said Common Council hereby determines that serial bonds bearing interest at the rate of seven per cent. per annum shall be issued to represent assessments of twenty-five dollars or over for the cost of said work or improvement. Said serial bonds shall extend over a period of nine years from the second day of January next succeeding their issuance, and an even annual proportion of the principal sum thereof shall be payable by coupon, on

the second day of January, every year after their date, until the whole is paid, and the interest shall be payable semi-annually, by coupon, on the second days of January and July, respectively, of each year, at the rate of seven per cent. per annum on all sums unpaid, until the whole of said principal and interest are paid. Said bonds shall be issued in accordance with the provisions of an Act of the Legislature of the State of California, entitled, "An Act to Provide a System of Street Improvement Bonds to Represent Certain Assessments for the Cost of Street Work and Improvement Within Municipalities, and also for the Payment of such Bonds," approved February 27th, 1893, and of all acts supplementary thereto, or amendatory thereof. And said Common Council hereby determines that said serial bonds shall be issued to represent the expenses of said work or improvement.

That the contemplated work of improvement, hereinbefore mentioned, is in the opinion of said Common Council of more than local and ordinary public benefit, and the expense of said work and improvement is made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to-wit: All that real property in the said City of San Diego, included within the following exterior boundary lines, to-wit:

RESOLUTION OF INTENTION NO. 18165.

WALNUT AVENUE.

RESOLVED, that it is the intention of the Common Council of the City of San Diego, California, to order the following street work to be done, to-wit:

The paving, with asphalt pavement laid upon a concrete base, of the roadway of WALNUT AVENUE, in said City, from curb line to curb line, from the east line of Block fifteen, in Cleveland Heights, in said City, produced southerly, to the west line of Fifth Street, including the roadway of the intersections of said Walnut Avenue with all cross streets between said points, and also including the roadway of all terminations of streets in said Walnut Avenue between said points, and also including the roadway of said Walnut Avenue leading into all alleys between said points, (excepting such portion of said Walnut Avenue and said intersections and terminations of streets between said points, required by law to be kept in order and repair by any person or company having railroad tracks thereon; also ex

cepting such portions of the said Walnut Avenue and said intersections and terminations of streets between said points already paved with asphalt pavement laid upon a concrete base at the time of the adoption of this Resolution of Intention), according to the specifications therefor contained in Ordinance No. 5176, of the ordinances of said City, and according to and as shown upon the plans, drawings and typical cross-sections and specifications contained in Document No. 79545, on file in the office of the City Clerk of said City, and copies of which are on file in the office of the City Engineer of said City.

And, also, as a part of said work, the construction of the following concrete curbing on said Walnut Avenue, between said points, to-wit:

23.7 feet of concrete curbing in the return at the northwest corner of the intersection and termination of Albatross Street with the said Walnut Avenue; 16.2 feet of concrete curbing on the north side of Walnut Avenue, between Albatross Street and Front Street; also 23.7 feet of concrete curbing in the return at the southeasterly corner of the intersection of Walnut Avenue with Front Street; Also 24.2 feet of concrete curbing on the south side of said Walnut Avenue between Second Street and Third Street, according to the specifications therefor contained in Ordinance No. 5250 of the Ordinances of said City, and as shown upon the plans, drawings and typical cross-sections contained in said Document No. 79545.

And, also, as a part of said work, the construction of one twenty-four-inch reinforced concrete culvert, at both the north and the south side of the intersection of said Walnut Avenue with First Street, (excepting such parts of said culverts as are required by law to be kept in order or repair by any person or company having railroad tracks thereon), according to and as shown upon the plans, drawings and typical cross-sections and specifications therefor contained in said Document No. 79545.

All of said plans, drawings and typical cross-sections and specifications contained in said Document No. 79545 are hereby approved and adopted as the plans, drawings and typical cross-sections and specifications to be followed in connection with the specifications contained in said Ordinances No. 5176 and No. 5250 in said paving of and said work upon said Walnut Avenue, between the points hereinbefore mentioned, and by reference thereto all of said plans, drawings and typical cross-sections and specifications contained in said Document No. 79545, and said specifications contained in said Ordinances No. 5176 and No. 5250 are incorporated herein and made a part hereof.

The said Common Council hereby determines that serial bonds bearing interest at the rate of seven per cent. per annum shall be issued to represent assessments of twenty-five dollars or over for the cost of said work or improvement. Said serial bonds shall extend over a period of nine years from the second day of January next succeeding their issuance, and an even annual proportion of the principal sum thereof shall be payable by coupon, on the second day of January, every year after their date, until the whole is paid, and the interest shall be payable semi-annually, by coupon, on the second days of January and July, respectively, of each year, at the rate of seven per cent. per annum on all sums unpaid, until the whole of said principal and interest are paid. Said bonds shall be issued in accordance with the provisions of an Act of the Legislature of the State of California, entitled, "An Act to Provide a System of Street Improvement Bonds to Represent Certain Assessments for the Cost of Street Work and Improvement Within Municipalities, and also for the Payment of such Bonds," approved February 27th, 1893, and of all acts supplementary thereto, or amendatory thereof. And said Common Council hereby determines that said serial bonds shall be issued to represent the expenses of said work or improvement.

That the contemplated work of improvement, hereinbefore mentioned, is in the opinion of said Common Council of more than local and ordinary public benefit, and the expense of said work and improvement is made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said

work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to-wit: All that real property in the said City of San Diego, included within the following exterior boundary lines, to-wit:

RESOLUTION OF INTENTION NO. 18166.

Robinson Avenue and Curlew Street.

RESOLVED, that it is the intention of the Common Council of the City of San Diego, California, to order the following street work to be done upon the following streets, in said City, to-wit:

The grading, to the official grade thereof, of Robinson Avenue, in said City, for the entire width of said street, from property line to property line, from the west line of

Albatross Street to the north line of Curlew Street, in said City, including the entire width and length of all intersections and terminations of streets with said Robinson Avenue, between said points, and also including the roadways of the terminations of all alleys in said Robinson Avenue, between said points, (excepting a strip of land on the south side of said Robinson Avenue, between the west line of Albatross Street and a point distant 245 feet west from the west line of said Albatross Street, and particularly described as follows; to-wit: Commencing at a point where the west line of Albatross Street intersects the south line of said Robinson Avenue, running thence west along the south line of said Robinson Avenue a distance of 245 feet; thence north a distance of 16.5 feet to a point; thence east on a line parallel with and distant 16.5 feet north from the said south line of Robinson Avenue a distance of 245 feet to a point; thence south 16.5 feet to the place of beginning; and also excepting a strip of land on the north side of said Robinson Avenue, between the west line of Albatross Street and a point distant 245 feet west from the said west line of Albatross Street, particularly described as follows; to-wit: Commencing at the point where the west line of Albatross Street is intersected by the north line of said Robinson Avenue, running thence west along the north line of Robinson Avenue a distance of 245 feet to a point; thence south 16.5 feet to a point; thence east on a line parallel with and distant 16.5 feet south from the north line of Robinson Avenue a distance of 245 feet to a point; thence north a distance of 16.5 feet to the place of beginning), all according to and as shown upon the plans, drawings and typical cross-sections and specifications therefor, contained in Document No. 78863, on file in the office of the City Clerk of said City, and copies of which are on file in the office of the City Engineer of said City.

Also, as a part of said work, the grading, to the official grade thereof, of Curlew Street, in said City, for the entire width of said street, from property line to property line, from the southerly line of Robinson Avenue produced west, to the south line of Lot 23 in El Paso Tract produced west, including the entire width and length of the intersections of said Curlew Street with all cross streets between said points, also including the terminations of all streets in said Curlew Street, between said points, and also including the roadways of all alleys terminating in said Curlew Street, between said points, according to and as shown upon the plans, drawings and typical cross-sections and specifications therefor contained in Document No. 78863, on file in the office of the City Clerk of said City, and copies of which are on file in the office of the City Engineer of said City.

And also, as a part of said work, the construction across said Curlew Street, of one eighteen-inch double-strength cement pipe culvert 110 feet in length, together with its accessories; said culvert to commence on the westerly side of said Curlew Street at a point distant 65 feet south from a point on the westerly line of said Curlew Street, where said westerly line is intersected by the south line of Brooks Avenue produced westerly, running thence northeasterly to a point in the termination of Brooks Avenue in said Curlew Street.

And also, as a part of said work, the construction across said Curlew Street at a point 80 feet southerly from the southerly line of Pennsylvania Avenue, of one sixteen-inch double strength cement pipe culvert 118 feet in length, together with its accessories; also, as a part of said work, the construction at a point in the east curb line of said Curlew Street at a point distant 80 feet southerly from the south line of Pennsylvania Avenue, of one concrete catch basin; and also, the construction of one twelve-inch single strength cement pipe, leading from said catch basin into said sixteen-inch pipe culvert last above described, together with its accessories; also, as a part of said work, the construction at a point in the westerly curb line of said Curlew Street distant 80 feet south from the southerly line of Pennsylvania Avenue, of one concrete catch basin, and also the construction of one twelve-inch single strength cement pipe sixteen feet in length, together with its accessories, leading from the catch basin last above described into the said sixteen-inch

double strength cement pipe culvert above described, all according to and as shown upon the plans, drawings and typical cross-sections and specifications therefor, contained in said Document No. 78863, on file in the office of the City Clerk of said City, and copies of which are on file in the office of the City Engineer of said City.

All of said plans, drawings and typical cross-sections and specifications contained in said Document No. 78863 are hereby approved and adopted as the plans, drawings and typical cross-sections and specifications to be followed in the grading of, and said work upon, said Robinson Avenue and said Curlew Street, between the said points, and by reference thereto all of said plans, drawings and typical cross-sections and specifications contained in said Document No. 78863 are included herein and made a part hereof.

The said Common Council hereby determines that serial bonds bearing interest at the rate of seven per cent. per annum shall be issued to represent assessments of twenty-five dollars or over for the cost of said work or improvement. Said serial bonds shall extend over a period of nine years from the second day of January next succeeding their issuance, and an even annual proportion of the principal sum thereof shall be payable by coupon, on the second day of January, every year after their date, until the whole is paid, and the interest shall be payable semi-annually, by coupon, on the second days of January and July, respectively, of each year, at the rate of seven per cent. per annum on all sums unpaid, until the whole of said principal and interest are paid. Said bonds shall be issued in accordance with the provisions of an Act of the Legislature of the State of California, entitled, "An Act to Provide a System of Street Improvement Bonds to Represent Certain Assessments for the Cost of Street Work and Improvement Within Municipalities, and also for the Payment of such Bonds," approved February 27th, 1893, and of all acts supplementary thereto, or amendatory thereof. And said Common Council hereby determines that said serial bonds shall be issued to represent the expenses of said work or improvement.

That the contemplated work of improvement, hereinbefore mentioned, is in the opinion of said Common Council of more than local and ordinary public benefit, and the expense of said work and improvement is made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to-wit: All that real property in the said City of San Diego, included within the following exterior boundry lines, to-wit:

Beginning at the southeast corner of Lot 23, El Paso Tract; thence north along the west line of Idyllwild Street to an intersection with the north line of Lot 41, El Paso Tract; thence west along the north line of said lot 41 to a point distant 121 feet west from the west line of Idyllwild Street; thence north on a line parallel to and distant 121 feet west from the west line of Idyllwild Street and said west line produced north to an intersection with the northwesterly line of Sheldon Avenue; thence northeasterly along the northwesterly line of Sheldon Avenue to an intersection with the south line of Pennsylvania Avenue; thence northeasterly to the southeast corner of block 3, Idyllwild; thence northeasterly to the southwest corner of lot 19, block 7, Cleveland Heights; thence east along the south line of said lot 19 to an intersection with the west line of Albatross Street; thence north along the west line of Albatross Street to a point distant 200 feet north from the north line of Robinson Avenue; thence west on a line parallel to and distant 200 feet north from the north line of Robinson Avenue to an intersection with the west line of block 2, Cleveland Heights; thence southwesterly to the northeast corner of Idyllwild; thence west along the north line of Idyllwild to the northwest corner of Idyllwild; thence south along the west line of Idyllwild and the west line of El Paso Tract to the southwest corner of lot 22, El Paso Tract; thence east along the south line of said lot 22, and said south line produced east and east along the south line of lot 23, El Paso Tract to the point or place

of beginning, excepting therefrom all public streets, roads, alleys, avenues and highways.

A plat of which said district, indicating by a boundary line, the extent of the territory included in said assessment district, approved by this Common Council, is on file in the office of the City Engineer of said City; reference to which is hereby made.

That the Evening Tribune, a daily newspaper published and circulated, and of general circulation, in the said City of San Diego, be, and it is hereby designated as the newspaper in which this Resolution of Intention shall be published by two insertions, and the notice of the passage thereof shall be published by two insertions, in the manner and by the persons required by law.

That the Clerk of the said City of San Diego be, and he is hereby directed to post this Resolution conspicuously for two days on or near the chamber door of the said Common Council, and to cause the same to be published by two insertions in said daily newspaper in the manner required by law.

That the Street Superintendent of the said City of San Diego shall, after the passage of this Resolution of Intention, cause to be conspicuously posted along all streets and parts of streets and other public places and rights of way where the work and improvement hereinbefore described is to be done and made, notices of the passage of this Resolution, in the manner and in the form required by law, and shall also cause a notice similar in substance to be published by two insertions in said daily newspaper, in the manner required by law, and thereupon said Superintendent of Streets shall cause to be filed in the office of the City Clerk of said City, affidavits showing the posting and publication of the said notices of street work.

That the City Clerk of said City be, and he is hereby directed, immediately upon the passage of this Resolution of Intention, to mail, with postage thereon prepaid, to each property owner whose property is to be assessed to pay the costs and expenses of said improvement, a postal card containing notice of the passage of this Resolution, designating the location and limits of the improvement provided for herein, and referring to this resolution for particulars, and stating that property belonging to such owner is to be assessed for said improvement, all in the manner, substance and form as prescribed by law; and thereupon said Clerk shall cause to be filed affidavits in proof of such mailing.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 21st day of September, 1914, by the following vote, to-wit:

RESOLUTION ORDERING WORK NO. 18167.

Redwood Street.

RESOLVED by the Common Council of the City of San Diego, California, that the public interest and convenience require the work hereinafter described to be done, and therefore the said Common Council hereby orders the following street work to be done, to-wit:

All the street work described in Resolution of Intention No. 17908, adopted by this Common Council on August 3, 1914, and on file in the office of the City Clerk of said City, for the improvement of REDWOOD STREET, in said City, from the west line of Thirty-first Street to a line 100 feet east from the east line of Herman Avenue.

For a description of the work reference is hereby made to said Resolution of Intention No. 17908.

All of said street work to be done according to the specifications therefor contained in Ordinance No. 3510 of the Ordinances of said City, and according to and as shown upon the plans, drawings and typical cross-sections and specifications contained in Document No. 79290, on file in the office of the City Clerk of said City, and copies of which are on file in the office of the City Engineer of said City; and by reference thereto all said specifications contained in said Ordinance No. 3510, and said plans, drawings and typical cross-sections and specifications contained in said Document No. 79290, are incorporated herein and made a part hereof.

The costs and expenses of said work and improvement are to be assessed upon the district which is more particularly described in said Resolution of Intention No. 17908.

The said Common Council determined that serial bonds to extend over a period of nine years from the second day of January next succeeding their issuance, bearing interest at the rate of seven per cent. per annum, shall be issued to represent assessments of twenty-five dollars or over for the costs of said work or improvement.

For further particulars, reference is hereby made to said Resolution of Intention No. 17908.

The EVENING TRIBUNE, a daily newspaper published and circulated and of general circulation in said City of San Diego, is hereby designated as the newspaper in which this Resolution Ordering Work, and the notice of said work inviting sealed proposals for doing the same, shall be published, in the manner and form, and by the persons required by law.

The Clerk of the said City of San Diego is hereby directed to post conspicuously for five days, on or near the chamber door of the said Common Council, in the manner and form required by law, a notice with specifications inviting sealed proposals or bids for doing said work; and said Clerk is hereby directed to publish, for two days in said newspaper in the manner and form required by law, a notice of said work, inviting sealed proposals or bids for doing the said work, and referring to the specifications posted or on file. Said notice shall require either a certified check or bond, as prescribed by law, for an amount not less than ten per cent. of the aggregate of the proposal.

Said Clerk of the said city of San Diego is also directed to publish for two days in said newspaper, in the manner required by law, this resolution ordering work.

Passed and adopted by the Common Council of the said City of San Diego, California, this 21st day of September, 1914, by the following vote, to-wit:

RESOLUTION OF AWARD NO. 18253.

FOURTH STREET LIGHTING.

RESOLVED, that the Common Council of the City of San Diego, California, having in open session on the 23rd day of September, 1914, opened, examined and publicly declared all sealed proposals or bids offered for doing the following work, to-wit:

The installation upon the sidewalks on both sides of FOURTH STREET, in and along the curb line of said sidewalks, between the south line of B Street and the north line of Broadway, in said City of San Diego (excepting the west side of Fourth Street, between the south line of B Street and the north line of C Street), of ornamental iron posts, carrying clusters of incandescent lights, for the lighting of said Fourth Street, between said points.

Also, the installation on both sides of the said Fourth Street, between the south line of B Street and the north line of Broadway, (excepting the west side of Fourth Street, between the south line of B Street and the north line of C Street), of underground conduits and electric wires, for the purpose of furnishing electric current for the lighting of said Fourth Street.

Also, the furnishing of electric current for the lighting of said Fourth Street, between the south line of B Street and the north line of Broadway, (excepting the west side of said Fourth Street, between the south line of B Street and the north line of C Street), together with the maintenance of the posts, wires, conduits and lamps on said Fourth Street, between said points. Such furnishing of electric current and such maintenance of appliances shall be for a period of one year from and after the date of the contract for the same.

All of said work shall be done strictly in accordance with the plans and specifications contained in the report of the City Engineer of said City, being Document No. 77429, on file in the office of the City Clerk of the said City of San Diego.

Said Common Council hereby rejects all of said proposals or bids, except the next herein mentioned, and hereby awards the contract for said work to the lowest, responsible

bidder, to-wit: To HOWELL ELECTRIC COMPANY at the prices specified in its bid for said work, on file in the office of the Clerk of said City of San Diego, to-wit: One Thousand, One Hundred Ninety-nine Dollars (\$1,199.00).

And said Common Council does hereby require and fix the sum of Three Hundred Dollars (\$300.00) as the penal sum of the undertaking to be given for the faithful performance of the contract for the doing of said work.

The Clerk of said City of San Diego is hereby directed to serve written notice upon the said HOWELL ELECTRIC COMPANY the bidder depositing the said lowest responsible bid, that the contract has been awarded to said bidder, for the doing of said work.

AND BE IT FURTHER RESOLVED, that a majority of the members of the Common Council of said City of San Diego, be, and they hereby are, authorized and directed to enter into said contract with said HOWELL ELECTRIC COMPANY on behalf of said City of San Diego.

A RESOLUTION GRANTING FRANK J. RAIBLE PERMISSION TO EMPTY THE CONTENTS OF CESSPOOLS AND SEPTIC TANKS IN THE CITY OF SAN DIEGO INTO THE SEWER SYSTEM OF SAID CITY.

WHEREAS, Frank J. Raible is about to enter into the business of cleaning and emptying cess pools and septic tanks in the City of San Diego; and

WHEREAS, the said Frank J. Raible is desirous of emptying the contents of said septic tanks and cess pools into the public sewers of the City of San Diego, and it appearing to the Common Council that the disposal of said contents in the manner aforesaid would be of benefit to the said City of San Diego, NOW THEREFORE,

BE IT RESOLVED, By the Common Council of the City of San Diego, as follows:

That permission be and is hereby granted Frank J. Raible to empty the contents of cess pools and septic tanks into the public sewers of the City of San Diego, under the direction and supervision of the Assistant Superintendent of the Department of Sewers of said City; provided, however,

1. That the contents of said tanks or pools shall not be dumped near the head of any sewer line nor in any sewer where there is not sufficient flow to prevent stop-ups.
2. That in case a stop-up is caused by discharging contents of said tanks or pools into a city sewer, said Frank J. Raible shall pay the actual cost of removing the obstruction.
3. Man holes used by said Frank J. Raible shall be left in a clean and sanitary condition.

RESOLUTION OF INTENTION NO. 18303.

Fifth Street Lighting No. _____

RESOLVED, that it is the intention of the Common Council of the City of San Diego, California, to order the following improvement to be made within said city, to-wit:

The installation upon the sidewalks on both sides of Fifth Street, in and along the curb line of said sidewalks, between the north line of A Street and the south line of Laurel Street, in said City of San Diego, of ornamental iron posts, carrying clusters of incandescent lights, for the lighting of said Fifth Street, between said points.

Also, the installation on both sides of said Fifth Street, between said points, of underground conduits and electric wires, for the purpose of furnishing electric current for the lighting of said Fifth Street.

Also, the furnishing of electric current for the lighting of said Fifth Street, between said points, together with the maintenance of the said posts, wires, conduits and lamps thereon. Such furnishing of electric current, and such maintenance of appliances to be for the period of one year from and after the date of the contract for the same.

Said work of improvement shall be done in all respects according to and at the places shown by, and of the materials provided for in, the plans and specifications therefor to be hereafter prepared by the City Engineer of said City, and furnished to this Common Council as hereinafter set forth.

That the exterior boundaries of the district in said City of San Diego to be benefited by said improvement, and to be assessed to pay the costs and expenses thereof, and to be known as the assessment district, are hereby specified as follows, to-wit:

Beginning at a point on the north line of A Street distant 100 feet west from the west line of Fifth Street; thence north along a line parallel to and distant 100 feet west from the west line of Fifth Street to an intersection with the south line of Laurel Street; thence east along the south line of Laurel Street to a point distant 100 feet east from the

east line of Fifth Street; thence south along a line parallel to and distant 100 feet east from the east line of Fifth Street to an intersection with the north line of A Street; thence west along the north line of A Street to the point or place of beginning; excepting therefrom all public streets, roads, alleys, avenues and highways.

Said Common Council does hereby order that one-fifth of the costs and expenses of said improvement of furnishing electric current and maintenance of appliances shall be paid out of the Treasury of said City, from the Street Light Fund of said City, and the entire costs and expenses of the installation of said ornamental iron posts, and four-fifths of the costs and expenses of furnishing said electric current and maintenance of appliances shall be assessed upon the said district.

That the proposed improvement is hereby referred to the City Engineer of said city, and said City Engineer is hereby directed to make and file, with the Clerk of said Common Council, a report, in writing, presenting the following:

1. Plans and specifications for the work required in order to make said improvements;
2. An estimate of the cost of said improvement and of the incidental expenses in connection therewith;
3. A diagram showing the district above referred to, and also the boundaries and dimensions of the respective subdivisions of the land within said district, each of which subdivisions shall be given a separate number in red ink upon said diagram.
4. A proposed assessment of the total amount of the costs and expenses of the proposed improvement upon the several subdivisions of land in said district in proportion to the estimated benefits to be received by such subdivisions, respectively, from said improvement; provided, that whenever any portion or percentage of the cost and expenses of such improvement is ordered to be paid out of the treasury of the municipality, as hereinabove provided, the amount of such portion or percentage shall first be deducted from the total estimated cost and expenses of such improvement, and the assessment upon property, proposed in said report, shall include only the remainder of said estimated costs and expenses. Said assessment shall refer to such subdivisions upon said diagram by the respective red ink numbers thereof, and shall show the names of the owners, if known, otherwise designating them as unknown. No mistake in the name of the owner of any parcel of land shall affect the validity of the assessment thereon.

This proceeding shall be designated as "Fifth Street Lighting No. _____."

RESOLUTION ORDERING WORK NO. 18305.

Edgemont Street.

RESOLVED by the Common Council of the City of San Diego, California, that the public interest and convenience require the work hereinafter described to be done, and therefore the said Common Council hereby orders the following street work to be done, to-wit:

All the street work described in Resolution of Intention No. 17781, adopted by this Common Council on July 20, 1914, and on file in the office of the City Clerk of said City, for the improvement of EDMONT STREET, formerly known as Ida Street, in said City, from the south line of Grape Street to a point 31 feet south from the north line of Cedar Street.

For a description of the work reference is hereby made to said Resolution of Intention No. 17781.

All of said street work to be done according to the specifications therefor contained in Ordinance No. 3510 of the ordinances of said City, and as shown upon and according to the plans, drawings and typical cross-sections and specifications contained in Document No. 75542, on file in the office of the City Clerk of said City, and copies of which are on file in the office of the City Engineer of said City; and by reference thereto all said specifications contained in said Ordinance No. 3510, and said plans, drawings and typical cross-sections and specifications contained in said Document No. 75542, are incorporated herein and made a part hereof.

The costs and expenses of said work and improvement are to be assessed upon the district which is more particularly described in said Resolution of Intention No. 17781.

The said Common Council determined that serial bonds to extend over a period of nine years from the second day of January next succeeding their issuance, bearing interest at the rate of seven per cent. per annum, shall be issued to represent assessments of twenty-five dollars or over for the costs of said work or improvement.

For further particulars, reference is hereby made to said Resolution of Intention No. 17781.

The EVENING TRIBUNE, a daily newspaper published and circulated and of general circulation in said City of San Diego, is hereby designated as the newspaper in which this Resolution Ordering Work, and the notice of said work inviting sealed proposals for doing the same, shall be published, in the manner and form, and by the persons required by law.

The Clerk of the said City of San Diego is hereby directed to post conspicuously for five days, on or near the chamber door of the said Common Council, in the manner and form required by law, a notice with specifications inviting sealed proposals or bids for doing said work; and said Clerk is hereby directed to publish, for two days in said newspaper in the manner and form required by law, a notice of said work, inviting sealed proposals or bids for doing the said work, and referring to the specifications posted or on file. Said notice shall require either a certified check or bonds, as prescribed by law, for an amount not less than ten per cent. of the aggregate of the proposal.

Said Clerk of the said city of San Diego is also directed to publish for two days in said newspaper, in the manner required by law, this resolution ordering work.

RESOLVED By the Common Council of the City of San Diego, California, that the public interest and convenience require the work hereinafter described to be done, and therefore the said Common Council hereby orders the following street work to be done, to-wit:

All the street work described in Resolution of Intention No. 17652, adopted by this Common Council on June 29, 1914, and on file in the office of the City Clerk of said City, for the improvement of SIXTEENTH STREET, in said City, from the north line of H Street to the south line of Balboa Park.

For a description of the work reference is hereby made to said Resolution of Intention No. 17652.

All of said street work to be done according to the specifications therefor contained in Ordinances No. 5176 and No. 5250 of the ordinances of said City, and as shown upon and according to the plans, drawings and typical cross-sections contained in Document No. 77782, on file in the office of the City Clerk of said City, and copies of which are on file in the office of the City Engineer of said City; and by reference thereto all said specifications contained in said Ordinances No. 5176 and No. 5250, and said plans, drawings and typical cross-sections contained in said Document No. 77782, are incorporated herein and made a part hereof.

The costs and expenses of said work and improvement are to be assessed upon the district which is more particularly described in said Resolution of Intention No. 17652.

The said Common Council determined that serial bonds to extend over a period of nine years from the second day of January next succeeding their issuance, bearing interest at the rate of seven per cent. per annum, shall be issued to represent assessments of twenty-five dollars or over for the costs of said work or improvement.

For further particulars, reference is hereby made to said Resolution of Intention No. 17652.

The EVENING TRIBUNE, a daily newspaper published and circulated and of general circulation in said City of San Diego, is hereby designated as the newspaper in which this Resolution Ordering Work, and the notice of said work inviting sealed proposals for doing the same, shall be published, in the manner and form, and by the persons required by law.

The Clerk of the said City of San Diego is hereby directed to post conspicuously for five days, on or near the chamber door of the said Common Council, in the manner and form required by law, a notice with specifications inviting sealed proposals or bids for doing said work; and said Clerk is hereby directed to publish, for two days in said newspaper in the manner and form required by law, a notice of said work, inviting sealed proposals or bids for doing the said work, and referring to the specifications posted or on file. Said notice shall require either a certified check or bond, as prescribed by law, for an amount not less than ten per cent. of the aggregate of the proposal.

Said Clerk of the said city of San Diego is also directed to publish for two days in said newspaper, in the manner required by law, this resolution ordering work.

Passed and adopted by the Common Council of the said City of San Diego, California, this 5th day of October, 1914, by the following vote, to-wit:

RESOLUTION OF INTENTION NO. 18350.

Works Avenue.

RESOLVED, that it is the intention of the Common Council of the City of San Diego, California, to order the following street work to be done, to-wit:

The grading, and paving with decomposed granite, to the official grade thereof, of the roadway of WORKS AVENUE, in said City, from curb line to curb line, from the east line of Kansas Street to the easterly boundary line of the City of San Diego, and also that portion of the roadway of said Works Avenue leading into all alleys, between said points, including the roadway of all terminations of streets in said Works Avenue, between said points.

Also, as a part of said work, the grading to the official grade thereof, of said Works Avenue, on both sides thereof, between the curb line of said street and the property line, from the east line of Kansas Street to the easterly boundary line of the City of San Diego, including the returns in all terminations of streets in said Works Avenue, between said points;

And also, as a part of said work, the construction of cement concrete sidewalks and cement concrete curbing on both sides of the said Works Avenue, from the east line of Kansas Street to the easterly boundary line of said City of San Diego, including the returns in all terminations of streets in said Works Avenue, between said points;

All of said work to be done as shown upon and according to the plans, drawings and typical cross-sections and specifications therefor contained in Document No. 80211, on file in the office of the City Clerk of said City, and copies of which are on file in the office of the City Engineer of said City.

All of said plans, drawings and typical cross-sections and specifications contained in said Document No. 80211 are hereby approved and adopted as the plans, drawings and typical cross-sections and specifications to be followed, in making said improvement on Works Avenue, between said points; and by reference thereto all said plans, drawings and typical cross-sections and specifications contained in said Document No. 80211, are incorporated herein and made a part hereof.

The said Common Council hereby determines that serial bonds bearing interest at the rate of seven per cent. per annum shall be issued to represent assessments of twenty-five dollars or over for the cost of said work or improvement. Said serial bonds shall extend over a period of nine years from the second day of January next succeeding their issuance, and an even annual proportion of the principal sum thereof shall be payable by coupon, on the second day of January, every year after their date, until the whole is paid, and the interest shall be payable semi-annually, by coupon, on the second days of January and July, respectively, of each year, at the rate of seven per cent. per annum on all sums unpaid, until the whole of said principal and interest are paid. Said bonds shall be issued in accordance with the provisions of an Act of the Legislature of the State of California, entitled, "An Act to Provide a System of Street Improvement Bonds to Represent Certain Assessments for the Cost of Street Work and Improvement Within Municipalities, and also for the Payment of such Bonds," approved February 27th, 1893, and of all acts supplementary thereto, or amendatory thereof. And said Common Council hereby determines that said serial bonds shall be issued to represent the expenses of said work or improvement.

That the contemplated work of improvement, hereinbefore mentioned, is in the opinion of said Common Council of more than local and ordinary public benefit, and the expense of said work and improvement is made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said

work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to-wit: All that real property in the said City of San Diego, included within the following exterior boundry lines, to-wit:

Beginning at a point on the east line of Kansas Street distant 125 feet south from the south line of Works Avenue; thence east on a line parallel to and distant 125 feet south from the south line of Works Avenue to an intersection with the west line of 30th Street; thence easterly to an intersection of the east line of 30th Street with the north line of the alley in block J, Subdivision of Pueblo Lot 1113, University Heights; thence easterly along the north line of the alley in said block J and easterly along the said north line of block J produced east to an intersection with the easterly boundary line of the City of San Diego; thence northerly along the easterly boundary line of the City of San Diego to the northeasterly corner of Villa Lot 78, said Subdivision of Pueblo Lot 1113, University Heights; thence westerly along the northerly line of said Villa Lot 78 and Villa Lots 77, 76, 75, 74 and 73, said Subdivision of Pueblo Lot 1113, University Heights, to a point distant 275 feet north from the north line of Works Avenue; thence west on a line parallel to and distant 275 feet north from the north line of Works Avenue to an intersection with the east line of Kansas Street; thence south along the east line of Kansas Street to the point or place of beginning; excepting therefrom all public streets, roads, alleys, avenues and highways.

A plat of which said district, indicating by a boundary line the extent of the territory included in said assessment district, approved by this Common Council, is on file in the office of the City Engineer of said City; reference to which is hereby made.

That the Evening Tribune, a daily newspaper published and circulated, and of general circulation, in the said City of San Diego, be, and it is hereby designated as the newspaper in which this Resolution of Intention shall be published by two insertions, and the notice of the passage thereof shall be published by two insertions, in the manner and by the persons required by law.

That the Clerk of the said City of San Diego be, and he is hereby directed to post this Resolution conspicuously for two days on or near the chamber door of the said Common Council, and to cause the same to be published by two insertions in said daily newspaper in the manner required by law.

That the Street Superintendent of the said City of San Diego shall, after the passage of this Resolution of Intention, cause to be conspicuously posted along all streets and parts of streets and other public places and rights of way where the work and improvement hereinbefore described is to be done and made, notices of the passage of this Resolution, in the manner and in the form required by law, and shall also cause a notice similar in substance to be published by two insertions in said daily newspaper, in the manner required by law, and thereupon said Superintendent of Streets shall cause to be filed in the office of the City Clerk of said City, affidavits showing the posting and publication of the said notices of street work.

That the City Clerk of said City be, and he is hereby directed, immediately upon the passage of this Resolution of Intention, to mail, with postage thereon prepaid, to each property owner whose property is to be assessed to pay the costs and expenses of said improvement, a postal card containing notice of the passage of this Resolution, designating the location and limits of the improvement provided for herein, and referring to this resolution for particulars, and stating that property belonging to such owner is to be assessed for said improvement, all in the manner, substance and form as prescribed by law; and thereupon said Clerk shall cause to be filed affidavits in proof of such mailing.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 13th day of October, 1914, by the following vote, to-wit:

RESOLUTION OF INTENTION NO. 18351.
Spruce Street and Ibis Street.

RESOLVED, that it is the intention of the Common Council of the City of San Diego, California, to order the following street work to be done upon the following streets in said city, to-wit:

The grading, to the official grade thereof, of the following streets, in said City of San Diego, to-wit:

SPRUCE STREET, for the entire width of said street, from property line to property line, from the northeasterly line of India Street to a line drawn from the intersection of the southeasterly line of Ibis Street with the northwesterly line of Spruce Street to the intersection of the northeasterly line of State Street with the southeasterly line of Spruce Street, including the entire width and length of the intersection of said Spruce Street with all cross streets, between said points, and also including the entire width and length of all terminations of streets in said Spruce Street, between said points, (excepting a strip of land 10 feet in width and 200 feet in length, on each side of the said Spruce Street, between the northeasterly line of India Street and the southwesterly line of Columbia Street); and

IBIS STREET, for the entire width of said street, from property line to property line, from the northwesterly line of Spruce Street to the southeasterly line of Sassafras Street.

Said grading to be done according to the specifications therefor contained in Ordinance No. 3510 of the ordinances of said city, and as shown upon and according to the plans, drawings and typical cross-sections contained in Document No. 81421, on file in the office of the City Clerk of said City, and copies of which are on file in the office of the City Engineer of said City.

And as a part of said work, the construction of one cement concrete catch-basin in the curb line at the intersection of the northwesterly line of Spruce Street with the northwesterly line of Ibis Street; also the construction of one cement concrete catch-basin in the curb line at the intersection of the southeasterly line of Spruce Street with the southwesterly line of State Street; also the construction of one fourteen-inch double-strength cement pipe culvert, 48 feet in length, running from said first described catch-basin to said

last described catch-basin; also the construction of two fourteen-inch double-strength cement pipes, one being 10 feet in length, and one being 6 feet in length, leading from said catch-basins into said fourteen-inch culvert; and also the construction of one sixteen-inch double-strength cement pipe, commencing at the catch-basin last above described, and running southeasterly a distance of 30 feet; all as shown upon and according to the plans, drawings and typical cross-sections and specifications therefor contained in said Document No. 81421.

All of said plans, drawings and typical cross-sections and specifications contained in said Document No. 81421, are hereby approved and adopted as the plans, drawings and typical cross-sections and specifications to be followed, in connection with the specifications contained in said Ordinance No. 3510, in said grading and other work upon said Spruce Street and Ibis Street, between said points; and by reference thereto all said plans, drawings and typical cross-sections and specifications contained in said Document No. 81421, and said specifications contained in said Ordinance No. 3510, are incorporated herein and made a part hereof.

The said Common Council hereby determines that serial bonds bearing interest at the rate of seven per cent. per annum shall be issued to represent assessments of twenty-five dollars or over for the cost of said work or improvement. Said serial bonds shall extend over a period of nine years from the second day of January next succeeding their issuance, and an even annual proportion of the principal sum thereof shall be payable by coupon, on the second day of January, every year after their date, until the whole is paid, and the interest shall be payable semi-annually, by coupon, on the second days of January and July, respectively, of each year, at the rate of seven per cent. per annum on all sums unpaid, until the whole of said principal and interest are paid. Said bonds shall be issued in accordance with the provisions of an Act of the Legislature of the State of California, entitled, "An Act to Provide a System of Street Improvement Bonds to Represent Certain Assessments for the Cost of Street Work and Improvement Within Municipalities, and also for the Payment of such Bonds," approved February 27th, 1893, and of all acts supplementary thereto, or amendatory thereof. And said Common Council hereby determines that said serial bonds shall be issued to represent the expenses of said work or improvement.

That the contemplated work of improvement, hereinbefore mentioned, is in the opinion of said Common Council of more than local and ordinary public benefit, and the expense of said work and improvement is made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district, is described as follows, to-wit: All that real property in the said City of San Diego, included within the following exterior boundary lines, to-wit:

Beginning at a point on the northeasterly line of India Street distant 150 feet southeasterly from the southeasterly line of Spruce Street; thence northeasterly on a line parallel to and distant 150 feet southeasterly from the southeasterly line of Spruce Street to an intersection with the southwesterly line of Columbia Street; thence northeasterly to a point on the northeasterly line of Columbia Street distant 160 feet southeasterly from the southeasterly line of Spruce Street; thence northeasterly on a line parallel to and distant 160 feet southeasterly from the southeasterly line of Spruce Street to a point distant 100 feet northeasterly from the northeasterly line of State Street; thence northwesterly on a line parallel to and distant 100 feet northeasterly from the northeasterly line of State Street to an intersection with the southeasterly line of Spruce Street; thence northeasterly to a point on the northwesterly line of Spruce Street distant 236.86 feet southwesterly from the southwesterly line of Horton Avenue; thence northwesterly along the northeasterly line of Richard's Re-subdivision a distance of 110.42 feet to a point; thence north 53° 50' 40" along the southeasterly line of said Richard's Re-subdivision a

RESOLUTION OF INTENTION NO. 18353.

Pescadero Avenue.

RESOLVED, that it is the intention of the Common Council of the City of San Diego, California, to order the following street work to be done, to-wit:

The grading, and paving with decomposed granite, to the official grade thereof, of the roadway of PESCADERO AVENUE, in said City, from curb line to curb line, from the southeasterly line of De Foe Street to the northwesterly line of Santa Barbara Street, including the roadway of all intersections of said Pescadero Avenue with all cross streets, between said points;

Also, as a part of said work, the grading to the official grade thereof, of said Pescadero Avenue, on both sides thereof, between the curb line of said street and the property line, from the southeasterly line of De Foe Street to the northwesterly line of Santa Barbara Street, including the returns in all intersections of said Pescadero Avenue with all cross streets, between said points;

And also, as a part of said work, the construction of cement concrete curbing and cement concrete gutters on both sides of the said Pescadero Avenue, from the southeasterly line of De Foe Street to the northwesterly line of Santa Barbara Street, including the curbing in the returns at the intersections of said Pescadero Avenue with all cross streets, between said points, (excepting the gutters in the returns at the intersections of said Pescadero Avenue with all cross streets, between said points);

And also, as a part of said work, the construction of two ten-inch double-strength cement pipe culverts, 60 feet in length, together with their accessories and accessory culverts, at each of the intersections of said Pescadero Avenue with Ebers Street, Froude Street, and Guizot Street; and also the construction of one ten-inch single-strength cement pipe culvert, 92 feet in length, together with its accessories, across the said Pescadero Avenue, at a point 135 feet southeasterly from the southeasterly line of De Foe Street;

All of said work to be done as shown upon and according to the plans, drawings and typical cross-sections and specifications therefor contained in Document No. 79836, on file in the office of the City Clerk of said City, and copies of which are on file in the office of the City Engineer of said City.

All of said plans, drawings and typical cross-sections and specifications contained

in said Document No. 79836 are hereby approved and adopted as the plans, drawings and typical cross-sections and specifications to be followed in said grading and paving and other work upon said Pescadero Avenue, between said points; and by reference thereto all said plans, drawings and typical cross-sections and specifications contained in said Document No. 79836, are incorporated herein and made a part hereof.

The said Common Council hereby determines that serial bonds bearing interest at the rate of seven per cent. per annum shall be issued to represent assessments of twenty-five dollars or over for the cost of said work or improvement. Said serial bonds shall extend over a period of nine years from the second day of January next succeeding their issuance, and an even annual proportion of the principal sum thereof shall be payable by coupon, on the second day of January, every year after their date, until the whole is paid, and the interest shall be payable semi-annually, by coupon, on the second days of January and July, respectively, of each year, at the rate of seven per cent. per annum on all sums unpaid, until the whole of said principal and interest are paid. RESOLUTION OF INTENTION NO. 18354.

Abbott Street Lighting No. 1.

RESOLVED, that it is the intention of the Common Council of the City of San Diego, California, to order the following improvement to be made within said city, to-wit:

The installation upon the sidewalks on both sides of ABBOTT STREET, in and along the curb line of said sidewalks, between the south line of Voltaire Street and the north line of Newport Avenue, in Ocean Beach and Ocean Bay Beach, in said City of San Diego, of ornamental iron posts, carrying clusters of incandescent lights, for the lighting of said Abbott Street, between said points.

Also, the installation on both sides of said Abbott Street, between said points, of underground conduits and electric wires, for the purpose of furnishing electric current for the lighting of said Abbott Street.

Also, the furnishing of electric current for the lighting of said Abbott Street,

between said points, together with the maintenance of the said posts, wires, conduits and lamps thereon; such furnishing of electric current and such maintenance of appliances to be for the period of one year from and after the date of the contract for the same.

Said work of improvement shall be done in all respects according to, and at the places shown by, and of the materials provided for in, the plans and specifications therefor to be hereafter prepared by the City Engineer of said city, and furnished to this Common Council, as hereinafter set forth.

That the exterior boundaries of the district in said City of San Diego to be benefited by said improvement, and to be assessed to pay the costs and expenses thereof, and to be known as the assessment district, are hereby specified as follows, to-wit:

Beginning at a point on the northeasterly line of Newport Avenue distant 100 feet southeasterly from the southeasterly line of Abbott Street; thence northeasterly on a line parallel to and distant 100 feet southeasterly from the southeasterly line of Abbott Street to an intersection with the southwesterly line of Brighton Avenue; thence northeasterly to a point on the northeasterly line of Brighton Avenue distant 120 feet southeasterly from the southeasterly line of Abbott Street; thence northeasterly on a line parallel to and distant 120 feet southeasterly from the southeasterly line of Abbott Street to an intersection with the southeasterly line of Ocean Bay Beach; thence northwesterly along the southeasterly line of Ocean Bay Beach to a point distant 100 feet southeasterly from the southeasterly line of Abbott Street; thence northeasterly on a line parallel to and distant 100 feet southeasterly from the southeasterly line of Abbott Street to the southeasterly corner of lot 5, block 102, Ocean Bay Beach; thence northerly along the easterly line of said lot 5, to the northeasterly corner of said lot 5; thence northwesterly along the northeasterly line of said lot 5 to the northerly corner of said lot 5; thence northwesterly to the northeasterly corner of block A, Ocean Bay Beach; thence southwesterly along the northwesterly line of said block A to the westerly corner of said block A; thence southeasterly along the southwesterly line of said block A to a point distant 100 feet northwesterly from the northwesterly line of Abbott Street; thence southwesterly on a line parallel to and distant 100 feet northwesterly from the northwesterly line of Abbott Street to an intersection with the southwesterly line of Ocean Bay Beach; thence northwesterly along the southwesterly line of said Ocean Bay Beach to a point distant 120 feet northwesterly from the northwesterly line of Abbott Street; thence southwesterly on a line parallel to and distant 120 feet northwesterly from the northwesterly line of Abbott Street to an intersection with the northeasterly line of Brighton Avenue; thence southerly to a point on the southwesterly line of Brighton Avenue distant 100 feet northwesterly from the northwesterly line of Abbott Street; thence southwesterly on a line parallel to and distant 100 feet northwesterly from the northwesterly line of Abbott Street to an intersection with the northeasterly line of Santa Monica Avenue; thence southwesterly to a point on the southwesterly line of Santa Monica Avenue distant 128 feet northwesterly from the northwesterly line of Abbott Street; thence southerly along the westerly line of block 80, Ocean Beach, to the southwesterly corner of said block 80; thence southeasterly along the northeasterly line of Newport Avenue to the point or place of beginning; excepting therefrom all public streets, roads, alleys, avenues and highways.

Said Common Council does hereby order that one-fifth of the costs and expenses of said improvement of furnishing electric current and maintenance of appliances shall be paid out of the Treasury of said City, from the Street Light Fund of said city, and the entire costs and expenses of the installation of said ornamental iron posts, and four-fifths of the costs and expenses of furnishing said electric current and maintenance of appliances shall be assessed upon the said district.

That the proposed improvement is hereby referred to the City Engineer of said city, and said City Engineer is hereby directed to make and file, with the Clerk of said Common

Council, a report, in writing, presenting the following:

1. Plans and specifications for the work required in order to make said improvements;
2. An estimate of the cost of said improvement and of the incidental expenses in connection therewith;
3. A diagram showing the district above referred to, and also the boundaries and dimensions of the respective subdivisions of the land within said district, each of which subdivisions ~~of the land within said district, each~~ shall be given a separate number in red ink upon said diagram.
4. A proposed assessment of the total amount of the costs and expenses of the proposed improvement upon the several subdivisions of land in said district in proportion to the estimated benefits to be received by such subdivisions, respectively, from said improvement; provided, that whenever any portion or percentage of the cost and expenses of such improvement is ordered to be paid out of the treasury of the municipality, as hereinabove provided, the amount of such portion or percentage shall first be deducted from the total estimated cost and expenses of such improvement, and the assessment upon property, proposed in said report, shall include only the remainder of said estimated costs and expenses. Said assessment shall refer to such subdivisions upon said diagram by the respective red ink numbers thereof, and shall show the names of the owners, if known, otherwise designating them as unknown. No mistake in the name of the owner of any parcel of land shall affect the validity of the assessment thereon.

This proceeding shall be designated as "Abbott Street Lighting No. 1."

Approving Street Railway Turnout of San Diego Electric Railway Company
at Atchison, Topeka & Santa Fe Railway Company Broadway Depot.

WHEREAS, the extending of Broadway from Atlantic Street to the new municipal docks and pier across the Tide Lands, and the resulting traffic thereon, together with the use of the new Santa Fe Depot and tracks on said Broadway and intersecting streets will result in an increased congested condition of passenger and vehicle travel in the neighborhood of said depot, and to improve and properly serve the traffic to and from said depot with the greatest safety and expedition and the least danger to person and property, it is proposed by the San Diego Electric Railway Company to construct from its main lines on Broadway a depot turnout onto the grounds of said depot and back to said main lines as shown on the accompanying map thereof marked "E"; and,

WHEREAS, it is believed that such scheme of street railway service at that locality will greatly facilitate the traffic and be a benefit to the public:

THEREFORE,

BE IT RESOLVED By the Common Council of the City of San Diego, That the construction and operation of said turnout as shown on said map marked "E" attached to this resolution be and the same is hereby adopted and approved.

I HEREBY CERTIFY that the above and foregoing are full, true and correct copies of Resolutions Nos. 18360, 18361, 18362, 18363, 18364, 18365, 18366, 18367, 18368, 18369, 18370 and 18371 of the resolutions of the City of San Diego, California, as adopted by the Common Council of said City on the 14th day of October, 1914.

RESOLVED, that it is the intention of the Common Council of the City of San Diego, California, to order the following street work to be done upon Fourth Street, in said City, between B Street and Ivy Street, to-wit:

The paving, with asphalt pavement laid upon a concrete base, of the roadway of FOURTH STREET, in said city, from curb line to curb line, from the north line of A Street to the south line of Ivy Street, including the roadway of the intersections of said Fourth Street with all cross streets, between said points, (excepting such portions of the said Fourth Street and said intersections of streets, between said points, required by law to be kept in order or repair by any person or company having railroad tracks thereon), according to the specifications therefor contained in Ordinance No. 5176 of the ordinances of said city, and as shown upon and according to the plans, drawings and typical cross-sections contained in Document No. 81777, on file in the office of the City Clerk of said city, and copies of which are on file in the office of the City Engineer of said city.

Also, as a part of said work, the construction on both sides of the said Fourth Street, between the south line of Cedar Street and the south line of Ivy Street, of cement concrete curbing, including the returns in all intersections of said Fourth Street with all cross streets, between said points, (excepting such portions of the said Fourth Street and said intersections of streets, between said points, already curbed with concrete at the time of the adoption of this resolution of intention), according to the specifications therefor contained in Ordinance No. 5250 of the ordinances of said city, and as shown upon and according to the plans, drawings and typical cross-sections contained in said Document No. 81777.

Also, as a part of said work, the installation upon the sidewalks on both sides of said Fourth Street, in and along the curb line of said sidewalks, between the north line of B Street and the south line of Ivy Street, of fifty-two single light ornamental lighting cast iron posts, together with the wires, lamps, globes and appliances, for the lighting of said Fourth Street, between said points, said posts to be constructed at the points shown upon the plans, drawings and typical cross-sections contained in said Document No. 81777; and also the installation on both sides of the said Fourth Street, between the north line of B Street and the south line of Ivy Street, of underground conduits and electric wires for the purpose of furnishing electric current for the lighting of said Fourth Street, between said points; all as shown upon and according to the plans, drawings and typical cross-sections and specifications therefor contained in said Document No. 81777.

Also, as a part of said work, the construction on the west side of the roadway of said Fourth Street, at the intersection of said Fourth Street with Fir Street, of one twenty-

four inch reinforced concrete culvert, together with its accessories, (excepting such portion of said culvert required by law to be kept in order or repair by any person or company having railroad tracks thereon); as shown upon and according to the plans, drawings and typical cross-sections and specifications therefor contained in said Document No. 81777.

All of said plans, drawings and typical cross-sections and specifications contained in said Document No. 81777 are hereby approved and adopted as the plans, drawings and typical cross-sections and specifications to be followed, in connection with the specifications contained in said Ordinances No. 5176 and No. 5250, in said paving of, and said work upon, said Fourth Street, between said points; and by reference thereto all said plans, drawings and typical cross-sections and specifications contained in said Document No. 81777, and said specifications contained in said Ordinances No. 5176 and No. 5250, are incorporated herein and made a part hereof.

The said Common Council hereby determines that serial bonds bearing interest at the rate of seven per cent. per annum shall be issued to represent assessments of twenty-five dollars or over for the cost of said work or improvement. Said serial bonds shall extend over a period of nine years from the second day of January next succeeding their issuance, and an even annual proportion of the principal sum thereof shall be payable by coupon, on the second day of January, every year after their date, until the whole is paid, and the interest shall be payable semi-annually, by coupon, on the second days of January and July, respectively, of each year, at the rate of seven per cent. per annum on all sums unpaid, until the whole of said principal and interest are paid. Said bonds shall be issued in accordance with the provisions of an Act of the Legislature of the State of California, entitled, "An Act to Provide a System of Street Improvement Bonds to Represent Certain Assessments for the Cost of Street Work and Improvement Within Municipalities, and also for the Payment of such Bonds," approved February 27th, 1893, and of all acts supplementary thereto, or amendatory thereof. And said Common Council hereby determines that said serial bonds shall be issued to represent the expenses of said work or improvement.

That the contemplated work of improvement, hereinbefore mentioned, is in the opinion of said Common Council of more than local and ordinary public benefit, and the expense of said work and improvement is made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to-wit: All that real property in the said City of San Diego, included within the following exterior boundry lines, to-wit:

Beginning at a point on the north line of B Street distant 100 feet east from the east line of Fourth Street; thence north on a line parallel to and distant 100 feet east from the east line of Fourth Street to an intersection with the south line of Ivy Street; thence west along the south line of Ivy Street to a point distant 100 feet west from the west line of Fourth Street; thence south on a line parallel to and distant 100 feet west from the west line of Fourth Street to an intersection with the north line of B Street; thence east along the north line of B Street to the point or place of beginning; excepting therefrom all public streets, roads, alleys, avenues and highways.

A plat of which said district, indicating by a boundary line the extent of the territory included in said assessment district, approved by this Common Council, is on file in the office of the City Engineer of said city; reference to which is hereby made.

That the Evening Tribune, a daily newspaper published and circulated, and of general circulation, in the said City of San Diego, be, and it is hereby designated as the newspaper in which this Resolution of Intention shall be published by two insertions, and the notice of the passage thereof shall be published by two insertions, in the manner and by the persons required by law.

That the Clerk of the said City of San Diego be, and he is hereby directed to post this Resolution conspicuously for two days on or near the chamber door of the said Common Council, and to cause the same to be published by two insertions in said daily newspaper in the manner required by law.

That the Street Superintendent of the said City of San Diego shall, after the passage of this Resolution of Intention, cause to be conspicuously posted along all streets and parts of streets and other public places and rights of way where the work and improvement hereinbefore described is to be done and made, notices of the passage of this Resolution, in the manner and in the form required by law, and shall also cause a notice similar in substance to be published by two insertions in said daily newspaper, in the manner required by law, and thereupon said Superintendent of Streets shall cause to be filed in the office of the City Clerk of said City, affidavits showing the posting and publication of the said notices of street work.

That the City Clerk of said City be, and he is hereby directed, immediately upon the passage of this Resolution of Intention, to mail, with postage thereon prepaid, to each property owner whose property is to be assessed to pay the costs and expenses of said improvement, a postal card containing notice of the passage of this Resolution, designating the location and limits of the improvement provided for herein, and referring to this resolution for particulars, and stating that property belonging to such owner is to be assessed for said improvement, all in the manner, substance and form as prescribed by law; and thereupon said Clerk shall cause to be filed affidavits in proof of such mailing.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 19th day of October, 1914, by the following vote, to-wit:

RESOLVED, that it is the intention of the Common Council of the City of San Diego, California, to order the following street work to be done, to-wit:

The paving, with asphalt pavement laid upon a concrete base, of the roadway of LAUREL STREET, in said city, from curb line to curb line, from the east line of Front Street to the west line of Balboa Park, including the roadway of the intersections of said Laurel Street with all cross streets, between said points, (excepting the intersections of said Laurel Street with ^{Street} Fourth and Fifth Street, which are already paved, and also excepting those portions of said Laurel Street, particularly described as follows, to-wit: Beginning on the west line of Fifth Street, at a point 35.13 feet north from the south line of Laurel Street; thence northwesterly curving to the left from a tangent line whose direction is west $67^{\circ} 29'$ west, with a radius of 70.50 feet, through an angle of $22^{\circ} 31'$ a distance of 27.71 feet to a point; thence west, tangent to the last described curve, 146.00 feet to a point; thence curving to the left with a radius of 70.50 feet through an angle of $22^{\circ} 31'$ a distance of 27.71 feet to a point on the east line of Fourth Street distant 35.13 feet north from the south line of Laurel Street; thence north, along the east line of Fourth Street, 14.37 feet to a point; thence east 173.00 feet to a point; thence curving to the right with a radius of 79.50 feet through an angle of $19^{\circ} 51' 08''$ a distance of 27.55 feet to a point on the west line of Fifth Street; thence south, along the west line of Fifth Street, 9.65 feet to the point of beginning; also, beginning on the west line of Fourth Street at a point distant 40.50 feet north from the south line of Laurel Street; thence west 720.00 feet to a point; thence curving to the left with a radius of 70.50 feet through an angle of $64^{\circ} 48' 56''$ a distance of 79.75 feet to a point on the south line of Laurel Street distant 23.80 feet west from the east line of First Street; thence west, along the south line of Laurel Street, 9.82 feet to a point; thence northeasterly, curving to the right from a tangent line

whose direction is north $22^{\circ} 10' 13''$ East, with a radius of 79.50 feet through an angle of $67^{\circ} 49' 47''$ a distance of 94.12 feet to a point; thence east, tangent to the last described curve, 720.00 feet to a point on the west line of Fourth Street; thence south along the west line of Fourth Street, 9.00 feet to the point of beginning;) according to the specifications therefor contained in Ordinance No. 5176 of the ordinances of said city, and as shown upon and according to the plans, drawings and typical cross-sections contained in Document No. 75929, on file in the office of the City Clerk of said city, and copies of which are on file in the office of the City Engineer of said city.

Also, as a part of said work, the construction of cement concrete curbing upon the said Laurel Street, on both sides thereof, from the east line of First Street to the west line of Balboa Park, including the returns in all intersections of said Laurel Street with all cross streets, between said points, (excepting such portions of the said Laurel Street and said intersections of streets, between said points, already curbed with concrete at the time of the adoption of this resolution of intention), according to the specifications therefor contained in Ordinance No. 5250 of the ordinances of said city, and as shown upon and according to the plans, drawings and typical cross-sections contained in said Document No. 75929.

All of said plans, drawings and typical cross-sections contained in said Document No. 75929 are hereby approved and adopted as the plans, drawings and typical cross-sections to be followed, in connection with the specifications contained in said Ordinances No. 5176 and No. 5250, in said paving and other work upon said Laurel Street, between said points; and by reference thereto all said plans, drawings and typical cross-sections contained in said Document No. 75929, and said specifications contained in said Ordinances No. 5176 and No. 5250 are incorporated herein and made a part hereof.

The said Common Council hereby determines that serial bonds bearing interest at the rate of seven per cent. per annum shall be issued to represent assessments of twenty-five dollars or over for the cost of said work or improvement. Said serial bonds shall extend over a period of nine years from the second day of January next succeeding their issuance, and an even annual proportion of the principal sum thereof shall be payable by coupon, on the second day of January, every year after their date, until the whole is paid, and the interest shall be payable semi-annually, by coupon, on the second days of January and July, respectively, of each year, at the rate of seven per cent. per annum on all sums unpaid, until the whole of said principal and interest are paid. Said bonds shall be issued in accordance with the provisions of an Act of the Legislature of the State of California, entitled, "An Act to Provide a System of Street Improvement Bonds to Represent Certain Assessments for the Cost of Street Work and Improvement Within Municipalities, and also for the Payment of such Bonds," approved February 27th, 1893, and of all acts supplementary thereto, or amendatory thereof. And said Common Council hereby determines that said serial bonds shall be issued to represent the expenses of said work or improvement.

That the contemplated work of improvement, hereinbefore mentioned, is in the opinion of said Common Council of more than local and ordinary public benefit, and the expense of said work and improvement is made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to-wit: All that real property in the said City of San Diego, included within the following exterior boundry lines, to-wit:

Beginning at a point on the east line of Front Street distant 150 feet north from the north line of Laurel Street; thence east on a line parallel to and distant 150 feet north from the north line of Laurel Street to an intersection with the west line of Balboa Park; thence south along the west line of Balboa Park to a point distant 150 feet south from

the south line of Laurel Street; thence west on a line parallel to and distant 150 feet south from the south line of Laurel Street to an intersection with the east line of Front Street; thence north along the east line of Front Street to the point or place of beginning; excepting therefrom all public streets, roads, alleys, avenues and highways.

A plat of which said district, indicating by a boundary line the extent of the territory included in said assessment district, approved by this Common Council, is on file in the office of the City Engineer of said city; reference to which is hereby made.

That the Evening Tribune, a daily newspaper published and circulated, and of general circulation, in the said City of San Diego, be, and it is hereby designated as the newspaper in which this Resolution of Intention shall be published by two insertions, and the notice of the passage thereof shall be published by two insertions, in the manner and by the persons required by law.

That the Clerk of the said City of San Diego be, and he is hereby directed to post this Resolution conspicuously for two days on or near the chamber door of the said Common Council, and to cause the same to be published by two insertions in said daily newspaper in the manner required by law.

That the Street Superintendent of the said City of San Diego shall, after the passage of this Resolution of Intention, cause to be conspicuously posted along all streets and parts of streets and other public places and rights of way where the work and improvement hereinbefore described is to be done and made, notices of the passage of this Resolution, in the manner and in the form required by law, and shall also cause a notice similar in substance to be published by two insertions in said daily newspaper, in the manner required by law, and thereupon said Superintendent of Streets shall cause to be filed in the office of the City Clerk of said City, affidavits showing the posting and publication of the said notices of street work.

That the City Clerk of said City be, and he is hereby directed, immediately upon the passage of this Resolution of Intention, to mail, with postage thereon prepaid, to each property owner whose property is to be assessed to pay the costs and expenses of said improvement, a postal card containing notice of the passage of this Resolution, designating the location and limits of the improvement provided for herein, and referring to this resolution for particulars, and stating that property belonging to such owner is to be assessed for said improvement, all in the manner, substance and form as prescribed by law; and thereupon said Clerk shall cause to be filed affidavits in proof of such mailing.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 21st day of October, 1914, by the following vote, to-wit:

By W. E. Bartlett Deputy.

I HEREBY CERTIFY that the above and foregoing is a full, true and correct copy of Resolution No. 18418 of the resolutions of the City of San Diego, California, as adopted by the Common Council of said City on the 21st day of October, 1914.

Allen H. Wright,

City Clerk of the City of San Diego, California.

By Y. Jacques Deputy.

RESOLUTION OF INTENTION NO. 18419.

15th Street.

RESOLVED, that it is the intention of the Common Council of the City of San Diego, California, to order the following street work to be done, to-wit:

The paving, with asphalt pavement laid upon a concrete base, of the roadway of FIFTEENTH STREET, in said City, from curb line to curb line, from the south line of Broadway to the north line of N Street, including the roadway of the intersections of said Fifteenth Street with all cross streets, between said points, and also including the roadway of said Fifteenth Street leading into all alleys, between said points, (excepting the intersections of said Fifteenth Street with F Street, G Street, H Street, J Street, K Street and M Street, and also excepting such portions of the said Fifteenth Street and said intersections of streets, between said points, required by law to be kept in order or repair by any person or company having railroad tracks thereon), according to the specifications therefor contained in Ordinance No. 5176 of the ordinances of said city, and as shown upon and according to the plans, drawings and typical cross-sections contained in Document No. 79178, on file in the office of the City Clerk of said City, and copies of which are on file in the office of the City Engineer of said City.

Also, as a part of said work, the construction of cement concrete curbing upon the said Fifteenth Street, on both sides thereof, from the south line of Broadway to the north line of N Street, including the returns in all intersections of said Fifteenth Street with all cross streets, between said points, (excepting such portions of the said Fifteenth Street and the said intersections of streets, between said points, already curbed with concrete at the time of the adoption of this resolution of intention, and also excepting the intersections of said Fifteenth Street with F Street, G Street, H Street, J Street, K Street and M Street), according to the specifications therefor contained in Ordinance No. 5250 of the ordinances of said city, and as shown upon and according to the plans, drawings and typical cross-sections contained in said Document No. 79178.

Also, as a part of said work, the construction in the intersection of said Fifteenth Street with E Street of the following cement pipe culverts and concrete catch-basins, to-wit:

The construction of one cement concrete catch-basin in the gutter on the east side of said Fifteenth Street, at the north line of E Street; and also the construction of one twelve-inch cement pipe culvert, numbered One, together with its accessories, in the gutter on the east side of said Fifteenth Street, running from said catch-basin southerly to connect with the culvert, numbered six, already in said E Street;

The construction of one fourteen-inch cement pipe culvert, numbered three, together with its accessories, including one connection, across the said Fifteenth Street, at the north curb line of E Street, from the catch-basin already in at the west line of Fifteenth Street to a point 5.5 feet west from the west wall of the Switzer Creek Conduit, said connection connecting the said culvert with the culvert, numbered five, already in;

The construction of one cement concrete catch-basin in the gutter on the west side of said Fifteenth Street, at the north line of E Street, and also the construction of one twelve-inch cement pipe culvert, numbered two, together with its accessories, in the gutter on the west side of said Fifteenth Street, running from said catch-basin southerly to connect with the said culvert, numbered three, hereinbefore described;

The construction of one cement concrete catch-basin in the gutter on the south side of E Street, at the west line of Fifteenth Street;

Also, as a part of said work, the construction of one twenty-four inch reinforced concrete culvert and its accessories, across the said Fifteenth Street, at the north curb line of L Street (excepting such portion of said culvert required by law to be kept in order or repair by any person or company having railroad tracks on said Fifteenth Street);

All of said culverts and catch-basins to be constructed as shown upon and according to the plans, drawings and typical cross-sections and specifications therefor contained in said Document No. 79178.

All of said plans, drawings and typical cross-sections and specifications contained in said Document No. 79178 are hereby approved and adopted as the plans, drawings and typical cross-sections and specifications to be followed, in connection with the specifications contained in said Ordinances No. 5176 and No. 5250, in said paving of, and said work upon, said Fifteenth Street, between said points; and by reference thereto all said plans, drawings and typical cross-sections and specifications contained in said Document No. 79178, and said specifications contained in said Ordinances No. 5176 and No. 5250 are incorporated herein and made a part hereof.

The said Common Council hereby determines that serial bonds bearing interest at the rate of seven per cent. per annum shall be issued to represent assessments of twenty-five dollars or over for the cost of said work or improvement. Said serial bonds shall extend over a period of nine years from the second day of January next succeeding their issuance, and an even annual proportion of the principal sum thereof shall be payable by coupon, on the second day of January, every year after their date, until the whole is paid, and the interest shall be payable semi-annually, by coupon, on the second days of January and July, respectively, of each year, at the rate of seven per cent. per annum on all sums unpaid, until the whole of said principal and interest are paid. Said bonds shall be issued in accordance with the provisions of an Act of the Legislature of the State of California, entitled, "An Act to Provide a System of Street Improvement Bonds to Represent Certain Assessments for the Cost of Street Work and Improvement Within Municipalities, and also for the Payment of such Bonds," approved February 27th, 1893, and of all acts supplementary thereto, or amendatory thereof. And said Common Council hereby determines that said serial bonds shall be issued to represent the expenses of said work or improvement.

That the contemplated work of improvement, hereinbefore mentioned, is in the opinion of said Common Council of more than local and ordinary public benefit, and the expense of said work and improvement is made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to-wit: All that real property in the said City of San Diego, included within the following exterior boundary lines, to-wit:

Beginning at a point on the north line of N Street distant 100 feet east from the east line of Fifteenth Street; thence north on a line parallel to and distant 100 feet east from the east line of Fifteenth Street to an intersection with the south line of Broadway; thence west along the south line of Broadway to an intersection with the west line of Culverwell's Addition; thence south along the west line of Culverwell's Addition and south along the west line of Sherman's Addition to an intersection with the north line of N Street; thence east along the north line of N Street to the point or place of beginning; excepting therefrom all public streets, roads, alleys, avenues and highways.

A plat of which said district, indicating by a boundary line the extent of the territory included in said assessment district, approved by this Common Council, is on file in the office of the City Engineer of said City; reference to which is hereby made.

That the Evening Tribune, a daily newspaper published and circulated, and of general circulation, in the said City of San Diego, be, and it is hereby designated as the newspaper

in which this Resolution of Intention shall be published by two insertions, and the notice of the passage thereof shall be published by two insertions, in the manner and by the persons required by law.

That the Clerk of the said City of San Diego be, and he is hereby directed to post this Resolution conspicuously for two days on or near the chamber door of the said Common Council, and to cause the same to be published by two insertions in said daily newspaper in the manner required by law.

That the Street Superintendent of the said City of San Diego shall, after the passage of this Resolution of Intention, cause to be conspicuously posted along all streets and parts of streets and other public places and rights of way where the work and improvement hereinbefore described is to be done and made, notices of the passage of this Resolution, in the manner and in the form required by law, and shall also cause a notice similar in substance to be published by two insertions in said daily newspaper, in the manner required by law, and thereupon said Superintendent of Streets shall cause to be filed in the office of the City Clerk of said City, affidavits showing the posting and publication of the said notices of street work.

That the City Clerk of said City be, and he is hereby directed, immediately upon the passage of this Resolution of Intention, to mail, with postage thereon prepaid, to each property owner whose property is to be assessed to pay the costs and expenses of said improvement, a postal card containing notice of the passage of this Resolution, designating the location and limits of the improvement provided for herein, and referring to this resolution for particulars, and stating that property belonging to such owner is to be assessed for said improvement, all in the manner, substance and form as prescribed by law; and thereupon said Clerk shall cause to be filed affidavits in proof of such mailing.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 21st day of October, 1914, by the following vote, to-wit:

AYES---COUNCILMEN Schmidt, Manney, Benbough and Fay.

RESOLVED, that the Common Council of the City of San Diego, California, having in open session on the 13th day of October, 1914, opened, examined and publicly declared all sealed proposals or bids offered for doing the following work, to-wit:

All the street work described in Resolution of Intention No. 17418, adopted by the Common Council on June 1, 1914, and on file in the office of the City Clerk of said City, for the improvement of E STREET, in said City, from the east line of 26th Street to the west line of 27th Street.

For a description of the work reference is hereby made to said Resolution of Intention No. 17418.

All of said street work to be done according to the specifications therefor contained in Ordinance No. 3510 of the ordinances of said city, and according to and as shown upon the plans, drawings and typical cross-sections and specifications contained in Document No. 76406, on file in the office of the City Clerk of said city, and copies of which are on file in the office of the City Engineer of said city; and by reference thereto all said specifications contained in said Ordinance No. 3510, and said plans, drawings and typical cross-sections and specifications contained in said Document No. 76406, are incorporated herein and made a part hereof.

The costs and expenses of said work and improvement are to be assessed upon the district which is more particularly described in said Resolution of Intention No. 17418.

The said Common Council determines that serial bonds to extend over a period of nine years from the second day of January next succeeding their issuance, bearing interest at the rate of seven per cent. per annum, shall be issued to represent assessments of twenty-five dollars or over for the costs of said work or improvement.

For further particulars, reference is hereby made to said Resolution of Intention No. 17418.

Said Common Council hereby rejects all of said proposals or bids, except the next herein mentioned, and hereby awards the contract for said work to the lowest, regular, responsible bidder, to-wit: To John Engebretsen, at the prices specified in his bid for said work, on file in the office of the Clerk of said City of San Diego, to-wit: Excavation, per cubic yard, 25 cents; Embankment, per cubic yard, 25 cents; Culverts, complete, \$300.00.

The Clerk of said City of San Diego is hereby directed to post a notice of this award conspicuously for five days on or near the chamber door of the said Common Council, and also to cause said notice to be published for two days in The Evening Tribune, a daily newspaper published and circulated and of general circulation, in said City of San Diego, and hereby designated for that purpose.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 21st day of October, 1914, by the following vote, to-wit:

AYES---COUNCILMEN Schmidt, Manney, Benbough and Adams.

NOES---NONE.

ABSENT-COUNCILMAN Adams.

Herbert R. Fay,

RESOLUTION NO. 18425.

DIRECTING THE LOS ANGELES AND SAN DIEGO BEACH RAILWAY COMPANY TO PAVE
ALONG ITS TRACKS AT THE INTERSECTION OF FIFTH STREET WITH F STREET, AND
AT THE INTERSECTION OF FIFTH STREET WITH C STREET, IN THE CITY OF SAN
DIEGO, CALIFORNIA.

WHEREAS, a certain street improvement act, known as the "Vrooman Act," provides as follows: "Whenever any railroad track or tracks of any description exist upon the street or streets upon which the city council of any city has ordered any improvement to be made, and has excepted therefrom all portions used by the track, between the rails and for two feet on each side thereof, and between the tracks if there be more than one, the said order, unless said city council shall by resolution theretofore passed have declared the contrary, shall be deemed to be and constitute a requirement that the person or company having said railroad tracks thereon shall improve the said portion with improvements similar in all respects to, with the same materials, under the same specifications and superintendence, and to the like satisfaction as those ordered to be performed by said order ordering the work, and the resolution of intention and notice of proposed improvement shall be construed and are hereby declared to be notice to said person or company of the intention to order the same;" and

WHEREAS, said Act further provides that on default of the person or company owning such railroad tracks to perform the work within the time required by said Act, and in the manner provided by the proceedings under which the improvement is done, that the Superintendent of Streets shall be the agent of the said person or company owning such tracks, for the purpose of entering into a contract for the doing of said work, without further notice to the said company; and,

WHEREAS, the Los Angeles & San Diego Beach Railway Company owns railroad tracks across the intersection of Fifth Street with C Street and across the intersection of Fifth Street with F Street, in the City of San Diego, California, where such work is required to be done; and,

WHEREAS, the said railway company has not performed the work at said intersections in the manner required by law, or at all, NOW, THEREFORE,

BE IT RESOLVED By the Common Council of the City of San Diego, as follows:

That the said Los Angeles & San Diego Beach Railway Company be, and it is hereby notified, and this resolution shall be notice, that unless said company proceeds at once with the improvement of the portion of said intersections occupied by its railroad tracks, as provided by law, the Street Superintendent of said city will immediately be required to

enter into a contract on behalf of said company for the construction of said work.
