#### RESOLUTION NO. 50583 OF THE CITY COUNCIL, SAN DIEGO, RE: ROSE CANYON ROAD.

WHEREAS, several months ago, this Council proposed to the State Highway Department a cooperative improvement of the Rose Canyon Road, saving five miles of travel distance for all through travel from San Diego to the north, the basis of said cooperation being that the City would acquire a right of way 100 feet wide and grade a roadway 46 feet wide on alignment and grades to be approved by the State Highway Department, and the State to place a concrete pavement 30 feet wide; and

WHEREAS, the State has formally accepted and agreed to said proposition from this Council; and the State would be justified to do this construction work within the corporate limits of San Diego because the north boundary of San Diego City is approximately 23 miles north of the business center, and the territory from Mission Bay northerly through Rose Canyon is practically uninhabited and unused except for two brick yards, and could not stand any assessment for improving the Rose Canyon road under customary improvement district proceedings; and

WHEREAS, because of the consolidation of the City and County Assessors' Offices, the City of San Diego has a largely reduced income this year, and it is therefore difficult, if not impossible, to provide funds for grading this road this year; and

WHEREAS, a new assessment roll for the City is now being made, and ample funds will be available for said work after December 15, 1929; and

WHEREAS, it is very desirable that this saving in distance for through travel be made available as soon as possible by immediate improvement of the Rose Canyon Road;

NOW, THEREFORE, BE IT RESOLVED, that the State Highway Department be and hereby is requested to let a State contract for the grading and drainage structures of said Rose Canyon Road for and on behalf of and at the ultimate expense of the City of San Diego, and in consideration thereof the City of San Diego guarantees the repayment to the State Highway Department on or before December 15, 1929, of the actual cost of said grading work at the contract prices plus the actual engineering expense of the State in connection with said grading work, and with the further understanding that the paving of said Rose Canyon Road be undertaken by the State Highway Department at State expense as soon as practicable after said grading is completed; and it is understood and agreed that after said 30 ft. pavement has been completed by the State, the City of San Diego will again assume jurisdiction of said Rose Canyon Road, and thereafter maintain same up to the standards of maintenance on the State highway north of the City limits.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 1st day of July, 1929, by the following vote, to-wit:
