RESOLVED by the Common Council of the City of San Diego, California, that the public interest and convenience require the work hereinafter described to be done, and therefore the said Common Council hereby orders the following work to be done and improvement to be made in said City, to-wit:

All the Street work and improvement described in Resolution of Intention No. 44412 adopted by the Common Council, February 6, 1928, and on file in the Office of the City Clerk of said City, for the paving and otherwise improving of A STREET, in said City, within the limits and as particularly described in said Resolution of Intention.

For a particular description of the work reference is hereby made to said Resolution of Intention.

The costs and expenses of said work and improvement are to be assessed upon the district which is more particularly described in said Resolution of Intention.

The said Common Council determined that serial bonds extending over a period of nine years from the second day of January next succeeding the fifteenth day of the next November following their date, bearing interest at the rate of seven per cent. per annum, shall be issued to represent assessments of twenty-five dollars or more for the expenses of said work and improvement, as provided by the Improvement Act of 1911, and amendments thereto.

For further particulars, reference is hereby made to said Resolution of Intention.

The City Clerk of said City is hereby directed to post conspicuously for five (5) days, on or near the Council chamber door of the said Common Council, in the manner and form required by law, a notice with specifications inviting sealed proposals or bids for doing the work ordered; and said Clerk is hereby directed to publish twice in the Evening Tribune, a daily newspaper published and circulated in said City, and hereby designated for that purpose by said Common Council a notice inviting such proposals for doing the said work, and referring to the specifications posted or on file.

Passed and adopted by the Common Council of the said City of San Diego, California, this 12th day of March, 1928, by the following vote, to-wit:

RESOLUTION OF INTENTION NO. 44790  
PALM STREET.

RESOLVED, that it is the intention of the Common Council of the City of San Diego, California, to order the following work to be done and improvement to be made in said City, to-wit:

That portions of PALM STREET, in said City, between the westerly line of 32nd Street and the southerly production of the west line of Lot 35, Block 11, Frary Heights, be graded, and paved with a two-inch asphalt concrete wearing surface laid upon a four-inch asphalt concrete base, and that cement concrete curbs, cement concrete side-walks, cement concrete curb inlet and appurtenances, corrugated iron pipe culvert, connections, fittings and appurtenances, cast iron water main, connections, fittings and appurtenances, copper water service connections and appurtenances, and wire link highway guard fence be constructed therein.

All of the said work hereinbefore generally described shall be constructed in the manner, at the locations, within the limits, of the materials, and of the dimensions as shown upon and in accordance with the plans, profiles, drawings, typical cross-sections and specifications therefor contained in Document No. 219264, on file in the Office of the City Clerk of said City, and copies of which are on file in the Office of the City Engineer of said City, and by this reference thereto all said plans, profiles, drawings, typical cross-sections and specifications are made a part hereof.

The said Common Council hereby determines and declares that serial bonds shall be issued to represent each assessment of twenty-five dollars or more remaining unpaid after the full expiration of thirty days from the date of the warrant, to represent the expenses of said work and improvement. Said serial bonds shall extend over a period of nine years from the second day of January next succeeding the fifteenth day of the next November following their date, and an even annual proportion of the principal sum thereof shall be payable by coupon on the second day of January every year after the fifteenth day of the next November following their date until the whole is paid. Said bonds shall bear interest at the rate of seven per cent. per annum, interest payable semi-annually by coupon, on all sums unpaid until the whole of said principal and interest are paid. Said bonds shall be issued and the principal and interest thereof shall be paid under and in pursuance of the Improvement Act of 1911, and amendments thereto.

That the contemplated work and improvement hereinbefore mentioned is in the opinion of said Common Council of more than local and ordinary public benefit, and the expenses of such work and improvement are made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to-wit: All that real property in the said City of San Diego included within the exterior boundary lines of said district, as shown upon that certain plat No. 1226, indicating the exterior boundary lines of such district, which plat, approved by the Common Council, is on file in the Office of the City Engineer of said City; excepting therefrom all public streets, roads, alleys, avenues and highways. Reference is hereby made to said plat for a particular description of such district.

NOTICE IS HEREBY GIVEN, that on Monday, the 9th day of April, 1928, at 10:00 o'clock A.M., in the Council Chamber of the City Hall of said The City of San Diego, any and all persons having any objections to the proposed work or improvement may appear before said Common Council and show cause why said proposed improvement should not be carried out in accordance with this resolution.

That the Clerk of said City be, and he is hereby directed to cause this resolution of intention to be published twice in the Evening Tribune, a daily newspaper published and circulated in said City, and hereby designated for that purpose by the Common Council.

That the Street Superintendent of said City shall, after the adoption of the Resolution of Intention, cause to be conspicuously posted along the line of said contemplated work or improvement, at not more than three hundred feet in distance apart, but not less than three in all, notices of the passage of this Resolution of Intention, and when the work to be done is only upon an entire crossing or intersection, or any part thereof, he shall cause such notices to be conspicuously posted in front of each quarter block or irregular block liable to be assessed, and when the work is chargeable upon a district, he shall cause such notices to be conspicuously posted upon all open Streets within such district at not more than three hundred feet in distance apart on each Street so posted; all in the time, form and manner required by law; and thereupon said Superintendent of Streets shall cause to be filed in the Office of the City Clerk of said City, an affidavit showing the posting of said notices of improvement.

The Common Council does not deem it advisable that the Clerk mail copies of the Notice of Improvement to owners or reputed owners, and he is not required to mail the same.

All of the herein proposed work shall be done in pursuance of an Act of the Legislature of the State of California, designated as the "Improvement Act of 1911," approved April 7, 1911, and amendments thereto.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 12th day of March, 1928, by the following vote, to-wit:

#### RESOLUTION OF INTENTION NO. 44793

KEARNEY AVENUE, SIGSBEE STREET, N STREET, 19TH STREET,  
19TH STREET AND SICARD STREET.

RESOLVED, that it is the intention of the Common Council of the City of San Diego, California, to order the following work to be done and improvement to be made in said City, to-wit:

That portions of KEARNEY AVENUE, in said City, between the northerly line of Marcey Avenue and the northwesterly termination of said Kearney Avenue in N Street and 18th Street, be paved with a two-inch asphalt concrete wearing surface laid upon a four-inch asphalt concrete base, and that cement concrete curbs, cement concrete sidewalks, cement concrete curb inlets and appurtenances, cement concrete storm drain, connections, fittings and appurtenances, cement concrete culvert, connections, fittings and appurtenances, cast iron water main, connections, fittings and appurtenances, cast iron gate valve, valve box and cover, and copper water service connection and appurtenances be constructed therein;

That portions of SIGSBEE STREET, in said City, between the northeasterly line of Logan Avenue and the south line of Sherman's Addition, be paved with a two-inch asphalt concrete wearing surface laid upon a four-inch asphalt concrete base, and that cement concrete curbs, cement concrete sidewalks, cement concrete curb inlets and appurtenances, cement concrete culvert, connections, fittings and appurtenances, cast iron water main, connections, fittings and appurtenances, and cast iron gate valve, valve box and cover be constructed therein;

That portions of N STREET, in said City, between the easterly line of 18th Street and a line drawn parallel to and distant 40 feet east from the east line of 18th Street, be paved with a two-inch asphalt concrete wearing surface laid upon a four-inch asphalt concrete base (excepting that portion of said Street required by law to be kept in order or repair by the San Diego & Arizona Railway Company having tracks thereon);

That the said work hereinabove described on N STREET, between the east line of 18th Street and a line drawn parallel to and distant 40 feet east from the east line of 18th Street, shall be done to the modified grade shown and indicated upon the plans and profiles on file in the Office of the City Clerk of said City, and hereinafter referred to; and reference is hereby made to said plans and profiles for the description of the grade at which the work is to be done.

That portions of 18TH STREET, in said City, between the south line of Imperial Avenue and the northwesterly production of the southwesterly line of Kearney Avenue, be paved with a two-inch asphalt concrete wearing surface laid upon a four-inch asphalt concrete base, (excepting that portion of said Street required by law to be kept in order or repair by the San Diego & Arizona Railway Company having tracks thereon) and that cement concrete curbs, cement concrete sidewalks and cement concrete sewer laterals and appurtenances be constructed therein;

That the said work hereinabove described on 18TH STREET, between a line drawn parallel to and distant 25 feet north from the north line of N Street and the northwesterly production of the southwesterly line of Kearney Avenue, shall be done to the modified grade shown and indicated upon the plans and profiles on file in the Office of the City Clerk of said City, and hereinafter referred to; and reference is hereby made to said plans and profiles for the description of the grade at which the work is to be done.

That portions of 19TH STREET, in said City, between the south line of Imperial Avenue and the south line of Sherman's addition, be paved with a two-inch asphalt concrete wearing surface laid upon a four-inch asphalt concrete base (excepting that portion of said Street required by law to be kept in order or repair by the San Diego & Arizona Railway Company having tracks thereon), and that cement concrete curbs, cement concrete sidewalks, cement concrete sewer main, connections, fittings and appurtenances, cement concrete dead end and appurtenances, cement concrete sewer laterals and appurtenances, cast iron water main, connections, fittings and appurtenances, and copper water service connections and appurtenances be constructed therein;

That the said work hereinabove described on 19TH STREET, between a line drawn parallel to and distant 50 feet north from the north line of N Street and the south line of Sherman's Addition, shall be done to the modified grade shown and indicated upon the plans and profiles on file in the Office of the City Clerk of said City, and hereinafter referred to; and reference is hereby made to said plans and profiles for the description of the grade at which the work is to be done.

That portions of SICARD STREET, in said City, between the southeasterly production of the southwesterly line of Kearney Avenue, and the northerly line of Marcey Avenue, be paved with a two-inch asphalt concrete wearing surface laid upon a four-inch asphalt concrete base.

All of the said work hereinbefore generally described shall be constructed in the manner, at the locations, within the limits, of the materials, and of the dimensions as shown upon and in accordance with the plans, profiles, drawings, typical cross-sections and specifications therefor contained in Document No. 218926, on file in the Office of the City Clerk of said City, and copies of which are on file in the Office of the City Engineer of said City, and by this reference thereto all said plans, profiles, drawings, typical cross-sections and specifications are made a part hereof.

The said Common Council hereby determines and declares that serial bonds shall be issued to represent each assessment of twenty-five dollars or more remaining unpaid after the full expiration of thirty days from the date of the warrant, to represent the expenses of said work and improvement. Said serial bonds shall extend over a period of nine years from the second day of January next succeeding the fifteenth day of the next November following their date, and an even annual proportion of the principal sum thereof shall be payable by coupon on the second day of January every year after the fifteenth day of the next November following their date until the whole is paid. Said bonds shall bear interest at the rate of seven per cent. per annum, interest payable semi-annually by coupon, on all sums unpaid until the whole of said principal and interest are paid. Said bonds shall be issued and the principal and interest thereof shall be paid under and in pursuance of the Improvement Act of 1911, and amendments thereto.

That the contemplated work and improvement hereinbefore mentioned is in the opinion of said Common Council of more than local and ordinary public benefit, and the expenses of such work and improvement are made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to-wit: All that real property in the said City of San Diego included within the exterior boundary lines of said district, as shown upon that certain plat No. 952, indicating the exterior boundary lines of such district, which plat, approved by the Common Council, is on file in the office of the City Engineer of said City; excepting therefrom all public streets, roads, alleys, avenues and highways. Reference is hereby made to said plat for a particular description of such district.

NOTICE IS HEREBY GIVEN, that on Monday, the 9th day of April, 1928, at 10:00 o'clock A.M., in the Council Chamber of the City Hall of said The City of San Diego, any and all persons having any objections to the proposed work or improvement, or to the modified grade to which said work is to be done, may appear before said Common Council and show cause why said proposed improvement should not be carried out in accordance with this Resolution.

That the Clerk of said City be, and he is hereby directed to cause this Resolution of Intention to be published twice in the Evening Tribune, a daily newspaper published and circulated in said City, and hereby designated for that purpose by the Common Council.

That the Street Superintendent of said City shall, after the adoption of this Resolution of Intention, cause to be conspicuously posted along the line of said contemplated work or improvement, at not more than three hundred feet in distance apart, but not less than three in all, notices of the passage of this Resolution of Intention, and when the work to be done is only upon an entire crossing or intersection, or any part thereof, he shall cause such notices to be conspicuously posted in front of each quarter block or irregular block liable to be assessed, and when the work is chargeable upon a district, he shall cause such notices to be conspicuously posted upon all open Streets within such district at not more than three hundred feet in distance apart on each Street so posted; all in the time, form and manner required by law; and thereupon said Superintendent of Streets shall cause to be filed in the Office of the City Clerk of said City, an affidavit showing the posting of said notices of improvement.

The Common Council does not deem it advisable that the Clerk mail copies of the notice of Improvement to owners or reputed owners, and he is not required to mail the same.

All of the herein proposed work shall be done in pursuance of an Act of the Legislature of the State of California, designated as the "Improvement Act of 1911", approved April 7, 1911, and amendments thereto.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 12th day of March, 1928, by the following vote, to-wit:

RESOLUTION OF INTENTION NO. 44794  
CHAMOUNE AVENUE AND DWIGHT STREET.

RESOLVED, that it is the intention of the Common Council of the City of San Diego, California, to order the following work to be done and improvement to be made in said City, to-wit:

That portions of Chamoune Avenue, in said City, between the southerly line of Landis Street and the northerly line of Quince Street, be graded, and paved with a two-inch asphalt concrete wearing surface laid upon a four-inch asphalt concrete base, and that cement concrete curbs, cement concrete sidewalks, cement concrete sewer laterals and appurtenances, cement concrete curb inlets and appurtenances, cement concrete culvert, connections, fittings and appurtenances, cast iron water main, connections, fittings and appurtenances, cast iron fire hydrant, connections, fittings and appurtenances, cast iron gate valves, valve boxes and covers and copper water service connections and appurtenances be constructed therein;

That the said work hereinabove described on CHAMOUNE AVENUE, between the south line of Thorn Street and a line drawn parallel to and distant 280 feet south from the south line of Redwood Street produced westerly, shall be done to the modified grade shown and indicated upon the plans and profiles on file in the Office of the City Clerk of said City, and hereinafter referred to; and reference is hereby made to said plans and profiles for the description of the grade at which the work is to be done.

That a cement concrete culvert, connections, fittings and appurtenances be constructed in portions of DWIGHT STREET, in said City, between the easterly line of Chamoune Avenue and a line drawn parallel to and distant 10 feet easterly from the east line of Chamoune Avenue.

That a cement concrete culvert, connections, fittings and appurtenances be constructed in, over and across a PUBLIC RIGHT-OF-WAY over Lots 1 and 2, Block 1, Bungalow Park Addition, in said City.

All of the said work hereinbefore generally described shall be constructed in the manner, at the locations, within the limits, of the materials, and of the dimensions as shown upon and in accordance with the plans, profiles, drawings, typical cross-sections and specifications therefor contained in Document No. 219951, on file in the office of the City Clerk of said City, and copies of which are on file in the Office of the City Engineer of said City, and by this reference thereto all said plans, profiles, drawings, typical cross-sections and specifications are made a part hereof.

The said Common Council hereby determines and declares that serial bonds shall be issued to represent each assessment of twenty-five dollars or more remaining unpaid after the full expiration of thirty days from the date of the warrant, to represent the expenses of said work and improvement. Said serial bonds shall extend over a period of nine years from the second day of January next succeeding the fifteenth day of the next November following their date, and an even annual proportion of the principal sum thereof shall be payable by coupon on the second day of January every year after the fifteenth day of the next November following their date until the whole is paid. Said bonds shall bear interest at the rate of seven per cent. per annum, interest payable semi-annually by coupon, on all sums unpaid until the whole of said principal and interest are paid. Said bonds shall be issued and the principal and interest thereof shall be paid under and in pursuance of the Improvement Act of 1911, and amendments thereto.

That the contemplated work and improvement hereinbefore mentioned is in the opinion of said Common Council of more than local and ordinary public benefit, and the expenses of such work and improvement are made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to-wit: All that real property in the said City of San Diego included within the exterior boundary lines of said district, as shown upon that certain plat No. 1192, indicating the exterior boundary lines of such district, which plat, approved by the Common Council, is on file in the Office of the City Engineer of said City; excepting therefrom all public streets, roads, alleys, avenues and highways. Reference is hereby made to said plat for a particular description of such district.

NOTICE IS HEREBY GIVEN, that on Monday, the 9th day of April, 1928, at 10:00 o'clock A.M., in the Council Chamber of the City Hall of said the City of San Diego, any and all persons having any objections to the proposed work or improvement, or to the modified grade to which said work is to be done, may appear before said Common Council and show cause why said proposed improvement should not be carried out in accordance with this Resolution.

That the Clerk of said City be, and he is hereby directed to cause this Resolution of Intention to be published twice in the Evening Tribune, a daily newspaper published and circulated in said City, and hereby designated for that purpose by the Common Council.

That the Street Superintendent of said City shall, after the adoption of this Resolution of Intention, cause to be conspicuously posted along the line of said contemplated work or improvement, at not more than three hundred feet in distance apart, but not less than three in all, notices of the passage of this Resolution of Intention, and when the work to be done is only upon an entire crossing or intersection, or any part thereof, he shall cause such notices to be conspicuously posted in front of each quarter block or irregular block liable to be assessed, and when the work is chargeable upon a district, he shall cause such notices to be conspicuously posted upon all open Streets within such district at not more than three hundred feet in distance apart on each Street so posted; all in the time, form and manner required by law; and thereupon said Superintendent of Streets shall cause to be filed in the Office of the City Clerk of said City, an affidavit showing the posting of said notices of improvement.

The Common Council does not deem it advisable that the Clerk mail copies of the Notice of Improvement to owners or reputed owners, and he is not required to mail the same.

All of the herein proposed work shall be done in pursuance of an Act of the Legislature of the State of California, designated as the "Improvement Act of 1911", approved April 7, 1911, and amendments thereto.

RESOLUTION NO. 44798  
GRANTING PERMISSION TO H. L. HARTMAN TO PLACE AND  
MAINTAIN RUBBISH CANS AT CERTAIN LOCATIONS ON THE  
STREETS OF SAN DIEGO.

BE IT RESOLVED by the Common Council of the City of San Diego, as follows:

That H. L. Hartman, a resident of the City of San Diego, be, and he is hereby granted permission upon the terms and conditions hereinafter set forth, for a period of two years from the date of this Resolution, unless such permission shall be sooner revoked as hereinafter provided, to place and maintain at suitable locations on the Streets of San Diego not to exceed one hundred and fifty (150) sanitary rubbish and waste-matter receptacles. It shall be the duty of the City of San Diego, at the times and in the manner provided for the collection of rubbish and waste matter in the City, to empty and remove from said receptacles such rubbish and waste matter as may be deposited therein.

(1) The locations of all such receptacles shall be subject to the direction and approval of the Manager of Operation of The City of San Diego, or his duly authorized representative, and any such location or locations shall be thereafter subject to change in the discretion and by order of said Manager of Operation;

(2) Said licensee shall at all times keep and maintain each and all of said receptacles in a good state of repair and in a neat, clean and sanitary condition, and to the satisfaction of said Manager of Operation;

(3) Said licensee may use said receptacles for the purpose of placing advertising thereon, but such advertising shall, as to its form and subject matter, be subject to the approval of the Manager of Operation of said City;

(4) No garbage or market refuse shall be permitted to be deposited in any of said receptacles, but the same shall be used only for the deposit of rubbish or waste matter. The terms "garbage", "market refuse" and "waste matter" shall include the substances enumerated in the definitions of said terms as the same are set forth in Ordinance No. 7691 of the Ordinances of the City of San Diego, and Ordinances amendatory thereof, or supplemental thereto;

(5) The permission and privilege hereby granted may be revoked and terminated by Resolution of the Common Council of the City of San Diego at any time upon the failure or refusal of said licensee to perform any of the terms and conditions herein set forth.

#### RESOLUTION OF INTENTION NO. 44855

##### MISSION BEACH LIGHTING DISTRICT NO. 1.

RESOLVED, that it is the intention of the Common Council of the City of San Diego, California, pursuant to Chapter 247 of the Statutes of the State of California, approved June 6, 1913 (Statutes of 1913, page 421), to order the following work to be done and improvement to be made in said City, to-wit:

The furnishing of electric current for the lighting of the seventy (70) 600-candle power lamps on bracket arms attached to the poles between the Street railway tracks on MISSION BOULEVARD, between the southerly line of Ventura Place and the southerly line of Pacific Avenue, in Mission Beach, in the City of San Diego, California; together with the maintenance of said bracket arms, wires, conduits and lamps on said Mission Boulevard, between the limits above mentioned. Such furnishing of electric current such maintenance of appliances shall be for the period of two years from and after the 15th day of May, 1928, to-wit, to and including the 14th day of May, 1930.

Said work of improvement shall be done in all respects according to, at the places shown by, and of the materials provided for, in the plans and specifications therefor to be hereafter prepared by the City Engineer of said City, and furnished to this Common Council, as hereinafter set forth.

That the exterior boundaries of the district in said City of San Diego to be benefited by said improvement, and to be assessed to pay the costs and expenses thereof, and to be known as the assessment district, are hereby specified as follows, to-wit:

Beginning at the point of intersection of the southerly line of Ventura Place with the westerly line of Ocean Front Walk in Mission Beach; thence northerly, westerly and easterly along the westerly, southerly and northerly lines of Ocean Front Walk to an intersection with the westerly prolongation of the southerly line of Block 389, Pacific Beach; thence easterly along the westerly prolongation of said Block 389 to the southwest corner of said Block 389; thence northerly along the westerly line of said Block 389 and its northerly prolongation to an intersection with the northerly line of Pueblo Lot 1803; thence easterly along the northerly line of said Pueblo Lot 1803 to an intersection with the northerly prolongation of the easterly line of Block 249, Mission Beach; thence southerly along the northerly prolongation of the easterly line of said Block 249, the easterly line of said Block 249, and the southerly prolongation of the easterly line of said Block 249 to an intersection with the easterly line of Bayside Walk; thence southerly and easterly along the easterly and northerly lines of Bayside Walk to an intersection with the northerly prolongation of the westerly line of Block 91, Mission Beach as it now exists; thence southerly along the northerly prolongation of the westerly line of said Block 91 to an intersection with the center line of Bayside Walk as it formerly existed, said point of intersection being the northwesterly corner of said Block 91 as it now exists; thence northeasterly, easterly and southeasterly along the center line of Bayside Walk as it formerly existed to an intersection with the easterly prolongation of the southerly line of Ventura Place; thence westerly along the southerly line of Ventura Place and its easterly prolongation to the point or place of beginning; excepting therefrom all public streets, roads, alleys, avenues and highways.

Said Common Council does hereby order that four-fifths of the costs and expenses of said improvement shall be assessed upon the district above described, and one-fifth of the costs and expenses of said improvement shall be paid out of the Treasury of said City, from the Street Light Fund of said City.

BE IT FURTHER RESOLVED, that this Common Council by virtue of authority vested in it by provisions of Chapter 620 of the Statutes of the State of California, approved June 4, 1915 (Statutes 1915, page 1171) and acts amendatory thereof and supplemental thereto, does hereby determine to exercise the right, to the exclusion of all other bidders, to acquire in the name of the City of San Diego, California, at the sale for any delinquency arising from the non-payment of any assessment which shall be made and levied in these proceedings, any lien which shall accrue, or any property which is required to be sold, under the said law appertaining to said proceedings, for the non-payment of any such assessment or any delinquency incurred by the non-payment thereof.

That the Superintendent of the Purchasing Department of the City of San Diego, California, be, and he is hereby designated for the purpose, and is hereby directed to attend at any sale of property to be made for any delinquency of any assessment to be made and levied in this proceeding and at such sale he is hereby empowered to bid in and acquire, in the name of the City of San Diego, California, to the exclusion of other bidders, all liens and delinquent property at such delinquent sales.

That the proposed improvement is hereby referred to the City Engineer of said City, and said City Engineer is hereby directed to make and file, with the Clerk of said Common Council, a report, in writing, presenting the following:

1. Plans and specifications for the work required in order to make said improvements;
2. An estimate of the cost of said improvement and of the incidental expenses in connection therewith;
3. A diagram showing the district above referred to, and also the boundaries and dimensions of the respective subdivisions of the land within said district, each of which subdivisions shall be given a separate number in red ink upon said diagram.
4. A proposed assessment of the total amount of the costs and expenses of the proposed improvement upon the several subdivisions of land in said district in proportion to the estimated benefits to be received by such subdivisions, respectively, from said improvement; provided, that whenever any portion or percentage of the cost and expenses of such improvement is ordered to be paid out of the treasury of the municipality, as hereinabove provided, the amount of such portion or percentage shall first be deducted from the total estimated cost and expenses of such improvement, and the assessment upon property, proposed in said report, shall include only remainder of said estimated costs and expenses. Said assessment shall refer to such subdivisions upon said diagram by the respective red ink numbers thereof, and shall show the names of the owners, if known, otherwise designating them as unknown. No mistake in the name of the owner of any parcel of land shall affect the validity of the assessment thereon.

This proceeding shall be designated as Mission Beach Lighting District No. 1.

#### RESOLUTION OF INTENTION NO. 44884

ALLEY IN GRANDVIEW ADDITION AND BLOCK 53 C. L. CARR'S  
SUBDIVISION, 27TH STREET AND 28th STREET

RESOLVED, that it is the intention of the Common Council of the City of San Diego, California, to order the following work to be done and improvement to be made in said City, to-wit:

That the ALLEY IN GRANDVIEW ADDITION AND BLOCK 53, C. L. CARR'S SUBDIVISION, in said City, between the east line of 27th Street and the west line of 28th Street, be graded, and paved with a Portland cement pavement, and that cement concrete curbs, cement concrete sidewalks, cement concrete sewer laterals and appurtenances, cast iron water main, connections, fittings and appurtenances, and cast iron gate valves, valve boxes and covers be constructed therein;

That a cast iron water main, connections, fittings and appurtenances, and cast iron gate valve, valve box and cover be constructed in portions of 27TH STREET, in said City, between the south line of G Street and the north line of Market Street;

That portions of 28TH STREET, in said City, between the easterly productions of the north and south lines of the Alley in Grandview Addition and Block 53 C. L. Carr's Subdivision, be graded, and paved with a Portland cement concrete pavement, and that cement concrete curbs, cement concrete sidewalks, cast iron water main, connections, fittings and appurtenances, and cast iron gate valve, valve box and cover be constructed therein.

All of the said work hereinbefore generally described shall be constructed in the manner, at the locations, within the limits, of the materials, and of the dimensions as shown upon and in accordance with the plans, profiles, drawings, typical cross-sections and specifications therefor contained in Document No. 219953, on file in the Office of the City Clerk of said City, and copies of which are on file in the Office of the City Engineer of said City, and by this reference thereto all said plans, profiles, drawings, typical cross-sections and specifications are made a part hereof.

The said Common Council hereby determines and declares that serial bonds shall be issued to represent each assessment of twenty-five dollars or more remaining unpaid after the full expiration of thirty days from the date of the warrant, to represent the expenses of said work and improvement. Said serial bonds shall extend over a period of nine years from the second day of January next succeeding the fifteenth day of the next November following their date, and an even annual proportion of the principal sum thereof shall be payable by coupon on the second day of January every year after the fifteenth day of the next November following their date until the whole is paid. Said bonds shall bear interest at the rate of seven per cent. per annum, interest payable semi-annually by coupon, on all sums unpaid until the whole of said principal and interest are paid. Said bonds shall be issued and the principal and interest thereof shall be paid under and in pursuance of the Improvement Act of 1911, and amendments thereto.

That the contemplated work and improvement hereinbefore mentioned is in the opinion of said Common Council of more than local and ordinary public benefit, and the expenses of such work and improvement are made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to-wit: All that real property in the said City of San Diego included within the exterior boundary lines of said district, as shown upon that certain plat No. 1135, indicating the exterior boundary lines of such district, which plat, approved by the Common Council, is on file in the Office of the City Engineer of said City; excepting therefrom all public streets, roads, alleys, avenues and highways. Reference is hereby made to said plat for a particular description of such district.

NOTICE IS HEREBY GIVEN, that on Monday, the 16th day of April, 1928, at 10:00 o'clock A.M., in the Council Chamber of the City Hall of said The City of San Diego, any and all persons having any objections to the proposed work or improvement may appear before said Common Council and show cause why said proposed improvement should not be carried out in accordance with this Resolution.

That the Clerk of said City be, and he is hereby directed to cause this Resolution of Intention to be published twice in the Evening Tribune, a daily newspaper published and circulated in said City, and hereby designated for that purpose by the Common Council.

That the Street Superintendent of said City shall, after the adoption of this Resolution of Intention, cause to be conspicuously posted along the line of said contemplated work or improvement, at not more than three hundred feet in distance apart, but not less than three in all, notices of the passage of this Resolution of Intention, and when the work to be done is only upon an entire crossing or intersection, or any part thereof, he shall cause such notices to be conspicuously posted in front of each quarter block or irregular block liable to be assessed, and when the work is chargeable upon a district, he shall cause such notices to be conspicuously posted upon all open Streets within such district at not more than three hundred feet in distance apart on each Street so posted; all in the time, form and manner required by law; and thereupon said Superintendent of Streets shall cause to be filed in the Office of the City Clerk of said City, an affidavit showing the posting of said notices of improvement.

The Common Council does not deem it advisable that the Clerk mail copies of the Notice of Improvement to owners or reputed owners, and he is not required to mail the same.

All of the herein proposed work shall be done in pursuance of an Act of the Legislature of the State of California, designated as the "Improvement Act of 1911," approved April 7, 1911, and amendments thereto.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 19th day of March, 1928, by the following vote, to-wit:

Said district is described as follows, to-wit: All that real property in the said City of San Diego included within the exterior boundary lines of said district, as shown upon that certain plat No. 1209, indicating the exterior boundary lines of such district, which plat, approved by the Common Council, is on file in the Office of the City Engineer of said City; excepting therefrom all public streets, roads, alleys, avenues and highways. Reference is hereby made to said plat for a particular description of such district.

NOTICE IS HEREBY GIVEN, that on Monday, the 16th day of April, 1928, at 10:00 o'clock A.M., in the Council Chamber of the City Hall of said The City of San Diego, any and all persons having any objections to the proposed work or improvement may appear before said Common Council and show cause why said proposed improvement should not be carried out in accordance with the Resolution.

That the Clerk of said City be, and he is hereby directed to cause this Resolution of Intention to be published twice in the Evening Tribune, a daily newspaper published and circulated in said City, and hereby designated for that purpose by the Common Council.

That the Street Superintendent of said City shall, after the adoption of this Resolution of Intention, cause to be conspicuously posted along the line of said contemplated work or improvement, at not more than three hundred feet in distance apart, but not less than three in all, notices of the passage of this Resolution of Intention, and when the work to be done is only upon an entire crossing or intersection, or any part thereof, he shall cause such notices to be conspicuously posted in front of each quarter block or irregular block liable to be assessed, and when the work is chargeable upon a district, he shall cause such notices to be conspicuously posted upon all open Streets within such district at not more than three hundred feet in distance apart on each Street so posted; all in the time, form and manner required by law; and thereupon said Superintendent of Streets shall cause to be filed in the Office of the City Clerk of said City, an affidavit showing the posting of said notices of improvement.

The Common Council does not deem it advisable that the Clerk mail copies of the Notice of Improvement to owners or reputed owners, and he is not required to mail the same.

All of the herein proposed work shall be done in pursuance of an Act of the Legislature of the State of California, designated as the "Improvement Act of 1911," approved April 7, 1911, and amendments thereto.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 19th day of March, 1928; by the following vote, to-wit:

## RESOLUTION OF INTENTION NO. 44888

## LANTANA DRIVE.

RESOLVED, that it is the intention of the Common Council of the City of San Diego, California, to order the following work to be done and improvement to be made in said City, to-wit:

That portions of LANTANA DRIVE, in said City, between the easterly line of Euclid Avenue and the southerly line of Resubdivision of Blocks 1 to 12 of Fairmount Addition, be graded, and that cement concrete curbs, cement concrete sidewalks and cement concrete gutters be constructed therein.

All of the said work hereinbefore generally described shall be constructed in the manner, at the locations, within the limits, of the materials, and of the dimensions as shown upon and in accordance with the plans, profiles, drawings, typical cross-sections and specifications therefor contained in Document No. 219947, on file in the Office of the City Clerk of said City, and copies of which are on file in the Office of the City Engineer of said City, and by this reference thereto all said plans, profiles, drawings, typical cross-sections and specifications are made a part hereof.

That said Common Council hereby determines and declares that serial bonds shall be issued to represent each assessment of twenty-five dollars or more remaining unpaid after the full expiration of thirty days from the date of the warrant, to represent the expenses of said work and improvement. Said serial bonds shall extend over a period of nine years from the second day of January next succeeding the fifteenth day of the next November following their date, and an even annual proportion of the principal sum thereof shall be payable by coupon on the second day of January every year after the fifteenth day of the next November following their date until the whole is paid. Said bonds shall bear interest at the rate of seven per cent. per annum, interest payable semi-annually by coupon, on all sums unpaid until the whole of said principal and interest are paid. Said bonds shall be issued and the principal and interest thereof shall be paid under and in pursuance of the Improvement Act of 1911, and amendments thereto.

That the contemplated work and improvement hereinbefore mentioned is in the opinion of said Common Council of more than local and ordinary public benefit, and the expenses of such work and improvement are made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to-wit: All that real property in the said City of San Diego included within the exterior boundary lines of said district, as shown upon that certain plat No. 1235, indicating the exterior boundary lines of such district, which plat, approved by the Common Council, is on file in the Office of the City Engineer of said City; excepting therefrom all public streets, roads, alleys, avenues and highways. Reference is hereby made to said plat for a particular description of such district.

NOTICE IS HEREBY GIVEN, that on Monday, the 16th day of April, 1928, at 10:00 o'clock A.M., in the Council Chamber of the City Hall of said The City of San Diego, any and all persons having any objections to the proposed work or improvement may appear before said Common Council and show cause why said proposed improvement should not be carried out in accordance with this Resolution.

That the Clerk of said City be, and he is hereby directed to cause this Resolution of Intention to be published twice in the Evening Tribune, a daily newspaper published and circulated in said City, and hereby designated for that purpose by the Common Council.

That the Street Superintendent of said City shall, after the adoption of this Resolution of Intention, cause to be conspicuously posted along the line of said contemplated work or improvement, at not more than three hundred feet in distance apart, but not less than three in all, notices of the passage of this Resolution of Intention, and when the work to be done is only upon an entire crossing or intersection, or any part thereof, he shall cause such notices to be conspicuously posted in front of each quarter block or irregular block liable to be assessed, and when the work is chargeable upon a district, he shall cause such notices to be conspicuously posted upon all open Streets within such district at not more than three hundred feet in distance apart on each Street so posted; all in the time, form and manner required by law; and thereupon said Superintendent of Streets shall cause to be filed in the Office of the City Clerk of said City, an affidavit showing the posting of said notices of improvement.

The Common Council does not deem it advisable that the Clerk mail copies of the Notice of Improvement to owners or reputed owners, and he is not required to mail the same.

All of the herein proposed work shall be done in pursuance of an Act of the Legislature of the State of California, designated as the "Improvement Act of 1911," approved April 7, 1911, and amendments thereto.

That a wrought iron pipeoutfall sewer, connections, fittings and appurtenances, including anchorages, be constructed in the manner indicated on the plans and profiles herein-after referred to, in portions of LORING STREET, in said City, between the northerly production of the easterly line of Ocean Boulevard and the westerly termination of said Loring Street, and extending thence westerly into the Pacific Ocean.

All of the said work hereinbefore generally described shall be constructed in the manner, at the locations, within the limits, of the material, and of the dimensions as shown upon and in accordance with the plans, profiles, drawings, typical cross-sections and specifications therefor contained in Document No. 221378, on file in the Office of the City Clerk of said City, and copies of which are on file in the Office of the City Engineer of said City, and by this reference thereto all said plans, profiles, drawings, typical cross-sections and specifications are made a part hereof.

The said Common Council hereby determines and declares that serial bonds shall be issued to represent each assessment of twenty-five dollars or more remaining unpaid after the full expiration of thirty days from the date of the warrant, to represent the expenses of said work and improvement. Said serial bonds shall extend over a period of nine years from the second day of January next succeeding the fifteenth day of the next November following their date, and an even annual proportion of the principal sum thereof shall be payable by coupon on the second day of January every year after the fifteenth day of the next November following their date until the whole is paid. Said bonds shall bear interest at the rate of seven per cent. per annum, interest payable semi-annually by coupon, on all sums unpaid until the whole of said principal and interest are paid. Said bonds shall be issued and the principal and interest thereof shall be paid under and in pursuance of the Improvement Act of 1911, and amendments thereto.

That the contemplated work and improvement hereinbefore mentioned is in the opinion of said Common Council of more than local and ordinary public benefit, and the expenses of such work and improvement are made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to-wit: All that real property in the said City of San Diego included within the exterior boundary lines of said district, as shown upon that certain plat No. 879, indicating the exterior boundary lines of such district, which plat, approved by the Common Council, is on file in the Office of the City Engineer of said City; excepting therefrom all public streets, roads, alleys, avenues and highways. Reference is hereby made to said plat for a particular description of such district.

NOTICE IS HEREBY GIVEN, that on Monday, the 23rd day of April, 1928, at 10:00 o'clock A.M., in the Council Chamber of the City Hall of said The City of San Diego, any and all persons having any objections to the proposed work or improvement may appear before said Common Council and show cause why said proposed improvement should not be carried out in accordance with this Resolution.

That the Clerk of said City be, and he is hereby directed to cause this Resolution of Intention to be published twice in the Evening Tribune, a daily newspaper published and circulated in said City, and hereby designated for that purpose by the Common Council.

That the Street Superintendent of said City shall, after the adoption of this Resolution of Intention, cause to be conspicuously posted along the line of said contemplated work or improvement, at not more than three hundred feet in distance apart, but not less than three in all, notices of the passage of this Resolution of Intention, and when the work to be done is only upon an entire crossing or intersection, or any part thereof, he shall cause such notices to be conspicuously posted in front of each quarter block or irregular block liable to be assessed, and when the work is chargeable upon a district, he shall cause such notices to be conspicuously posted upon all open Streets within such district at not more than three hundred feet in distance apart on each Street so posted; all in the time, form and manner required by law; and thereupon said Superintendent of Streets shall cause to be filed in the Office of the City Clerk of said City, an affidavit showing the posting of said notices of improvement.

The Common Council does not deem it advisable that the Clerk mail copies of the Notice of Improvement to owners or reputed owners, and he is not required to mail the same.

All of the herein proposed work shall be done in pursuance of an Act of the Legislature of the State of California, designated as the "Improvement Act of 1911," approved April 7, 1911, and amendments thereto.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 26th day of March, 1928, by the following vote, to-wit:

RESOLUTION OF INTENTION NO. 45025

LAMONT STREET.

RESOLVED, that it is the intention of the Common Council of the City of San Diego, California, to order the following work to be done and improvement to be made in said City, to-wit:

That portions of LAMONT STREET, in said City, between the northerly line of Garnet Street and the northerly line of Pueblo Lot 1790, be paved with a Portland cement concrete pavement, and that cement concrete curbs, cement concrete sidewalks, cast iron water main, connections, fittings and appurtenances, cast iron gate valves, valve boxes and covers, cast iron fire hydrants, connections, fittings and appurtenances, copper water service connections and appurtenances, cement concrete sewer main, connections, fittings and appurtenances, cement concrete manholes, connections, fittings and appurtenances, and cement concrete sewer laterals and appurtenances be constructed therein.

All of the said work hereinbefore generally described shall be constructed in the manner, at the locations, within the limits, of the materials, and of the dimensions as shown upon and in accordance with the plans, profiles, drawings, typical cross-sections and specifications therefor contained in Document No. 219949, on file in the Office of the City Clerk of said City, and copies of which are on file in the Office of the City Engineer of said City, and by this reference thereto all said plans, profiles, drawings, typical cross-sections and specifications are made a part hereof.

The said Common Council hereby determines and declares that serial bonds shall be issued to represent each assessment of twenty-five dollars or more remaining unpaid after the full expiration of thirty days from the date of the warrant, to represent the expenses of said work and improvement. Said serial bonds shall extend over a period of nine years from the second day of January next succeeding the fifteenth day of the next November following their date, and an even annual proportion of the principal sum thereof shall be payable by coupon on the second day of January every year after the fifteenth day of the next November following their date until the whole is paid. Said bonds shall bear interest at the rate of seven per cent. per annum, interest payable semi-annually by coupon, on all sums unpaid until the whole of said principal and interest are paid. Said bonds shall be issued and the principal and interest thereof shall be paid under and in pursuance of the Improvement Act of 1911, and amendments thereto.

That the contemplated work and improvement hereinbefore mentioned is in the opinion of said Common Council of more than local and ordinary public benefit, and the expenses of such work and improvement are made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to-wit: All that real property in the said City of San Diego included within the exterior boundary lines of said district, as shown upon that certain plat No. 1130, indicating the exterior boundary lines of such district, which plat, approved by the Common Council, is on file in the Office of the City Engineer of said City; excepting therefrom all public streets, roads, alleys, avenues and highways. Reference is hereby made to said plat for a particular description of such district.

NOTICE IS HEREBY GIVEN, that on Monday, the 30th day of April, 1928, at 10:00 o'clock A.M., in the Council Chamber of the City Hall of said The City of San Diego, any and all persons having any objections to the proposed work or improvement may appear before said Common Council and show cause why said proposed improvement should not be carried out in accordance with this Resolution.

That the Clerk of said City be, and he is hereby directed to cause this Resolution of Intention to be published twice in the Evening Tribune, a daily newspaper published and circulated in said City, and hereby designated for that purpose by the Common Council.

That the Street Superintendent of said City shall, after the adoption of this Resolution of Intention, cause to be conspicuously posted along the line of said contemplated work or improvement, at not more than three hundred feet in distance apart, but not less than three in all, notices of the passage of this Resolution of Intention, and when the work to be done is only upon an entire crossing or intersection, or any part thereof, he shall cause such notices to be conspicuously posted in front of each quarter block or irregular block liable to be assessed, and when the work is chargeable upon a district, he shall cause such notices to be conspicuously posted upon all open Streets within such district at not more than three hundred feet in distance apart on each Street so posted; all in the time, form and manner required by law; and thereupon said Superintendent of Streets shall cause to be filed in the Office of the City Clerk of said City, an affidavit showing the posting of said notices of improvement.

The Common Council does not deem it advisable that the Clerk mail copies of the Notice of Improvement to owners or reputed owners, and he is not required to mail the same.

All of the herein proposed work shall be done in pursuance of an Act of the Legislature of the State of California, designated as the "Improvement Act of 1911," approved April 7, 1911, and amendments thereto.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 2nd day of April, 1928, by the following vote, to-wit:

RESOLUTION OF INTENTION NO. 45029  
29TH STREET.

RESOLVED, that it is the intention of the Common Council of the City of San Diego, California, to order the following work to be done and improvement to be made in said City, to-wit:

That portions of 29TH STREET, in said City, between the south line of C Street and the north line of Broadway, be graded, and paved with a Portland cement concrete pavement, and that cement concrete sidewalk, cement concrete curbs, cast iron water main, connections, fittings and appurtenances, and cast iron gate valve, valve box and cover be constructed therein;

That the said work hereinabove described on 29TH STREET, between the south line of C Street and the north line of Broadway, shall be done to the modified grade shown and indicated upon the plans and profiles on file in the Office of the City Clerk of said City, and hereinafter referred to; and reference is hereby made to said plans and profiles for the description of the grade at which the work is to be done.

All of the said work hereinbefore generally described shall be constructed in the manner, at the locations, within the limits, of the materials, and of the dimensions as shown upon and in accordance with the plans, profiles, drawings, typical cross-sections and specifications therefor contained in Document No. 219621, on file in the Office of the City Clerk of said City, and copies of which are on file in the Office of the City Engineer of said City, and by this reference thereto all said plans, profiles, drawings, typical cross-sections and specifications are made a part hereof.

The said Common Council hereby determines and declares that serial bonds shall be issued to represent each assessment of twenty-five dollars or more remaining unpaid after the full expiration of thirty days from the date of the warrant, to represent the expenses of said work and improvement. Said serial bonds shall extend over a period of nine years from the second day of January next succeeding the fifteenth day of the next November following their date, and an even annual proportion of the principal sum thereof shall be payable by coupon on the second day of January every year after the fifteenth day of the next November following their date until the whole is paid. Said bonds shall bear interest at the rate of seven per cent. per annum, interest payable semi-annually by coupon, on all sums unpaid until the whole of said principal and interest are paid. Said bonds shall be issued and the principal and interest thereof shall be paid under and in pursuance of the Improvement Act of 1911, and amendments thereto.

That the contemplated work and improvement hereinbefore mentioned is in the opinion of said Common Council of more than local and ordinary public benefit, and the expenses of

such work and improvement are made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to-wit: All that real property in the said City of San Diego included within the exterior boundary lines of said district, as shown upon that certain plat No. 1189, indicating the exterior boundary lines of such district, which plat, approved by the Common Council, is on file in the Office of the City Engineer of said City; excepting therefrom all public streets, roads, alleys, avenues and highways. Reference is hereby made to said plat for a particular description of such district.

NOTICE IS HEREBY GIVEN, that on Monday, the 30th day of April, 1928, at 10:00 o'clock A.M., in the Council Chamber of the City Hall of said The City of San Diego, any and all persons having any objections to the proposed work or improvement, or to the modified grade to which said work is to be done, may appear before said Common Council and show cause why said proposed improvement should not be carried out in accordance with this Resolution.

That the Clerk of said City be, and he is hereby directed to cause this Resolution of Intention to be published twice in the Evening Tribune, a daily newspaper published and circulated in said City, and hereby designated for that purpose by the Common Council.

That the Street Superintendent of said City shall, after the adoption of this Resolution of Intention, cause to be conspicuously posted along the line of said contemplated work or improvement, at not more than three hundred feet in distance apart, but not less than three in all, notices of the passage of this Resolution of Intention, and when the work to be done is only upon an entire crossing or intersection, or any part thereof, he shall cause such notice to be conspicuously posted in front of each quarter block or irregular block liable to be assessed, and when the work is chargeable upon a district, he shall cause such notices to be conspicuously posted upon all open streets within such district at not more than three hundred feet in distance apart on each Street so posted; all in the time, form and manner required by law; and thereupon said Superintendent of Streets shall cause to be filed in the Office of the City Clerk of said City, an affidavit showing the posting of said notices of improvement.

The Common Council does not deem it advisable that the Clerk mail copies of the notice of improvement to owners or reputed owners, and he is not required to mail the same.

All of the herein proposed work shall be done in pursuance of an Act of the Legislature of the State of California, designated as the "Improvement Act of 1911", approved April 7, 1911, and amendments thereto.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 2nd day of April, 1928, by the following vote, to-wit:

AYES-Councilmen Bruschi, Dowell, Maire, McMullen and Seifert

RESOLVED, that it is the intention of the Common Council of the City of San Diego, California, to order the following work to be done and improvement to be made in said City, to-wit:

That portions of 32ND STREET, in said City, between the north line of El Cajon Avenue and the south line of Collier Avenue, be paved with a two-inch asphalt concrete wear-

ing surface laid upon a four-inch asphalt concrete base, and that cement concrete curbs, cement concrete sewer laterals and appurtenances, cast iron water main, connections, fittings and appurtenances, cast iron gate valves, valve boxes and covers, cast iron fire hydrants, connections, fittings and appurtenances, and copper water service connections and appurtenances be constructed therein.

That portions of BANCROFT STREET, in said City, between the north line of El Cajon Avenue and the south line of Copley Avenue, be paved with a two-inch asphalt concrete wearing surface laid upon a four-inch asphalt concrete base, and that cement concrete curbs, cement concrete sewer laterals and appurtenances, cast iron water main, connections, fittings and appurtenances, cast iron gate valves, valve boxes and covers, and copper water service connections and appurtenances be constructed therein.

All of the said work hereinbefore generally described shall be constructed in the manner, at the locations, within the limits, of the materials, and of the dimensions as shown upon and in accordance with the plans, profiles, drawings, typical cross-sections and specifications therefor contained in Document No. 216221, on file in the Office of the City Clerk of said City, and copies of which are on file in the Office of the City Engineer of said City, and by this reference thereto all said plans, profiles, drawings, typical cross-sections and specifications are made a part hereof.

The said Common Council hereby determines and declares that serial bonds shall be issued to represent each assessment of twenty-five dollars or more remaining unpaid after the full expiration of thirty days from the date of the warrant, to represent the expenses of said work and improvement. Said serial bonds shall extend over a period of nine years from the second day of January next succeeding the fifteenth day of the next November following their date, and an even annual proportion of the principal sum thereof shall be payable by coupon on the second day of January every year after the fifteenth day of the next November following their date until the whole is paid. Said bonds shall bear interest at the rate of seven per cent. per annum, interest payable semi-annually by coupon, on all sums unpaid until the whole of said principal and interest are paid. Said bonds shall be issued and the principal and interest thereof shall be paid under and in pursuance of the Improvement Act of 1911, and amendments thereto.

That the contemplated work and improvement hereinbefore mentioned is in the opinion of said Common Council of more than local and ordinary public benefit, and the expenses of such work and improvement are made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to-wit: All that real property in the said City of San Diego included within the exterior boundary lines of said district, as shown upon that certain plat No. 1107, indicating the exterior boundary lines of such district, which plat, approved by the Common Council, is on file in the Office of the City Engineer of said City; excepting therefrom all public streets, roads, alleys, avenues and highways. Reference is hereby made to said plat for a particular description of such district.

NOTICE IS HEREBY GIVEN, that on Monday, the 7th day of May, 1928, at 10:00 o'clock A.M., in the Council Chamber of the City Hall of said The City of San Diego, any and all persons having any objections to the proposed work or improvement may appear before said Common Council and show cause why said proposed improvement should not be carried out in accordance with this Resolution.

That the Clerk of said City be, and he is hereby directed to cause this Resolution of Intention to be published twice in the Evening Tribune, a daily newspaper published and circulated in said City, and hereby designated for that purpose by the Common Council.

That the Street Superintendent of said City shall, after the adoption of this Resolution of Intention, cause to be conspicuously posted along the line of said contemplated work or improvement, at not more than three hundred feet in distance apart, but not less than three in all, notices of the passage of this Resolution of Intention, and when the work to be done is only upon an entire crossing or intersection, or any part thereof, he shall cause such notices to be conspicuously posted in front of each quarter block or irregular block liable to be assessed, and when the work is chargeable upon a district, he shall cause such notices to be conspicuously posted upon all open Streets within such district at not more than three hundred feet in distance apart on each Street so posted; all in the time, form and manner required by law; and thereupon said Superintendent of Streets shall cause to be filed in the Office of the City Clerk of said City, an affidavit showing the posting of said notices of improvement.

The Common Council does not deem it advisable that the Clerk mail copies of the Notice of Improvement to owners or reputed owners, and he is not required to mail the same.

All of the herein proposed work shall be done in pursuance of an Act of the Legislature of the State of California, designated as the "Improvement Act of 1911," approved April 7, 1911, and amendments thereto.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 9th day of April, 1928, by the following vote, to-wit:

Said Common Council does hereby order that four-fifths of the costs and expenses of said improvement shall be assessed upon the district above described, and one-fifth of the costs and expenses of said improvement shall be paid out of the Treasury of said City, from the Street Light Fund of said City.

BE IT FURTHER RESOLVED, that this Common Council by virtue of authority vested in it by provisions of Chapter 620 of the Statutes of the State of California, approved June 4, 1915 (Statutes 1915, page 1171) and acts amendatory thereof and supplemental thereto, does hereby determine to exercise the right, to the exclusion of all other bidders, to acquire in the name of the City of San Diego, California, at the sale for any delinquency arising from the non-payment of any assessment which shall be made and levied in these proceedings, any lien which shall accrue, or any property which is required to be sold, under the said law appertaining to said proceedings, for the non-payment of any such assessment or any delinquency incurred by the non-payment thereof.

That the Superintendent of the Purchasing Department of the City of San Diego, California, be, and he is hereby designated for the purpose, and is hereby directed to attend at any sale of property to be made for any delinquency of any assessment to be made and levied in this proceeding and at such sale he is hereby empowered to bid in and acquire, in the name of the City of San Diego, California, to the exclusion of other bidders, all liens and delinquent property at such delinquent sales.

That the proposed improvement is hereby referred to the City Engineer of said City, and said City Engineer is hereby directed to make and file, with the Clerk of said Common Council, a report, in writing, presenting the following:

- 1. Plans and specifications for the work required in order to make said improvements;
- 2. An estimate of the cost of said improvement and of the incidental expenses in connection therewith;
- 3. A diagram showing the district above referred to, and also the boundaries and dimensions of the respective subdivision of the land within said district, each of which subdivisions shall be given a separate number in red ink upon said diagram.
- 4. A proposed assessment of the total amount of the costs and expenses of the proposed improvement upon the several subdivisions of land in said district in proportion to the estimated benefits to be received by such subdivisions, respectively, from said improvement; provided, that whenever any portion of percentage of the cost and expenses of such improvement is ordered to be paid out of the treasury of the municipality, as hereinabove provided, the amount of such portion or percentage shall first be deducted from the total estimated cost and expenses of such improvement, and the assessment upon property, proposed in said report, shall include only the remainder of said estimated costs and expenses. Said assessment shall refer to such subdivisions upon said diagram by the respective red ink numbers thereof, and shall show the names of the owners, if known, otherwise designating them as unknown. No mistake in the name of the owner of any parcel of land shall affect the validity of the assessment thereon.

This proceeding shall be designated as San Diego Lighting District No. 1.

That portions of SUTTER STREET, in said City, between the northerly productions of the easterly and westerly lines of Kite Street, be paved with a Portland cement concrete pavement;

That the ALLEY IN AMENDED MAP OF WINDER'S SUBDIVISION OF TEN-ACRE TRACT OF PUEBLO LOT 1122, lying north of and adjacent to Block 461, Amended Map of Winder's Subdivision of Ten-Acre Tract of Pueblo Lot 1122, in said City, between the easterly line of Kite Street and the westerly line of Jackdaw Street, be graded, and paved with a Portland cement concrete pavement.

All of the said work hereinbefore generally described shall be constructed in the manner, at the locations, within the limits, of the materials, and of the dimensions as shown upon and in accordance with the plans, profiles, drawings, typical cross-sections and specifications therefor contained in Document No. 221087, on file in the Office of the City Clerk of said City, and copies of which are on file in the Office of the City Engineer of said City, and by this reference thereto all said plans, profiles, drawings, typical cross-sections and specifications are made a part hereof.

The said Common Council hereby determines and declares that serial bonds shall be issued to represent each assessment of twenty-five dollars or more remaining unpaid after the full expiration of thirty days from the date of the warrant, to represent the expenses of said work and improvement. Said serial bonds shall extend over a period of nine years from the second day of January next succeeding the fifteenth day of the next November following their date, and an even annual proportion of the principal sum thereof shall be payable by coupon on the second day of January every year after the fifteenth day of the next November following their date until the whole is paid. Said bonds shall bear interest at the rate of seven per cent. per annum, interest payable semi-annually by coupon, on all sums unpaid until the whole of said principal and interest are paid. Said bonds shall be issued and the principal and interest thereof shall be paid under and in pursuance of the Improvement Act of 1911, and amendments thereto.

That the contemplated work and improvement hereinbefore mentioned is in the opinion of said Common Council of more than local and ordinary public benefit, and the expenses of such work and improvement are made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to-wit: All that real property in the said City of San Diego included within the exterior boundary lines of said district, as shown upon that certain plat No. 1094, indicating the exterior boundary lines of such district, which plat, approved by the Common Council, is on file in the Office of the City Engineer of said City; excepting therefrom all public streets, roads, alleys, avenues and highways. Reference is hereby made to said plat for a particular description of such district.

NOTICE IS HEREBY GIVEN, that on Monday, the 14th day of May, 1928, at 10:00 o'clock A.M., in the Council Chamber of the City Hall of said the City of San Diego, any and all persons having any objections to the proposed work or improvement, or to the modified grade to which said work is to be done, may appear before said Common Council and show cause why said proposed improvement should not be carried out in accordance with this Resolution.

That the Clerk of said City be, and he is hereby directed to cause this Resolution of Intention to be published twice in the Evening Tribune, a daily newspaper published and circulated in said City, and hereby designated for that purpose by the Common Council.

That the Street Superintendent of said City shall, after the adoption of this Resolution of Intention, cause to be conspicuously posted along the line of said contemplated work or improvement, at not more than three hundred feet in distance apart, but not less than three in all, notices of the passage of this Resolution of Intention, and when the work to be done is only upon an entire crossing or intersection, or any part thereof, he shall cause such notices to be conspicuously posted in front of each quarter block or irregular block liable to be assessed, and when the work is chargeable upon a district, he shall cause such

notices to be conspicuously posted upon all open streets within such district at not more than three hundred feet in distance apart on each Street so posted; all in the time, form and manner required by law; and thereupon said Superintendent of Streets shall cause to be filed in the Office of the City Clerk of said City, an affidavit showing the posting of said notices of improvement.

The Common Council does not deem it advisable that the Clerk mail copies of the notice of improvement to owners or reputed owners, and he is not required to mail the same.

All of the herein proposed work shall be done in pursuance of an Act of the Legislature of the State of California, designated as the "Improvement Act of 1911", approved April 7, 1911, and amendments thereto.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 16th day of April, 1928, by the following vote, to-wit:

#### RESOLUTION OF INTENTION NO. 45210

#### JAMES STREET AND ROSECRANS STREET.

RESOLVED, that it is the intention of the Common Council of the City of San Diego, California, to order the following work to be done and improvement to be made in said City, to-wit:

That portions of JAMES STREET, in said City, between the northwesterly line of Rosecrans Street and the southeasterly line of Chatsworth Boulevard, be paved with a two-inch asphalt concrete wearing surface laid upon a four-inch asphalt concrete base; also, as a part of said work, the surfacing of the existing cement concrete gutters with a four-inch asphalt concrete wearing surface, within the above described limits;

That the said work hereinabove described on JAMES STREET, between the southeasterly line of Chatsworth Boulevard and the northwesterly line of Rosecrans Street, shall be done to the grade shown and indicated upon the plans and profiles on file in the Office of the City Clerk of said City, and hereinafter referred to; and reference is hereby made to said plans and profiles for the description of the grade at which the work is to be done.

That portions of ROSECRANS STREET, in said City, between a line drawn parallel to and distant 35 feet southwesterly from the southeasterly production of the southwesterly line of James Street and a line drawn parallel to and distant 35 feet northeasterly from the southeasterly production of the northeasterly line of James Street, be paved with a two-inch asphalt concrete wearing surface laid upon a four-inch asphalt concrete base; also, as a part of said work, the surfacing of the existing cement concrete gutters with a four-inch asphalt concrete wearing surface, within the above described limits.

All of the said work hereinbefore generally described shall be constructed in the manner, at the locations, within the limits, of the materials, and of the dimensions as shown upon and in accordance with the plans, profiles, drawings, typical cross-sections and specifications therefor contained in Document No. 220345, on file in the Office of the City Clerk of said City, and copies of which are on file in the Office of the City Engineer of said City, and by this reference thereto all said plans, profiles, drawings, typical cross-sections and specifications are made a part hereof.

The said Common Council hereby determines and declares that serial bonds shall be issued to represent each assessment of twenty-five dollars or more remaining unpaid after the full expiration of thirty days from the date of the warrant, to represent the expenses of said work and improvement. Said serial bonds shall extend over a period of nine years from the second day of January next succeeding the fifteenth day of the next November following their date, and an even annual proportion of the principal sum thereof shall be payable by coupon on the second day of January every year after the fifteenth day of the next November following their date until the whole is paid. Said bonds shall bear interest at the rate of seven per cent. per annum, interest payable semi-annually by coupon, on all sums unpaid until the whole of said principal and interest are paid. Said bonds shall be issued and the principal and interest thereof shall be paid under and in pursuance of the Improvement Act of 1911, and amendments thereto.

That the contemplated work and improvement hereinbefore mentioned is in the opinion of said Common Council of more than local and ordinary public benefit, and the expenses of such work and improvement are made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Reference is hereby made to said plat for a particular description of such district.

NOTICE IS HEREBY GIVEN, that on Monday, the 14th day of May, 1928, at 10:00 o'clock A.M., in the Council Chamber of the City Hall of said The City of San Diego, any and all persons having any objections to the proposed work or improvement, or to the grade to which said work is to be done, may appear before said Common Council and show cause why said proposed improvement should not be carried out in accordance with this Resolution.

That the Clerk of said City be, and he is hereby directed to cause this Resolution of Intention to be published twice in the Evening Tribune, a daily newspaper published and circulated in said City, and hereby designated for that purpose by the Common Council.

That the Street Superintendent of said City shall, after the adoption of this Resolution of Intention, cause to be conspicuously posted along the line of said contemplated work or improvement, at not more than three hundred feet in distance apart, but not less than three in all, notices of the passage of this Resolution of Intention, and when the work to be done is only upon an entire crossing or intersection, or any part thereof, he shall cause such notices to be conspicuously posted in front of each quarter block or irregular block liable to be assessed, and when the work is chargeable upon a district, he shall cause

such notices to be conspicuously posted upon all open Streets within such district at not more than three hundred feet in distance apart on each Street so posted; all in the time, form and manner required by law; and thereupon said Superintendent of Streets shall cause to be filed in the Office of the City Clerk of said City, an affidavit showing the posting of said notices of improvement.

The Common Council does not deem it advisable that the Clerk mail copies of the notice of improvement to owners or reputed owners, and he is not required to mail the same.

All of the herein proposed work shall be done in pursuance of an Act of the Legislature of the State of California, designated as the "Improvement Act of 1911," approved April 7, 1911, and amendments thereto.

RESOLUTION OF INTENTION NO. 45212  
 CYPRESS AVENUE.

RESOLVED, that it is the intention of the Common Council of the City of San Diego, California, to order the following work to be done and improvement to be made in said City, to-wit:

That portions of CYPRESS AVENUE, in said City, between the westerly line of Richmond Street and a line drawn parallel to and distant 25 feet westerly from the southerly production of the westerly line of Vermont Street, be graded, and that cement concrete curbs, cement concrete sidewalks, cement concrete curb inlets and appurtenances, corrugated iron pipe culverts, connections, fittings and appurtenances, and wire link highway guard fence and appurtenances be constructed therein.

All of the said work hereinbefore generally described shall be constructed in the manner, at the locations, within the limits, of the materials, and of the dimensions as shown upon and in accordance with the plans, profiles, drawings, typical cross-sections and specifications therefor contained in Document No. 220351, on file in the Office of the City Clerk of said City, and copies of which are on file in the Office of the City Engineer of said City, and by this reference thereto all said plans, profiles, drawings, typical cross-sections and specifications are made a part hereof.

The said Common Council hereby determines and declares that serial bonds shall be issued to represent each assessment of twenty-five dollars or more remaining unpaid after the full expiration of thirty days from the date of the warrant, to represent the expenses of said work and improvement. Said serial bonds shall extend over a period of nine years from the second day of January next succeeding the fifteenth day of the next November following their date, and an even annual proportion of the principal sum thereof shall be payable by coupon on the second day of January every year after the fifteenth day of the next November following their date until the whole is paid. Said bonds shall bear interest at the rate of seven per cent. per annum, interest payable semi-annually by coupon, on all sums unpaid until the whole of said principal and interest are paid. Said bonds shall be issued and the principal and interest thereof shall be paid under and in pursuance of the Improvement Act of 1911, and amendments thereto.

That the contemplated work and improvement hereinbefore mentioned is in the opinion of said Common Council of more than local and ordinary public benefit, and the expenses of such work and improvement are made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. RESOLUTION OF INTENTION NO. 45290  
ORNAMENTAL LIGHTING SYSTEM ON FIFTH AVENUE.

RESOLVED, that it is the intention of the Common Council of the City of San Diego, California, to order the following work to be done and improvement to be made in said City, to-wit:

That an ORNAMENTAL LIGHTING SYSTEM, consisting of pressed steel lighting standards, cement concrete foundations, globes, refractors, lamps, canopies, safety coils, metal conduits, cables, wires, fittings and appurtenances, be constructed in, over and across portions of FIFTH AVENUE, in said City, between the south curb line of Ash Street and the north line of K Street.

All of the said work hereinbefore generally described shall be constructed in the manner, at the locations, within the limits, of the materials, and of the dimensions as shown upon and in accordance with the plans, profiles, drawings, typical cross-sections and specifications therefor contained in Document No. 221689, on file in the Office of the City Clerk of said City, and copies of which are on file in the Office of the City Engineer of said City, and by this reference thereto all said plans, profiles, drawings, typical cross-sections and specifications are made a part hereof.

The said Common Council hereby determines and declares that serial bonds shall be issued to represent each assessment of twenty-five dollars or more remaining unpaid after the full expiration of thirty days from the date of the warrant, to represent the expenses of said work and improvement. Said serial bonds shall extend over a period of nine years from the second day of January next succeeding the fifteenth day of the next November following their date, and an even annual proportion of the principal sum thereof shall be payable by coupon on the second day of January every year after the fifteenth day of the next November following their date until the whole is paid. Said bonds shall bear interest at the rate of seven per cent. per annum, interest payable semi-annually by coupon, on all sums unpaid until the whole of said principal and interest are paid. Said bonds shall be issued and the principal and interest thereof shall be paid under and in pursuance of the Improvement Act of 1911, and amendments thereto.

That the contemplated work and improvement hereinbefore mentioned is in the opinion of said Common Council of more than local and ordinary public benefit, and the expenses of such work and improvement are made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to-wit: All that real property in the said City of San Diego included within the exterior boundary lines of said district, as shown upon that certain plat No. 1137, indicating the exterior boundary lines of such district, which plat, approved by the Common Council, is on file in the Office of the City Engineer of said City; excepting therefrom all public streets, roads, alleys, avenues and highways. Reference is hereby made to said plat for a particular description of such district.

NOTICE IS HEREBY GIVEN, that on Monday, the 21st day of May, 1928, at 10:00 o'clock A.M., in the Council Chamber of the City Hall of said The City of San Diego, any and all persons having any objections to the proposed work or improvement may appear before said Common Council and show cause why said proposed improvement should not be carried out in accordance with this Resolution.

That the Clerk of said City be, and he is hereby directed to cause this Resolution of Intention to be published twice in the Evening Tribune, a daily newspaper published and circulated in said City, and hereby designated for that purpose by the Common Council.

That the Street Superintendent of said City shall, after the adoption of this Resolution of Intention, cause to be conspicuously posted along the line of said contemplated work or improvement, at not more than three hundred feet in distance apart, but not less than three in all, notices of the passage of this Resolution of Intention, and when the work to be done is only upon an entire crossing or intersection, or any part thereof, he shall cause such notices to be conspicuously posted in front of each quarter block or irregular block liable to be assessed, and when the work is chargeable upon a district, he shall cause such notices to be conspicuously posted upon all open Streets within such district at not more than three hundred feet in distance apart on each Street so posted; all in the time, form and manner required by law; and thereupon said Superintendent of Streets shall cause to be filed in the Office of the City Clerk of said City, an affidavit showing the posting of said notices of improvement.

The Common Council does not deem it advisable that the Clerk mail copies of the Notice of Improvement to owners or reputed owners, and he is not required to mail the same.

All of the herein proposed work shall be done in pursuance of an Act of the Legislature of the State of California, designated as the "Improvement Act of 1911," approved April 7, 1911, and amendments thereto.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 23rd day of April, 1928, by the following vote, to-wit:

AYES-Councilmen Dowell, Maire, McMullen and Seifert

NOES-None

ABSENT-Councilman Bruschi

FRANK W. SEIFERT

President pro tempore of the Common Council of the  
City of San Diego, California.

I HEREBY CERTIFY that the above and foregoing Resolution of Intention was passed by the Common Council of the said City of San Diego, at the time and by the vote above stated.

That the contemplated work and improvement hereinbefore mentioned is in the opinion of said Common Council of more than local and ordinary public benefit, and the expenses of such work and improvement are made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to-wit: All that real property in the said City of San Diego included within the exterior boundary lines of said district, as shown upon that certain plat No. 1245, indicating the exterior boundary lines of such district, which plat, approved by the Common Council, is on file in the Office of the City Engineer of said City; excepting therefrom all public streets, roads, alleys, avenues and highways. Reference is hereby made to said plat for a particular description of such district.

NOTICE IS HEREBY GIVEN, that on Monday, the 21st day of May, 1928, at 10:00 o'clock A.M. in the Council Chamber of the City Hall of said The City of San Diego, any and all persons having any objections to the proposed work or improvement may appear before said Common Council and show cause why said proposed improvement should not be carried out in accordance with this Resolution.

That the Clerk of said City be, and he is hereby directed to cause this Resolution of Intention to be published twice in the Evening Tribune, a daily newspaper published and circulated in said City, and hereby designated for that purpose by the Common Council.

That the Street Superintendent of said City shall, after the adoption of this Resolution of Intention, cause to be conspicuously posted along the line of said contemplated work or improvement, at not more than three hundred feet in distance apart, but not less than three in all, notices of the passage of this Resolution of Intention, and when the work to be done is only upon an entire crossing or intersection, or any part thereof, he shall cause such notices to be conspicuously posted in front of each quarter block or irregular block liable to be assessed, and when the work is chargeable upon a district, he shall cause such notices to be conspicuously posted upon all open Streets within such district at not more than three hundred feet in distance apart on each Street so posted; all in the time, form and manner required by law; and thereupon said Superintendent of Streets shall cause to be filed in the Office of the City Clerk of said City, an affidavit showing the posting of said notices of improvement.

The Common Council does not deem it advisable that the Clerk mail copies of the Notice of Improvement to owners or reputed owners, and he is not required to mail the same.

All of the herein proposed work shall be done in pursuance of an Act of the Legislature of the State of California, designated as the "Improvement Act of 1911," approved April 7, 1911, and amendments thereto.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 23rd day of April, 1928, by the following vote, to-wit:

WHEREAS, there is now and for many years last past has been, a grade crossing  
across the tracks of the San Diego Electric Railway Company connecting the Northerly end of  
Midway Drive with the Southerly end of Newark Street in the City of San Diego, and said Rail-  
way Company has planked said crossing and allowed it to be used as and for a public highway  
across said tracks, and a bridge has been constructed across the waterway between the said  
railway tracks and the said Newark Street, and the said crossing is the only means of access  
of the residents in Drucker's Subdivision and other points Northerly to the City of San Diego;  
and

WHEREAS, said crossing has never been officially authorized and approved by the  
Railroad Commission of the State of California; and

WHEREAS, the said Railway Company has consented to the establishment of such cross-  
ing as evidenced by their consent in writing on file;

NOW, THEREFORE, THE COMMON COUNCIL OF THE CITY OF SAN DIEGO, CALIFORNIA, HEREBY  
RESOLVE AS FOLLOWS:

Section 1. That application be made to the Railroad Commission of the State of  
California for approval of the existing grade crossing across the railway tracks of the San  
Diego Electric Railway Company between Midway Drive and Newark Street, as shown upon the  
Map of plat attached hereto.

Section 2. That such application be signed by the Clerk of this Council; and the  
said Clerk be, and he is hereby authorized and instructed to sign such application and trans-  
mit the same, together with the said written consent of the said Railway Company, to the

OF THE CITY OF SAN DIEGO FOR PER-  
MISSION TO CONSTRUCT A GRADE CROSS-  
ING ACROSS THE TRACKS OF THE SAN  
DIEGO ELECTRIC RAILWAY COMPANY BE-  
TWEEN MIDWAY DRIVE AND NEWARK STREET)

A P P L I C A T I O N

The petition of the City of San Diego, California, respectfully shows:

I.

That it is desirous of constructing a grade crossing across the railway tracks of  
the San Diego Electric Railway Company in the City of San Diego, between Midway Drive and  
Newark Street.

II.

That the said crossing is now and for many years last past has been in actual use  
by the public with the consent of the Railway Company.

III.

That attached hereto is a map showing the location of the said tracks and proposed  
crossing; and also attached hereto is a copy of a letter from the San Diego Electric Railway  
Company to the Council of said City consenting to the establishment of the said grade crossing.

IV.

That a separation of grade is not practicable under the circumstances for the rea-  
son that said crossing is at present upon the dike of the United States Government protecting  
the banks of the San Diego River from overflow.

V.

That there is no grade crossing across the tracks of the said Railway Company with-  
in a mile of the one desired, and no crossing serving the territory laying Northerly of the  
tracks of the said Railway Company.

VI.

That attached hereto is a certified copy of the Resolution of the Common Council  
of the City of San Diego authorizing the making of this application.

WHEREFORE, your applicant requests authority to construct such crossing, and asks  
that the application be granted ex parte.

across the tracks of the San Diego Electric  
Railway Company between Midway Drive and  
Newark Street.

Gentlemen:

The San Diego Electric Railway Company will make no objection to the Railroad Commission granting permission to the City of San Diego for a grade crossing across the tracks of this Company, between Midway Drive and Newark Street; provided said Company is not required to stand any part of the expense of the construction of said crossing.

Said Company also agrees to execute an easement or permit for such crossing to the City of San Diego, upon the aforesaid condition, in the event that said application by the City of San Diego is granted by your Commission.

Very Truly yours,

## R E S O L U T I O N NO. 45386

BE IT RESOLVED by the Common Council of the City of San Diego, as follows:

That a majority of the members of the Common Council of the City of San Diego be, and they are hereby authorized to enter into an agreement for the renewal of option with Ray Trussell and May R. Trussell, husband and wife, wherein the said Ray Trussell and May R. Trussell conveys to the City of San Diego an exclusive option for a period of one (1) year, beginning May 1st, 1928, to purchase certain real property belonging to the said Ray Trussell and May R. Trussell, located in the San Pasqual Valley, in the County of San Diego, State of California, for the sum of twelve thousand eight hundred dollars (\$12,800.00); said option to be a renewal of that granted to the City of San Diego by that certain agreement between the City and Ray Trussell and May R. Trussell, executed on the 26th day of April, 1927, and which is contained in Document No. 205775, on file in the Office of the City Clerk of said City.

That the City Clerk of said City be, and he is hereby authorized and directed to file said agreement for renewal of option of record in the Office of the County Recorder of San Diego County, California.

## RESOLUTION OF INTENTION NO. 45387

ALLEY IN BLOCK 19, SUBDIVISION OF LOTS 20 to 50, BLOCK N, TERALTA.

RESOLVED, that it is the intention of the Common Council of the City of San Diego, California, to order the following work to be done and improvement to be made in said City, to-wit:

That the ALLEY IN BLOCK 19, SUBDIVISION OF LOTS 20 TO 50, BLOCK N, TERALTA, in said City, between the south line of Orange Avenue and the north line of Polk Avenue, be graded, and paved with a Portland cement concrete pavement, and that cement concrete sewer laterals and appurtenances, and copper water service connection and appurtenances be constructed therein.

All of the said work hereinbefore generally described shall be constructed in the manner, at the locations, within the limits, of the materials, and of the dimensions as shown upon and in accordance with the plans, profiles, drawings, typical cross-sections and specifications therefor contained in Document No. 220756, on file in the Office of the City Clerk of said City, and copies of which are on file in the Office of the City Engineer of said City, and by this reference thereto all said plans, profiles, drawings, typical cross-sections and specifications are made a part hereof.

The said Common Council hereby determines and declares that serial bonds shall be issued to represent each assessment of twenty-five dollars or more remaining unpaid after the full expiration of thirty days from the date of the warrant, to represent the expenses of said work and improvement. Said serial bonds shall extend over a period of nine years from the second day of January next succeeding the fifteenth day of the next November following their date, and an even annual proportion of the principal sum thereof shall be payable by coupon on the second day of January every year after the fifteenth day of the next November following their date until the whole is paid. Said bonds shall bear interest at the rate of seven per cent. per annum, interest payable semi-annually by coupon, on all sums unpaid until the whole of said principal and interest are paid. Said bonds shall be issued and the principal and interest thereof shall be paid under and in pursuance of the Improvement Act of 1911, and amendments thereto.

That the contemplated work and improvement hereinbefore mentioned is in the opinion of said Common Council of more than local and ordinary public benefit, and the expenses of such work and improvement are made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to-wit: All that real property in the said City of San Diego included within the exterior boundary lines of said district, as shown upon that certain plat No. 1246, indicating the exterior boundary lines of such district, which plat, approved by the Common Council, is on file in the Office of the City Engineer of said City; excepting therefrom all public streets, roads, alleys, avenues and highways. Reference is hereby made to said plat for a particular description of such district.

NOTICE IS HEREBY GIVEN, that on Monday, the 28th day of May, 1928, at 10:00 o'clock A.M., in the Council Chamber of the City Hall of said The City of San Diego, any and all persons having any objections to the proposed work or improvement may appear before said Common Council and show cause why said proposed improvement should not be carried out in accordance with this Resolution.

That the Clerk of said City be, and he is hereby directed to cause this Resolution of Intention to be published twice in the Evening Tribune, a daily newspaper published and circulated in said City, and hereby designated for that purpose by the Common Council.

That the Street Superintendent of said City shall, after the adoption of this Resolution of Intention, cause to be conspicuously posted along the line of said contemplated work or improvement, at not more than three hundred feet in distance apart, but not less than three in all, notices of the passage of this Resolution of Intention, and when the work to be done is only upon an entire crossing or intersection, or any part thereof, he shall cause such notices to be conspicuously posted in front of each quarter block or irregular block liable to be assessed, and when the work is chargeable upon a district, he shall cause such notices to be conspicuously posted upon all open Streets within such district at not more than three hundred feet in distance apart on each Street so posted; all in the time, form and manner required by law; and thereupon said Superintendent of Streets shall cause to be filed in the Office of the City Clerk of said City, an affidavit showing the posting of said notices of improvement.

The Common Council does not deem it advisable that the Clerk mail copies of the Notice of Improvement to owners or reputed owners, and he is not required to mail the same.

All of the herein proposed work shall be done in pursuance of an Act of the Legislature of the State of California, designated as the "Improvement Act of 1911," approved April 7, 1911, and amendments thereto.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 30th day of April, 1928, by the following vote, to-wit:

AYES-Councilmen Dowell, McMullen and Seifert

NOES-None

ABSENT-Councilmen Bruschi and Maire

POLK AVENUE.

RESOLVED, that it is the intention of the Common Council of the City of San Diego, California, to order the following work to be done and improvement to be made in said City, to-wit:

That portions of POLK AVENUE, in said City, between the east line of Cherokee Avenue and the west line of 37th Street, be paved with a two-inch asphalt concrete wearing surface laid upon a four-inch asphalt concrete base, and that cement concrete curbs be constructed therein.

All of the said work hereinbefore generally described shall be constructed in the manner, at the locations, within the limits, of the materials, and of the dimensions as shown upon and in accordance with the plans, profiles, drawings, typical cross-sections and specifications therefor contained in Document No. 220755, on file in the Office of the City Clerk of said City, and copies of which are on file in the Office of the City Engineer of said City, and by this reference thereto all said plans, profiles, drawings, typical cross-sections and specifications are made a part hereof.

The said Common Council hereby determines and declares that serial bonds shall be issued to represent each assessment of twenty-five dollars or more remaining unpaid after the full expiration of thirty days from the date of the warrant, to represent the expenses of said work and improvement. Said serial bonds shall extend over a period of nine years from the second day of January next succeeding the fifteenth day of the next November following their date, and an even annual proportion of the principal sum thereof shall be payable by coupon on the second day of January every year after the fifteenth day of the next November following their date until the whole is paid. Said bonds shall bear interest at the rate of seven per cent. per annum, interest payable semi-annually by coupon, on all sums unpaid until the whole of said principal and interest are paid. Said bonds shall be issued and the principal and interest thereof shall be paid under and in pursuance of the Improvement Act of 1911, and amendments thereto.

That the contemplated work and improvement hereinbefore mentioned is in the opinion of said Common Council of more than local and ordinary public benefit, and the expenses of such work and improvement are made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to-wit: All that real property in the said City of San Diego included within the exterior boundary lines of said district, as shown upon that certain plat No. 1234, indicating the exterior boundary lines of such district, which plat, approved by the Common Council, is on file in the Office of the City Engineer of said City; excepting therefrom all public streets, roads, alleys, avenues and highways. Reference is hereby made to said plat for a particular description of such district.

NOTICE IS HEREBY GIVEN, that on Monday, the 28th day of May, 1928, at 10:00 o'clock A.M., in the Council Chamber of the City Hall of said The City of San Diego, any and all persons having any objections to the proposed work or improvement may appear before said Common Council and show cause why said proposed improvement should not be carried out in accordance with this Resolution.

That the Clerk of said City be, and he is hereby directed to cause this Resolution of Intention to be published twice in the Evening Tribune, a daily newspaper published and circulated in said City, and hereby designated for that purpose by the Common Council.

That the Street Superintendent of said City shall, after the adoption of this Resolution of Intention, cause to be conspicuously posted along the line of said contemplated work or improvement, at not more than three hundred feet in distance apart, but not less than three in all, notices of the passage of this Resolution of Intention, and when the work to be done is only upon an entire crossing or intersection, or any part thereof, he shall cause such notices to be conspicuously posted in front of each quarter block or irregular block liable to be assessed, and when the work is chargeable upon a district, he shall cause such notices to be conspicuously posted upon all open Streets within such district at not more than three hundred feet in distance apart on each Street so posted; all in the time, form and manner required by law; and thereupon said Superintendent of Streets shall cause to be filed in the Office of the City Clerk of said City, an affidavit showing the posting of said notices of improvement.

The Common Council does not deem it advisable that the Clerk mail copies of the Notice of Improvement to owners or reputed owners, and he is not required to mail the same.

All of the herein proposed work shall be done in pursuance of an Act of the Legislature of the State of California, designated as the "Improvement Act of 1911," approved April 7, 1911, and amendments thereto.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 30th day of April, 1928, by the following vote, to-wit:

#### RESOLUTION OF INTENTION NO. 45498

##### ALLEY IN BLOCK 11, MISSION HILLS, FORT STOCKTON DRIVE, AND PUBLIC RIGHT-OF-WAY.

RESOLVED, that it is the intention of the Common Council of the City of San Diego, California, to order the following work to be done and improvement to be made in said City, to-wit:

That portions of the ALLEY IN BLOCK 11, MISSION HILLS, in said City, between the easterly line of St. James Place and the southwesterly line of Fort Stockton Drive, be graded, and paved with a Portland cement concrete pavement, and that a cement concrete catch-basin and appurtenances and cement concrete culvert, connections, fittings and appurtenances be constructed therein;

That a cement concrete curb outlet and appurtenances be constructed in portions of FORT STOCKTON DRIVE, in said City, between the northerly prolongation of the westerly line of Lot 26, Block 11, Mission Hills, and the northerly prolongation of the easterly line of Lot 25, Block 11, Mission Hills;

That a cement concrete culvert, connections, fittings and appurtenances, and cement concrete curb outlet and appurtenances be constructed in, over and across a PUBLIC RIGHT-OF-WAY over Lot 26, Block 11, Mission Hills, in said City.

All of the said work hereinbefore generally described shall be constructed in the manner, at the locations, within the limits, of the materials, and of the dimensions as shown upon and in accordance with the plans, profiles, drawings, typical cross-sections and specifications therefor contained in Document No. 221089, on file in the office of the City Clerk of said City, and copies of which are on file in the Office of the City Engineer of said City, and by this reference thereto all said plans, profiles, drawings, typical cross-sections and specifications are made a part hereof.

The said Common Council hereby determines and declares that serial bonds shall be issued to represent each assessment of twenty-five dollars or more remaining unpaid after the full expiration of thirty days from the date of the warrant, to represent the expenses of said work and improvement. Said serial bonds shall extend over a period of nine years from the second day of January next succeeding the fifteenth day of the next November following their date, and an even annual proportion of the principal sum thereof shall be payable by coupon on the second day of January every year after the fifteenth day of the next November following their date until the whole is paid. Said bonds shall bear interest at the rate of seven per cent. per annum, interest payable semi-annually by coupon, on all sums unpaid until the whole of said principal and interest are paid. Said bonds shall be issued and the principal and interest thereof shall be paid under and in pursuance of the Improvement Act of 1911, and amendments thereto.

That the contemplated work and improvement hereinbefore mentioned is in the opinion of said Common Council of more than local and ordinary public benefit, and the expenses of such work and improvement are made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to-wit: All that real property in the said City of San Diego included within the exterior boundary lines of said district, as shown upon that certain plat No. 1156, indicating the exterior boundary lines of such district, which plat, approved by the Common Council, is on file in the Office of the City Engineer of said City; excepting therefrom all public streets, roads, alleys, avenues and highways. Reference is hereby made to said plat for a particular description of such district.

NOTICE IS HEREBY GIVEN, that on Monday, the 4th day of June, 1928, at 10:00 o'clock A.M., in the Council Chamber of the City Hall of said The City of San Diego, any and all persons having any objections to the proposed work or improvement may appear before said Common Council and show cause why said proposed improvement should not be carried out in accordance with this Resolution.

That the Clerk of said City be, and he is hereby directed to cause this Resolution of Intention to be published twice in the Evening Tribune, a daily newspaper published and circulated in said City, and hereby designated for that purpose by the Common Council.

That the Street Superintendent of said City shall, after the adoption of this Resolution of Intention, cause to be conspicuously posted along the line of said contemplated work or improvement, at not more than three hundred feet in distance apart, but not less than three in all, notices of the passage of this Resolution of Intention, and when the work to be done is only upon an entire crossing or intersection, or any part thereof, he shall cause such notices to be conspicuously posted in front of each quarter block or irregular block liable to be assessed, and when the work is chargeable upon a district, he shall cause such notices to be conspicuously posted upon all open Streets within such district at not more than three hundred feet in distance apart on each Street so posted; all in the time, form and manner required by law; and thereupon said Superintendent of Streets shall cause to be filed in the Office of the City Clerk of said City, an affidavit showing the posting of said notices of improvement.

The Common Council does not deem it advisable that the Clerk mail copies of the Notice of Improvement to owners or reputed owners, and he is not required to mail the same.

All of the herein proposed work shall be done in pursuance of an Act of the Legislature of the State of California, designated as the "Improvement Act of 1911," approved April 7, 1911, and amendments thereto.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 7th day of May, 1928, by the following vote, to-wit:

#### Water Distribution System

The construction of a Water Distribution System for the purpose of supplying and distributing a domestic water supply by the installation of cast iron pipes, with gate valves, boxes, covers, hydrants, fittings, appliances, appurtenances, and copper pipe service connections, said water distribution system being generally located as follows: In and along the said 43rd Street between the said Market Street and the Southerly boundary line of said Market Street Addition; in and along said Carlos Street between the said Market Street and a point in the intersection of said Carlos Street with said K Street; thence Southeasterly along the Northeasterly side of said K Street to a point in the intersection of said K Street with the said Cavin Street; thence Southwesterly across said K Street and along the easement across the right of way of the San Diego & Arizona Railway Company to a point in the Southwesterly side of said K Street; thence Northwesterly along the Southwesterly side of said K Street to a connection with the water main to be constructed in the said 43rd Street hereinbefore described; in and along the said Cavin Street from the said Market Street to a connection with the water main to be constructed in the said K Street hereinbefore described; in and along the said 44th Street between the said Market Street and the Southerly boundary line of said

Market Street Addition; and in and along the said Flower Street between the said Market Street and the Southerly boundary line of said Market Street Addition. Also the construction of copper pipe service connections to the existing water main in the said Market Street between the said 43rd Street and the said 45th Street, and to the existing water main in the said 45th Street between the said Market Street and the southerly boundary line of said Market Street Addition.

#### SPECIFICATIONS

All of said work is to be done of the widths, lengths, thicknesses, at the locations, to the elevations, of the quantities, sizes and materials, and according to the plans, profiles, detail drawings, and Specifications therefor on file with the Clerk of this Council, entitled: "Specifications for Construction of Improvement in Acquisition and Improvement District No. 3 of the City of San Diego, California," except as the boundaries of the district and grades therein specified may be changed at the hearing of the matter hereinafter mentioned, which said Specifications are by this reference thereto made a part hereof, and to which all persons are referred for the estimated cost of the improvements (inclusive of incidental expenses and costs of the proceeding), and for a full and detailed description and location of said proposed improvements, and of the grades to which said improvements are to be constructed, and the notice of all persons affected is directed to the grades for the proposed improvements, and to the provisions of the said "Acquisition and Improvement Act of 1925", as amended, relating to grades. Particular notice is directed to the fact that substantial changes in the relation of abutting property to that of said public ways, as they will exist after being improved, will result from the construction of the above mentioned improvements to the proposed grades.

#### BONDS

That for the expenses of the things herein proposed to be done, bonds will be issued in accordance with the provisions of the said Act, as amended, to the total amount of the same, said bonds to bear interest at the rate of seven per cent (7%) per annum, payable semi-annually, the first interest payment to be made on the second day of January or the second day of July (whichever month first succeeds the date of the bonds) next succeeding one year after the date of such bonds, and the aggregate principal of all bonds issued under the proceeding to be paid and discharged within fifteen (15) years after the date of issuance, approximately one-eleventh (1/11) part of such aggregate principal to be paid annually, all in gold coin, and the first payment on the aggregate principal of the bonds issued will be made five (5) years after the issuance thereof.

#### ASSESSMENT DISTRICT

A special fund for the payment of said bonds will be constituted by the levy of special assessment taxes upon the lands within the assessment district, in accordance with the provisions of the said Act, as amended, according to the assessed value of said lands, exclusive of the improvements thereon, except as otherwise provided in the said Act, and in accordance with the zones and percentages as finally determined by this Council. Said district shall be known as "Acquisition and Improvement District No. 3 of the City of San Diego, California," and shall (unless changed at the hearing hereinafter mentioned) be composed of all the lands in the City of San Diego, County of San Diego, State of California, lying within exterior boundaries as follows, to-wit:

Beginning at the intersection of the Northerly line of Market Street with the Westerly line of 45th Street; thence Southeasterly in a direct line to the intersection of the Southerly line of said Market Street with the Easterly line of said 45th Street; thence Southerly and following the boundary line of Market Street Addition, according to Map thereof No. 2072 on file in the Office of the County Recorder of San Diego County, California, in all its variant changes in directions to the intersection of the Westerly boundary line of said Addition with the Northeasterly line of the right of way of the San Diego & Arizona Railway Company, as shown on the map of said Market Street Addition; thence Northwesterly along the said Northeasterly line of the said right of way to an intersection with a line parallel to and distant 50 feet Westerly from the Westerly line of said 43rd Street; thence Northerly and parallel to said Westerly line of 43rd Street to an intersection with the Southerly line of said J Street; thence Westerly along said Southerly line of J Street a distance of 12.5 feet; thence Northerly along a line parallel to the Westerly line of said 43rd Street to an intersection with the Northerly line of Lot 4, in Block 13, of Morrison's Marscene Park, according to Map thereof No. 1844, on file in the Office of said County Recorder; thence Easterly in a direct line to the Southwesterly corner of Lot 3, in said Block 13; thence Northerly in a direct line to the Northwesterly corner of said Lot 3; thence Easterly in a direct line to the Northeasterly corner of said Lot 3; thence Northeasterly in a direct line to the intersection of the Northerly line of said Market Street with the Easterly line of said 43rd Street; thence Easterly in a direct line to the point of beginning; Excepting therefrom all public streets, alleys, and highways, and excepting also any lands belonging to the United States Government or to the State of California.

#### Assessment District Zones

That in the judgment of this Common Council, varying benefits will be derived by the different parcels of land lying within said assessment district, and such varying benefits require that said district be divided into zones according to benefits. Therefore said district is divided into four (4) separate zones, to be known as "Zone A" to "Zone D", inclusive, and in the judgment of this Common Council in each of the said zones are included all the lands within the said district which will be benefited in like measure by the construction of the said improvements.

It is also further determined that the percentage of the sum to be raised each year by the levy and collection of special assessment taxes in said assessment district for the payment of the principal and interest of the bonds hereinbefore mentioned, which will be raised from the lands in each of said zones, shall be as follows:

From Zone "A"	94.843%
" " "B"	3.49%
" " "C"	.001%

#### RESOLUTION ORDERING WORK NO. 45577

##### SIGSBEE STREET.

THE COMMON COUNCIL OF THE CITY OF SAN DIEGO, STATE OF CALIFORNIA, HEREBY RESOLVE AS FOLLOWS:

That the public interest and convenience require the work hereinafter described to be done, and therefore this Common Council hereby orders the following work to be done and improvement to be made in said City, to-wit:

All the Street work and improvement described in Resolution of Intention No. 45214, adopted by the Common Council on the 16th day of April, 1928, and on file in the Office of the City Clerk of said City, for the paving and otherwise improving of SIGSBEE STREET, in said City, within the limits and as particularly described in said Resolution of Intention.

For a particular description of the work, reference is hereby made to said Resolution of Intention.

The costs and expenses of said work and improvement are to be assessed upon the district which is more particularly described in said Resolution of Intention.

This Common Council hereby determined and declares that serial bonds shall be issued pursuant to the provisions of the "Improvement Act of 1911," and amendments thereto, to represent each assessment of Twenty-five Dollars (\$25.00) or more remaining unpaid after the full expiration of thirty (30) days from the date of the warrant to be issued to represent the expenses of said work and improvement. Said bonds shall extend over a period ending nine years from the second day of January next succeeding the fifteenth day of the next

November following their date, and an even annual proportion of the principal sum thereof shall be payable by coupon on the second day of January every year after the fifteenth day of the next November following their date, until the whole is paid. Said bonds shall bear interest at the rate of seven per cent (7%) per annum, payable by coupon on the second days of January and July respectively as in the said Act provided.

For further particulars, reference is hereby made to said Resolution of Intention.

The City Clerk of said City is hereby directed to post conspicuously for five (5) days, on or near the Council Chamber door of the said Common Council, in the manner and form required by law, a notice with specifications inviting sealed proposals or bids for doing the work ordered; and said Clerk is hereby directed to publish twice in "The Evening Tribune," a daily newspaper published and circulated in said City, and hereby designated for that purpose by this common council, a notice inviting such proposals for doing the said work, and referring to the specifications posted or on file.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 14th day of May, 1928, by the following vote, to-wit:

#### RESOLUTION OF INTENTION NO. 45578

ALLEY IN SUBDIVISION OF LOTS 7 TO 17 INCLUSIVE, BLOCK  
N TERALTA, LYING EASTERLY OF AND ADJACENT TO BLOCK 6  
OF SAID SUBDIVISION, ORANGE AVENUE, AND POLK AVENUE.

RESOLVED, that it is the intention of the Common Council of the City of San Diego, California, to order the following work to be done and improvement to be made in said City, to-wit:

That the ALLEY IN SUBDIVISION OF LOTS 7 TO 17 INCLUSIVE, BLOCK N, TERALTA, lying easterly of and adjacent to Block 6 of said Subdivision of Lots 7 to 17 inclusive, of Block N, Teralta, in said City, between the south line of Orange Avenue and the north line of Polk Avenue, be graded, and paved with a Portland cement concrete pavement, and that a cast iron water main, connections, fittings and appurtenances, and cast iron gate valve, valve box and cover be constructed therein;

That a cast iron water main, connections, fittings and appurtenances, and cast iron gate valve, valve box and cover be constructed in portions of POLK AVENUE, in said City, between the east line of Swift Avenue and the west line of 35th Street;

That a cast iron water main, connections, fittings and appurtenances, and cast iron fire hydrant, connections, fittings and appurtenances be constructed in portions of ORANGE AVENUE, in said City, between the southerly production of the easterly line of Swift Avenue and the northerly production of the west line of 35th Street.

All of the said work hereinbefore generally described shall be constructed in the manner, at the locations, within the limits, of the materials, and of the dimensions as shown upon and in accordance with the plans, profiles, drawings, typical cross-sections and specifications therefor contained in Document No. 222037, on file in the Office of the City Clerk of said City, and copies of which are on file in the Office of the City Engineer of said City, and by this reference thereto all said plans, profiles, drawings, typical cross-sections and specifications are made a part hereof.

The said Common Council hereby determines and declares that serial bonds shall be issued to represent each assessment of twenty-five dollars or more remaining unpaid after the full expiration of thirty days from the date of the warrant, to represent the expenses of said work and improvement. Said serial bonds shall extend over a period of nine years from the second day of January next succeeding the fifteenth day of the next November following their date, and an even annual proportion of the principal sum thereof shall be payable by coupon on the second day of January every year after the fifteenth day of the next November following their date until the whole is paid. Said bonds shall bear interest at the rate of seven per cent. per annum, interest payable semi-annually by coupon, on all sums unpaid until the whole of said principal and interest are paid. Said bonds shall be issued and the principal and interest thereof shall be paid under and in pursuance of the Improvement Act of 1911, and amendments thereto.

That the contemplated work and improvement hereinbefore mentioned is in the opinion of said Common Council of more than local and ordinary public benefit, and the expenses of such work and improvement are made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to-wit: All that real property in the said City of San Diego included within the exterior boundary lines of said district, as shown upon that certain plat No. 1248, indicating the exterior boundary lines of such district, which plat, approved by the Common Council, is on file in the Office of the City Engineer of said City; excepting therefrom all public streets, roads, alleys, avenues and highways. Reference is hereby made to said plat for a particular description of such district.

NOTICE IS HEREBY GIVEN, that on Monday, the 11th day of June, 1928, at 10:00 o'clock A.M., in the Council Chamber of the City Hall of said The City of San Diego, any and all persons having any objections to the proposed work or improvement may appear before said Common Council and show cause why said proposed improvement should not be carried out in accordance with this Resolution.

That the Clerk of said City be, and he is hereby directed to cause this Resolution of Intention to be published twice in the Evening Tribune, a daily newspaper published and circulated in said City, and hereby designated for that purpose by the Common Council.

That the Street Superintendent of said City shall, after the adoption of this Resolution of Intention, cause to be conspicuously posted along the line of said contemplated work or improvement, at not more than three hundred feet in distance apart, but not less than three in all, notices of the passage of this Resolution of Intention, and when the work to be done is only upon an entire crossing or intersection, or any part thereof, he shall cause such notices to be conspicuously posted in front of each quarter block or irregular block

liable to be assessed, and when the work is chargeable upon a district, he shall cause such notices to be conspicuously posted upon all open Streets within such district at not more than three hundred feet in distance apart on each Street so posted; all in the time, form and manner required by law; and thereupon said Superintendent of Streets shall cause to be filed in the Office of the City Clerk of said City, an affidavit showing the posting of said notices of improvement.

The Common Council does not deem it advisable that the Clerk mail copies of the Notice of Improvement to owners or reputed owners, and he is not required to mail the same.

All of the herein proposed work shall be done in pursuance of an Act of the Legislature of the State of California, designated as the "Improvement Act of 1911," approved April 7, 1911, and amendments thereto.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 14th day of May, 1928, by the following vote, to-wit:

That a cement concrete culvert, connections, fittings and appurtenances be constructed in, over and across a PUBLIC RIGHT-OF-WAY over Lot 24, Block 1, Ocean Villa Tract, inclusive of a portion of Allison Street closed to public use;

That a cement concrete culvert, connections, fittings and appurtenances be constructed in, over and across a PUBLIC RIGHT-OF-WAY over Lots 3, 4, and 5, Block 6, Pacific Beach Vista Tract, in said City;

That a cement concrete culvert, connections, fittings and appurtenances be constructed in, over and across a PUBLIC RIGHT-OF-WAY over Lot 2, Block 3, 1st Addition to Ocean Villa Tract, in said City.

All of the said work hereinbefore generally described shall be constructed in the manner, at the locations, within the limits, of the materials, and of the dimensions as shown upon and in accordance with the plans, profiles, drawings, typical cross-sections and specifications therefor contained in Document No. 221406, on file in the Office of the City Clerk of said City, and copies of which are on file in the Office of the City Engineer of said City, and by this reference thereto all said plans, profiles, drawings, typical cross-sections and specifications are made a part hereof.

The said Common Council hereby determines and declares that serial bonds shall be issued to represent each assessment of twenty-five dollars or more remaining unpaid after the full expiration of thirty days from the date of the warrant, to represent the expenses of said work and improvement. Said serial bonds shall extend over a period of nine years from the second day of January next succeeding the fifteenth day of the next November following their date, and an even annual proportion of the principal sum thereof shall be payable by coupon on the second day of January every year after the fifteenth day of the next November following their date until the whole is paid. Said bonds shall bear interest at the rate of seven per cent. per annum, interest payable semi-annually by coupon, on all sums unpaid until the whole of said principal and interest are paid. Said bonds shall be issued and the principal and interest thereof shall be paid under and in pursuance of the Improvement Act of 1911, and amendments thereto.

That the contemplated work and improvement hereinbefore mentioned is in the opinion of said Common Council of more than local and ordinary public benefit, and the expenses of such work and improvement are made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to-wit: All that real property in the said City of San Diego included within the exterior boundary lines of said district, as shown upon that certain plat No. 1216, indicating the exterior boundary lines of such district, which plat, approved by the Common Council, is on file in the Office of the City Engineer of said City; excepting therefrom all public streets, roads, alleys, avenues and highways. Reference is hereby made to said plat for a particular description of such district.

NOTICE IS HEREBY GIVEN, that on Monday, the 11th day of June, 1928, at 10:00 o'clock A.M., in the Council Chamber of the City Hall of said the City of San Diego, any and all persons having any objections to the proposed work or improvement, or to the grade at which said work is to be done, may appear before said Common Council and show cause why said proposed improvement should not be carried out in accordance with this Resolution.

That the Clerk of said City, be, and he is hereby directed to cause this Resolution of Intention to be published twice in the Evening Tribune, a daily newspaper published and circulated in said City, and hereby designated for that purpose by the Common Council.

That the Street Superintendent of said City shall, after the adoption of this Resolution of Intention, cause to be conspicuously posted along the line of said contemplated work or improvement, at not more than three hundred feet in distance apart, but not less than three in all, notices of the passage of this Resolution of Intention, and when the work to be done is only upon an entire crossing or intersection, or any part thereof, he shall cause such notices to be conspicuously posted in front of each quarter block or irregular block liable to be assessed, and when the work is chargeable upon a district, he shall cause such notices to be conspicuously posted upon all open Streets within such district at not more than three hundred feet in distance apart on each Street so posted; all in the time, form and manner required by law; and thereupon said Superintendent of Streets shall cause to be filed in the Office of the City Clerk of said City, an affidavit showing the posting of said notices of improvement.

The Common Council does not deem it advisable that the Clerk mail copies of the notice of improvement to owners or reputed owners, and he is not required to mail the same.

All of the herein proposed work shall be done in pursuance of an Act of the Legislature of the State of California, designated as the "Improvement Act of 1911," approved April 7, 1911, and amendments thereto.

RESOLUTION OF INTENTION NO. 45645  
FORTY-NINTH STREET.

RESOLVED, that it is the intention of the Common Council of the City of San Diego, California, to order the following work to be done and improvement to be made in said City, to-wit:

That portions of FORTY-NINTH STREET, in said City, between the north line of University Avenue and the south line of Orange Avenue, be graded, and paved with a Portland cement concrete pavement, and that cement concrete sidewalks, and cement concrete curbs be constructed therein.

All of the said work hereinbefore generally described shall be constructed in the manner, at the locations, within the limits, of the materials, and of the dimensions as shown upon and in accordance with the plans, profiles, drawings, typical cross-sections and specifications therefor contained in Document No. 222035, on file in the Office of the City Clerk of said City, and copies of which are on file in the Office of the City Engineer of said City, and by this reference thereto all said plans, profiles, drawings, typical cross-sections and specifications are made a part hereof.

The said Common Council hereby determines and declares that serial bonds shall be issued to represent each assessment of twenty-five dollars or more remaining unpaid after the full expiration of thirty days from the date of the warrant, to represent the expenses of said work and improvement. Said serial bonds shall extend over a period of nine years from the second day of January next succeeding the fifteenth day of the next November following their date, and an even annual proportion of the principal sum thereof shall be payable by coupon on the second day of January every year after the fifteenth day of the next November following their date until the whole is paid. Said bonds shall bear interest at the rate of seven per cent. per annum, interest payable semi-annually by coupon, on all sums unpaid until the whole of said principal and interest are paid. Said bonds shall be issued and the principal and interest thereof shall be paid under and in pursuance of the Improvement Act of 1911, and amendments thereto.

That the contemplated work and improvement hereinbefore mentioned is in the opinion of said Common Council of more than local and ordinary public benefit, and the expenses of such work and improvement are made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to-wit: All that real property in the said City of San Diego included within the exterior boundary lines of said district, as shown upon that certain plat No. 1230, indicating the exterior boundary lines of such district, which plat, approved by the Common Council, is on file in the Office of the City Engineer of said City excepting therefrom all public streets, roads, alleys, avenues and highways. Reference is hereby made to said plat for a particular description of such district.

NOTICE IS HEREBY GIVEN, that on Monday, the 18th day of June, 1928, at 10:00 o'clock A.M., in the Council Chamber of the City Hall of said The City of San Diego, any and all persons having any objections to the proposed work or improvement may appear before said Common Council and show cause why said proposed improvement should not be carried out in accordance with this Resolution.

That the Clerk of said City be, and he is hereby directed to cause this Resolution of Intention to be published twice in the Evening Tribune, a daily newspaper published and circulated in said City, and hereby designated for that purpose by the Common Council.

That the Street Superintendent of said City shall, after the adoption of this Resolution of Intention, cause to be conspicuously posted along the line of said contemplated work or improvement, at not more than three hundred feet in distance apart, but not less than three in all, notices of the passage of this Resolution of Intention, and when the work to be done is only upon an entire crossing or intersection, or any part thereof, he shall cause such notices to be conspicuously posted in front of each quarter block or irregular block liable to be assessed, and when the work is chargeable upon a district, he shall cause such notices to be conspicuously posted upon all open Streets within such district at not more than three hundred feet in distance apart on each Street so posted; all in the time, form and manner required by law; and thereupon said Superintendent of Streets shall cause to be filed in the Office of the City Clerk of said City, an affidavit showing the posting of said notices of improvement.

The Common Council does not deem it advisable that the Clerk mail copies of the Notice of Improvement to owners or reputed owners, and he is not required to mail the same.

All of the herein proposed work shall be done in pursuance of an Act of the Legislature of the State of California, designated as the "Improvement Act of 1911," approved April 7, 1911, and amendments thereto.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 21st day of May, 1928, by the following vote, to-wit:

#### RESOLUTION OF INTENTION NO. 45647

##### WATER MAINS IN BERYL STREET AND KENDALL STREET.

RESOLVED that it is the intention of the Common Council of the City of San Diego, California, to order the following work to be done and improvement to be made in said City, to-wit:

That a cast iron water main, connections, fittings and appurtenances, cast iron gate valves, valve boxes and covers, and cast iron fire hydrant, connections, fittings and appurtenances be constructed in portions of BERYL STREET, in said City, between the westerly line of Lamont Street and the westerly line of Kendall Street;

That a cast iron water main, connections, fittings and appurtenances, cast iron gate valves, valve boxes and covers, and cast iron fire hydrant, connections, fittings and appurtenances be constructed in portions of KENDALL STREET, in said City, between the north line of Beryl Street and the south line of Lot 1, C. M. Doty's Addition.

All of the said work hereinbefore generally described shall be constructed in the manner, at the locations, within the limits, of the materials, and of the dimensions as shown upon and in accordance with the plans, profiles, drawings, typical cross-sections and specifications therefor contained in Document No. 222330, on file in the Office of the City Clerk of said City, and copies of which are on file in the Office of the City Engineer of said City, and by this reference thereto all said plans, profiles, drawings, typical cross-sections and specifications are made a part hereof.

The said Common Council hereby determines and declares that serial bonds shall be issued to represent each assessment of twenty-five dollars or more remaining unpaid after the full expiration of thirty days from the date of the warrant, to represent the expenses of said work and improvement. Said serial bonds shall extend over a period of nine years from the second day of January next succeeding the fifteenth day of the next November following their date, and an even annual proportion of the principal sum thereof shall be payable by coupon on the second day of January every year after the fifteenth day of the next November following their date until the whole is paid. Said bonds shall bear interest at the rate of seven per cent. per annum, interest payable semi-annually by coupon, on all sums unpaid until the whole of said principal and interest are paid. Said bonds shall be issued and the principal and interest thereof shall be paid under and in pursuance of the Improvement Act of 1911, and amendments thereto.

That the contemplated work and improvement hereinbefore mentioned is in the opinion of said Common Council of more than local and ordinary public benefit, and the expenses of such work and improvement are made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to-wit: All that real property in the said City of San Diego included within the exterior boundary lines of said district, as shown upon that certain plat No. 1262, indicating the exterior boundary lines of such district, which plat, approved by the Common Council, is on file in the Office of the City Engineer of said City; excepting therefrom all public streets, roads, alleys, avenues and highways. Reference is hereby made to said plat for a particular description of such district.

NOTICE IS HEREBY GIVEN, that on Monday, the 18th day of June, 1928, at 10:00 o'clock A.M., in the Council Chamber of the City Hall of said The City of San Diego, any and all persons having any objections to the proposed work or improvement may appear before said Common Council and show cause why said proposed improvement should not be carried out in accordance with this Resolution.

That the Clerk of said City be, and he is hereby directed to cause this Resolution of Intention to be published twice in the Evening Tribune, a daily newspaper published and circulated in said City, and hereby designated for that purpose by the Common Council.

That the Street Superintendent of said City shall, after the adoption of this Resolution of Intention, cause to be conspicuously posted along the line of said contemplated work or improvement, at not more than three hundred feet in distance apart, but not less than three in all, notices of the passage of this Resolution of Intention, and when the work to be done is only upon an entire crossing or intersection, or any part thereof, he shall cause such notices to be conspicuously posted in front of each quarter block or irregular block liable to be assessed, and when the work is chargeable upon a district, he shall cause such notices to be conspicuously posted upon all open streets within such district at not more than three hundred feet in distance apart on each Street so posted; all in the time, form and manner required by law; and thereupon said Superintendent of Streets shall cause to be filed in the Office of the City Clerk of said City, an affidavit showing the posting of said notices of improvement.

The Common Council does not deem it advisable that the Clerk mail copies of the Notice of Improvement to owners or reputed owners, and he is not required to mail the same.

All of the herein proposed work shall be done in pursuance of an Act of the Legislature of the State of California, designated as the "Improvement Act of 1911," approved April 7, 1911, and amendments thereto.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 21st day of May, 1928, by the following vote, to-wit:

AYES-Councilmen Dowell, Maire, McMullen and Seifert

Said Common Council does hereby order that four-fifths of the costs and expenses of said improvement shall be assessed upon the district above described, and one-fifth of the costs and expenses of said improvement shall be paid out of the Treasury of said City, from the Street Light Fund of said City.

BE IT FURTHER RESOLVED, that this Common Council by virtue of authority vested in it by provisions of Chapter 620 of the Statutes of the State of California, approved June 4, 1915 (Statutes 1915, page 1171) and acts amendatory thereof and supplemental thereto, does hereby determine to exercise the right, to the exclusion of all other bidders, to acquire in the name of the City of San Diego, California, at the sale for any delinquency arising from the non-payment of any assessment which shall be made and levied in these proceedings, any lien which shall accrue, or any property which is required to be sold, under the said law appertaining to said proceedings, for the non-payment of any such assessment or any delinquency incurred by the nonpayment thereof.

That the Superintendent of the Purchasing Department of the City of San Diego, California, be, and he is hereby designated for the purpose, and is hereby directed to attend at any sale of property to be made for any delinquency of any assessment to be made and levied in this proceeding and at such sale he is hereby empowered to bid in and acquire, in the name of the City of San Diego, California, to the exclusion of other bidders, all liens and delinquent property at such delinquent sales.

That the proposed improvement is hereby referred to the City Engineer of said City, and said City Engineer is hereby directed to make and file, with the Clerk of said Common Council, a report, in writing, presenting the following:

1. Plans and specifications for the work required in order to make said improvements;
2. An estimate of the cost of said improvement and of the incidental expenses in connection therewith;
3. A diagram showing the district above referred to, and also the boundaries and dimensions of the respective subdivisions of the land within said district, each of which subdivisions shall be given a separate number in red ink upon said diagram.

4. A proposed assessment of the total amount of the costs and expenses of the proposed improvement upon the several subdivisions of land in said district in proportion to the estimated benefits to be received by such subdivisions, respectively, from said improvement; provided, that whenever any portion or percentage of the cost and expenses of such improvement is ordered to be paid out of the treasury of the municipality, as hereinabove provided, the amount of such portion or percentage shall first be deducted from the total estimated cost and expenses of such improvement, and the assessment upon property, proposed in said report, shall include only the remainder of said estimated costs and expenses. Said assessment shall refer to such subdivisions upon said diagram by the respective red ink numbers thereof, and shall show the names of the owners, if known, otherwise designating them as unknown. No mistake in the name of the owner of any parcel of land shall affect the validity of the assessment thereon.

This proceeding shall be designated as Five Points Lighting District No. 1.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 21st day of May, 1928, by the following vote, to-wit:

1. Plans and specifications for the work required in order to make said improvements;  
2. An estimate of the cost of said improvement and of the incidental expenses in connection therewith;

3. A diagram showing the district above referred to, and also the boundaries and dimensions of the respective subdivisions of the land within said district, each of which subdivisions shall be given a separate number in red ink upon said diagram.

4. A proposed assessment of the total amount of the costs and expenses of the proposed improvement upon the several subdivisions of land in said district in proportion to the estimated benefits to be received by such subdivisions, respectively, from said improvement; provided, that whenever any portion or percentage of the cost and expenses of such improvement is ordered to be paid out of the treasury of the municipality, as hereinabove provided, the amount of such portion or percentage shall first be deducted from the total estimated cost and expenses of such improvement, and the assessment upon property, proposed in said report, shall include only the remainder of said estimated costs and expenses. Said assessment shall refer to such subdivisions upon said diagram by the respective red ink numbers thereof, and shall show the names of the owners, if known, otherwise designating them as unknown. No mistake in the name of the owner of any parcel of land shall affect the validity of the assessment thereon.

This proceeding shall be designated as University Avenue Lighting District No. 1.

RESOLUTION OF INTENTION NO. 45731  
ALLEY IN BLOCK 63, PARK VILLAS, AND LANDIS STREET.

RESOLVED, that it is the intention of the Common Council of the City of San Diego, California, to order the following work to be done and improvement to be made in said City, to-wit:

That the ALLEY IN BLOCK 63, PARK VILLAS, in said City, between the south line of Wightman Street and the north line of Landis Street, be graded, and paved with a Portland cement concrete pavement, and that a cement concrete sewer lateral and appurtenances, cast iron water main, connections, fittings and appurtenances, cast iron gate valve, valve box and cover; and copper water service connections and appurtenances be constructed therein;

That cement concrete curbs, cast iron water main, connections, fittings and appurtenances, and cast iron gate valve, valve box and cover be constructed in portions of LANDIS STREET, in said City, between the east line of Pershing Avenue and the west line of 28th Street.

That Resolution of Intention No. 44630, adopted by the Common Council February 27, 1928, for the improvement of said ALLEY IN BLOCK 63, PARK VILLAS, between the south line of Wightman Street and the north line of Landis Street, and of LANDIS STREET, between the east line of Pershing Avenue and the west line of 28th Street, be, and the said Resolution is hereby repealed, and the proceedings taken subsequent thereto are hereby abandoned.

All of the said work hereinbefore generally described shall be constructed in the manner, at the locations, within the limits, of the materials, and of the dimensions as shown upon and in accordance with the plans, profiles, drawings, typical cross-sections and specifications therefor contained in Document No. 218603, on file in the Office of the City Clerk of said City, and copies of which are on file in the Office of the City Engineer of said City, and by this reference thereto all said plans, profiles, drawings, typical cross-sections and specifications are made a part hereof.

The said Common Council hereby determines and declares that serial bonds shall be issued to represent each assessment of twenty-five dollars or more remaining unpaid after the full expiration of thirty days from the date of the warrant, to represent the expenses of said work and improvement. Said serial bonds shall extend over a period ending nine years from the second day of January next succeeding the fifteenth day of the next November following their date, and an even annual proportion of the principal sum thereof shall be payable by coupon on the second day of January every year after the fifteenth day of the next November following their date until the whole is paid. Said bonds shall bear interest at the rate of seven per cent. per annum, interest payable semi-annually by coupon, on all sums unpaid until the whole of said principal and interest are paid. Said bonds shall be issued and the principal and interest thereof shall be paid under and in pursuance of the Improvement Act of 1911, and amendments thereto.

That the contemplated work and improvement hereinbefore mentioned is in the opinion of said Common Council of more than local and ordinary public benefit, and the expenses of such work and improvement are made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to-wit: All that real property in the said City of San Diego included within the exterior boundary lines of said district, as shown upon that certain plat No. 1210, indicating the exterior boundary lines of such district, which plat, approved by the Common Council, is on file in the Office of the City Engineer of said City; excepting therefrom all public streets, roads, alleys, avenues and highways. Reference is hereby made to said plat for a particular description of such district.

NOTICE IS HEREBY GIVEN, that on Monday, the 25th day of June, 1928, at 10:00 o'clock A.M., in the Council Chamber of the City Hall of said The City of San Diego, any and all persons having any objections to the proposed work or improvement, to the grade at which said work is to be done, or to the extent of the district to be assessed to pay the costs and expenses of said proposed work or improvement, may appear before said Common Council and show cause why said proposed improvement should not be carried out in accordance with this Resolution.

That the Clerk of said City be, and he is hereby directed to cause this Resolution of Intention to be published twice in the Evening Tribune, a daily newspaper published and circulated in said City, and hereby designated for that purpose by the Common Council.

That the Street Superintendent of said City shall, after the adoption of this Resolution of Intention, cause to be conspicuously posted along the line of said contemplated work or improvement, at not more than three hundred feet in distance apart, but not less than three in all, notices of the passage of this Resolution of Intention, and when the work to be done is only upon an entire crossing or intersection, or any part thereof, he shall cause such notices to be conspicuously posted in front of each quarter block or irregular block liable to be assessed, and when the work is chargeable upon a district, he shall cause such notices to be conspicuously posted upon all open Streets within such district at not more than three hundred feet in distance apart on each Street so posted; all in the time, form and manner required by law; and thereupon said Superintendent of Streets shall cause to be filed in the Office of the City Clerk of said City, an affidavit showing the posting of said notices of improvement.

The Common Council does not deem it advisable that the Clerk mail copies of the notice of improvement to owners or reputed owners, and he is not required to mail the same.

All of the herein proposed work shall be done in pursuance of an Act of the Legislature of the State of California, designated as the "Improvement Act of 1911", approved April 7, 1911, and amendments thereto.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 28th day of May, 1928, by the following vote, to-wit:

All of the said work hereinbefore generally described shall be constructed in the manner, at the locations, within the limits, of the materials, and of the dimensions as shown upon and in accordance with the plans, profiles, drawings, typical cross-sections and specifications therefor contained in Document No. 222657, on file in the Office of the City Clerk of said City, and copies of which are on file in the Office of the City Engineer of said City, and by this reference thereto all said plans, profiles, drawings, typical cross-sections and specifications are made a part hereof.

The said Common Council hereby determines and declares that serial bonds shall be issued to represent each assessment of twenty-five dollars or more remaining unpaid after the full expiration of thirty days from the date of the warrant, to represent the expenses of said work and improvement. Said serial bonds shall extend over a period of nine years from the second day of January next succeeding the fifteenth day of the next November following their date, and an even annual proportion of the principal sum thereof shall be payable by coupon on the second day of January every year after the fifteenth day of the next November following their date until the whole is paid. Said bonds shall bear interest at the rate of seven per cent. per annum, interest payable semi-annually by coupon, on all sums unpaid until the whole of said principal and interest are paid. Said bonds shall be issued and the principal and interest thereof shall be paid under and in pursuance of the Improvement Act of 1911, and amendments thereto.

That the contemplated work and improvement hereinbefore mentioned is in the opinion of said Common Council of more than local and ordinary public benefit, and the expenses of such work and improvement are made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to-wit: All that real property in the said City of San Diego included within the exterior boundary lines of said district, as shown upon that certain plat No. 1252, indicating the exterior boundary lines of such district, which plat, approved by the Common Council, is on file in the Office of the City Engineer of said City; excepting therefrom all public streets, roads, alleys, avenues and highways. Reference is hereby made to said plat for a particular description of such district.

NOTICE IS HEREBY GIVEN, that on Monday, the 25th day of June, 1928, at 10:00 o'clock A.M., in the Council Chamber of the City Hall of said The City of San Diego, any and all persons having any objections to the proposed work or improvement may appear before said Common Council and show cause why said proposed improvement should not be carried out in accordance with this Resolution.

That the Clerk of said City be, and he is hereby directed to cause this Resolution of Intention to be published twice in the Evening Tribune, a daily newspaper published and circulated in said City, and hereby designated for that purpose by the Common Council.

That the Street Superintendent of said City shall, after the adoption of this Resolution of Intention, cause to be conspicuously posted along the line of said contemplated work or improvement, at not more than three hundred feet in distance apart, but not less than three in all, notices of the passage of this Resolution of Intention, and when the work to be done is only upon an entire crossing or intersection, or any part thereof, he shall cause such notices to be conspicuously posted in front of each quarter block or irregular block liable to be assessed, and when the work is chargeable upon a district, he shall cause such notices to be conspicuously posted upon all open Streets within such district at not more than three hundred feet in distance apart on each Street so posted; all in the time, form and manner required by law; and thereupon said Superintendent of Streets shall cause to be filed in the Office of the City Clerk of said City, an affidavit showing the posting of said notices of improvement.

The Common Council does not deem it advisable that the Clerk mail copies of the Notice of Improvement to owners or reputed owners, and he is not required to mail the same.

All of the herein proposed work shall be done in pursuance of an Act of the Legislature of the State of California, designated as the "Improvement Act of 1911," approved April 7, 1911, and amendments thereto.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 28th day of May, 1928, by the following vote, to-wit:

RESOLUTION OF INTENTION NO. 45736  
 SAMPSON STREET AND 28TH STREET.

RESOLVED, that it is the intention of the Common Council of the City of San Diego, California, to order the following work to be done and improvement to be made in said City, to-wit:

That portions of SAMPSON STREET, in said City, between the west line of 28th Street and a line drawn parallel to and distant 144 feet southwesterly from the northwesterly production of the southwesterly line of Railroad Avenue, be graded, and paved with a Portland cement concrete pavement (excepting that portion of said Sampson Street required by law to be kept in order or repair by the San Diego & Arizona Railway Company having tracks thereon); and that cement concrete curbs, cement concrete sidewalks, cement concrete curb inlets and appurtenances, cement concrete storm drain, connections, fittings and appurtenances, cement concrete culverts, connections, fittings and appurtenances, cement concrete catch-basins, connections, fittings and appurtenances, cast iron water main, connections, fittings and appurtenances, cast iron gate valves, valve boxes and covers, cast iron fire hydrants, connections, fittings and appurtenances, cast iron fire hydrants, and copper water service connections and appurtenances be constructed therein;

That the said work hereinabove described on SAMPSON STREET, between the northeasterly line of Railroad Avenue produced northwesterly and the southwesterly line of Main Street, shall be done to the modified grade shown and indicated upon the plans and profiles on file in the Office of the City Clerk of said City, and hereinafter referred to; and reference is hereby made to said plans and profiles for the description of the grade at which the work is to be done.

That a cast iron water main, connections, fittings and appurtenances be constructed in portions of 28TH STREET, in said City, between the northeasterly production of the northwesterly line of Sampson Street and the westerly production of the northerly line of Clay Avenue.

All of the said work hereinbefore generally described shall be constructed in the manner, at the locations, within the limits, of the materials, and of the dimensions as shown upon and in accordance with the plans, profiles, drawings, typical cross-sections and specifications therefor contained in Document No. 222661, on file in the Office of the City Clerk of said City, and copies of which are on file in the Office of the City Engineer of said City, and by this reference thereto all said plans, profiles, drawings, typical cross-sections and specifications are made a part hereof.

The said Common Council hereby determines and declares that serial bonds shall be issued to represent each assessment of twenty-five dollars or more remaining unpaid after the full expiration of thirty days from the date of the warrant, to represent the expenses of said work and improvement. Said serial bonds shall extend over a period of nine years from the second day of January next succeeding the fifteenth day of the next November following their date, and an even annual proportion of the principal sum thereof shall be payable by coupon on the second day of January every year after the fifteenth day of the next November following their date until the whole is paid. Said bonds shall bear interest at the rate of seven per cent. per annum, interest payable semi-annually by coupon, on all sums unpaid until the whole of said principal and interest are paid. Said bonds shall be issued and the principal and interest thereof shall be paid under and in pursuance of the Improvement Act of 1911, and amendments thereto.

That the contemplated work and improvement hereinbefore mentioned is in the opinion of said Common Council of more than local and ordinary public benefit, and the expenses of such work and improvement are made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to-wit: All that real property in the said City of San Diego included within the exterior boundary lines of said district, as shown upon that certain plat No. 1065, indicating the exterior boundary lines of such district, which plat, approved by the Common Council, is on file in the Office of the City Engineer of said City; excepting therefrom all public streets, roads, alleys, avenues and highways. Reference is hereby made to said plat for a particular description of such district.

NOTICE IS HEREBY GIVEN, that on Monday, the 25th day of June, 1928, at 10:00 o'clock A.M., in the Council Chamber of the City Hall of said The City of San Diego, any and all persons having any objections to the proposed work or improvement, or to the modified grade at which said work is to be done, may appear before said Common Council and show cause why said proposed improvement should not be carried out in accordance with this Resolution.

That the Clerk of said City, be, and he is hereby directed to cause this Resolution of Intention to be published twice in the Evening Tribune, a daily newspaper published and circulated in said City, and hereby designated for that purpose by the Common Council.

That the Street Superintendent of said City shall, after the adoption of this Resolution of Intention, cause to be conspicuously posted along the line of said contemplated work or improvement, at not more than three hundred feet in distance apart, but not less than three in all, notices of the passage of this Resolution of Intention, and when the work to be done is only upon an entire crossing or intersection, or any part thereof, he shall cause such notices to be conspicuously posted in front of each quarter block or irregular block liable to be assessed, and when the work is chargeable upon a district, he shall cause such notices to be conspicuously posted upon all open Streets within such district at not more than three hundred feet in distance apart on each Street so posted; all in the time, form and manner required by law; and thereupon said Superintendent of Streets shall cause to be filed in the Office of the City Clerk of said City, an affidavit showing the posting of said notices of improvement.

The Common Council does not deem it advisable that the Clerk mail copies of the notice of improvement to owners or reputed owners, and he is not required to mail the same.

All of the herein proposed work shall be done in pursuance of an Act of the Legislature of the State of California, designated as the "Improvement Act of 1911," approved April 7, 1911, and amendments thereto.

RESOLUTION OF INTENTION NO. 45737  
UNIVERSITY AVENUE LIGHTING DISTRICT NO. 3.

RESOLVED, that it is the intention of the Common Council of The City of San Diego, California, pursuant to Chapter 247 of the Statutes of the State of California, approved June 6, 1913 (Statutes of 1913, page 421), to order the following work to be done and improvement to be made in said City, to-wit:

The furnishing of electric current for the lighting of the ornamental Street lights located on UNIVERSITY AVENUE, between the northeasterly line of Boundary Street and the west line of Euclid Avenue; on 34TH STREET, between the westerly prolongation of the north line of University Avenue and the westerly prolongation of the south line of Lot 4, Block 192, Amended Map of City Heights; and on 43RD STREET, between the south line of University Avenue and a line parallel to and distant 150 feet south of the south line of University Avenue, in the City of San Diego, California; together with the maintenance of the posts, wires, conduits and lamps on said Streets, within said limits. Such furnishing of electric current and such maintenance of appliances shall be for the period of one year from and after the 8th day of August, 1928, to-wit, to and including the 7th day of August, 1929.

Said work of improvement shall be done in all respects according to, at the places shown by, and of the materials provided for, in the plans and specifications therefor to be hereafter prepared by the City Engineer of said City, and furnished to this Common Council, as hereinafter set forth.

That the exterior boundaries of the district in said City of San Diego to be benefited by said improvement, and to be assessed to pay the costs and expenses thereof, and to be known as the assessment district, are hereby specified as follows, to-wit:

Beginning at a point on the northeasterly line of Boundary Street distant 31.4 feet southeasterly from the southeasterly line of University Avenue; thence northwesterly along the northeasterly line of Boundary Street to a point distant 25 feet northwesterly from the northwesterly line of University Avenue; thence northeasterly along a line parallel to and distant 25 feet northwesterly from the northwesterly line of University Avenue and its northeasterly prolongation to an intersection with the southwesterly line of Wabash Avenue; thence northerly in a direct line to the most northwesterly corner of the unnamed park lying northeasterly of Wabash Avenue, southwesterly of Lincoln Avenue, northwesterly of University Avenue and west of 34th Street; thence northeasterly in a direct line to a point on the east line of 34th Street distant 25 feet north of the north line of University Avenue; thence east along a line parallel to and distant 25 feet north of the north line of University Avenue, to an intersection with the west line of Euclid Avenue; thence south along the west line of Euclid Avenue to a point distant 25 feet south of the south line of University Avenue; thence west along a line parallel to and distant 25 feet south of the south line of University Avenue to an intersection with a line parallel to and distant 125 feet east of the east line of 43rd Street; thence south along a line parallel to and distant 125 feet east of the east line of 43rd Street to an intersection with a line parallel to and distant 150 feet south of the south line of University Avenue; thence west along a line parallel to and distant 150 feet south of the south line of University Avenue to an intersection with a line parallel to and distant 140 feet west of the west line of 43rd Street; thence north along a line parallel to and distant 140 feet west of the west line of 43rd Street to an intersection with a line parallel to and distant 25 feet south of the south line of University Avenue; thence west along a line parallel to and distant 25 feet south of the south line of University Avenue to an intersection with the west line of the Alley in Block 192, Amended Map of City Heights; thence south along the west line of said Alley to the southeast corner of Lot 4 in said Block 192; thence west along the south line of said Lot 4 to the southwest corner thereof; thence southwesterly in a direct line to a point on the southwesterly line of Wabash Avenue distant 31.4 feet southeasterly from the southeasterly line of University Avenue; thence southwesterly along a line parallel to and distant 31.4 feet southeasterly from the southeasterly line of University Avenue to the point or place of beginning; excepting therefrom all public Streets, roads, alleys, avenues and highways.

Said Common Council does hereby order that four-fifths of the costs and expenses of said improvement shall be assessed upon the district above described, and one-fifth of the costs and expenses of said improvement shall be paid out of the Treasury of said City, from the Street Light Fund of said City.

BE IT FURTHER RESOLVED, that this Common Council by virtue of authority vested in it by provisions of Chapter 620 of the Statutes of the State of California, approved June 4, 1915 (Statutes 1915, page 1171) and acts amendatory thereof and supplemental thereto, does hereby determine to exercise the right, to the exclusion of all other bidders, to acquire in the name of the City of San Diego, California, at the sale for any delinquency arising from the non-payment of any assessment which shall be made and levied in these proceedings, any lien which shall accrue, or any property which is required to be sold, under the said law appertaining to said proceedings, for the non-payment of any such assessment or any delinquency incurred by the non-payment thereof.

That the Superintendent of the Purchasing Department of the City of San Diego, California, be, and he is hereby designated for the purpose, and is hereby directed to attend at any sale of property to be made for any delinquency of any assessment to be made and levied in this proceeding and at such sale he is hereby empowered to bid in and acquire, in the name of the City of San Diego, California, to the exclusion of other bidders, all liens and delinquent property at such delinquent sales.

That the proposed improvement is hereby referred to the City Engineer of said City, and said City Engineer is hereby directed to make and file, with the Clerk of said Common Council, a report, in writing, presenting the following:

1. Plans and specifications for the work required in order to make said improvements;
2. An estimate of the cost of said improvement and of the incidental expenses in connection therewith;
3. A diagram showing the district above referred to, and also the boundaries and dimensions of the respective subdivisions of the land within said district, each of which subdivisions shall be given a separate number in red ink upon said diagram.
4. A proposed assessment of the total amount of the costs and expenses of the proposed improvement upon the several subdivisions of land in said district in proportion to the estimated benefits to be received by such subdivisions, respectively, from said improvement; provided, that whenever any portion or percentage of the cost and expenses of such improvement is ordered to be paid out of the treasury of the municipality, as hereinabove provided, the amount of such portion or percentage shall first be deducted from the total estimated cost and expenses of such improvement, and the assessment upon property, proposed in said report, shall include only the remainder of said estimated costs and expenses. Said assessment shall refer to such subdivisions upon said diagram by the respective red ink numbers thereof, and shall show the names of the owners, if known, otherwise designating them as unknown. No mistake in the name of the owner of any parcel of land shall affect the validity of the assessment thereon.

This proceeding shall be designated as University Avenue Lighting District No. 3.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 28th day of May, 1928, by the following vote, to-wit:

Said work of improvement shall be done in all respects according to, at the places shown by, and of the materials provided for, in the plans and specifications therefor to be hereafter prepared by the City Engineer of said City, and furnished to this Common Council, as hereinafter set forth.

That the exterior boundaries of the district in said City of San Diego to be benefited by said improvement, and to be assessed to pay the costs and expenses thereof, and to be known as the assessment district, are hereby specified as follows, to-wit:

Beginning at a point on the easterly line of Boundary Street distant 25 feet northerly from the northerly line of Adams Avenue; thence easterly in a direct line to a point on the southwesterly line of Works Avenue distant 25 feet northwesterly of the northwesterly line of Adams Avenue; thence northeasterly in a direct line to a point on the northeasterly line of Works Avenue distant 25 feet northwesterly of the northwesterly line of Adams Avenue; thence northeasterly in a direct line to a point on the northeasterly line of Lot 7, Block A, Subdivision of Villa Lots 1 to 11, Normal Heights, distant 25 feet northwesterly of the northwesterly line of Mountain View Drive; thence southeasterly along the northeasterly line of said Lot 7 to the most easterly corner thereof; thence easterly in a direct line to the point of intersection of the easterly line of Mountain View Drive with a line parallel to and distant 25 feet north of the north line of Adams Avenue; thence east along a line parallel to and distant 25 feet north of the north line of Adams Avenue to an intersection with the west line of 36th Street; thence south along the west line of 36th Street to a point distant 25 feet south of the south line of Adams Avenue; thence west along a line parallel to and distant 25 feet south of the south line of Adams Avenue to an intersection with the west line of Iowa Street; thence westerly in a direct line to a point on the east line of 31st Street distant 25 feet south of the southerly line of Adams Avenue; thence southwesterly in a direct line to a point on the west line of 31st Street distant 50 feet south of the southerly line of Adams Avenue; thence westerly in a direct line to a point on the easterly line of Boundary Street distant 50 feet southerly of the southerly line of Adams Avenue; thence northerly along the easterly line of Boundary Street to the point or place of beginning; excepting therefrom all public streets, roads, alleys, avenues and highways.

Said Common Council does hereby order that four-fifths of the costs and expenses of said improvement shall be assessed upon the district above described, and one-fifth of the costs and expenses of said improvement shall be paid out of the Treasury of said City, from the Street Light Fund of said City.

BE IT FURTHER RESOLVED, that this Common Council by virtue of authority vested in it by provisions of Chapter 620 of the Statutes of the State of California, approved June 4, 1915 (Statutes 1915, page 1171) and acts amendatory thereof and supplemental thereto, does hereby determine to exercise the right, to the exclusion of all other bidders, to acquire in the name of The City of San Diego, California, at the sale for any delinquency arising from the non-payment of any assessment which shall be made and levied in these proceedings, any lien which shall accrue, or any property which is required to be sold, under the said law appertaining to said proceedings, for the non-payment of any such assessment or any delinquency incurred by the non-payment thereof.

That the Superintendent of the Purchasing Department of the City of San Diego, California, be, and he is hereby designated for the purpose, and is hereby directed to attend at any sale of property to be made for any delinquency of any assessment to be made and levied in this proceeding and at such sale he is hereby empowered to bid in and acquire, in the name of the City of San Diego, California, to the exclusion of other bidders, all liens and delinquent property at such delinquent sales.

That the proposed improvement is hereby referred to the City Engineer of said City, and said City Engineer is hereby directed to make and file, with the Clerk of said Common Council, a report, in writing, presenting the following:

1. Plans and specifications for the work required in order to make said improvements;
2. An estimate of the cost of said improvement and of the incidental expenses in connection therewith;
3. A diagram showing the district above referred to, and also the boundaries and dimensions of the respective subdivisions of the land within said district, each of which subdivisions shall be given a separate number in red ink upon said diagram.
4. A proposed assessment of the total amount of the costs and expenses of the proposed improvement upon the several subdivisions of land in said district in proportion to the estimated benefits to be received by such subdivisions, respectively, from said improvement; provided, that whenever any portion or percentage of the cost and expenses of such improvement is ordered to be paid out of the treasury of the municipality, as hereinabove provided, the amount of such portion or percentage shall first be deducted from the total estimated cost and expenses of such improvement, and the assessment upon property, proposed in said report, shall include only the remainder of said estimated costs and expenses. Said assessment shall refer to such subdivisions upon said diagram by the respective red ink numbers thereof, and shall show the names of the owners, if known, otherwise designating them as unknown. No mistake in the name of the owner of any parcel of land shall affect the validity of the assessment thereon.

This proceeding shall be designated as Adams Avenue Lighting District No. 1.

RESOLUTION NO. 45826  
IN THE MATTER OF ACQUISITION AND IMPROVEMENT DISTRICT NO. 3, OF THE CITY OF SAN DIEGO, CALIFORNIA. A RESOLUTION FINDING THAT THE OWNERS OF MORE THAN ONE-HALF OF THE AREA OF THE PROPERTY INCLUDED IN THE ASSESSMENT DISTRICT HAVE NOT MADE WRITTEN OBJECTION GOING TO THE ENTIRETY OF THE THINGS PROPOSED TO BE DONE; OVERRULING ALL OBJECTIONS; DETERMINING THE EXTENT AND BOUNDARIES OF THE ASSESSMENT DISTRICT, THE ZONES THEREOF, AND THE PERCENTAGES TO BE RAISED THEREFROM; AND DETERMINING THE GRADES FOR THE IMPROVEMENT.

RESOLVED by the Common Council of the City of San Diego, County of San Diego, State of California, as follows, to-wit:

Section 1. That the owners of more than one-half of the area of the property included within the entire assessment district as described in the Resolution of Intention heretofore adopted in this matter, and in the Specifications therefor referred to in said Resolution, have not in writing made objections going to the ordering of the things proposed to be done, as an entirety, or at all.

Section 2. That all of the protests and objections, both written and oral, against the doing of the thing, or things proposed to be done in said Resolution of Intention, to the extent of the district, to the zones into which said district is divided, to the percentages to be raised therefrom, and to the grades to which the improvements are to be constructed, are hereby overruled and denied.

Section 3. That the boundaries of the assessment district for said "Acquisition and Improvement District No. 3 of the City of San Diego, California," as proposed in said Resolution of Intention, are hereby adopted and established as the boundaries of said assessment district.

Section 4. That the zones into which said assessment district is to be divided, as proposed in said Resolution of Intention, and as shown in the Specifications therein referred to, correctly reflect the benefits to be derived, and the zones as set forth in said Resolution are hereby adopted and established.

Section 5. That the percentages to be raised from each of said zones, as the same are set forth in said Resolution of Intention, are hereby adopted and determined.

Section 6. That the grades to which said improvements and work are to be constructed shall be those set forth in the plans, profiles, detail drawings, and Specifications referred to in said Resolution of Intention.

RESOLUTION ORDERING IMPROVEMENT NO. 45827  
IN THE MATTER OF ACQUISITION AND IMPROVEMENT DISTRICT NO.  
3, OF THE CITY OF SAN DIEGO, CALIFORNIA.

WHEREAS, on the 7th day of May, 1928, this Common Council of the City of San Diego, California, proceeding under the provisions of the "Acquisition and Improvement Act of 1925," as amended, duly passed and adopted Resolution of Intention No. 45528 in the above entitled matter, to order certain work to be done as therein fully described; and

WHEREAS, said Resolution was duly published twice in "The Evening Tribune," the newspaper designated in the said Resolution as the newspaper in which the same should be published, said publications having been made on the 11th and 12th days of May, 1928, which said facts appear from the affidavit of the Principal Clerk of the Printer of said newspaper on file herein; and

WHEREAS, on the 21st day of May, 1928, the Superintendent of Work heretofore appointed by this Council in the above numbered Acquisition and Improvement District, caused to be conspicuously posted along the line of the work described in the said Resolution of Intention, at not more than three hundred (300) feet in distance apart, and not less than three (3) in all, notices of the adoption of said Resolution in the manner and form required by law, which said facts appear from the affidavit of the said Superintendent of Work on file herein; and

WHEREAS, at the time and place in the said Resolution of Intention specified, a full, fair and impartial hearing was accorded all persons having any objections to the things proposed to be done as set forth in said Resolution; and

WHEREAS, thereafter and on this day and date this Council adopted its Resolution No. 45826 passing upon all protests presented, both written and oral, and made its final determination as to the boundaries of the assessment district, the zones into which said district is to be divided, the percentages to be raised from each of said zones, and the grades to which the contemplated work and improvements are to be constructed, reference to which said Resolution is hereby made; and

WHEREAS, evidence has been received as to the necessity for the improvements contemplated, and the benefits to be derived therefrom;

NOW, THEREFORE, BE IT RESOLVED BY THE COMMON COUNCIL OF THE CITY OF SAN DIEGO, COUNTY OF SAN DIEGO, STATE OF CALIFORNIA, PROCEEDING UNDER AND BY VIRTUE OF THE SAID "ACQUISITION AND IMPROVEMENT ACT OF 1925," AS AMENDED, AND IT IS HEREBY FOUND, DETERMINED, AND ORDERED AS FOLLOWS:

Section 1. That the said Resolution of Intention has been duly and legally published as required by law, and that the Notices of Public Improvement therein directed to be posted, have been duly and legally posted in the time, form, manner and number as required by law; that all protests or objections presented have been disposed of, in time, form, and manner as required by law; and that this Council has now acquired jurisdiction to order the things proposed to be done as set forth in the said Resolution of Intention.

Section 2. That the public interest and necessity require, and IT IS HEREBY ORDERED that the improvements and work described in the said Resolution of Intention, and in the plans, profiles, detail drawings, and Specifications therein referred to, be made and done.

Section 3. That Monday, the 25th day of June, 1928, at the hour of 10:00 o'clock A.M., of said day, is hereby fixed as the time for receiving bids for the doing of the said work and improvements, and the Clerk of this Council is hereby directed to give notice accordingly inviting sealed bids for the doing of the same, by publishing a notice inviting such sealed bids by at least two insertions in "The Evening Tribune," and by posting and keeping posted for five days at or near the Chamber door of this Common Council, all as required by the provisions of Section 12 of the said "Acquisition and Improvement Act of 1925,"

Section 4. That to defray the expenses of the work and improvements herein ordered, bonds will be issued in accordance with the provisions of the said Act, to the total amount of the same, said bonds to bear interest at the rate of seven per cent (7%) per annum, payable semi-annually, the first interest payment to be made on the second day of January or the second day of July (whichever month first succeeds the date of the bonds) next succeeding one year after the date of such bonds, and the aggregate principal of all bonds issued under the proceeding to be paid and discharged within fifteen (15) years after the date of issuance, approximately one-eleventh (1/11) part of such aggregate principal to be paid annually, all in gold coin, and the first payment on the aggregate principal of the bonds issued will be made five (5) years after the issuance thereof.

Section 5. That a special fund for the payment of said bonds will be constituted by the levy of special assessment taxes upon the lands within the assessment district, according to the assessed value of said lands, exclusive of the improvements thereon, except as otherwise provided in the Act hereinbefore mentioned, and in accordance with the zones and percentages as heretofore finally determined by this Council, which said district shall be known as "Acquisition and Improvement District No. 3 of the City of San Diego, California,"

RESOLUTION OF INTENTION NO. 45828  
 PENNSYLVANIA AVENUE.

RESOLVED, that it is the intention of the Common Council of the City of San Diego, California, to order the following work to be done and improvement to be made in said City, to-wit:

That portions of PENNSYLVANIA AVENUE, in said City, between the easterly line of Vermont Street and the easterly line of Albert Street, be paved with a two inch asphaltic concrete wearing surface laid upon a four inch asphaltic concrete base, and that cement concrete sidewalks and curbs, cement concrete curb inlet, fittings and appurtenances, corrugated iron pipe culvert, cast iron water main, connections, fittings and appurtenances, copper water services, connections, fittings and appurtenances, and wire link guard fence be constructed therein; also as a part of said work, the grading of a portion of the intersections of PENNSYLVANIA AVENUE with Albert Street.

That all of the said work hereinbefore generally described shall be constructed in the manner, at the locations, within the limits, of the materials, and of the dimensions as shown upon and in accordance with the plans, profiles, drawings, typical cross-sections and specifications therefor contained in Document No. 224362, on file in the Office of the City Clerk of said City, and copies of which are on file in the Office of the City Engineer of said City, and by this Reference thereto all said plans, profiles, drawings, typical cross-sections and specifications are made a part hereof.

That all of the said work and improvement hereinbefore generally described on said PENNSYLVANIA AVENUE, within the limits hereinabove specified shall be done and made to the grades shown upon the plans, profiles and specifications hereinbefore referred to and to which reference is hereby made for the description of the grades at which the work and improvement is to be done and made.

The said Common Council hereby determines and declares that serial bonds shall be issued to represent each assessment of twenty-five dollars or more remaining unpaid after the full expiration of thirty days from the date of the warrant, to represent the expenses of said work and improvement. Said serial bonds shall extend over a period ending nine years from the second day of January, next succeeding the fifteenth day of the next November following their date, and an even annual proportion of the principal sum thereof shall be payable by coupon on the second day of January every year after the fifteenth day of the next November following their date until the whole is paid. Said bonds shall bear interest at the rate of seven per cent. per annum, interest payable semi-annually by coupon, on all sums unpaid until the whole of said principal and interest are paid. Said bonds shall be issued and the principal and interest thereof shall be paid under and in pursuance of the "Improvement Act of 1911", and amendments thereto.

That the contemplated work and improvement hereinbefore mentioned is in the opinion of said Common Council of more than local and ordinary public benefit, and the expenses of such work and improvement are made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to-wit: All that real property in the said City of San Diego included within the exterior boundary lines of said district, as shown upon that certain Plat No. 1296, indicating the exterior boundary lines of such district, which plat, approved by the Common Council, is on file in the Office of the City Engineer of said City; excepting therefrom all public streets, roads, alleys, avenues and highways. Reference is hereby made to said Plat for a particular description of such district.

NOTICE IS HEREBY GIVEN, that on Monday, the 2nd day of July, 1928, at 10:00 o'clock A.M., in the Council Chamber of the City Hall of said City of San Diego, any and all persons having any objections to the proposed work or improvement, or to the extent of the district of lands to be assessed for said work or improvement, or to the grades to which said work and improvement is to be done and made, may appear before said Common Council and show cause why said proposed improvement should not be carried out in accordance with this Resolution.

That the Clerk of said City, be, and he is hereby directed to cause this Resolution of Intention to be published twice in the Evening Tribune, a daily newspaper published and circulated in said City, and hereby designated for that purpose by the Common Council.

That the Street Superintendent of said City shall, after the adoption of this Resolution of Intention, cause to be conspicuously posted along the line of said contemplated work or improvement, at not more than three hundred feet in distance apart, but not less than three in all, notices of the passage of this Resolution of Intention, and when the work to be done is only upon an entire crossing or intersection, or any part thereof, he shall cause such notices to be conspicuously posted in front of each quarter block or irregular block

liable to be assessed, and when the work is chargeable upon a district, he shall cause such notices to be conspicuously posted upon all open Streets within such district at not more than three hundred feet in distance apart on each Street so posted; all in the time, form and manner required by law; and thereupon said Superintendent of Streets shall cause to be filed in the Office of the City Clerk of said City, an affidavit showing the posting of said notices of improvement.

The Common Council does not deem it advisable that the Clerk mail copies of the Notice of Improvement to owners or reputed owners, and he is not required to mail the same.

All of the herein proposed work shall be done in pursuance of an Act of the Legislature of the State of California, designated as the "Improvement Act of 1911," approved April 7, 1911, and amendments thereto.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 4th day of June, 1928, by the following vote, to-wit:

All of the said work hereinbefore generally described shall be constructed in the manner, at the locations, within the limits, of the materials, and of the dimensions as shown upon and in accordance with the plans, profiles, drawings, typical cross-sections and specifications therefor contained in Document No. 222660, on file in the Office of the City Clerk of said City, and copies of which are on file in the Office of the City Engineer of said City, and by this reference thereto all said plans, profiles, drawings, typical cross-sections and specifications are made a part hereof.

The said Common Council hereby determines and declares that serial bonds shall be issued to represent each assessment of twenty-five dollars or more remaining unpaid after the full expiration of thirty days from the date of the warrant, to represent the expenses of said work and improvement. Said serial bonds shall extend over a period of nine years from the second day of January next succeeding the fifteenth day of the next November following their date, and an even annual proportion of the principal sum thereof shall be payable by coupon on the second day of January every year after the fifteenth day of the next November following their date until the whole is paid. Said bonds shall bear interest at the rate of seven per cent. per annum, interest payable semi-annually by coupon, on all sums unpaid until the whole of said principal and interest are paid. Said bonds shall be issued and the principal and interest thereof shall be paid under and in pursuance of the Improvement Act of 1911, and amendments thereto.

That the contemplated work and improvement hereinbefore mentioned is in the opinion of said Common Council of more than local and ordinary public benefit, and the expenses of such work and improvement are made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to-wit: All that real property in the said City of San Diego included within the exterior boundary lines of said district, as shown upon that certain plat No. 1176, indicating the exterior boundary lines of such district, which plat, approved by the Common Council, is on file in the Office of the City Engineer of said City; excepting therefrom all public streets, roads, alleys, avenues and highways. Reference is hereby made to said plat for a particular description of such district.

NOTICE IS HEREBY GIVEN, that on Monday, the 2nd day of July, 1928, at 10:00 o'clock A.M., in the Council Chamber of the City Hall of said The City of San Diego, any and all persons having any objections to the proposed work or improvement, or to the modified grade at which said work is to be done, may appear before said Common Council and show cause why said proposed improvement should not be carried out in accordance with this Resolution.

That the Clerk of said City be, and he is hereby directed to cause this Resolution of Intention to be published twice in the Evening Tribune, a daily newspaper published and circulated in said City, and hereby designated for that purpose by the Common Council.

That the Street Superintendent of said City shall, after the adoption of this Resolution of Intention, cause to be conspicuously posted along the line of said contemplated work or improvement, at not more than three hundred feet in distance apart, but not less than three in all, notices of the passage of this Resolution of Intention, and when the work to be done is only upon an entire crossing or intersection, or any part thereof, he shall cause such notices to be conspicuously posted in front of each quarter block or irregular block liable to be assessed, and when the work is chargeable upon a district, he shall cause such notices to be conspicuously posted upon all open Streets within such district at not more than three hundred feet in distance apart on each Street so posted; all in the time, form and manner required by law; and thereupon said Superintendent of Streets shall cause to be filed in the Office of the City Clerk of said City, an affidavit showing the posting of said notices of improvement.

The Common Council does not deem it advisable that the Clerk mail copies of the notice of improvement to owners or reputed owners, and he is not required to mail the same.

All of the herein proposed work shall be done in pursuance of an Act of the Legislature of the State of California, designated as the "Improvement Act of 1911," approved April 7, 1911, and amendments thereto.

That a cast iron water main, connections, fittings and appurtenances be constructed in a PUBLIC RIGHT-OF-WAY in, over, along and across Lot 70, Ludington Heights from the easterly line of Castellana Road to the northwesterly line of Puente Drive.

That all of the said work hereinbefore generally described shall be constructed in the manner, at the locations, within the limits, of the materials, and of the dimensions as shown upon and in accordance with the plans, profiles, drawings, typical cross-sections and specifications therefor contained in Document No. 224737, on file in the Office of the City Clerk of said City, and copies of which are on file in the Office of the City Engineer of said City, and by this reference thereto all said plans, profiles, drawings, typical cross-sections and specifications are made a part hereof.

That all of the said work and improvement hereinbefore generally described on said SOLEDAD AVENUE, KEARSARGE ROAD, CRESPO, AL BAHR DRIVE, HILLSIDE DRIVE, CASTELLANA ROAD, PUENTE DRIVE, MECCA DRIVE, VALDES DRIVE, AND PUBLIC RIGHTS OF WAY, in closed portions of Kearsarge Road and Crespo, and in Lots 70 and 71 of Ludington Heights, within the limits hereinabove specified shall be done and made to the grades shown upon the plans, profiles and specifications hereinbefore referred to and to which reference is hereby made for the description of the grades at which the work and improvement is to be done and made.

That said Common Council hereby determines and declares that serial bonds shall be issued to represent each assessment of twenty-five dollars or more remaining unpaid after the full expiration of thirty days from the date of the warrant, to represent the expenses of said work and improvement. Said serial bonds shall extend over a period ending nine years from the second day of January, next succeeding the fifteenth day of the next November following their date, and an even annual proportion of the principal sum thereof shall be payable by coupon on the second day of January every year after the fifteenth day of the next November following their date until the whole is paid. Said bonds shall bear interest at the rate of seven per cent. per annum, interest payable semi-annually by coupon, on all sums unpaid until the whole of said principal and interest are paid. Said bonds shall be issued and the principal and interest thereof shall be paid under and in pursuance of the "Improvement Act of 1911," and amendments thereto.

That the contemplated work and improvement hereinbefore mentioned is in the opinion of said Common Council of more than local and ordinary public benefit, and the expenses of such work and improvement are made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to-wit: All that real property in the said City of San Diego included within the exterior boundary lines of said district, as shown upon that certain Plat No. 1293, indicating the exterior boundary lines of such district, which plat, approved by the Common Council, is on file in the Office of the City Engineer of said City; excepting therefrom all public streets, roads, alleys, avenues and highways. Reference is hereby made to said Plat for a particular description of such district.

NOTICE IS HEREBY GIVEN, that on Monday, the 2nd day of July, 1928, at 10:00 o'clock A.M., in the Council Chamber of the City Hall of said City of San Diego, any and all persons having any objections to the proposed work of improvement, or to the extent of the district of lands to be assessed for said work or improvement, or to the grades to which said work and improvement is to be done and made, may appear before said Common Council and show cause why said proposed improvement should not be carried out in accordance with this Resolution.

That the Clerk of said City, be, and he is hereby directed to cause this Resolution of Intention to be published twice in the Evening Tribune, a daily newspaper published and circulated in said City, and hereby designated for that purpose by the Common Council.

That the Street Superintendent of said City shall, after the adoption of this Resolution of Intention, cause to be conspicuously posted along the line of said contemplated work or improvement, at not more than three hundred feet in distance apart, but not less than three in all, notices of the passage of this Resolution of Intention, and when the work to be done is only upon an entire crossing or intersection, or any part thereof, he shall cause such notices to be conspicuously posted in front of each quarter block or irregular block liable to be assessed, and when the work is chargeable upon a district, he shall cause such notices to be conspicuously posted upon all open Streets within such district at not more than three hundred feet in distance apart on each Street so posted; all in the time, form and manner required by law; and thereupon said Superintendent of Streets shall cause to be filed in the Office of the City Clerk of said City, an affidavit showing the posting of said notices of improvement.

The Common Council does not deem it advisable that the Clerk mail copies of the Notice of Improvement to owners or reputed owners, and he is not required to mail the same.

All of the herein proposed work shall be done in pursuance of an Act of the Legislature of the State of California, designated as the "Improvement Act of 1911," approved April 7, 1911, and amendments thereto.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 4th day of June, 1928, by the following vote, to-wit:

#### RESOLUTION OF INTENTION NO. 45912 EIGHTH STREET, WASHINGTON STREET, ALLEY IN ESTUDILLO & CAPRON'S ADDITION, AND ALLEY IN BLOCK 9, ESTUDILLO & CAPRON'S ADDITION.

RESOLVED, that it is the intention of the Common Council of the City of San Diego, California, to order the following work to be done and improvement to be made in said City, to-wit:

That portions of EIGHTH STREET, in said City, between the north line of University Avenue and the westerly production of the north line of Lot 42, Fleischer's Addition, be paved with a two-inch asphalt concrete wearing surface laid upon a four-inch asphalt concrete base, and that cement concrete curbs, cement concrete sidewalks, cement concrete sewer lateral and appurtenances, cement concrete curb inlet and appurtenances, cement concrete culvert, connections, fittings and appurtenances, cast iron water main, connections, fittings and appurtenances, cast iron gate valves, valve boxes and covers, cast iron fire hydrant, connections, fittings and appurtenances, and copper water service connections and appurtenances be constructed therein;

That a cast iron water main, connections, fittings and appurtenances, cast iron gate valve, valve box and cover, and cement concrete culvert, connections, fittings and appurtenances be constructed in portions of WASHINGTON STREET, in said City, between the westerly line of Eighth Street and a line drawn parallel to and distant 140 feet westerly from the northerly production of the west line of Eighth Street;

That the ALLEY IN ESTUDILLO & CAPRON'S ADDITION, lying north of and adjacent to Block C, Estudillo & Capron's Addition, in said City, between the west line of Ninth Street and the east line of Eighth Street, be graded, and paved with a two-inch asphalt concrete wearing surface laid upon a four-inch asphalt concrete base;

That portions of the ALLEY IN BLOCK 9, ESTUDILLO & CAPRON'S ADDITION, in said City, between the southerly line of Washington Street and the easterly production of the southerly line of Lot 1, Block 9, Estudillo & Capron's Addition, be graded, and paved with a two-inch asphalt concrete wearing surface laid upon a four-inch asphalt concrete base.

All of the said work hereinbefore generally described shall be constructed in the manner, at the locations, within the limits, of the materials, and of the dimensions as shown upon and in accordance with the plans, profiles, drawings, typical cross-sections and specifications therefor contained in Document No. 223011, on file in the Office of the City Clerk of said City, and copies of which are on file in the Office of the City Engineer of said City, and by this reference thereto all said plans, profiles, drawings, typical cross-sections and specifications are made a part hereof.

The said Common Council hereby determines and declares that serial bonds shall be issued to represent each assessment of twenty-five dollars or more remaining unpaid after the full expiration of thirty days from the date of the warrant, to represent the expenses of said work and improvement. Said serial bonds shall extend over a period of nine years from the second day of January next succeeding the fifteenth day of the next November following their date, and an even annual proportion of the principal sum thereof shall be payable by coupon on the second day of January every year after the fifteenth day of the next November following their date until the whole is paid. Said bonds shall bear interest at the rate of seven per cent. per annum, interest payable semi-annually by coupon, on all sums unpaid until the whole of said principal and interest are paid. Said bonds shall be issued and the principal and interest thereof shall be paid under and in pursuance of the Improvement Act of 1911, and amendments thereto.

That the contemplated work and improvement hereinbefore mentioned is in the opinion of said Common Council of more than local and ordinary public benefit, and the expenses of of such work and improvement are made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to-wit: All that real property in the said City of San Diego included within the exterior boundary lines of said district, as shown upon that certain plat No. 1269, indicating the exterior boundary lines of such district, which plat, approved by the common council, is on file in the Office of the City Engineer of said City; excepting therefrom all public streets, roads, alleys, avenues and highways. Reference is hereby made to said plat for a particular description of such district.

NOTICE IS HEREBY GIVEN, that on Monday, the 9th day of July, 1928, at 10:00 o'clock A.M., in the Council Chamber of the City Hall of said The City of San Diego, any and all persons having any objections to the proposed work or improvement may appear before said Common Council and show cause why said proposed improvement should not be carried out in accordance with this Resolution.

That the Clerk of said City be, and he is hereby directed to cause this Resolution of Intention to be published twice in the Evening Tribune, a daily newspaper published and circulated in said City, and hereby designated for that purpose by the Common Council.

That the Street Superintendent of said City shall, after the adoption of this Resolution of Intention, cause to be conspicuously posted along the line of said contemplated work or improvement, at not more than three hundred feet in distance apart, but not less than three in all, notices of the passage of this Resolution of Intention, and when the work to be done is only upon an entire crossing or intersection, or any part thereof, he shall cause notices to be conspicuously posted in front of each quarter block or irregular block liable to be assessed, and when the work is chargeable upon a district, he shall cause such notices to be conspicuously posted upon all open streets within such district at not more than three hundred feet in distance apart on each Street so posted; all in the time, form and manner required by law; and thereupon said Superintendent of Streets shall cause to be filed in the Office of the City Clerk of said City, an affidavit showing the posting of said notices of improvement.

The Common Council does not deem it advisable that the Clerk mail copies of the Notice of Improvement to owners or reputed owners, and he is not required to mail the same.

All of the herein proposed work shall be done in pursuance of an Act of the Legislature of the State of California, designated as the "Improvement Act of 1911," approved April 7, 1911, and amendments thereto.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 11th day of June, 1928, by the following vote, to-wit:

I HEREBY CERTIFY that the above and foregoing Resolution of Intention was passed by the Common Council of the said City of San Diego, at the time and by the vote above stated.

ALLEN H. WRIGHT

(SEAL) City Clerk of the City of San Diego, California, and Ex-Officio Clerk of the Common Council of the City of San Diego.

By CLARK M. FOOTE, JR.,  
Deputy.

#### RESOLUTION OF INTENTION NO. 45915 35TH STREET.

RESOLVED, that it is the intention of the Common Council of the City of San Diego, California, to order the following work to be done and improvement to be made in said City, to-wit:

That portions of 35TH STREET, in said City, between the south line of Landis Street and a line drawn parallel to and distant 510 feet south from the south line of Landis Street, be graded, and paved with a two-inch asphalt concrete wearing surface laid upon a four-inch asphalt concrete base, and that cement concrete curbs, cement concrete sidewalks, cement concrete curb inlet and appurtenances, corrugated iron pipe culvert, connections, fittings and appurtenances, and wire link highway guard fence and appurtenances be constructed therein;

That the said work hereinabove described on 35TH STREET, between a line drawn parallel to and distant 300 feet south from the south line of Landis Street and a line drawn parallel to and distant 465 feet south from the south line of Landis Street, shall be done to the modified grade shown and indicated upon the plans and profiles on file in the Office of the City Clerk of said City, and hereinafter referred to; and reference is hereby made to said plans and profiles for the description of the grade at which the work is to be done.

All of the said work hereinbefore generally described shall be constructed in the manner, at the locations, within the limits, of the materials, and of the dimensions as shown upon and in accordance with the plans, profiles, drawings, typical cross-sections and specifications therefor contained in Document No. 223009, on file in the Office of the City Clerk of said City, and copies of which are on file in the Office of the City Engineer of said City, and by this reference thereto all said plans, profiles, drawings, typical cross-sections and specifications are made a part hereof.

The said Common Council hereby determines and declares that serial bonds shall be issued to represent each assessment of twenty-five dollars or more remaining unpaid after the full expiration of thirty days from the date of the warrant, to represent the expenses of said work and improvement. Said serial bonds shall extend over a period of nine years from the second day of January next succeeding the fifteenth day of the next November following their date, and an even annual proportion of the principal sum thereof shall be payable by coupon on the second day of January every year after the fifteenth day of the next Novem-

ber following their date until the whole is paid. Said bonds shall bear interest at the rate of seven per cent. per annum, interest payable semi-annually by coupon, on all sums unpaid until the whole of said principal and interest are paid. Said bonds shall be issued and the principal and interest thereof shall be paid under and in pursuance of the Improvement Act of 1911, and amendments thereto.

That the contemplated work and improvement hereinbefore mentioned is in the opinion of said Common Council of more than local and ordinary public benefit, and the expenses of such work and improvement are made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to-wit: All that real property in the said City of San Diego included within the exterior boundary lines of said district, as shown upon that certain plat No. 1264, indicating the exterior boundary lines of such district, which plat, approved by the Common Council, is on file in the Office of the City Engineer of said City; excepting therefrom all public streets, roads, alleys, avenues and highways. Reference is hereby made to said plat for a particular description of such district.

NOTICE IS HEREBY GIVEN, that on Monday, the 9th day of July, 1928, at 10:00 o'clock A.M., in the Council Chamber of the City Hall of said the City of San Diego, any and all persons having any objections to the proposed work or improvement, or to the modified grade to which said work is to be done, may appear before said Common Council and show cause why said proposed improvement should not be carried out in accordance with this Resolution.

That the Clerk of said City be, and he is hereby directed to cause this Resolution of Intention to be published twice in the Evening Tribune, a daily newspaper published and circulated in said City, and hereby designated for that purpose by the Common Council.

That the Street Superintendent of said City shall, after the adoption of this Resolution of Intention, cause to be conspicuously posted along the line of said contemplated work or improvement, at not more than three hundred feet in distance apart, but not less than three in all, notices of the passage of this Resolution of Intention, and when the work to be done is only upon an entire crossing or intersection, or any part thereof, he shall cause such notices to be conspicuously posted in front of each quarter block or irregular block liable to be assessed, and when the work is chargeable upon a district, he shall cause such notices to be conspicuously posted upon all open Streets within such district at not more than three hundred feet in distance apart on each Street so posted; all in the time, form and manner required by law; and thereupon said Superintendent of Streets shall cause to be filed in the Office of the City Clerk of said City, an affidavit showing the posting of said notices of improvement.

The Common Council does not deem it advisable that the Clerk mail copies of the notice of improvement to owners or reputed owners, and he is not required to mail the same.

All of the herein proposed work shall be done in pursuance of an Act of the Legislature of the State of California, designated as the "Improvement Act of 1911", approved April 7, 1911, and amendments thereto.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 11th day of June, 1928, by the following vote, to-wit:

#### RESOLUTION OF INTENTION NO. 45917

BROOKES AVENUE, IBIS STREET, WALNUT AVENUE, HAWK STREET.

RESOLVED, that it is the intention of the Common Council of the City of San Diego, California, to order the following work to be done and improvement to be made in said City, to-wit:

That portions of BROOKES AVENUE, in said City, between the east line of Kite Street and a line drawn parallel to and distant 20 feet easterly from the easterly line of Hawk Street, produced northerly, be graded and paved with a Portland Cement Concrete Pavement, and that cement concrete sidewalks and curbs, cement concrete curb inlet, fittings and appurtenances, corrugated iron pipe culvert, cement concrete sewer laterals and appurtenances, cast iron water mains, connections, fittings and appurtenances, cast iron gate valves, valve boxes and covers, cast iron fire hydrants, connections, fittings and appurtenances, copper water services, connections and appurtenances, and wire link guard fence be constructed therein;

That portions of IBIS STREET, in said City, between Brookes Avenue and Walnut Avenue, be paved with a Portland Cement Concrete Pavement, and that cement concrete sidewalks and curbs, cement concrete sewer laterals and appurtenances, cast iron water mains, connections, fittings and appurtenances, cast iron gate valve, valve box and cover and copper water services, connections and appurtenances be constructed therein;

That portions of WALNUT AVENUE, in said City, between the west line of Ibis Street and the northeasterly line of Goldfinch Street, produced northwesterly, be graded, re-graded and paved with a Portland Cement Concrete Pavement, and that cement concrete sidewalks and curbs, cement concrete sewer main, connections, fittings and appurtenances, cement concrete curb inlet, fittings and appurtenances, corrugated iron pipe culvert, cast iron water mains, connections, fittings and appurtenances, cast iron gate valves, valve boxes and covers, cast iron fire hydrant, connections, fittings and appurtenances, and copper water services, connections and appurtenances be constructed therein.

That a corrugated iron pipe culvert be constructed in HAWK STREET, in said City, between the northerly line of Walnut Avenue, and a line parallel to and distant 120 feet north from the north line of Walnut Avenue.

That all of the said work hereinbefore generally described shall be constructed in the manner, at the locations, within the limits, of the materials, and of the dimensions as shown upon and in accordance with the plans, profiles, drawings, typical cross-sections and specifications therefor contained in Document No. 224901, on file in the Office of the City Clerk of said City, and copies of which are on file in the Office of the City Engineer of said City, and by this reference thereto all said plans, profiles, drawings, typical cross-sections and specifications are made a part hereof.

That all the said work and improvement hereinbefore generally described on said BROOKES AVENUE, IBIS STREET AND WALNUT AVENUE, within the limits hereinabove specified shall be done and made to the grades shown upon the plans, profiles and specifications hereinbefore referred to and to which reference is hereby made for the description of the grades at which the work and improvement is to be done and made. Particular notice is directed to the modified grades on WALNUT AVENUE, between a line parallel to and distant 100 feet east of the east line of Ibis Street and the northerly line of Hawk Street, as shown on said plans, profiles and specifications.

The said Common Council hereby determines and declares that serial bonds shall be issued to represent each assessment of twenty-five dollars or more remaining unpaid after the full expiration of thirty days from the date of the warrant, to represent the expenses of said work and improvement. Said serial bonds shall extend over a period ending nine years from the second day of January, next succeeding the fifteenth day of the next November following their date, and an even annual proportion of the principal sum thereof shall be payable by coupon on the second day of January every year after the fifteenth day of the next November following their date until the whole is paid. Said bonds shall bear interest at the rate of seven per cent. per annum, interest payable semi-annually by coupon, on all sums unpaid until the whole of said principal and interest are paid. Said bonds shall be issued and the principal and interest thereof shall be paid under and in pursuance of the "Improvement Act of 1911", and amendments thereto.

That the said Common Council hereby finds and determines that said contemplated work and improvement works a greater public benefit to the entire City of San Diego, and to all the inhabitants thereof, than to the property of the district herein mentioned and described, and therefore said Common Council hereby declares its intention to order that Nine Hundred Sixty Dollars (\$960.00) of the costs and expenses of the said contemplated work and improvement hereinbefore mentioned shall be paid out of the Treasury of said City, and particularly out of the General Fund of the said City, and that the remaining portion of the costs and expenses of said contemplated work and improvement shall be made chargeable upon the district hereinafter specifically described.

That the contemplated work and improvement hereinbefore mentioned is in the opinion of the said Common Council of more than local and ordinary public benefit and all of the costs and expenses of such work and improvement, excepting the sum of Nine Hundred Sixty Dollars (\$960.00) are made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district specifically benefited by said work and improvement and to be assessed to pay all the costs and expenses thereof, excepting the said sum of Nine Hundred Sixty Dollars (\$960.00). Said district is described as follows, to-wit: All that real property in the said City of San Diego included within the exterior boundary lines of said district, as shown upon that certain Plat No. 1295, indicating the exterior boundary lines of such district, which Plat, approved by the Common Council, is on file in the Office of the City Engineer of said City; excepting therefrom all public streets, roads, alleys, avenues and highways. Reference is hereby made to said Plat for a particular description of such district.

NOTICE IS HEREBY GIVEN, that on Monday, the 9th day of July, 1928, at 10:00 o'clock A.M., in the Council Chamber of the City Hall of said the City of San Diego, any and all persons having any objections to the proposed work or improvement may appear before said Common Council and show cause why said proposed improvement should not be carried out in accordance with said Resolution of Intention.

That the Clerk of said City be, and he is hereby directed to cause this Resolution of Intention to be published twice in the Evening Tribune, a daily newspaper published and circulated in said City, and hereby designated for that purpose by the Common Council.

That the Street Superintendent of said City shall, after the adoption of this Resolution of Intention, cause to be conspicuously posted along the line of said contemplated work or improvement, at not more than three hundred feet in distance apart, but not less than three in all, notices of the passage of this Resolution of Intention, and when the work to be done is only upon an entire crossing or intersection, or any part thereof, he shall cause such notices to be conspicuously posted in front of each quarter block or irregular block liable to be assessed, and when the work is chargeable upon a district, he shall cause such notices to be conspicuously posted upon all open Streets within such district at not more than three hundred feet in distance apart on each Street so posted; all in the time, form and manner required by law; and thereupon said Superintendent of Streets shall cause to be filed in the Office of the City Clerk of said City, an affidavit showing the posting of said notices of improvement.

The Common Council does not deem it advisable that the Clerk mail copies of the Notice of Improvement to owners or reputed owners, and he is not required to mail the same.

All of the herein proposed work shall be done in pursuance of an Act of the Legislature of the State of California, designated as the "Improvement Act of 1911", approved April 7, 1911, and amendments thereto.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 11th day of June, 1928.

#### RESOLUTION OF INTENTION NO. 45918 EIGHTH STREET LIGHTING DISTRICT NO. 1.

RESOLVED, that it is the intention of the Common Council of the City of San Diego, California, pursuant to Chapter 247 of the Statutes of the State of California, approved June 6, 1913 (Statutes of 1913, page 421), to order the following work to be done and improvement to be made in said City, to-wit:

The furnishing of electric current for the lighting of the ornamental Street lights located on EIGHTH STREET, between the northerly line of Pennsylvania Avenue produced easterly and a line parallel to and distant 125 feet north of the north line of Brookes Avenue; and on PENNSYLVANIA AVENUE, between the west line of Eighth Street and the east line of the Alley in Block 7, Crittenden's Addition, produced south, in the City of San Diego, California; together with the maintenance of the posts, wires, conduits and lamps on said Eighth Street and Pennsylvania Avenue, within said limits. Such furnishing of electric current and such maintenance of appliances shall be for the period of two years from and after the 1st day of January, 1928, to-wit, to and including the 31st day of December, 1929.

Said work of improvement shall be done in all respects according to, at the places shown by, and of the materials provided for, in the plans and specifications therefor to be hereafter prepared by the City Engineer of said City, and furnished to this Common Council, as hereinafter set forth.

That the exterior boundaries of the district in said City of San Diego to be benefited by said improvement, and to be assessed to pay the costs and expenses thereof, and to be known as the assessment district, are hereby specified as follows, to-wit:

Beginning at the point of intersection of the north line of Pennsylvania Avenue as it formerly existed, with the east line of the Alley in Block 7, Crittenden's Addition; thence east along the original north line of Pennsylvania Avenue to an intersection with the west line of Eighth Street; thence southeasterly in a direct line to the point of intersection of the original center line of Pennsylvania Avenue with the east line of Eighth Street; thence east along the original center line of Eighth Street to an intersection with the westerly line of Ninth Street; thence southerly along the westerly line of Ninth Street to an intersection with a line parallel to and distant 125 feet north of the north line of Brookes Avenue; thence west along a line parallel to and distant 125 feet north of the north line of Brookes Avenue to an intersection with the east line of the Alley in Block 8, Crittenden's Addition; thence north along the east line of said Alley and its northerly prolongation to the point or place of beginning; excepting therefrom all public streets, roads, alleys, avenues and highways.

Said Common Council does hereby order that four-fifths of the costs and expenses of said improvement shall be assessed upon the district above described, and one-fifth of the costs and expenses of said improvement shall be paid out of the Treasury of said City, from the Street Light Fund of said City.

BE IT FURTHER RESOLVED, that this Common Council by virtue of authority vested in it by provisions of Chapter 620 of the Statutes of the State of California, approved June 4, 1915 (Statutes 1915, page 1171) and acts amendatory thereof and supplemental thereto, does hereby determine to exercise the right, to the exclusion of all other bidders, to acquire in the name of the City of San Diego, California, at the sale for any delinquency arising from the non-payment of any assessment which shall be made and levied in these proceedings, any lien which shall accrue, or any property which is required to be sold, under the said law appertaining to said proceedings, for the non-payment of any such assessment or any delinquency incurred by the non-payment thereof.

That the Superintendent of the Purchasing Department of the City of San Diego, California, be, and he is hereby designated for the purpose, and is hereby directed to attend at any sale of property to be made for any delinquency of any assessment to be made and levied in this proceeding and at such sale he is hereby empowered to bid in and acquire, in the name of the City of San Diego, California, to the exclusion of other bidders, all liens and delinquent property at such delinquent sales.

That the proposed improvement is hereby referred to the City Engineer of said City, and said City Engineer is hereby directed to make and file, with the Clerk of said Common Council, a report, in writing, presenting the following:

1. Plans and specifications for the work required in order to make said improvements;
2. An estimate of the cost of said improvement and of the incidental expenses in connection therewith;

3. A diagram showing the district above referred to, and also the boundaries and dimensions of the respective subdivisions of the land within said district, each of which subdivisions shall be given a separate number in red ink upon said diagram.

4. A proposed assessment of the total amount of the costs and expenses of the proposed improvement upon the several subdivisions of land in said district in proportion to the estimated benefits to be received by such subdivisions, respectively, from said improvement; provided, that whenever any portion or percentage of the cost and expenses of such improvement is ordered to be paid out of the treasury of the municipality, as hereinabove provided, the amount of such portion or percentage shall first be deducted from the total estimated cost and expenses of such improvement, and the assessment upon property, proposed in said report, shall include only the remainder of said estimated costs and expenses. Said assessment shall refer to such subdivisions upon said diagram by the respective red ink numbers thereof, and shall show the names of the owners, if known, otherwise designating them as unknown. No mistake in the name of the owner of any parcel of land shall affect the validity of the assessment thereon.

This proceeding shall be designated as Eighth Street Lighting District No. 1.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 11th day of June, 1928, by the following vote, to-wit:

RESOLUTION OF INTENTION NO. 45980  
VALLE AVENUE.

RESOLVED, that it is the intention of the Common Council of the City of San Diego, California, to order the following work to be done and improvement to be made in said City, to-wit:

That portions of VALLE AVENUE, in said City, between the east line of 30th Street and the west line of 31st Street, be paved with a Portland cement concrete pavement, and that cement concrete sidewalks, cast iron water main, connections, fittings and appurtenances, cast iron fire hydrant, connections, fittings and appurtenances, and copper water service connections and appurtenances be constructed therein.

All of the said work hereinbefore generally described shall be constructed in the manner, at the locations, within the limits, of the materials, and of the dimensions as shown upon and in accordance with the plans, profiles, drawings, typical cross-sections and specifications therefor contained in Document No. 223334, on file in the Office of the City Clerk of said City, and copies of which are on file in the Office of the City Engineer of said City, and by this reference thereto all said plans, profiles, drawings, typical cross-sections and specifications are made a part hereof.

The said Common Council hereby determines and declares that serial bonds shall be issued to represent each assessment of twenty-five dollars or more remaining unpaid after the full expiration of thirty days from the date of the warrant, to represent the expenses of said work and improvement. Said serial bonds shall extend over a period ending nine years from the second day of January next succeeding the fifteenth day of the next November following their date, and an even annual proportion of the principal sum thereof shall be payable by coupon on the second day of January every year after the fifteenth day of the next November following their date until the whole is paid. Said bonds shall bear interest at the rate of seven per cent. per annum, interest payable semi-annually by coupon, on all sums unpaid until the whole of said principal and interest are paid. Said bonds shall be issued and the principal and interest thereof shall be paid under and in pursuance of the Improvement Act of 1911, and amendments thereto.

That the contemplated work and improvement hereinbefore mentioned is in the opinion of said Common Council of more than local and ordinary public benefit, and the expenses of such work and improvement are made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to-wit: All that real property in the said City of San Diego included within the exterior boundary lines of said district, as shown upon that certain plat No. 1268, indicating the exterior boundary lines of such district, which plat, approved by the Common Council, is on file in the Office of the City Engineer of said City; excepting therefrom all public streets, roads, alleys, avenues and highways. Reference is hereby made to said plat for a particular description of such district.

NOTICE IS HEREBY GIVEN, that on Monday, the 16th day of July, 1928, at 10:00 o'clock A.M., in the Council Chamber of the City Hall of said The City of San Diego, any and all persons having any objections to the proposed work or improvement, to the grade to which said work is to be done, or to the extent of the district to be assessed to pay the costs and expenses of said proposed improvement, may appear before said Common Council and show cause why said proposed improvement should not be carried out in accordance with this Resolution.

That the Clerk of said City be, and he is hereby directed to cause this Resolution of Intention to be published twice in the Evening Tribune, a daily newspaper published and circulated in said City, and hereby designated for that purpose by the Common Council.

That the Street Superintendent of said City shall, after the adoption of this Resolution of Intention, cause to be conspicuously posted along the line of said contemplated work or improvement, at not more than three hundred feet in distance apart, but not less than three in all, notices of the passage of this Resolution of Intention, and when the work to be done is only upon an entire crossing or intersection, or any part thereof, he shall cause such notices to be conspicuously posted in front of each quarter block or irregular block liable to be assessed, and when the work is chargeable upon a district, he shall cause such notices to be conspicuously posted upon all open Streets within such district at not more than three hundred feet in distance apart on each Street so posted; all in the time, form and manner required by law; and thereupon said Superintendent of Streets shall cause to be filed in the Office of the City Clerk of said City, an affidavit showing the posting of said notices of improvement.

The Common Council does not deem it advisable that the Clerk mail copies of the Notice of Improvement to owners or reputed owners, and he is not required to mail the same.

All of the herein proposed work shall be done in pursuance of an Act of the Legislature of the State of California, designated as the "Improvement Act of 1911", approved April 7, 1911, and amendments thereto.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 18th day of June, 1928, by the following vote, to-wit:

NORTH-AND-SOUTH AND EAST-AND-WEST ALLEYS IN BLOCK 2,  
S. GURWELL HEIGHTS, ALLEY IN BLOCK 13 FRARY HEIGHTS,  
AND 31ST STREET.

RESOLVED, that it is the intention of the Common Council of the City of San Diego, California, to order the following work to be done and improvement to be made in said City, to-wit:

That portions of the north-and-south and east-and-west ALLEYS IN BLOCK 2, S. GURWELL HEIGHTS, in said City, be graded, and paved with a two-inch asphalt concrete wearing surface laid upon a four-inch asphalt concrete base, and that cement concrete curbs, special cement concrete curbs, cement concrete sewer laterals and appurtenances, cement concrete curb inlet and appurtenances, cement concrete culvert, connections, fittings and appurtenances, and wire link highway guard fence and appurtenances be constructed therein;

That a cement concrete culvert, connections, fittings and appurtenances be constructed in portions of the ALLEY IN BLOCK 13, FRARY HEIGHTS, in said City, between the west line of Frary Heights and the west line of 31st Street;

That a cement concrete culvert, connections, fittings and appurtenances be constructed in portions of 31ST STREET, in said City, between the easterly productions of the north and south lines of the Alley in Block 13, Frary Heights.

All of the said work hereinbefore generally described shall be constructed in the manner, at the locations, within the limits, of the materials, and of the dimensions as shown upon and in accordance with the plans, profiles, drawings, typical cross-sections and specifications therefor contained in Document No. 223333, on file in the Office of the City Clerk of said City, and copies of which are on file in the Office of the City Engineer of said City, and by this reference thereto all said plans, profiles, drawings, typical cross-sections and specifications are made a part hereof.

The said Common Council hereby determines and declares that serial bonds shall be issued to represent each assessment of twenty-five dollars or more remaining unpaid after the full expiration of thirty days from the date of the warrant, to represent the expenses of said work and improvement. Said serial bonds shall extend over a period ending nine years from the second day of January next succeeding the fifteenth day of the next November following their date, and an even annual proportion of the principal sum thereof shall be payable by coupon on the second day of January every year after the fifteenth day of the next November following their date until the whole is paid. Said bonds shall bear interest at the rate of seven per cent. per annum, interest payable semi-annually by coupon, on all sums unpaid until the whole of said principal and interest are paid. Said bonds shall be issued and the principal and interest thereof shall be paid under and in pursuance of the Improvement Act of 1911, and amendments thereto.

That the contemplated work and improvement hereinbefore mentioned is in the opinion of said Common Council of more than local and ordinary public benefit, and the expenses of such work and improvement are made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to-wit: All that real property in the said City of San Diego included within the exterior boundary lines of said district, as shown upon that certain plat No. 1046, indicating the exterior boundary lines of such district, which plat, approved by the Common Council, is on file in the Office of the City Engineer of said City; excepting therefrom all public streets, roads, alleys, avenues and highways: Reference is hereby made to said plat for a particular description of such district.

NOTICE IS HEREBY GIVEN, that on Monday, the 16th day of July, 1928, at 10:00 o'clock A.M., in the Council Chamber of the City Hall of said the City of San Diego, any and all persons having any objections to the proposed work or improvement, to the grade to which said work is to be done, or to the extent of the district to be assessed to pay the costs and expenses of said proposed improvement, may appear before said Common Council and show cause why said proposed improvement should not be carried out in accordance with this Resolution.

That the Clerk of said City be, and he is hereby directed to cause this Resolution of Intention to be published twice in the Evening Tribune, a daily newspaper published and circulated in said City, and hereby designated for that purpose by the Common Council.

That the Street Superintendent of said City shall, after the adoption of this Resolution of Intention, cause to be conspicuously posted along the line of said contemplated work or improvement, at not more than three hundred feet in distance apart, but not less than three in all, notices of the passage of this Resolution of Intention, and when the work to be done is only upon an entire crossing or intersection, or any part thereof, he shall cause such notices to be conspicuously posted in front of each quarter block or irregular block liable to be assessed, and when the work is chargeable upon a district, he shall cause such notices to be conspicuously posted upon all open Streets within such district at not more than three hundred feet in distance apart on each Street so posted; all in the time, form and manner required by law; and thereupon said Superintendent of Streets shall cause to be filed in the Office of the City Clerk of said City, an affidavit showing the posting of said notices of improvement.

The Common Council does not deem it advisable that the Clerk mail copies of the Notice of Improvement to owners or reputed owners, and he is not required to mail the same.

All of the herein proposed work shall be done in pursuance of an Act of the Legislature of the State of California, designated as the "Improvement Act of 1911", approved April 7, 1911, and amendments thereto.

All of the said work hereinbefore generally described shall be constructed in the manner, at the locations, within the limits, of the materials, and of the dimensions as shown upon and in accordance with the plans, profiles, drawings, typical cross-sections and specifications therefor contained in Document No. 223639, on file in the Office of the City Clerk of said City, and copies of which are on file in the Office of the City Engineer of said City, and by this reference thereto all said plans, profiles, drawings, typical cross-sections and specifications are made a part hereof.

The said Common Council hereby determines and declares that serial bonds shall be issued to represent each assessment of twenty-five dollars or more remaining unpaid after the full expiration of thirty days from the date of the warrant, to represent the expenses of said work and improvement. Said serial bonds shall extend over a period ending nine years from the second day of January next succeeding the fifteenth day of the next November following their date, and an even annual proportion of the principal sum thereof shall be payable by coupon on the second day of January every year after the fifteenth day of the next November following their date until the whole is paid. Said bonds shall bear interest at the rate of seven per cent. per annum, interest payable semi-annually by coupon, on all sums unpaid until the whole of said principal and interest are paid. Said bonds shall be issued and the principal and interest thereof shall be paid under and in pursuance of the Improvement Act of 1911, and amendments thereto.

That the contemplated work and improvement hereinbefore mentioned is in the opinion of said Common Council of more than local and ordinary public benefit, and the expenses of such work and improvement are made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to-wit: All that real property in the said City of San Diego included within the exterior boundary lines of said district, as shown upon that certain plat No. 1153, indicating the exterior boundary lines of such district, which plat, approved by the Common Council, is on file in the Office of the City Engineer of said City; excepting therefrom all public streets, roads, allies, avenues and highways. Reference is hereby made to said plat for a particular description of such district.

NOTICE IS HEREBY GIVEN, that on Monday, the 16th day of July, 1928, at 10:00 o'clock A.M., in the Council Chamber of the City Hall of said The City of San Diego, any and all persons having any objections to the proposed work or improvement, to the grade to which said work is to be done, or to the extent of the district to be assessed to pay the costs and expenses of said improvement, may appear before said Common Council and show cause why said proposed improvement should not be carried out in accordance with this Resolution.

That the Clerk of said City be, and he is hereby directed to cause this Resolution of Intention to be published twice in the Evening Tribune, a daily newspaper published and circulated in said City, and hereby designated for that purpose by the Common Council.

That the Street Superintendent of said City shall, after the adoption of this Resolution of Intention, cause to be conspicuously posted along the line of said contemplated work or improvement, at not more than three hundred feet in distance apart, but not less than three in all, notices of the passage of this Resolution of Intention, and when the work to be done is only upon an entire crossing or intersection, or any part thereof, he shall cause such notices to be conspicuously posted in front of each quarter block or irregular block liable to be assessed, and when the work is chargeable upon a district, he shall cause such notices to be conspicuously posted upon all open Streets within such district at not more than three hundred feet in distance apart on each Street so posted; all in the time, form and manner required by law; and thereupon said Superintendent of Streets shall cause to be filed in the Office of the City Clerk of said City, an affidavit showing the posting of said notices of improvement.

The Common Council does not deem it advisable that the Clerk mail copies of the Notice of Improvement to owners or reputed owners, and he is not required to mail the same.

All of the herein proposed work shall be done in pursuance of an Act of the Legislature of the State of California, designated as the "Improvement Act of 1911", approved April 7, 1911, and amendments thereto.

#### R E S O L U T I O N NO. 45993

BEFORE THE COMMON COUNCIL OF THE CITY OF SAN DIEGO, CALIFORNIA. IN THE MATTER OF ACQUISITION AND IMPROVEMENT DISTRICT NO. 1 OF THE CITY OF SAN DIEGO. A RESOLUTION DIRECTING THE CITY CLERK OF THE CITY OF SAN DIEGO, IN BEHALF OF THE CITY OF SAN DIEGO, TO MAKE APPLICATION TO THE DEPARTMENT OF PUBLIC WORKS OF THE STATE OF CALIFORNIA FOR AUTHORITY TO OPEN AND EXTEND A PUBLIC STREET IN THE SAID CITY ACROSS AND OVER CERTAIN TIDELANDS OF MISSION BAY.

WHEREAS, on the 7th day of May, 1927, a petition was filed with this Common Council signed by a large number of residents and property owners in La Jolla and Pacific Beach, praying that a public highway be opened and paved from a point on West Point Loma Boulevard in a Northwesterly direction across Mission Bay to connect with the Southeasterly end of Crown Point; and

WHEREAS, thereafter and on the 23rd day of May, 1927, this Council, proceeding under the provisions of the "Acquisition and Improvement Act of 1925," appointed Paul R. Watson, Engineer of said work, and directed him to prepare and furnish this Council with specifications for the work proposed to be done; and

WHEREAS, the said Engineer, proceeding in the discharge of his said duties, has caused surveys to be made of the said route, and soundings to be made of the said Bay, along the line of the said road, and has filed with this Council plans for the construction of two bridges and a causeway across the said Mission Bay, for the purpose of accompanying an application to the Secretary of War for approval by the Chief of Engineers and the Secretary of War; and

WHEREAS, thereafter and on the 31st day of October, 1927, this Council passed and adopted its Resolution No. 43440 directing the City Clerk of the said City, in behalf of the said City, to make application to the Secretary of War for approval of the plans for the construction of the said two bridges and causeway; and

WHEREAS, thereafter and pursuant to such direction, the City Clerk of said City made and filed with the Secretary of War such application; and

WHEREAS, thereafter and on the 8th day of February, 1928, written approval of said plans and permission to construct the said bridges and causeway was granted by the Secretary of War; and

WHEREAS, on the 7th day of January, 1928, the Division of Engineering and Irrigation of the Department of Public Works approved the said plans as to the width of draw and length of spans proposed to be constructed; and

WHEREAS, a portion of the said highway proposed to be improved is upon and over certain tidelands in the said Mission Bay; and

WHEREAS, the acquisition, construction, and completion of the said highway, causeway, and bridges will be greatly in furtherance of navigation, commerce, and fisheries; in that it will provide means of access to the navigable portions of said Bay and bring into utility the tidelands of said Bay in the vicinity of the said highway, causeway, and bridges

NOW, THEREFORE, THE COMMON COUNCIL OF THE CITY OF SAN DIEGO HEREBY RESOLVE AS FOLLOWS:

Section 1. That the City Clerk of said City of San Diego, for and on behalf of the City of San Diego, be, and he is hereby instructed to make application to the Department of Public Works of the State of California to dedicate and set aside for a public Street of the City of San Diego the following described portion of the tidelands of Mission Bay, to-wit:

RESOLUTION OF INTENTION NO. 46068

DOVE STREET, SUTTER STREET, PENNSYLVANIA AVENUE, NORTH  
CRESCENT COURT, SOUTH CRESCENT COURT AND CURLEW STREET.

RESOLVED, that it is the intention of the Common Council of the City of San Diego, California, to order the following work to be done and improvement to be made in said City, to-wit:

That portions of DOVE STREET, in said City, between the easterly production of the southerly line of Sutter Street and the northerly line of Pennsylvania Avenue, be graded, and paved with a Portland cement concrete pavement, and that cement concrete curbs, cement concrete sewer laterals and appurtenances, cement concrete storm drain and appurtenances, cement concrete storm drain cleanout and appurtenances, cast iron water main, connections, fittings and appurtenances, cast iron gate valve, valve box and cover, and copper water service connections and appurtenances be constructed therein;

That portions of SUTTER STREET, in said City, between the northerly prolongation of the westerly line of Dove Street and the easterly line of Pueblo Lot 1122, be graded, and paved with a Portland cement concrete pavement, and that cement concrete curbs, cement concrete curb inlet and appurtenances, cement concrete storm drain and appurtenances, and cast iron water main, connections, fittings and appurtenances be constructed therein;

That portions of PENNSYLVANIA AVENUE, in said City, between the westerly line of Curlew Street and the westerly termination of said Pennsylvania Avenue in North Crescent Court and South Crescent Court, be graded, and paved with a Portland cement concrete pavement, and that cement concrete curbs, cement concrete sewer laterals and appurtenances, cast iron sewer lateral and appurtenances, cement concrete curb inlet and appurtenances, cement concrete storm drain and appurtenances, cast iron water main, connections, fittings and appurtenances, cast iron gate valve, valve box and cover, cast iron fire hydrant, connections, fittings and appurtenances, and copper water service connections and appurtenances be constructed therein;

That portions of NORTH CRESCENT COURT, in said City, between the northerly prolongation of the westerly line of Lot 12, Crestline, and the southeasterly termination of said North Crescent Court in Pennsylvania Avenue and South Crescent Court, be graded, and paved with a Portland cement concrete pavement, and that cement concrete curtain wall and appurtenances, cement concrete sewer laterals and appurtenances, cast iron water main, connections, fittings and appurtenances, cast iron gate valve, valve box and cover, and copper water service connections and appurtenances be constructed therein;

That portions of SOUTH CRESCENT COURT, in said City, between the southerly prolongation of the westerly line of Lot 12, Crestline, and the northeasterly termination of said South Crescent Court in Pennsylvania Avenue and North Crescent Court, be graded, and paved with a Portland cement concrete pavement, and that cement concrete curtain wall and appurtenances, cast iron water main, connections, fittings and appurtenances, cast iron gate valve, valve box and cover, and copper water service connection and appurtenances be constructed therein;

That a cast iron water main, connections, fittings and appurtenances, and cast iron gate valve, valve box and cover be constructed in portions of CURLEW STREET, in said City, between the westerly prolongation of the southerly line of Pennsylvania Avenue and the easterly prolongation of the southerly line of Lot 1, Block 6, Idyllwild.

All of the said work hereinbefore generally described shall be constructed in the manner, at the locations, within the limits, of the materials, and of the dimensions as shown upon and in accordance with the plans, profiles, drawings, typical cross-sections and specifications therefor contained in Document No. 223637, on file in the Office of the City Clerk of said City, and copies of which are on file in the Office of the City Engineer of said City, and by this reference thereto all said plans, profiles, drawings, typical cross-sections and specifications are made a part hereof.

The said Common Council hereby determines and declares that serial bonds shall be issued to represent each assessment of twenty-five dollars or more remaining unpaid after the full expiration of thirty days from the date of the warrant, to represent the expenses of said work and improvement. Said serial bonds shall extend over a period ending nine years from the second day of January next succeeding the fifteenth day of the next November following their date, and an even annual proportion of the principal sum thereof shall be payable by coupon on the second day of January every year after the fifteenth day of the next November following their date until the whole is paid. Said bonds shall bear interest at the rate of seven per cent. per annum, interest payable semi-annually by coupon, on all sums unpaid until the whole of said principal and interest are paid. Said bonds shall be issued and the principal and interest thereof shall be paid under and in pursuance of the Improvement Act of 1911, and amendments thereto.

That the contemplated work and improvement hereinbefore mentioned is in the opinion of said Common Council of more than local and ordinary public benefit, and the expenses of such work and improvement are made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to-wit: All that real property in the said City of San Diego included within the exterior boundary lines of said district, as shown upon that certain plat No. 1251, indicating the exterior boundary lines of such district, which plat, approved by the Common Council, is on file in the Office of the City Engineer of said City; excepting therefrom all public streets, roads, alleys, avenues and highways. Reference is hereby made to said plat for a particular description of such district.

NOTICE IS HEREBY GIVEN, that on Monday, the 23rd day of July, 1928, at 10:00 o'clock A.M., in the Council Chamber of the City Hall of said The City of San Diego, any and all persons having any objections to the proposed work or improvement, to the grade to which said work is to be done, or to the extent of the district to be assessed to pay the costs and expenses of said improvement, may appear before said Common Council and show cause why said proposed improvement should not be carried out in accordance with this Resolution.

That the Clerk of said City be, and he is hereby directed to cause this Resolution of Intention to be published twice in the Evening Tribune, a daily newspaper published and circulated in said City, and hereby designated for that purpose by the Common Council.

That the Street Superintendent of said City shall, after the adoption of this Resolution of Intention, cause to be conspicuously posted along the line of said contemplated work or improvement, at not more than three hundred feet in distance apart, but not less than three in all, notices of the passage of this Resolution of Intention, and when the work to be done is only upon an entire crossing or intersection, or any part thereof, he shall cause such notices to be conspicuously posted in front of each quarter block or irregular block liable to be assessed, and when the work is chargeable upon a district, he shall cause such notices to be conspicuously posted upon all open Streets within such district at not more than three hundred feet in distance apart on each Street so posted; all in the time, form and manner required by law; and thereupon said Superintendent of Streets shall cause to be filed in the Office of the City Clerk of said City, an affidavit showing the posting of said notices of improvement.

The Common Council does not deem it advisable that the Clerk mail copies of the Notice of Improvement to owners or reputed owners, and he is not required to mail the same.

All of the herein proposed work shall be done in pursuance of an Act of the Legislature of the State of California, designated as the "Improvement Act of 1911", approved April 7, 1911, and amendments thereto.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 25th day of June, 1928, by the following vote, to-wit:

That the said work hereinabove described on COLUMBIA STREET, between the southeasterly line of Sassafras Street and the northwesterly line of Thorn Street, shall be done to the modified grade shown and indicated upon the plans and profiles on file in the Office of the City Clerk of said City, and hereinafter referred to; and reference is hereby made to said plans and profiles for the description of the grade at which the work is to be done.

That portions of THORN STREET, in said City, between the northeasterly line of Columbia Street and the southwesterly line of Union Street, be paved with a Portland cement concrete pavement, and that cement concrete curbs, cement concrete sidewalks, cement concrete sewer laterals and appurtenances, cement concrete sewer main, connections, fittings and appurtenances, cement concrete manhole, connections, fittings and appurtenances, cast iron water main, connections, fittings and appurtenances, cast iron gate valves, valve boxes and covers, cast iron fire hydrant, connections, fittings and appurtenances, and copper water service connections and appurtenances be constructed therein;

That the said work hereinabove described on THORN STREET, between the southwesterly line of Union Street and a line drawn parallel to and distant 95 feet southwesterly from the northwesterly production of the southwesterly line of State Street, shall be done to the modified grade shown and indicated upon the plans and profiles on file in the Office of the City Clerk of said City, and hereinafter referred to; and reference is hereby made to said plans and profiles for the description of the grade at which the work is to be done.

That portions of STATE STREET, in said City, between the southeasterly line of Thorn Street and the northwesterly line of Upas Street, be paved with a Portland cement concrete pavement, and that cement concrete curbs, cement concrete sidewalk, cement concrete sewer laterals and appurtenances, cement concrete sewer main, connections, fittings and appurtenances, cement concrete manhole, connections, fittings and appurtenances, cement concrete dead end and appurtenances, cast iron water main, connections, fittings and appurtenances, cast iron gate valve, valve box and cover, cast iron fire hydrant, connections, fittings and appurtenances, and copper water service connections and appurtenances be constructed therein;

That the said work hereinabove described on STATE STREET, between the southeasterly line of Thorn Street and a line drawn parallel to and distant 55 feet northwesterly from the northwesterly line of Thorn Street, shall be done to the modified grade shown and indicated upon the plans and profiles on file in the Office of the City Clerk of said City, and hereinafter referred to; and reference is hereby made to said plans and profiles for the description of the grade at which the work is to be done;

That the said work hereinabove described on STATE STREET, between the southeasterly line of Upas Street and a line drawn parallel to and distant 40 feet southeasterly from the southeasterly line of Upas Street, shall be done to the modified grade shown and indicated upon the plans and profiles on file in the Office of the City Clerk of said City, and hereinafter referred to; and reference is hereby made to said plans and profiles for the description of the grade at which the work is to be done.

All of the said work hereinbefore generally described shall be constructed in the manner, at the locations, within the limits, of the materials, and of the dimensions as shown upon and in accordance with the plans, profiles, drawings, typical cross-sections and specifications therefor contained in Document No. 223640, on file in the Office of the City Clerk of said City, and copies of which are on file in the Office of the City Engineer of said City, and by this reference thereto all said plans, profiles, drawings, typical cross-sections and specifications are made a part hereof.

The said Common Council hereby determines and declares that serial bonds shall be issued to represent each assessment of twenty-five dollars or more remaining unpaid after the full expiration of thirty days from the date of the warrant, to represent the expenses of said work and improvement. Said serial bonds shall extend over a period ending nine years from the second day of January next succeeding the fifteenth day of the next November following their date, and an even annual proportion of the principal sum thereof shall be payable by coupon on the second day of January every year after the fifteenth day of the next November following their date until the whole is paid. Said bonds shall bear interest at the rate of seven per cent. per annum, interest payable semi-annually by coupon, on all sums unpaid until the whole of said principal and interest are paid. Said bonds shall be issued and the principal and interest thereof shall be paid under and in pursuance of the Improvement Act of 1911, and amendments thereto.

That the contemplated work and improvement hereinbefore mentioned is in the opinion of said Common Council of more than local and ordinary public benefit, and the expenses of such work and improvement are made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to-wit: All that real property in the said City of San Diego included within the exterior boundary lines of said district, as shown upon that certain plat No. 1193, indicating the exterior boundary lines of such district, which plat, approved by the Common Council, is on file in the Office of the City Engineer of said City; excepting therefrom all public streets, roads, alleys, avenues and highways. Reference is hereby made to said plat for a particular description of such district.

NOTICE IS HEREBY GIVEN, that on Monday, the 23rd day of July, 1928, at 10:00 o'clock A.M., in the Council Chamber of the City Hall of said The City of San Diego, any and all persons having any objections to the proposed work or improvement, to the grade to which said work is to be done, or to the extent of the district to be assessed to pay the costs and expenses of said improvement, may appear before said Common Council and show cause why said proposed improvement should not be carried out in accordance with this Resolution.

That the Clerk of said City be, and he is hereby directed to cause this Resolution of Intention to be published twice in the Evening Tribune, a daily newspaper published and circulated in said City, and hereby designated for that purpose by the Common Council.

That the Street Superintendent of said City shall, after the adoption of this Resolution of Intention, cause to be conspicuously posted along the line of said contemplated work or improvement, at not more than three hundred feet in distance apart, but not less than three in all, notices of the passage of this Resolution of Intention, and when the work to be done is only upon an entire crossing or intersection, or any part thereof, he shall cause such notices to be conspicuously posted in front of each quarter block or irregular block liable to be assessed, and when the work is chargeable upon a district, he shall cause such notices to be conspicuously posted upon all open Streets within such district at not more than three hundred feet in distance apart on each Street so posted; all in the time, form and manner required by law; and thereupon said Superintendent of Streets shall cause to be filed in the Office of the City Clerk of said City, an affidavit showing the posting of said notices of improvement.

The Common Council does not deem it advisable that the Clerk mail copies of the Notice of Improvement to owners or reputed owners, and he is not required to mail the same.

All of the herein proposed work shall be done in pursuance of an Act of the Legislature of the State of California, designated as the "Improvement Act of 1911", approved April 7, 1911, and amendments thereto.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 25th day of June, 1928, by the following vote, to-wit:

#### RESOLUTION OF INTENTION NO. 46072

PRINGLE STREET, TUPPER STREET, KEATING STREET AND SUBLETT STREET.

RESOLVED, that it is the intention of the Common Council of the City of San Diego, California, to order the following work to be done and improvement to be made in said City, to-wit:

That portions of PRINGLE STREET, in said City, between the southerly production of the westerly line of Portala Place and the easterly line of Mission Hills, be graded, and that cement concrete curbs and cast iron water main, connections, fittings and appurtenances be constructed therein;

That the said work hereinabove described on PRINGLE STREET, between a radial line drawn southerly from the intersection of the easterly line of Portala Place and the northerly line of Pringle Street, and the easterly line of Mission Hills, shall be done to the modified grade shown and indicated upon the plans and profiles on file in the Office of the City Clerk of said City, and hereinafter referred to; and reference is hereby made to said plans and profiles for the description of the grade at which the work is to be done.

That portions of TUPPER STREET, in said City, between the easterly line of Mission Hills and the southeasterly line of Keating Street, be graded, and that cement concrete curbs, cast iron water main, connections, fittings and appurtenances, cast iron gate valves, valve boxes and covers, and cast iron fire hydrant, connections, fittings and appurtenances be constructed therein;

That portions of KEATING STREET, in said City, between the northeasterly line of Tupper Street and the northerly line of Middletown Addition, be graded, and that cement concrete curbs, cement concrete curb inlet and appurtenances, cement concrete culvert and appurtenances, cast iron water main, connections, fittings and appurtenances, and cast iron gate valve, valve box and cover be constructed therein;

That portions of SUBLETT STREET, in said City, between the southeasterly line of Keating Street and the northeasterly production of the northwesterly line of Andrews Street, be graded, and that cement concrete curbs, cement concrete head wall and appurtenances, cement concrete culvert, connections, fittings and appurtenances, cast iron water main, connections, fittings and appurtenances, and cast iron fire hydrant, connections, fittings and appurtenances be constructed therein.

All of the said work hereinbefore generally described shall be constructed in the manner, at the locations, within the limits, of the materials, and of the dimensions as shown upon and in accordance with the plans, profiles, drawings, typical cross-sections and specifications therefor contained in Document No. 225519, on file in the Office of the City Clerk of said City, and copies of which are on file in the Office of the City Engineer of said City, and by this reference thereto all said plans, profiles, drawings, typical cross-sections and specifications are made a part hereof.

The said Common Council hereby determines and declares that serial bonds shall be issued to represent each assessment of twenty-five dollars or more remaining unpaid after the full expiration of thirty days from the date of the warrant, to represent the expenses of said work and improvement. Said serial bonds shall extend over a period ending nine years from the second day of January next succeeding the fifteenth day of the next November following their date, and an even annual proportion of the principal sum thereof shall be payable by coupon on the second day of January every year after the fifteenth day of the next November following their date until the whole is paid. Said bonds shall bear interest at the rate of seven per cent. per annum, interest payable semi-annually by coupon, on all sums unpaid until the whole of said principal and interest are paid. Said bonds shall be issued and the principal and interest thereof shall be paid under and in pursuance of the Improvement Act of 1911, and amendments thereto.

That the contemplated work and improvement hereinbefore mentioned is in the opinion of said Common Council of more than local and ordinary public benefit, and the expenses of such work and improvement are made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to-wit: All that real property in the said City of San Diego included within the exterior boundary lines of said district, as shown upon that certain plat No. 1347, indicating the exterior boundary lines of such district, which plat, approved by the Common Council, is on file in the Office of the City Engineer of said City; excepting therefrom all public streets, roads, alleys, avenues and highways. Reference is hereby made to said plat for a particular description of such district.

NOTICE IS HEREBY GIVEN, that on Monday, the 23rd day of July, 1928, at 10:00 o'clock A.M., in the Council Chamber of the City Hall of said The City of San Diego, any and all persons having any objections to the proposed work or improvement, to the grade at which said work is to be done, or to the extend of the district to be assessed to pay the costs and expenses of said proposed work or improvement, may appear before said Common Council and show cause why said proposed improvement should not be carried out in accordance with this Resolution.

That the Clerk of said City be, and he is hereby directed to cause this Resolution of Intention to be published twice in the Evening Tribune, a daily newspaper published and circulated in said City, and hereby designated for that purpose by the Common Council.

That the Street Superintendent of said City shall, after the adoption of this Resolution of Intention, cause to be conspicuously posted along the line of said contemplated work or improvement, at not more than three hundred feet in distance apart, but not less than three in all, notices of the passage of this Resolution of Intention, and when the work to be done is only upon an entire crossing or intersection, or any part thereof, he shall cause such notices to be conspicuously posted in front of each quarter block or irregular block liable to be assessed, and when the work is chargeable upon a district, he shall cause such notices to be conspicuously posted upon all open Streets within such district at not more than three hundred feet in distance apart on each Street so posted; all in the time, form and manner required by law; and thereupon said Superintendent of Streets shall cause to be filed in the Office of the City Clerk of said City, an affidavit showing the posting of said notices of improvement.

The Common Council does not deem it advisable that the Clerk mail copies of the notice of improvement to owners or reputed owners, and he is not required to mail the same.

All of the herein proposed work shall be done in pursuance of an Act of the Legislature of the State of California, designated as the "Improvement Act of 1911", approved April 7, 1911, and amendments thereto.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 25th day of June, 1928, by the following vote, to-wit:

#### RESOLUTION NO. 46073

GRANTING ROBERT P. SHIELDS PERMISSION TO IMPROVE CYPRESS COURT BY PRIVATE CONTRACT.

BE IT RESOLVED by the Common Council of the City of San Diego, as follows:

That in accordance with the petition filed under Document No. 225113 in the Office of the City Clerk of said City on June 6, 1928, permission is hereby granted to Robert P. Shields to grade, sidewalk and curb CYPRESS COURT, south of the south line of Cypress Avenue, in the City of San Diego, California, by private contract; said work to be done in accordance with specifications to be furnished by the City Engineer of said City.

Provided, that as part of said work, said property owners shall construct and install sufficient and proper fences, guards and barriers to safeguard said Street, and shall also construct all necessary conduits, drains, pipes, catch-basins and gutters for the proper drainage of said Street, between said points.

In case any electric poles or apparatus, or any public service pipes or conduits are encountered in the course of such private improvement, the person making such improvement shall serve notice upon the person, company or corporation owning or controlling such public utilities, to lower, remove or protect the same before such private improvement shall be made.

That all of said work shall be done under the direction and to the satisfaction of the Superintendent of Streets of said City, and all surplus dirt shall be deposited at the places designated by said Superintendent of Streets.

That said work shall be commenced on or before the 1st day of July, 1928, and shall be fully completed on or before the 1st day of September, 1928.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 25th day of June, 1928, by the following vote, to-wit:

RESOLUTION OF INTENTION NO. 46145  
 FELTON STREET.

RESOLVED, that it is the intention of the Common Council of the City of San Diego, California, to order the following work to be done and improvement to be made in said City, to-wit:

That portions of FELTON STREET, in said City, between the south line of El Cajon Avenue and the south line of Meade Avenue, be paved with a Portland cement concrete pavement, and that cement concrete curbs, cement concrete sewer laterals and appurtenances, cast iron gate valve, valve box and cover, cast iron fire hydrant, connections, fittings and appurtenances, and copper water service connections and appurtenances be constructed therein;

That portions of FELTON STREET, in said City, between the south line of Meade Avenue and the south line of Monroe Avenue, be paved with a two-inch Warrenite Bitulithic wearing surface laid upon a four-inch asphalt concrete base, and that cement concrete sewer laterals and appurtenances, cast iron water main, connections, fittings and appurtenances, and copper water service connections and appurtenances be constructed therein;

Reference is hereby made to the Warrenite License Agreement of the Warren Brothers Company of Boston, Massachusetts, dated July 10, 1923, and on file in the Office of the City Clerk of the City of San Diego, under Document No. 152433.

All of the said work hereinbefore generally described shall be constructed in the manner, at the locations, within the limits, of the materials, and of the dimensions as shown upon and in accordance with the plans, profiles, drawings, typical cross-sections and specifications therefor contained in Document No. 223331, on file in the Office of the City Clerk of said City, and copies of which are on file in the Office of the City Engineer of said City, and by this reference thereto all said plans, profiles, drawings, typical cross-sections and specifications are made a part hereof.

The said Common Council hereby determines and declares that serial bonds shall be issued to represent each assessment of twenty-five dollars or more remaining unpaid after the full expiration of thirty days from the date of the warrant, to represent the expenses of said work and improvement. Said serial bonds shall extend over a period ending nine years from the second day of January next succeeding the fifteenth day of the next November following their date, and an even annual proportion of the principal sum thereof shall be payable by coupon on the second day of January every year after the fifteenth day of the next November following their date until the whole is paid. Said bonds shall bear interest at the rate of seven per cent. per annum, interest payable semi-annually by coupon, on all sums unpaid until the whole of said principal and interest are paid. Said bonds shall be issued and the principal and interest thereof shall be paid under and in pursuance of the Improvement Act of 1911, and amendments thereto.

That the contemplated work and improvement hereinbefore mentioned is in the opinion of said Common Council of more than local and ordinary public benefit, and the expenses of such work and improvement are made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to-wit: All that real property in the said City of San Diego included within the exterior boundary lines of said district, as shown upon that certain plat No. 1256, indicating the exterior boundary lines of such district, which plat, approved by the Common Council, is on file in the Office of the City Engineer of said City; excepting therefrom all public streets, roads, alleys, avenues and highways. Reference is hereby made to said plat for a particular description of such district.

NOTICE IS HEREBY GIVEN, that on Monday, the 30th day of July, 1928, at 10:00 o'clock A.M., in the Council Chamber of the City Hall of said The City of San Diego, any and all persons having any objections to the proposed work or improvement, to the grade at which said work is to be done, or to the extent of the district to be assessed to pay the costs and expenses of said proposed work or improvement, may appear before said Common Council and show cause why said proposed improvement should not be carried out in accordance with this Resolution.

That the Clerk of said City be, and he is hereby directed to cause this Resolution of Intention to be published twice in the Evening Tribune, a daily newspaper published and circulated in said City, and hereby designated for that purpose by the Common Council.

That the Street Superintendent of said City shall, after the adoption of this Resolution of Intention, cause to be conspicuously posted along the line of said contemplated work or improvement, at not more than three hundred feet in distance apart, but not less than three in all, notices of the passage of this Resolution of Intention, and when the work to be done is only upon an entire crossing or intersection, or any part thereof, he shall cause such notices to be conspicuously posted in front of each quarter block or irregular block liable to be assessed, and when the work is chargeable upon a district, he shall cause such notices to be conspicuously posted upon all open Streets within such district at not more than three hundred feet in distance apart on each Street so posted; all in the time, form and manner required by law; and thereupon said Superintendent of Streets shall cause to be filed in the Office of the City Clerk of said City, an affidavit showing the posting of said notices of improvement.

The Common Council does not deem it advisable that the Clerk mail copies of the notice of improvement to owners or reputed owners, and he is not required to mail the same.

All of the herein proposed work shall be done in pursuance of an Act of the Legislature of the State of California, designated as the "Improvement Act of 1911", approved April 7, 1911, and amendments thereto.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 2nd day of July, 1928, by the following vote, to-wit:

That portions of McLAREN'S LANE, in said City, between the westerly line of 33rd Street and a line drawn parallel to and distant 443 feet westerly from the westerly line of 33rd Street, be graded, and paved with a Portland cement concrete pavement, and that cement concrete curbs, cement concrete sidewalks, cement concrete sewer laterals and appurtenances, cast iron water main, connections, fittings and appurtenances, and cast iron gate valve, valve box and cover be constructed therein.

All of the said work hereinbefore generally described shall be constructed in the manner, at the locations, within the limits, of the materials, and of the dimensions as shown upon and in accordance with the plans, profiles, drawings, typical cross-sections and specifications therefor contained in Document No. 223936, on file in the Office of the City Clerk of said City, and copies of which are on file in the Office of the City Engineer of said City, and by this reference thereto all said plans, profiles, drawings, typical cross-sections and specifications are made a part hereof.

The said Common Council hereby determines and declares that serial bonds shall be issued to represent each assessment of twenty-five dollars or more remaining unpaid after the full expiration of thirty days from the date of the warrant, to represent the expenses of said work and improvement. Said serial bonds shall extend over a period ending nine years

from the second day of January next succeeding the fifteenth day of the next November following their date, and an even annual proportion of the principal sum thereof shall be payable by coupon on the second day of January every year after the fifteenth day of the next November following their date until the whole is paid. Said bonds shall bear interest at the rate of seven per cent. per annum, interest payable semi-annually by coupon, on all sums unpaid until the whole of said principal and interest are paid. Said bonds shall be issued and the principal and interest thereof shall be paid under and in pursuance of the Improvement Act of 1911, and amendments thereto.

That the contemplated work and improvement hereinbefore mentioned is in the opinion of said Common Council of more than local and ordinary public benefit, and the expenses of such work and improvement are made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to-wit: All that real property in the said City of San Diego included within the exterior boundary lines of said district, as shown upon that certain plat No. 1267, indicating the exterior boundary lines of such district, which plat, approved by the Common Council, is on file in the Office of the City Engineer of said City; excepting therefrom all public streets, roads, alleys, avenues and highways. Reference is hereby made to said plat for a particular description of such district.

NOTICE IS HEREBY GIVEN, that on Monday, the 30th day of July, 1928, at 10:00 o'clock A.M., in the Council Chamber of the City Hall of said The City of San Diego, any and all persons having any objections to the proposed work or improvement, to the grade at which said work is to be done, or to the extent of the district to be assessed to pay the costs and expenses of said proposed work or improvement, may appear before said Common Council and show cause why said proposed improvement should not be carried out in accordance with this Resolution.

That the Clerk of said City be, and he is hereby directed to cause this Resolution of Intention to be published twice in the Evening Tribune, a daily newspaper published and circulated in said City, and hereby designated for that purpose by the Common Council.

That the Street Superintendent of said City shall, after the adoption of this Resolution of Intention, cause to be conspicuously posted along the line of said contemplated work or improvement, at not more than three hundred feet in distance apart, but not less than three in all, notices of the passage of this Resolution of Intention, and when the work to be done is only upon an entire crossing or intersection, or any part thereof, he shall cause such notices to be conspicuously posted in front of each quarter block or irregular block liable to be assessed, and when the work is chargeable upon a district, he shall cause such notices to be conspicuously posted upon all open Streets within such district at not more than three hundred feet in distance apart on each Street so posted; all in the time, form and manner required by law; and thereupon said Superintendent of Streets shall cause to be filed in the Office of the City Clerk of said City, an affidavit showing the posting of said notices of improvement.

The Common Council does not deem it advisable that the Clerk mail copies of the notice of improvement to owners or reputed owners, and he is not required to mail the same.

All of the herein proposed work shall be done in pursuance of an Act of the Legislature of the State of California, designated as the "Improvement Act of 1911", approved April 7, 1911, and amendments thereto.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 2nd day of July, 1928, by the following vote, to-wit:

#### RESOLUTION OF INTENTION NO. 46148

43RD STREET, VAN DYKE AVENUE AND 42ND STREET.

RESOLVED, That it is the intention of the Common Council of the City of San Diego, California, to order the following work to be done and improvement to be made in said City, to-wit:

That portions of 43RD STREET, in said City, between the south line of Landis Street and the north line of Myrtle Avenue, be paved with a two-inch asphalt concrete wearing surface laid upon a four-inch asphalt concrete base, and that cement concrete curbs, cement concrete sidewalks, and cast iron water main, connections, fittings and appurtenances be constructed therein;

That portions of VAN DYKE AVENUE, in said City, between the south line of Landis Street and the north line of Thorn Street, be paved with a 1-1/2-inch asphalt concrete wearing surface laid upon a five-inch Portland cement concrete base, and that cement concrete sidewalks, and cast iron water main, connections, fittings and appurtenances be constructed therein;

That portions of 42ND STREET, in said City, between the south line of Landis Street and a line drawn parallel to and distant 50 feet south from the south line of Thorn Street, be graded, and paved with a Portland cement concrete pavement, and that cement concrete curbs, cement concrete sidewalks, cement concrete curb inlets and appurtenances, cement concrete culverts, connections, fittings and appurtenances, galvanized corrugated iron pipe culvert, connections, fittings and appurtenances, cement concrete storm drain cleanout and appurtenances, cast iron water main, connections, fittings and appurtenances, and wire link highway guard fence and appurtenances be constructed therein; also, as a part of said work, the regrading of portions of said 42ND STREET, between the north line of Thorn Street and a line drawn parallel to and distant 110 feet north from the north line of Thorn Street.

All of the said work hereinbefore generally described shall be constructed in the manner, at the locations, within the limits, of the materials, and of the dimensions as shown upon and in accordance with the plans, profiles, drawings, typical cross-sections and specifications therefor contained in Document No. 224360, on file in the Office of the City Clerk of said City, and copies of which are on file in the Office of the City Engineer of said City, and by this reference thereto all said plans, profiles, drawings, typical cross-sections and specifications are made a part hereof.

The said Common Council hereby determines and declares that serial bonds shall be issued to represent each assessment of twenty-five dollars or more remaining unpaid after the full expiration of thirty days from the date of the warrant, to represent the expenses of said work and improvement. Said serial bonds shall extend over a period ending nine years from the second day of January next succeeding the fifteenth day of the next November following their date, and an even annual proportion of the principal sum thereof shall be payable by coupon on the second day of January every year after the fifteenth day of the next November following their date until the whole is paid. #### RESOLUTION OF INTENTION NO. 46149

#### GARNET STREET AND GRAND AVENUE.

RESOLVED, that it is the intention of the Common Council of the City of San Diego, California, to order the following work to be done and improvement to be made in said City, to-wit:

That portions of GARNET STREET, in said City, between the westerly line of Cass Street and the easterly line of Pacific Beach, be graded, and paved with a two-inch asphalt concrete wearing surface laid upon a six-inch Portland cement concrete base, and that cement concrete curbs, cement concrete sidewalks, cement concrete sewer main, connections, fittings and appurtenances, cement concrete manhole, connections, fittings and appurtenances, cast iron iron water main, connections, fittings and appurtenances, cast iron gate valves, valve boxes and covers, cast iron fire hydrants, connections, fittings and appurtenances, and copper water service connections and appurtenances be constructed therein; also, as a part of said work, the surfacing of the existing pavement, within the above described limits, with a two-inch asphalt concrete wearing surface; also, as a part of said work, the relocation of an ornamental Street light standard, conduit, and cable, with their connections, fittings and appurtenances, and the construction of cement concrete foundation for light standard, in the return at the northwesterly corner of Garnet Street and Fanuel Street;

That the said work hereinabove described on GARNET STREET, between the easterly line of Cass Street and the westerly line of Pendleton Street, shall be done to the modified grade shown and indicated upon the plans and profiles on file in the Office of the City Clerk of said City, and hereinafter referred to; and reference is hereby made to said plans and profiles for the description of the grade at which the work is to be done.

That a cast iron water main, connections, fittings and appurtenances, and cast iron gate valve, valve box and cover be constructed in portions of GRAND AVENUE, in said City, between the easterly line of Pacific Beach and a line drawn parallel to and distant 10 feet westerly from the easterly line of Pacific Beach.

All of the said work hereinbefore generally described shall be constructed in the manner, at the locations, within the limits, of the materials, and of the dimensions as shown upon and in accordance with the plans, profiles, drawings, typical cross-sections and specifications therefor contained in Document No. 223933, on file in the Office of the City Clerk of said City, and copies of which are on file in the Office of the City Engineer of said City, and by this reference thereto all said plans, profiles, drawings, typical cross-sections and specifications are made a part hereof.

The said Common Council hereby determines and declares that serial bonds shall be issued to represent each assessment of twenty-five dollars or more remaining unpaid after the full expiration of thirty days from the date of the warrant, to represent the expenses of said work and improvement. Said serial bonds shall extend over a period ending nine years from the second day of January next succeeding the fifteenth day of the next November following their date, and an even annual proportion of the principal sum thereof shall be payable by coupon on the second day of January every year after the fifteenth day of the next November following their date until the whole is paid. That said contract shall take effect immediately upon its execution.

That Resolutions Nos. 46039 and 46040, adopted on the 18th day of June, 1928, purporting to employ H. N. Savage as Assistant Manager of Operation in Charge of Water Development, be, and the same are hereby repealed, and held to be of no force or effect.

## CONTRACT FOR PERSONAL SERVICES.

THIS INDENTURE OF AGREEMENT, made and entered into this \_\_\_\_ day of July, 1928, by and between THE CITY OF SAN DIEGO, a municipal corporation of the county of San Diego, State of California, organized and existing under and by virtue of a freeholders' charter, and FRED M. LOCKWOOD, Manager of Operation of said The City of San Diego, hereinafter sometimes referred to as First Parties, and HIRAM NEWTON SAVAGE, Civil Engineer, of San Diego, California, hereinafter sometimes referred to as Second Party, WITNESSETH:

FOR THAT WHEREAS, the City of San Diego owns, controls and operates certain properties located within said County of San Diego, and used and intended to be used for the impoundment, storage, conservation and distribution of water for domestic and other municipal purposes within said The City of San Diego and adjacent territory; and

WHEREAS, it appearing that because of the rapid increase in population of said City that said system is not at the present time sufficient in equipment and pipe lines to deliver sufficient water to said City for its normal daily use; and

WHEREAS, heretofore in 1924 bonds in the sum of \$4,500,000.00 were voted for the construction of a dam on the San Diego River and other developments for the purpose of impounding water, and that approximately all of said bonds are unused; and

WHEREAS, said second party has heretofore for a number of years been in charge of the water development and water system of San Diego, and is thoroughly familiar with said system and the needs thereof; and

WHEREAS, no other person at this time having the skill and ability of said second party can be employed in the capacity as set forth in this contract; and

WHEREAS, said second party will not accept such employment unless he is retained for a period of five (5) years; and

WHEREAS, said properties consist for the most part of various dams, reservoirs, transmission lines, and appurtenances thereto, as well as various developed and undeveloped waters, water rights, both surface and underground, together with certain dam and reservoir sites developed, undeveloped and now in process of development; and

WHEREAS, said first parties at this time deem it advisable and necessary to institute and thereafter to conduct to its completion (by one competent so to do) a comprehensive study of said properties, both developed and undeveloped, and now in process of development, and thereafter to formulate a plan for the economic and efficient development of said properties now owned or controlled, or that may hereafter be acquired by said The City of San Diego, all to the end that an additional and greater water supply may be had to meet the increasing demands of said The City of San Diego, and the inhabitants thereof; and

WHEREAS, said first parties have heretofore determined that existing conditions require the immediate employment of a Civil Engineer experienced and expert in the development of water resources, in the designing and construction of structures for the impoundment, conservation and transmission of water, and as well acquainted with the existing problems necessary of solution in the development and extension of the properties now constituting, and of those advisable to be acquired in the further development of, the water system of said the City of San Diego; and

WHEREAS, said first parties have determined that such plan of development may reasonably be expected to cover a period of not less than five (5) years, and have further determined that the interests, conveniences and necessities of said The City of San Diego at this time warrant the entering into a contract for said period with a Civil Engineer for the performance of personal services required in making such study, formulating such plan of development, and supervising construction work carried on pursuant thereto; and

WHEREAS, Hiram Newton Savage, party of the second part, is willing to contract with said parties of the first part to furnish such personal services; and

WHEREAS, said parties of the first part are desirous of contracting with said Hiram Newton Savage for said period of five (5) years for the furnishing of such personal services, NOW, THEREFORE,

For and in consideration of the mutual covenants and agreements hereinafter agreed and undertaken, the parties hereto mutually agree, covenant and contract as follows:

First: The term of this contract shall be for a period of five (5) years beginning on the second day of July, 1928, and terminating on the first day of July, 1933.

Second: That the second party shall during said period of five (5) years devote his entire time and attention as a Civil Engineer and furnish services of a professional, scientific, technical and expert character to said parties of the first part in instituting and conducting to completion a study of the problems now or hereafter experienced in the development and extension of the water system of said The City of San Diego, and in assuming responsible direction of Office and field work looking to the economic and efficient operation of properties now or hereafter completed, the economic and efficient carrying to completion of properties now in process of construction, or hereafter acquired or projected, all in conformity with the provisions of the freeholders' charter of said The City of San Diego conferring executive and administrative powers relating to said water system upon said Fred M. Lockwood, as Manager of Operation, or his successor or successors in Office, and conferring

legislative control of said sytem, or any part thereof, upon the Common Council of said The City of San Diego.

Third: Said first parties agree and undertake to pay to said second party, in consideration of the performance of such services, the sum of ten thousand dollars (\$10,000.00) per year, payable in equal monthly installments.

Reasonable expenses necessarily incurred by said second party in the performance of the personal services herein contracted for shall be refunded monthly to said second party by said first parties. Said first parties shall furnish necessary and convenient offices and office and field equipment and clerks and assistants to said second party, all pursuant to charter and ordinance regulations of said The City of San Diego.

Fourth: That said Hiram Newton Savage on his part agrees to accept such employment, under the terms and conditions hereinbefore provided, and that the services so rendered by him to said City will be to the best of his ability, keeping in mind at all times the best interests of said City, and the faithful performance of his duties as herein outlined; and that he will from time to time, and when requested by first parties, or either of them, make reports in matters relating to his said employment to the legislative body of said City and to the Manager of Operation.

Fifth: That said second party agrees to furnish a surety bond in the sum of five thousand dollars (\$5000.00), to inure to the benefit of the Manager of Operation, conditioned for the faithful performance of his duties, as provided for in this contract.

Eighth: It is specifically agreed and understood that in the event of the death or the total disability to perform said services of said second party during the term of this contract, that the said contract shall thereby terminate, and said first parties shall from said date bear no further responsibility with relation thereto.

It is further agreed and stipulated that the failure or inability of said second party to perform the services herein contracted for shall likewise terminate said contract, and any responsibility of said parties of the first part, provided that such failure or inability of said second party to perform such personal service has not been caused in whole or in part or otherwise contributed to by the action of said first parties, or either thereof.

IN WITNESS WHEREOF, a majority of the members of the Common Council of said City of San Diego have hereunto subscribed their names, as and for the act of the City of San Diego, and the Manager of Operation of the City of San Diego has hereunto subscribed his name, pursuant to resolution duly authorizing such execution, and the said Hiram Newton Savage has hereunto subscribed his name, this \_\_\_\_ day of July, 1928.

#### RESOLUTION OF INTENTION NO. 46218 28TH STREET.

RESOLVED, that it is the intention of the Common Council of the City of San Diego, California, to order the following work to be done and improvement to be made in said City, to-wit:

That portions of 28TH STREET, in said City, between the southerly line of National Avenue and the northerly line of Colton Avenue, be paved with a Portland cement concrete pavement, and that cement concrete curbs, cement concrete sidewalks, cast iron water main, connections, fittings and appurtenances, cast iron gate valves, valve boxes and covers, cast iron fire hydrant, connections, fittings and appurtenances, and copper water service connections and appurtenances be constructed therein.

All of the said work hereinbefore generally described shall be constructed in the manner, at the locations, within the limits, of the materials, and of the dimensions as shown upon and in accordance with the plans, profiles, drawings, typical cross-sections and specifications therefor contained in Document No. 224361, on file in the Office of the City Clerk of said City, and copies of which are on file in the Office of the City Engineer of said City, and by this reference thereto all said plans, profiles, drawings, typical cross-sections and specifications are made a part hereof.

The said Common Council hereby determines and declares that serial bonds shall be issued to represent each assessment of twenty-five dollars or more remaining unpaid after the full expiration of thirty days from the date of the warrant, to represent the expenses of said work and improvement. Said serial bonds shall extend over a period ending nine years from the second day of January next succeeding the fifteenth day of the next November following their date, and an even annual proportion of the principal sum thereof shall be payable by coupon on the second day of January every year after the fifteenth day of the next November following their date until the whole is paid. Said bonds shall bear interest at the rate of seven per cent. per annum, interest payable semi-annually by coupon, on all sums unpaid until the whole of said principal and interest are paid. Said bonds shall be issued and the principal and interest thereof shall be paid under and in pursuance of the Improvement Act of 1911, and amendments thereto.

That the contemplated work and improvement hereinbefore mentioned is in the opinion of said Common Council of more than local and ordinary public benefit, and the expenses of such work and improvement are made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to-wit: All that real property in the said City of San Diego included within the exterior boundary lines of said district, as shown upon that certain plat No. 1291, indicating the exterior boundary lines of such district, which plat, approved by the Common Council, is on file in the Office of the City Engineer of said City; excepting therefrom all public streets, roads, alleys, avenues and highways. Reference is hereby made to said plat for a particular description of such district.

NOTICE IS HEREBY GIVEN, that on Monday, the 6th day of August, 1928, at 10:00 o'clock A.M., in the Council Chamber of the City Hall of said the City of San Diego, any and all persons having any objections to the proposed work or improvement, to the grade at which said work is to be done, or to the extent of the district to be assessed to pay the costs and expenses of said proposed work or improvement, may appear before said Common Council and show cause why said proposed improvement should not be carried out in accordance with this Resolution.

That the Clerk of said City be, and he is hereby directed to cause this Resolution of Intention to be published twice in the Evening Tribune, a daily newspaper published and circulated in said City, and hereby designated for that purpose by the Common Council.

That the Street Superintendent of said City shall, after the adoption of this Resolution of Intention, cause to be conspicuously posted along the line of said contemplated work or improvement, at not more than three hundred feet in distance apart, but not less than three in all, notices of the passage of this Resolution of Intention, and when the work to be done is only upon an entire crossing or intersection, or any part thereof, he shall cause

such notices to be conspicuously posted in front of each quarter block or irregular block liable to be assessed, and when the work is chargeable upon a district, he shall cause such notices to be conspicuously posted upon all open Streets within such district at not more than three hundred feet in distance apart on each Street so posted; all in the time, form and manner required by law; and thereupon said Superintendent of Streets shall cause to be filed in the Office of the City Clerk of said City, an affidavit showing the posting of said notices of improvement.

The Common Council does not deem it advisable that the Clerk mail copies of the notice of improvement to owners or reputed owners, and he is not required to mail the same.

All of the herein proposed work shall be done in pursuance of an Act of the Legislature of the State of California, designated as the "Improvement Act of 1911", approved April 7, 1911, and amendments thereto.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 9th day of July, 1928, by the following vote, to-wit:

Reference is hereby made to said plat for a particular description of such district.

NOTICE IS HEREBY GIVEN, that on Monday, the 6th day of August, 1928, at 10:00 o'clock A.M., in the Council Chamber of the City Hall of said The City of San Diego, any and all persons having any objections to the proposed work or improvement, to the grade at which said work is to be done, or to the extent of the district to be assessed to pay the costs and expenses of said proposed work or improvement, may appear before said Common Council and show cause why said proposed improvement should not be carried out in accordance with this Resolution.

That the Clerk of said City be, and he is hereby directed to cause this Resolution of Intention to be published twice in the Evening Tribune, a daily newspaper published and circulated in said City, and hereby designated for that purpose by the Common Council.

That the Street Superintendent of said City shall, after the adoption of this Resolution of Intention, cause to be conspicuously posted along the line of said contemplated work or improvement, at not more than three hundred feet in distance apart, but not less than three in all, notices of the passage of this Resolution of Intention, and when the work to be done is only upon an entire crossing or intersection, or any part thereof, he shall cause such notices to be conspicuously posted in front of each quarter block or irregular block liable to be assessed, and when the work is chargeable upon a district, he shall cause such notices to be conspicuously posted upon all open Streets within such district at not more than three hundred feet in distance apart on each Street so posted; all in the time, form and manner required by law; and thereupon said Superintendent of Streets shall cause to be filed in the Office of the City Clerk of said City, an affidavit showing the posting of said notices of improvement.

The Common Council does not deem it advisable that the Clerk mail copies of the notice of improvement to owners or reputed owners, and he is not required to mail the same.

All of the herein proposed work shall be done in pursuance of an Act of the Legislature of the State of California, designated as the "Improvement Act of 1911", approved April 7, 1911, and amendments thereto.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 9th day of July, 1928, by the following vote, to-wit:

#### RESOLUTION OF INTENTION NO. 46220 31ST STREET AND COLTON AVENUE.

RESOLVED, that it is the intention of the Common Council of the City of San Diego, California, to order the following work to be done and improvement to be made in said City, to-wit:

That portions of 31st Street, in said City, between the north line of Main Street and a line drawn parallel to and distant 205 feet southerly from the southerly line of Colton Avenue, be graded, and paved with a Portland cement concrete pavement, and that cement concrete curbs, cement concrete sidewalks, cast iron water main, connections, fittings and appurtenances, cast iron gate valve, valve box and cover, cement concrete curb inlet and appurtenances, galvanized corrugated iron pipe culvert, connections, fittings and appurtenances, and wire link highway guard fence and appurtenances be constructed therein;

That the said work hereinabove described on 31ST STREET, between the south line of Main Street and the south line of Colton Avenue, shall be done to the modified grade shown and indicated upon the plans and profiles on file in the Office of the City Clerk of said City, and hereinafter referred to; and reference is hereby made to said plans and profiles for the description of the grade at which the work is to be done.

That portions of COLTON AVENUE, in said City, between the east line of 31st Street and the west line of 32nd Street, be graded, and paved with a Portland cement concrete pavement, and that cement concrete curbs, cement concrete sidewalks, cast iron fire hydrant, connections, fittings and appurtenances, and copper water service connections and appurtenances be constructed therein.

All of the said work hereinbefore generally described shall be constructed in the manner, at the locations, within the limits, of the materials, and of the dimensions as shown upon and in accordance with the plans, profiles, drawings, typical cross-sections and specifications therefor contained in Document No. 224364, on file in the Office of the City Clerk of said City, and copies of which are on file in the Office of the City Engineer of said City, and by this reference thereto all said plans, profiles, drawings, typical cross-sections and specifications are made a part hereof.

The said Common Council hereby determines and declares that serial bonds shall be issued to represent each assessment of twenty-five dollars or more remaining unpaid after the full expiration of thirty days from the date of the warrant, to represent the expenses of said work and improvement. Said serial bonds shall extend over a period ending nine years from the second day of January next succeeding the fifteenth day of the next November following their date, and an even annual proportion of the principal sum thereof shall be payable by coupon on the second day of January every year after the fifteenth day of the next November following their date until the whole is paid. Said bonds shall bear interest at the rate of seven per cent. per annum, interest payable semi-annually by coupon, on all sums unpaid until the whole of said principal and interest are paid. Said bonds shall be issued and the principal and interest thereof shall be paid under and in pursuance of the Improvement Act of 1911, and amendments thereto.

That the contemplated work and improvement hereinbefore mentioned is in the opinion of said Common Council of more than local and ordinary public benefit, and the expenses of such work and improvement are made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said dis-

district is described as follows, to-wit: All that real property in the said City of San Diego included within the exterior boundary lines of said district, as shown upon that certain plat No. 1190, indicating the exterior boundary lines of such district, which plat, approved by the Common Council, is on file in the Office of the City Engineer of said City; excepting therefrom all public streets, roads, alleys, avenues and highways. Reference is hereby made to said plat for a particular description of such district.

NOTICE IS HEREBY GIVEN, that on Monday, the 6th day of August, 1928, at 10:00 o'clock A.M., in the Council Chamber of the City Hall of said The City of San Diego, any and all persons having any objections to the proposed work or improvement, to the grade at which said work is to be done, or to the extent of the district to be assessed to pay the costs and expenses of said proposed work or improvement, may appear before said Common Council and show cause why said proposed improvement should not be carried out in accordance with this Resolution.

That the Clerk of said City be, and he is hereby directed to cause this Resolution of Intention to be published twice in the Evening Tribune, a daily newspaper published and circulated in said City, and hereby designated for that purpose by the Common Council.

That the Street Superintendent of said City shall, after the adoption of this Resolution of Intention, cause to be conspicuously posted along the line of said contemplated work or improvement, at not more than three hundred feet in distance apart, but not less than three in all, notices of the passage of this Resolution of Intention, and when the work to be done is only upon an entire crossing or intersection, or any part thereof, he shall cause such notices to be conspicuously posted in front of each quarter block or irregular block liable to be assessed, and when the work is chargeable upon a district, he shall cause such notices to be conspicuously posted upon all open Streets within such district at not more than three hundred feet in distance apart on each Street so posted; all in the time, form and manner required by law; and thereupon said Superintendent of Streets shall cause to be filed in the Office of the City Clerk of said City, an affidavit showing the posting of said notices of improvement.

The Common Council does not deem it advisable that the Clerk mail copies of the notice of improvement to owners or reputed owners, and he is not required to mail the same.

All of the herein proposed work shall be done in pursuance of an Act of the Legislature of the State of California, designated as the "Improvement Act of 1911", approved April 7, 1911, and amendments thereto.

#### RESOLUTION OF INTENTION NO. 46302

OLIVET STREET, MAR AVENUE, EXCHANGE PLACE AND PUBLIC RIGHT OF WAY.

RESOLVED, that it is the intention of the Common Council of the City of San Diego, California, to order the following work to be done and improvement to be made in said City, to-wit:

That portions of OLIVET STREET, in said City, between the southwesterly line of Exchange Place and a line drawn parallel to and distant 5 feet southwesterly from the southeasterly production of the southwesterly line of Ivanhoe Avenue East, be paved with a Portland cement concrete pavement, and that cement concrete sidewalks, cement concrete sewer laterals and appurtenances, cast iron water main, connections, fittings and appurtenances, cast iron gate valve, valve box and cover, and cast iron fire hydrant, connections, fittings and appurtenances be constructed therein;

That the said work hereinabove described on OLIVET STREET, between the southwesterly line of Exchange Place and a line drawn parallel to and distant 300 feet southwesterly from the southwesterly line of Exchange Place, shall be done to the modified grade shown and indicated upon the plans and profiles on file in the Office of the City Clerk of said City, and hereinafter referred to; and reference is hereby made to said plans and profiles for the description of the grade at which the work is to be done.

That portions of MAR AVENUE, in said City, between the northwesterly production of the southwesterly line of Exchange Place and the northerly line of Center Addition to La Jolla Park, be graded, and paved with a Portland cement concrete pavement, and that cement concrete curbs, cement concrete sidewalks, cement concrete sewer main, connections, fittings and appurtenances, cement concrete manholes, connections, fittings and appurtenances, cement concrete dead end and appurtenances, cement concrete sewer laterals and appurtenances, cement concrete curb inlets and appurtenances, cement concrete culvert, connections, fittings and appurtenances, cast iron water main, connections, fittings and appurtenances, cast iron gate valve, valve box and cover, cast iron fire hydrant, connections, fittings and appurtenances, and copper water service connections and appurtenances be constructed therein;

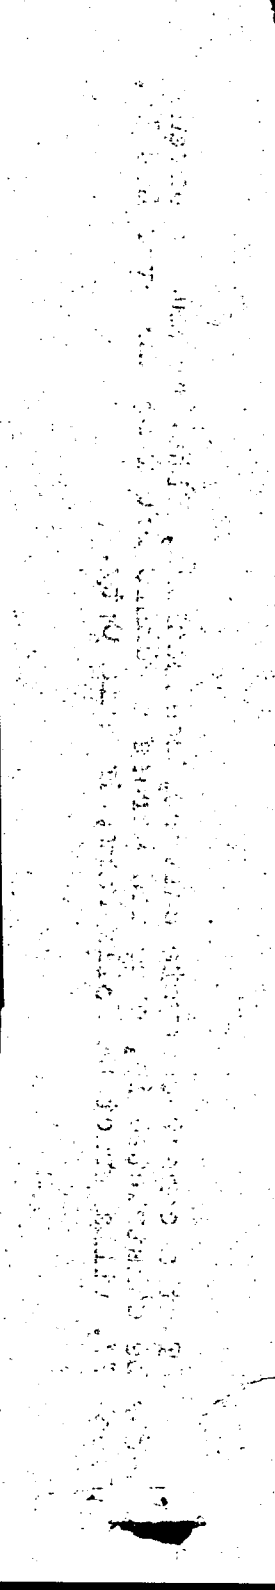

That the said work hereinabove described on MAR AVENUE, between the northwesterly production of the southwesterly line of Exchange Place and a line drawn at right angles northwesterly from a point on the southeasterly line of Mar Avenue distant 20 feet southwesterly from the intersection of the southeasterly line of Mar Avenue with the southwesterly line of Exchange Place, shall be done to the modified grade shown and indicated upon the plans and profiles on file in the Office of the City Clerk of said City, and hereinafter referred to; and reference is hereby made to said plans and profiles for the description of the grade at which the work is to be done.

That cement concrete curbs, cast iron water main, connections, fittings and appurtenances, and cast iron gate valves, valve boxes and covers be constructed in portions of EXCHANGE PLACE, in said City, between the northeasterly production of the southeasterly line of Mar Avenue and the northeasterly production of the northwesterly line of Olivet Street.

All of the said work hereinbefore generally described shall be constructed in the manner, at the locations, within the limits, of the materials, and of the dimensions as shown upon and in accordance with the plans, profiles, drawings, typical cross-sections and specifications therefor contained in Document No. 224629, on file in the Office of the City Clerk of said City, and copies of which are on file in the Office of the City Engineer of said City, and by this reference thereto all said plans, profiles, drawings, typical cross-sections and specifications are made a part hereof.

The said Common Council hereby determines and declares that serial bonds shall be issued to represent each assessment of twenty-five dollars or more remaining unpaid after the full expiration of thirty days from the date of the warrant, to represent the expenses of said work and improvement. Said serial bonds shall extend over a period ending nine years from the second day of January next succeeding the fifteenth day of the next November following their date, and an even annual proportion of the principal sum thereof shall be payable by coupon on the second day of January every year after the fifteenth day of the next November following their date until the whole is paid. Said bonds shall bear interest at the rate of seven per cent. per annum, interest payable semi-annually by coupon, on all sums unpaid until the whole of said principal and interest are paid. Said bonds shall be issued and the principal and interest thereof shall be paid under and in pursuance of the Improvement Act of 1911, and amendments thereto.

That a cement concrete culvert, connections, fittings and appurtenances be constructed in, over and across a PUBLIC RIGHT OF WAY over Lot 14, Block 77, Villa Tract La Jolla Park, in said City.

That the contemplated work and improvement hereinbefore mentioned is in the opinion of said Common Council of more than local and ordinary public benefit, and the expenses of such work and improvement are made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to-wit: All that real property in the said City of San Diego included within the exterior boundary lines of said district, as shown upon that certain plat No. 1278, indicating the exterior boundary lines of such district, which plat, approved by the Common Council, is on file in the Office of the City Engineer of said City; excepting therefrom all public streets, roads, alleys, avenues and highways. Reference is hereby made to said plat for a particular description of such district.

NOTICE IS HEREBY GIVEN, that on Monday, the 13th day of August, 1928, at 10:00 o'clock A.M., in the Council Chamber of the City Hall of said The City of San Diego, any and all persons having any objections to the proposed work or improvement, to the grade at which said work is to be done, or to the extent of the district to be assessed to pay the costs and expenses of said proposed work or improvement, may appear before said Common Council and show cause why said proposed improvement should not be carried out in accordance with this Resolution.

That the Clerk of said City be, and he is hereby directed to cause this Resolution of Intention to be published twice in the Evening Tribune, a daily newspaper published and circulated in said City, and hereby designated for that purpose by the Common Council.

That the Street Superintendent of said City shall, after the adoption of this Resolution of Intention, cause to be conspicuously posted along the line of said contemplated work or improvement, at not more than three hundred feet in distance apart, but not less than three in all, notices of the passage of this Resolution of Intention, and when the work to be done is only upon an entire crossing or intersection, or any part thereof, he shall cause such notices to be conspicuously posted in front of each quarter block or irregular block liable to be assessed, and when the work is chargeable upon a district, he shall cause such notices to be conspicuously posted upon all open Streets within such district at not more than three hundred feet in distance apart on each Street so posted; all in the time, form and manner required by law; and thereupon said Superintendent of Streets shall cause to be filed in the Office of the City Clerk of said City, an affidavit showing the posting of said notices of improvement.

The Common Council does not deem it advisable that the Clerk mail copies of the notice of improvement to owners or reputed owners, and he is not required to mail the same.

All of the herein proposed work shall be done in pursuance of an Act of the Legislature of the State of California, designated as the "Improvement Act of 1911", approved April 7, 1911, and amendments thereto.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 16th day of July, 1928, by the following vote, to-wit:

#### RESOLUTION OF INTENTION NO. 46304

##### WILSHIRE DRIVE.

RESOLVED, that it is the intention of the Common Council of the City of San Diego, California, to order the following work to be done and improvement to be made in said City, to-wit:

That portions of WILSHIRE DRIVE, in said City, between the northwesterly line of 35th Street and the northerly termination of said Wilshire Drive in Mountain View Manor, be paved with a two-inch asphalt concrete wearing surface laid upon a four-inch asphalt concrete base, and that cement concrete sewer main, connections, fittings and appurtenances, cement concrete manholes, connections, fittings and appurtenances, cement concrete dead end and appurtenances, cement concrete sewer laterals and appurtenances, cement concrete curb inlets and appurtenances, galvanized corrugated iron pipe culverts, connections, fittings and appurtenances, and copper water service connections and appurtenances be constructed therein.

All of the said work hereinbefore generally described shall be constructed in the manner, at the locations, within the limits, of the materials, and of the dimensions as shown upon and in accordance with the plans, profiles, drawings, typical cross-sections and specifications therefor contained in Document No. 224896, on file in the Office of the City Clerk of said City, and copies of which are on file in the Office of the City Engineer of said City, and by this reference thereto all said plans, profiles, drawings, typical cross-sections and specifications are made a part hereof.

The said Common Council hereby determines and declares that serial bonds shall be issued to represent each assessment of twenty-five dollars or more remaining unpaid after the full expiration of thirty days from the date of the warrant, to represent the expenses of said work and improvement. Said serial bonds shall extend over a period ending nine years from the second day of January next succeeding the fifteenth day of the next November following their date, and an even annual proportion of the principal sum thereof shall be payable by coupon on the second day of January every year after the fifteenth day of the next November following their date until the whole is paid. Said bonds shall bear interest at the rate of seven per cent. per annum, interest payable semi-annually by coupon, on all sums unpaid until the whole of said principal and interest are paid. Said bonds shall be issued and the principal and interest thereof shall be paid under and in pursuance of the Improvement Act of 1911, and amendments thereto.

That the contemplated work and improvement hereinbefore mentioned is in the opinion of said Common Council of more than local and ordinary public benefit, and the expenses of such work and improvement are made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to-wit: All that real property in the said City of San Diego, included within the exterior boundary lines of said district, as shown upon that certain plat No. 1283, indicating the exterior boundary lines of such district, which plat, approved

by the Common Council, is on file in the Office of the City Engineer of said City; excepting therefrom all public streets, roads, alleys, avenues and highways. Reference is hereby made to said plat for a particular description of such district.

NOTICE IS HEREBY GIVEN, that on Monday, the 13th day of August, 1928, at 10:00 o'clock A.M., in the Council Chamber of the City Hall of said the City of San Diego, any and all persons having any objections to the proposed work or improvement, to the grade at which said work is to be done, or to the extent of the district to be assessed to pay the costs and expenses of said proposed work or improvement, may appear before said Common Council and show cause why said proposed improvement should not be carried out in accordance with this Resolution.

That the Clerk of said City be, and he is hereby directed to cause this Resolution of Intention to be published twice in the Evening Tribune, a daily newspaper published and circulated in said City, and hereby designated for that purpose by the Common Council.

That the Street Superintendent of said City shall, after the adoption of this Resolution of Intention, cause to be conspicuously posted along the line of said contemplated work or improvement, at not more than three hundred feet in distance apart, but not less than three in all, notices of the passage of this Resolution of Intention, and when the work to be done is only upon an entire crossing or intersection, or any part thereof, he shall cause such notices to be conspicuously posted in front of each quarter block or irregular block liable to be assessed, and when the work is chargeable upon a district, he shall cause such notices to be conspicuously posted upon all open Streets within such district at not more than three hundred feet in distance apart on each Street so posted; all in the time, form and manner required by law; and thereupon said Superintendent of Streets shall cause to be filed in the Office of the City Clerk of said City, an affidavit showing the posting of said notices of improvement.

The Common Council does not deem it advisable that the Clerk mail copies of the notice of improvement to owners or reputed owners, and he is not required to mail the same.

All of the herein proposed work shall be done in pursuance of an Act of the Legislature of the State of California, designated as the "Improvement Act of 1911", approved April 7, 1911, and amendments thereto.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 16th day of July, 1928, by the following vote, to-wit:

AYES-Councilmen Bruschi, Dowell, Maire, McMullen and Seifert

That a cast iron water main, connections, fittings and appurtenances, cast iron gate valve, valve box and cover be constructed in portions of 33RD STREET, in said City, between the northerly line of Copley Avenue and the southerly line of Mountain View Drive;

That a cement concrete culvert, connections, fittings and appurtenances be constructed in portions of WADDELL STREET, in said City, between the southwesterly production of the northwesterly line of Lot 10, Resubdivision of Villa Lots 1 to 11, Normal Heights, and the northwesterly production of the southwesterly line of Lot 9, Resubdivision of Villa Lots 1 to 11, Normal Heights;

That cement concrete tile drains, connections, fittings and appurtenances be constructed in portions of ELLISON PLACE, in said City, between the easterly line of Mountain View Drive and the northeasterly termination of said Ellison Place in Tract No. 1353;

That cement concrete tile drains, connections, fittings and appurtenances be constructed in portions of the ALLEY IN BLOCK 19, NORMAL HEIGHTS, in said City, between the southerly line of Copley Avenue and the easterly production of the southerly line of Lot 1, Block 19, Normal Heights;

That a cement concrete culvert, connections, fittings and appurtenances be constructed in, over and across a PUBLIC RIGHT OF WAY over Lot 10, Resubdivision of Villa Lots 1 to 11, Normal Heights, in said City.

Reference is hereby made to the Warrenite License Agreement of the Warren Brothers Company of Boston, Massachusetts, dated July 10, 1923, and on file in the Office of the City Clerk of the City of San Diego, under Document No. 152433.

All of the said work hereinbefore generally described shall be constructed in the manner, at the locations, within the limits, of the materials, and of the dimensions as shown upon and in accordance with the plans, profiles, drawings, typical cross-sections and specifications therefor contained in Document No. 225282, on file in the Office of the City Clerk of said City, and copies of which are on file in the Office of the City Engineer of said City, and by this reference thereto all said plans, profiles, drawings, typical cross-sections and specifications are made a part hereof.

The said Common Council hereby determines and declares that serial bonds shall be issued to represent each assessment of twenty-five dollars or more remaining unpaid after the full expiration of thirty days from the date of the warrant, to represent the expenses of said work and improvement. Said serial bonds shall extend over a period ending nine years from the second day of January next succeeding the fifteenth day of the next November following their date, and an even annual proportion of the principal sum thereof shall be payable by coupon on the second day of January every year after the fifteenth day of the next November following their date until the whole is paid. Said bonds shall bear interest at the rate of seven per cent. per annum, interest payable semi-annually by coupon, on all sums unpaid until the whole of said principal and interest are paid. Said bonds shall be issued and the principal and interest thereof shall be paid under and in pursuance of the Improvement Act of 1911, and amendments thereto.

That the contemplated work and improvement hereinbefore mentioned is in the opinion of said Common Council of more than local and ordinary public benefit, and the expenses of such work and improvement are made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to-wit: All that real property in the said City of San Diego included within the exterior boundary lines of said district, as shown upon that certain plat No. 1260, indicating the exterior boundary lines of such district, which plat, approved by the Common Council, is on file in the Office of the City Engineer of said City; excepting therefrom all public streets, roads, alleys, avenues and highways. Reference is hereby made to said plat for a particular description of such district.

NOTICE IS HEREBY GIVEN, that on Monday, the 20th day of August, 1928, at 10:00 o'clock A.M., in the Council Chamber of the City Hall of said The City of San Diego, any and all persons having any objections to the proposed work or improvement, to the grade at which said work is to be done, or to the extent of the district to be assessed to pay the costs and expenses of said proposed work or improvement, may appear before said Common Council and show cause why said proposed improvement should not be carried out in accordance with this Resolution.

That the Clerk of said City be, and he is hereby directed to cause this Resolution of Intention to be published twice in the Evening Tribune, a daily newspaper published and circulated in said City, and hereby designated for that purpose by the Common Council.

That the Street Superintendent of said City shall, after the adoption of this Resolution of Intention, cause to be conspicuously posted along the line of said contemplated work or improvement, at not more than three hundred feet in distance apart, but not less than three in all, notices of the passage of this Resolution of Intention, and when the work to be done is only upon an entire crossing or intersection, or any part thereof, he shall cause such notices to be conspicuously posted in front of each quarter block or irregular block liable to be assessed, and when the work is chargeable upon the district, he shall cause such notices to be conspicuously posted upon all open Streets within such district at not more than three hundred feet in distance apart on each Street so posted; all in the time, form and manner required by law; and thereupon said Superintendent of Streets shall cause to be filed in the Office of the City Clerk of said City, an affidavit showing the posting of said notices of improvement.

The Common Council does not deem it advisable that the Clerk mail copies of the notice of improvement to owners or reputed owners, and he is not required to mail the same.

All of the herein proposed work shall be done in pursuance of an Act of the Legislature of the State of California, designated as the "Improvement Act of 1911", approved April 7, 1911, and amendments thereto.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 23rd day of July, 1928, by the following vote, to-wit:

RESOLVED, that it is the intention of the Common Council of the City of San Diego, California, to order the following work to be done and improvement to be made in said City, to-wit:

That the ALLEY IN BLOCK 3, FRARY HEIGHTS, in said City, between the northerly line of Thorn Street and the southerly line of Upas Street, be graded, and paved with a Portland cement concrete pavement, and that cement concrete sewer laterals and appurtenances be constructed therein.

All of the said work hereinbefore generally described shall be constructed in the manner, at the locations, within the limits, of the materials, and of the dimensions as shown upon and in accordance with the plans, profiles, drawings, typical cross-sections and specifications therefor contained in Document No. 224900, on file in the Office of the City Clerk of said City, and copies of which are on file in the Office of the City Engineer of said City, and by this reference thereto all said plans, profiles, drawings, typical cross-sections and specifications are made a part hereof.

The said Common Council hereby determines and declares that serial bonds shall be issued to represent each assessment of twenty-five dollars or more remaining unpaid after the full expiration of thirty days from the date of the warrant, to represent the expenses of said work and improvement. Said serial bonds shall extend over a period ending nine years from the second day of January next succeeding the fifteenth day of the next November following their date, and an even annual proportion of the principal sum thereof shall be payable by coupon on the second day of January every year after the fifteenth day of the next November following their date until the whole is paid. Said bonds shall bear interest at the rate of seven per cent. per annum, interest payable semi-annually by coupon, on all sums unpaid until the whole of said principal and interest are paid. Said bonds shall be issued and the principal and interest thereof shall be paid under and in pursuance of the Improvement Act of 1911, and amendments thereto.

That the contemplated work and improvement hereinbefore mentioned is in the opinion of said Common Council of more than local and ordinary public benefit, and the expenses of such work and improvement are made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to-wit: All that real property in the said City of San Diego included within the exterior boundary lines of said district, as shown upon that certain plat No. 1316, indicating the exterior boundary lines of such district, which plat, approved by the Common Council, is on file in the Office of the City Engineer of said City; excepting therefrom all public streets, roads, alleys, avenues and highways. Reference is hereby made to said plat for a particular description of such district.

NOTICE IS HEREBY GIVEN, that on Monday, the 20th day of August, 1928, at 10:00 o'clock A.M., in the Council Chamber of the City Hall of said The City of San Diego, any and all persons having any objections to the proposed work or improvement, to the grade at which said work is to be done, or to the extent of the district to be assessed to pay the costs and expenses of said proposed work or improvement, may appear before said Common Council and show cause why said proposed improvement should not be carried out in accordance with this Resolution.

That the Clerk of said City be, and he is hereby directed to cause this Resolution of Intention to be published twice in the Evening Tribune, a daily newspaper published and circulated in said City, and hereby designated for that purpose by the Common Council.

That the Street Superintendent of said City shall, after the adoption of this Resolution of Intention, cause to be conspicuously posted along the line of said contemplated work or improvement, at not more than three hundred feet in distance apart, but not less than three in all, notices of the passage of this Resolution of Intention, and when the work to be done is only upon an entire crossing or intersection, or any part thereof, he shall cause such notices to be conspicuously posted in front of each quarter block or irregular block liable to be assessed, and when the work is chargeable upon the district, he shall cause such notices to be conspicuously posted upon all open Streets within such district at not more than three hundred feet in distance apart on each Street so posted; all in the time, form and manner required by law; and thereupon said Superintendent of Streets shall cause to be filed in the Office of the City Clerk of said City, an affidavit showing the posting of said notices of improvement.

The Common Council does not deem it advisable that the Clerk mail copies of the notice of improvement to owners or reputed owners, and he is not required to mail the same.

All of the herein proposed work shall be done in pursuance of an Act of the Legislature of the State of California, designated as the "Improvement Act of 1911", approved April 7, 1911, and amendments thereto.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 23rd day of July, 1928, by the following vote, to-wit:

That portions of WINDER STREET, in said City, between the northeasterly line of India Street and the northeasterly line of Columbia Street, be paved with a Portland cement concrete pavement, and that cement concrete curbs, cement concrete sidewalks, cast iron water main, connections, fittings and appurtenances, and cast iron gate valves, valve boxes and covers be constructed therein.

upon All of the said work hereinbefore generally described shall be constructed in the manner, at the locations, within the limits, of the materials, and of the dimensions as shown and in accordance with the plans, profiles, drawings, typical cross-sections and specifications therefor contained in Document No. 224898, on file in the Office of the City Clerk of said City, and copies of which are on file in the Office of the City Engineer of said City, and by this reference thereto all said plans, profiles, drawings, typical cross-sections and specifications are made a part hereof.

The said Common Council hereby determines and declares that serial bonds shall be issued to represent each assessment of twenty-five dollars or more remaining unpaid after the full expiration of thirty days from the date of the warrant, to represent the expenses of said work and improvement. Said serial bonds shall extend over a period ending nine years from the second day of January next succeeding the fifteenth day of the next November following their date, and an even annual proportion of the principal sum thereof shall be payable by coupon on the second day of January every year after the fifteenth day of the next November following their date until the whole is paid. Said bonds shall bear interest at the rate of seven per cent. per annum, interest payable semi-annually by coupon, on all sums unpaid until the whole of said principal and interest are paid. Said bonds shall be issued and the principal and interest thereof shall be paid under and in pursuance of the Improvement Act of 1911, and amendments thereto.

That said Common Council hereby finds and determines that said contemplated work and improvement works a greater public benefit to the entire City of San Diego and to all the inhabitants thereof than to the property of the district herein mentioned and described, and therefore said Common Council hereby declares its intention to order that three hundred and fifty dollars (\$350.00) of the costs and expenses of the said contemplated work and improvement hereinbefore mentioned shall be paid out of the Treasury of said City, and particularly out of the General Fund of said City, and that the remaining portion of the costs and expenses of said contemplated work and improvement shall be made chargeable upon the district hereinafter specifically described.

That the contemplated work or improvement hereinbefore mentioned is in the opinion of said Common Council of more than local and ordinary public benefit, and all of the costs and expenses of such work and improvement, excepting the sum of three hundred and fifty Dollars (\$350.00), is made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district specially benefited by said work and improvement, and to be assessed to pay all of the costs and expenses thereof, excepting the said sum of three hundred and fifty dollars (\$350.00). Said district is described as follows, to-wit: All that real property in the said City of San Diego included within the exterior boundary lines of said district, as shown upon that certain plat No. 1227, indicating the exterior boundary lines of such district, which plat, approved by the Common Council, is on file in the Office of the City Engineer of said City; excepting therefrom all public streets, roads, alleys, avenues and highways. Reference is hereby made to said plat for a particular description of such district.

NOTICE IS HEREBY GIVEN, that on Monday, the 20th day of August, 1928, at 10:00 o'clock A.M., in the Council Chamber of the City Hall of said The City of San Diego, any and all persons having any objections to the proposed work or improvement, to the grade at which said work is to be done, or to the extent of the district to be assessed to pay the costs and expenses of said proposed work or improvement, may appear before said Common Council and show cause why said proposed improvement should not be carried out in accordance with this Resolution.

That the Clerk of said City be, and he is hereby directed to cause this Resolution of Intention to be published twice in the Evening Tribune, a daily newspaper published and circulated in said City, and hereby designated for that purpose by the Common Council.

That the Street Superintendent of said City shall, after the adoption of this Resolution of Intention, cause to be conspicuously posted along the line of said contemplated work or improvement, at not more than three hundred feet in distance apart, but not less than three in all, notices of the passage of this Resolution of Intention, and when the work to be done is only upon an entire crossing or intersection, or any part thereof, he shall cause such notices to be conspicuously posted in front of each quarter block or irregular block liable

to be assessed, and when the work is chargeable upon a district, he shall cause such notices to be conspicuously posted upon all open Streets within such district at not more than three hundred feet in distance apart on each Street so posted; all in the time, form and manner required by law; and thereupon said Superintendent of Streets shall cause to be filed in the Office of the City Clerk of said City, an affidavit showing the posting of said notices of improvement.

The Common Council does not deem it advisable that the Clerk mail copies of the notice of improvement to owners or reputed owners, and he is not required to mail the same.

All of the herein proposed work shall be done in pursuance of an Act of the Legislature of the State of California, designated as the "Improvement Act of 1911", approved April 7, 1911, and amendments thereto.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 23rd day of July, 1928, by the following vote, to-wit:

RESOLVED, that it is the intention of the Common Council of the City of San Diego, California, to order the following work to be done and improvement to be made in said City, to-wit:

That portions of CASS STREET, in said City, between the southeasterly line of Turquoise Street and a line drawn parallel to and distant 10 feet southeasterly from the southeasterly line of Reed Avenue, be graded, and paved with a two-inch asphalt concrete wearing surface laid upon a six-inch Portland cement concrete base, and that cement concrete curbs, cement concrete sidewalks, cement concrete sewer main, connections, fittings and appurtenances, cement concrete manholes, connections, fittings and appurtenances, cast iron water main, connections, fittings and appurtenances, cast iron fire hydrants, connections, fittings and appurtenances, cast iron gate valves, valve boxes and covers, cement concrete culverts, connections, fittings and appurtenances, and cement concrete curb inlets and appurtenances be constructed therein; also, as a part of said work, the surfacing of the existing pavement, within the above described limits, with a two-inch asphalt concrete wearing surface;

That the said work hereinabove described on CASS STREET, between the southeasterly line of Diamond Street and the southeasterly line of Turquoise Street, shall be done to the modified grade shown and indicated upon the plans and profiles on file in the Office of the City Clerk of said City, and hereinafter referred to; and reference is hereby made to said plans and profiles for the description of the grade at which the work is to be done.

That portions of TURQUOISE STREET, in said City, between the northeasterly line of Cass Street and the southeasterly production of the southwesterly line of the San Diego Electric Railway Company's Right of Way, be graded, and paved with a two-inch asphalt concrete wearing surface laid upon a six-inch Portland cement concrete base, and that cement concrete curbs, cement concrete sidewalks, cement concrete sewer main, connections, fittings and appurtenances, cast iron water main, connections, fittings and appurtenances, cast iron gate valves, valve boxes and covers, cast iron fire hydrant, connections, fittings and appurtenances, and copper water service connections and appurtenances be constructed therein; also, as a part of said work, the surfacing of the existing pavement, within the above described limits, with a two-inch asphalt concrete wearing surface;

That the said work hereinabove described on TURQUOISE STREET, between the northeasterly line of Cass Street and the southeasterly production of the southwesterly line of the San Diego Electric Railway Company's Right of Way, shall be done to the modified grade shown and indicated upon the plans and profiles on file in the Office of the City Clerk of said City, and hereinafter referred to; and reference is hereby made to said plans and profiles for the description of the grade at which the work is to be done.

That portions of LA JOLLA BOULEVARD, in said City, between the southeasterly production of the southwesterly line of the San Diego Electric Railway Company's Right of Way and the northerly line of Lot 1, Map of Pueblo Lot 1783, be graded, and paved with a two-inch asphalt concrete wearing surface laid upon a six-inch Portland cement concrete base, and that cement concrete curbs, and cement concrete culverts, connections, fittings and appurtenances be constructed therein; also, as a part of said work, the surfacing of the existing pavement, within the above described limits, with a two-inch asphalt concrete wearing surface;

That the said work hereinabove described on LA JOLLA BOULEVARD, between the southeasterly production of the southwesterly line of the San Diego Electric Railway Company's Right of Way and the northerly line of Lot 1, Map of Pueblo Lot 1783, shall be done to the modified grade shown and indicated upon the plans and profiles on file in the Office of the City Clerk of said City, and hereinafter referred to; and reference is hereby made to said plans and profiles for the description of the grade at which the work is to be done.

That portions of GARNET STREET, in said City, between the northeasterly line of Cass Street and a line drawn parallel to and distant 25 feet northeasterly from the northeasterly line of Cass Street, be paved with a two-inch asphalt concrete wearing surface laid upon a six-inch Portland cement concrete base, and that cement concrete curbs be constructed therein;

That the said work hereinabove described on GARNET STREET, between the northeasterly line of Cass Street and a line drawn parallel to and distant 25 feet northeasterly from the northeasterly line of Cass Street, shall be done to the modified grade shown and indicated upon the plans and profiles on file in the Office of the City Clerk of said City, and hereinafter referred to; and reference is hereby made to said plans and profiles for the description of the grade at which the work is to be done.

That a cement concrete culvert, connections, fittings and appurtenances be constructed in, over and across portions of FELSPAR STREET, in said City, between the southwesterly line of Allison Street and the southwesterly line of Cass Street.

All of the said work hereinbefore generally described shall be constructed in the manner, at the locations, within the limits, of the materials, and of the dimensions as shown upon and in accordance with the plans, profiles, drawings, typical cross-sections and speci-

fications therefor contained in Document No. 224899, on file in the Office of the City Clerk of said City, and copies of which are on file in the Office of the City Engineer of said City, and by this reference thereto all said plans, profiles, drawings, typical cross-sections and specifications are made a part hereof.

The said Common Council hereby determines and declares that serial bonds shall be issued to represent each assessment of twenty-five dollars or more remaining unpaid after the full expiration of thirty days from the date of the warrant, to represent the expenses of said work and improvement. Said serial bonds shall extend over a period ending nine years from the second day of January next succeeding the fifteenth day of the next November following their date, and an even annual proportion of the principal sum thereof shall be payable by coupon on the second day of January every year after the fifteenth day of the next November following their date until the whole is paid. Said bonds shall bear interest at the rate of seven per cent. per annum, interest payable semi-annually by coupon, on all sums unpaid until the whole of said principal and interest are paid. Said bonds shall be issued and the principal and interest thereof shall be paid under and in pursuance of the Improvement Act of 1911, and amendments thereto.

That the contemplated work and improvement hereinbefore mentioned is in the opinion of said Common Council of more than local and ordinary public benefit, and the expenses of such work and improvement are made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to-wit: All that real property in the said City of San Diego included within the exterior boundary lines of said district, as shown upon that certain plat No. 1157, indicating the exterior boundary lines of such district, which plat, approved by the Common Council, is on file in the Office of the City Engineer of said City; excepting therefrom all public streets, roads, alleys, avenues and highways. Reference is hereby made to said plat for a particular description of such district.

NOTICE IS HEREBY GIVEN, that on Monday, the 20th day of August, 1928, at 10:00 o'clock A.M., in the Council Chamber of the City Hall of said The City of San Diego, any and all persons having any objections to the proposed work or improvement, to the grade at which said work is to be done, or to the extent of the district to be assessed to pay the costs and expenses of said proposed work or improvement, may appear before said Common Council and show cause why said proposed improvement should not be carried out in accordance with this Resolution.

That the Clerk of said City be, and he is hereby directed to cause this Resolution of Intention to be published twice in the Evening Tribune, a daily newspaper published and circulated in said City, and hereby designated for that purpose by the Common Council.

That the Street Superintendent of said City shall, after the adoption of this Resolution of Intention, cause to be conspicuously posted along the line of said contemplated work or improvement, at not more than three hundred feet in distance apart, but not less than three in all, notices of the passage of this Resolution of Intention, and when the work to be done is only upon an entire crossing or intersection, or any part thereof, he shall cause such notices to be conspicuously posted in front of each quarter block or irregular block liable to be assessed, and when the work is chargeable upon a district, he shall cause such notices to be conspicuously posted upon all open Streets within such district at not more than three hundred feet in distance apart on each Street so posted; all in the time, form and manner required by law; and thereupon said Superintendent of Streets shall cause to be filed in the Office of the City Clerk of said City, an affidavit showing the posting of said notices of improvement.

The Common Council does not deem it advisable that the Clerk mail copies of the notice of improvement to owners or reputed owners, and he is not required to mail the same.

All of the herein proposed work shall be done in pursuance of an Act of the Legislature of the State of California, designated as the "Improvement Act of 1911", approved April 7, 1911, and amendments thereto.

Together with the maintenance of the posts, wires, conduits and lamps at the said intersections and along the said Streets, within the limits above mentioned. Such furnishing of electric current and such maintenance of appliances shall be for a period of one year from and after June 28, 1928, to-wit, to and including the 27th day of June, 1929.

Said work of improvement shall be done in all respects according to, at the places shown by, and of the materials provided for, in the plans and specifications therefor to be hereafter prepared by the City Engineer of said City, and furnished to this Common Council, as hereinafter set forth.

That the exterior boundaries of the district in said City of San Diego to be benefited by said improvement, and to be assessed to pay the costs and expenses thereof, and to be known as the assessment district, are hereby specified as follows, to-wit:

Beginning at the intersection of the southeasterly prolongation of the southwesterly line of Lot 7, Block 236, Roseville, with the southeasterly line of Rosecrans Street; thence northeasterly along the southeasterly line of Rosecrans Street to the southwesterly line of Lytton Street; thence northerly in a direct line to the intersection of the northeasterly line of Lytton Street with the northeasterly prolongation of the southeasterly line of Block 312, Subdivision of Pueblo Lot 209; thence northwesterly along the northeasterly line of Lytton Street to an intersection with the southeasterly line of Evergreen Street; thence northerly in a direct line to the most easterly corner of Lot 19, Country Club Terrace; thence northwesterly along the northeasterly line of said Lot 19 to the most northerly corner thereof; thence northerly in a direct line to the most easterly corner of Lot 20, Country Club Terrace; thence westerly and southwesterly along the northerly and northwesterly lines of Lots 20, 21, 22 and 23, Country Club Terrace, to the most northwesterly corner of said Lot 23;

thence southerly along the westerly line of said Lot 23 to the most southwesterly corner thereof; thence southwesterly in a direct line to the most northerly corner of Villa Lot 67, Chatsworth Terrace; thence southwesterly along the northwesterly line of said Villa Lot 67 and its southwesterly prolongation, and southwesterly, westerly, and southwesterly along the southeasterly, southerly and southeasterly lines of Wing Street to the most northerly corner of Villa Lot 48, Chatsworth Terrace; thence northwesterly in a direct line to the most southeasterly corner of Lot 1, Block B, Plumosa Park; thence northwesterly along the northeasterly line of said Lot 1 to the most northerly corner thereof; thence southwesterly along the northwesterly line of said Lot 1 to the most northwesterly corner thereof; thence southwesterly in a direct line to the intersection of the northwesterly line of Chatsworth Boulevard with the westerly line of Hyacinth Drive; thence southwesterly along the northwesterly line of Chatsworth Boulevard to an intersection with the northeasterly line of Plumosa Drive; thence northwesterly in a direct line to the northeasterly corner of Lot 11, Block M, Plumosa Park; thence southwesterly along the northwesterly line of Lots 10 and 11, Block M, Plumosa Park, to the most westerly corner of said Lot 10; thence northwesterly along the northeasterly line of Lot 9, Block M, Plumosa Park, to the most northerly corner thereof; thence southwesterly along the northwesterly line of said Lot 9 to the most westerly corner thereof; thence westerly in a direct line to the most northerly corner of Lot 76, Point Loma Villas; thence southwesterly along the northwesterly line of Lots 76 and 78, Point Loma Villas, to the most westerly corner of said Lot 78; thence southerly along the westerly line of said Lot 78 to the southwesterly corner thereof; thence southwesterly in a direct line to the intersection of the southerly line of Curtis Street with a line drawn parallel to and distant 100 feet northwesterly of the northwesterly line of Chatsworth Boulevard; thence southwesterly on a line drawn parallel to and distant 100 feet northwesterly of the northwesterly line of Chatsworth Boulevard to an intersection with a line drawn parallel to and distant 100 feet southwesterly of the northwesterly prolongation of the southwesterly line of Curtis Street; thence southeasterly along a line parallel to and distant 100 feet southwesterly of the southwesterly line of Curtis Street and its northwesterly and southeasterly prolongations to the point or place of beginning; excepting therefrom all public Streets, roads, alleys, avenues and highways.

Said Common Council does hereby order that four-fifths of the costs and expenses of said improvement shall be assessed upon the district above described, and one-fifth of the costs and expenses of said improvement shall be paid out of the Treasury of said City, from the Street Light Fund of said City.

That the proposed improvement is hereby referred to the City Engineer of said City, and said City Engineer is hereby directed to make and file, with the Clerk of said Common Council, a report, in writing, presenting the following:

1. Plans and specifications for the work required in order to make said improvements;
2. An estimate of the cost of said improvement and of the incidental expenses in connection therewith;

3. A diagram showing the district above referred to, and also the boundaries and dimensions of the respective subdivisions of the land within said district, each of which subdivisions shall be given a separate number in red ink upon said diagram.

4. A proposed assessment of the total amount of the costs and expenses of the proposed improvement upon the several subdivisions of land in said district in proportion to the estimated benefits to be received by such subdivisions, respectively, from said improvement; provided, that whenever any portion or percentage of the cost and expenses of such improvement is ordered to be paid out of the treasury of the municipality, as hereinabove provided, the amount of such portion or percentage shall first be deducted from the total estimated cost and expenses of such improvement, and the assessment upon property, proposed in said report, shall include only the remainder of said estimated costs and expenses. Said assessment shall refer to such subdivisions upon said diagram by the respective red ink numbers thereof, and shall show the names of the owners, if known, otherwise designating them as unknown. No mistake in the name of the owner of any parcel of land shall affect the validity of the assessment thereon.

This proceeding shall be designated as Loma Portal Lighting District No. 1.

RESOLUTION OF INTENTION NO. 46513  
IOWA STREET.

RESOLVED, that it is the intention of the Common Council of the City of San Diego, California, to order the following work to be done and improvement to be made in said City, to-wit:

That portions of IOWA STREET, in said City, between the southerly line of El Cajon Avenue and the southerly line of Meade Avenue, be paved with a two-inch asphalt concrete wearing surface laid upon a four-inch asphalt concrete base, and that cement concrete curbs, cement concrete sidewalks, cast iron water main, connections, fittings and appurtenances, cast iron fire hydrant, connections, fittings and appurtenances, cast iron gate valve, valve box and cover, and copper water service connections and appurtenances be constructed therein.

All of the said work hereinbefore generally described shall be constructed in the manner, at the locations, within the limits, of the materials, and of the dimensions as shown upon and in accordance with the plans, profiles, drawings, typical cross-sections and specifications therefor contained in Document No. 225283, on file in the Office of the City Clerk of said City, and copies of which are on file in the Office of the City Engineer of said City, and by this reference thereto all said plans, profiles, drawings, typical cross-sections and specifications are made a part hereof.

The said Common Council hereby determines and declares that serial bonds shall be issued to represent each assessment of twenty-five dollars or more remaining unpaid after the full expiration of thirty days from the date of the warrant, to represent the expenses of said work and improvement. Said serial bonds shall extend over a period ending nine years from the second day of January next succeeding the fifteenth day of the next November following their date, and an even annual proportion of the principal sum thereof shall be payable by coupon on the second day of January every year after the fifteenth day of the next November following their date until the whole is paid. Said bonds shall bear interest at the rate of seven per cent. per annum, interest payable semi-annually by coupon, on all sums unpaid until the whole of said principal and interest are paid. Said bonds shall be issued and the principal and interest thereof shall be paid under and in pursuance of the Improvement Act of 1911, and amendments thereto.

That the contemplated work and improvement hereinbefore mentioned is in the opinion of said Common Council of more than local and ordinary public benefit, and the expenses of such work and improvement are made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to-wit: All that real property in the said City of San Diego included within the exterior boundary lines of said district, as shown upon that certain plat No. 1298, indicating the exterior boundary lines of such district, which plat, approved by the Common Council, is on file in the Office of the City Engineer of said City; excepting therefrom all public streets, roads, alleys, avenues and highways. Reference is hereby made to said plat for a particular description of such district.

NOTICE IS HEREBY GIVEN, that on Monday, the 27th day of August, 1928, at 10:00 o'clock A.M., in the Council Chamber of the City Hall of said the City of San Diego, any and all persons having any objections to the proposed work or improvement, to the grade at which said work is to be done, or to the extent of the district to be assessed to pay the costs and expenses of said proposed work or improvement, may appear before said Common Council and show cause why said proposed improvement should not be carried out in accordance with this Resolution.

That the Clerk of said City be, and he is hereby directed to cause this Resolution of Intention to be published twice in the Evening Tribune, a daily newspaper published and circulated in said City, and hereby designated for that purpose by the Common Council.

That the Street Superintendent of said City shall, after the adoption of this Resolution of Intention, cause to be conspicuously posted along the line of said contemplated work or improvement, at not more than three hundred feet in distance apart, but not less than three in all, notices of the passage of this Resolution of Intention, and when the work to be done is only upon an entire crossing or intersection, or any part thereof, he shall cause such notices to be conspicuously posted in front of each quarter block or irregular block liable to be assessed, and when the work is chargeable upon a district, he shall cause such notices to be conspicuously posted upon all open Streets within such district at not more than three hundred feet in distance apart on each Street so posted; all in the time, form and manner required by law; and thereupon said Superintendent of Streets shall cause to be filed in the Office of the City Clerk of said City, an affidavit showing the posting of said notices of improvement.

The Common Council does not deem it advisable that the Clerk mail copies of the notice of improvement to owners or reputed owners, and he is not required to mail the same.

All of the herein proposed work shall be done in pursuance of an Act of the Legislature of the State of California, designated as the "Improvement Act of 1911", approved April 7, 1911, and amendments thereto.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 30th day of July, 1928, by the following vote, to-wit:

RESOLUTION OF INTENTION NO. 46516  
COLUMBIA STREET, PRINGLE STREET, AND PUBLIC RIGHT OF  
WAYS.

RESOLVED, that it is the intention of the Common Council of the City of San Diego, California, to order the following work to be done and improvement to be made in said City, to-wit:

That portions of COLUMBIA STREET, in said City, between the northwesterly line of Clark Street and the southwesterly production of the northwesterly line of Pringle Street, be graded, and paved with a Portland cement concrete pavement, and that cement concrete curbs, cement concrete sidewalks, cast iron water main, connections, fittings and appurtenances, copper water service connections and appurtenances, cement concrete sewer laterals and appurtenances, cement concrete curb inlets and appurtenances, cement concrete culverts, con-

nections, fittings and appurtenances, cast iron gate valves, valve boxes and covers, cast iron fire hydrants, connections, fittings and appurtenances, and cement concrete sewer main, connections, fittings and appurtenances be constructed therein; also, as a part of said work, the regrading of portions of said COLUMBIA STREET, between the southeasterly line of Clark Street and a line drawn parallel to and distant 10 feet northwesterly from the southeasterly line of Clark Street;

That the said work hereinabove described on COLUMBIA STREET, between a line drawn parallel to and distant 10 feet northwesterly from the southeasterly line of Clark Street and a line drawn parallel to and distant 20 feet southeasterly from the southeasterly line of Clark Street, shall be done to the modified grade shown and indicated upon the plans and profiles on file in the Office of the City Clerk of said City, and hereinafter referred to; and reference is hereby made to said plans and profiles for the description of the grade at which the work is to be done.

That cement concrete sidewalks be constructed in portions of PRINGLE STREET, in said City, between the southwesterly line of Columbia Street and the southwesterly line of Middletown Addition;

That a cement concrete culvert, connections, fittings and appurtenances be constructed in, over and across a PUBLIC RIGHT OF WAY over Lots 10 and 11, Block 24, Middletown Addition, in said City;

That a cement concrete culvert, connections, fittings and appurtenances be constructed in, over and across a PUBLIC RIGHT OF WAY over Lots 22 and 23, Block 10, Middletown Addition, in said City.

All of the said work hereinbefore generally described shall be constructed in the manner, at the locations, within the limits, of the materials, and of the dimensions as shown upon and in accordance with the plans, profiles, drawings, typical cross-sections and specifications therefor contained in Document No. 225516, on file in the Office of the City Clerk of said City, and copies of which are on file in the Office of the City Engineer of said City, and by this reference thereto all said plans, profiles, drawings, typical cross-sections and specifications are made a part hereof.

The said Common Council hereby determines and declares that serial bonds shall be issued to represent each assessment of twenty-five dollars or more remaining unpaid after the full expiration of thirty days from the date of the warrant, to represent the expenses of said work and improvement. Said serial bonds shall extend over a period ending nine years from the second day of January next succeeding the fifteenth day of the next November following their date, and an even annual proportion of the principal sum thereof shall be payable by coupon on the second day of January every year after the fifteenth day of the next November following their date until the whole is paid. Said bonds shall bear interest at the rate of seven per cent. per annum, interest payable semi-annually by coupon, on all sums unpaid until the whole of said principal and interest are paid. Said bonds shall be issued and the principal and interest thereof shall be paid under and in pursuance of the Improvement Act of 1911, and amendments thereto.

That the contemplated work and improvement hereinbefore mentioned is in the opinion of said Common Council of more than local and ordinary public benefit, and the expenses of such work and improvement are made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to-wit: All that real property in the said City of San Diego included within the exterior boundary lines of said district, as shown upon that certain plat No. 1272, indicating the exterior boundary lines of such district, which plat, approved by the Common Council, is on file in the Office of the City Engineer of said City; excepting therefrom all public streets, roads, alleys, avenues and highways. Reference is hereby made to said plat for a particular description of such district.

NOTICE IS HEREBY GIVEN, that on Monday, the 27th day of August, 1928, at 10:00 o'clock A.M., in the Council Chamber of the City Hall of said The City of San Diego, any and all persons having any objections to the proposed work or improvement, to the grade at which said work is to be done, or to the extent of the district to be assessed to pay the costs and expenses of said proposed work or improvement, may appear before said Common Council and show cause why said proposed improvement should not be carried out in accordance with this Resolution.

That the Clerk of said City be, and he is hereby directed to cause this Resolution of Intention to be published twice in the Evening Tribune, a daily newspaper published and circulated in said City, and hereby designated for that purpose by the Common Council.

That the Street Superintendent of said City shall, after the adoption of this Resolution of Intention, cause to be conspicuously posted along the line of said contemplated work or improvement, at not more than three hundred feet in distance apart, but not less than three in all, notices of the passage of this Resolution of Intention, and when the work to be done is only upon an entire crossing or intersection, or any part thereof, he shall cause such notices to be conspicuously posted in front of each quarter block or irregular block liable to be assessed, and when the work is chargeable upon a district, he shall cause such notices to be conspicuously posted upon all open Streets within such district at not more than three hundred feet in distance apart on each Street so posted; all in the time, form and manner required by law; and thereupon said Superintendent of Streets shall cause to be filed in the Office of the City Clerk of said City, an affidavit showing the posting of said notices of improvement.

The Common Council does not deem it advisable that the Clerk mail copies of the notice of improvement to owners or reputed owners, and he is not required to mail the same.

All of the herein proposed work shall be done in pursuance of an Act of the Legislature of the State of California, designated as the "Improvement Act of 1911", approved April 7, 1911, and amendments thereto.

RESOLUTION OF INTENTION NO. 46517  
HERBERT STREET, PENNSYLVANIA AVENUE AND PUBLIC RIGHT  
OF WAY.

RESOLVED, that it is the intention of the Common Council of the City of San Diego, California, to order the following work to be done and improvement to be made in said City, to-wit:

That portions of HERBERT STREET, in said City, between the south line of Robinson Avenue and the north line of Cypress Avenue, be graded, and paved with a Portland cement concrete pavement, and that cement concrete curbs, cement concrete sidewalks, cement concrete curb inlets and appurtenances, cement concrete culverts, connections, fittings and appurtenances, cement concrete storm drain and appurtenances, cement concrete storm drain cleanout and appurtenances, cement concrete junction box and appurtenances, cast iron water main, connections, fittings and appurtenances, and copper water service connections and appurtenances be constructed therein;

That the said work hereinabove described on HERBERT STREET, between the south line of Robinson Avenue and a line drawn parallel to and distant 200 feet southerly from the easterly production of the southerly line of Pennsylvania Avenue, shall be done to the modified grade shown and indicated upon the plans and profiles on file in the Office of the City Clerk of said City, and hereinafter referred; and reference is hereby made to said plans and profiles for the description of the grade at which the work is to be done.

That cement concrete culverts, connections, fittings and appurtenances be constructed in portions of PENNSYLVANIA AVENUE, in said City, between a line drawn parallel to and distant 18 feet east from the east line of Herbert Street and a line drawn parallel to and distant 24 feet west from the west line of Herbert Street.

That a cement concrete culvert, connections, fittings and appurtenances be constructed in, over and across a PUBLIC RIGHT OF WAY over Lot 1, Block 15, T. J. Higgings Addition, in said City.

All of the said work hereinbefore generally described shall be constructed in the manner, at the locations, within the limits, of the materials, and of the dimensions as shown upon and in accordance with the plans, profiles, drawings, typical cross-sections and specifications therefor contained in Document No. 225286, on file in the Office of the City Clerk of said City, and copies of which are on file in the Office of the City Engineer of said City, and by this reference thereto all said plans, profiles, drawings, typical cross-sections and specifications are made a part hereof.

The said Common Council hereby determines and declares that serial bonds shall be issued to represent each assessment of twenty-five dollars or more remaining unpaid after the full expiration of thirty days from the date of the warrant, to represent the expenses of said work and improvement. Said serial bonds shall extend over a period ending nine years from the second day of January next succeeding the fifteenth day of the next November following their date, and an even annual proportion of the principal sum thereof shall be payable by coupon on the second day of January every year after the fifteenth day of the next November following their date until the whole is paid. Said bonds shall bear interest at the rate of seven per cent. per annum, interest payable semi-annually by coupon, on all sums unpaid until the whole of said principal and interest are paid. Said bonds shall be issued and the principal and interest thereof shall be paid under and in pursuance of the Improvement Act of 1911, and amendments thereto.

That the contemplated work and improvement hereinbefore mentioned is in the opinion of said Common Council of more than local and ordinary public benefit, and the expenses of such work and improvement are made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to-wit: All that real property in the said City of San Diego included within the exterior boundary lines of said district, as shown upon that certain plat No. 1284, indicating the exterior boundary lines of such district, which plat, approved by the Common Council, is on file in the Office of the City Engineer of said City; excepting therefrom all public streets, roads, alleys, avenues and highways. Reference is hereby made to said plat for a particular description of such district.

NOTICE IS HEREBY GIVEN, that on Monday, the 27th day of August, 1928, at 10:00 o'clock A.M., in the Council Chamber of the City Hall of said The City of San Diego, any and all persons having any objections to the proposed work or improvement, to the grade at which said work is to be done, or to the extent of the district to be assessed to pay the costs and expenses of said proposed work of improvement, may appear before said Common Council and show cause why said proposed improvement should not be carried out in accordance with this Resolution.

That the Clerk of said City be, and he is hereby directed to cause this Resolution of Intention to be published twice in the Evening Tribune, a daily newspaper published and circulated in said City, and hereby designated for that purpose by the Common Council.

That the Street Superintendent of said City shall, after the adoption of this Resolution of Intention, cause to be conspicuously posted along the line of said contemplated work or improvement, at not more than three hundred feet in distance apart, but not less than three in all, notices of the passage of this Resolution of Intention, and when the work to be done is only upon an entire crossing or intersection, or any part thereof, he shall cause such notices to be conspicuously posted in front of each quarter block or irregular block liable to be assessed, and when the work is chargeable upon a district, he shall cause such notices to be conspicuously posted upon all open Streets within such district at not more than three hundred feet in distance apart on each Street so posted; all in the time, form and manner required by law; and thereupon said Superintendent of Streets shall cause to be filed in the Office of the City Clerk of said City, an affidavit showing the posting of said notices of improvement.

The Common Council does not deem it advisable that the Clerk mail copies of the notice of improvement to owners or reputed owners, and he is not required to mail the same.

All of the herein proposed work shall be done in pursuance of an Act of the Legislature of the State of California, designated as the "Improvement Act of 1911", approved April 7, 1911, and amendments thereto.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 30th day of July, 1928, by the following vote, to-wit:

Together with the maintenance of the posts, wires, conduits and lamps on said Streets, within said limits. Such furnishing of electric current and such maintenance of appliances shall be for the period of one year and one month from and after Sept. 1st, 1928, to-wit, to and including September 30th, 1929.

Said work of improvement shall be done in all respects according to, at the places shown by, and of the materials provided for, in the plans and specifications therefor to be hereafter prepared by the City Engineer of said City, and furnished to this Common Council, as hereinafter set forth.

That the exterior boundaries of the district in said City of San Diego to be benefited by said improvement, and to be assessed to pay the costs and expenses thereof, and to be known as the assessment district, are hereby specified as follows, to-wit:

Beginning at the intersection of a line parallel to and distant 40 feet easterly from the westerly line of Catalina Boulevard with the easterly prolongation of the center line of Hill Street; thence northerly along a line parallel to and distant 40 feet easterly from the westerly line of Catalina Boulevard to an intersection with the easterly prolongation of the northerly line of Varona Street; thence westerly along the northerly line of Varona Street and its easterly prolongation to an intersection with the easterly line of Moana Drive; thence northerly along the easterly line of Moana Drive to an intersection with the southerly line of La Paloma Street; thence easterly along the southerly line of La Paloma Street and its easterly prolongation to an intersection with the center line of Catalina Boulevard; thence northerly along the center line of Catalina Boulevard to an intersection with the southeasterly prolongation of a line parallel to and distant 30 feet northeasterly from the southwesterly line of Point Loma Avenue; thence northwesterly along a line parallel to and distant 30 feet northeasterly from the southwesterly line of Point Loma Avenue and its southeasterly prolongation to an intersection with the easterly line of Santa Barbara Street; thence southerly along the easterly line of Santa Barbara Street to the northwesterly corner of Lot 13, Block A, Riviera Villas; thence southwesterly in a direct line to the most northerly corner of Block S, Riviera Villas; thence southwesterly and westerly along the southeasterly and southerly lines of Novara Street to an intersection with the northerly line of Hill Street; thence southerly in a direct line at right angles to the center line of Hill Street to an intersection with the center line of Hill Street; thence westerly along the center line of Hill Street to an intersection with the westerly line of Sunset Cliffs Boulevard; thence southerly along the westerly line of Sunset Cliffs Boulevard to an intersection with the southerly line of Ladera Street; thence easterly along the southerly line of Ladera Street to the southwesterly corner of Block D, Azure Vista; thence easterly along the southerly line of said Block D to the southeasterly corner thereof; thence northerly along the easterly line of Azure Vista and its northerly prolongation to an intersection with the center line of Hill Street; thence easterly along the center line of Hill Street to the point or place of beginning; excepting therefrom all public streets, roads, alleys, avenues and highways.

That the proposed improvement is hereby referred to the City Engineer of said City, and said City Engineer is hereby directed to make and file, with the Clerk of said Common Council, a report, in writing, presenting the following:

1. Plans and specifications for the work required in order to make said improvements;
2. An estimate of the cost of said improvement and of the incidental expenses in connection therewith;
3. A diagram showing the district above referred to, and also the boundaries and dimensions of the respective subdivisions of the land within said district, each of which subdivisions shall be given a separate number in red ink upon said diagram.
4. A proposed assessment of the total amount of the costs and expenses of the proposed improvement upon the several subdivisions of land in said district in proportion to the estimated benefits to be received by such subdivisions, respectively, from said improvement; provided, that whenever any portion or percentage of the cost and expenses of such improvement is ordered to be paid out of the treasury of the municipality, as hereinabove provided, the amount of such portion or percentage shall first be deducted from the total estimated cost and expenses of such improvement, and the assessment upon property, proposed in said report, shall include only the remainder of said estimated costs and expenses. Said assessment shall refer to such subdivisions upon said diagram by the respective red ink numbers thereof, and shall show the names of the owners, if known, otherwise designating them as unknown. No mistake in the name of the owner of any parcel of land shall affect the validity of the assessment thereon.

This proceeding shall be designated as Sunset Cliffs Lighting District No. 2.
