Third, - That the assessment for city taxes levied by said The City of San Diego on lots 46 and 47 in block 61 for the years 1915 and 1916, and on the east 5 feet of lot 29, and all of lots 30 and 31 in block 83 for the year 1915, and on lots 27 and 28 in block 91 for the years 1910 and 1911, and on the east 23 feet of lot 48 in block 91 for the year 1916, all of said lots and blocks being located in E. Said cancellation is made for the following reason, that said The City of San Diego is, and has been during all of the years hereinabove specified, the owner and in possession of said property for street purposes.

Fourth, - That the assessment for city taxes levied by The City of San Diego on blocks 1, 1-1/2, 2, 2-1/2, 3, 3-1/2, 4, 4-1/2, 5, 6, 7, 8, 9, 10, 11, 12 and lots F and G of block 13, on blocks 15, 16, 17, and lots 2 to 36, inclusive in block 18, and on lots 2 to 37, inclusive in block 19, block 20, and on lot E of block 22, and on lots A, C and D of block 33, and on lots B, C, D and E in block 34, on lots C, D and F in block 48, and on block 49, all of said lots and blocks being in New San Diego, for the year 1908; and that the assessment for city taxes levied by said City on block 136 of La Playa for the years 1872, 1873, 1874, 1876 to 1883, inclusive, 1886, 1890 to 1908, inclusive; and that the assessment for city taxes levied by said City on lots 11 and 12 in block 278 of Middletown, Murray Tract, for the years 1882 to 1907, inclusive, and on

The reason for said cancellation is as follows: That said property consists of tide lands of the Bay of San Diego, and that The City of San Diego is and has been during the years hereinabove specified, the owner and in the possession of said property.

Fifth, - That the assessment for city taxes levied by said City of San Diego on lot 4 in block 116 of E. W. Morse's Addition for the year 1896; and that the assessment for city taxes levied by said City on lots 9 and 10 in block 8 of Louis' Addition for the year 1896; and that the assessment for city taxes levied by said City on blocks 1 to 6, inclusive, of Haffenden's Fair View Addition, for the years 1891 and 1892; and that the assessment for city taxes levied by said City on the unnumbered lot north of lot 29 of Pueblo Lot 1209, for the years 1914 and 1915, be, and the same are hereby cancelled; and the City Tax Collector, City Auditor and City Clerk be, and they are hereby authorized and directed to cancel any record of any delinquency for non-payment of taxes for the years and upon the property hereinabove specified, appearing of record on file in the respective offices of said officers. The reason for said cancellation is as follows: That by reason of an error of a Deputy Assessor in the employ of said The City of San Diego, said property hereinabove described, during the years hereinabove enumerated, was assessed twice for taxation, and that said property has been sold to pay for the taxes for said years arising from said second assessment.

Sixth, - That the assessment for city taxes levied by said The City of San Diego on lots 1 and 4 in block 115 of La Playa for the years 1878, 1879, 1887, 1894 to 1911, inclusive, 1913, 1914 and 1915, and on lots 1 to 4 in block 116 of La Playa for the years 1887, 1894 to 1915, inclusive, and on blocks 29, 41, 42, 43, 44, 45, 46, 48 to 59 inclusive, 71 to 84, inclusive, 87 to 99, inclusive, and 107 to 114, inclusive, of La Playa; and that the assessment for city taxes levied by said City on blocks 348, and 349, on lot 4 in block 360, for the year 1882, on lots 2 and 3 in block 362, on all of block 382, for the year 1876; all of said lots and blocks being located in Old San Diego; and that the assessment for city taxes levied by said City on the south 14.6 feet of Pueblo Lot 66, on the unnumbered lot bounded by Pueblo Lots 20, 22, 23 and the Pacific Ocean, and on Pueblo Lots 12, 18, 22, 26, 27, 28, 30, 31, 32, 34, 35, 36, 37, 38, 39, 40, 47, 61, 62, 63, 64, 66, 67, 68, 69, 70, 85, 86, 100 and 101 of the Pueblo Lands of The City of San Diego; be, and the same are hereby cancelled; and the City Tax Collector, City Auditor and City Clerk be, and they are hereby authorized and directed to cancel any record of any delinquency for non-payment of taxes for the years and upon the property hereinabove specified, appearing of record on file in the respective offices of said officers. The reason for such cancellation is that the Government of the United States of America has been during all of the years herein specified, and now is, the owner and in the possession of said land hereinabove described.

Seventh, - That the assessments for city taxes levied by said City on Block I, Middletown, Murray Tract, for the year 1887, and on lots D, E, F and G of block 118 of Horton's Addition, for the years 1890, 1891, 1895 to 1902, inclusive, 1904, 1905 and 1908 and on lots D to H, inclusive, in block 141, of Horton's Addition, for the year 1908, be,

and the same are hereby cancelled; and the City Tax Collector, City Auditor and City Clerk be, and they are hereby authorized and directed to cancel any record of any delinquency for non-payment of taxes for the years and upon the property hereinabove specified, appearing of record on file in the respective offices of said officers. The reason for such cancellation is that the said property hereinabove enumerated has been during the years hereinabove specified and is now occupied and used for railway purposes by corporations organized for such purposes under the laws of the State of California, and as such is, under the Constitution of said State, exempt from municipal taxation.

I hereby approve the cancellation of the foregoing assessments for the reasons hereinabove stated, this 13th day of September, 1917.

A RESOLUTION AUTHORIZING THE CITY TREASURER TO RETURN TO WURSTER CONSTRUCTION COMPANY THE CERTIFIED CHECK ACCOMPANYING THE PROPOSAL OF SAID COMPANY TO CONSTRUCT THE LOWER OTAY DAM.

FOR THAT WHEREAS, Wurster Construction Company, a co-partnership, did, on September 4th, 1917, file with the Common Council a proposal to construct the Lower Otay Dam, accompanying said bid with a certified check in the amount of twenty-two thousand dollars (\$22,000.00) to guarantee compliance with the terms of said proposal; and

WHEREAS, said Wurster Construction Company, on September 10th, 1917, filed with the Hydraulic Engineer of said City, to whom all bids on said work had been referred for report, a communication stating that an error had been made in the preparation of said bid, and that said bid as filed was not the true bid of said Wurster Construction Company; and

WHEREAS, on September 13th, 1917, Wurster Construction Company filed with the Common Council a certain communication stating that in the proposal of said Wurster Construction Company, an error had been made in the preparation of said bid and that said bid was not the true bid of said Wurster Construction Company, and requesting the privilege of withdrawing the certified check accompanying said bid; and

WHEREAS, the Common Council, on September 13th, 1917, following the filing of said communication from said Wurster Construction Company, and at a time when the members of said Common Council were aware that said Construction Company claimed that an error had been made in its bid, awarded the contract for said work to said Wurster Construction Company, and said Wurster Construction has refused to execute said contract; and

WHEREAS, said Wurster Construction Company has filed with the Common Council certain affidavits and documentary evidence tending to show that an error was made in the preparation of said bid which error would make a difference of approximately ninety-seven thousand dollars (\$97,000.00) in the bid of said Wurster Construction Company; and

WHEREAS, on Tuesday, the 2nd day of October, 1917, the Common Council of said City, sitting as a committee of the whole, heard testimony of sworn witnesses on said contention of said Wurster Construction Company, and considered documentary evidence introduced in support of said contention; and

WHEREAS, it is the opinion of a majority of the members of the Common Council that in the preparation and filing of the bid of said Wurster Construction Company an excusable and prejudicial error was made which by the exercise of ordinary care and diligence could not have been avoided; NOW THEREFORE,

BE IT RESOLVED By the Common Council of The City of San Diego as follows:

First: That the Common Council, after investigation, finds and determines that the Wurster Construction Company in the preparation and filing of its proposal to con-

struct the Lower Otay Dam, independent spillway and outlet tower and tunnel, made an excusable and prejudicial mistake, which by the exercise of ordinary care and diligence could not have been avoided; that said mistake has caused the bid of the Wurster Construction Company, as filed, to be approximately ninety-seven thousand dollars (\$97,000.00) lower than the bid originally contemplated by said Wurster Construction Company.

Second: That the Wurster Construction Company did, prior to the acceptance of its bid by the Common Council, file a written communication with the Common Council notifying the Common Council of said error and mistake, and demanding a return of its certified check, and further demanding that its proposal be not considered in awarding said contract.

Third: That the City Treasurer of The City of San Diego be and he is hereby authorized and directed to return to Wurster Construction Company the certified check now in his possession, which check was attached to and accompanied said bid of said Wurster Construction Company.
