The said Common Council also determines and declares that serial bonds shall be issued to represent each assessment of twenty-five dollars or more remaining unpaid for thirty days after the date of the warrant, or five days after the decision of said Common Council upon an appeal, to represent the expenses of said work and improvement. Said bonds shall be issued under and in pursuance of the "Improvement Act of 1911," and amendments thereto.

That the contemplated work and improvement hereinbefore mentioned is in the opinion of said Common Council of more than local and ordinary public benefit, and the expense of such work and improvement is made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof.
