RESOLUTION NO. 48467

WHEREAS, this Common Council is of the opinion that the public interest of the people of the State of California and of the City of San Diego will be better served and promoted by removing certain of the restrictions from the use of a certain portion of the tidelands of San Diego Bay; and that this public interest demands the removal of certain restrictions from the filled lands above the bulkhead line, as such restrictions are now imposed by the Act of May 1st, 1911, conveying the tidelands to the City of San Diego and amendments thereto; and

WHEREAS, the City of San Diego has heretofore adopted a comprehensive plan for the development of said tidelands in the Harbor of San Diego Bay and, in order to carry out such plan, it is necessary that the tidelands shoreward of the bulkhead line provided for in such plan be filled in and permanently released from the trusts and restrictions set forth in said Act of May 1st, 1911, and amendments thereto; and

WHEREAS, the bulkhead line, as set forth in said plan, is either coincident with or shoreward of the bulkhead line of San Diego Bay as heretofore established; and

WHEREAS, the restrictions on the remaining portion of said tidelands below the bulkhead line, as imposed by said Act, are such as preclude the use of said lands for purposes to which they could be put, which purposes are not inconsistent with the said grant of May 1st, 1911; and

WHEREAS, this Common Council is of the opinion that the Legislature of the State of California should be importuned to amend the said Act of May 1st, 1911; NOW, THEREFORE,

BE IT RESOLVED, by the Common Council of the City of San Diego, as follows:

That the said Act of May 1st, 1911, conveying the tidelands to the City of San Diego be amended to declare that portion of said lands above the Bulkhead Line to have ceased to be tidelands and to be free from all trusts and restrictions imposed by the said Act of 1911 and amendments thereto; PROVIDED, HOWEVER, that said filled lands shall never be

used for any purpose inconsistent with the use of the tidelands of San Diego Bay and the ingress and egress thereto; and provided further, that the City of San Diego, or its assigns, shall not at any time have the right to sell, convey, give or alien said lands except that the City may use, lease, rent or let, in parcels not to exceed 40 acres, to any one persons, firm or corporation, and for a term not exceeding 50 years, but said leases, rentals or letting may be renewed.

That said amendments to said Act of 1911 further modify the restrictions for the use of the tidelands below the bulkhead line so that the City may let, rent, lease or use any portion of said lands, for a period not to exceed 50 years, for any and all purposes which shall not interfere with the use of said lands for navigation, commerce and fisheries; PROVIDED, HOWEVER, that The City of San Diego shall at all times reserve the right, to, at any time such lease, rental, letting or use shall interfere with the use of said tidelands for any purpose for which said grant of May 1st, 1911, was made, cancel the same and reimburse the holder thereof in a manner to be agreed upon between the City and such lessee or other holder.

That the Senator and Assemblymen from this District, and each of them, are hereby respectfully requested to present to and support in the State Legislature of California the said amendments.

BE IT FURTHER RESOLVED, that the City Clerk of said City be, and he is hereby authorized and directed to send a certified copy of this Resolution to the Senator and Assemblymen herein referred to.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 31st day of December, 1928, by the following vote, to-wit:
