RESOLUTION OF INTENTION NO. 51910

32ND STREET, GRAPE STREET, AND HAWTHORN STREET

RESOLVED, that it is the intention of the Common Council of the City of San Diego, California, to order the following work to be done and improvement to be made in said City, to-wit:

That portions of 32ND STREET, in said City, between the northerly line of Grape Street and the southerly line of Hawthorn Street, be graded; and that cement concrete sidewalks and cement concrete curbs be constructed therein.

That cement concrete sidewalks and cement concrete curbs be constructed in portions of GRAPE STREET, in said City, between the northerly production of the westerly line of 32nd Street and the southerly production of the easterly line of Lot 7, Hawthorne Terrace,

That a cement concrete sidewalk be constructed in portions of HAWTHORN STREET, in said City, between the westerly line of 32nd Street and a line drawn parallel to and distant 40 feet easterly from the westerly line of 32nd Street.

All of the said work hereinbefore generally described shall be constructed in the manner, at the locations, within the limits, of the materials, and of the dimensions as shown upon and in accordance with the plans, profiles, drawings, typical cross-sections and specifications therefor contained in Document No. 248222, on file in the Office of the City Clerk of said City, and copies of which are on file in the Office of the City Engineer of said City, and by this reference thereto all said plans, profiles, drawings, typical cross-sections and specifications are made a part hereof.

The said Common Council hereby determines and declares that serial bonds shall be issued to represent each assessment of twenty-five dollars or more remaining unpaid after the full expiration of thirty days from the date of the warrant, to represent the expenses of said work and improvement. Said serial bonds shall extend over a period ending nine years from the second day of January next succeeding the fifteenth day of the next November following their date, and an even annual proportion of the principal sum thereof shall be payable by coupon on the second day of January every year after the fifteenth day of the next November following their date until the whole is paid. Said bonds shall bear interest at the rate of seven per cent. per annum, interest payable semi-annually by coupon, on all sums unpaid until the whole of said principal and interest are paid. Said bonds shall be issued and the principal and interest thereof shall be paid under and in pursuance of the Improvement Act of 1911, and amendments thereto.

That the contemplated work and improvement hereinbefore mentioned is in the opinion of said Common Council of more than local and ordinary public benefit, and the expenses of such work and improvement are made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to-wit: All that real property in the said City of San Diego included within the exterior boundary lines of said district, as shown upon that certain plat No. 1549, indicating the exterior boundary lines of such district, which plat, approved by the Common Council, is on file in the Office of the City Engineer of said City;

excepting therefrom all public streets, roads, alleys, avenues and highways. Reference is hereby made to said plat for a particular description of such district.

NOTICE IS HEREBY GIVEN, that on Monday, the 25th day of November, 1929, at 10:00 o'clock A.M., in the Council Chamber of the City Hall of said the City of San Diego, any and all persons having any objections to the proposed work or improvement, to the grade at which said work is to be done, or to the extent of the district to be assessed to pay the costs and expenses of said proposed work or improvement, may appear before said Common Council and show cause why said proposed improvement should not be carried out in accordance with this Resolution.

That the Clerk of said City be, and he is hereby directed to cause this Resolution of Intention to be published twice in the San Diego Sun, a daily newspaper published and circulated in said City, and hereby designated for that purpose by the Common Council.

That the Street Superintendent of said City shall, after the adoption of this Resolution of Intention, cause to be conspicuously posted along the line of said contemplated work or improvement, at not more than three hundred feet in distance apart, but not less than three in all, notices of the passage of this Resolution of Intention, and when the work to be done is only upon an entire crossing or intersection, or any part thereof, he shall cause such notices to be conspicuously posted in front of each quarter block or irregular block liable to be assessed, and when the work is chargeable upon a district, he shall cause such notices to be conspicuously posted upon all open Streets within such district at not more than three hundred feet in distance apart on each Street so posted; all in the time, form and manner required by law; and thereupon said Superintendent of Streets shall cause to be filed in the Office of the City Clerk of said City, an affidavit showing the posting of said notices of improvement.

The Common Council does not deem it advisable that the Clerk mail copies of the notice of improvement to owners or reputed owners, and he is not required to mail the same.

All of the herein proposed work shall be done in pursuance of an Act of the Legislature of the State of California, designated as the "Improvement Act of 1911", approved April 7, 1911, and amendments thereto.

#### RESOLUTION OF INTENTION NO. 51911 34TH STREET

RESOLVED, that it is the intention of the Common Council of the City of San Diego, California, to order the following work to be done and improvement to be made in said City, to-wit:

That portions of 34TH STREET, in said City, between the southerly line of El Cajon Avenue and the southerly line of Monroe Avenue, be graded, and the sub-grade prepared, and paved with a two-inch Warrenite Bitulithic wearing surface, laid upon a four-inch asphaltic base; and that cement concrete curbs, cement concrete sewer laterals and appurtenances, cast iron water main, connections, fittings and appurtenances, copper water service connections and appurtenances, cast iron fire hydrant, connections, fittings and appurtenances, and cement concrete tile drains and appurtenances, be constructed therein;

That the said work hereinbefore generally described on said 34TH STREET, in said City, between the northerly line of Meade Avenue and a line drawn parallel to and distant 220 feet northerly from the northerly line of Meade Avenue; and on said 34TH STREET, between the northerly line of El Cajon Avenue and a line drawn parallel to and distant 147 feet northerly from the northerly line of El Cajon Avenue; shall be done to the modified grades shown and indicated upon the plans, profiles and specifications hereinafter referred to, and to which reference is hereby made for the description of the grades at which the work is to be done.

Reference is hereby made to the Warrenite License Agreement of the Warren Brothers Company of Boston, Massachusetts, dated July 10, 1923, and on file in the Office of the City Clerk of the City of San Diego, under Document No. 152433.

All of the said work hereinbefore generally described shall be constructed in the manner, at the locations, within the limits, of the materials, and of the dimensions as shown upon and in accordance with the plans, profiles, drawings, typical cross-sections and specifications therefor contained in Document No. 248224, on file in the Office of the City Clerk of said City, and copies of which are on file in the Office of the City Engineer of said City, and by this reference thereto all said plans, profiles, drawings, typical cross-sections and specifications are made a part hereof.

The said Common Council hereby determines and declares that serial bonds shall be issued to represent each assessment of twenty-five dollars or more remaining unpaid after the full expiration of thirty days from the date of the warrant, to represent the expenses of said work and improvement. Said serial bonds shall extend over a period ending nine years from the second day of January next succeeding the fifteenth day of the next November following their date, and an even annual proportion of the principal sum thereof shall be payable by coupon on the second day of January every year after the fifteenth day of the next November following their date until the whole is paid. Said bonds shall bear interest at the rate of seven per cent. per annum, interest payable semi-annually by coupon, on all sums unpaid until the whole of said principal and interest are paid. Said bonds shall be issued and the principal and interest thereof shall be paid under and in pursuance of the Improvement Act of 1911, and amendments thereto.

That the contemplated work and improvement hereinbefore mentioned is in the opinion of said Common Council of more than local and ordinary public benefit, and the expenses of such work and improvement are made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to-wit: All that real property in the said City of San Diego included within the exterior boundary lines of said district, as shown upon that certain plat No. 1423, indicating the exterior boundary lines of such district, which plat, approved by the Common Council, is on file in the Office of the City Engineer of said City; excepting therefrom all public streets, roads, alleys, avenues and highways. Reference is hereby made to said plat for a particular description of such district.

NOTICE IS HEREBY GIVEN, that on Monday, the 25th day of November, 1929, at 10:00 o'clock A.M., in the Council Chamber of the City Hall of said the City of San Diego, any and all persons having any objections to the proposed work or improvement, to the grade at which said work is to be done, or to the extent of the district to be assessed to pay the costs and expenses of said proposed work or improvement, may appear before said Common Council and show cause why said proposed improvement should not be carried out in accordance with this Resolution.

That the Clerk of said City be, and he is hereby directed to cause this Resolution of Intention to be published twice in the San Diego Sun, a daily newspaper published and circulated in said City, and hereby designated for that purpose by the Common Council.

That the Street Superintendent of said City shall, after the adoption of this Resolution of Intention, cause to be conspicuously posted along the line of said contemplated work or improvement, at not more than three hundred feet in distance apart, but not less than three in all, notices of the passage of this Resolution of Intention, and when the work to be done is only upon an entire crossing or intersection, or any part thereof, he shall cause such notices to be conspicuously posted in front of each quarter block or irregular block liable to be assessed, and when the work is chargeable upon a district, he shall cause such notices to be conspicuously posted upon all open Streets within such district at not more than three hundred feet in distance apart on each Street so posted; all in the time, form and manner required by law; and thereupon said Superintendent of Streets shall cause to be filed in the Office of the City Clerk of said City, an affidavit showing the posting of said notices of improvement.

The Common Council does not deem it advisable that the Clerk mail copies of the notice of improvement to owners or reputed owners, and he is not required to mail the same.

All of the herein proposed work shall be done in pursuance of an Act of the Legislature of the State of California, designated as the "Improvement Act of 1911", approved April 7, 1911, and amendments thereto.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 28th day of October, 1929, by the following vote, to-wit:

#### RESOLUTION NO. 51946

WHEREAS, a majority of the City Employees are in favor of creating what is commonly known as a "Widow's and Orphan's Benefit Assn."; and

WHEREAS, as a result of general sentiment on the part of the employees a committee thereof has obtained large numbers of signatures of employees authorizing certain deductions of money from their wages to be put aside for a "Widow's and Orphan's Benefit Assn." fund; and

WHEREAS, the purpose of such society is to provide a fund to be used and given to an employee's dependents immediately upon death of the employee, for the purpose of defraying necessary incidental expense and reducing the burdens likely to fall on dependents at such times, NOW, THEREFORE,

BE IT RESOLVED, by the Common Council of the City of San Diego, as follows:

That the Manager of Operation, or such representative as he may designate, and the Treasurer of the City of San Diego, together with a representative from each department, be, and they are hereby authorized to create a "Widow's and Orphan's Benefit Assn." with appropriate by-laws and regulations covering the purpose thereof, said by-laws to be substantially as follows:

#### "CONSTITUTION AND BY-LAWS

Art.1. The name of this organization shall be the "Widow's and Orphan's Benefit Assn."

Art. 2. The object of this organization shall be for the mutual aid and protection of the families of City employees, and to provide a fund to be placed in the hands of the beneficiary within twenty-four hours after death of a member, at a time when funds are essential.

Art.3. The management of this fund shall be supervised by a Board of Directors consisting of City Treasurer, one representative from each department, and the members of each department shall have power to select their own delegate as vacancies occur.

Art.4. Membership is open to all City Employees, regardless of creed, color or nationality. No medical examination is required. There are no restrictions. Men on pension are ineligible, excepting those who have been a member of this system for a period of six months. New members are entitled to benefit on the payment of Two Dollars (\$2.00). Claims payable after November 1, 1929.

Art.5. Members off the payroll, for a period of 30 days including leave of absence, unless sick, disqualifies a claim, but should one be reinstated and no death having occurred in the meantime, he shall be entitled to full benefit, but if a death has occurred in the meantime he will not be entitled to benefit, and is required to take the same procedure as a new member.

Art.6. An assessment of One Dollar (\$1.00) against the employee's wages shall be the capital, and a second One Dollar (\$1.00) shall be deducted for the purpose of creating a reserve fund. Amounts payable equal to One Dollar (\$1.00) for each member of the previous month. When the fund is depleted the members shall be assessed until the treasury is replete, but at no time shall a member be assessed more than One Dollar (\$1.00) for a death.

Art.7. The Treasurer of this Assn. shall be the Treasurer of the City of San Diego, all other officers to be elected by the members.

Art.8. When the death of a member is reported, it shall be the duty of the Board to verify the report. The Secretary shall ascertain if a member is in good standing;

Chairman, Secretary and Treasurer shall affix their names to check and deliver same to beneficiary or estate, taking receipt for same.

By-Law 1. The Treasurer shall keep a list of members and deduct assessment from pay, and serve without compensation.

By-Law 2. The Secretary shall keep a duplicate list and turn in new members to Treasurer, see that beneficiary is entitled to claim and serve without compensation.

By-Law 3. Five members of the Board shall constitute a quorum, and a majority vote of the Board shall be necessary to carry any question unless otherwise specified in the Constitution."

R E S O L U T I O N NO. 51951

BE IT RESOLVED by the Common Council of the City of San Diego, as follows:

That, Whereas, it has been proposed to construct a great motor highway along the Pacific Coast from Alaska to Buenos Aires, Argentine, traversing the territory of and connecting the nations of the Western Hemisphere, and

Whereas, the highways of the United States of America have fully demonstrated their influence in promoting national unity, better understanding among the peoples of the several states and in promoting the social and economic welfare of the nation as a whole, and

Whereas, we believe that the construction of the proposed great International Pacific Highway will materially strengthen the bonds of friendly understanding and social and economic intercourse between the nations of North, Central and South America,

We hereby endorse the proposed highway and urge upon our state and federal authorities the immediate completion of all sections of this great highway within the territory of the United States of America, and

That we urge the Federal Government, through the United States Bureau of Public Roads, the Western Motor Clubs and civic organizations, to extend to our sister nations, north and south, a full measure of cooperation to the end that the proposed great International Pacific Highway may early become a reality.

RESOLUTION OF INTENTION NO. 51991  
ELM STREET, 31ST STREET AND 32ND STREET

RESOLVED, that it is the intention of the Common Council of the City of San Diego, California, to order the following work to be done and improvement to be made in said City, to-wit:

That portions of ELM STREET, in said City, between the easterly line of 30th Street and the westerly line of Bancroft Street, be graded, and the sub-grade prepared, and paved with a Portland cement concrete pavement; and that cement concrete curbs; cement concrete sidewalks; cement concrete manholes, connections, fittings and appurtenances; cast iron water main, connections, fittings and appurtenances; copper water service connections and appurtenances; and cast iron gate valves, valve boxes and covers; be constructed therein;

That the said work hereinbefore generally described on said ELM STREET, in said City, between the easterly line of Fern Street and the westerly line of Bancroft Street, shall be done to the modified grades shown and indicated upon the plans, profiles and specifications hereinafter referred to, and to which reference is hereby made for the description of the grades at which the work is to be done.

That a cast iron water main, connections, fittings and appurtenances, and cast iron gate valve, valve box and cover, be constructed in portions of 31ST STREET, in said City, between the southwesterly line of Elm Street and the westerly production of the northerly line of Block 5, Cullen's Arlington Heights Addition.

That portions of 32ND STREET, in said City, between the southerly line of Elm Street and the easterly production of the southerly line of Lot 40, Block 6, Cullen's Arlington Heights Addition, be graded; and that cement concrete curbs, and cement concrete sidewalks be constructed therein:

All of the said work hereinbefore generally described shall be constructed in the manner, at the locations, within the limits, of the materials, and of the dimensions as shown upon and in accordance with the plans, profiles, drawings, typical cross-sections and specifications therefor contained in Document No. 248523, on file in the Office of the City Clerk of said City, and copies of which are on file in the Office of the City Engineer of said City, and by this reference thereto all said plans, profiles, drawings, typical cross-sections and specifications are made a part hereof.

The said Common Council hereby determines and declares that serial bonds shall be issued to represent each assessment of twenty-five dollars or more remaining unpaid after the full expiration of thirty days from the date of the warrant, to represent the expenses of said work and improvement. Said serial bonds shall extend over a period ending nine years from the second day of January next succeeding the fifteenth day of the next November following their date, and an even annual proportion of the principal sum thereof shall be payable by coupon on the second day of January every year after the fifteenth day of the next November following their date until the whole is paid. Said bonds shall bear interest at the rate of seven per cent. per annum, interest payable semi-annually by coupon, on all sums unpaid until the whole of said principal and interest are paid. Said bonds shall be issued and the principal and interest thereof shall be paid under and in pursuance of the Improvement Act of 1911, and amendments thereto.

That the contemplated work and improvement hereinbefore mentioned is in the opinion of said Common Council of more than local and ordinary public benefit, and the expenses of such work and improvement are made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to-wit: All that real property in the said City of San Diego included within the exterior boundary lines of said district, as shown upon that certain plat No. 1562, indicating the exterior boundary lines of such district, which plat, approved by the Common Council, is on file in the Office of the City Engineer of said City; excepting therefrom all public streets, roads, alleys, avenues and highways. Reference is hereby made to said plat for a particular description of such district.

NOTICE IS HEREBY GIVEN, that on Monday, the 2nd day of December, 1929, at 10:00 o'clock A.M., in the Council Chamber of the City Hall of said the City of San Diego, any and all persons having any objections to the proposed work or improvement, to the grade at which said work is to be done, or to the extent of the district to be assessed to pay the costs and expenses of said proposed work or improvement, may appear before said Common Council and show cause why said proposed improvement should not be carried out in accordance with this Resolution.

That the Clerk of said City be, and he is hereby directed to cause this Resolution of Intention to be published twice in the San Diego Sun, a daily newspaper published and circulated in said City, and hereby designated for that purpose by the Common Council.

That the Street Superintendent of said City shall, after the adoption of this Resolution of Intention, cause to be conspicuously posted along the line of said contemplated work or improvement, at not more than three hundred feet in distance apart, but not less than three in all, notices of the passage of this Resolution of Intention, and when the work to be done is only upon an entire crossing or intersection, or any part thereof, he shall cause such notices to be conspicuously posted in front of each quarter block or irregular block liable to be assessed, and when the work is chargeable upon a district, he shall cause such notices to be conspicuously posted upon all open Streets within such district at not more than three hundred feet in distance apart on each Street so posted; all in the time, form and manner required by law; and thereupon said Superintendent of Streets shall cause to be filed in the Office of the City Clerk of said City, an affidavit showing the posting of said notices of improvement.

The Common Council does not deem it advisable that the Clerk mail copies of the notice of improvement to owners or reputed owners, and he is not required to mail the same.

All of the herein proposed work shall be done in pursuance of an Act of the Legislature of the State of California, designated as the "Improvement Act of 1911", approved April 7, 1911, and amendments thereto.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 4th day of November, 1929, by the following vote, to-wit:

RESOLUTION OF INTENTION NO. 51992  
33RD STREET AND KALMIA STREET

RESOLVED, that it is the intention of the Common Council of the City of San Diego, California, to order the following work to be done and improvement to be made in said City, to-wit:

That portions of 33RD STREET, in said City, between the southerly line of Juniper Street and a line drawn parallel to and distant 150.5 feet northerly from the northerly line of Kalmia Street, be graded, and the sub-grade prepared, and paved with a two-inch asphalt wearing surface, laid upon a four-inch asphaltic base; and that cement concrete curbs; cement concrete sidewalks, cement concrete sewer laterals and appurtenances; cement concrete sewer main, connections, fittings and appurtenances; cement concrete manholes, connections, fittings and appurtenances; cast iron water main, connections, fittings and appurtenances; copper water service connections and appurtenances; cast iron gate valve, valve box and cover; cast iron fire hydrant, with steel clamp and shackle anchor, connections, fittings and appurtenances; cement concrete curb inlet and appurtenances; galvanized corrugated iron pipe culvert, connections, fittings and appurtenances; cement concrete piers and appurtenances; wire link highway guard fence and appurtenances; cast iron sewer main, connections, fittings and appurtenances; and reinforced cement concrete curbs; be constructed therein;

That the said work hereinbefore generally described on said 33RD STREET, in said City, between the southerly line of Juniper Street and a line drawn parallel to and distant 150.5 feet northerly from the northerly line of Kalmia Street, shall be done to the modified grades shown and indicated upon the plans, profiles and specifications hereinafter referred to, and to which reference is hereby made for the description of the grades at which the work is to be done.

That portions of KALMIA STREET, in said City, between the westerly line of 33rd Street and the southerly production of the easterly line of Bancroft Street, be graded, and the sub-grade prepared, and paved with a two-inch asphalt wearing surface, laid upon a four-inch asphaltic base; and that cement concrete curbs and cement concrete sidewalks be constructed therein;

That the said work hereinbefore generally described on said KALMIA STREET, in said City, between the southerly production of the easterly line of Bancroft Street and a line drawn parallel to and distant 10 feet easterly from the southerly production of the easterly line of Bancroft Street, shall be done to the modified grades shown and indicated upon the plans, profiles and specifications hereinafter referred to, and to which reference is hereby made for the description of the grades at which the work is to be done.

That a cement concrete sewer main, connections, fittings and appurtenances, and galvanized corrugated iron pipe culvert, connections, fittings and appurtenances, be constructed in portions of KALMIA STREET, in said City, between the easterly line of 33rd Street and the northerly production of the easterly line of Lot 6, Block 39, Eastern Addition.

All of the said work hereinbefore generally described shall be constructed in the manner, at the locations, within the limits, of the materials, and of the dimensions as shown upon and in accordance with the plans, profiles, drawings, typical cross-sections and specifications therefor contained in Document No. 248517, on file in the Office of the City Clerk of said City, and copies of which are on file in the Office of the City Engineer of said City, and by this reference thereto all said plans, profiles, drawings, typical cross-sections and specifications are made a part hereof.

The said Common Council hereby determines and declares that serial bonds shall be issued to represent each assessment of twenty-five dollars or more remaining unpaid after the full expiration of thirty days from the date of the warrant, to represent the expenses of said work and improvement. Said serial bonds shall extend over a period ending nine years from the second day of January next succeeding the fifteenth day of the next November following their date, and an even annual proportion of the principal sum thereof shall be payable by coupon on the second day of January every year after the fifteenth day of the next November following their date until the whole is paid. Said bonds shall be issued and the principal and interest thereof shall be paid under and in pursuance of the Improvement Act of 1911, and amendments thereto.

That the contemplated work and improvement hereinbefore mentioned is in the opinion of said Common Council of more than local and ordinary public benefit, and the expenses of such work and improvement are made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to-wit: All that real property in the said City of San Diego included within the exterior boundary lines of said district, as shown upon that certain plat No. 1561, indicating the exterior boundary lines of such district, which plat, approved by the Common Council, is on file in the Office of the City Engineer of said City; excepting therefrom all public streets, roads, alleys, avenues and highways. Reference is hereby made to said plat for a particular description of such district.

NOTICE IS HEREBY GIVEN, that on Monday, the 2nd day of December, 1929, at 10:00 o'clock A.M., in the Council Chamber of the City Hall of said the City of San Diego, any and all persons having any objections to the proposed work or improvement, to the grade at which said work is to be done, or to the extent of the district to be assessed to pay the costs and expenses of said proposed work or improvement, may appear before said Common Council and show cause why said proposed improvement should not be carried out in accordance with this Resolution.

That the Clerk of said City be, and he is hereby directed to cause this Resolution of Intention to be published twice in the San Diego Sun, a daily newspaper published and circulated in said City, and hereby designated for that purpose by the Common Council.

That the Street Superintendent of said City shall, after the adoption of this Resolution of Intention, cause to be conspicuously posted along the line of said contemplated work or improvement, at not more than three hundred feet in distance apart, but not less than three in all, notices of the passage of this Resolution of Intention, and when the work to be done is only upon an entire crossing or intersection, or any part thereof, he shall cause such notices to be conspicuously posted in front of each quarter block or irregular block liable to be assessed, and when the work is chargeable upon a district, he shall cause such notices to be conspicuously posted upon all open Streets within such district at not more than three hundred feet in distance apart on each Street so posted; all in the time, form and manner required by law; and thereupon said Superintendent of Streets shall cause to be filed in the Office of the City Clerk of said City, an affidavit showing the posting of said notices of improvement.

The Common Council does not deem it advisable that the Clerk mail copies of the notice of improvement to owners or reputed owners, and he is not required to mail the same.

All of the herein proposed work shall be done in pursuance of an Act of the Legislature of the State of California, designated as the "Improvement Act of 1911", approved April 7, 1911, and amendments thereto.

Together with the maintenance of the posts, wires, conduits and lamps in the said Streets, within the limits above mentioned. Such furnishing of electric current and such maintenance of appliances shall be for a period of eight months and three days from and after October 25, 1929, to-wit, to and including June 27, 1930.

Said work of improvement shall be done in all respects according to, at the places shown by, and of the materials provided for, in the plans and specifications therefor to be hereafter prepared by the City Engineer of said City, and furnished to this Common Council, as hereinafter set forth.

That the exterior boundaries of the district in said City of San Diego to be benefited by said improvement, and to be assessed to pay the costs and expenses thereof, and to be known as the assessment district, are hereby specified as follows, to-wit:

Beginning at the most northerly corner of Plumosa Park; thence southeasterly along the northeasterly line of Plumosa Park to a point distant 20 feet southeasterly from the southerly line of Wisteria Drive; thence southerly along the easterly line of Lot 16, Block B, Plumosa Park, to the northerly line of Wing Street; thence westerly along the northerly line of Wing Street to the southwesterly corner of Lot 2, Block B, Plumosa Park; thence northerly along the westerly line of said Lot 2 to the northwesterly corner thereof; thence westerly in a direct line to the intersection of the southwesterly line of Plumosa Drive with the westerly line of Hyacinth Drive; thence northwesterly, westerly, southerly and southeasterly along the southwesterly, southerly, easterly and northeasterly lines of Plumosa Drive to an intersection with the northeasterly prolongation of the southeasterly line of Lot 44, Block M, Plumosa Park; thence southwesterly along the southeasterly line of said Lot 44 and its northeasterly prolongation to the most southerly corner of said Lot 44; thence westerly in a direct line to the most easterly corner of Lot 8, Block M, Plumosa Park; thence southwesterly along the southeasterly line of said Lot 8 to the most southerly corner thereof; thence southeasterly along the northeasterly line of Elliott Street to the northwesterly line of Chatsworth Boulevard; thence southwesterly along the northwesterly line of Chatsworth Boulevard to the most southerly corner of Lot 76, Point Loma Villas; thence northwesterly along the southwesterly line of said Lot 76 to the most westerly corner thereof; thence southwesterly along the southeasterly line of Lot 75, Point Loma Villas, to the most southerly corner thereof; thence northwesterly along the southwesterly lines of Lots 67 to 75 inclusive, Point Loma Villas, to the southwesterly corner of said Lot 67; thence northwesterly in a direct line to the most southerly corner of Lot D, Point Loma Villas; thence northwesterly along the southwesterly lines of Lot D, Point Loma Villas, and of Block J, Plumosa Park, and along the northwesterly prolongation of the southwesterly line of said Block J to the northwesterly line of Plumosa Park; thence northeasterly along the northwesterly line of Plumosa Park to the point or place of beginning; excepting therefrom all public Streets, roads, alleys, avenues and highways.

Said Common Council does hereby order that the entire amount of the costs and expenses of said improvement shall be assessed upon the district above described.

That the proposed improvement is hereby referred to the City Engineer of said City, and said City Engineer is hereby directed to make and file, with the Clerk of said Common Council, a report, in writing, presenting the following:

1. Plans and specifications for the work required in order to make said improvements;
2. An estimate of the cost of said improvement and of the incidental expenses in connection therewith;
3. A diagram showing the district referred to, and also the boundaries and dimensions of the respective subdivisions of the land within said district, each of which subdivisions shall be given a separate number in red ink upon said diagram.
4. A proposed assessment of the total amount of the costs and expenses of the proposed improvement upon the several subdivisions of land in said district in proportion to the estimated benefits to be received by such subdivisions, respectively, from said improvement. Said assessment shall refer to such subdivisions upon said diagram by the respective red ink numbers thereof, and shall show the names of the owners, if known, otherwise designating them as unknown. No mistake in the name of the owner of any parcel of land shall affect the validity of the assessment thereon.

BE IT FURTHER RESOLVED, that this Common Council by virtue of authority vested in it by provisions of Chapter 620 of the Statutes of the State of California, approved June 4, 1915, (Statutes 1915, page 1171; Act 6427, General Laws of California) and acts amendatory thereof and supplemental thereto, does hereby determine to exercise the right, to the exclusion of all other bidders, to acquire in the name of the City of San Diego, California, at the sale for any delinquency arising from the non-payment of any assessment which shall be made and levied in these proceedings, any lien which shall accrue, or any property which is required to be sold, under the said law appertaining to said proceedings, for the non-payment of any such assessment or any delinquency incurred by the non-payment thereof.

That the Auditor and Controller of the City of San Diego, California, be, and he is hereby designated for the purpose, and is hereby directed to attend at any sale of property to be made for any delinquency of any assessment to be made and levied in this proceeding and at such sale he is hereby empowered to bid in and acquire, in the name of the City of San Diego, California, to the exclusion of other bidders, all liens and delinquent property at such delinquent sales.

This proceeding shall be designated as "Plumosa Park Lighting District No. 1".

Passed and adopted by the said Common Council of the said City of San Diego, California, this 4th day of November, 1929, by the following vote, to-wit:

RESOLVED, that it is the intention of the Common Council of the City of San Diego, California, to order the following work to be done and improvement to be made in said City, to-wit:

That portions of IVY STREET, in said City, between the westerly line of Kettner Boulevard and a line drawn parallel to and distant 24 feet easterly from the easterly line of California Street, be graded, and the sub-grade prepared, and paved with a two-inch asphalt wearing surface, laid upon a four-inch asphaltic base; and that cement concrete curbs, cement concrete sidewalks, cast iron water main, connections, fittings and appurtenances, copper water service connections and appurtenances, cement concrete curb outlets and appurtenances, cement concrete curtain walls and appurtenances, and wire link highway guard fence and appurtenances, be constructed therein;

That the said work hereinbefore generally described on said IVY STREET, in said City, between a line drawn parallel to and distant 25 feet easterly from the easterly line of California Street and the westerly line of Kettner Boulevard, shall be done to the modified grades shown and indicated upon the plans, profiles and specifications hereinafter referred to, and to which reference is hereby made for the description of the grades at which the work is to be done.

That portions of the existing pavement on KETTNER BOULEVARD, in said City, between the southerly line of Ivy Street and a line drawn parallel to and distant 82 feet northerly from the southerly line of Ivy Street, be surfaced with a two-inch asphalt wearing surface.

All of the said work hereinbefore generally described shall be constructed in the manner, at the locations, within the limits, of the materials, and of the dimensions as shown upon and in accordance with the plans, profiles, drawings, typical cross-sections and specifications therefor contained in Document No. 248744, on file in the Office of the City Clerk of said City, and copies of which are on file in the Office of the City Engineer of said City, and by this reference thereto all said plans, profiles, drawings, typical cross-sections and specifications are made a part hereof.

The said Common Council hereby determines and declares that serial bonds shall be issued to represent each assessment of twenty-five dollars or more remaining unpaid after the full expiration of thirty days from the date of the warrant, to represent the expenses of said work and improvement. Said serial bonds shall extend over a period ending nine years from the second day of January next succeeding the fifteenth day of the next November following their date, and an even annual proportion of the principal sum thereof shall be payable by coupon on the second day of January every year after the fifteenth day of the next November following their date until the whole is paid. Said bonds shall bear interest at the rate of seven per cent. per annum, interest payable semi-annually by coupon, on all sums unpaid until the whole of said principal and interest are paid. Said bonds shall be issued and the principal and interest thereof shall be paid under and in pursuance of the Improvement Act of 1911, and amendments thereto.

That the contemplated work and improvement hereinbefore mentioned is in the opinion of said Common Council of more than local and ordinary public benefit, and the expenses of such work and improvement are made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to-wit: All that real property in the said City of San Diego included within the exterior boundary lines of said district, as shown upon that certain Plat No. 1534, indicating the exterior boundary lines of such district, which plat, approved by the Common Council, is on file in the Office of the City Engineer of said City; excepting therefrom all public streets, roads, alleys, avenues and highways. Reference is hereby made to said plat for a particular description of such district.

NOTICE IS HEREBY GIVEN, that on Monday, the 9th day of December, 1929, at 10:00 o'clock A.M. in the Council Chamber of the City Hall of said the City of San Diego, any and all persons having any objections to the proposed work or improvement, to the grade at which said work is to be done, or to the extent of the district to be assessed to pay the costs and expenses of said proposed work or improvement, may appear before said Common Council and show cause why said proposed improvement should not be carried out in accordance with this Resolution.

That the Clerk of said City be, and he is hereby directed to cause this Resolution of Intention to be published twice in the San Diego Sun, a daily newspaper published and circulated in said City, and hereby designated for that purpose by the Common Council.

That the Street Superintendent of said City shall, after the adoption of this Resolution of Intention, cause to be conspicuously posted along the line of said contemplated work or improvement, at not more than three hundred feet in distance apart, but not less than three in all, notices of the passage of this Resolution of Intention, and when the work to be done is only upon an entire crossing or intersection, or any part thereof, he shall cause such notices to be conspicuously posted in front of each quarter block or irregular block liable to be assessed, and when the work is chargeable upon a district, he shall cause such notices to be conspicuously posted upon all open Streets within such district at not more

than three hundred feet in distance apart on each Street so posted; all in the time, form and manner required by law; and thereupon said Superintendent of Streets shall cause to be filed in the Office of the City Clerk of said City, an affidavit showing the posting of said notices of improvement.

The Common Council does not deem it advisable that the Clerk mail copies of the notice of improvement to owners or reputed owners, and he is not required to mail the same.

All of the herein proposed work shall be done in pursuance of an Act of the Legislature of the State of California, designated as the "Improvement Act of 1911", approved April 7, 1911, and amendments thereto.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 12th day of November, 1929, by the following vote, to-wit:

RESOLUTION OF INTENTION NO. 52083  
F STREET, 28TH STREET AND 29TH STREET.

RESOLVED, that it is the intention of the Common Council of the City of San Diego, California, to order the following work to be done and improvement to be made in said City, to-wit:

That portions of F STREET, in said City, between the easterly line of 28th Street and the westerly line of 30th Street, be graded and the sub-grade prepared and paved with a Portland cement concrete pavement, with broken stone wearing surface; and that cement concrete curbs; cement concrete sidewalks; cast iron water main, connections, fittings and appurtenances; copper water service connections and appurtenances; cast iron fire hydrant, with steel clamp and shackle anchor, connections, fittings and appurtenances; cement concrete curb inlet and appurtenances; cement concrete sewer laterals and appurtenances; cement concrete sewer main, connections, fittings and appurtenances; and cement concrete dead end and appurtenances; be constructed therein;

That the said work hereinbefore generally described on said F STREET, in said City, between the easterly line of 28th Street and a line drawn parallel to and distant 200 feet easterly from the easterly line of 28th Street; and on said F STREET, between a line drawn parallel to and distant 10 feet westerly from the westerly line of 29th Street and a line drawn parallel to and distant 50 feet easterly from the easterly line of 29th Street; shall be done to the modified grades shown and indicated upon the plans, profiles and specifications hereinafter referred to, and to which reference is hereby made for the description of the grades at which the work is to be done.

That a cement concrete manhole, connections, fittings and appurtenances, and cement concrete sewer main, connections, fittings and appurtenances, be constructed in portions of 28TH STREET, in said City, between the westerly production of the northerly and southerly lines of F Street.

That portions of 29TH STREET, in said City, between the southerly line of F Street and a line drawn parallel to and distant 5 feet southerly from the southerly line of F Street, be graded; and that a wire link highway guard fence be constructed therein.

All of the said work hereinbefore generally described shall be constructed in the manner, at the locations, within the limits, of the materials, and of the dimensions as shown upon and in accordance with the plans, profiles, drawings, typical cross-sections and specifications therefor contained in Document No. 248974, on file in the Office of the City Clerk of said City, and copies of which are on file in the Office of the City Engineer of said City, and by this reference thereto all said plans, profiles, drawings, typical cross-sections and specifications are made a part hereof.

The said Common Council hereby determines and declares that serial bonds shall be issued to represent each assessment of twenty-five dollars or more remaining unpaid after the full expiration of thirty days from the date of the warrant, to represent the expenses of said work and improvement. Said serial bonds shall extend over a period ending nine years from the second day of January next succeeding the fifteenth day of the next November following their date, and an even annual proportion of the principal sum thereof shall be payable by coupon on the second day of January every year after the fifteenth day of the next November following their date until the whole is paid. Said bonds shall bear interest at the rate of seven per cent. per annum, interest payable semi-annually by coupon on all sums unpaid until the whole of said principal and interest are paid. Said bonds shall be issued and the principal and interest thereof shall be paid under and in pursuance of the Improvement Act of 1911, and amendments thereto.

Reference is hereby made to said plat for a particular description of such district.

NOTICE IS HEREBY GIVEN, that on Monday, the 9th day of December, 1929, at 10:00 o'clock A.M. in the Council Chamber of the City Hall of said the City of San Diego, any and all persons having any objections to the proposed work or improvement, to the grade at which said work is to be done, or to the extent of the district to be assessed to pay the costs and expenses of said proposed work or improvement, may appear before said Common Council and show cause why said proposed improvement should not be carried out in accordance with this Resolution.

That the Clerk of said City be, and he is hereby directed to cause this Resolution of Intention to be published twice in the San Diego Sun, a daily newspaper published and circulated in said City, and hereby designated for that purpose by the Common Council.

That the Street Superintendent of said City shall, after the adoption of this Resolution of Intention, cause to be conspicuously posted along the line of said contemplated work or improvement, at not more than three hundred feet in distance apart, but not less than three in all, notices of the passage of this Resolution of Intention, and when the work

to be done is only upon an entire crossing or intersection, or any part thereof, he shall cause such notices to be conspicuously posted in front of each quarter block or irregular block liable to be assessed, and when the work is chargeable upon a district, he shall cause such notices to be conspicuously posted upon all open Streets within such district at not more than three hundred feet in distance apart on each Street so posted; all in the time, form and manner required by law; and thereupon said Superintendent of Streets shall cause to be filed in the Office of the City Clerk of said City, an affidavit showing the posting of said notices of improvement.

The Common Council does not deem it advisable that the Clerk mail copies of the notice of improvement to owners or reputed owners, and he is not required to mail the same.

All of the herein proposed work shall be done in pursuance of an Act of the Legislature of the State of California, designated as the "Improvement Act of 1911", approved April 7, 1911, and amendments thereto.

RESOLUTION OF INTENTION NO. 52129  
52ND STREET, UNIVERSITY AVENUE AND POLK AVENUE.

RESOLVED, that it is the intention of the Common Council of the City of San Diego, California, to order the following work to be done and improvement to be made in said City, to-wit:

That portions of 52ND STREET, in said City, between the northerly line of University Avenue and the westerly production of the northerly line of Orange Avenue, be graded; and that cement concrete curbs; cast iron water main, connections, fittings and appurtenances; cast iron gate valves, valve boxes and covers; cast iron fire hydrant, connections, fittings and appurtenances; cement concrete curb inlet and appurtenances; cement concrete culverts, connections, fittings and appurtenances; cement concrete lug and appurtenances; and cement concrete storm drain cleanout and appurtenances; be constructed therein.

That cement concrete curbs be constructed in portions of UNIVERSITY AVENUE, in said City, between a line drawn parallel to and distant 10 feet westerly from the southerly production of the westerly line of 52nd Street and a line drawn parallel to and distant 10 feet easterly from the southerly production of the easterly line of 52nd Street.

That portions of POLK AVENUE, in said City, between the westerly line of 52nd Street and the southerly production of the easterly line of Block 25, Fairmount Addition to City Heights, be graded.

That a cement concrete culvert, connections, fittings and appurtenances, be constructed in, over and across a PUBLIC RIGHT OF WAY, in said City, over Lot 24, Lemon Villa.

That a cement concrete culvert, connections, fittings and appurtenances, be constructed in, over and across a PUBLIC RIGHT OF WAY, in said City, over Lot 6, Block E, Oak Park.

All of the said work hereinbefore generally described shall be constructed in the manner, at the locations, within the limits, of the materials, and of the dimensions as shown upon and in accordance with the plans, profiles, drawings, typical cross-sections and specifications therefor contained in Document No. 248761, on file in the Office of the City Clerk of said City, and copies of which are on file in the Office of the City Engineer of said City, and by this reference thereto all said plans, profiles, drawings, typical cross-sections and specifications are made a part hereof.

The said Common Council hereby determines and declares that serial bonds shall be issued to represent each assessment of twenty-five dollars or more remaining unpaid after the full expiration of thirty days from the date of the warrant, to represent the expenses of said work and improvement. Said serial bonds shall extend over a period ending nine years from the second day of January next succeeding the fifteenth day of the next November following their date, and an even annual proportion of the principal sum thereof shall be payable by coupon on the second day of January every year after the fifteenth day of the next November following their date until the whole is paid. Said bonds shall bear interest at the rate of seven per cent. per annum, interest payable semi-annually by coupon, on all sums unpaid until the whole of said principal and interest are paid. Said bonds shall be issued and the principal and interest thereof shall be paid under and in pursuance of the Improvement Act of 1911, and amendments thereto.

That the contemplated work and improvement hereinbefore mentioned is in the opinion of said Common Council of more than local and ordinary public benefit, and the expenses of such work and improvement are made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to-wit: All that real property in the said City of San Diego included within the exterior boundary lines of said district, as shown upon that certain plat No. 1537, indicating the exterior boundary lines of such district, which plat, approved by the Common Council, is on file in the Office of the City Engineer of said City; excepting therefrom all public streets, roads, alleys, avenues and highways. Reference is hereby made to said plat for a particular description of such district.

NOTICE IS HEREBY GIVEN, that on Monday, the 16th day of December, 1929, at 10:00 o'clock A.M. in the Council Chamber of the City Hall of said the City of San Diego, any and all persons having any objections to the proposed work or improvement, to the grade at which said work is to be done, or to the extent of the district to be assessed to pay the costs and expenses of said proposed work or improvement, may appear before said Common Council and show cause why said proposed improvement should not be carried out in accordance with this Resolution.

That the Clerk of said City be, and he is hereby directed to cause this Resolution of Intention to be published twice in the San Diego Sun, a daily newspaper published and circulated in said City, and hereby designated for that purpose by the Common Council.

That the Street Superintendent of said City shall, after the adoption of this Resolution of Intention, cause to be conspicuously posted along the line of said contemplated work or improvement, at not more than three hundred feet in distance apart, but not less than three in all, notices of the passage of this Resolution of Intention, and when the work to be done is only upon an entire crossing or intersection, or any part thereof, he shall cause such notices to be conspicuously posted in front of each quarter block or irregular block liable to be assessed, and when the work is chargeable upon a district, he shall cause such notices to be conspicuously posted upon all open Streets within such district at not more than three hundred feet in distance apart on each Street so posted; all in the time, form and manner required by law; and thereupon said Superintendent of Streets shall cause to be filed in the Office of the City Clerk of said City, an affidavit showing the posting of said notices of improvement.

The Common Council does not deem it advisable that the Clerk mail copies of the notice of improvement to owners or reputed owners, and he is not required to mail the same.

All of the herein proposed work shall be done in pursuance of an Act of the Legislature of the State of California, designated as the "Improvement Act of 1911", approved April 7, 1911, and amendments thereto.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 18th day of November, 1929, by the following vote, to-wit:

## RESOLUTION OF INTENTION NO. 52130

## ALEXIA PLACE

RESOLVED, that it is the intention of the Common Council of the City of San Diego, California, to order the following work to be done and improvement to be made in said City, to-wit:

That portions of ALEXIA PLACE, in said City, between the easterly line of Mountain View Drive and the easterly production of the northerly line of Lot 40, Block C, Subdivision of Villa Lots 165 to 184 inclusive, Normal Heights, be graded, and the sub-grade prepared, and paved with a two-inch asphalt wearing surface, laid upon a four-inch asphaltic base; and that cement concrete curbs; cement concrete sidewalks; cement concrete sewer laterals and appurtenances; cement concrete sewer main, connections, fittings and appurtenances; cement concrete manholes, connections, fittings and appurtenances; cement concrete dead end and appurtenances; cast iron water main, connections, fittings and appurtenances; copper water service connections and appurtenances; and cast iron fire hydrants, connections, fittings and appurtenances; be constructed therein; ALSO, as a part of said work, the surfacing of the existing cement concrete gutters, within the above described limits, with a two-inch asphalt wearing surface.

That the said work hereinbefore generally described on said ALEXIA PLACE, in said City, between the easterly line of Mountain View Drive and the easterly production of the northerly line of Lot 40, Block C, Subdivision of Villa Lots 165 to 184 inclusive, Normal Heights, shall be done to the modified grades shown and indicated upon the plans, profiles and specifications hereinafter referred to, and to which reference is hereby made for the description of the grades at which the work is to be done.

All of the said work hereinbefore generally described shall be constructed in the manner, at the locations, within the limits, of the materials, and of the dimensions as shown upon and in accordance with the plans, profiles, drawings, typical cross-sections and specifications therefor contained in Document No. 249446, on file in the Office of the City Clerk of said City, and copies of which are on file in the Office of the City Engineer of said City, and by this reference thereto all said plans, profiles, drawings, typical cross-sections and specifications are made a part hereof.

The said Common Council hereby determines and declares that serial bonds shall be issued to represent each assessment of twenty-five dollars or more remaining unpaid after the full expiration of thirty days from the date of the warrant, to represent the expenses of said work and improvement. Said serial bonds shall extend over a period ending nine years from the second day of January next succeeding the fifteenth day of the next November following their date, and an even annual proportion of the principal sum thereof shall be payable by coupon on the second day of January every year after the fifteenth day of the next November following their date until the whole is paid. Said bonds shall bear interest at the rate of seven per cent. per annum, interest payable semi-annually by coupon, on all sums unpaid until the whole of said principal and interest are paid. Said bonds shall be issued and the principal and interest thereof shall be paid under and in pursuance of the Improvement Act of 1911, and amendments thereto.

That the contemplated work and improvement hereinbefore mentioned is in the opinion of said Common Council of more than local and ordinary public benefit, and the expenses of such work and improvement are made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to-wit: All that real property in the said City of San Diego included within the exterior boundary lines of such district, as shown upon that certain plat No. 1569, indicating the exterior boundary lines of such district, which plat, approved by the Common Council, is on file in the Office of the City Engineer of said City; excepting therefrom all public streets, roads, alleys, avenues and highways. Reference is hereby made to said plat for a particular description of such district.

NOTICE IS HEREBY GIVEN, that on Monday, the 16th day of December, 1929, at 10:00 o'clock A.M., in the Council Chamber of the City Hall of said the City of San Diego, any and all persons having any objections to the proposed work or improvement, to the grade at which said work is to be done, or to the extent of the district to be assessed to pay the costs and expenses of said proposed work or improvement, may appear before said Common Council and show cause why said proposed improvement should not be carried out in accordance with this Resolution.

That the Clerk of said City be, and he is hereby directed to cause this Resolution of Intention to be published twice in the San Diego Sun, a daily newspaper published and circulated in said City, and hereby designated for that purpose by the Common Council.

That the Street Superintendent of said City shall, after the adoption of this Resolution of Intention, cause to be conspicuously posted along the line of said contemplated work or improvement, at not more than three hundred feet in distance apart, but not less than three in all, notices of the passage of this Resolution of Intention, and when the work to be done is only upon an entire crossing or intersection, or any part thereof, he shall cause such notices to be conspicuously posted in front of each quarter block or irregular block liable to be assessed, and when the work is chargeable upon a district, he shall cause such notices to be conspicuously posted upon all open Streets within such district at not more than three hundred feet in distance apart on each Street so posted; all in the time, form and manner required by law; and thereupon said Superintendent of Streets shall cause to be filed in the Office of the City Clerk of said City, an affidavit showing the posting of said notices of improvement.

The Common Council does not deem it advisable that the Clerk mail copies of the notice of improvement to owners or reputed owners, and he is not required to mail the same.

All of the herein proposed work shall be done in pursuance of an Act of the Legislature of the State of California, designated as the "Improvement Act of 1911", approved April 7, 1911, and amendments thereto.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 18th day of November, 1929, by the following vote, to-wit:

That a cement concrete sewer main, connections, fittings and appurtenances, and galvanized corrugated iron pipe culvert, connections, fittings and appurtenances; be constructed in, over and across a PUBLIC RIGHT OF WAY, in said City, over Lot 4, Block Q, Montclair.

That a galvanized corrugated iron pipe culvert, connections, fittings and appurtenances, be constructed in, over and across a PUBLIC RIGHT OF WAY, in said City, over Lot 5, Block Q, Montclair.

All of the said work hereinbefore generally described shall be constructed in the manner, at the locations, within the limits, of the materials, and of the dimensions as shown upon and in accordance with the plans, profiles, drawings, typical cross-sections and specifications therefor contained in Document No. 249297, on file in the Office of the City Clerk of said City, and copies of which are on file in the Office of the City Engineer of said City, and by this reference thereto all said plans, profiles, drawings, typical cross-sections and specifications are made a part hereof.

The said Common Council hereby determines and declares that serial bonds shall be issued to represent each assessment of twenty-five dollars or more remaining unpaid after the full expiration of thirty days from the date of the warrant, to represent the expenses of said work and improvement. Said serial bonds shall extend over a period ending nine years from the second day of January next succeeding the fifteenth day of the next November following their date, and an even annual proportion of the principal sum thereof shall be payable by coupon on the second day of January every year after the fifteenth day of the next November following their date until the whole is paid. Said bonds shall bear interest at the rate of seven per cent. per annum, interest payable semi-annually by coupon, on all sums unpaid until the whole of said principal and interest are paid. Said bonds shall be issued and the principal and interest thereof shall be paid under and in pursuance of the Improvement Act of 1911, and amendments thereto.

That the Contemplated work and improvement hereinbefore mentioned is in the opinion of said Common Council of more than local and ordinary public benefit, and the expenses of such work and improvement are made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to-wit: All that real property in the said City of San Diego included within the exterior boundary lines of said district, as shown upon that certain plat No. 1543, indicating the exterior boundary lines of such district, which plat, approved by the Common Council, is on file in the Office of the City Engineer of said City; excepting therefrom all public streets, roads, alleys, avenues and highways. Reference is hereby made to said plat for a particular description of such district.

NOTICE IS HEREBY GIVEN, that on Monday, the 16th day of December, 1929, at 10:00 o'clock A.M., in the Council Chamber of the City Hall of said the City of San Diego, any and all persons having any objections to the proposed work or improvement, to the grade at which said work is to be done, or to the extent of the district to be assessed to pay the costs and expenses of said proposed work or improvement, may appear before said Common Council and show cause why said proposed improvement should not be carried out in accordance with this Resolution.

That the Clerk of said City be, and he is hereby directed to cause this Resolution of Intention to be published twice in the San Diego Sun, a daily newspaper published and circulated in said City, and hereby designated for that purpose by the Common Council.

That the Street Superintendent of said City shall, after the adoption of this Resolution of Intention, cause to be conspicuously posted along the line of said contemplated work or improvement, at not more than three hundred feet in distance apart, but not less than three in all, notices of the passage of this Resolution of Intention, and when the work to be done is only upon an entire crossing or intersection, or any part thereof, he shall cause such notices to be conspicuously posted in front of each quarter block or irregular block liable to be assessed, and when the work is chargeable upon a district, he shall cause such notices to be conspicuously posted upon all open Streets within such district at not more than three hundred feet in distance apart on each Street so posted; all in the time, form and manner required by law; and thereupon said Superintendent of Streets shall cause to be filed in the Office of the City Clerk of said City, an affidavit showing the posting of said notices of improvement.

The Common Council does not deem it advisable that the Clerk mail copies of the notice of improvement to owners or reputed owners, and he is not required to mail the same.

All of the herein proposed work shall be done in pursuance of an Act of the Legislature of the State of California, designated as the "Improvement Act of 1911", approved April 7, 1911; and amendments thereto.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 18th day of November, 1929, by the following vote, to-wit:

#### RESOLUTION OF INTENTION NO. 52134

##### A STREET LIGHTING DISTRICT NO. 2.

RESOLVED, that it is the intention of the Common Council of the City of San Diego, California, pursuant to Chapter 247 of the Statutes of the State of California, approved June 6, 1913 (Statutes of 1913, page 421; Act 5215, General Laws of California) to order the following work to be done and improvement to be made in said City, to-wit:

The furnishing of electric current for the lighting of the ornamental Street lights located on the following Streets, in the City of San Diego, California, to-wit:

A STREET, between Sixth Street and Eighth Street;

SEVENTH STREET, between B Street and Beech Street;

EIGHTH STREET, between B Street and Beech Street; and

The north side of ASH STREET, between Seventh Street and Eighth Street;

Together with the maintenance of the posts, wires, conduits and lamps on said Streets, within the limits above mentioned. Such furnishing of electric current and such maintenance of appliances shall be for a period of seven (7) months and 23 days from and after November 8, 1929, to-wit, to and including June 30, 1930.

Said work of improvement shall be done in all respects according to, at the places shown by, and of the materials provided for, in the plans and specifications therefor to be hereafter prepared by the City Engineer of said City, and furnished to this Common Council, as hereinafter set forth.

That the exterior boundaries of the district in said City of San Diego to be benefited by said improvement, and to be assessed to pay the costs and expenses thereof, and to be known as the assessment district, are hereby specified as follows, to-wit:

Beginning at a point on the east line of Sixth Street, distant 50 feet south of the south line of A Street; thence north along the east line of Sixth Street to a point distant 50 feet north of the north line of A Street; thence east along a line parallel to and distant 50 feet north of the north line of A Street to a point distant 100 feet west of the west line of Seventh Street; thence north along a line parallel to and distant 100 feet west of the west line of Seventh Street to the south line of Beech Street; thence east along the south line of Beech Street to a point distant 100 feet east of the east line of Eighth Street; thence south along a line parallel to and distant 100 feet east of the east line of Eighth Street to the north line of B Street; thence west along the north line of B Street to a point distant 100 feet west of the west line of Seventh Street; thence north along a line parallel to and distant 100 feet west of the west line of Seventh Street to a point distant 50 feet south of the south line of A Street; thence west along a line parallel to and dis-

tant 50 feet south of the south line of A Street to the point or place of beginning; excepting therefrom all public streets, roads, alleys, avenues and highways.

Said Common Council does hereby order that the entire amount of the costs and expenses of said improvement shall be assessed upon the district above described.

That the proposed improvement is hereby referred to the City Engineer of said City, and said City Engineer is hereby directed to make and file, with the Clerk of said Common Council, a report, in writing, presenting the following;

1. Plans and specifications for the work required in order to make said improvements;

2. An estimate of the cost of said improvement and of the incidental expenses in connection therewith;

3. A diagram showing the district referred to, and also the boundaries and dimensions of the respective subdivisions of the land within said district, each of which subdivisions shall be given a separate number in red ink upon said diagram.

4. A proposed assessment of the total amount of the costs and expenses of the proposed improvement upon the several subdivisions of land in said district in proportion to the estimated benefits to be received by such subdivisions, respectively, from said improvement. Said assessment shall refer to such subdivisions upon said diagram by the respective red ink numbers thereof, and shall show the names of the owners, if known, otherwise designating them as unknown. No mistake in the name of the owner of any parcel of land shall affect the validity of the assessment thereon.

BE IT FURTHER RESOLVED, that this Common Council by virtue of authority vested in it by provisions of Chapter 620 of the Statutes of the State of California, approved June 4, 1915, (Statutes 1915, page 1171; Act 6427, General Laws of California) and acts amendatory thereof and supplemental thereto, does hereby determine to exercise the right, to the exclusion of all other bidders, to acquire in the name of the City of San Diego, California, at the sale for any delinquency arising from the non-payment of any assessment which shall be made and levied in these proceedings, any lien which shall accrue, or any property which is required to be sold, under the said law appertaining to said proceedings, for the non-payment of any such assessment or any delinquency incurred by the non-payment thereof.

That the Auditor and Controller of the City of San Diego, California, be, and he is hereby designated for the purpose, and is hereby directed to attend at any sale of property to be made for any delinquency of any assessment to be made and levied in this proceeding and at such sale he is hereby empowered to bid in and acquire, in the name of the City of San Diego, California, to the exclusion of other bidders, all liens and delinquent property at such delinquent sales.

This proceeding shall be designated as A Street Lighting District No. 2.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 18th day of November, 1929, by the following vote, to-wit:

#### RESOLUTION OF INTENTION NO. 52301

##### NUTMEG STREET

RESOLVED, that it is the intention of the Common Council of the City of San Diego, California, to order the following work to be done and improvement to be made in said City, to-wit:

That portions of NUTMEG STREET, in said City, between the northerly production of the westerly line of Lot 6, Block 2, Park Addition, and the northerly production of the easterly line of Lot 11, Block 1, Park Addition, be graded, and the sub-grade prepared, and paved with a Portland cement concrete pavement; and that cement concrete curbs, cement concrete sidewalks, cast iron water main, connections, fittings and appurtenances, copper water service connections and appurtenances, wire link highway guard fence and appurtenances, cement concrete curb inlets and appurtenances, galvanized corrugated iron pipe culverts, connections, fittings and appurtenances, cement concrete sewer laterals and appurtenances, cement concrete sewer main, connections, fittings and appurtenances, and cement concrete dead end and appurtenances, be constructed therein;

That the said work hereinbefore generally described on said NUTMEG STREET, in said City, between a line drawn parallel to and distant 143 feet westerly from the southerly production of the westerly line of Dale Street and a line drawn parallel to and distant 10 feet easterly from the southerly production of the westerly line of Dale Street, shall be done to the modified grades shown and indicated upon the plans, profiles and specifications hereinafter referred to, and to which reference is hereby made for the description of the grades at which the work is to be done.

All of the said work hereinbefore generally described shall be constructed in the manner, at the locations, within the limits, of the materials, and of the dimensions as shown upon and in accordance with the plans, profiles, drawings, typical cross-sections and specifications therefor contained in Document No. 249716, on file in the Office of the City Clerk of said City, and copies of which are on file in the Office of the City Engineer of said City, and by this reference thereto all said plans, profiles, drawings, typical cross-sections and specifications are made a part hereof.

The said Common Council hereby determines and declares that serial bonds shall be issued to represent each assessment of twenty-five dollars or more remaining unpaid after the full expiration of thirty days from the date of the warrant, to represent the expenses of said work and improvement. Said serial bonds shall extend over a period ending nine years from the second day of January next succeeding the fifteenth day of the next November following their date, and an even annual proportion of the principal sum thereof shall be payable by coupon on the second day of January every year after the fifteenth day of the next November following their date until the whole is paid. Said bonds shall bear interest at the rate of seven per cent. per annum, interest payable semi-annually by coupon, on all sums unpaid until the whole of said principal and interest are paid. Said bonds shall be issued and the principal and interest thereof shall be paid under and in pursuance of the Improvement Act of 1911, and amendments thereto.

That the contemplated work and improvement hereinbefore mentioned is in the opinion of said Common Council of more than local and ordinary public benefit, and the expenses of such work and improvement are made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to-wit: All that real property in the said City of San Diego included within the exterior boundary lines of said district, as shown upon that certain plat No. 1570, indicating the exterior boundary lines of such district, which plat, approved by the Common Council, is on file in the Office of the City Engineer of said City; excepting therefrom all public streets, roads, alleys, avenues and highways. Reference is hereby made to said plat for a particular description of such district.

NOTICE IS HEREBY GIVEN, that on Monday, the 30th day of December, 1929, at 10:00 o'clock A.M. in the Council Chamber of the City Hall of said the City of San Diego, any and all persons having any objections to the proposed work or improvement, to the grade at which said work is to be done, or to the extent of the district to be assessed to pay the costs and expenses of said proposed work or improvement, may appear before said Common Council and show cause why said proposed improvement should not be carried out in accordance with this Resolution.

That the Clerk of said City be, and he is hereby directed to cause this Resolution of Intention to be published twice in the San Diego Sun, a daily newspaper published and circulated in said City, and hereby designated for that purpose by the Common Council.

That the Street Superintendent of said City shall, after the adoption of this Resolution of Intention, cause to be conspicuously posted along the line of said contemplated work or improvement, at not more than three hundred feet in distance apart, but not less than three in all, notices of the passage of this Resolution of Intention, and when the work to be done is only upon an entire crossing or intersection, or any part thereof, he shall cause such notices to be conspicuously posted in front of each quarter block or irregular block liable to be assessed, and when the work is chargeable upon a district, he shall cause such notices to be conspicuously posted upon all open Streets within such district at not more than three hundred feet in distance apart on each Street so posted; all in the time, form and manner required by law; and thereupon said Superintendent of Streets shall cause to be filed in the Office of the City Clerk of said City, an affidavit showing the posting of said notices of improvement.

The Common Council does not deem it advisable that the Clerk mail copies of the notice of improvement to owners or reputed owners, and he is not required to mail the same.

All of the herein proposed work shall be done in pursuance of an Act of the Legislature of the State of California, designated as the "Improvement Act of 1911", approved April 7, 1911, and amendments thereto.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 2nd day of December, 1929, by the following vote, to-wit:

Said district is described as follows, to-wit: All that real property in the said City of San Diego included within the exterior boundary lines of said district, as shown upon that certain plat No. 1568, indicating the exterior boundary lines of such district, which plat, approved by the Common Council, is on file in the Office of the City Engineer of said City; excepting therefrom all public streets, roads, alleys, avenues and highways. Reference is hereby made to said plat for a particular description of such district.

NOTICE IS HEREBY GIVEN, that on Monday, the 30th day of December, 1929, at 10:00 o'clock A.M. in the Council Chamber of the City Hall of said the City of San Diego, any and all persons having any objections to the proposed work or improvement, to the grade at which said work is to be done, or to the extent of the district to be assessed to pay the costs and expenses of said proposed work or improvement, may appear before said Common Council and show cause why said proposed improvement should not be carried out in accordance with this Resolution.

That the Clerk of said City be, and he is hereby directed to cause this Resolution of Intention to be published twice in the San Diego Sun, a daily newspaper published and circulated in said City, and hereby designated for that purpose by the Common Council.

That the Street Superintendent of said City shall, after the adoption of this Resolution of Intention, cause to be conspicuously posted along the line of said contemplated work or improvement, at not more than three hundred feet in distance apart, but not less than three in all, notices of the passage of this Resolution of Intention, and when the work to be done is only upon an entire crossing or intersection, or any part thereof, he shall cause such notices to be conspicuously posted in front of each quarter block or irregular block liable to be assessed, and when the work is chargeable upon a district, he shall cause such notices to be conspicuously posted upon all open Streets within such district at not more than three hundred feet in distance apart on each Street so posted; all in the time, form and manner required by law; and thereupon said Superintendent of Streets shall cause to be filed in the Office of the City Clerk of said City, an affidavit showing the posting of said notices of improvement.

The Common Council does not deem it advisable that the Clerk mail copies of the notice of improvement to owners or reputed owners, and he is not required to mail the same. All of the herein proposed work shall be done in pursuance of an Act of the Legislature of the State of California, designated as the "Improvement Act of 1911", approved April 7, 1911, and amendments thereto.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 2nd day of December, 1929, by the following vote, to-wit:

That a wire link guard fence, be constructed in a portion of THE ALLEY IN BLOCK 110, CITY HEIGHTS, adjacent to the northerly line of Thorn Street.

That all of the said work hereinbefore generally described shall be constructed in the manner, at the locations, within the limits, of the materials, and of the dimensions as shown upon and in accordance with the plans, profiles, drawings, typical cross-sections and specifications therefor contained in Document No. 250848, on file in the Office of the City Clerk of said City and copies of which are on file in the Office of the City Engineer of said City, and by this reference thereto all said plans, profiles, drawings, typical cross-sections and specifications are made a part hereof.

That all the said work and improvement hereinbefore generally described on said THORN STREET, TAMARACK STREET, NILE STREET, 43RD STREET, WABASH AVENUE, LEXINGTON AVENUE, MENLO AVENUE, VICTORIA AVENUE, FAIRMOUNT AVENUE, VANCOUVER AVENUE, PUBLIC PARK, PUBLIC EASEMENT ACROSS LOT 25, Block 7, Bungalow Park Addition, PUBLIC EASEMENT ACROSS LOTS 47 AND 48, BLOCK 10, BUNGALOW PARK ADDITION, QUINCE STREET, ALLEY IN BLOCKS 3 AND 4, CLIFTON ADDITION and ALLEY IN BLOCKS 13 and 110, CITY HEIGHTS, within the limits hereinabove specified shall be done and made to the grades shown upon the plans, profiles and specifications hereinbefore referred to and to which reference is hereby made for the description of the grades to which the work and improvement is to be done and made.

The said Common Council hereby determines and declares that serial bonds shall be issued to represent each assessment of twenty-five dollars or more remaining unpaid after the full expiration of thirty days from the date of the warrant, to represent the expenses of said work and improvement. Said serial bonds shall extend over a period ending nine years from the second day of January next succeeding the fifteenth day of the next November following their date, and an even annual proportion of the principal sum thereof shall be payable by coupon on the second day of January every year after the fifteenth day of the next November following their date until the whole is paid. Said bonds shall bear interest at the rate of seven per cent. (7%) per annum, interest payable semi-annually by coupon, on all sums unpaid until the whole of said principal and interest are paid. Said bonds shall be issued and the principal and interest thereof shall be paid under and in pursuance of the "Improvement Act of 1911," and amendments thereto.

That it is the opinion of the Common Council that said contemplated work and improvement produces a public benefit to the entire City of San Diego and to all the inhabitants thereof apart from the benefits to the district herein mentioned and described, and therefore said Common Council hereby declares its intention to order that FOUR HUNDRED EIGHTY-SEVEN DOLLARS AND FIFTY-FIVE CENTS (\$487.55) of the costs and expenses of the said contemplated work and improvement hereinbefore mentioned shall be paid out of Item-B-1259, Operating Department Fund of said City, and that the remaining portion of the costs and expenses of said contemplated work and improvement shall be made chargeable upon the district hereinafter specifically described.

That the contemplated work and improvement hereinbefore mentioned is in the opinion of said Common Council of more than local and ordinary public benefit, and all of the costs and expenses of such work and improvement, excepting the sum of FOUR HUNDRED EIGHTY-SEVEN DOLLARS AND FIFTY-FIVE CENTS (\$487.55) are made chargeable upon the district herein-after described, and said Common Council does hereby declare said district to be the district specially benefited by said work and improvement, and to be assessed to pay all of the costs and expenses thereof, excepting the said sum of FOUR HUNDRED EIGHTY-SEVEN DOLLARS AND FIFTY-FIVE CENTS (\$487.55). Said district is described as follows, to-wit: All that real property in the said City of San Diego included within the exterior boundary lines of said district, as shown upon that certain Plat No. 1578, indicating the exterior boundary lines of such district, which Plat, approved by the Common Council, is on file in the Office of the City Engineer of said City; excepting therefrom all public streets, roads, alleys, avenues and highways. Reference is hereby made to said Plat for a particular description of such district.

It is hereby determined and declared that any and all lots, pieces or parcels of land included within the assessment district hereinbefore described and belonging to the United States, or to the State of California, and any and all lots, pieces or parcels of land included within the said assessment district belonging to any County, City, Public Agent, Mandatory of the government, School Board, Education, Penal or Reform institution, or institution for the feeble minded or insane, and being in use in the performance of any public function shall be omitted from the Assessment to be made to cover the costs and expenses of the said work or improvement; and, that the total costs and expenses of all work done under and in pursuance of this Resolution of Intention, excepting the said sum of FOUR HUNDRED EIGHTY-SEVEN DOLLARS AND FIFTY-FIVE CENTS (\$487.55) hereinabove mentioned shall be assessed on the remaining lots, pieces or parcels of land lying within the limits of the said assessment district without regard to said omitted pieces or parcels of land.

NOTICE IS HEREBY GIVEN, that on Monday, the 30th day of December, 1929, at 10:00 o'clock A.M. in the Council Chamber of the City Hall of said the City of San Diego, any and all persons having any objections to the proposed work or improvement, to the grades at which said work is to be done, or to the extent of the district to be assessed to pay the costs and expenses of said proposed work or improvement, may appear before said Common Council and show cause why said proposed improvement should not be carried out in accordance with this Resolution.

That the Clerk of said City, be, and he is hereby directed to cause this Resolution of Intention to be published twice in "THE SAN DIEGO SUN," a daily newspaper published and circulated in said City, and hereby designated for that purpose by the Common Council.

That the Street Superintendent of said City shall, after the adoption of this Resolution of Intention, cause to be conspicuously posted along the line of said contemplated work or improvement, at not more than three hundred feet in distance apart, but not less than three in all, notices of the passage of this Resolution of Intention, and when the work to be done is only upon an entire crossing or intersection, or any part thereof, he shall cause such notices to be conspicuously posted in front of each quarter block or irregular block liable to be assessed, and when the work is chargeable upon a district, he shall cause such notices to be conspicuously posted upon all open Streets within such district at not more than three hundred feet in distance apart on each Street so posted; all in the time, form and manner required by law; and thereupon said Superintendent of Streets shall cause to be filed in the Office of the City Clerk of said City an affidavit showing the posting of said notice of improvement.

The Common Council does not deem it advisable that the Clerk mail copies of the Notice of Improvement to owners or reputed owners, and he is not required to mail the same.

All of the herein proposed work shall be done in pursuance of an Act of the Legislature of the State of California, designated as the "Improvement Act of 1911," approved April 7, 1911, and amendments thereto.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 2nd day of December, 1929, by the following vote, to-wit:

#### RESOLUTION OF INTENTION NO. 52305

#### LA PLAYA LIGHTING DISTRICT NO.1

RESOLVED, that it is the intention of the Common Council of the City of San Diego, California, pursuant to Chapter 247 of the Statutes of the State of California, approved June 6, 1913 (Statutes of 1913, page 421; Act 5215, General Laws of California) to order the following work to be done and improvement to be made in said City, to-wit:

The furnishing of electric current for the lighting of the ornamental Street lights located on the following Streets, in the City of San Diego, California, to-wit:

The westerly side of SANGORGONIO STREET, between the westerly prolongation of the southerly line of Block 127, La Playa, and the westerly prolongation of the northerly line of Block 150, La Playa;

LA CRESCENTIA DRIVE, for its entire length;

SAN REMO WAY, for its entire length;

Together with the maintenance of the standards, wires, conduits and lamps on said Streets, within the limits above mentioned. Such furnishing of electric current and such maintenance of appliances shall be for a period of one year from and after November 25, 1929, to-wit, to and including November 24, 1930.

Said work of improvement shall be done in all respects according to, at the places shown by, and of the materials provided for, in the plans and specifications therefor to be hereafter prepared by the City Engineer of said City, and furnished to this Common Council, as hereinafter set forth.

That the exterior boundaries of the district in said City of San Diego to be benefited by said improvement, and to be assessed to pay the costs and expenses thereof, and to be known as the assessment district, are hereby specified as follows, to-wit:

Beginning at the southwesterly corner of Lot 21, La Playa Highlands; thence northerly along the westerly line of La Playa Highlands to an intersection with the northwesterly prolongation of the northeasterly line of Lot 18, La Playa Highlands; thence southeasterly in a direct line to the most westerly corner of Lot 17, La Playa Highlands; thence northeasterly along the northwesterly lines of Lots 17, 16 and 3, La Playa Highlands, to the northwesterly corner of said Lot 3; thence northerly along the westerly lines of Lots 2 and 1, La Playa Highlands, to the northwesterly corner of said Lot 1; thence easterly along the northerly line of said Lot 1 to a point distant 100 feet westerly from the westerly line of San Gorgonio Street; thence northerly along a line parallel to and distant 100 feet westerly from the westerly line of San Gorgonio Street a distance of 79.1 feet to a point; thence easterly in a direct line to the northeasterly corner of Lot 2, Block 150, La Playa; thence southerly along a line parallel to and distant 150 feet easterly from the easterly line of San Gorgonio Street to a point distant 75 feet southerly from the northeasterly corner of Lot 1, Block 127, La Playa; thence westerly along a line parallel to and distant 75 feet southerly from the northerly line of said Lot 1 and its westerly prolongation to a point distant 100 feet westerly from the westerly line of San Gorgonio Street; thence northerly along a line parallel to and distant 100 feet westerly from the westerly line of San Gorgonio Street to the southerly line of Lot 23, La Playa Highlands; thence westerly along the southerly line of La Playa Highlands to the point or place of beginning; excepting therefrom all public streets, roads, alleys, avenues and highways.

Said Common Council does hereby order that the entire amount of the costs and expenses of said improvement shall be assessed upon the district above described.

That the proposed improvement is hereby referred to the City Engineer of said City, and said City Engineer is hereby directed to make and file, with the Clerk of said Common Council, a report, in writing, presenting the following:

1. Plans and specifications for the work required in order to make said improvements;
2. An estimate of the cost of said improvement and of the incidental expenses in connection therewith;

3. A diagram showing the district referred to, and also the boundaries and dimensions of the respective subdivisions of the land within said district, each of which subdivisions shall be given a separate number in red ink upon said diagram.

4. A proposed assessment of the total amount of the costs and expenses of the proposed improvement upon the several subdivisions of land in said district in proportion to the estimated benefits to be received by such subdivisions, respectively, from said improvement. Said Assessment shall refer to such subdivisions upon said diagram by the respective red ink numbers thereof, and shall show the names of the owners, if known, otherwise designating them as unknown. No mistake in the name of the owner of any parcel of land shall affect the validity of the assessment thereon.

BE IT FURTHER RESOLVED, that this Common Council by virtue of authority vested in it by provisions of Chapter 620 of the Statutes of the State of California, approved June 4, 1915, (Statutes 1915, page 1171; Act 6427, General Laws of California) and acts amendatory thereof and supplemental thereto, does hereby determine to exercise the right, to the exclusion of all other bidders, to acquire in the name of the City of San Diego, California, at the sale for any delinquency arising from the non-payment of any assessment which shall be made and levied in these proceedings, any lien which shall accrue, or any property which is required to be sold, under the said law appertaining to said proceedings, for the non-payment of any such assessment of any delinquency incurred by the non-payment thereof.

That the Auditor and Controller of the City of San Diego, California, be, and he is hereby designated for the purpose, and is hereby directed to attend at any sale of property to be made for any delinquency of any assessment to be made and levied in this proceeding and at such sale he is hereby empowered to bid in and acquire, in the name of the City of San Diego, California, to the exclusion of other bidders, all liens and delinquent property at such delinquent sales.

This proceeding shall be designated as "La Playa Lighting District No. 1".

Passed and adopted by the said Common Council of the said City of San Diego, California, this 2nd day of December, 1929, by the following vote, to-wit:

RESOLUTION OF INTENTION NO. 52357  
 WAWONA DRIVE

RESOLVED, that it is the intention of the Common Council of the City of San Diego, California, to order the following work to be done and improvement to be made in said City, to-wit:

That portions of WAWONA DRIVE, in said City, between the easterly line of La Cresta Drive and the southeasterly line of Chatsworth Boulevard, be graded, and the sub-grade prepared, and paved with a two-inch asphalt wearing surface, laid upon a four-inch asphaltic base, and that cement concrete curbs, cement concrete sewer laterals and appurtenances, and copper water service connections and appurtenances, be constructed therein.

All of the said work hereinbefore generally described shall be constructed in the manner, at the locations, within the limits, of the materials, and of the dimensions as shown upon and in accordance with the plans, profiles, drawings, typical cross-sections and specifications therefor contained in Document No. 245292, on file in the Office of the City Clerk of said City, and copies of which are on file in the Office of the City Engineer of said City, and by this reference thereto all said plans, profiles, drawings, typical cross-sections and specifications are made a part hereof.

The said Common Council hereby determines and declares that serial bonds shall be issued to represent each assessment of twenty-five dollars or more remaining unpaid after the full expiration of thirty days from the date of the warrant, to represent the expenses of said work and improvement. Said serial bonds shall extend over a period ending nine years from the second day of January next succeeding the fifteenth day of the next November following their date, and an even annual proportion of the principal sum thereof shall be payable by coupon on the second day of January every year after the fifteenth day of the next November following their date until the whole is paid. Said bonds shall bear interest at the rate of seven per cent. per annum, interest payable semi-annually by coupon, on all sums unpaid until the whole of said principal and interest are paid. Said bonds shall be issued and the principal and interest thereof shall be paid under and in pursuance of the Improvement Act of 1911, and amendments thereto.

That the contemplated work and improvement hereinbefore mentioned is in the opinion of said Common Council of more than local and ordinary public benefit, and the expenses of such work and improvement are made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to-wit: All that real property in the said City of San Diego included within the exterior boundary lines of said district, as shown upon that certain plat No. 1411, indicating the exterior boundary lines of such district, which plat, approved by the Common Council, is on file in the Office of the City Engineer of said City; excepting therefrom all public streets, roads, alleys, avenues and highways. Reference is hereby made to said plat for a particular description of such district.

NOTICE IS HEREBY GIVEN, that on Monday, the 6th day of January, 1930, at 10:00 o'clock A.M., in the Council Chamber of the City Hall of said The City of San Diego, any and all persons having any objections to the proposed work or improvement, to the grade at which said work is to be done, or to the extent of the district to be assessed to pay the costs and expenses of said proposed work or improvement, may appear before said Common Council and show cause why said proposed improvement should not be carried out in accordance with this Resolution.

That the Clerk of said City be, and he is hereby directed to cause this Resolution of Intention to be published twice in the San Diego Sun, a daily newspaper published and circulated in said City, and hereby designated for that purpose by the Common Council.

That the Street Superintendent of said City shall, after the adoption of this Resolution of Intention, cause to be conspicuously posted along the line of said contemplated work or improvement, at not more than three hundred feet in distance apart, but not less than three in all, notices of the passage of this Resolution of Intention, and when the work to be done is only upon an entire crossing or intersection, or any part thereof, he shall cause such notices to be conspicuously posted in front of each quarter block or irregular block liable to be assessed, and when the work is chargeable upon a district, he shall cause such notices to be conspicuously posted upon all open Streets within such district at not more than three hundred feet in distance apart on each Street so posted; all in the time, form and manner required by law; and thereupon said Superintendent of Streets shall cause to be filed in the Office of the City Clerk of said City, an affidavit showing the posting of said notices of improvement.

The Common Council does not deem it advisable that the Clerk mail copies of the notice of improvement to owners or reputed owners, and he is not required to mail the same.

All of the herein proposed work shall be done in pursuance of an Act of the Legislature of the State of California, designated as the "Improvement Act of 1911", approved April 7, 1911, and amendments thereto.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 9th day of December, 1929, by the following vote, to-wit:

#### RESOLUTION OF INTENTION NO. 52430

ALLEY IN BLOCK 53, FAIRMOUNT ADDITION TO CITY HEIGHTS, ORANGE AVENUE, CHAMOUNE AVENUE AND PUBLIC RIGHT OF WAY.

RESOLVED, that it is the intention of the Common Council of the City of San Diego, California, to order the following work to be done and improvement to be made in said City, to-wit:

That the ALLEY IN BLOCK 53, FAIRMOUNT ADDITION TO CITY HEIGHTS, in said City, between the northerly line of Polk Avenue and the southerly line of Orange Avenue, be graded, and the sub-grade prepared, and paved with a Portland cement concrete pavement; and that cement concrete sewer laterals and appurtenances, cast iron water main, connections, fittings and appurtenances, copper water service connections and appurtenances, cement concrete catch basin, connections, fittings and appurtenances, and cast iron culvert, connections, fittings and appurtenances, be constructed therein.

That a cast iron water main, connections, fittings and appurtenances, and cast iron fire hydrant, connections, fittings and appurtenances, be constructed in portions of ORANGE AVENUE, in said City, between the northerly production of the westerly line of the Alley in Block 53, Fairmount Addition to City Heights, and a line drawn parallel to and distant 25 feet easterly from the northerly production of the westerly line of the Alley in Block 53, Fairmount Addition to City Heights.

That a cement concrete culvert, connections, fittings and appurtenances, be constructed in portions of CHAMOUNE AVENUE, in said City, between the easterly production of the northerly and southerly lines of Lot 32, Block 53, Fairmount Addition to City Heights.

That a cement concrete culvert, connections, fittings and appurtenances, and cast iron culvert, connections, fittings and appurtenances, be constructed in, over and across a PUBLIC RIGHT OF WAY, in said City, over Lot 32, Block 53, Fairmount Addition to City Heights.

All of the said work hereinbefore generally described shall be constructed in the manner, at the locations, within the limits, of the materials, and of the dimensions as shown upon and in accordance with the plans, profiles, drawings, typical cross-sections and specifications therefor contained in Document No. 250054, on file in the Office of the City Clerk of said City, and copies of which are on file in the Office of the City Engineer of said City, and by this reference thereto all said plans, profiles, drawings, typical cross-sections and specifications are made a part hereof.

The said Common Council hereby determines and declares that serial bonds shall be issued to represent each assessment of twenty-five dollars or more remaining unpaid after the full expiration of thirty days from the date of the warrant, to represent the expenses of said work and improvement. Said serial bonds shall extend over a period ending nine years from the second day of January next succeeding the fifteenth day of the next November following their date, and an even annual proportion of the principal sum thereof shall be payable by coupon on the second day of January every year after the fifteenth day of the next November following their date until the whole is paid. Said bonds shall bear interest at the rate of seven per cent. per annum, interest payable semi-annually by coupon, on all sums unpaid until the whole of said principal and interest are paid. Said bonds shall be issued and the principal and interest thereof shall be paid under and in pursuance of the Improvement Act of 1911, and amendments thereto.

That the contemplated work and improvement hereinbefore mentioned is in the opinion of said Common Council of more than local and ordinary public benefit, and the expenses of such work and improvement are made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to-wit: All that real property in the said City of San Diego included within the exterior boundary lines of said district, as shown upon that certain plat No. 1574, indicating the exterior boundary lines of such district, which plat, approved by the Common Council, is on file in the Office of the City Engineer of said City; excepting therefrom all public streets, roads, alleys, avenues and highways. Reference is hereby made to said plat for a particular description of such district.

NOTICE IS HEREBY GIVEN, that on Monday, the 13th day of January, 1930, at 10:00 o'clock A.M., in the Council Chamber of the City Hall of said the City of San Diego, any and all persons having any objections to the proposed work or improvement, to the grade at which said work is to be done, or to the extent of the district to be assessed to pay the costs and expenses of said proposed work or improvement, may appear before said Common Council and show cause why said proposed improvement should not be carried out in accordance with this Resolution.

That the Clerk of said City be, and he is hereby directed to cause this Resolution of Intention to be published twice in the San Diego Sun, a daily newspaper published and circulated in said City, and hereby designated for that purpose by the Common Council.

That the Street Superintendent of said City shall, after the adoption of this Resolution of Intention, cause to be conspicuously posted along the line of said contemplated work or improvement, at not more than three hundred feet in distance apart, but not less than three in all, notices of the passage of this Resolution of Intention, and when the work to be done is only upon an entire crossing or intersection, or any part thereof, he shall cause such notices to be conspicuously posted in front of each quarter block or irregular block liable to be assessed, and when the work is chargeable upon a district, he shall cause such notices to be conspicuously posted upon all open Streets within such district at not more than three hundred feet in distance apart on each Street so posted; all in the time, form and manner required by law; and thereupon said Superintendent of Streets shall cause to be filed in the Office of the City Clerk of said City, an affidavit showing the posting of said notices of improvement.

The Common Council does not deem it advisable that the Clerk mail copies of the notice of improvement to owners or reputed owners, and he is not required to mail the same.

All of the herein proposed work shall be done in pursuance of an Act of the Legislature of the State of California, designated as the "Improvement Act of 1911," approved April 7, 1911, and amendments thereto.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 16th day of December, 1929, by the following vote, to-wit:

AYES-Councilmen Alexander, Dowell, Irely and McMullen

NOES-None

ABSENT-Councilman Maire

E. H. DOWELL

President pro tempore of the Common Council of the City of San Diego, California.

I HEREBY CERTIFY that the above and foregoing Resolution of Intention was passed by the Common Council of the said City of San Diego, at the time and by the vote above stated.

Also, as a part of said work, the construction of cement concrete sidewalk, in portions of FAY AVENUE, in said City, between a line drawn at right angles easterly from a point on the westerly line of Fay Avenue distant 39.32 feet northerly from the northeasterly corner of Block 9, La Jolla Park, and a line drawn parallel to and distant 56 feet northerly from the above described line drawn at right angles easterly from the westerly line of Fay Avenue.

All of the said work hereinbefore generally described shall be constructed in the manner, at the locations, within the limits, of the materials, and of the dimensions as shown upon and in accordance with the plans, profiles, drawings, typical cross-sections and specifications therefor contained in Document No. 250264, on file in the Office of the City Clerk of said City, and copies of which are on file in the Office of the City Engineer of said City, and by this reference thereto all said plans, profiles, drawings, typical cross-sections and specifications are made a part hereof.

The said Common Council hereby determines and declares that serial bonds shall be issued to represent each assessment of twenty-five dollars or more remaining unpaid after the full expiration of thirty days from the date of the warrant, to represent the expenses of said work and improvement. Said serial bonds shall extend over a period ending nine years from the second day of January next succeeding the fifteenth day of the next November following their date, and an even annual proportion of the principal sum thereof shall be payable by coupon on the second day of January every year after the fifteenth day of the next November following their date until the whole is paid. Said bonds shall bear interest at the rate of seven per cent. per annum, interest payable semi-annually by coupon, on all sums unpaid until the whole of said principal and interest are paid. Said bonds shall be issued and the principal and interest thereof shall be paid under and in pursuance of the Improvement Act of 1911, and amendments thereto.

That the contemplated work and improvement hereinbefore mentioned is in the opinion of said Common Council of more than local and ordinary public benefit, and the expenses of such work and improvement are made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to-wit: All that real property in the said City of San Diego included within the exterior boundary lines of said district, as shown upon that certain plat No. 1151, indicating the exterior boundary lines of such district, which plat, approved by the Common Council, is on file in the Office of the City Engineer of said City; excepting therefrom all public streets, roads, alleys, avenues and highways. Reference is hereby made to said plat for a particular description of such district.

NOTICE IS HEREBY GIVEN, that on Monday, the 13th day of January, 1930, at 10:00 o'clock A.M. in the Council Chamber of the City Hall of said the City of San Diego, any and all persons having any objections to the proposed work or improvement, to the grade at which said work is to be done, or to the extent of the district to be assessed to pay the costs and expenses of said proposed work or improvement, may appear before said Common Council and show cause why said proposed improvement should not be carried out in accordance with this Resolution.

That the Clerk of said City be, and he is hereby directed to cause this Resolution of Intention to be published twice in the San Diego Sun, a daily newspaper published and circulated in said City, and hereby designated for that purpose by the Common Council.

That the Street Superintendent of said City shall, after the adoption of this Resolution of Intention, cause to be conspicuously posted along the line of said contemplated work or improvement, at not more than three hundred feet in distance apart, but not less than three in all, notices of the passage of this Resolution of Intention, and when the work to be done is only upon an entire crossing or intersection, or any part thereof, he shall cause such notices to be conspicuously posted in front of each quarter block or irregular block liable to be assessed, and when the work is chargeable upon a district, he shall cause such notices to be conspicuously posted upon all open Streets within such district at not more than three hundred feet in distance apart on each Street so posted; all in the time, form and manner required by law; and thereupon said Superintendent of Streets shall cause to be filed in the Office of the City Clerk of said City, an affidavit showing the posting of said notices of improvement.

The Common Council does not deem it advisable that the Clerk mail copies of the notice of improvement to owners or reputed owners, and he is not required to mail the same.

All of the herein proposed work shall be done in pursuance of an Act of the Legislature of the State of California, designated as the "Improvement Act of 1911", approved April 7, 1911, and amendments thereto.

the most northerly corner thereof; thence southeasterly along the northeasterly line of said Lot 11 to the most easterly corner thereof; thence northeasterly to the point of intersection of the southeasterly line of Centre Street with a line parallel to and distant 40 feet north of the north line of University Avenue; thence east along said parallel line to the northeasterly line of Lot 25, Block 193, University Heights; thence southeasterly along the northeasterly line of said Lot 25 to the west line of Park Boulevard; thence south along the east line of said Lot 25 to the southeast corner thereof; thence southeasterly in a direct line to the point of intersection of the south line of University Avenue with the west line of Park Boulevard; thence south along the west line of Park Boulevard a distance of 25 feet to a point; thence west along a line parallel to and distant 25 feet south of the south line of University Avenue to the east line of Sixth Street; thence southwesterly in a direct line to the southeast corner of Lot 18, Block 4, Nutt's Addition; thence west along the south line of said Lot 18 to the southwest corner thereof; thence south along a line parallel to and distant 100 feet east of the east line of Fifth Avenue to the north line of Robinson Avenue; thence west along the north line of Robinson Avenue to a point distant 135 feet west of the west line of Fourth Street; thence north along a line parallel to and distant 135 feet west of the west line of Fourth Street to a point distant 41 feet south of the south line of University Avenue; thence west along a line parallel to and distant 41 feet south of the south line of University Avenue to the east line of Third Street; thence north along the east line of Third Street to the point or place of beginning; excepting therefrom all public streets, roads, alleys, avenues and highways.

Said Common Council does hereby order that the entire amount of the costs and expenses of said improvement shall be assessed upon the district above described.

That the proposed improvement is hereby referred to the City Engineer of said City, and said City Engineer is hereby directed to make and file, with the Clerk of said Common Council, a report, in writing, presenting the following:

1. Plans and specifications for the work required in order to make said improvements;

2. An estimate of the cost of said improvement and of the incidental expenses in connection therewith;

3. A diagram showing the district referred to, and also the boundaries and dimensions of the respective subdivisions of the land within said district, each of which subdivisions shall be given a separate number in red ink upon said diagram.

4. A proposed assessment of the total amount of the costs and expenses of the proposed improvement upon the several subdivisions of land in said district in proportion to the estimated benefits to be received by such subdivisions, respectively, from said improvement. Said assessment shall refer to such subdivisions upon said diagram by the respective red ink numbers thereof, and shall show the names of the owners, if known, otherwise designating them as unknown. No mistake in the name of the owner of any parcel of land shall affect the validity of the assessment thereon.

BE IT FURTHER RESOLVED, that this Common Council by virtue of authority vested in it by provisions of Chapter 620 of the Statutes of the State of California, approved June 4, 1915, (Statutes 1915, page 1171; Act 6427, General Laws of California) and acts amendatory thereof and supplemental thereto, does hereby determine to exercise the right, to the exclusion of all other bidders, to acquire in the name of the City of San Diego, California, at the sale for any delinquency arising from the non-payment of any assessment which shall be made and levied in these proceedings, any lien which shall accrue, or any property which is required to be sold, under the said law appertaining to said proceedings, for the non-payment of any such assessment or any delinquency incurred by the non-payment thereof.

That the Auditor and Controller of the City of San Diego, California, be, and he is hereby designated for that purpose, and is hereby directed to attend at any sale of property to be made for any delinquency of any assessment to be made and levied in this proceeding and at such sale he is hereby empowered to bid in and acquire, in the name of the City of San Diego, California, to the exclusion of other bidders, all liens and delinquent property at such delinquent sales.

This proceeding shall be designated as "University Avenue Lighting District No. 2".

Passed and adopted by the said Common Council of the said City of San Diego, California, this 16th day of December, 1929, by the following vote, to-wit:

RESOLUTION NO. 52435  
GRANTING PROPERTY OWNER PERMISSION TO GRADE, PAVE AND  
CURB PORTION OF ROSECRANS STREET AT BESSEMER STREET  
BY PRIVATE CONTRACT.

BE IT RESOLVED by the Common Council of the City of San Diego, as follows:

That in accordance with the petition filed under Document No. 251690 in the Office of the City Clerk of said City on December 9, 1929, permission is hereby granted to John W. Snyder to grade, pave and curb a portion of Rosecrans Street at Bessemer Street, as shown upon the plat prepared by the City Engineer of said City which is attached to said petition numbered Document No. 251690, by private contract; said work to be done in accordance with the plans, drawings, typical cross-sections and specifications therefor to be furnished by the City Engineer of said City.

Provided, that as part of said work, said property owners shall construct and install sufficient and proper fences, guards and barriers to safeguard said Street, and shall also construct all necessary conduits, drains, pipes, catch-basins and gutters for the proper drainage of said Street, between said points.

RESOLUTION OF INTENTION NO. 52509  
UPAS STREET

RESOLVED, that it is the intention of the Common Council of the City of San Diego, California, to order the following work to be done and improvement to be made in said City, to-wit:

That portions of UPAS STREET, in said City, between the southerly production of the westerly line of Alabama Street and the southerly production of the easterly line of Arnold Avenue, be graded, and the sub-grade prepared, and paved with a two-inch asphalt wearing surface, laid upon a four-inch asphaltic base; and that cement concrete sidewalk, cement concrete curbs, cast iron water main, connections, fittings and appurtenances, copper water service connections and appurtenances, cast iron gate valves, valve boxes and covers, cement concrete water chute and appurtenances, wire link highway guard fence and appurtenances, and special cement concrete curbs, be constructed therein.

That the said work hereinbefore generally described on said UPAS STREET, in said City, between a line drawn parallel to and distant 100 feet easterly from the southerly production of the easterly line of Arizona Street and the southerly production of the westerly line of Arnold Avenue, shall be done to the modified grades shown and indicated upon the plans, profiles and specifications hereinafter referred to, and to which reference is hereby made for the description of the grades at which the work is to be done.

All of the said work hereinbefore generally described shall be constructed in the manner, at the locations, within the limits, of the materials, and of the dimensions as shown upon and in accordance with the plans, profiles, drawings, typical cross-sections and specifications therefor contained in Document No. 250263, on file in the Office of the City Clerk of said City, and copies of which are on file in the Office of the City Engineer of said City, and by this reference thereto all said plans, profiles, drawings, typical cross-sections and specifications are made a part hereof.

The said Common Council hereby determines and declares that serial bonds shall be issued to represent each assessment of twenty-five dollars or more remaining unpaid after the full expiration of thirty days from the date of the warrant, to represent the expenses of said work and improvement. Said serial bonds shall extend over a period ending nine years from the second day of January next succeeding the fifteenth day of the next November following their date, and an even annual proportion of the principal sum thereof shall be payable by coupon on the second day of January every year after the fifteenth day of the next November following their date until the whole is paid. Said bonds shall bear interest at the rate of seven per cent. per annum, interest payable semi-annually by coupon, on all sums unpaid until the whole of said principal and interest are paid. Said bonds shall be issued and the principal and interest thereof shall be paid under and in pursuance of the Improvement Act of 1911, and amendments thereto.

That the contemplated work and improvement hereinbefore mentioned is in the opinion of said Common Council of more than local and ordinary public benefit, and the expenses of such work and improvement are made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to-wit: All that real property in the said City of San Diego included within the exterior boundary lines of said district, as shown upon that certain plat No. 1414, indicating the exterior boundary lines of such district, which plat, approved by the Common Council, is on file in the Office of the City Engineer of said City; excepting therefrom all public streets, roads, alleys, avenues and highways. Reference is hereby made to said plat for a particular description of such district.

It is hereby determined and declared that that certain piece or parcel of land included within the assessment district hereinbefore described, and known as "Balboa Park", is the property of the City of San Diego and is in use in the performance of a public function as and for a public park of said City. It is hereby further determined and declared that said parcel of land shall be omitted from the assessment to be made to cover the costs and expenses of the said work or improvement, and that the total cost and expense of all work done under and in pursuance of this resolution of intention shall be assessed on the remaining lots, pieces or parcels of land lying within the limits of the said assessment district, without regard to said omitted piece of parcel of land.

NOTICE IS HEREBY GIVEN, that on Monday, the 20th day of January, 1930, at 10:00 o'clock A.M., in the Council Chamber of the City Hall of said the City of San Diego, any and all persons having any objections to the proposed work or improvement, to the grade at which said work is to be done, or to the extent of the district to be assessed to pay the costs and expenses of said proposed work or improvement, may appear before said Common Council and show cause why said proposed improvement should not be carried out in accordance with this Resolution.

That the Clerk of said City be, and he is hereby directed to cause this Resolution of Intention to be published twice in the San Diego Sun, a daily newspaper published and circulated in said City, and hereby designated for that purpose by the Common Council.

That the Street Superintendent of said City shall, after the adoption of this Resolution of Intention, cause to be conspicuously posted along the line of said contemplated work or improvement, at not more than three hundred feet in distance apart, but not less than three in all, notices of the passage of this Resolution of Intention, and when the work to be done is only upon an entire crossing or intersection, or any part thereof, he shall cause such notices to be conspicuously posted in front of each quarter block or irregular block liable to be assessed, and when the work is chargeable upon a district, he shall cause such notices to be conspicuously posted upon all open Streets within such district at not more than three hundred feet in distance apart on each Street so posted; all in the time, form and manner required by law; and thereupon said Superintendent of Streets shall cause to be filed in the Office of the City Clerk of said City, an affidavit showing the posting of said notices of improvement.

The Common Council does not deem it advisable that the Clerk mail copies of the notice of improvement to owners or reputed-owners, and he is not required to mail the same.

All of the herein proposed work shall be done in pursuance of an Act of the Legislature of the State of California, designated as the "Improvement Act of 1911", approved April 7, 1911, and amendments thereto.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 23rd day of December, 1929, by the following vote, to-wit:

#### RESOLUTION OF INTENTION NO. 52511

##### ALLEY IN BLOCK I, ALTADENA

RESOLVED, that it is the intention of the Common Council of the City of San Diego, California, to order the following work to be done and improvement to be made in said City, to-wit:

That the ALLEY IN BLOCK I, ALTADENA, in said City, between the southerly line of Thorn Street and the northerly line of Redwood Street, be graded, and the sub-grade prepared, and paved with a Portland cement concrete pavement; and that cement concrete sewer laterals and appurtenances be constructed therein.

All of the said work hereinbefore generally described shall be constructed in the manner, at the locations, within the limits, of the materials, and of the dimensions as shown upon and in accordance with the plans, profiles, drawings, typical cross-sections and specifications therefor contained in Document No. 250507, on file in the Office of the City Clerk of said City, and copies of which are on file in the Office of the City Engineer of said City, and by this reference thereto all said plans, profiles, drawings, typical cross-sections and specifications are made a part hereof.

The said Common Council hereby determines and declares that serial bonds shall be issued to represent each assessment of twenty-five dollars or more remaining unpaid after the full expiration of thirty days from the date of the warrant, to represent the expenses of said work and improvement. Said serial bonds shall extend over a period ending nine years from the second day of January next succeeding the fifteenth day of the next November following their date, and an even annual proportion of the principal sum thereof shall be payable by coupon on the second day of January every year after the fifteenth day of the next November following their date until the whole is paid. Said bonds shall bear interest at the rate of seven per cent. per annum, interest payable semi-annually by coupon, on all sums unpaid until the whole of said principal and interest are paid. Said bonds shall be issued and the principal and interest thereof shall be paid under and in pursuance of the Improvement act of 1911, and amendments thereto.

That the contemplated work and improvement hereinbefore mentioned is in the opinion of said Common Council of more than local and ordinary public benefit, and the expenses of such work and improvement are made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to-wit: All that real property in the said City of San Diego included within the exterior boundary lines of said district, as shown upon that certain plat No. 1577, indicating the exterior boundary lines of such district, which plat, approved by the Common Council, is on file in the Office of the City Engineer of said City; excepting therefrom all public streets, roads, alleys, avenues and highways. Reference is hereby made to said plat for a particular description of such district.

NOTICE IS HEREBY GIVEN, that on Monday, the 20th day of January, 1930, at 10:00 o'clock A.M. in the Council Chamber of the City Hall of said the City of San Diego, any and all persons having any objections to the proposed work or improvement, to the grade at which said work is to be done, or to the extent of the district to be assessed to pay the costs and expenses of said proposed work or improvement, may appear before said Common Council and show cause why said proposed improvement should not be carried out in accordance with this Resolution.

That the Clerk of said City be, and he is hereby directed to cause this Resolution of Intention to be published twice in the San Diego Sun, a daily newspaper published and circulated in said City, and hereby designated for that purpose by the Common Council.

That the Street Superintendent of said City shall, after the adoption of this Resolution of Intention, cause to be conspicuously posted along the line of said contemplated work or improvement, at not more than three hundred feet in distance apart, but not less than three in all, notices of the passage of this Resolution of Intention, and when the work to be done is only upon an entire crossing or intersection, or any part thereof, he shall cause such notices to be conspicuously posted in front of each quarter block or irregular block liable to be assessed, and when the work is chargeable upon a district, he shall cause such notices to be conspicuously posted upon all open Streets within such district at not more than three hundred feet in distance apart on each Street so posted; all in the time, form and manner required by law; and thereupon said Superintendent of Streets shall cause to be filed in the Office of the City Clerk of said City, an affidavit showing the posting of said notices of improvement.

The Common Council does not deem it advisable that the Clerk mail copies of the notice of improvement to owners or reputed owners, and he is not required to mail the same.

All of the herein proposed work shall be done in pursuance of an Act of the Legislature of the State of California, designated as the "Improvement Act of 1911", approved April 7, 1911, and amendments thereto.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 23rd day of December, 1929, by the following vote, to-wit:

DECLARING THE RESULT OF THE SPECIAL ELECTION HELD  
IN THE CITY OF SAN DIEGO, CALIFORNIA, ON THURSDAY,  
DECEMBER 19TH, 1929.

WHEREAS, a Special Election was held in the City of San Diego, California, on the 19th day of December, 1929, in pursuance of the provisions of Resolution No. 51947 of the City of San Diego, entitled, "A Resolution calling a Special Election to be held in the City of San Diego, California, for the purpose of submitting to the qualified electors of said City the proposed charter for The City of San Diego as prepared and filed by the Board of Freeholders; fixing the time of said Special Election; establishing the election precincts; designating the polling places, and appointing the election officers for each precinct for said Special Election," adopted by the Common Council of said City of San Diego on the 28th day of October, 1929; and

WHEREAS, at said Special Election the proposition mentioned in said Resolution, and hereinafter particularly set forth, was actually submitted to the qualified voters of said City; and

WHEREAS, all the various election boards appointed pursuant to the terms and provisions of said Resolution No. 51947, have made returns of the said election to the City Clerk and to the Common Council, all as required by law; and

WHEREAS, all of said returns have been at the meeting of the Common Council held at this time, which is the Monday following the day of said election, publicly opened and canvassed by the said Common Council, and the ballots cast at said election for and against the proposed charter have been duly estimated by the said Common Council, and the result thereof ascertained;

NOW, THEREFORE, be it Resolved by the Common Council of the City of San Diego, as follows:

The result of said election is, and is hereby declared to be, as follows:

The whole number of ballots cast in said City at said Special Election on the question of the proposed charter is Twenty Three Thousand Fifty Eight.

That on the proposition of the said proposed charter which appeared on the ballot as follows:

"Shall the Charter proposed by the Board of Freeholders, and filed in the Office of the City Clerk of the City of San Diego on the 4th day of October, 1929, be adopted as the charter for the government of the City of San Diego?"

the vote was:

For said proposition, 8742 votes;

Against said proposition, 14316 votes;

and said proposition has not received the vote of a majority of all the voters voting thereon at said election.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 23rd day of December, 1929, by the following vote, to-wit:

RESOLUTION OF INTENTION NO. 52591  
 CYPRESS AVENUE

RESOLVED, that it is the intention of the Common Council of the City of San Diego, California, to order the following work to be done and improvement to be made in said City, to-wit:

That portions of CYPRESS AVENUE, in said City, between the westerly line of Indiana Street and the westerly line of Florida Street, be graded, and the sub-grade prepared, and paved with a Portland cement concrete pavement; and that cement concrete sidewalks, cast iron water main, connections, fittings and appurtenances, copper water service connections and appurtenances, cast iron gate valve, valve box and cover, and cement concrete sewer laterals and appurtenances, be constructed therein;

That the said work hereinbefore generally described on said Cypress Avenue, in said City, between the easterly line of Georgia Street and the westerly line of Florida Street, shall be done to the modified grades shown and indicated upon the plans, profiles and specifications hereinafter referred to, and to which reference is hereby made for the description of the grades at which the work is to be done.

All of the said work hereinbefore generally described shall be constructed in the manner, at the locations, within the limits, of the materials, and of the dimensions as shown upon and in accordance with the plans, profiles, drawings, typical cross-sections and specifications therefor contained in Document No. 250812, on file in the Office of the City Clerk of said City, and copies of which are on file in the Office of the City Engineer of said City, and by this reference thereto all said plans, profiles, drawings, typical cross-sections and specifications are made a part hereof.

The said Common Council hereby determines and declares that serial bonds shall be issued to represent each assessment of twenty-five dollars or more remaining unpaid after the full expiration of thirty days from the date of the warrant, to represent the expenses of said work and improvement. Said serial bonds shall extend over a period ending nine years from the second day of January next succeeding the fifteenth day of the next November following their date, and an even annual proportion of the principal sum thereof shall be payable by coupon on the second day of January every year after the fifteenth day of the next November following their date until the whole is paid. Said bonds shall bear interest at the rate of seven per cent. per annum, interest payable semi-annually by coupon, on all sums unpaid until the whole of said principal and interest are paid. Said bonds shall be issued and the principal and interest thereof shall be paid under and in pursuance of the Improvement Act of 1911, and amendments thereto.

That the contemplated work and improvement hereinbefore mentioned is in the opinion of said Common Council of more than local and ordinary public benefit, and the expenses of such work and improvement are made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to-wit: All that real property in the said City of San Diego included within the exterior boundary lines of said district, as shown upon that certain plat No. 1579, indicating the exterior boundary lines of such district, which plat, approved by the Common Council, is on file in the Office of the City Engineer of said City; excepting therefrom all public streets, roads, alleys, avenues and highways. Reference is hereby made to said plat for a particular description of such district.

NOTICE IS HEREBY GIVEN, that on Monday, the 27th day of January, 1930, at 10:00 o'clock A.M., in the Council Chamber of the City Hall of said the City of San Diego, any and all persons having any objections to the proposed work or improvement, to the grade at which said work is to be done, or to the extent of the district to be assessed to pay the costs and expenses of said proposed work or improvement, may appear before said Common Council and show cause why said proposed improvement should not be carried out in accordance with this Resolution.

That the Clerk of said City be, and he is hereby directed to cause this Resolution of Intention to be published twice in the San Diego Sun, a daily newspaper published and circulated in said City, and hereby designated for that purpose by the Common Council.

That the Street Superintendent of said City shall, after the adoption of this Resolution of Intention, cause to be conspicuously posted along the line of said contemplated work or improvement, at not more than three hundred feet in distance apart, but not less than three in all, notices of the passage of this Resolution of Intention, and when the work to be done is only upon an entire crossing or intersection, or any part thereof, he shall cause such notices to be conspicuously posted in front of each quarter block or irregular block liable to be assessed, and when the work is chargeable upon a district, he shall cause such notices to be conspicuously posted upon all open Streets within such district at not more than three hundred feet in distance apart on each Street so posted; all in the time, form and manner required by law; and thereupon said Superintendent of Streets shall cause to be filed in the Office of the City Clerk of said City, an affidavit showing the posting of said notices of improvement.

The Common Council does not deem it advisable that the Clerk mail copies of the notice of improvement to owners or reputed owners, and he is not required to mail the same.

All of the herein proposed work shall be done in pursuance of an Act of the Legislature of the State of California, designated as the "Improvement Act of 1911", approved April 7, 1911, and amendments thereto.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 30th day of December, 1929, by the following vote, to-wit:

#### RESOLUTION OF INTENTION NO. 52593

#### CENTRE LANE, UNIVERSITY AVENUE AND PUBLIC RIGHTS OF WAY

RESOLVED, that it is the intention of the Common Council of the City of San Diego, California, to order the following work to be done and improvement to be made in said City, to-wit:

That portions of CENTRE LANE, in said City, between the southwesterly line of Lincoln Avenue and the northerly line of University Avenue, be graded, and the sub-grade prepared, and paved with a Portland cement concrete pavement; and that cement concrete sewer laterals and appurtenances, cement concrete catch basin and appurtenances, cement concrete culverts, connections, fittings and appurtenances, and cement concrete lug and appurtenances, be constructed therein.

That portions of UNIVERSITY AVENUE, in said City, between a line drawn parallel to and distant 10 feet westerly from the southerly production of the westerly line of Centre Lane and a line drawn parallel to and distant 30 feet easterly from the southerly production of the westerly line of Centre Lane, be graded, and the sub-grade prepared, and paved with a Portland cement concrete pavement; and that cement concrete curbs and cement concrete side-walks be constructed therein.

That a cement concrete culvert, connections, fittings and appurtenances, be constructed in, over and across a PUBLIC RIGHT OF WAY, in said City, over a portion of Blaine Avenue closed to public use, lying southerly of and adjacent to Lot 25, Block 193, University Heights.

That a cement concrete culvert, connections, fittings and appurtenances, be constructed in, over and across a PUBLIC RIGHT OF WAY, in said City, over a portion of Blaine Avenue closed to public use, lying southerly of and adjacent to Lot 24, Block 193, University Heights.

All of the said work hereinbefore generally described shall be constructed in the manner, at the locations, within the limits, of the materials, and of the dimensions as shown upon and in accordance with the plans, profiles, drawings, typical cross-sections and specifications therefor contained in Document No. 250825, on file in the Office of the City Clerk of said City, and copies of which are on file in the Office of the City Engineer of said City, and by this reference thereto all said plans, profiles, drawings, typical cross-sections and specifications are made a part hereof.

The said Common Council hereby determines and declares that serial bonds shall be issued to represent each assessment of twenty-five dollars or more remaining unpaid after the full expiration of thirty days from the date of the warrant, to represent the expenses of said work and improvement. Said serial bonds shall extend over a period ending nine years from the second day of January next succeeding the fifteenth day of the next November following their date, and an even annual proportion of the principal sum thereof shall be payable by coupon on the second day of January every year after the fifteenth day of the next November following their date until the whole is paid. Said bonds shall bear interest at the rate of seven per cent. per annum, interest payable semi-annually by coupon, on all sums unpaid until the whole of said principal and interest are paid. Said bonds shall be issued and the principal and interest thereof shall be paid under and in pursuance of the Improvement Act of 1911, and amendments thereto.

That the contemplated work and improvement hereinbefore mentioned is in the opinion of said Common Council of more than local and ordinary public benefit, and the expenses of such work and improvement are made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to-wit: All that real property in the said City of San Diego included within the exterior boundary lines of said district, as shown upon that certain plat No. 1349, indicating the exterior boundary lines of such district, which plat, approved by the Common Council, is on file in the Office of the City Engineer of said City; excepting therefrom all public streets, roads, alleys, avenues and highways. Reference is hereby made to said plat for a particular description of such district.

NOTICE IS HEREBY GIVEN, that on Monday, the 27th day of January, 1930, at 10:00 o'clock A.M., in the Council Chamber of the City Hall of said The City of San Diego, any and all persons having any objections to the proposed work or improvement, to the grade at which said work is to be done, or to the extent of the district to be assessed to pay the costs and expenses of said proposed work or improvement, may appear before said Common Council and show cause why said proposed improvement should not be carried out in accordance with this Resolution.

That the Clerk of said City be, and he is hereby directed to cause this Resolution of Intention to be published twice in the San Diego Sun, a daily newspaper published and circulated in said City, and hereby designated for that purpose by the Common Council.

That the Street Superintendent of said City shall, after the adoption of this Resolution of Intention, cause to be conspicuously posted along the line of said contemplated work or improvement, at not more than three hundred feet in distance apart, but not less than three in all, notices of the passage of this Resolution of Intention, and when the work to be done is only upon an entire crossing or intersection, or any part thereof, he shall cause such notices to be conspicuously posted in front of each quarter block or irregular block liable to be assessed, and when the work is chargeable upon a district, he shall cause such notices to be conspicuously posted upon all open Streets within such district at not more than three hundred feet in distance apart on each Street so posted; all in the time, form and manner required by law; and thereupon said Superintendent of Streets shall cause to be filed in the Office of the City Clerk of said City, an affidavit showing the posting of said notices of improvement.

The Common Council does not deem it advisable that the Clerk mail copies of the notice of improvement to owners or reputed owners, and he is not required to mail the same.

All of the herein proposed work shall be done in pursuance of an Act of the Legislature of the State of California, designated as the "Improvement Act of 1911", approved April 7, 1911, and amendments thereto.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 30th day of December, 1929, by the following vote, to-wit:

RESOLUTION OF INTENTION NO. 52631  
 WABASH AVENUE AND 34TH STREET.

RESOLVED, that it is the intention of the Common Council of the City of San Diego, California, to order the following work to be done and improvement to be made in said City, to-wit:

That portions of WABASH AVENUE, in said City, between the easterly production of the northerly line of Wightman Street and the westerly production of the northerly line of Lot 6, Block 192, Amended Map of City Heights, be graded; and that cement concrete curbs, cement concrete sidewalks, cement concrete gutters, cement concrete culvert, connections, fittings and appurtenances, cement concrete curb outlet and appurtenances, cement concrete curb inlet and appurtenances, and wire link highway guard fence and appurtenances, be constructed therein;

That the said work hereinbefore generally described on said WABASH AVENUE, in said City, between a line drawn parallel to and distant 16.46 feet northerly from the easterly production of the northerly line of Wightman Street and a line drawn from the intersection of the easterly line of 34th Street, with the southeasterly line of University Avenue to a point on the westerly line of Wabash Avenue distant 14 feet northerly from the northeasterly corner of Block 193, Amended Map of City Heights, shall be done to the modified grades shown and indicated upon the plans, profiles, and specifications hereinafter referred to, and to which reference is hereby made for the description of the grades at which the work is to be done.

That portions of 34TH STREET, in said City, between the westerly production of the northerly line of Lot 3, Block 192, Amended Map of City Heights, and the southwesterly termination of 34th Street in Wabash Avenue, be graded; and that cement concrete curbs and cement concrete sidewalks, be constructed therein;

That the said work hereinbefore generally described on said 34TH STREET, in said City, between a line drawn from the intersection of the easterly line of 34th Street with the southeasterly line of University Avenue to a point on the westerly line of Wabash Avenue distant 14 feet northerly from the northeasterly corner of Block 193, Amended Map of City Heights, and the easterly line of Wabash Avenue, shall be done to the modified grades shown and indicated upon the plans, profiles and specifications hereinafter referred to, and to which reference is hereby made for the description of the grades at which the work is to be done.

All of the said work hereinbefore generally described shall be constructed in the manner, at the locations, within the limits, of the materials, and of the dimensions as shown upon and in accordance with the plans, profiles, drawings, typical cross-sections and specifications therefore contained in Document No. 251035, on file in the Office of the City Clerk of said City, and copies of which are on file in the Office of the City Engineer of said City, and by this reference thereto all said plans, profiles, drawings, typical cross-sections and specifications are made a part hereof.

The said Common Council hereby determines and declares that serial bonds shall be issued to represent each assessment of twenty-five dollars or more remaining unpaid after the full expiration of thirty days from the date of the warrant, to represent the expenses of said work and improvement. Said serial bonds shall extend over a period ending nine years from the second day of January next succeeding the fifteenth day of the next November following their date, and an even annual proportion of the principal sum thereof shall be payable by coupon on the second day of January every year after the fifteenth day of the next November following their date until the whole is paid. # RESOLUTION OF INTENTION NO. 52633

## NINTH STREET AND TENTH STREET

RESOLVED, that it is the intention of the Common Council of the City of San Diego, California, to order the following work to be done and improvement to be made in said City, to-wit:

That portions of NINTH STREET, in said City, between the southwesterly line of Tenth Street and the easterly production of the northerly line of Robinson Avenue, be graded, and the sub-grade prepared, and paved with a Portland cement concrete pavement; and that cement concrete curbs, cement concrete sidewalk, cement concrete sewer laterals and appurtenances, cast iron water main, connections, fittings and appurtenances, copper water service connections and appurtenances, cast iron gate valves, valve boxes and covers, cement concrete curtain wall and appurtenances, cement concrete culvert, connections, fittings and appurtenances, cement concrete curb outlet and appurtenances, and cast iron fire hydrant, with steel clamp and shackle anchor, connections, fittings and appurtenances, be constructed therein;

That the said work hereinbefore generally described on said NINTH STREET, in said City, between the southwesterly line of Tenth Street and the easterly production of the northerly line of Robinson Avenue, shall be done to the modified grades shown and indicated upon the plans, profiles and specifications hereinafter referred to, and to which reference is hereby made for the description of the grades at which the work is to be done.

That portions of TENTH STREET, in said City, between a line drawn parallel to and distant 94.9 feet southerly from the southerly line of University Avenue and a line drawn parallel to and distant 181.04 feet southerly from the southerly line of University Avenue, be graded, and the sub-grade prepared, and paved with a two-inch sheet asphalt wearing surface, laid upon a four-inch asphaltic base; and that cement concrete curbs, cement concrete sidewalks, cast iron water main, connections, fittings and appurtenances, cast iron gate valve, valve box and cover, and cement concrete culvert, connections, fittings and appurtenances, be constructed therein;

That the said work hereinbefore generally described on said TENTH STREET, in said City, between a line drawn parallel to and distant 94.9 feet southerly from the southerly line of University Avenue and a line drawn parallel to and distant 181.04 feet southerly from the southerly line of University Avenue, shall be done to the modified grades shown and indicated upon the plans, profiles and specifications hereinafter referred to, and to which reference is hereby made for the description of the grades at which the work is to be done.

All of the said work hereinbefore generally described shall be constructed in the manner, at the locations, within the limits, of the materials, and of the dimensions as shown upon and in accordance with the plans, profiles, drawings, typical cross-sections and specifications therefor contained in Document No. 251038, on file in the Office of the City Clerk of said City, and copies of which are on file in the Office of the City Engineer of said City, and by this reference thereto all said plans, profiles, drawings, typical cross-sections and specifications are made a part hereof.

The said Common Council hereby determines and declares that serial bonds shall be issued to represent each assessment of twenty-five dollars or more remaining unpaid after the full expiration of thirty days from the date of the warrant, to represent the expenses of said work and improvement. Said serial bonds shall extend over a period ending nine years from the second day of January next succeeding the fifteenth day of the next November following their date, and an even annual proportion of the principal sum thereof shall be payable by coupon on the second day of January every year after the fifteenth day of the next November following their date until the whole is paid. Said bonds shall bear interest at the rate of seven per cent. per annum, interest payable semi-annually by coupon, on all sums unpaid until the whole of said principal and interest are paid. Said bonds shall be issued and the principal and interest thereof shall be paid under and in pursuance of the Improvement Act of 1911, and amendments thereto.

That the contemplated work and improvement hereinbefore mentioned is in the opinion of said Common Council of more than local and ordinary public benefit, and the expenses of such work and improvement are made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to-wit: All that real property in the said City of San Diego included within the exterior boundary lines of said district, as shown upon that certain plat No. 1583, indicating the exterior boundary lines of such district, which plat, approved by the Common Council, is on file in the Office of the City Engineer of said City; excepting therefrom all public streets, roads, alleys, avenues and highways. Reference is hereby made to said plat for a particular description of such district.

NOTICE IS HEREBY GIVEN, that on Monday, the 3rd day of February, 1930, at 10:00 o'clock A.M., in the Council Chamber of the City Hall of said the City of San Diego, any and all persons having any objections to the proposed work or improvement, to the grade at which said work is to be done, or to the extent of the district to be assessed to pay the costs and expenses of said proposed work or improvement, may appear before said Common Council and show cause why said proposed improvement should not be carried out in accordance with this Resolution.

That the Clerk of said City be, and he is hereby directed to cause this Resolution of Intention to be published twice in the San Diego Sun, a daily newspaper published and circulated in said City, and hereby designated for that purpose by the Common Council.

That the Street Superintendent of said City shall, after the adoption of this Resolution of Intention, cause to be conspicuously posted along the line of said contemplated work or improvement, at not more than three hundred feet in distance apart, but not less than three in all, notices of the passage of this Resolution of Intention, and when the work to be done is only upon an entire crossing or intersection, or any part thereof, he shall cause such notices to be conspicuously posted in front of each quarter block or irregular block liable to be assessed, and when the work is chargeable upon a district, he shall cause such notices to be conspicuously posted upon all open Streets within such district at not more than three hundred feet in distance apart on each Street so posted; all in the time, form and manner required by law; and thereupon said Superintendent of Streets shall cause to be filed in the Office of the City Clerk of said City, an affidavit showing the posting of said notices of improvement.

The Common Council does not deem it advisable that the Clerk mail copies of the notice of improvement to owners or reputed owners, and he is not required to mail the same.

All of the herein proposed work shall be done in pursuance of an Act of the Legislature of the State of California, designated as the "Improvement Act of 1911", approved April 7, 1911, and amendments thereto.

## R E S O L U T I O N NO. 52657

BE IT RESOLVED by the Common Council of the City of San Diego, as follows:  
That, with the constantly growing importance of San Diego and its environs as centers of governmental activities, the Port of San Diego should once more be created as a unit separate and distinct from any other customs collection district,  
And, Therefore, the President of the United States is hereby asked to make such executive order as may be necessary to create a customs collection district, to comprise San Diego and Imperial Counties, thus returning this section to the status which it enjoyed for many years, following the first establishment of the Port of San Diego in 1850 when President Millard Fillmore appointed as Collector Col. William C. Ferrell.  
In making this request this Common Council does so for the reason that it believes the interests of this section will be best subserved along commercial and industrial lines if such a step is taken by the Chief Executive of the Nation at this time.

#### RESOLUTION OF INTENTION NO. 52697

##### MARKET STREET

RESOLVED, that it is the intention of the Common Council of the City of San Diego, California, to order the following work to be done and improvement to be made in said City, to-wit:

That portions of MARKET STREET, in said City, between the west line of Sixth Street and the west line of Fourth Street, be graded, and the sub-grade prepared; and that cement concrete gutters be constructed therein; also, as a part of said work, the surfacing with a sheet asphalt wearing surface and asphaltic base of portions of the existing pavement, within the above described limits.

That portions of MARKET STREET, in said City, between the west line of Fourth Street and the southerly production of the east line of Atlantic Street, be graded; and the sub-grade prepared; and that cement concrete gutters, cement concrete curbs, cement concrete sidewalks, cement concrete sewer laterals and appurtenances, cement concrete manholes, connections, fittings and appurtenances, and cement concrete sewer main, connections, fittings and appurtenances, be constructed therein; also, as a part of said work, the surfacing with an asphalt wearing surface and asphaltic base of portions of the existing pavement, within the above described limits.

All of the said work hereinbefore generally described shall be constructed in the manner, at the locations, within the limits, of the materials, and of the dimensions as shown upon and in accordance with the plans, profiles, drawings, typical cross-sections and specifications therefor contained in Document No. 251346, on file in the Office of the City Clerk of said City, and copies of which are on file in the Office of the City Engineer of said City, and by this reference thereto all said plans, profiles, drawings, typical cross-sections and specifications are made a part hereof.

The said Common Council hereby determines and declares that serial bonds shall be issued to represent each assessment of twenty-five dollars or more remaining unpaid after the full expiration of thirty days from the date of the warrant, to represent the expenses of said work and improvement. Said serial bonds shall extend over a period ending nine years from the second day of January next succeeding the fifteenth day of the next November following their date, and an even annual proportion of the principal sum thereof shall be payable by coupon on the second day of January every year after the fifteenth day of the next November following their date until the whole is paid. Said bonds shall bear interest at the rate of seven per cent. per annum, interest payable semi-annually by coupon, on all sums unpaid until the whole of said principal and interest are paid. Said bonds shall be issued and the principal and interest thereof shall be paid under and in pursuance of the Improvement Act of 1911, and amendments thereto.

That the contemplated work and improvement hereinbefore mentioned is in the opinion of said Common Council of more than local and ordinary public benefit, and the expenses of such work and improvement are made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to-wit: All that real property in the said City of San Diego included within the exterior boundary lines of said district, as shown upon that certain plat No. 1585, indicating the exterior boundary lines of such district, which plat, approved by the Common Council, is on file in the Office of the City Engineer of said City; excepting therefrom all public streets, roads, alleys, avenues and highways. Reference is hereby made to said plat for a particular description of such district.

NOTICE IS HEREBY GIVEN, that on Monday, the 10th day of February, 1930, at 10:00 o'clock A.M. in the Council Chamber of the City Hall of said the City of San Diego, any and all persons having any objections to the proposed work or improvement, to the grade at which said work is to be done, or to the extent of the district to be assessed to pay the costs and expenses of said proposed work or improvement, may appear before said Common Council and show cause why said proposed improvement should not be carried out in accordance with this Resolution.

That the Clerk of said City be, and he is hereby directed to cause this Resolution of Intention to be published twice in the San Diego Sun, a daily newspaper published and circulated in said City, and hereby designated for that purpose by the Common Council.

That the Street Superintendent of said City shall, after the adoption of this Resolution of Intention, cause to be conspicuously posted along the line of said contemplated work or improvement, at not more than three hundred feet in distance apart, but not less than three in all, notices of the passage of this Resolution of Intention, and when the work to be done is only upon an entire crossing or intersection, or any part thereof, he shall cause such notices to be conspicuously posted in front of each quarter block or irregular block liable to be assessed, and when the work is chargeable upon a district, he shall cause such notices to be conspicuously posted upon all open Streets within such district at not more than three hundred feet in distance apart on each Street so posted; all in the time, form and manner required by law; and thereupon said Superintendent of Streets shall

cause to be filed in the Office of the City Clerk of said City, an affidavit showing the posting of said notices of improvement.

The Common Council does not deem it advisable that the Clerk mail copies of the notice of improvement to owners or reputed owners, and he is not required to mail the same.

All of the herein proposed work shall be done in pursuance of an Act of the Legislature of the State of California, designated as the "Improvement Act of 1911", approved April 7, 1911, and amendments thereto.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 13th day of January, 1930, by the following vote, to-wit:

RESOLUTION OF INTENTION NO. 52787  
J STREET AND 43RD STREET

RESOLVED, that it is the intention of the Common Council of the City of San Diego, California, to order the following work to be done and improvement to be made in said City, to-wit:

That a cement concrete sewer main, connections, fittings and appurtenances, and cement concrete manholes, connections, fittings and appurtenances, be constructed in portions of J STREET, in said City, between the southerly production of the westerly line of 42nd Street and the easterly line of 43rd Street.

That a cement concrete sewer main, connections, fittings and appurtenances, and cement concrete dead end and appurtenances, be constructed in portions of 43RD STREET, in said City, between the southerly line of J Street and a line drawn parallel to and distant 275 feet southerly from the easterly production of the southerly line of J Street.

All of the said work hereinbefore generally described shall be constructed in the manner, at the locations, within the limits, of the materials, and of the dimensions as shown upon and in accordance with the plans, profiles, drawings, typical cross-sections and specifications therefor contained in Document No. 251581, on file in the Office of the City Clerk of said City, and copies of which are on file in the Office of the City Engineer of said City, and by this reference thereto all said plans, profiles, drawings, typical cross-sections and specifications are made a part hereof.

The said Common Council hereby determines and declares that serial bonds shall be issued to represent each assessment of twenty-five dollars or more remaining unpaid after the full expiration of thirty days from the date of the warrant, to represent the expenses of said work and improvement. Said serial bonds shall extend over a period ending nine years from the second day of January next succeeding the fifteenth day of the next November following their date, and an even annual proportion of the principal sum thereof shall be payable by coupon on the second day of January every year after the fifteenth day of the next November following their date until the whole is paid. Said bonds shall bear interest at the rate of seven per cent. per annum, interest payable semi-annually by coupon, on all sums unpaid until the whole of said principal and interest are paid. Said bonds shall be issued and the principal and interest thereof shall be paid under and in pursuance of the Improvement Act of 1911, and amendments thereto.

That the contemplated work and improvement hereinbefore mentioned is in the opinion of said Common Council of more than local and ordinary public benefit, and the expenses of such work and improvement are made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to-wit: All that real property in the said City of San Diego included within the exterior boundary lines of said district, as shown upon that certain plat No. 1589, indicating the exterior boundary lines of such district, which plat, approved by the Common Council, is on file in the Office of the City Engineer of said City; excepting therefrom all public streets, roads, alleys, avenues and highways. Reference is hereby made to said plat for a particular description of such district.

NOTICE IS HEREBY GIVEN, that on Monday, the 17th day of February, 1930, at 10:00 o'clock A.M., in the Council Chamber of the City Hall of said The City of San Diego, any and all persons having any objections to the proposed work or improvement, to the grade at which said work is to be done, or to the extent of the district to be assessed to pay the costs and expenses of said proposed work or improvement, may appear before said Common Council and show cause why said proposed improvement should not be carried out in accordance with this Resolution.

That the Clerk of said City be, and he is hereby directed to cause this Resolution of Intention to be published twice in the San Diego Sun, a daily newspaper published and circulated in said City, and hereby designated for that purpose by the Common Council.

That the Street Superintendent of said City shall, after the adoption of this Resolution of Intention, cause to be conspicuously posted along the line of said contemplated work or improvement, at not more than three hundred feet in distance apart, but not less than three in all, notices of the passage of this Resolution of Intention, and when the work to be done is only upon an entire crossing or intersection, or any part thereof, he shall cause such notices to be conspicuously posted in front of each quarter block or irregular block liable to be assessed, and when the work is chargeable upon a district, he shall cause such notices to be conspicuously posted upon all open Streets within such district at not more than three hundred feet in distance apart on each Street so posted; all in the time, form and manner required by law; and thereupon said Superintendent of Streets shall cause to be filed in the Office of the City Clerk of said City, an affidavit showing the posting of said notices of improvement.

The Common Council does not deem it advisable that the Clerk mail copies of the notice of improvement to owners or reputed owners, and he is not required to mail the same.

All of the herein proposed work shall be done in pursuance of an Act of the Legislature of the State of California, designated as the "Improvement Act of 1911", approved April 7, 1911, and amendments thereto.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 20th day of January, 1930, by the following vote, to-wit:

#### RESOLUTION OF INTENTION NO. 52790 GARNET STREET LIGHTING DISTRICT NO.1.

RESOLVED, that it is the intention of the Common Council of the City of San Diego, California, pursuant to Chapter 247 of the Statutes of the State of California, approved June 6, 1913 (Statutes of 1913, page 421; Act 5215, General Laws of California) to order the following work to be done and improvement to be made in said City, to-wit:

The furnishing of electric current for the lighting of the ornamental Street lights on GARNET STREET, between the westerly line of Cass Street and the northeasterly line of Ocean Boulevard, in the City of San Diego, California; together with the maintenance of the posts, wires, conduits and lamps on said Garnet Street, within the limits above mentioned. Such furnishing of electric current and such maintenance of appliances shall be for a period of one year from and after the 25th day of April, 1930, to-wit, to and including the 24th day of April, 1931.

Said work of improvement shall be done in all respects according to, at the places shown by, and of the materials provided for, in the plans and specifications therefor to be hereafter prepared by the City Engineer of said City, and furnished to this Common Council, as hereinafter set forth.

That the exterior boundaries of the district in said City of San Diego to be benefited by said improvement, and to be assessed to pay the costs and expenses thereof, and to be known as the assessment district, are hereby specified as follows, to-wit:

Beginning at the southwesterly corner of Lot 5, Block 226, Pacific Beach; thence northwesterly along the northeasterly line of Ocean Boulevard to the northwesterly corner of Lot 6, Block 193, Pacific Beach; thence easterly along the northerly line of said Lot 6 to the northeasterly corner thereof; thence southeasterly in a direct line to the northwesterly corner of Lot 24, Block 193, Pacific Beach; thence easterly along a line parallel to and distant 125 feet northerly from the northerly line of Garnet Street to an intersection with a line parallel to and distant 14 feet easterly from the westerly line of Cass Street; thence southerly along a line parallel to and distant 14 feet easterly from the westerly line of Cass Street to an intersection with a line parallel to and distant 125 feet southerly from the southerly line of Garnet Street; thence westerly along a line parallel to and distant 125 feet southerly from the southerly line of Garnet Street to the south-

westerly corner of Lot 11, Block 226, Pacific Beach; thence southwesterly in a direct line to the southeasterly corner of Lot 5, Block 226, Pacific Beach; thence westerly along the southerly line of said Lot 5 to the point or place of beginning; excepting therefrom all public streets, roads, alleys, avenues and highways.

Said Common Council does hereby order that all of the costs and expenses of said improvement shall be assessed upon the district above described.

That the proposed improvement is hereby referred to the City Engineer of said City, and said City Engineer is hereby directed to make and file, with the Clerk of said Common Council, a report, in writing, presenting the following:

1. Plans and specifications for the work required in order to make said improvements;

2. An estimate of the cost of said improvement and of the incidental expenses in connection therewith;

3. A diagram showing the district referred to, and also the boundaries and dimensions of the respective subdivisions of the land within said district, each of which subdivisions shall be given a separate number in red ink upon said diagram.

4. A proposed assessment of the total amount of the costs and expenses of the proposed improvement upon the several subdivisions of land in said district in proportion to the estimated benefits to be received by such subdivisions, respectively, from said improvement. Said assessment shall refer to such subdivisions upon said diagram by the respective red ink numbers thereof, and shall show the names of the owners, if known, otherwise designating them as unknown. No mistake in the name of the owner of any parcel of land shall affect the validity of the assessment thereon.

BE IT FURTHER RESOLVED, that this Common Council by virtue of authority vested in it by provisions of Chapter 620 of the Statutes of the State of California, approved June 4, 1915, (Statutes 1915, page 1171; Act 6427, General Laws of California) and acts amendatory thereof and supplemental thereto, does hereby determine to exercise the right, to the exclusion of all other bidders, to acquire in the name of the City of San Diego, California, at the sale for any delinquency arising from the non-payment of any assessment which shall be made and levied in these proceedings, any lien which shall accrue, or any property which is required to be sold, under the said law appertaining to said proceedings, for the non-payment of any such assessment or any delinquency incurred by the non-payment thereof.

That the Auditor and Controller of the City of San Diego, California, be, and he is hereby designated for the purpose, and is hereby directed to attend at any sale of property to be made for any delinquency of any assessment to be made and levied in this proceeding and at such sale he is hereby empowered to bid in and acquire, in the name of the City of San Diego, California, to the exclusion of other bidders, all liens and delinquent property at such delinquent sales.

This proceeding shall be designated as "Garnet Street Lighting District No.1".

Passed and adopted by the said Common Council of the said City of San Diego, California, this 20th day of January, 1930, by the following vote, to-wit:

#### RESOLUTION OF INTENTION NO. 52863

ALLEY IN BLOCK 6, AS SHOWN ON THE MAP OF RESUBDIVISION OF BLOCKS 5,6,15 AND 16, CRITTENDEN'S ADDITION.

RESOLVED, that it is the intention of the Common Council of the City of San Diego, California, to order the following work to be done and improvement to be made in said City, to-wit:

That the ALLEY IN BLOCK 6, AS SHOWN ON THE MAP OF RESUBDIVISION OF BLOCKS 5,6,15 AND 16, CRITTENDEN'S ADDITION, in said City, between the northerly line of Robinson Avenue and the southerly line of University Avenue, be graded, and the sub-grade prepared, and paved with a Portland cement concrete pavement.

All of the said work hereinbefore generally described shall be constructed in the manner, at the locations, within the limits, of the materials, and of the dimensions as shown upon and in accordance with the plans, profiles, drawings, typical cross-sections and specifications therefor contained in Document No. 251931, on file in the Office of the City Clerk of said City, and copies of which are on file in the Office of the City Engineer of said City, and by this reference thereto all said plans, profiles, drawings, typical cross-sections and specifications are made a part hereof.

The said Common Council hereby determines and declares that serial bonds shall be issued to represent each assessment of twenty-five dollars or more remaining unpaid after the full expiration of thirty days from the date of the warrant, to represent the expenses of said work and improvement. Said serial bonds shall extend over a period ending nine years from the second day of January next succeeding the fifteenth day of the next November following their date, and an even annual proportion of the principal sum thereof shall be payable by coupon on the second day of January every year after the fifteenth day of the next November following their date until the whole is paid. Said bonds shall bear interest at the rate of seven per cent. per annum, interest payable semi-annually by coupon, on all sums unpaid until the whole of said principal and interest are paid. Said bonds shall be issued and the principal and interest thereof shall be paid under and in pursuance of the Improvement Act of 1911, and amendments thereto.

That the contemplated work and improvement hereinbefore mentioned is in the opinion of said Common Council of more than local and ordinary public benefit, and the expenses of such work and improvement are made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to-wit: All that real property in the said City of San Diego included within the exterior boundary lines of said district, as shown upon that certain plat No. 1593, indicating the exterior boundary lines of such district, which plat, approved by the Common Council, is on file in the Office of the City Engineer of said City; excepting therefrom all public streets, roads, alleys, avenues and highways. Reference is hereby made to said plat for a particular description of such district.

NOTICE IS HEREBY GIVEN, that on Monday, the 24th day of February, 1930, at 10:00 o'clock A.M., in the Council Chamber of the City Hall of said the City of San Diego, any and all persons having any objections to the proposed work or improvement, to the grade at which said work is to be done, or to the extent of the district to be assessed to pay the costs and expenses of said proposed work or improvement, may appear before said Common Council and show cause why said proposed improvement should not be carried out in accordance with this Resolution.

That the Clerk of said City be, and he is hereby directed to cause this Resolution of Intention to be published twice in the San Diego Sun, a daily newspaper published and circulated in said City, and hereby designated for that purpose by the Common Council.

That the Street Superintendent of said City shall, after the adoption of this Resolution of Intention, cause to be conspicuously posted along the line of said contemplated work or improvement, at not more than three hundred feet in distance apart, but not less than three in all, notices of the passage of this Resolution of Intention, and when the work to be done is only upon an entire crossing or intersection, or any part thereof, he shall cause such notices to be conspicuously posted in front of each quarter block or irregular block liable to be assessed, and when the work is chargeable upon a district, he shall cause such notices to be conspicuously posted upon all open Streets within such district at not more than three hundred feet in distance apart on each Street so posted; all in the time, form and manner required by law; and thereupon said Superintendent of Streets shall cause to be filed in the Office of the City Clerk of said City, an affidavit showing the posting of said notices of improvement.

The Common Council does not deem it advisable that the Clerk mail copies of the notice of improvement to owners or reputed owners, and he is not required to mail the same.

All of the herein proposed work shall be done in pursuance of an Act of the Legislature of the State of California, designated as the "Improvement Act of 1911", approved April 7, 1911, and amendments thereto.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 27th day of January, 1930, by the following vote, to-wit:

RESOLUTION OF INTENTION NO. 52865  
 VENICE STREET, VOLTAIRE STREET, BRIGHTON AVENUE, NORTH-  
 EASTERLY AND SOUTHWESTERLY ALLEY IN BLOCK 91, POINT LOMA  
 HEIGHTS.

RESOLVED, that it is the intention of the Common Council of the City of San Diego, California, to order the following work to be done and improvement to be made in said City, to-wit:

That portions of VENICE STREET, in said City, between a line parallel to and distant 15 feet southerly from the southeasterly production of the southwesterly line of Saratoga Avenue and the southwesterly line of Voltaire Street, be graded, and the sub-grade prepared, and paved with a Portland cement concrete pavement; and that cement concrete curbs, cement concrete sidewalks, cement concrete sewer laterals and appurtenances, cement concrete sewer main, connections, fittings and appurtenances, cement concrete manholes, connections, fittings and appurtenances, cement concrete dead end and appurtenances, cast iron water main, connections, fittings and appurtenances, copper water service connections and appurtenances, cast iron gate valves, valve boxes and covers, and cast iron fire hydrants, with steel clamp and shackle anchors, connections, fittings and appurtenances, be constructed therein.

That the said work hereinbefore generally described on said VENICE STREET, in said City, between the southeasterly production of the southwesterly line of Saratoga Avenue and the southeasterly production of the northeasterly line of Brighton Avenue.

That portions of VOLTAIRE STREET, in said City, between the northeasterly production of the northwesterly and southeasterly lines of Venice Street, be graded, and the sub-grade prepared, and paved with a Portland cement concrete pavement; and that cement concrete sewer main, connections, fittings and appurtenances, cement concrete manhole, connections, fittings and appurtenances, cast iron water main, connections, fittings and appurtenances, and cast iron gate valve, valve box and cover, be constructed therein.

That a cement concrete sewer main, connections, fittings and appurtenances, cement concrete manhole, connections, fittings and appurtenances, be constructed in portions of BRIGHTON AVENUE, in said City, between the northwesterly line of Venice Street and the northeasterly production of the northwesterly line of the northeasterly and southwesterly Alley in Block 91, Point Loma Heights.

That a cement concrete sewer main, connections, fittings and appurtenances, and cement concrete manhole, connections, fittings and appurtenances, be constructed in portions of the NORTHEASTERLY AND SOUTHWESTERLY ALLEY IN BLOCK 91, POINT LOMA HEIGHTS, in said City, between the southwesterly line of Brighton Avenue and the northwesterly production of the southwesterly line of Lot 18, Block 91, Point Loma Heights.

All of the said work hereinbefore generally described shall be constructed in the manner, at the locations, within the limits, of the materials, and of the dimensions as shown upon and in accordance with the plans, profiles, drawings, typical cross-sections and specifications therefor contained in Document No. 252588, on file in the Office of the City Clerk of said City, and copies of which are on file in the Office of the City Engineer of said City, and by this reference thereto all said plans, profiles, drawings, typical cross-sections and specifications are made a part hereof.

The said Common Council hereby determines and declares that serial bonds shall be issued to represent each assessment of twenty-five dollars or more remaining unpaid after the full expiration of thirty days from the date of the warrant, to represent the expenses of said work and improvement. Said serial bonds shall extend over a period ending nine years from the second day of January next succeeding the fifteenth day of the next November following their date, and an even annual proportion of the principal sum thereof shall be payable by coupon on the second day of January every year after the fifteenth day of the next November following their date until the whole is paid. Said bonds shall bear interest at the rate of seven per cent. per annum, interest payable semi-annually by coupon, on all sums unpaid until the whole of said principal and interest are paid. Said bonds shall be issued and the principal and interest thereof shall be paid under and in pursuance of the Improvement Act of 1911, and amendments thereto.

That the contemplated work and improvement hereinbefore mentioned is in the opinion of said Common Council of more than local and ordinary public benefit, and the expenses of such work and improvement are made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to-wit: All that real property in the said City of San Diego included within the exterior boundary lines of said district, as shown upon that certain plat No. 1596, indicating the exterior boundary lines of such district, which plat, approved by the Common Council, is on file in the Office of the City Engineer of said City; excepting therefrom all public streets, roads, alleys, avenues and highways. Reference is hereby made to said plat for a particular description of such district.

NOTICE IS HEREBY GIVEN, that on Monday, the 24th day of February, 1930, at 10:00 o'clock A.M. in the Council chamber of the City Hall of said the City of San Diego, any and all persons having any objections to the proposed work or improvement, to the grade at which said work is to be done, or to the extent of the district to be assessed to pay the costs and expenses of said proposed work or improvement, may appear before said Common Council and show cause why said proposed improvement should not be carried out in accordance with this Resolution.

That the Clerk of said City be, and he is hereby directed to cause this Resolution of Intention to be published twice in the San Diego Sun, a daily newspaper published and circulated in said City, and hereby designated for that purpose by the Common Council.

That the Street Superintendent of said City shall, after the adoption of this Resolution of Intention, cause to be conspicuously posted along the line of said contemplated work or improvement, at not more than three hundred feet in distance apart, but not less than three in all, notices of the passage of this Resolution of Intention, and when the work to be done is only upon and entire crossing or intersection, or any part thereof, he shall cause such notices to be conspicuously posted in front of each quarter block or irregular block liable to be assessed, and when the work is chargeable upon a district, he shall cause such notices to be conspicuously posted upon all open Streets within such district at not more than three hundred feet in distance apart on each Street so posted; all in the time, form and manner required by law; and thereupon said Superintendent of Streets shall cause to be filed in the Office of the City Clerk of said City, an affidavit showing the posting of said notices of improvement.

The Common Council does not deem it advisable that the Clerk mail copies of the notice of improvement to owners or reputed owners, and he is not required to mail the same.

All of the herein proposed work shall be done in pursuance of an Act of the Legislature of the State of California, designated as the "Improvement Act of 1911", approved April 7, 1911, and amendments thereto.

RESOLUTION ORDERING IMPROVEMENT NO. 52866  
 LA PLAYA LIGHTING DISTRICT NO. 1.

RESOLVED by the Common Council of the City of San Diego, California, that the public interest and convenience of said City require that the following improvement be made within said City, and therefore the said Common Council hereby orders the said following improvement to be made, to-wit:

The furnishing of electric current for the lighting of the ornamental Street lights located on the following Streets, in the City of San Diego, California, to-wit:

The westerly side of SAN GORGONIO STREET, between the westerly prolongation of the southerly line of Block 127, La Playa, and the westerly prolongation of the northerly line of Block 150, La Playa;

LA CRESCENTIA DRIVE, for its entire length;

SAN REMO WAY, for its entire length;

Together with the maintenance of the standards, wires, conduits and lamps on said Streets, within the limits above mentioned. Such furnishing of electric current and such maintenance of appliances shall be for a period of one year from and after November 25, 1929, to-wit, to and including November 24, 1930.

All of said work shall be done strictly in accordance with the plans and specifications contained in the report of the City Engineer of said City, being document entitled: "Engineer's Report on La Playa Lighting District #1", filed December 7, 1929, in the Office of the City Clerk of said City.

AND BE IT FURTHER RESOLVED that said Common Council declares, and said Common Council does hereby declare, that on the 20th day of January, 1930, said Common Council did by Resolution No. 52778 confirm the proposed assessment of the total amount of the costs and expenses of said proposed improvement, heretofore made and filed with the Clerk of said Common Council by the City Engineer of said City, and which said proposed assessment is contained in Document entitled: "Engineer's Report on La Playa Lighting District #1" on file in the Office of said City Clerk; and adopted as a whole the report of said City Engineer, as contained in said Document.

AND BE IT FURTHER RESOLVED that the said assessment is hereby levied upon the respective subdivisions of land in the assessment district, more particularly described in said assessment and report, and the diagram attached thereto, and made a part thereof.

That the Clerk of said City of San Diego is hereby directed to transmit to the Treasurer of the said City of San Diego, the diagram and assessment contained in said report of said City Engineer.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 27th day of January, 1930, by the following vote, to-wit:

RESOLUTION NO. 52867  
 GRANTING PROPERTY OWNER PERMISSION TO PAVE PORTIONS OF  
 COMMERCIAL STREET AND ALLEY IN BLOCK 104, CENTRAL PARK  
 ADDITION, BY PRIVATE CONTRACT.

BE IT RESOLVED by the Common Council of the City of San Diego, as follows:

That in accordance with the petition filed under Document No. 248163 in the Office of the City Clerk of said City on September 5, 1929, permission is hereby granted to Wilfred B. Cole to pave the portion of COMMERCIAL STREET between the north curb line and the San Diego & Arizona Railway track, for a distance of 75 feet from the west line of 31st Street, and the east 50 feet of the ALLEY IN BLOCK 104, CENTRAL PARK ADDITION, in the City of San Diego, California, by private contract; said work to be done in accordance with the plans, drawings, typical cross-sections, profiles and specifications therefor to be furnished by the City Engineer of said City.

Provided, that as part of said work, said property owners shall construct and install sufficient and proper fences, guards and barriers to safeguard said Street, and shall also construct all necessary conduits, drains, pipes, catch-basins and gutters for the proper drainage of said Street, between said points.

In case any electric poles or apparatus, or any public service pipes or conduits are encountered in the course of such private improvement, the person making such improvement shall serve notice upon the person, company or corporation owning or controlling such public utilities to lower, remove or protest the same before such private improvement shall be made.

That all of said work shall be done under the direction and to the satisfaction of the Superintendent of Streets of said City, and all surplus dirt shall be deposited at the places designated by said Superintendent of Streets.

That said work shall be commenced on or before the 1st day of February, 1930, and shall be fully completed on or before the 1st day of April, 1930.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 27th day of January, 1930, by the following vote, to-wit:

RESOLUTION OF INTENTION NO. 52921  
 MEADE AVENUE

RESOLVED, that it is the intention of the Common Council of the City of San Diego, California, to order the following work to be done and improvement to be made in said City, to-wit:

That portions of MEADE AVENUE, in said City, between the easterly line of Park Boulevard and the westerly line of Louisiana Street, be graded, and the sub-grade prepared, and paved with a two-inch asphalt wearing surface, laid upon a four-inch asphaltic base; and that cement concrete curb, cast iron water main, connections, fittings and appurtenances, and copper water service connection and appurtenances, be constructed therein.

All of the said work hereinbefore generally described shall be constructed in, the manner, at the locations, within the limits, of the materials, and of the dimensions as shown upon and in accordance with the plans, profiles, drawings, typical cross-sections and specifications therefor contained in Document No. 252589, on file in the Office of the City Clerk of said City, and copies of which are on file in the Office of the City Engineer of said City, and by this reference thereto all said plans, profiles, drawings, typical cross-sections and specifications are made a part hereof.

The said Common Council hereby determines and declares that serial bonds shall be issued to represent each assessment of twenty-five dollars or more remaining unpaid after the full expiration of thirty days from the date of the warrant, to represent the expenses of said work and improvement. Said serial bonds shall extend over a period ending nine years from the second day of January next succeeding the fifteenth day of the next November

following their date, and an even annual proportion of the principal sum thereof shall be payable by coupon on the second day of January every year after the fifteenth day of the next November following their date until the whole is paid. Said bonds shall bear interest at the rate of seven per cent. per annum, interest payable semi-annually by coupon, on all sums unpaid until the whole of said principal and interest are paid. Said bonds shall be issued and the principal and interest thereof shall be paid under and in pursuance of the Improvement Act of 1911, and amendments thereto.

That the contemplated work and improvement hereinbefore mentioned is in the opinion of said Common Council of more than local and ordinary public benefit; and the expenses of such work and improvement are made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to-wit: All that real property in the said City of San Diego included within the exterior boundary lines of said district, as shown upon that certain plat No. 1586, indicating the exterior boundary lines of such district, which plat, approved by the Common Council, is on file in the Office of the City Engineer of said City; excepting therefrom all public streets, roads, alleys, avenues and highways. Reference is hereby made to said plat for a particular description of such district.

NOTICE IS HEREBY GIVEN, that on Monday, the 3rd day of March, 1930, at 10:00 O'clock A.M., in the Council Chamber of the City Hall of said the City of San Diego, any and all persons having any objections to the proposed work or improvement, to the grade at which said work is to be done, or to the extent of the district to be assessed to pay the costs and expenses of said proposed work or improvement, may appear before said Common Council and show cause why said proposed improvement should not be carried out in accordance with this Resolution.

That the Clerk of said City be, and he is hereby directed to cause this Resolution of Intention to be published twice in the San Diego Sun, a daily newspaper published and circulated in said City, and hereby designated for that purpose by the Common Council.

That the Street Superintendent of said City shall, after the adoption of this Resolution of Intention, cause to be conspicuously posted along the line of said contemplated work or improvement, at not more than three hundred feet in distance apart, but not less than three in all, notices of the passage of this Resolution of Intention, and when the work to be done is only upon an entire crossing or intersection, or any part thereof, he shall cause such notices to be conspicuously posted in front of each quarter block or irregular block liable to be assessed, and when the work is chargeable upon a district, he shall cause such notices to be conspicuously posted upon all open Streets within such district at not more than three hundred feet in distance apart on each Street so posted; all in the time, form and manner required by law; and thereupon said Superintendent of Streets shall cause to be filed in the Office of the City Clerk of said City, an affidavit showing the posting of said notices of improvement.

The Common Council does not deem it advisable that the Clerk mail copies of the notice of improvement to owners or reputed owners, and he is not required to mail the same.

All of the herein proposed work shall be done in pursuance of an Act of the Legislature of the State of California, designated as the "Improvement Act of 1911", approved April 7, 1911, and amendments thereto.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 3rd day of February, 1930, by the following vote, to-wit:

RESOLUTION OF INTENTION NO. 52922  
LANGLEY STREET AND ISLAND AVENUE.

RESOLVED, that it is the intention of the Common Council of the City of San Diego, California, to order the following work to be done and improvement to be made in said City, to-wit:

That portions of LANGLEY STREET, in said City, between the northerly line of K Street and the southerly line of Island Avenue, be graded, and the sub-grade prepared, and paved with a Portland cement concrete pavement; and that cement concrete curbs, cement concrete sidewalk, cement concrete sewer laterals and appurtenances, cast iron water main, connections, fittings and appurtenances, copper water service connections and appurtenances, and cast iron gate valve, valve box and cover, be constructed therein.

That the said work hereinbefore generally described on said LANGLEY STREET, in said City, between a line drawn parallel to and distant 570 feet northerly from the northerly line of K Street and the southerly line of Island Avenue, shall be done to the modified grades shown and indicated upon the plans, profiles and specifications hereinafter referred to, and to which reference is hereby made for the description of the grades at which the work is to be done.

That a cast iron water main, connections, fittings and appurtenances, cast iron gate valve, valve box and cover, be constructed in portions of ISLAND AVENUE, in said City, between the northerly production of the easterly and westerly lines of Langley Street.

All of the said work hereinbefore generally described shall be constructed in the manner, at the locations, within the limits, of the materials, and of the dimensions as shown upon and in accordance with the plans, profiles, drawings, typical cross-sections and specifications therefor contained in Document No. 252844, on file in the Office of the City Clerk of said City, and copies of which are on file in the Office of the City Engineer of said City, and by this reference thereto all said plans, profiles, drawings, typical cross-sections and specifications are made a part hereof.

The said Common Council hereby determines and declares that serial bonds shall be issued to represent each assessment of twenty-five dollars or more remaining unpaid after the full expiration of thirty days from the date of the warrant, to represent the expenses of said work and improvement. Said serial bonds shall extend over a period ending nine years from the second day of January next succeeding the fifteenth day of the next November following their date, and an even annual proportion of the principal sum thereof shall be payable by coupon on the second day of January every year after the fifteenth day of the next November following their date until the whole is paid. Said bonds shall bear interest at the rate of seven per cent. per annum, interest payable semi-annually by coupon, on all

sums unpaid until the whole of said principal and interest are paid. Said bonds shall be issued and the principal and interest thereof shall be paid under and in pursuance of the Improvement Act of 1911, and amendments thereto.

That the contemplated work and improvement hereinbefore mentioned is in the opinion of said Common Council of more than local and ordinary public benefit, and the expenses of such work and improvement are made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. All of the said work hereinbefore generally described shall be constructed in the manner, at the locations, within the limits, of the materials, and of the dimensions as shown upon and in accordance with the plans, profiles, drawings, typical cross-sections and specifications therefor contained in Document No. 254185, on file in the Office of the City Clerk of said City, and copies of which are on file in the Office of the City Engineer of said City, and by this reference thereto all said plans, profiles, drawings, typical cross-sections and specifications are made a part hereof.

That all of the said work and improvement hereinbefore generally described in, over, along, across and upon the Streets and Court hereinabove mentioned and within the limits hereinabove specified shall be done and made to the grades shown upon the plans, profiles and specifications hereinbefore referred to and to which reference is hereby made for the description of the grades to which the work and improvement is to be done and made.

The said Common Council hereby determines and declares that serial bonds shall be issued to represent each assessment of twenty-five dollars or more remaining unpaid after the full expiration of thirty days from the date of the warrant, to represent the expenses of said work and improvement. Said serial bonds shall extend over a period ending nine years from the second day of January next succeeding the fifteenth day of the next November following their date, and an even annual proportion of the principal sum thereof shall be payable by coupon on the second day of January every year after the fifteenth day of the next November following their date until the whole is paid. Said bonds shall bear interest at the rate of seven per cent. per annum, interest payable semi-annually by coupon, on all sums unpaid until the whole of said principal and interest are paid. Said bonds shall be issued and the principal and interest thereof shall be paid under and in pursuance of the "Improvement Act of 1911," and amendments thereto.

That the contemplated work and improvement hereinbefore mentioned is in the opinion of said Common Council of more than local and ordinary public benefit, and the expenses of such work and improvement are made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to-wit: All that real property in the said City of San Diego included within the exterior boundary lines of said district, as shown upon that certain Plat No. 1571, indicating the exterior boundary lines of such district, which Plat, approved by the Common Council, is on file in the Office of the City Engineer of said City, excepting therefrom all public Streets, roads, alleys, avenues and highways. Reference is hereby made to said plat for a particular description of such district.

NOTICE IS HEREBY GIVEN: That on MONDAY, the 10th day of March, 1930, at 10:00 o'clock, A.M., in the Council Chamber of the City Hall of said the City of San Diego, any and all persons having any objections to the proposed work or improvement, to the grades at which said work is to be done, or to the extent of the district to be assessed to pay the costs and expenses of said proposed work or improvement, may appear before said Common Council and show cause why said proposed improvement should not be carried out in accordance with this Resolution.

That the Clerk of said City, be, and he is hereby directed to cause this Resolution of Intention to be published twice in the San Diego Sun, a daily newspaper published and circulated in said City, and hereby designated for that purpose by the Common Council.

That the Street Superintendent of said City, shall after the adoption of this Resolution of Intention, cause to be conspicuously posted along the line of said contemplated work or improvement, at not more than three hundred feet in distance apart, but not less than three in all, notices of the passage of this Resolution of Intention, and when the work to be done is only upon an entire crossing or intersection, or any part thereof, he shall cause such notices to be conspicuously posted in front of each quarter block or irregular block liable to be assessed, and when the work is chargeable upon a district, he shall cause such notices to be conspicuously posted upon all open Streets within such district at not more than three hundred feet in distance apart on each Street so posted, all in the time, form and manner required by law; and thereupon said Superintendent of Streets shall cause to be filed in the Office of the City Clerk of said City, affidavit showing the posting of said notices of improvement.

The Common Council does not deem it advisable that the Clerk mail copies of the notice of improvement to owners or reputed owners, and he is not required to mail the same.

All of the herein proposed work shall be done in pursuance of an Act of the Legislature of the State of California, designated as the "Improvement Act of 1911", approved April 7, 1911, and amendments thereto.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 10th day of February, 1930, by the following vote, to-wit:

That the said work hereinbefore generally described on said COLLEGE WAY, in said City, between the northwesterly line of El Cajon Avenue and a radial line drawn westerly through a point on the westerly line of College Way, distant 67 feet northerly from the intersection of the northwesterly line of El Cajon Avenue with the westerly line of College Way; and between a line parallel to and distant 120 feet southerly from the southerly line of Arosa Street and a radial line drawn easterly through a point on the westerly line of College Way, distant 158.11 feet southerly from the northerly line of El Retiro; shall be done to the modified grades shown and indicated upon the plans, profiles and specifications hereinafter referred to, and to which reference is hereby made for the description of the grades at which the work is to be done.

That a cement concrete sewer main, connections, fittings and appurtenances, cement concrete manholes, connections, fittings and appurtenances, and cement concrete dead end and appurtenances, be constructed in portions of SORIA DRIVE, in said City, between the westerly line of College Way and the southerly line of Arosa Street.

That portions of AROSA STREET, in said City, between the easterly line of College Way and the easterly line of El Retiro, be graded; and that cement concrete curbs, cement concrete sidewalks, cement concrete sewer main, connections, fittings and appurtenances, and cement concrete dead end and appurtenances, be constructed therein.

That the said work hereinbefore generally described on said AROSA STREET, in said City, between the easterly line of College Way and a line parallel to and distant 100 feet easterly from the easterly line of College Way, shall be done to the modified grades shown and indicated upon the plans, profiles and specifications hereinafter referred to, and to which reference is hereby made for the description of the grades at which the work is to be done.

That portions of AROSA STREET, in said City, between the westerly line of College Way and the westerly line of El Retiro, be graded; and that cement concrete curbs, cement concrete sidewalks, cement concrete sewer main, connections, fittings and appurtenances, cement concrete manhole, connections, fittings and appurtenances, and cement concrete dead end and appurtenances, be constructed therein.

That the said work hereinbefore generally described on said AROSA STREET, in said City, between the westerly line of College Way and a line parallel to and distant 115 feet westerly from the northerly production of the westerly line of College Way, shall be done to the modified grades shown and indicated upon the plans, profiles and specifications hereinafter referred to, and to which reference is hereby made for the description of the grades at which the work is to be done.

That a cement concrete sewer main, connections, fittings and appurtenances, cement concrete dead end and appurtenances, be constructed in, over and across a PUBLIC RIGHT OF WAY, in said City, over Lot 5, Block 7, El Retiro.

That a cement concrete sewer main, connections, fittings and appurtenances, and cement concrete dead end and appurtenances, be constructed in, over and across a PUBLIC RIGHT OF WAY, in said City, over Lot 6, Block 7, El Retiro.

That a cement concrete sewer main, connections, fittings and appurtenances, and cement concrete manhole, connections, fittings and appurtenances, be constructed in, over and across a PUBLIC RIGHT OF WAY, in said City, over Lot 7, Block 7, El Retiro.

That a cement concrete sewer main, connections, fittings and appurtenances, and cement concrete dead end and appurtenances, be constructed in, over and across a PUBLIC RIGHT OF WAY, in said City, over Lot 3, Block 5, El Retiro.

That a cement concrete sewer main, connections, fittings and appurtenances, cement concrete settling tank, connections, fittings and appurtenances, and cesspools, connections, fittings and appurtenances, be constructed in, over and across a PUBLIC RIGHT OF WAY, in said City, over a portion of Lot 21, Partition of Rancho Mission of San Diego.

All of the said work hereinbefore generally described shall be constructed in the manner, at the locations, within the limits, of the materials, and of the dimensions as shown upon and in accordance with the plans, profiles, drawings, typical cross-sections and specifications therefor contained in Document No. 253139, on file in the Office of the City Clerk of said City, and copies of which are on file in the Office of the City Engineer of said City, and by this reference thereto all said plans, profiles, drawings, typical cross-sections and specifications are made a part hereof.

The said Common Council hereby determines and declares that serial bonds shall be issued to represent each Assessment of twenty-five dollars or more remaining unpaid after the full expiration of thirty days from the date of the warrant, to represent the expenses of said work and improvement. Said serial bonds shall extend over a period ending nine years from the second day of January next succeeding the fifteenth day of the next November following their date, and an even annual proportion of the principal sum thereof shall be payable by coupon on the second day of January every year after the fifteenth day of the next November following their date until the whole is paid. Said bonds shall bear interest at the rate of seven per cent. per annum, interest payable semi-annually by coupon, on all sums unpaid until the whole of said principal and interest are paid. Said bonds shall be issued and the principal and interest thereof shall be paid under and in pursuance of the Improvement Act of 1911, and amendments thereto.

That the contemplated work and improvement hereinbefore mentioned is in the opinion of said Common Council of more than local and ordinary public benefit, and the expenses of such work and improvement are made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to-wit; All that real property in the said City of San Diego included within the exterior boundary lines of said district, as shown upon that certain plat No. 1592, indicating the exterior boundary lines of such district, which plat, approved by the Common Council, is on file in the Office of the City Engineer of said City; excepting therefrom all public streets, roads, alleys, avenues and highways. Reference is hereby made to said plat for a particular description of such district.

NOTICE IS HEREBY GIVEN, that on Monday, the 10th day of March, 1930, at 10:00 o'clock A.M. in the Council Chamber of the City Hall of said the City of San Diego, any and all persons having any objections to the proposed work or improvement, to the grade at which said work is to be done, or to the extent of the district to be assessed to pay the costs and expenses of said proposed work or improvement, may appear before said Common Council and show cause why said proposed improvement should not be carried out in accordance with this Resolution.

That the Clerk of said City be, and he is hereby directed to cause this Resolution of Intention to be published twice in the San Diego Sun, a daily newspaper published and circulated in said City, and hereby designated for that purpose by the Common Council.

That the Street Superintendent of said City shall, after the adoption of this Resolution of Intention, cause to be conspicuously posted along the line of said contemplated work or improvement, at not more than three hundred feet in distance apart, but not less than three in all, notices of the passage of this Resolution of Intention, and when the work to be done is only upon an entire crossing or intersection, or any part thereof, he shall cause such notices to be conspicuously posted in front of each quarter block or irregular block liable to be assessed, and when the work is chargeable upon a district, he shall cause

such notices to be conspicuously posted upon all open Streets within such district at not more than three hundred feet in distance apart on each Street so posted; all in the time, form and manner required by law; and thereupon said Superintendent of Streets shall cause to be filed in the Office of the City Clerk of said City, an affidavit showing the posting of said notices of improvement.

The Common Council does not deem it advisable that the Clerk mail copies of the notice of improvement to owners or reputed owners, and he is not required to mail the same.

All of the herein proposed work shall be done in pursuance of an Act of the Legislature of the State of California, designated as the "Improvement Act of 1911", approved April 7, 1911, and amendments thereto.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 10th day of February, 1930, by the following vote, to-wit:

#### RESOLUTION OF INTENTION NO. 53041

#### VOLTAIRE STREET, CHATSWORTH BOULEVARD AND CAPISTRANO STREET.

RESOLVED, that it is the intention of the Common Council of the City of San Diego, California, to order the following work to be done and improvement to be made in said City, to-wit:

That portions of VOLTAIRE STREET, in said City, between the southeasterly line of Chatsworth Boulevard and the northwesterly line of Clove Street, be graded, and the sub-grade prepared, and paved with a two-inch asphalt wearing surface, laid upon a four-inch asphaltic base; and that cement concrete curbs, cement concrete sidewalks, cement concrete sewer laterals and appurtenances, cast iron water main, connections, fittings and appurtenances, cast iron gate valve, valve box and cover, copper water service connections and appurtenances, and cast iron fire hydrant, connections, fittings and appurtenances, be constructed therein.

That portions of CHATSWORTH BOULEVARD, in said City, between a line bearing N. 24° 34' 33" W. from the point of intersection of the southeasterly line of Chatsworth Boulevard with the northeasterly line of Voltaire Street and a line parallel to and distant 82.85 feet southwesterly from the above described line bearing N. 24° 34' 33" W., be graded, and the sub-grade prepared, and paved with a two-inch asphalt wearing surface laid upon a four-inch asphaltic base; and that a cast iron fire hydrant, connections, fittings and appurtenances, be constructed therein.

That a cement concrete sewer lateral and appurtenances be constructed in a portion of CAPISTRANO STREET, between the southwesterly line of Voltaire Street and a radial line drawn easterly through a point on the westerly line of Capistrano Street, distant 30.95 feet southeasterly from the northerly corner of Lot 7, Pantages Terrace.

All of the said work hereinbefore generally described shall be constructed in the manner, at the locations, within the limits, of the materials, and of the dimensions as shown upon and in accordance with the plans, profiles, drawings, typical cross-sections and specifications therefor contained in Document No. 252843, on file in the Office of the City Clerk of said City, and copies of which are on file in the Office of the City Engineer of said City, and by this reference thereto all said plans, profiles, drawings, typical cross-sections and specifications are made a part hereof.

The said Common Council hereby determines and declares that serial bonds shall be issued to represent each assessment of twenty-five dollars or more remaining unpaid after the full expiration of thirty days from the date of the warrant, to represent the expenses of said work and improvement. Said serial bonds shall extend over a period ending nine years from the second day of January next succeeding the fifteenth day of the next November following their date, and an even annual proportion of the principal sum thereof shall be payable by coupon on the second day of January every year after the fifteenth day of the next November following their date until the whole is paid. Said bonds shall bear interest at the rate of seven per cent. per annum, interest payable semi-annually by coupon, on all sums unpaid until the whole of said principal and interest are paid. Said bonds shall be issued and the principal and interest thereof shall be paid under and in pursuance of the Improvement Act of 1911, and amendments thereto.

That the contemplated work and improvement hereinbefore mentioned is in the opinion of said Common Council of more than local and ordinary public benefit, and the expenses of such work and improvement are made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to-wit: All that real property in the said City of San Diego included within the exterior boundary lines of such district, as shown upon that certain plat No. 1597, indicating the exterior boundary lines of such district, which plat, approved by the Common Council, is on file in the Office of the City Engineer of said City; excepting therefrom all public streets, roads, alleys, avenues and highways. Reference is hereby made to said plat for a particular description of such district.

NOTICE IS HEREBY GIVEN, that on Monday, the 17th day of March, 1930, at 10:00 o'clock A.M., in the Council Chamber of the City Hall of said the City of San Diego, any and all persons having any objections to the proposed work or improvement, to the grade at which said work is to be done, or to the extent of the district to be assessed to pay the costs and expenses of said proposed work or improvement, may appear before said Common Council and show cause why said proposed improvement should not be carried out in accordance with this Resolution.

That the Clerk of said City be, and he is hereby directed to cause this Resolution of Intention to be published twice in the San Diego Sun, a daily newspaper published and circulated in said City, and hereby designated for that purpose by the Common Council.

That the Street Superintendent of said City shall, after the adoption of this Resolution of Intention, cause to be conspicuously posted along the line of said contemplated work or improvement, at not more than three hundred feet in distance apart, but not less than three in all, notices of the passage of this Resolution of Intention, and when the work to be done is only upon an entire crossing or intersection, or any part thereof, he shall cause such notices to be conspicuously posted in front of each quarter block or irregular block liable to be assessed, and when the work is chargeable upon a district, he shall cause such notices to be conspicuously posted upon all open Streets within such district at not more than three hundred feet in distance apart on each Street so posted; all in the time, form and manner required by law; and thereupon said Superintendent of Streets shall cause to be filed in the Office of the City Clerk of said City, an affidavit showing the posting of said notices of improvement.

The Common Council does not deem it advisable that the Clerk mail copies of the notice of improvement to owners or reputed owners, and he is not required to mail the same.

All of the herein proposed work shall be done in pursuance of an Act of the Legislature of the State of California, designated as the "Improvement Act of 1911", approved April 7, 1911, and amendments thereto.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 17th day of February, 1930, by the following vote, to-wit:

RESOLUTION OF INTENTION NO. 53044  
MISSION BEACH LIGHTING DISTRICT NO. 1.

RESOLVED, that it is the intention of the Common Council of the City of San Diego, California, pursuant to Chapter 247 of the Statutes of the State of California, approved June 6, 1913 (Statutes of 1913, page 421; Act 5215, General Laws of California) to order the following work to be done and improvement to be made in said City, to-wit:

The furnishing of electric current for the lighting of the seventy (70) 600-candle power lamps on bracket arms attached to the poles between the Street railway tracks on MISSION BOULEVARD, between the southerly line of Ventura Place and the southerly line of Pacific Avenue, in the City of San Diego, California; together with the maintenance of said bracket arms, wires and lamps on said Mission Boulevard, within the limits above mentioned. Such furnishing of electric current and such maintenance of appliances shall be for a period of one year from and after May 15, 1930, to-wit, to and including May 14, 1931.

Said work of improvement shall be done in all respects according to, at the places shown by, and of the materials provided for, in the plans and specifications therefor to be hereafter prepared by the City Engineer of said City, and furnished to this Common Council, as hereinafter set forth.

That the exterior boundaries of the district in said City of San Diego to be benefited by said improvement, and to be assessed to pay the costs and expenses thereof, and to be known as the assessment district, are hereby specified as follow, to-wit:

Beginning at the point of intersection of the southerly production of the easterly line of Ocean Front Walk with the southerly line of Ventura Place; thence northerly along the easterly line of Ocean Front Walk and its southerly production to the northwesterly corner of Lot C, Block 247, Mission Beach; thence northwesterly in a direct line to the southwesterly corner of Block 389, Pacific Beach; thence northerly along the westerly line of said Block 389 and its northerly production to the northerly line of Pueblo Lot 1803; thence easterly along the northerly line of Pueblo Lot 1803 to an intersection with the northerly production of the easterly line of Block 249, Mission Beach; thence southerly along the easterly line of said Block 249 and its northerly and southerly productions to the easterly line of Bayside Walk; thence southerly and easterly along the easterly and northerly lines of Bayside Walk to an intersection with the northerly production of the westerly line of Block 91, Mission Beach, as it now exists; thence southerly along the northerly production of the westerly line of said Block 91 to an intersection with the center line of Bayside Walk as it formerly existed, said point of intersection being the northwesterly corner of said Block 91 as it now exists; thence northeasterly, easterly and southeasterly along the center line of Bayside walk as it formerly existed to an intersection with the easterly production of the southerly line of Ventura Place; thence westerly along the southerly line of Ventura Place and its easterly production to the point or place of beginning; excepting therefrom all public streets, roads, alleys, avenues and highways.

Said Common Council does hereby order that the entire amount of the costs and expenses of said improvement shall be assessed upon the district above described.

That the proposed improvement is hereby referred to the City Engineer of said City, and said City Engineer is hereby directed to make and file, with the Clerk of said Common Council, a report, in writing, presenting the following;

1. Plans and specifications for the work required in order to make said improvements;

2. An estimate of the cost of said improvement and of the incidental expenses in connection therewith;

3. A diagram showing the district referred to, and also the boundaries and dimensions of the respective subdivisions of the land within said district, each of which subdivisions shall be given a separate number in red ink upon said diagram.

4. A proposed assessment of the total amount of the costs and expenses of the proposed improvement upon the several subdivisions of land in said district in proportion to the estimated benefits to be received by such subdivisions, respectively, from said improvement. Said assessment shall refer to such subdivisions upon said diagram by the respective red ink numbers thereof, and shall show the names of the owners, if known, otherwise designating them as unknown. No mistake in the name of the owner of any parcel of land shall affect the validity of the assessment thereon.

BE IT FURTHER RESOLVED, that this Common Council by virtue of authority vested in it by provisions of Chapter 620 of the Statutes of the State of California, approved June 4, 1915, (Statutes 1915, page 1171; Act 6427, General Laws of California) and acts amendatory thereof and supplemental thereto, does hereby determine to exercise the right, to the exclusion of all other bidders, to acquire in the name of the City of San Diego, California, at the sale for any delinquency arising from the non-payment of any assessment which shall

be made and levied in these proceedings, any lien which shall accrue, or any property which is required to be sold, under the said law appertaining to said proceedings, for the non-payment of any such assessment or any delinquency incurred by the non-payment thereof.

That the Auditor and Controller of the City of San Diego, California, be, and he is hereby designated for the purpose, and is hereby directed to attend at any sale of property to be made for any delinquency of any assessment to be made and levied in this proceeding and at such sale he is hereby empowered to bid in and acquire, in the name of the City of San Diego, California, to the exclusion of other bidders, all liens and delinquent property at such delinquent sales.

This proceeding shall be designated as Mission Beach Lighting District No. 1.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 17th day of February, 1930, by the following vote, to-wit:

RESOLUTION OF INTENTION NO. 53089

OCEAN VIEW BOULEVARD AND BOUNDARY STREET.

RESOLVED, that it is the intention of the Common Council of the City of San Diego, California, to order the following work to be done and improvement to be made in said City, to-wit:

That a cast iron water main, connections, fittings and appurtenances, and cast iron gate valve, valve box and cover, be constructed in portions of OCEAN VIEW BOULEVARD, in said City, between the easterly line of 40th Street and the northerly production of the easterly line of Boundary Street.

That a cast iron water main, connections, fittings and appurtenances; cast iron gate valves, valve boxes and covers; and cast iron fire hydrants, connections, fittings and appurtenances, be constructed in portions of BOUNDARY STREET, in said City, between the southerly line of Ocean View Boulevard and the southerly line and the easterly production of the southerly line of Pueblo Lot 1344.

All of the said work hereinbefore generally described shall be constructed in the manner, at the locations, within the limits, of the materials, and of the dimensions as shown upon and in accordance with the plans, profiles, drawings, typical cross-sections and specifications therefor contained in Document No. 253140, on file in the Office of the City Clerk of said City, and copies of which are on file in the Office of the City Engineer of said City, and by this reference thereto all said plans, profiles, drawings, typical cross-sections and specifications are made a part hereof.

The said Common Council hereby determines and declares that serial bonds shall be issued to represent each assessment of twenty-five dollars or more remaining unpaid after the full expiration of thirty days from the date of the warrant, to represent the expenses of said work and improvement. Said serial bonds shall extend over a period ending nine years from the second day of January next succeeding the fifteenth day of the next November following their date, and an even annual proportion of the principal sum thereof shall be payable by coupon on the second day of January every year after the fifteenth day of the next November following their date until the whole is paid. Said bonds shall bear interest at the rate of seven per cent. per annum, interest payable semi-annually by coupon, on all sums unpaid until the whole of said principal and interest are paid. Said bonds shall be issued and the principal and interest thereof shall be paid under and in pursuance of the Improvement Act of 1911, and amendments thereto.

That the contemplated work and improvement hereinbefore mentioned is in the opinion of said Common Council of more than local and ordinary public benefit, and the expenses of such work and improvement are made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to-wit: All that real property in the said City of San Diego included within the exterior boundary lines of said district, as shown upon that certain plat No. 1601, indicating the exterior boundary lines of such district, which plat, approved by the Common Council, is on file in the Office of the City Engineer of said City; excepting therefrom all public streets, roads, alleys, avenues and highways. Reference is hereby made to said plat for a particular description of such district.

NOTICE IS HEREBY GIVEN, that on Monday, the 24th day of March, 1930, at 10:00 o'clock A.M., in the Council Chamber of the City Hall of said The City of San Diego, any and all persons having any objections to the proposed work or improvement, to the grade at which said work is to be done, or to the extent of the district to be assessed to pay the costs and expenses of said proposed work or improvement, may appear before said Common Council and show cause why said proposed improvement should not be carried out in accordance with this Resolution.

That the Clerk of said City be, and he is hereby directed to cause this Resolution of Intention to be published twice in the San Diego Sun, a daily newspaper published and circulated in said City, and hereby designated for that purpose by the Common Council.

That the Street Superintendent of said City shall, after the adoption of this Resolution of Intention, cause to be conspicuously posted along the line of said contemplated work or improvement, at not more than three hundred feet in distance apart, but not less than three in all, notices of the passage of this Resolution of Intention, and when the work to be done is only upon an entire crossing or intersection, or any part thereof, he shall cause such notices to be conspicuously posted in front of each quarter block or irregular block liable to be assessed, and when the work is chargeable upon a district, he shall cause such notices to be conspicuously posted upon all open Streets within such district at not more than three hundred feet in distance apart on each Street so posted; all in the time, form and manner required by law; and thereupon said Superintendent of Streets shall cause to be filed in the Office of the City Clerk of said City, an affidavit showing the posting of said notices of improvement.

The Common Council does not deem it advisable that the Clerk mail copies of the notice of improvement to owners or reputed owners, and he is not required to mail the same.

All of the herein proposed work shall be done in pursuance of an Act of the Legislature of the State of California, designated as the "Improvement Act of 1911", approved April 7, 1911, and amendments thereto.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 24th day of February, 1930, by the following vote, to-wit:

That portions of EDGEMONT PLACE, in said City, between the southerly line of C Street and the northerly line of Broadway, be graded, and the sub-grade prepared, and paved with a Portland cement concrete pavement.

That the said work hereinbefore generally described on said EDGEMONT PLACE, in said City, between a line drawn parallel to and distant 250 feet southerly from the southerly line of C Street and a line drawn parallel to and distant 25 feet northerly from the northerly line of Broadway, shall be done to the modified grades shown and indicated upon the plans, profiles and specifications hereinafter referred to, and to which reference is hereby made for the description of the grades at which the work is to be done.

That portions of C STREET, in said City, between a line drawn parallel to and distant 5 feet easterly from the northerly production of the easterly line of Edgemont Place and a line drawn parallel to and distant 5 feet westerly from the northerly production of the westerly line of Edgemont Place, be graded, and the sub-grade prepared, and paved with a Portland cement concrete pavement; and that cement concrete curbs be constructed therein.

All of the said work hereinbefore generally described shall be constructed in the manner, at the locations, within the limits, of the materials, and of the dimensions as shown upon and in accordance with the plans, profiles, drawings, typical cross-sections and specifications therefor contained in Document No. 253701, on file in the Office of the City Clerk of said City, and copies of which are on file in the Office of the City Engineer of said City, and by this reference thereto all said plans, profiles, drawings, typical cross-sections and specifications are made a part hereof.

The said Common Council hereby determines and declares that serial bonds shall be issued to represent each assessment of twenty-five dollars or more remaining unpaid after the full expiration of thirty days from the date of the warrant, to represent the expenses of said work and improvement. Said serial bonds shall extend over a period ending nine years from the second day of January next succeeding the fifteenth day of the next November following their date, and an even annual proportion of the principal sum thereof shall be payable by coupon on the second day of January every year after the fifteenth day of the next November following their date until the whole is paid. Said bonds shall bear interest at the rate of seven per cent. per annum, interest payable semi-annually by coupon, on all sums unpaid until the whole of said principal and interest are paid. Said bonds shall be issued and the principal and interest thereof shall be paid under and in pursuance of the Improvement Act of 1911, and amendments thereto.

That the contemplated work and improvement hereinbefore mentioned is in the opinion of said Common Council of more than local and ordinary public benefit, and the expenses of such work and improvement are made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to-wit: All that real property in the said City of San Diego included within the exterior boundary lines of said district, as shown upon that certain Plat No. 1608, indicating the exterior boundary lines of such district, which plat, approved by the Common Council, is on file in the Office of the City Engineer of said City; excepting therefrom all public streets, roads, alleys, avenues and highways. Reference is hereby made to said plat for a particular description of such district.

NOTICE IS HEREBY GIVEN, that on Monday, the 24th day of March, 1930, at 10:00 o'clock A.M., in the Council Chamber of the City Hall of said the City of San Diego, any and all persons having any objections to the proposed work or improvement, to the grade at which said work is to be done, or to the extent of the district to be assessed to pay the costs and expenses of said proposed work or improvement, may appear before said Common Council and show cause why said proposed improvement should not be carried out in accordance with this Resolution.

That the Clerk of said City be, and he is hereby directed to cause this Resolution of Intention to be published twice in the San Diego Sun, a daily newspaper published and circulated in said City, and hereby designated for that purpose by the Common Council.

That the Street Superintendent of said City shall, after the adoption of this Resolution of Intention, cause to be conspicuously posted along the line of said contemplated work or improvement, at not more than three hundred feet in distance apart, but not less than three in all, notices of the passage of this Resolution of Intention, and when the work to be done is only upon an entire crossing or intersection, or any part thereof, he shall cause such notices to be conspicuously posted in front of each quarter block or irregular block liable to be assessed, and when the work is chargeable upon a district, he shall cause such notices to be conspicuously posted upon all open Streets within such district at not more than three hundred feet in distance apart on each Street so posted; all in the time, form and manner required by law; and thereupon said Superintendent of Streets shall cause to be filed in the Office of the City Clerk of said City, an affidavit showing the posting of said notices of improvement.

The Common Council does not deem it advisable that the Clerk mail copies of the notice of improvement to owners or reputed owners, and he is not required to mail the same.

All of the herein proposed work shall be done in pursuance of an Act of the Legislature of the State of California, designated as the "Improvement Act of 1911", approved April 7, 1911, and amendments thereto.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 24th day of February, 1930, by the following vote, to-wit:

#### RESOLUTION OF INTENTION NO. 53091

ALLEY IN BLOCK 186, SUBDIVISION OF PUEBLO LOT 1157 FOR MANNASSE AND SCHILLER: ALLEY IN BLOCK 67, SHERMAN'S ADDITION; 19TH STREET AND SIGSBEE STREET.

RESOLVED, that it is the intention of the Common Council of the City of San Diego, California, to order the following work to be done and improvement to be made in said City, to-wit:

That the ALLEY IN BLOCK 186, SUBDIVISION OF PUEBLO LOT 1157 FOR MANNASSE AND SCHILLER, in said City, between the northwesterly line of Beardsley Street and the southerly line of Sherman's Addition, be graded, and the sub-grade prepared, and paved with a Portland cement concrete pavement; and that cement concrete sewer laterals and appurtenances be constructed therein.

That the ALLEY IN BLOCK 67, SHERMAN'S ADDITION, in said City, between the northwesterly production of the northeasterly line of the Alley in Block 186, Subdivision of Pueblo Lot 1157 for Mannasse and Schiller, and the southerly production of the easterly line of 19th Street, be graded, and the sub-grade prepared, and paved with a Portland cement concrete pavement.

That portions of 19TH STREET, in said City, between the southerly line of Sherman's Addition and a line drawn parallel to and distant 25 feet northerly from the southerly line of Sherman's Addition, be graded, and the sub-grade prepared, and paved with a Portland cement concrete pavement; and that cement concrete curbs be constructed therein.

That portions of SIGSBEE STREET, in said City, between the southerly line of Sherman's Addition and a line drawn parallel to and distant 5 feet southerly from the southerly line of Sherman's Addition, be graded, and the sub-grade prepared, and paved with a Portland cement concrete pavement; and that a cement concrete curb be constructed therein.

All of the said work hereinbefore generally described shall be constructed in the manner, at the locations, within the limits, of the materials, and of the dimensions as shown upon and in accordance with the plans, profiles, drawings, typical cross-sections and specifications therefor contained in Document No. 253702, on file in the Office of the City Clerk of said City, and copies of which are on file in the Office of the City Engineer of said City, and by this reference thereto all said plans, profiles, drawings, typical cross-sections and specifications are made a part hereof.

The said Common Council hereby determines and declares that serial bonds shall be issued to represent each assessment of twenty-five dollars or more remaining unpaid after the full expiration of thirty days from the date of the warrant, to represent the expenses of said work and improvement. Said serial bonds shall extend over a period ending nine years from the second day of January next succeeding the fifteenth day of the next November following their date, and an even annual proportion of the principal sum thereof shall be payable by coupon on the second day of January every year after the fifteenth day of the next November following their date until the whole is paid. Said bonds shall bear interest at the rate of seven per cent. per annum, interest payable semi-annually by coupon, on all sums unpaid until the whole of said principal and interest are paid. Said bonds shall be issued and the principal and interest thereof shall be paid under and in pursuance of the Improvement Act of 1911, and amendments thereto.

That the contemplated work and improvement hereinbefore mentioned is in the opinion of said Common Council of more than local and ordinary public benefit, and the expenses of such work and improvement are made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to-wit: All that real property in the said City of San Diego included within the exterior boundary lines of said district, as shown upon that certain plat No. 1606, indicating the exterior boundary lines of such district, which plat, approved, by the Common Council, is on file in the Office of the City Engineer of said City, excepting therefrom all public streets, roads, alleys, avenues and highways. Reference is hereby made to said plat for a particular description of such district.

NOTICE IS HEREBY GIVEN, that on Monday, the 24th day of March, 1930, at 10:00 o'clock A.M., in the Council Chamber of the City Hall of said the City of San Diego, any and all persons having any objections to the proposed work or improvement, to the grade at which said work is to be done, or to the extent of the district to be assessed to pay the costs and expenses of said proposed work or improvement, may appear before said Common Council and show cause why said proposed improvement should not be carried out in accordance with this Resolution.

That the Clerk of said City be, and he is hereby directed to cause this Resolution of Intention to be published twice in the San Diego Sun, a daily newspaper published and circulated in said City, and hereby designated for that purpose by the Common Council.

That the Street Superintendent of said City shall, after the adoption of this Resolution of Intention, cause to be conspicuously posted along the line of said contemplated work or improvement, at not more than three hundred feet in distance apart, but not less than three in all, notices of the passage of this Resolution of Intention, and when the work to be done is only upon an entire crossing or intersection, or any part thereof, he shall cause such notices to be conspicuously posted in front of each quarter block or irregular block liable to be assessed, and when the work is chargeable upon a district, he shall cause such notices to be conspicuously posted upon all open Streets within such district at not more than three hundred feet in distance apart on each Street so posted; all in the time, form and manner required by law; and thereupon said Superintendent of Streets shall cause to be filed in the Office of the City Clerk of said City, an affidavit showing the posting of said notices of improvement.

The Common Council does not deem it advisable that the Clerk mail copies of the notice of improvement to owners or reputed owners, and he is not required to mail the same.

All of the herein proposed work shall be done in pursuance of an Act of the Legislature of the State of California, designated as the "Improvement Act of 1911", approved April 7, 1911, and amendments thereto.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 24th day of February, 1930, by the following vote, to-wit:

#### RESOLUTION OF INTENTION NO. 53139 ALLEY IN BLOCK 11, SUBDIVISION OF LOTS 20 TO 50, BLOCK N, TERALTA: AND ORANGE AVENUE.

RESOLVED, that it is the intention of the Common Council of the City of San Diego, California, to order the following work to be done and improvement to be made in said City, to-wit:

That the ALLEY IN BLOCK 11, SUBDIVISION OF LOTS 20 TO 50, BLOCK N, TERALTA, in said City, between the north line of Polk Avenue and the south line of Orange Avenue, be graded, and the sub-grade prepared, and paved with a Portland cement concrete pavement; and that cast iron water main, connections, fittings and appurtenances, cast iron gate valve, valve box and cover, be constructed therein.

That a cast iron water main, connections, fittings and appurtenances, cast iron gate valve, valve box and cover, and cast iron fire hydrant, with steel clamp and shackle anchor, connections, fittings and appurtenances, be constructed in portions of ORANGE AVENUE, in said City, between the northerly production of the westerly line of the Alley in Block 11, Subdivision of Lots 20 to 50, Block N, Teralta, and a line drawn parallel to and distant 30 feet easterly from the northerly production of the westerly line of the Alley in Block 11, Subdivision of Lots 20 to 50, Block N, Teralta.

All of the said work hereinbefore generally described shall be constructed in the manner, at the locations, within the limits, of the materials, and of the dimensions as shown upon and in accordance with the plans, profiles, drawings, typical cross-sections and specifications therefor contained in Document No. 254186, on file in the Office of the City Clerk of said City, and copies of which are on file in the Office of the City Engineer of said City, and by this reference thereto all said plans, profiles, drawings, typical cross-sections and specifications are made a part hereof.

The said Common Council hereby determines and declares that serial bonds shall be issued to represent each assessment of twenty-five dollars or more remaining unpaid after the full expiration of thirty days from the date of the warrant, to represent the expenses of said work and improvement. Said serial bonds shall extend over a period ending nine years from the second day of January next succeeding the fifteenth day of the next November following their date, and an even annual proportion of the principal sum thereof shall be payable by coupon on the second day of January every year after the fifteenth day of the next November following their date until the whole is paid. Said bonds shall bear interest at the rate of seven per cent. per annum, interest payable semi-annually by coupon, on all sums unpaid until the whole of said principal and interest are paid. Said bonds shall be issued and the principal and interest thereof shall be paid under and in pursuance of the Improvement Act of 1911, and amendments thereto.

That the contemplated work and improvement hereinbefore mentioned is in the opinion of said Common Council of more than local and ordinary public benefit, and the expenses of such work and improvement are made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to-wit: All that real property in the said City of San Diego included within the exterior boundary lines of said district, as shown upon that certain plat No. 1564, indicating the exterior boundary lines of such district, which plat, approved by the Common Council, is on file in the Office of the City Engineer of said City; excepting therefrom all public streets, roads, alleys, avenues and highways. Reference is hereby made to said Plat for a particular description of such district.

NOTICE IS HEREBY GIVEN, that on Monday, the 31st day of March, 1930, at 10:00 o'clock A.M., in the Council Chamber of the City Hall of said the City of San Diego, any and all persons having any objections to the proposed work or improvement, to the grade at which said work is to be done, or to the extent of the district to be assessed to pay the costs and expenses of said proposed work or improvement, may appear before said Common Council and show cause why said proposed improvement should not be carried out in accordance with this Resolution.

That the Clerk of said City be, and he is hereby directed to cause this Resolution of Intention to be published twice in the San Diego Sun, a daily newspaper published and circulated in said City, and hereby designated for that purpose by the Common Council.

That the Street Superintendent of said City shall, after the adoption of this Resolution of Intention, cause to be conspicuously posted along the line of said contemplated work or improvement, at not more than three hundred feet in distance apart, but not less than three in all, notices of the passage of this Resolution of Intention, and when the work to be done is only upon an entire crossing or intersection, or any part thereof, he shall cause such notices to be conspicuously posted in front of each quarter block or irregular block liable to be assessed, and when the work is chargeable upon a district, he shall cause such notices to be conspicuously posted upon all open Streets within such district at not more than three hundred feet in distance apart on each Street so posted; all in the time, form and manner required by law; and thereupon said Superintendent of Streets shall cause to be filed in the Office of the City Clerk of said City, an affidavit showing the posting of said notices of improvement.

The Common Council does not deem it advisable that the Clerk mail copies of the notice of improvement to owners or reputed owners, and he is not required to mail the same.

All of the herein proposed work shall be done in pursuance of an Act of the Legislature of the State of California, designated as the "Improvement Act of 1911", approved April 7, 1911, and amendments thereto.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 3rd day of March, 1930, by the following vote, to-wit:

#### RESOLUTION OF INTENTION NO. 53211

TENNYSON STREET AND STERNE STREET.

RESOLVED, that it is the intention of the Common Council of the City of San Diego, California, to order the following work to be done and improvement to be made in said City, to-wit:

That portions of TENNYSON STREET, in said City, between the northwesterly line of Chatsworth Boulevard and the northwesterly line of Willow Street, be graded, and the sub-grade prepared, and paved with a Portland cement concrete pavement; and that cement concrete curbs, cement concrete sidewalks, cement concrete sewer laterals and appurtenances, cast iron water main, connections, fittings and appurtenances, copper water service connections and appurtenances, cast iron fire hydrants, connections, fittings and appurtenances, cement concrete drainage slabs and cement concrete curtain wall, be constructed therein.

That the said work hereinbefore generally described on said TENNYSON STREET, in said City, between the southeasterly line of Chatsworth Boulevard and the northwesterly line of Capistrano Street; between the southeasterly line of Capistrano Street and a line drawn parallel to and distant 174.59 feet southeasterly from the southeasterly line of Capistrano

Street; and between a line drawn parallel to and distant 301.15 feet northwesterly from the northwesterly line of Plum Street and the northwesterly line of Willow Street; shall be done to the modified grades shown and indicated upon the plans, profiles and specifications hereinafter referred to, and to which reference is hereby made for the description of the grades at which the work is to be done.

That portions of STERNE STREET, in said City, between the southwesterly line of Tennyson Street and the northwesterly line of Plum Street, be graded, and the sub-grade prepared, and paved with a Portland cement concrete pavement; and that cement concrete curbs, cement concrete sidewalks, cement concrete sewer laterals and appurtenances, cast iron water main, connections, fittings and appurtenances, copper water service connections and appurtenances, cast iron fire hydrant, connections, fittings and appurtenances, and cement concrete drainage slabs, be constructed therein.

That the said work hereinbefore generally described on said STERNE STREET, in said City, between the southwesterly line of Tennyson Street and a line drawn at right angles northeasterly from a point on the southwesterly line of Sterne Street distant 50 feet southeasterly from the point of intersection of the southwesterly line of Sterne Street with the southwesterly line of Tennyson Street, shall be done to the modified grades shown and indicated upon the plans, profiles and specifications hereinafter referred to, and to which reference is hereby made for the description of the grades at which the work is to be done.

All of the said work hereinbefore generally described shall be constructed in the manner, at the locations, within the limits, of the materials, and of the dimensions as shown upon and in accordance with the plans, profiles, drawings, typical cross-sections and specifications therefor contained in Document No. 254187, on file in the Office of the City Clerk of said City, and copies of which are on file in the Office of the City Engineer of said City, and by this reference thereto all said plans, profiles, drawings, typical cross-sections and specifications are made a part hereof.

The said Common Council hereby determines and declares that serial bonds shall be issued to represent each assessment of twenty-five dollars or more remaining unpaid after the full expiration of thirty days from the date of the warrant, to represent the expenses of said work and improvement. Said serial bonds shall extend over a period ending nine years from the second day of January next succeeding the fifteenth day of the next November following their date, and an even annual proportion of the principal sum thereof shall be payable by coupon on the second day of January every year after the fifteenth day of the next November following their date until the whole is paid. Said bonds shall bear interest at the rate of seven per cent. per annum, interest payable semi-annually by coupon, on all sums unpaid until the whole of said principal and interest are paid. Said bonds shall be issued and the principal and interest thereof shall be paid under and in pursuance of the Improvement Act of 1911, and amendments thereto.

That the contemplated work and improvement hereinbefore mentioned is in the opinion of said Common Council of more than local and ordinary public benefit, and the expenses of such work and improvement are made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to-wit: All that real property in the said City of San Diego included within the exterior boundary lines of said district, as shown upon that certain plat No. 1614, indicating the exterior boundary lines of such district, which plat, approved by the Common Council, is on file in the Office of the City Engineer of said City; excepting therefrom all public streets, roads, alleys, avenues and highways.. Reference is hereby made to said plat for a particular description of such district.

NOTICE IS HEREBY GIVEN, that on Monday, the 7th day of April, 1930, at 10:00 o'clock A.M. in the Council Chamber of the City Hall of said the City of San Diego, any and all persons having any objections to the proposed work or improvement, to the grade at which said work is to be done, or to the extent of the district to be assessed to pay the costs and expenses of said proposed work or improvement, may appear before said Common Council and show cause why said proposed improvement should not be carried out in accordance with this Resolution.

That the Clerk of said City be, and he is hereby directed to cause this Resolution of Intention to be published twice in the San Diego Sun, a daily newspaper published and circulated in said City, and hereby designated for that purpose by the Common Council.

That the Street Superintendent of said City shall, after the adoption of this Resolution of Intention, cause to be conspicuously posted along the line of said contemplated work or improvement, at not more than three hundred feet in distance apart, but not less than three in all, notices of the passage of this Resolution of Intention, and when the work to be done is only upon an entire crossing or intersection, or any part thereof, he shall cause such notices to be conspicuously posted in front of each quarter block or irregular block liable to be assessed, and when the work is chargeable upon a district, he shall cause such notices to be conspicuously posted upon all open Streets within such district at not more than three hundred feet in distance apart on each Street so posted; all in the time, form and manner required by law; and thereupon said Superintendent of Streets shall cause to be filed in the Office of the City Clerk of said City, an affidavit showing the posting of said notices of improvement.

The Common Council does not deem it advisable that the Clerk mail copies of the notice of improvement to owners or reputed owners, and he is not required to mail the same.

All of the herein proposed work shall be done in pursuance of an Act of the Legislature of the State of California, designated as the "Improvement Act of 1911", approved April 7, 1911, and amendments thereto.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 10th day of March, 1930, by the following vote, to-wit:

NOTICE IS HEREBY GIVEN, that on Monday, the 7th day of April, 1930, at 10:00 o'clock A.M. in the Council Chamber of the City Hall of said The City of San Diego, any and all persons having any objections to the proposed work or improvement, to the grade at which said work is to be done, or to the extent of the district to be assessed to pay the costs and expenses of said proposed work or improvement, may appear before said Common Council and show cause why said proposed improvement should not be carried out in accordance with this Resolution.

That the Clerk of said City be, and he is hereby directed to cause this Resolution of Intention to be published twice in the San Diego Sun, a daily newspaper published and circulated in said City, and hereby designated for that purpose by the Common Council.

That the Street Superintendent of said City shall, after the adoption of this Resolution of Intention, cause to be conspicuously posted along the line of said contemplated work or improvement, at not more than three hundred feet in distance apart, but not less than three in all, notices of the passage of this Resolution of Intention, and when the work to be done is only upon an entire crossing or intersection, or any part thereof, he shall cause such notices to be conspicuously posted in front of each quarter block or irregular block liable to be assessed, and when the work is chargeable upon a district, he shall cause such notices to be conspicuously posted upon all open Streets within such district at not more than three hundred feet in distance apart on each Street so posted; all in the time, form and manner required by law; and thereupon said Superintendent of Streets shall cause to be filed in the Office of the City Clerk of said City, an affidavit showing the posting of said notices of improvement.

The Common Council does not deem it advisable that the Clerk mail copies of the notice of improvement to owners or reputed owners, and he is not required to mail the same.

All of the herein proposed work shall be done in pursuance of an Act of the Legislature of the State of California, designated as the "Improvement Act of 1911", approved April 7, 1911, and amendments thereto.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 10th day of March, 1930, by the following vote, to-wit:

## RESOLUTION OF INTENTION NO. 53264

ALLEYS IN BLOCKS 1 AND 3, WASHINGTON HEIGHTS

RESOLVED, that it is the intention of the Common Council of the City of San Diego, California, to order the following work to be done and improvement to be made in said City, to-wit:

That portions of the ALLEY IN BLOCK 1, WASHINGTON HEIGHTS, in said City, between the southerly line of Montecito Way and the northerly line of Lewis Street, be graded, and the sub-grade prepared, and paved with a Portland cement concrete pavement.

That portions of the ALLEY IN BLOCK 3, WASHINGTON HEIGHTS, in said City, between the southerly line of Lewis Street and the northerly line of Fort Stockton Drive, be graded, and the sub-grade prepared, and paved with a Portland cement concrete pavement.

All of the said work hereinbefore generally described shall be constructed in the manner, at the locations, within the limits, of the materials, and of the dimensions as shown upon and in accordance with the plans, profiles, drawings, typical cross-sections and specifications therefor contained in Document No. 254408, on file in the Office of the City Clerk of said City, and copies of which are on file in the Office of the City Engineer of said City, and by this reference thereto all said plans, profiles, drawings, typical cross-sections and specifications are made a part hereof.

The said Common Council hereby determines and declares that serial bonds shall be issued to represent each assessment of twenty-five dollars or more remaining unpaid after the full expiration of thirty days from the date of the warrant, to represent the expenses of said work and improvement. Said serial bonds shall extend over a period ending nine years from the second day of January next succeeding the fifteenth day of the next November following their date, and an even annual proportion of the principal sum thereof shall be payable by coupon on the second day of January every year after the fifteenth day of the next November following their date until the whole is paid. Said bonds shall bear interest at the rate of seven per cent. per annum, interest payable semi-annually by coupon, on all sums unpaid until the whole of said principal and interest are paid. Said bonds shall be issued and the principal and interest thereof shall be paid under and in pursuance of the Improvement Act of 1911, and amendments thereto.

That the contemplated work and improvement hereinbefore mentioned is in the opinion of said Common Council of more than local and ordinary public benefit, and the expenses of such work and improvement are made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to-wit: All that real property in the said City of San Diego included within the exterior boundary lines of said district, as shown upon that certain plat No. 1616, indicating the exterior boundary lines of such district, which plat, approved by the Common Council, is on file in the Office of the City Engineer of said City; excepting therefrom all public streets, roads, alleys, avenues and highways. Reference is hereby made to said plat for a particular description of such district.

NOTICE IS HEREBY GIVEN, that on Monday, the 14th day of April, 1930, at 10:00 o'clock A.M. in the Council Chamber of the City Hall of said The City of San Diego, any and all persons having any objections to the proposed work or improvement, to the grade at which said work is to be done, or to the extent of the district to be assessed to pay the costs and expenses of said proposed work or improvement, may appear before said Common Council and show cause why said proposed improvement should not be carried out in accordance with this Resolution.

That the Clerk of said City be, and he is hereby directed to cause this Resolution of Intention to be published twice in the San Diego Sun, a daily newspaper published and circulated in said City, and hereby designated for that purpose by the Common Council.

That the Street Superintendent of said City shall, after the adoption of this Resolution of Intention, cause to be conspicuously posted along the line of said contemplated work or improvement, at not more than three hundred feet in distance apart, but not less than three in all, notices of the passage of this Resolution of Intention, and when the work to be done is only upon an entire crossing or intersection, or any part thereof, he shall cause such notices to be conspicuously posted in front of each quarter block or irregular block liable to be assessed, and when the work is chargeable upon a district, he shall cause such notices to be conspicuously posted upon all open Streets within such district at not more than three hundred feet in distance apart on each Street so posted; all in the time, form and manner required by law; and thereupon said Superintendent of Streets shall cause to be filed in the Office of the City Clerk of said City, an affidavit showing the posting of said notices of improvement.

The Common Council does not deem it advisable that the Clerk mail copies of the notice of improvement to owners or reputed owners, and he is not required to mail the same.

All of the herein proposed work shall be done in pursuance of an Act of the Legislature of the State of California, designated as the "Improvement Act of 1911", approved April 7, 1911, and amendments thereto.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 17th day of March, 1930, by the following vote, to-wit:

NOTICE IS HEREBY GIVEN, that on Monday, the 14th day of April, 1930, at 10:00 o'clock A.M. in the Council Chamber of the City Hall of said the City of San Diego, any and all persons having any objections to the proposed work or improvement, to the grade at which said work is to be done, or to the extent of the district to be assessed to pay the costs and expenses of said proposed work or improvement, may appear before said Common Council and show cause why said proposed improvement should not be carried out in accordance with this Resolution.

That the Clerk of said City be, and he is hereby directed to cause this Resolution of Intention to be published twice in the San Diego Sun, a daily newspaper published and circulated in said City, and hereby designated for that purpose by the Common Council.

That the Street Superintendent of said City shall, after the adoption of this Resolution of Intention, cause to be conspicuously posted along the line of said contemplated work or improvement, at not more than three hundred feet in distance apart, but not less than three in all, notices of the passage of this Resolution of Intention, and when the work to be done is only upon an entire crossing or intersection, or any part thereof, he shall cause such notices to be conspicuously posted in front of each quarter block or irregular block liable to be assessed, and when the work is chargeable upon a district, he shall cause such notices to be conspicuously posted upon all open Streets within such district at not more than three hundred feet in distance apart on each Street so posted; all in the time, form and manner required by law; and thereupon said Superintendent of Streets shall cause to be filed in the Office of the City Clerk of said City, an affidavit showing the posting of said notices of improvement.

The Common Council does not deem it advisable that the Clerk mail copies of the notice of improvement to owners or reputed owners, and he is not required to mail the same.

All of the herein proposed work shall be done in pursuance of an Act of the Legislature of the State of California, designated as the "Improvement Act of 1911", approved April 7, 1911, and amendments thereto.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 17th day of March, 1930, by the following vote, to-wit:

Such furnishing of electric current and such maintenance of appliances shall be for a period of one year from and after June 28, 1930, to-wit, to and including June 27, 1931.

Said work of improvement shall be done in all respects according to, at the places shown by, and of the materials provided for, in the plans and specifications therefor to be hereafter prepared by the City Engineer of said City, and furnished to this Common Council, as hereinafter set forth.

That the exterior boundaries of the district in said City of San Diego to be benefited by said improvement, and to be assessed to pay the costs and expenses thereof, and to be known as the assessment district, are hereby specified as follows, to-wit:

Beginning at the most northerly corner of Plumosa Park; thence southeasterly along the northeasterly line of Plumosa Park to a point distant 20 feet southeasterly from the southerly line of Wisteria Drive; thence southerly along the easterly line of Lot 16, Block B, Plumosa Park, to the southeasterly corner thereof; thence southerly in a direct line to the northwesterly corner of Villa Lot 58, Chatsworth Terrace; thence easterly and northeasterly along the southerly and southeasterly lines of Wing Street to the most westerly corner of Villa Lot 68, Chatsworth Terrace; thence northeasterly in a direct line to the southwesterly corner of Lot 23, Country Club Terrace; thence northerly along the westerly line of said Lot 20 to the northwesterly corner thereof; thence northeasterly along the northwesterly lines of Lots 23, 22, 21 and 20, Country Club Terrace, to the northeasterly corner of said Lot 20; thence southerly in a direct line to the most northerly corner of Lot 19, Country Club Terrace; thence southeasterly along the northeasterly line of said Lot 19 to the most easterly corner thereof; thence southeasterly in a direct line to the point of intersection of the northeasterly line of Lytton Street with the easterly line of Evergreen Street; thence southeasterly along the northeasterly line of Lytton Street to the northwesterly line of Rosecrans Street; thence southeasterly in a direct line to the point of intersection of the southwesterly line of Lytton Street with the southeasterly line of Rosecrans Street; thence southwesterly along the southeasterly line of Rosecrans Street to its intersection with a line parallel to and distant 100 feet southwesterly from the southwesterly line of Curtis Street and its southeasterly prolongation; thence northwesterly along said parallel line and its northwesterly prolongation to a point distant 100 feet northwest-

erly from the northwesterly line of Chatsworth Boulevard; thence northeasterly along a line parallel to and distant 100 feet northwesterly from the northwesterly line of Chatsworth Boulevard to the southerly line of Curtis Street; thence northeasterly in a direct line to the most southwesterly corner of Lot 78, Point Loma Villas; thence northerly along the westerly line of said Lot 78 to the most southerly corner of Lot 75, Point Loma Villas; thence northwesterly along the southwesterly lines of Lots 67 to 75 inclusive to the easterly line of Villa Drive; thence northwesterly in a direct line to the most southerly corner of Lot D, Point Loma Villas; thence northwesterly along the southwesterly lines of Lot D, Point Loma Villas, and of Block J, Plumosa Park, and along the northwesterly prolongation of the southwesterly line of said Block J to the northwesterly line of Plumosa Park; thence northeasterly along the northwesterly line of Plumosa Park to the point or place of beginning; excepting therefrom all public streets, roads, alleys, avenues and highways.

Said Common Council does hereby order that the entire amount of the costs and expenses of said improvement shall be assessed upon the district above described.

That the proposed improvement is hereby referred to the City Engineer of said City, and said City Engineer is hereby directed to make and file, with the Clerk of said Common Council, a report, in writing, presenting the following:

1. Plans and specifications for the work required in order to make said improvements;
2. An estimate of the cost of said improvement and of the incidental expenses in connection therewith;

3. A diagram showing the district referred to, and also the boundaries and dimensions of the respective subdivisions of the land within said district, each of which subdivisions shall be given a separate number in red ink upon said diagram.

4. A proposed assessment of the total amount of the costs and expenses of the proposed improvement upon the several subdivisions of land in said district in proportion to the estimated benefits to be received by such subdivisions, respectively, from said improvement. Said assessment shall refer to such subdivisions upon said diagram by the respective red ink numbers thereof, and shall show the names of the owners, if known, otherwise designating them as unknown. No mistake in the name of the owner of any parcel of land shall affect the validity of the assessment thereon.

BE IT FURTHER RESOLVED, that this Common Council by virtue of authority vested in it by provisions of Chapter 620 of the Statutes of the State of California, approved June 4, 1915, (Statutes 1915, Page 1171; Act 6427, General Laws of California) and acts amendatory thereof and supplemental thereto, does hereby determine to exercise the right, to the exclusion of all other bidders, to acquire in the name of the City of San Diego, California, at the sale for any delinquency arising from the non-payment of any assessment which shall be made and levied in these proceedings, any lien which shall accrue, or any property which is required to be sold, under the said law appertaining to said proceedings, for the non-payment of any such assessment or any delinquency incurred by the non-payment thereof.

That the Auditor and Controller of the City of San Diego, California, be, and he is hereby designated for the purpose, and is hereby directed to attend at any sale of property to be made for any delinquency of any assessment to be made and levied in this proceeding and at such sale he is hereby empowered to bid in and acquire, in the name of the City of San Diego, California, to the exclusion of other bidders, all liens and delinquent property at such delinquent sales.

This proceeding shall be designated as Loma Portal Lighting District No. 1.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 17th day of March, 1930, by the following vote, to-wit:

#### RESOLUTION OF INTENTION NO. 53313

BERYL STREET

RESOLVED, that it is the intention of the Common Council of the City of San Diego, California, to order the following work to be done and improvement to be made in said City, to-wit:

That portions of BERYL STREET, in said City, between the easterly line of Cass Street and the westerly line of Dawes Street, be graded; and that cement concrete curbs, cement concrete sidewalks, and cast iron water main, connections, fittings and appurtenances, be constructed therein;

That the said work hereinbefore generally described on said BERYL STREET, in said City, between the easterly line of Cass Street and the westerly line of Dawes Street, shall be done to the modified grades shown and indicated upon the plans, profiles and specifications hereinafter referred to, and to which reference is hereby made for the description of the grades at which the work is to be done.

All of the said work hereinbefore generally described shall be constructed in the manner, at the locations, within the limits, of the materials, and of the dimensions as shown upon and in accordance with the plans, profiles, drawings, typical cross-sections and specifications therefor contained in Document No. 254589, on file in the Office of the City Clerk of said City, and copies of which are on file in the Office of the City Engineer of said City, and by this reference thereto all said plans, profiles, drawings, typical cross-sections and specifications are made a part hereof.

The said Common Council hereby determines and declares that serial bonds shall be issued to represent each assessment of twenty-five dollars or more remaining unpaid after the full expiration of thirty days from the date of the warrant, to represent the expenses of said work and improvement. Said serial bonds shall extend over a period ending nine years from the second day of January next succeeding the fifteenth day of the next November following their date, and an even annual proportion of the principal sum thereof shall be payable by coupon on the second day of January every year after the fifteenth day of the next November following their date until the whole is paid. Said bonds shall bear interest at the rate of seven per cent. per annum, interest payable semi-annually by coupon, on all sums unpaid until the whole of said principal and interest are paid. Said bonds shall be issued and the principal and interest thereof shall be paid under and in pursuance of the Improvement Act of 1911, and amendments thereto.

That the contemplated work and improvement hereinbefore mentioned is in the opinion of said Common Council of more than local and ordinary public benefit, and the expense of such work and improvement are made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to-wit: All that real property in the said City of San Diego included within the exterior boundary lines of said district, as shown upon that certain plat No. 1610, indicating the exterior boundary lines of such district, which plat, approved by the Common Council, is on file in the Office of the City Engineer of said City; excepting therefrom all public streets, roads, alleys, avenues and highways. Reference is hereby made to said plat for a particular description of such district.

NOTICE IS HEREBY GIVEN, that on Monday, the 21st day of April, 1930, at 10:00 o'clock A.M. in the Council Chamber of the City Hall of said the City of San Diego, any and all persons having any objections to the proposed work or improvement, to the grade at which said work is to be done, or to the extent of the district to be assessed to pay the costs and expenses of said proposed work or improvement, may appear before said Common Council and show cause why said proposed improvement should not be carried out in accordance with this Resolution.

That the Clerk of said City be, and he is hereby directed to cause this Resolution of Intention to be published twice in the San Diego Sun, a daily newspaper published and circulated in said City, and hereby designated for that purpose by the Common Council.

That the Street Superintendent of said City shall, after the adoption of this Resolution of Intention, cause to be conspicuously posted along the line of said contemplated work or improvement, at not more than three hundred feet in distance apart, but not less than three in all, notices of the passage of this Resolution of Intention, and when the work to be done is only upon an entire crossing or intersection, or any part thereof, he shall cause such notices to be conspicuously posted in front of each quarter block or irregular block liable to be assessed, and when the work is chargeable upon a district, he shall cause such notices to be conspicuously posted upon all open Streets within such district at not more than three hundred feet in distance apart on each street so posted; all in the time, form and manner required by law; and thereupon said Superintendent of Streets shall cause to be filed in the Office of the City Clerk of said City, an affidavit showing the posting of said notices of improvement.

The Common Council does not deem it advisable that the Clerk mail copies of the notice of improvement to owners or reputed owners, and he is not required to mail the same.

All of the herein proposed work shall be done in pursuance of an Act of the Legislature of the State of California, designated as the "Improvement Act of 1911", approved April 7, 1911, and amendments thereto.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 24th day of March, 1930, by the following vote, to-wit:

#### RESOLUTION OF INTENTION NO. 53314 BUSH STREET AND GOLDFINCH STREET

RESOLVED, that it is the intention of the Common Council of the City of San Diego, California, to order the following work to be done and improvement to be made in said City, to-wit:

That portions of BUSH STREET, in said City, between the easterly line of Goldfinch Street and a line drawn parallel to and distant 415 feet easterly from the easterly line of Goldfinch Street, be graded, and the sub-grade prepared, and paved with a Portland cement concrete pavement; and that cement concrete curbs, cement concrete sidewalks, cement concrete sewer lateral and appurtenances, cast iron water main, connections, fittings and appurtenances, copper water service connections and appurtenances, cast iron gate valve, valve box and cover, cast iron fire hydrant, connections, fittings and appurtenances, steel clamp and shackle anchor and appurtenances, cement concrete curb inlet and appurtenances, cement concrete culvert, connections, fittings and appurtenances, and wire link highway guard fence and appurtenances, be constructed therein;

That the said work hereinbefore generally described on said BUSH STREET, in said City, between the easterly line of Goldfinch Street and a line drawn parallel to and distant 380 feet easterly from the easterly line of Goldfinch Street, shall be done to the modified grades shown and indicated upon the plans, profiles and specifications hereinafter referred to, and to which reference is hereby made for the description of the grades at which the work is to be done.

That a cast iron water main, connections, fittings and appurtenances, cast iron gate valve, valve box and cover, be constructed in portions of GOLDFINCH STREET, in said City, between the westerly production of the northerly and southerly lines of Bush Street.

All of the said work hereinbefore generally described shall be constructed in the manner, at the locations, within the limits, of the materials, and of the dimensions as shown upon and in accordance with the plans, profiles, drawings, typical cross-sections and specifications therefor contained in Document No. 254791, on file in the Office of the City Clerk of said City, and copies of which are on file in the Office of the City Engineer of said City, and by this reference thereto all said plans, profiles, drawings, typical cross-sections and specifications are made a part hereof.

The said Common Council hereby determines and declares that serial bonds shall be issued to represent each assessment of twenty-five dollars or more remaining unpaid after the full expiration of thirty days from the date of the warrant, to represent the expenses of said work and improvement. Said serial bonds shall extend over a period ending nine years from the second day of January next succeeding the fifteenth day of the next November following their date, and an even annual proportion of the principal sum thereof shall be payable by coupon on the second day of January every year after the fifteenth day of the next November following their date until the whole is paid. Said bonds shall bear interest at the rate of seven per cent. per annum, interest payable semi-annually by coupon, on all sums unpaid until the whole of said principal and interest are paid. Said bonds shall be issued and the principal and interest thereof shall be paid under and in pursuance of the Improvement Act of 1911, and amendments thereto.

That the contemplated work and improvement hereinbefore mentioned is in the opinion of said Common Council of more than local and ordinary public benefit, and the expenses of such work and improvement are made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to-wit: All that real property in the said City of San Diego included within the exterior boundary lines of said district, as shown upon that certain plat No. 1621, indicating the exterior boundary lines of such district, which plat, approved by the Common Council, is on file in the Office of the City Engineer of said City; excepting therefrom all public streets, roads, alleys, avenues and highways. Reference is hereby made to said plat for a particular description of such district.

NOTICE IS HEREBY GIVEN, that on Monday, the 21st day of April, 1930, at 10:00 o'clock A.M., in the Council Chamber of the City Hall of said the City of San Diego, any and all persons having any objections to the proposed work or improvement, to the grade at which said work is to be done, or to the extent of the district to be assessed to pay the costs and expenses of said proposed work or improvement, may appear before said Common Council and show cause why said proposed improvement should not be carried out in accordance with this Resolution.

That the Clerk of said City be, and he is hereby directed to cause this Resolution of Intention to be published twice in the San Diego Sun, a daily newspaper published and circulated in said City, and hereby designated for that purpose by the Common Council.

That the Street Superintendent of said City shall, after the adoption of this Resolution of Intention, cause to be conspicuously posted along the line of said contemplated work or improvement, at not more than three hundred feet in distance apart, but not less than three in all, notices of the passage of this Resolution of Intention, and when the work to be done is only upon an entire crossing or intersection, or any part thereof, he shall cause such notices to be conspicuously posted in front of each quarter block or irregular block liable to be assessed, and when the work is chargeable upon a district, he shall cause such notices to be conspicuously posted upon all open Streets within such district at not more than three hundred feet in distance apart on each Street so posted; all in the time, form and manner required by law; and thereupon said Superintendent of Streets shall cause to be filed in the Office of the City Clerk of said City, an affidavit showing the posting of said notices of improvement.

The Common Council does not deem it advisable that the Clerk mail copies of the notice of improvement to owners or reputed owners, and he is not required to mail the same.

All of the herein proposed work shall be done in pursuance of an Act of the Legislature of the State of California, designated as the "Improvement Act of 1911", approved April 7, 1911, and amendments thereto.

#### RESOLUTION OF INTENTION NO. 53315

ALLEY IN BLOCKS 227, SUBDIVISION OF PUEBLO LOT 1157, FOR MANNASSE AND SCHILLER AND SAN DIEGO LAND AND TOWN COMPANY'S ADDITION TO SAN DIEGO: AND PUBLIC RIGHT OF WAY.

RESOLVED, that it is the intention of the Common Council of the City of San Diego, California, to order the following work to be done and improvement to be made in said City, to-wit:

That the ALLEY IN BLOCKS 227, SUBDIVISION OF PUEBLO LOT 1157, FOR MANNASSE AND SCHILLER AND SAN DIEGO LAND AND TOWN COMPANY'S ADDITION TO SAN DIEGO, in said City, between the northwesterly line of Crosby Street and the southeasterly line of Beardsley Street, be graded, and the sub-grade prepared, and paved with a Portland cement concrete pavement; and that cement concrete sewer laterals and appurtenances, cement concrete catch basin and appurtenances, and cement concrete culvert, connections, fittings and appurtenances, be constructed therein;

That a cement concrete culvert, connections, fittings and appurtenances, be constructed in, over and across a PUBLIC RIGHT OF WAY, in said City, over Lots 47 and 48, BLOCK 227, Subdivision of Pueblo Lot 1157 for Mannasse and Schiller.

All of the said work hereinbefore generally described shall be constructed in the manner, at the locations, within the limits, of the materials, and of the dimensions as shown upon and in accordance with the plans, profiles, drawings, typical cross-sections and specifications therefor contained in Document No. 254590, on file in the Office of the City Clerk of said City, and copies of which are on file in the Office of the City Engineer of said City, and by this reference thereto all said plans, profiles, drawings, typical cross-sections and specifications are made a part hereof.

The said Common Council hereby determines and declares that serial bonds shall be issued to represent each assessment of twenty-five dollars or more remaining unpaid after the full expiration of thirty days from the date of the warrant, to represent the expenses of said work and improvement. Said serial bonds shall extend over a period ending nine years from the second day of January next succeeding the fifteenth day of the next November following their date, and an even annual proportion of the principal sum thereof shall be payable by coupon on the second day of January every year after the fifteenth day of the next November following their date until the whole is paid. ## RESOLUTION OF INTENTION NO. 53362

ALLEY IN BLOCK 26, RESUBDIVISION OF BLOCKS K AND L, TERALTA

RESOLVED, that it is the intention of the Common Council of the City of San Diego, California, to order the following work to be done and improvement to be made in said City, to-wit:

That the ALLEY IN BLOCK 26, RESUBDIVISION OF BLOCKS K AND L, TERALTA, in said City, between the southerly line of El Cajon Avenue and the northerly line of Orange Avenue, be graded, and the sub-grade prepared and paved with a Portland cement concrete pavement; and that cement concrete sewer lateral and appurtenances, cast iron water main, connections, fittings and appurtenances, and copper water service connection and appurtenances, be constructed therein.

All of the said work hereinbefore generally described shall be constructed in the manner, at the locations, within the limits, of the materials, and of the dimensions as shown upon and in accordance with the plans, profiles, drawings, typical cross-sections and specifications, therefor contained in Document No. 254792, on file in the Office of the City Clerk of said City, and copies of which are on file in the Office of the City Engineer of said City, and by this reference thereto all said plans, profiles, drawings, typical cross-sections and specifications are made a part hereof.

The said Common Council hereby determines and declares that serial bonds shall be issued to represent each assessment of twenty-five dollars or more remaining unpaid after the full expiration of thirty days from the date of the warrant, to represent the expenses of said work and improvement. Said serial bonds shall extend over a period ending nine years from the second day of January next succeeding the fifteenth day of the next November following their date, and an even annual proportion of the principal sum thereof shall be payable by coupon on the second day of January every year after the fifteenth day of the next November following their date until the whole is paid. Said bonds shall bear interest at the rate of seven per cent. per annum, interest payable semi-annually by coupon, on all sums unpaid until the whole of said principal and interest are paid. Said bonds shall be issued and the principal and interest thereof shall be paid under and in pursuance of the Improvement Act of 1911, and amendments thereto.

That the contemplated work and improvement hereinbefore mentioned is in the opinion of said Common Council of more than local and ordinary public benefit, and the expenses of such work and improvement are made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to-wit: All that real property in the said City of San Diego included within the exterior boundary lines of said district, as shown upon that certain plat No. 1618, indicating the exterior boundary lines of such district, which plat, approved by the Common Council, is on file in the Office of the City Engineer of said City; excepting therefrom all public streets, roads, alleys, avenues and highways. Reference is hereby made to said plat for a particular description of such district.

NOTICE IS HEREBY GIVEN, that on Monday, the 28th day of April, 1930, at 10:00 o'clock A.M. in the Council Chamber of the City Hall of said the City of San Diego, any and all persons having any objections to the proposed work or improvement, to the grade at which said work is to be done, or to the extent of the district to be assessed to pay the costs and expenses of said proposed work or improvement, may appear before said Common Council and show cause why said proposed improvement should not be carried out in accordance with this Resolution.

That the Clerk of said City be, and he is hereby directed to cause this Resolution of Intention to be published twice in the San Diego Sun, a daily newspaper published and circulated in said City, and hereby designated for that purpose by the Common Council.

That the Street Superintendent of said City shall, after the adoption of this Resolution of Intention, cause to be conspicuously posted along the line of said contemplated work or improvement, at not more than three hundred feet in distance apart, but not less than three in all, notices of the passage of this Resolution of Intention, and when the work to be done is only upon an entire crossing or intersection, or any part thereof, he shall cause such notices to be conspicuously posted in front of each quarter block or irregular block liable to be assessed, and when the work is chargeable upon a district, he shall cause such notices to be conspicuously posted upon all open Streets within such district at not more than three hundred feet in distance apart on each Street so posted; all in the time, form and manner required by law; and thereupon said Superintendent of Streets shall cause to be filed in the Office of the City Clerk of said City, an affidavit showing the posting of said notices of improvement.

The Common Council does not deem it advisable that the Clerk mail copies of the notice of improvement to owners or reputed owners, and he is not required to mail the same.

All of the herein proposed work shall be done in pursuance of an Act of the Legislature of the State of California, designated as the "Improvement Act of 1911", approved April 7, 1911, and amendments thereto.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 31st day of March, 1930, by the following vote, to-wit:

Said bonds shall bear interest at the rate of seven per cent. per annum, interest payable semi-annually by coupon, on all sums unpaid until the whole of said principal and interest are paid. Said bonds shall be issued and the principal and interest thereof shall be paid under and in pursuance of the Improvement Act of 1911, and amendments thereto.

That the contemplated work and improvement hereinbefore mentioned is in the opinion of said Common Council of more than local and ordinary public benefit, and the expenses of such work and improvement are made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to-wit: All that real property in the said City of San Diego included within the exterior boundary lines of said district, as shown upon that certain plat No. 1619, indicating the exterior boundary lines of such district, which plat, approved by the Common Council, is on file in the Office of the City Engineer of said City; excepting therefrom all public streets, roads, alleys, avenues and highways. Reference is hereby made to said plat for a particular description of such district.

NOTICE IS HEREBY GIVEN, that on Monday, the 28th day of April, 1930, at 10:00 o'clock A.M., in the Council Chamber of the City Hall of said the City of San Diego, any and all persons having any objections to the proposed work or improvement, to the grade at which said work is to be done, or to the extent of the district to be assessed to pay the costs and expenses of said proposed work or improvement, may appear before said Common Council and show cause why said proposed improvement should not be carried out in accordance with this Resolution.

That the Clerk of said City be, and he is hereby directed to cause this Resolution of Intention to be published twice in the San Diego Sun, a daily newspaper published and circulated in said City, and hereby designated for that purpose by the Common Council.

That the Street Superintendent of said City shall, after the adoption of this Resolution of Intention, cause to be conspicuously posted along the line of said contemplated work or improvement, at not more than three hundred feet in distance apart, but not less than three in all, notices of the passage of this Resolution of Intention, and when the work to be done is only upon an entire crossing or intersection, or any part thereof, he shall cause such notices to be conspicuously posted in front of each quarter block of irregular block liable to be assessed, and when the work is chargeable upon a district, he shall cause such notices to be conspicuously posted upon all open Streets within such district at not more than three hundred feet in distance apart on each Street so posted; all in the time, form and manner required by law; and thereupon said Superintendent of Streets shall cause to be filed in the Office of the City Clerk of said City, an affidavit showing the posting of said notices of improvement.

The Common Council does not deem it advisable that the Clerk mail copies of the notice of improvement to owners or reputed owners, and he is not required to mail the same.

All of the herein proposed work shall be done in pursuance of an Act of the Legislature of the State of California, designated as the "Improvement Act of 1911", approved April 7, 1911, and amendments thereto.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 31st day of March, 1930, by the following vote, to-wit:

#### RESOLUTION OF INTENTION NO. 53365

#### GARNET STREET LIGHTING DISTRICT NO.1.

RESOLVED, that it is the intention of the Common Council of the City of San Diego, California, pursuant to Chapter 247 of the Statutes of the State of California, approved June 6, 1913 (Statutes of 1913, page 421; Act 5215, General Laws of California) to order the following work to be done and improvement to be made in said City, to-wit:

The furnishing of electric current for the lighting of the ornamental Street lights on GARNET STREET, between the westerly line of Cass Street and the northeasterly line of Ocean Boulevard, in the City of San Diego, California; together with the maintenance of the posts, wires, conduits and lamps on said Garnet Street, within the limits above mentioned. Such furnishing of electric current and such maintenance of appliances shall be for a period of one year from and after the 25th day of April, 1930, to-wit, to and including the 24th day of April, 1931.

Said work of improvement shall be done in all respects according to, at the places shown by, and of the materials provided for, in the plans and specifications therefor to be hereafter prepared by the City Engineer of said City, and furnished to this Common Council, as hereinafter set forth.

That the exterior boundaries of the district in said City of San Diego to be benefited by said improvement, and to be assessed to pay the costs and expenses thereof, and to be known as the assessment district, are hereby specified as follows, to-wit:

Beginning at the southwesterly corner of Lot 5, Block 226, Pacific Beach; thence northwesterly along the northeasterly line of Ocean Boulevard to the northwesterly corner of Lot 6, Block 193, Pacific Beach; thence easterly along the northerly line of said Lot 6 to the northeasterly corner thereof; thence southeasterly in a direct line to the northwesterly corner of Lot 24, Block 193, Pacific Beach; thence easterly along a line parallel to and distant 125 feet northerly from the northerly line of Garnet Street to an intersection with a line parallel to and distant 14 feet easterly from the westerly line of Cass Street; thence southerly along a line parallel to and distant 14 feet easterly from the westerly line of Cass Street to an intersection with a line parallel to and distant 125 feet southerly from the southerly line of Garnet Street; thence westerly along a line parallel to and distant 125 feet southerly from the southerly line of Garnet Street to the southwesterly corner of Lot 11, Block 226, Pacific Beach; thence southwesterly in a direct line to the southeasterly corner of Lot 5, Block 226, Pacific Beach; thence westerly along the southerly line of said Lot 5 to the point or place of beginning; excepting therefrom all public streets, roads, alleys, avenues and highways.

Said Common Council does hereby order that all of the costs and expenses of said improvement shall be assessed upon the district above described.

That the proposed improvement is hereby referred to the City Engineer of said City, and said City Engineer is hereby directed to make and file, with the Clerk of said Common Council, a report in writing, presenting the following:

1. Plans and specifications for the work required in order to make said improvements;

2. An estimate of the cost of said improvement of the incidental expenses in connection therewith;

3. A diagram showing the district referred to, and also the boundaries and dimensions of the respective subdivisions of the land within said district, each of which subdivisions shall be given a separate number in red ink upon said diagram.

4. A proposed assessment of the total amount of the costs and expenses of the proposed improvement upon the several subdivisions of land in said district in proportion to the estimated benefits to be received by such subdivisions, respectively, from said improvement. Said assessment shall refer to such subdivisions upon said diagram by the respective red ink numbers thereof, and shall show the names of the owners, if known, otherwise designating them as unknown. No mistake in the name of the owner of any parcel of land shall affect the validity of the assessment thereon.

BE IT FURTHER RESOLVED, that this Common Council by virtue of authority vested in it by provisions of Chapter 620 of the Statutes of the State of California, approved June 4, 1915, (Statutes 1915, page 1171; Act 6427, General Laws of California) and acts amendatory thereof and supplemental thereto, does hereby determine to exercise the right, to the exclusion of all other bidders, to acquire in the name of The City of San Diego, California, at the sale for any delinquency arising from the non-payment of any assessment which shall be made and levied in these proceedings, any lien which shall accrue, or any property which is required to be sold, under the said law appertaining to said proceedings, for the non-payment of any such assessment or any delinquency incurred by the non-payment thereof.

That the Auditor and Controller of The City of San Diego, California, be, and he is hereby designated for the purpose, and is hereby directed to attend at any sale of property to be made for any delinquency of any assessment to be made and levied in this proceeding and at such sale he is hereby empowered to bid in and acquire, in the name of The City of San Diego, California, to the exclusion of other bidders, all liens and delinquent property at such delinquent sales.

This proceeding shall be designated as "Garnet Street Lighting District No. 1".

Passed and adopted by the said Common Council of the said City of San Diego, California, this 31st day of March, 1930, by the following vote, to-wit:

RESOLVED, that it is the intention of the Common Council of the City of San Diego, California, to order the following work to be done and improvement to be made in said City, to-wit:

That portions of CLAYTON STREET, in said City, between the southwesterly line of Hancock Street and the southwesterly line of California Street, be graded, and the sub-grade prepared, and paved with a two-inch asphalt wearing surface, laid upon a four-inch asphaltic base; and that cement concrete curbs, cement concrete sewer laterals and appurtenances, cement concrete sewer main, connections, fittings and appurtenances, and cement concrete dead end and appurtenances, be constructed therein;

That the said work hereinbefore generally described on said CLAYTON STREET, in said City, between the northeasterly line of Moore Street and the southwesterly line of California Street, shall be done to the modified grades shown and indicated upon the plans, profiles and specifications hereinafter referred to, and to which reference is hereby made for the description of the grades at which the work is to be done.

All of the said work hereinbefore generally described shall be constructed in the manner, at the locations, within the limits, of the materials, and of the dimensions as shown upon and in accordance with the plans, profiles, drawings, typical cross-sections and specifications therefor contained in Document No. 255069, on file in the Office of the City Clerk of said City, and copies of which are on file in the Office of the City Engineer of said City, and by this reference thereto all said plans, profiles, drawings, typical cross-sections and specifications are made a part hereof.

The said Common Council hereby determines and declares that serial bonds shall be issued to represent each assessment of twenty-five dollars or more remaining unpaid after the full expiration of thirty days from the date of the warrant, to represent the expenses of said work and improvement. Said serial bonds shall extend over a period ending nine years from the second day of January next succeeding the fifteenth day of the next November following their date, and an even annual proportion of the principal sum thereof shall be payable by coupon on the second day of January every year after the fifteenth day of the next November following their date until the whole is paid. Said bonds shall bear interest at the rate of seven per cent. per annum, interest payable semi-annually by coupon, on all sums unpaid until the whole of said principal and interest are paid. Said bonds shall be issued and the principal and interest thereof shall be paid under and in pursuance of the Improvement Act of 1911, and amendments thereto.

That the contemplated work and improvement hereinbefore mentioned is in the opinion of said Common Council of more than local and ordinary public benefit, and the expenses of such work and improvement are made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to-wit: All that real property in the said City of San Diego included within the exterior boundary lines of said district, as shown upon that certain plat No. 1620, indicating the exterior boundary lines of such district, which plat, approved by the Common Council, is on file in the Office of the City Engineer of said City; excepting therefrom all public streets, roads, alleys, avenues and highways. Reference is hereby made to said plat for a particular description of such district.

NOTICE IS HEREBY GIVEN, that on Monday, the 5th day of May, 1930, at 10:00 o'clock A.M., in the Council Chamber of the City Hall of said the City of San Diego, any and all persons having any objections to the proposed work or improvement, to the grade at which said work is to be done, or to the extent of the district to be assessed to pay the costs and expenses of said proposed work or improvement, may appear before said Common Council and show cause why said proposed improvement should not be carried out in accordance with this Resolution.

That the Clerk of said City be, and he is hereby directed to cause this Resolution of Intention to be published twice in the San Diego Sun, a daily newspaper published and circulated in said City, and hereby designated for that purpose by the Common Council.

That the Street Superintendent of said City shall, after the adoption of this Resolution of Intention, cause to be conspicuously posted along the line of said contemplated work or improvement, at not more than three hundred feet in distance apart, but not less than three in all, notices of the passage of this Resolution of Intention, and when the work to be done is only upon an entire crossing or intersection, or any part thereof, he shall cause such notices to be conspicuously posted in front of each quarter block or irregular block liable to be assessed, and when the work is chargeable upon a district, he shall cause such notices to be conspicuously posted upon all open Streets within such district at not more than three hundred feet in distance apart on each Street so posted; all in the time, form and manner required by law; and thereupon said Superintendent of Streets shall cause to be filed in the Office of the City Clerk of said City, an affidavit showing the posting of said notices of improvement.

The Common Council does not deem it advisable that the Clerk mail copies of the notice of improvement to owners or reputed owners, and he is not required to mail the same.

All of the herein proposed work shall be done in pursuance of an Act of the Legislature of the State of California, designated as the "Improvement Act of 1911", approved April 7, 1911, and amendments thereto.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 7th day of April, 1930, by the following vote, to-wit:

Said Common Council does hereby order that the entire amount of the costs and expenses of said improvement shall be assessed upon the district above described.

That the proposed improvement is hereby referred to the City Engineer of said City, and said City Engineer is hereby directed to make and file, with the Clerk of said Common Council, a report, in writing, presenting the following:

1. Plans and specifications for the work required in order to make said improvement;

2. An estimate of the cost of said improvement and of the incidental expenses in connection therewith;

3. A diagram showing the district referred to, and also the boundaries and dimensions of the respective subdivisions of the land within said district, each of which subdivisions shall be given a separate number in red ink upon said diagram.

4. A proposed assessment of the total amount of the costs and expenses of the proposed improvement upon the several subdivisions of land in said district in proportion to the estimated benefits to be received by such subdivisions, respectively, from said improvement. Said assessment shall refer to such subdivision upon said diagram by the respective red ink numbers thereof, and shall show the names of the owners, if known, otherwise designating them as unknown. No mistake in the name of the owner of any parcel of land shall affect the validity of the assessment thereon.

BE IT FURTHER RESOLVED, that this Common Council by virtue of authority vested in it by provisions of Chapter 620 of the Statutes of the State of California, approved June 4, 1915, (Statutes 1915, page 1171; Act 6427, General Laws of California) and acts amendatory thereof and supplemental thereto, does hereby determine to exercise the right, to the exclusion of all other bidders, to acquire in the name of the City of San Diego, California, at the sale for any delinquency arising from the non-payment of any assessment which shall be made and levied in these proceedings, any lien which shall accrue, or any property which is required to be sold, under the said law appertaining to said proceedings, for the non-payment of any such assessment or any delinquency incurred by the non-payment thereof.

That the Auditor and Controller of the City of San Diego, California, be, and he is hereby designated for the purpose, and is hereby directed to attend at any sale of property to be made for any delinquency of any assessment to be made and levied in this proceeding and at such sale he is hereby empowered to bid in and acquire, in the name of the City of San Diego, California, to the exclusion of other bidders, all liens and delinquent property at such delinquent sales.

This proceeding shall be designated as "El Cajon Avenue Lighting District No. 1".

WHEREAS, prior to the time said lease may be drawn and executed, it is desirable to have the land to be leased cleared of brush, so as to become suitable for farming purposes, and

WHEREAS, one of the considerations for the entering into the said lease between Ed Fletcher and the City is that the land will be cleared and made suitable for farming by the lessee, Ed Fletcher, at his own expense and without cost to the City, NOW, THEREFORE,

BE IT RESOLVED by the Common Council of the City of San Diego, as follows:

That Colonel Ed Fletcher be, and he is hereby authorized to enter upon the land hereinafter described and commence the work of clearing the brush from said land in preparation for his activities to be entered into under the terms of the lease; and

BE IT FURTHER RESOLVED that the City Attorney be, and he is hereby authorized, in conformance to the recommendations made by the Purchasing Department, to draw an Ordinance and a form of lease covering the hereinafter described property and which among other things shall contain the following general conditions:

1. That the City of San Diego is relieved of any necessity for expending any money in the way of building fences, pipe lines, or any other improvement.
2. That the land shall be used for farming purposes exclusively and shall not be sub-let without consent of the Common Council.
3. Lease to be for period of five (5) years, at a price of not less than Two and 50/100 (\$2.50) Dollars per acre per year for the land now cleared of brush and not less than the annual rental of One Dollar (\$1.00) for the entire parcel of brush land, which parcel is to be cleared of said brush by the lessee under the conditions contained in the said lease.
4. Lease to contain a cancellation clause and a reservation of all oil and mineral rights.

The land hereby authorized to be cleared of brush and hereby authorized to be leased is described as:

"All that land lying west of the main highway, not included within the bounds of Torrey Pines Park, situate in the following Pueblo Lots: 1323; the north 1/2 of 1324; 1325, 1326, 1330, 1331, 1333; comprising Three Hundred Sixty-five (365) Acres more or less."

Passed and adopted by the said Common Council of the said City of San Diego, California, this 7th day of April, 1930, by the following vote, to-wit:

#### RESOLUTION ORDERING WORK NO. 53533

##### LOUISIANA STREET

RESOLVED, by the Common Council of the City of San Diego, California, that the public interest and convenience require the work hereinafter described to be done, and therefore the said Common Council hereby orders the following work to be done and improvement to be made in said City, to-wit:

All the Street work described in Resolution of Intention No. 53266, adopted by the Common Council on March 17, 1930, and on file in the Office of the City Clerk of said City, for the sidewalking of LOUISIANA STREET, in the City of San Diego, California, within the limits and as particularly described in said Resolution of Intention.

For a particular description of the work reference is hereby made to said Resolution of Intention.

The said Common Council determined that serial bonds extending over a period ending nine years from the second day of January next succeeding the fifteenth day of the next November following their date, bearing interest at the rate of seven per cent. per annum, shall be issued to represent assessments of twenty-five dollars or more for the expenses of said work and improvement, as provided by the Improvement Act of 1911, and amendments thereto.

For further particulars, reference is hereby made to said Resolution of Intention.

The City Clerk of said City is hereby directed to post conspicuously for five (5) days, on or near the Council chamber door of the said Common Council, in the manner and form required by law, a notice with specifications inviting sealed proposals or bids for doing the work ordered; and said Clerk is hereby directed to publish twice in the San Diego Sun, a daily newspaper published and circulated in said City, and hereby designated for that purpose by said Common Council a notice inviting such proposals for doing the said work, and referring to the specifications posted or on file.

Passed and adopted by the Common Council of the said City of San Diego, California, this 21st day of April, 1930, by the following vote, to-wit:  
 AYES-Councilmen Alexander, Dowell, Ireys, Maire and McMullen

#### R E S O L U T I O N NO. 53534

BE IT RESOLVED by the Common Council of the City of San Diego, as follows:

That the Manager of Operation is hereby directed to have checked all petitions for Street improvements of all kinds, not yet reaching final stages, and report his recommendations as to the filing such petitions as may have been filed one year or more ago.

#### RESOLUTION OF INTENTION NO. 53535

##### DATE STREET

RESOLVED, that it is the intention of the Common Council of the City of San Diego, California, to order the following work to be done and improvement to be made in said City, to-wit:

That portions of DATE STREET, in said City, between the easterly line of 28th Street and the westerly line of Fern Street, be graded, and the sub-grade prepared, and paved with a Portland cement concrete pavement; and that cement concrete curbs, cement concrete sidewalks, cast iron water main, connections, fittings and appurtenances, copper water service connections and appurtenances, cement concrete curb inlet and appurtenances, and cement concrete culvert, connections, fittings and appurtenances, be constructed therein;

That the said work hereinbefore generally described on said DATE STREET, in said City, between the easterly line of 28th Street and the westerly line of Dale Street; and on said Date Street, between the easterly line of 30th Street and the westerly line of Fern Street; shall be done to the modified grades shown and indicated upon the plans, profiles and specifications hereinafter referred to, and to which reference is hereby made for the description of the grades at which the work is to be done.

All of the said work hereinbefore generally described shall be constructed in the manner, at the locations, within the limits, of the materials, and of the dimensions as shown upon and in accordance with the plans, profiles, drawings, typical cross-sections and specifications therefor contained in Document No. 255457, on file in the Office of the City Clerk of said City, and copies of which are on file in the Office of the City Engineer of said City, and by this reference thereto all said plans, profiles, drawings, typical cross-sections and specifications are made a part hereof.

The said Common Council hereby determines and declares that serial bonds shall be issued to represent each assessment of twenty-five dollars or more remaining unpaid after the full expiration of thirty days from the date of the warrant, to represent the expenses of said work and improvement. Said serial bonds shall extend over a period ending nine years from the second day of January next succeeding the fifteenth day of the next November following their date, and an even annual proportion of the principal sum thereof shall be payable by coupon on the second day of January every year after the fifteenth day of the next November following their date until the whole is paid. Said bonds shall bear interest at the rate of seven per cent. per annum, interest payable semi-annually by coupon, on all sums unpaid until the whole of said principal and interest are paid. Said bonds shall be issued and the principal and interest thereof shall be paid under and in pursuance of the Improvement Act of 1911, and amendments thereto.

That the contemplated work and improvement hereinbefore mentioned is in the opinion of said Common Council of more than local and ordinary public benefit, and the expenses of such work and improvement are made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to-wit: All that real property in the said City of San Diego included within the exterior boundary lines of said district, as shown upon that certain plat No. 1626, indicating the exterior boundary lines of such district, which plat, approved by the Common Council, is on file in the Office of the City Engineer of said City; excepting therefrom all public streets, roads, alleys, avenues and highways. Reference is hereby made to said plat for a particular description of such district.

NOTICE IS HEREBY GIVEN, that on Monday, the 19th day of May, 1930, at 10:00 o'clock A.M., in the Council Chamber of the City Hall of said The City of San Diego, any and all persons having any objections to the proposed work or improvement, to the grade at which said work is to be done, or to the extent of the district to be assessed to pay the costs and expenses of said proposed work or improvement, may appear before said Common Council and show cause why said proposed improvement should not be carried out in accordance with this Resolution.

That the Clerk of said City be, and he is hereby directed to cause this Resolution of Intention to be published twice in the San Diego Sun, a daily newspaper published and circulated in said City, and hereby designated for that purpose by the Common Council.

That the Street Superintendent of said City shall, after the adoption of this Resolution of Intention, cause to be conspicuously posted along the line of said contemplated work or improvement, at not more than three hundred feet in distance apart, but not less than three in all, notices of the passage of this Resolution of Intention, and when the work to be done is only upon an entire crossing or intersection, or any part thereof, he shall cause such notices to be conspicuously posted in front of each quarter block or irregular block liable to be assessed, and when the work is chargeable upon a district, he shall cause such notices to be conspicuously posted upon all open Streets within such district at not more than three hundred feet in distance apart on each Street so posted; all in the time, form and manner required by law; and thereupon said Superintendent of Streets shall cause to be filed in the Office of the City Clerk of said City, an affidavit showing the posting of said notices of improvement.

The Common Council does not deem it advisable that the Clerk mail copies of the notice of improvement to owners or reputed owners, and he is not required to mail the same.

All of the herein proposed work shall be done in pursuance of an Act of the Legislature of the State of California, designated as the "Improvement Act of 1911", approved April 7, 1911, and amendments thereto.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 21st day of April, 1930, by the following vote, to-wit:

NOTICE IS HEREBY GIVEN: That on Monday, the 19th day of May, 1930, at 10:00 o'clock A.M. in the Council Chamber of the City Hall of said the City of San Diego, any and all persons having any objections to the proposed work or improvement, to the grades at which said work is to be done, or to the extent of the district to be assessed to pay the costs and expenses of said proposed work or improvement, may appear before said Common Council and show cause why said proposed improvement should not be carried out in accordance with this Resolution.

That the Clerk of said City, be, and he is hereby directed to cause this Resolution of Intention to be published twice in the San Diego Sun, a daily newspaper published and circulated in said City, and hereby designated for that purpose by the Common Council.

That the Street Superintendent of said City, shall after the adoption of this Resolution of Intention, cause to be conspicuously posted along the line of said contemplated work or improvement, at not more than three hundred feet in distance apart, but not less than three in all, notices of the passage of this Resolution of Intention, and when the work to be done is only upon an entire crossing or intersection, or any part thereof, he shall cause such notices to be conspicuously posted in front of each quarter block or irregular block liable to be assessed, and when the work is made chargeable upon a district, he shall cause such notices to be conspicuously posted upon all open Streets within such district at not more than three hundred feet in distance apart on each Street so posted, all in the time, form and manner required by law; and thereupon said Superintendent of Streets shall cause to be filed in the Office of the City Clerk of said City, an affidavit showing the posting of said notices of improvement.

The Common Council does not deem it advisable that the Clerk mail copies of the notice of improvement to owners or reputed owners, and he is not required to mail the same.

All of the herein proposed work shall be done in pursuance of an Act of the Legislature of the State of California, designated as the "Improvement Act of 1911," approved April 7, 1911, and amendments thereto.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 21st day of April, 1930, by the following vote, to-wit:

All of the said work hereinbefore generally described shall be constructed in the manner, at the locations, within the limits, of the materials, and of the dimensions as shown upon and in accordance with the plans, profiles, drawings, typical cross-sections and specifications therefor contained in Document No. 253945, on file in the Office of the City Clerk of said City, and copies of which are on file in the Office of the City Engineer of said City, and by this reference thereto all said plans, profiles, drawings, typical cross-sections and specifications are made a part hereof.

The said Common Council hereby determines and declares that serial bonds shall be issued to represent each assessment of twenty-five dollars or more remaining unpaid after the full expiration of thirty days from the date of the warrant, to represent the expenses of said work and improvement. Said serial bonds shall extend over a period ending nine years from the second day of January next succeeding the fifteenth day of the next November following their date, and an even annual proportion of the principal sum thereof shall be payable by coupon on the second day of January every year after the fifteenth day of the next November following their date until the whole is paid. Said bonds shall bear interest at the rate of seven per cent. per annum, interest payable semi-annually by coupon, on all sums unpaid until the whole of said principal and interest are paid. Said bonds shall be issued and the principal and interest thereof shall be paid under and in pursuance of the Improvement Act of 1911, and amendments thereto.

That the contemplated work and improvement hereinbefore mentioned is in the opinion of said Common Council of more than local and ordinary public benefit, and the expenses of such work and improvement are made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to-wit: All that real property in the said City of San Diego included within the exterior boundary lines of said district, as shown upon that certain plat No. 1594, indicating the exterior boundary lines of such district, which plat, approved by the Common Council, is on file in the Office of the City Engineer of said City; excepting therefrom all public streets, roads, alleys, avenues and highways. Reference is hereby made to said plat for a particular description of such district.

NOTICE IS HEREBY GIVEN, that on Monday, the 26th day of May, 1930, at 10:00 o'clock A.M. in the Council Chamber of the City Hall of said the City of San Diego, any and all persons having any objections to the proposed work or improvement, to the grade at which said work is to be done, or to the extent of the district to be assessed to pay the costs and expenses of said proposed work or improvement, may appear before said Common Council and show cause why said proposed improvement should not be carried out in accordance with this Resolution.

That the Clerk of said City be, and he is hereby directed to cause this Resolution of Intention to be published twice in the San Diego Sun, a daily newspaper published and circulated in said City, and hereby designated for that purpose by the Common Council.

That the Street Superintendent of said City shall, after the adoption of this Resolution of Intention, cause to be conspicuously posted along the line of said contemplated work or improvement, at not more than three hundred feet in distance apart, but not less than three in all, notices of the passage of this Resolution of Intention, and when the work to be done is only upon an entire crossing or intersection, or any part thereof, he shall cause such notices to be conspicuously posted in front of each quarter block or irregular block liable to be assessed, and when the work is chargeable upon a district, he shall cause such notices to be conspicuously posted upon all open Streets within such district at not more than three hundred feet in distance apart on each Street so posted; all in the time, form and manner required by law; and thereupon said Superintendent of Streets shall cause to be filed in the Office of the City Clerk of said City, an affidavit showing the posting of said notices of improvement.

The Common Council does not deem it advisable that the Clerk mail copies of the notice of improvement to owners or reputed owners, and he is not required to mail the same.

All of the herein proposed work shall be done in pursuance of an Act of the Legislature of the State of California, designated as the "Improvement Act of 1911", approved April 7, 1911, and amendments thereto.

RESOLUTION OF INTENTION NO. 53589  
39TH STREET

RESOLVED, that it is the intention of the Common Council of the City of San Diego, California, to order the following work to be done and improvement to be made in said City, to-wit:

That portions of 39TH STREET, in said City, between the northerly line of Monroe Avenue and the easterly production of the northerly line of Villa Lot 229, Normal Heights, be graded, and the sub-grade prepared, and paved with a two-inch asphalt wearing surface, laid upon a four-inch asphaltic base; and that cement concrete sewer laterals and appurtenances, cast iron water main, connections, fittings and appurtenances, cast iron gate valves, valve boxes and covers, and wire link highway guard fence and appurtenances, be constructed therein.

All of the said work hereinbefore generally described shall be constructed in the manner, at the locations, within the limits, of the materials, and of the dimensions as shown upon and in accordance with the plans, profiles, drawings, typical cross-sections and specifications therefor contained in Document No. 255458, on file in the Office of the City Clerk of said City, and copies of which are on file in the Office of the City Engineer of said City, and by this reference thereto all said plans, profiles, drawings, typical cross-sections and specifications are made a part hereof.

The said Common Council hereby determines and declares that serial bonds shall be issued to represent each assessment of twenty-five dollars or more remaining unpaid after the full expiration of thirty days from the date of the warrant, to represent the expenses of said work and improvement. Said serial bonds shall extend over a period ending nine years from the second day of January next succeeding the fifteenth day of the next November following their date, and an even annual proportion of the principal sum thereof shall be payable by coupon on the second day of January every year after the fifteenth day of the next November following their date until the whole is paid. Said bonds shall bear interest at the rate of seven per cent. per annum, interest payable semi-annually by coupon, on all sums unpaid until the whole of said principal and interest are paid. Said bonds shall be issued and the principal and interest thereof shall be paid under and in pursuance of the Improvement Act of 1911, and amendments thereto.

That the contemplated work and improvement hereinbefore mentioned is in the opinion of said Common Council of more than local and ordinary public benefit, and the expenses of such work and improvement are made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to-wit: All that real property in the said City of San Diego included within the exterior boundary lines of said district, as shown upon that certain plat No. 1625, indicating the exterior boundary lines of such district, which plat, approved by the Common Council, is on file in the Office of the City Engineer of said City; excepting therefrom all public streets, roads, alleys, avenues and highways. Reference is hereby made to said plat for a particular description of such district.

NOTICE IS HEREBY GIVEN, that on Monday, the 26th day of May, 1930, at 10:00 o'clock A.M., in the Council Chamber of the City Hall of said the City of San Diego, any and all persons having any objections to the proposed work or improvement, to the grade at which said work is to be done, or to the extent of the district to be assessed to pay the costs and expenses of said proposed work or improvement, may appear before said Common Council and show cause why said proposed improvement should not be carried out in accordance with this Resolution.

That the Clerk of said City be, and he is hereby directed to cause this Resolution of Intention to be published twice in the San Diego Sun, a daily newspaper published and circulated in said City, and hereby designated for that purpose by the Common Council.

That the Street Superintendent of said City shall, after the adoption of this Resolution of Intention, cause to be conspicuously posted along the line of said contemplated work or improvement, at not more than three hundred feet in distance apart, but not less than three in all, notices of the passage of this Resolution of Intention, and when the work to be done is only upon an entire crossing or intersection, or any part thereof, he shall cause such notices to be conspicuously posted in front of each quarter block or irregular block liable to be assessed, and when the work is chargeable upon a district, he shall cause such notices to be conspicuously posted upon all open Streets within such district at not more than three hundred feet in distance apart on each Street so posted; all in the time, form and manner required by law; and thereupon said Superintendent of Streets shall cause to be filed in the Office of the City Clerk of said City, an affidavit showing the posting of said notices of improvement.

The Common Council does not deem it advisable that the Clerk mail copies of the notice of improvement to owners or reputed owners, and he is not required to mail the same.

All of the herein proposed work shall be done in pursuance of an Act of the Legislature of the State of California, designated as the "Improvement Act of 1911," approved April 7, 1911, and amendments thereto.

Said Common Council does hereby order that the entire amount of the costs and expenses of said improvement shall be assessed upon the district above described.

That the proposed improvement is hereby referred to the City Engineer of said City, and said City Engineer is hereby directed to make and file, with the Clerk of said Common Council, a report, in writing, presenting the following:

1. Plans and specifications for the work required in order to make said improvements;

2. An estimate of the cost of said improvement and of the incidental expenses in connection therewith;

3. A diagram showing the district referred to, and also the boundaries and dimensions of the respective subdivisions of the land within said district, each of which subdivisions shall be given a separate number in red ink upon said diagram.

4. A proposed assessment of the total amount of the costs and expenses of the proposed improvement upon the several subdivisions of land in said district in proportion to the estimated benefits to be received by such subdivisions, respectively, from said improvement. Said assessment shall refer to such subdivisions upon said diagram by the respective red ink numbers thereof, and shall show the names of the owners, if known, otherwise designating them as unknown. No mistake in the name of the owner of any parcel of land shall affect the validity of the assessment thereon.

BE IT FURTHER RESOLVED, that this Common Council by virtue of authority vested in it by provisions of Chapter 620 of the Statutes of the State of California, approved June 4, 1915, (Statutes 1915, page 1171; Act 6427, General Laws of California) and acts amendatory thereof and supplemental thereto, does hereby determine to exercise the right, to the exclusion of all other bidders, to acquire in the name of the City of San Diego, California, at the sale for any delinquency arising from the non-payment of any assessment which shall be made and levied in these proceedings, any lien which shall accrue, or any property which is required to be sold, under the said law appertaining to said proceedings, for the non-payment of any such assessment or any delinquency incurred by the non-payment thereof.

That the Auditor and Controller of the City of San Diego, California, be, and he is hereby designated for the purpose, and is hereby directed to attend at any sale of property to be made for any delinquency of any assessment to be made and levied in this proceeding and at such sale he is hereby empowered to bid in and acquire, in the name of the City of San Diego, California, to the exclusion of other bidders, all liens and delinquent property at such delinquent sales.

This proceeding shall be designated as "Five Points Lighting District No. 1".

#### RESOLUTION OF INTENTION NO. 53667

ALLEY IN BLOCK 23, UNIVERSITY HEIGHTS

RESOLVED, that it is the intention of the Common Council of the City of San Diego, California, to order the following work to be done and improvement to be made in said City, to-wit:

That the ALLEY IN BLOCK 23, UNIVERSITY HEIGHTS, in said City, between the south line of Adams Avenue and the north line of Madison Avenue, be graded, and the sub-grade prepared, and paved with a Portland cement concrete pavement; and that cement concrete sewer laterals and appurtenances be constructed therein.

All of the said work hereinbefore generally described shall be constructed in the manner, at the locations, within the limits, of the materials, and of the dimensions as shown upon and in accordance with the plans, profiles, drawings, typical cross-sections and specifications therefor contained in Document No. 255647, on file in the Office of the City Clerk of said City, and copies of which are on file in the Office of the City Engineer of said City, and by this reference thereto all said plans, profiles, drawings, typical cross-sections and specifications are made a part hereof.

The said Common Council hereby determines and declares that serial bonds shall be issued to represent each assessment of twenty-five dollars or more remaining unpaid after the full expiration of thirty days from the date of the warrant, to represent the expenses of said work and improvement. Said serial bonds shall extend over a period ending nine years from the second day of January next succeeding the fifteenth day of the next November following their date, and an even annual proportion of the principal sum thereof shall be payable by coupon on the second day of January every year after the fifteenth day of the next November following their date until the whole is paid. Said bonds shall bear interest at the rate of seven per cent. per annum, interest payable semi-annually by coupon, on all sums unpaid until the whole of said principal and interest are paid. Said bonds shall be issued and the principal and interest thereof shall be paid under and in pursuance of the Improvement Act of 1911, and amendments thereto.

That the contemplated work and improvement hereinbefore mentioned is in the opinion of said Common Council of more than local and ordinary public benefit, and the expenses of such work and improvement are made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to-wit: All that real property in the said City of San Diego included within the exterior boundary lines of said district, as shown upon that certain plat No. 1628, indicating the exterior boundary lines of such district, which plat, approved by the Common Council, is on file in the Office of the City Engineer of said City; excepting therefrom all public streets, roads, alleys, avenues and highways. Reference is hereby made to said plat for a particular description of such district.

NOTICE IS HEREBY GIVEN, that on Monday, the 2nd day of June, 1930, at 10:00 o'clock A.M., in the Council Chamber of the City Hall of said the City of San Diego, any and all persons having any objections to the proposed work or improvement, to the grade at which said work is to be done, or to the extent of the district to be assessed to pay the costs and expenses of said proposed work or improvement, may appear before said Common Council and show cause why said proposed improvement should not be carried out in accordance with this Resolution.

That the Clerk of said City be, and he is hereby directed to cause this Resolution of Intention to be published twice in the San Diego Sun, a daily newspaper published and circulated in said City, and hereby designated for that purpose by the Common Council.

That the Street Superintendent of Said City shall, after the adoption of this Resolution of Intention, cause to be conspicuously posted along the line of said contemplated work or improvement, at not more than three hundred feet in distance apart, but not less than three in all, notices of the passage of this Resolution of Intention, and when the work to be done is only upon an entire crossing or intersection, or any part thereof, he shall cause such notices to be conspicuously posted in front of each quarter block or irregular block liable to be assessed, and when the work is chargeable upon a district, he shall cause such notices to be conspicuously posted upon all open Streets within such district at not more than three hundred feet in distance apart on each Street so posted; all in the time, form and manner required by law; and thereupon said Superintendent of Streets shall cause to be filed in the Office of the City Clerk of said City, an affidavit showing the posting of said notices of improvement.

The Common Council does not deem it advisable that the Clerk mail copies of the notice of improvement to owners or reputed owners, and he is not required to mail the same.

All of the herein proposed work shall be done in pursuance of an Act of the Legislature of the State of California, designated as the "Improvement Act of 1911", approved April 7, 1911, and amendments thereto.

#### RESOLUTION OF INTENTION NO. 53668

NORTH AND SOUTH ALLEY IN BLOCK 245, UNIVERSITY HEIGHTS;

EAST AND WEST ALLEY IN BLOCK 245, UNIVERSITY HEIGHTS;

AND PUBLIC RIGHT OF WAYS.

RESOLVED, that it is the intention of the Common Council of the City of San Diego, California, to order the following work to be done and improvement to be made in said City, to-wit:

That portions of the NORTH AND SOUTH ALLEY IN BLOCK 245, UNIVERSITY HEIGHTS, in said City, between the south line of Myrtle Avenue and a line drawn parallel to and distant 100 feet north from the north line of Upas Street, be graded, and the sub-grade prepared, and paved with a Portland cement concrete pavement; and that cement concrete sewer lateral and appurtenances be constructed therein.

That the said work hereinbefore generally described on said NORTH AND SOUTH ALLEY IN BLOCK 245, UNIVERSITY HEIGHTS, in said City, between the south line of Myrtle Avenue and a line drawn parallel to and distant 280 feet north of the north line of Upas Street, shall be done to the modified grades shown and indicated upon the plans, profiles and specifications hereinafter referred to, and to which reference is hereby made for the description of the grades at which the work is to be done.

That the EAST AND WEST ALLEY IN BLOCK 245, UNIVERSITY HEIGHTS, in said City, between the west line of the North and South Alley in Block 245, University Heights, and the east line of T. J. Higgins Addition, be, graded, and the sub-grade prepared, and paved with a Portland cement concrete pavement; and that a cement concrete catch basin and appurtenances, and cement concrete culvert, connections, fittings and appurtenances, be constructed therein.

That a cement concrete culvert, connections, fittings and appurtenances, be constructed in, over and across PUBLIC RIGHT OF WAYS, in said City, over Lots 28 and 29, Block 245, University Heights.

All of the said work hereinbefore generally described shall be constructed in the manner, at the locations, within the limits, of the materials, and of the dimensions as shown upon and in accordance with the plans, profiles, drawings, typical cross-sections and specifications therefor contained in Document No. 255836, on file in the Office of the City Clerk of said City, and copies of which are on file in the Office of the City Engineer of said City, and by this reference thereto all said plans, profiles, drawings, typical cross-sections and specifications are made a part hereof.

The said Common Council hereby determines and declares that serial bonds shall be issued to represent each assessment of twenty-five dollars or more remaining unpaid after the full expiration of thirty days from the date of the warrant, to represent the expenses of said work and improvement. Said serial bonds shall extend over a period ending nine years from the second day of January next succeeding the fifteenth day of the next November following their date, and an even annual proportion of the principal sum thereof shall be payable by coupon on the second day of January every year after the fifteenth day of the next November following their date until the whole is paid. Said bonds shall bear interest at the rate of seven per cent. per annum, interest payable semi-annually by coupon, on all sums unpaid until the whole of said principal and interest are paid. Said bonds shall be issued and the principal and interest thereof shall be paid under and in pursuance of the Improvement Act of 1911, and amendments thereto.

That the contemplated work and improvement hereinbefore mentioned is in the opinion of said Common Council of more than local and ordinary public benefit, and the expenses of such work and improvement are made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said

district is described as follows, to-wit: All that real property in the said City of San Diego included within the exterior boundary lines of said district, as shown upon that certain plat No. 1630, indicating the exterior boundary lines of such district, which plat, approved by the Common Council, is on file in the Office of the City Engineer of said City; excepting therefrom all public streets, roads, alleys, avenues and highways. Reference is hereby made to said plat for a particular description of such district.

NOTICE IS HEREBY GIVEN, that on Monday, the 2nd day of June, 1930, at 10:00 o'clock A.M., in the Council Chamber of the City Hall of said The City of San Diego, any and all persons having any objections to the proposed work or improvement, to the grade at which said work is to be done, or to the extent of the district to be assessed to pay the costs and expenses of said proposed work or improvement, may appear before said Common Council and show cause why said proposed improvement should not be carried out in accordance with this Resolution.

That the Clerk of said City be, and he is hereby directed to cause this Resolution of Intention to be published twice in the San Diego Sun, a daily newspaper published and circulated in said City, and hereby designated for that purpose by the Common Council.

That the Street Superintendent of said City shall, after the adoption of this Resolution of Intention, cause to be conspicuously posted along the line of said contemplated work or improvement, at not more than three hundred feet in distance apart, but not less than three in all, notices of the passage of this Resolution of Intention, and when the work to be done is only upon an entire crossing or intersection, or any part thereof, he shall cause such notices to be conspicuously posted in front of each quarter block or irregular block liable to be assessed, and when the work is chargeable upon a district, he shall cause such notices to be conspicuously posted upon all open Streets within such district at not more than three hundred feet in distance apart on each Street so posted; all in the time, form and manner required by law; and thereupon said Superintendent of Streets shall cause to be filed in the Office of the City Clerk of said City, an affidavit showing the posting of said notices of improvement.

The Common Council does not deem it advisable that the Clerk mail copies of the notice of improvement to owners or reputed owners, and he is not required to mail the same.

All of the herein proposed work shall be done in pursuance of an Act of the Legislature of the State of California, designated as the "Improvement Act of 1911", approved April 7, 1911, and amendments thereto.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 5th day of May, 1930, by the following vote, to-wit:

RESOLUTION OF INTENTION NO. 53673  
UNIVERSITY AVENUE LIGHTING DISTRICT NO. 1.

RESOLVED, that it is the intention of the Common Council of the City of San Diego, California, pursuant to Chapter 247 of the Statutes of the State of California, approved June 6, 1913 (Statutes of 1913, page 421; Act 5215, General Laws of California) to order the following work to be done and improvement to be made in said City, to-wit:

The furnishing of electric current for the lighting of the ornamental street lights located on the following Streets in the City of San Diego, California, to-wit:

UNIVERSITY AVENUE, between the northerly prolongation of the east line of Texas Street and the southerly prolongation of the east line of the Alley in Block 209, University Heights; and

30TH STREET, between Lincoln Avenue and Wightman Street;

Together with the maintenance of the posts, wires, conduits and lamps on said Streets, within the limits above mentioned. Such furnishing of electric current and such maintenance of appliances shall be for a period of one year from and after August 7, 1930, to-wit, to and including August 6, 1931.

Said work of improvement shall be done in all respects according to, at the places shown by, and of the materials provided for, in the plans and specifications therefor to be hereafter prepared by the City Engineer of said City, and furnished to this Common Council, as hereinafter set forth.

That the exterior boundaries of the district in said City of San Diego to be benefited by said improvement, and to be assessed to pay the costs and expenses thereof, and to be known as the assessment district, are hereby specified as follows, to-wit:

Beginning at the point of intersection of the south line of University Avenue with the east line of Texas Street; thence northeasterly in a direct line to a point on the east line of Texas Street distant 25 feet north of the north line of University Avenue; thence east along a line parallel to and distant 25 feet north of the north line of University Avenue to a point distant 140 feet west of the west line of 30th Street; thence north along a line parallel to and distant 140 feet west of the west line of 30th Street to the south line of Lincoln Avenue; thence east along the south line of Lincoln Avenue to a point distant 140 feet east of the east line of 30th Street; thence south along a line parallel to and distant 140 feet east of the east line of 30th Street to a point distant 25 feet north of the north line of University Avenue; thence east along a line parallel to and distant 25 feet north of the north line of University Avenue to the northeast corner of Lot 24, Block 209, University Heights; thence southeasterly in a direct line to the northeast corner of Lot 9, Block 3, Hartley's North Park; thence south along the east line of said Lot 9 to the southeast corner thereof; thence westerly along the southerly lines of Lots 9 and 10, Block 3, Hartley's North Park, to the southwest corner of said Lot 10; thence westerly in a direct line to a point on the west line of 31st Street distant 100 feet south of the south line of University Avenue; thence west along a line parallel to and distant 100 feet south of the south line of University Avenue to the east line of Ray Street; thence northwesterly in a direct line to the southeast corner of Lot 1, Block 1, West End; thence west along the south line of said Lot 1 to the southwest corner thereof; thence south along a line parallel to and distant 100 feet east of the east line of 30th Street to the north line of Wightman Street; thence west along the north line of Wightman Street to a point distant 100 feet west of the west line of 30th Street; thence north along a line parallel to and distant 100 feet west of the west line of 30th Street to a point distant 50 feet south of the south line of University Avenue; thence west along a line parallel to and distant 50 feet south of the south line of University Avenue to the east line of 28th Street; thence northwesterly in a direct line to a point on the west line of 28th Street distant 25 feet south of the south line of University Avenue; thence west along a line parallel to and distant 25 feet south of the south line of University Avenue to the east line of Texas Street; thence north along the east line of Texas Street to the point or place of beginning; excepting therefrom all public streets, roads, alleys, avenues and highways.

Said Common Council does hereby order that the entire amount of the costs and expenses of said improvement shall be assessed upon the district above described.

That the proposed improvement is hereby referred to the City Engineer of said City, and said City Engineer is hereby directed to make and file, with the Clerk of said Common Council, a report, in writing, presenting the following;

1. Plans and specifications for the work required in order to make said improvement.

2. An estimate of the cost of said improvement and of the incidental expenses in connection therewith;

3. A diagram showing the district referred to, and also the boundaries and dimensions of the respective subdivisions of the land within said district, each of which subdivisions shall be given a separate number in red ink upon said diagram.

4. A proposed assessment of the total amount of the costs and expenses of the proposed improvement upon the several subdivisions of land in said district in proportion to the estimated benefits to be received by such subdivisions, respectively, from said improvement. Said assessment shall refer to such subdivisions upon said diagram by the respective red ink numbers thereof, and shall show the names of the owners, if known, otherwise designating them as unknown. No mistake in the name of the owner of any parcel of land shall affect the validity of the assessment thereon.

BE IT FURTHER RESOLVED, that this Common Council by virtue of authority vested in it by provisions of Chapter 620 of the Statutes of the State of California, approved June 4, 1915, (Statutes 1915, page 1171; Act 6427, General Laws of California) and acts amendatory thereof and supplemental thereto, does hereby determine to exercise the right, to the exclusion of all other bidders, to acquire in the name of the City of San Diego, California, at the sale for any delinquency arising from the non-payment of any assessment which shall be made and levied in these proceedings, any lien which shall accrue, or any property which is required to be sold, under the said law appertaining to said proceedings, for the non-payment of any such assessment or any delinquency incurred by the non-payment thereof.

That the Auditor and Controller of the City of San Diego, California, be, and he is hereby designated for the purpose, and is hereby directed to attend at any sale of property to be made for any delinquency of any assessment to be made and levied in this proceeding and at such sale he is hereby empowered to bid in and acquire, in the name of the City of San Diego, California, to the exclusion of other bidders, all liens and delinquent property at such delinquent sales.

This proceeding shall be designated as "University Avenue Lighting District No. 1".

## RESOLUTION OF INTENTION NO. 53705

WHEREAS, the City of San Diego is the owner in fee of Pueblo Lots 1324, 1325, 1326, 1330, 1331, 1332, 1333, 1336, 1337 and 1340, of the Pueblo Lands of the City of San Diego, which property has heretofore under Ordinances No. 648 and No. 9549 been set aside and placed in use by the City of San Diego as a public park; and

WHEREAS, the public interest and convenience now require the discontinuance of the use of portions of said land as a public park; and,

WHEREAS, in the furtherance of public interest and convenience it is desired to abandon portions of said property as a public park and devote the said portions to another needed municipal use; and

WHEREAS, the discontinuance and abandonment of the use of portions of such park lands as a park will not cause the reversion of any such lands to any private ownership and will not cause the forfeiture of the ownership thereof in fee by The City of San Diego; and

WHEREAS, the said portions of the park lands to be abandoned as a park were not acquired in any proceeding wherein a local assessment, based on benefits, was levied to provide funds for the acquisition thereof, NOW, THEREFORE,

BE IT RESOLVED by the Common Council of the City of San Diego, as follows:

That the public interest and convenience of said City require the discontinuance as a public park of a portion of the lands owned by the said City known as Torrey Pines Park. That the land necessary to be discontinued as a public park, embraced within the boundaries of Torrey Pines Park, is described as follows:

All that portion of Pueblo Lot 1330 and 1326, according to Map of the Pueblo Lands of San Diego, made by James Pascoe in the year 1870, a copy of which map is filed as Miscellaneous Map No. 36 in the Office of the County Recorder of San Diego County, California, bounded and described as follows:

Beginning at a point on the northerly line of Pueblo Lot 1330 distant 50 feet easterly from the northwesterly corner of said Pueblo Lot 1330; thence S. 0° 22' 50" E., parallel to the westerly line of said Pueblo Lot 1330, a distance of 223.1 feet to a point; thence S. 10° 00' 40" E., a distance of 3464.9 feet to a point; thence N. 69° 11' 20" E., to an intersection with a line parallel to and distant 50 feet easterly from the last described line; thence N. 10° 00' 40" W., along said parallel line and its northwesterly production to its intersection with the northerly line of Pueblo Lot 1330; thence westerly along the northerly line of Pueblo Lot 1330 to the point of beginning. ALSO,

All those portions of Pueblo Lots 1337, 1336 and 1333, according to Map of the Pueblo Lands of San Diego, made by James Pascoe in the year 1870, a copy of which map is filed as Miscellaneous Map No. 36 in the Office of the County Recorder of San Diego County, California, lying 100 feet on each side of the following described center line;

Beginning at a point on the north line of Pueblo Lot 1337 distant 1955.88 feet west from the northeast corner of said Pueblo Lot 1337; thence S.  $6^{\circ} 32' 30''$  E., making an angle of  $83^{\circ} 03'$  with the north line of Pueblo Lot 1337, a distance of 170.38 feet to a point; thence southeasterly along the arc of a tangent curve, concave to the northeast, the radius of which is 1650 feet, a distance of 837.22 feet to a point; thence S.  $35^{\circ} 36' 50''$  E., tangent to the last described curve, a distance of 297.52 feet to a point; thence southeasterly along the arc of a tangent curve, concave to the northeast, the radius of which is 1500 feet, a distance of 1109.37 feet to a point; thence S.  $77^{\circ} 59' 20''$  E., a distance of 765.93 feet to a point; thence southeasterly along the arc of a tangent curve, concave to the southwest, the radius of which is 3000 feet, a distance of 428.91 feet to a point; thence S.  $69^{\circ} 47' 50''$  E., tangent to the last described curve, a distance of 627.32 feet to a point; thence southeasterly along the arc of a tangent curve, concave to the southwest, the radius of which is 1500 feet, a distance of 908.01 feet to a point; said point lying on the center line of Torrey Pines Road; thence S.  $35^{\circ} 06' 50''$  E., tangent to the last described curve (said S.  $35^{\circ} 06' 50''$  E., to be known henceforth as S.  $35^{\circ} 13' 52''$  E., due to an equation in courses) a distance of 384.75 feet to a point; thence southeasterly along the arc of a tangent curve, concave to the southwest, the radius of which is 600 feet, a distance of 263.54 feet to a point; thence S.  $10^{\circ} 03' 52''$  E., to the south line of the northeast quarter of Pueblo Lot 1333, ALSO,

All those portions of Pueblo Lots 1324, 1325, 1331, 1332 and 1337, according to Map of the Pueblo Lands of San Diego, made by James Pascoe in the year 1870, a copy of which map is filed as Miscellaneous Map No. 36, in the Office of the County Recorder of San Diego County, California, lying between the mean high tide line and a line parallel to and distant 300 feet easterly from said mean high tide line, and bounded on the south by the southerly line of Pueblo Lot 1324 and on the north by the northerly line of Pueblo Lot 1337. ALSO,

All that portion of Pueblo Lot 1340, according to Map of the Pueblo Lands of San Diego, made by James Pascoe in the year 1870, a copy of which map is filed as Miscellaneous Map No. 36, in the Office of the County Recorder of San Diego, California, which is part of Torrey Pines Park and which is described as follows:

All that portion of said Pueblo Lot 1340 lying between the mean high tide line of the Pacific Ocean and the following described line:

Beginning at a point on the southerly line of said Pueblo Lot 1340 distant 3130 feet west from the southeasterly corner thereof; thence N.  $6^{\circ} 42' 30''$  W., making an angle of  $97^{\circ} 09'$  with the southerly line of said Pueblo Lot 1340, to an intersection with the northeasterly line of said Pueblo Lot 1340,

That the public interest and convenience of said City require that the portions of Torrey Pines Park above described, which are to be discontinued in use as a public park, be devoted to other municipal uses, to-wit: a portion to be devoted to use as a public street and highway, and a portion to be devoted to use as a public beach and recreational playgrounds; and that it is the intention of the Common Council of the City of San Diego, upon the discontinuance of said portions as a public park, to devote the said portions to the use of the City for a public Street and highway and for beach and recreational playgrounds.

That the Common Council of the City of San Diego intends to call a special election to submit to the qualified electors of the City of San Diego the question of the discontinuance of the use of the portions of Torrey Pines Park, herein described, as a public park.

BE IT FURTHER RESOLVED, that the Common Council of the City of San Diego shall and does hereby fix a time and place of hearing on this Resolution at which the public or persons interested may be heard; and it is therefore hereby resolved that said public hearing shall take place in the Council Chamber in the City Hall of the City of San Diego, on the 9th day of June, 1930, at 2:30 P.M.

BE IT FURTHER RESOLVED, that the Clerk of the City of San Diego shall cause this Resolution to be published twice in a daily newspaper published and circulated in the City of San Diego, said publication to be made and completed on or before the 19th day of May, 1930.

BE IT FURTHER RESOLVED, that the Superintendent of Parks of the City of San Diego be, and he is hereby authorized and directed to cause notices of the adoption of this Resolution to be conspicuously posted along the exterior boundaries of the area described herein, proposed to be discontinued and abandoned as a public park. Said notices so posted shall be headed "Notice of Proposed Discontinuance of Public Park Land" in letters not less than one inch in height, and shall in legible characters state the fact and date of the adoption of this Resolution, and shall contain a description of the land proposed to be discontinued and abandoned as a public park, and the name by which such public park is commonly known, and the use which it is proposed to make of such park. Such notice shall also contain a statement of the date, hour and place when and where any and all persons having any objection to the proposed abandonment and discontinuance may appear before the Common Council of the City of San Diego and show cause why the use of the land therein described for park purposes should not be discontinued in accordance with such Resolution. Such notices shall be posted along the exterior boundaries of the land proposed to be discontinued as a public park at not more than three hundred feet in distance apart, and there shall be not less than three such notices in all. Such posting shall be completed prior to the 19th day of May, 1930.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 5th day of May, 1930, by the following vote, to-wit:

#### RESOLUTION OF INTENTION NO. 53733

46TH STREET, NORWOOD STREET, EL CAJON AVENUE, AND PUBLIC RIGHTS OF WAY.

RESOLVED, that it is the intention of the Common Council of the City of San Diego, California, to order the following work to be done and improvement to be made in said City, to-wit:

That portions of 46TH STREET, in said City, between the northwesterly line of El Cajon Avenue and the easterly production of the north line of Norwood Street, be graded, and the sub-grade prepared, and paved with a two-inch asphalt wearing surface laid upon a four-inch asphaltic base; and that cement concrete curbs, cement concrete sidewalks, cement concrete sewer laterals and appurtenances, cement concrete sewer main, connections, fittings and appurtenances, cement concrete manhole, connections, fittings and appurtenances, cast iron water main, connections, fittings and appurtenances, copper water service connections and appurtenances, cast iron gate valves, valve boxes and covers, and cast iron fire hydrant, connections, fittings and appurtenances, be constructed therein.

That portions of NORWOOD STREET, in said City, between the northerly production of the west line of 46th Street and the west line of Edgemont, be graded, and the sub-grade prepared, and paved with a two-inch asphalt wearing surface laid upon a four-inch asphaltic base; and that cement concrete curbs, cement concrete sidewalks, cement concrete sewer laterals and appurtenances, cast iron sewer lateral and appurtenances, cement concrete sewer main, connections, fittings and appurtenances, cast iron water main, connections, fittings and appurtenances, copper water service connections and appurtenances, cast iron gate valves, valve boxes and covers, cast iron fire hydrant, connections, fittings and appurtenances, cement concrete curb inlet and appurtenances, and cement concrete culvert, connections, fittings and appurtenances, be constructed therein.

That cement concrete sidewalk, cast iron water main, connections, fittings and appurtenances, and cast iron gate valve, valve box and cover be constructed in portions of EL CAJON AVENUE, in said City, between the southerly production of the east and west lines of 46th Street.

That a cement concrete culvert, connections, fittings and appurtenances, be constructed in, over and across a PUBLIC RIGHT OF WAY, in said City, over a portion of Lot 5, Block 3, Edgemont.

That a cement concrete culvert, connections, fittings and appurtenances, be constructed in, over and across a PUBLIC RIGHT OF WAY, in said City, over a portion of Lot 4, Block 3, Edgemont.

All of the said work hereinbefore generally described shall be constructed in the manner, at the locations, within the limits, of the materials, and of the dimensions as shown upon and in accordance with the plans, profiles, drawings, typical cross-sections and specifications therefor contained in Document No. 256051, on file in the Office of the City Clerk of said City, and copies of which are on file in the Office of the City Engineer of said City, and by this reference thereto all said plans, profiles, drawings, typical cross-sections and specifications are made a part hereof.

The said Common Council hereby determines and declares that serial bonds shall be issued to represent each assessment of twenty-five dollars or more remaining unpaid after the full expiration of thirty days from the date of the warrant, to represent the expenses of said work and improvement. Said serial bonds shall extend over a period ending nine years from the second day of January next succeeding the fifteenth day of the next November following their date, and an even annual proportion of the principal sum thereof shall be payable by coupon on the second day of January every year after the fifteenth day of the next November following their date until the whole is paid. Said bonds shall bear interest at the rate of seven per cent. per annum, interest payable semi-annually by coupon, on all sums unpaid until the whole of said principal and interest are paid. Said bonds shall be issued and the principal and interest thereof shall be paid under and in pursuance of the Improvement Act of 1911, and amendments thereto.

That the contemplated work and improvement hereinbefore mentioned is in the opinion of said Common Council of more than local and ordinary public benefit, and the expenses of such work and improvement are made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to-wit: All that real property in the said City of San Diego included within the exterior boundary lines of said district, as shown upon that certain plat No. 1632, indicating the exterior boundary lines of such district, which plat, approved

by the Common Council, is on file in the Office of the City Engineer of said City; excepting therefrom all public streets, roads, alleys, avenues and highways. Reference is hereby made to said plat for a particular description of such district.

NOTICE IS HEREBY GIVEN, that on Monday, the 9th day of June, 1930, at 10:00 o'clock A.M., in the Council Chamber of the City Hall of said the City of San Diego, any and all persons having any objections to the proposed work or improvement, to the grade at which said work is to be done, or to the extent of the district to be assessed to pay the costs and expenses of said proposed work or improvement, may appear before said Common Council and show cause why said proposed improvement should not be carried out in accordance with this Resolution.

That the Clerk of said City be, and he is hereby directed to cause this Resolution of Intention to be published twice in the San Diego Sun, a daily newspaper published and circulated in said City, and hereby designated for that purpose by the Common Council.

That the Street Superintendent of said City shall, after the adoption of this Resolution of Intention, cause to be conspicuously posted along the line of said contemplated work or improvement, at not more than three hundred feet in distance apart, but not less than three in all, notices of the passage of this Resolution of Intention, and when the work to be done is only upon an entire crossing or intersection, or any part thereof, he shall cause such notices to be conspicuously posted in front of each quarter block or irregular block liable to be assessed, and when the work is chargeable upon a district, he shall cause such notices to be conspicuously posted upon all open Streets within such district at not more than three hundred feet in distance apart on each Street so posted; all in the time, form and manner required by law; and thereupon said Superintendent of Streets shall cause to be filed in the Office of the City Clerk of said City, an affidavit showing the posting of said notices of improvement.

The Common Council does not deem it advisable that the Clerk mail copies of the notice of improvement to owners or reputed owners, and he is not required to mail the same.

All of the herein proposed work shall be done in pursuance of an Act of the Legislature of the State of California, designated as the "Improvement Act of 1911", approved April 7, 1911, and amendments thereto.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 12th day of May, 1930, by the following vote, to-wit:

(SEAL) City Clerk of the City of San Diego, California, and Ex-Officio Clerk of the Common Council of the said City of San Diego.

By CLARK M. FOOTE, JR.,  
 Deputy.

RESOLUTION OF INTENTION NO. 53736  
 UNIVERSITY AVENUE LIGHTING DISTRICT NO.3.

RESOLVED, that it is the intention of the Common Council of the City of San Diego, California, pursuant to Chapter 247 of the Statutes of the State of California, approved June 6, 1913 (Statutes of 1913, page 421; Act 5215, General Laws of California) to order the following work to be done and improvement to be made in said City, to-wit:

The furnishing of electric current for the lighting of the ornamental Street lights located on the following Streets, in the City of San Diego, California, to-wit:

UNIVERSITY AVENUE, between Boundary Street and Euclid Avenue;  
34TH STREET, between the westerly prolongation of the north line of University Avenue and the westerly prolongation of the south line of Lot 4, Block 192, Amended Map of City Heights; and

43RD STREET, between the south line of University Avenue and a line parallel to and distant 150 feet south of the south line of University Avenue;

Together with the maintenance of the posts, wires, conduits and lamps on said Streets, within the limits above mentioned. Such furnishing of electric current and such maintenance of appliances shall be for a period of one year from and after August 7, 1930, to-wit, to and including August 6, 1931.

Said work of improvement shall be done in all respects according to, at the places shown by, and of the materials provided for, in the plans and specifications therefor to be hereafter prepared by the City Engineer of said City, and furnished to this Common Council, as hereinafter set forth.

That the exterior boundaries of the district in said City of San Diego to be benefited by said improvement, and to be assessed to pay the costs and expenses thereof, and to be known as the assessment district, are hereby specified as follows, to-wit:

Beginning at a point on the northeasterly line of Boundary Street distant 31.4 feet southeasterly from the southeasterly line of University Avenue; thence northwesterly along the northeasterly line of Boundary Street to a point distant 25 feet northwesterly from the northwesterly line of University Avenue; thence northeasterly along a line parallel to and distant 25 feet northwesterly from the northwesterly line of University Avenue and its northeasterly prolongation to the southwesterly line of Wabash Avenue; thence northerly in a direct line to the northwesterly corner of the unnamed part lying between Wabash Avenue, 34th Street, Lincoln Avenue and University Avenue; thence northeasterly in a direct line to a point on the east line of 34th Street distant 25 feet north of the north line of University Avenue; thence east along a line parallel to and distant 25 feet north of the north line of University Avenue to the west line of Euclid Avenue; thence south along the west line of Euclid Avenue to a point distant 25 feet south of the south line of University Avenue; thence west along a line parallel to and distant 25 feet south of the south line of University Avenue to a point distant 125 feet east of the east line of 43rd Street; thence south along a line parallel to and distant 125 feet east of the east line of 43rd Street a distance of 125 feet to a point; thence west along a line parallel to and distant 150 feet south of the south line of University Avenue to a point distant 140 feet west of the west line of 43rd Street; thence north along a line parallel to and distant 140 feet west of the west line of 43rd Street a distance of 125 feet to a point; thence west along a line parallel to and distant 25 feet south of the south line of University Avenue to the northeast corner of Lot 2, Block 192, Amended Map of City Heights; thence south along the east lines of Lots 2, 3, and 4, in said Block 192, to the southeast corner of said Lot 4; thence west along the south line of said Lot 4 to the southwest corner thereof; thence southwesterly in a direct line to a point on the southwesterly line of Wabash Avenue distant 31.4 feet southeasterly from the southeasterly line of University Avenue; thence southwesterly along a line parallel to and distant 31.4 feet southeasterly from the southeasterly line of University Avenue to the point or place of beginning; excepting therefrom all public streets, roads, alleys, avenues and highways.

Said Common Council does hereby order that the entire amount of the costs and expenses of said improvement shall be assessed upon the district above described.

That the proposed improvement is hereby referred to the City Engineer of said City, and said City Engineer is hereby directed to make and file, with the Clerk of said Common Council, a report, in writing, presenting the following:

1. Plans and specifications for the work required in order to make said improvements;

2. An estimate of the cost of said improvement and of the incidental expenses in connection therewith;

3. A diagram showing the district referred to, and also the boundaries and dimensions of the respective subdivisions of the land within said district, each of which subdivisions shall be given a separate number in red ink upon said diagram.

4. A proposed assessment of the total amount of the costs and expenses of the proposed improvement upon the several subdivisions of land in said district in proportion to the estimated benefits to be received by such subdivisions, respectively, from said improvement. Said assessment shall refer to such subdivisions upon said diagram by the respective red ink numbers thereof, and shall show the names of the owners, if known, otherwise designating them as unknown. No mistake in the name of the owner of any parcel of land shall affect the validity of the assessment thereon.

BE IT FURTHER RESOLVED, that this Common Council by virtue of authority vested in it by provisions of Chapter 620 of the Statutes of the State of California, approved June 4, 1915, (Statutes 1915, page 1171; Act 6427, General Laws of California) and acts amendatory thereof and supplemental thereto, does hereby determine to exercise the right, to the exclusion of all other bidders, to acquire in the name of the City of San Diego, California, at the sale for any delinquency arising from the non-payment of any assessment which shall be made and levied in these proceedings, any lien which shall accrue, or any property which is required to be sold, under the said law appertaining to said proceedings, for the non-payment of any such assessment or any delinquency incurred by the non-payment thereof.

That the Auditor and Controller of the City of San Diego, California, be, and he is hereby designated for the purpose, and is hereby directed to attend at any sale of property to be made for any delinquency of any assessment to be made and levied in this proceeding and at such sale he is hereby empowered to bid in and acquire, in the name of the City of San Diego, California, to the exclusion of other bidders, all liens and delinquent property at such delinquent sales.

This proceeding shall be designated as "University Avenue Lighting District No. 3".

Passed and adopted by the said Common Council of the said City of San Diego, California, this 12th day of May, 1930, by the following vote, to-wit:

RESOLVED, that it is the intention of the Common Council of the City of San Diego, California, to order the following work to be done and improvement to be made in said City, to-wit:

That portions of C STREET, in said City, between the easterly line of Kettner Boulevard and the easterly line of India Street, be graded, and the sub-grade prepared, and paved with a two-inch asphalt wearing surface laid upon a six-inch asphaltic base; and that cement concrete curbs and cement concrete sidewalks be constructed therein;

That portions of KETTNER BOULEVARD, in said City, between the westerly production of the northerly and southerly lines of C Street, be graded and the sub-grade prepared and paved with a two-inch asphalt wearing surface laid upon a six-inch asphaltic base.

That a cement concrete curb be constructed in portions of INDIA STREET, in said City, between the northerly line of C Street and a line parallel to and distant 3 feet northerly from the northerly line of C Street.

All of the said work hereinbefore generally described shall be constructed in the manner, at the locations, within the limits, of the materials, and of the dimensions as shown upon and in accordance with the plans, profiles, drawings, typical cross-sections and specifications therefor contained in Document No. 256735, on file in the Office of the City Clerk of said City, and copies of which are on file in the Office of the City Engineer of said City, and by this reference thereto all said plans, profiles, drawings, typical cross-sections and specifications are made a part hereof.

The said Common Council hereby determines and declares that serial bonds shall be issued to represent each assessment of twenty-five dollars or more remaining unpaid after the full expiration of thirty days from the date of the warrant, to represent the expenses of said work and improvement. Said serial bonds shall extend over a period ending nine years from the second day of January next succeeding the fifteenth day of the next November following their date, and an even annual proportion of the principal sum thereof shall be payable by coupon on the second day of January every year after the fifteenth day of the next November following their date until the whole is paid. Said bonds shall bear interest at the rate of seven per cent. per annum, interest payable semi-annually by coupon, on all sums unpaid until the whole of said principal and interest are paid. Said bonds shall be issued and the principal and interest thereof shall be paid under and in pursuance of the Improvement Act of 1911, and amendments thereto.

That the contemplated work and improvement hereinbefore mentioned is in the opinion of said Common Council of more than local and ordinary public benefit, and the expenses of such work and improvement are made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to-wit: All that real property in the said City of San Diego included within the exterior boundary lines of said district, as shown upon that certain plat No. 1634, indicating the exterior boundary lines of such district, which plat, approved by the Common Council, is on file in the Office of the City Engineer of said City; excepting therefrom all public streets, roads, alleys, avenues and highways. Reference is hereby made to said plat for a particular description of such district.

NOTICE IS HEREBY GIVEN, that on Monday, the 16th day of June, 1930, at 10:00 o'clock A.M., in the Council Chamber of the City Hall of said City of San Diego, any and all persons having any objections to the proposed work or improvement, to the grade at which said work is to be done, or to the extent of the district to be assessed to pay the costs and expenses of said proposed work or improvement, may appear before said Common Council and show cause why said proposed improvement should not be carried out in accordance with this Resolution.

That the Clerk of said City be, and he is hereby directed to cause this Resolution of Intention to be published twice in the San Diego Sun, a daily newspaper published and circulated in said City, and hereby designated for that purpose by the Common Council.

That the Street Superintendent of said City shall, after the adoption of this Resolution of Intention, cause to be conspicuously posted along the line of said contemplated work or improvement at not more than three hundred feet in distance apart, but not less than three in all, notices of the passage of this Resolution of Intention, and when the work to be done is only upon an entire crossing or intersection, or any part thereof, he shall cause such notices to be conspicuously posted in front of each quarter block or irregular block liable to be assessed, and when the work is chargeable upon a district, he shall cause such notices to be conspicuously posted upon all open Streets within such district at not more than three hundred feet in distance apart on each Street so posted; all in the time, form and manner required by law; and thereupon said Superintendent of Streets shall cause to be filed in the Office of the City Clerk of said City, an affidavit showing the posting of said notices of improvement.

The Common Council does not deem it advisable that the Clerk mail copies of the notice of improvement to owners or reputed owners, and he is not required to mail the same.

All of the herein proposed work shall be done in pursuance of an Act of the Legislature of the State of California, designated as the "Improvement Act of 1911", approved April 7, 1911, and amendments thereto.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 19th day of May, 1930, by the following vote, to-wit:

thence southwesterly along the northwesterly line of Bacon Street to the northeasterly line of Santa Monica Avenue, which point is the place of beginning; ex-

cepting therefrom all public Streets, Roads, Alleys, Avenues and Highways.

Said Common Council does hereby order that the entire amount of the costs and expenses of said improvement shall be assessed upon the district above described.

That the proposed improvement is hereby referred to the City Engineer of said City, and said City Engineer is hereby directed to make and file, with the Clerk of said Common Council, a report, in writing, presenting the following:

1. Plans and specifications for the work required in order to make said improvements;

2. An estimate of the cost of said improvement and of the incidental expenses in connection therewith;

3. A diagram showing the district referred to, and also the boundaries and dimensions of the respective subdivisions of the land within said district, each of which subdivisions shall be given a separate number in red ink upon said diagram.

4. A proposed assessment of the total amount of the costs and expenses of the proposed improvement upon the several subdivisions of land in said district in proportion to the estimated benefits to be received by such subdivisions, respectively, from said improvement. Said assessment shall refer to such subdivisions upon said diagram by the respective red ink numbers thereof, and shall show the names of the owners, if known, otherwise designating them as unknown. No mistake in the name of the owner of any parcel of land shall affect the validity of the assessment thereon.

BE IT FURTHER RESOLVED, that this Common Council by virtue of authority vested in it by provisions of Chapter 620 of the Statutes of the State of California, approved June 4, 1915, (Statutes 1915, page 1171; Act 6427, General Laws of California) and acts amendatory thereof and supplemental thereto, does hereby determine to exercise the right, to the exclusion of all other bidders, to acquire in the name of the City of San Diego, California, at the sale for any delinquency arising from the non-payment of any assessment which shall be made and levied in these proceedings, any lien which shall accrue, or any property which is required to be sold, under the said law appertaining to said proceedings, for the non-payment of any such assessment or any delinquency incurred by the non-payment thereof.

That the Auditor and Controller of the City of San Diego, California, be, and he is hereby designated for the purpose, and is hereby directed to attend at any sale of property to be made for any delinquency of any assessment to be made and levied in this proceeding and at such sale he is hereby empowered to bid in and acquire, in the name of the City of San Diego, California, to the exclusion of other bidders, all liens and delinquent property at such delinquent sales.

This proceeding shall be designated as "Ocean Beach Lighting District No. 1".

Passed and adopted by the said Common Council of the said City of San Diego, California, this 19th day of May, 1930, by the following vote, to-wit:

GARNET STREET LIGHTING DISTRICT NO. 1.

BE IT RESOLVED by the Common Council of the City of San Diego, as follows:

That the proposed modified assessment of the total amount of the costs and expenses of the work or improvement of furnishing electric current for the lighting of the ornamental Street Lights on GARNET STREET, between the westerly line of Cass Street and the northeasterly line of Ocean Boulevard, in the City of San Diego, California, together with the maintenance of the posts, wires, conduits and lamps on said Garnet Street, between the points above mentioned, made and filed with the Clerk of said Common Council by the City Engineer of said City of San Diego, and which said proposed modified assessment is contained in the document entitled, "Engineer's Modified Report on Garnet Street Lighting District No. 1", filed in the Office of said City Clerk, May 23, 1930, be, and the same is hereby confirmed.

BE IT FURTHER RESOLVED, that the modified report of said City Engineer, heretofore made and filed with the Clerk of said Common Council, being contained in said document hereinabove referred to, be, and the same is hereby adopted as a whole.

RESOLUTION ORDERING WORK NO. 53848  
 MORENA BOULEVARD, AUGUSTA STREET, BALTIMORE STREET,  
 CHICAGO STREET, DENVER STREET, ERIE STREET, FRANK-  
 FORT STREET, GALVESTON STREET, HARTFORD STREET,  
 ILLION STREET, MILTON STREET, LISTER STREET, KANE  
 STREET, JELLETT STREET, INGULF STREET, HUXLEY STREET,  
 GESNER STREET, FIELD STREET, EDISON STREET, ALLEYS  
 AND PUBLIC RIGHTS OF WAY IN MORENA.

RESOLVED, by the Common Council of the City of San Diego, California, that the public interest and convenience require the work hereinafter described to be done, and therefore the said Common Council hereby orders the following work to be done and improvement to be made in said City, to-wit:

All the Street work and improvement described in Resolution of Intention No. 53538, adopted by the Common Council of said City, April 21st, 1930, and on file in the Office of the City Clerk of said City, for work and improvement upon MORENA BOULEVARD, AUGUSTA STREET, BALTIMORE STREET, CHICAGO STREET, DENVER STREET, ERIE STREET, FRANKFORT STREET, GALVESTON STREET, HARTFORD STREET, ILLION STREET, MILTON STREET, LISTER STREET, KANE STREET, JELLETT STREET, INGULF STREET, HUXLEY STREET, GESNER STREET, FIELD STREET, EDISON STREET, ALLEYS AND PUBLIC RIGHTS OF WAY IN MORENA, in said City, within the limits and as particularly described in said Resolution of Intention.

For a particular description of the work reference is hereby made to said Resolution of Intention.

The costs and expenses of said work and improvement are to be assessed upon the district which is more particularly described in said Resolution of Intention.

The said Common Council determined that serial bonds extending over a period ending nine years from the second day of January next succeeding the fifteenth day of the next November following their date, bearing interest at the rate of seven per cent. (7%) per annum, shall be issued to represent assessments of twenty-five dollars (\$25.00) or more for the expenses of said work and improvement, as provided by the "Improvement Act of 1911", and amendments thereto.

For further particulars, reference is hereby made to said Resolution of Intention.

The City Clerk of said City is hereby directed to post conspicuously for five (5) days, on or near the Council Chamber door of the said Common Council, in the manner and form required by law, a notice with specifications inviting sealed proposals or bids for doing the work ordered; and said Clerk is hereby directed to publish twice in "THE SAN DIEGO SUN," a daily newspaper published and circulated in said City, and hereby designated for that purpose by said Common Council a notice inviting such proposals for doing the said work, and referring to the specifications posted or on file.

(SEAL) City Clerk of the City of San Diego, California, and Ex-Officio  
 Clerk of the Common Council of the City of San Diego.

By CLARK M. FOOTE, JR.,  
 Deputy.

RESOLUTION OF INTENTION NO. 53849  
 ALLEY IN UNIVERSITY HEIGHTS RESUBDIVISION OF A POR-  
 TION OF PUEBLO LOTS "D" AND 1117, LYING EASTERLY OF  
 AND ADJACENT TO LOTS 200 TO 208, INCLUSIVE, OF SAID  
 SUBDIVISION.

RESOLVED, that it is the intention of the Common Council of the City of San Diego, California, to order the following work to be done and improvement to be made in said City, to-wit:

That the ALLEY IN UNIVERSITY HEIGHTS RESUBDIVISION OF A PORTION OF PUEBLO LOTS "D" AND 1117, lying easterly of and adjacent to Lots 200 to 208 inclusive of said subdivision, in said City, between the southerly line of Madison Avenue and a line parallel to and distant 225 feet southerly from the southerly line of Madison Avenue, be graded, and the sub-grade prepared, and paved with a Portland cement concrete pavement; and that a cement concrete sewer lateral and appurtenances be constructed therein.

All of the said work hereinbefore generally described shall be constructed in the manner, at the locations, within the limits, of the materials, and of the dimensions as shown upon and in accordance with the plans, profiles, drawings, typical cross-sections and specifications therefor contained in Document No. 256465, on file in the Office of the City Clerk of said City, and copies of which are on file in the Office of the City Engineer of said City, and by this reference thereto all said plans, profiles, drawings, typical cross-sections and specifications are made a part hereof.

The said Common Council hereby determines and declares that serial bonds shall be issued to represent each assessment of twenty-five dollars or more remaining unpaid after the full expiration of thirty days from the date of the warrant, to represent the expenses of said work and improvement. Said serial bonds shall extend over a period ending nine years from the second day of January next succeeding the fifteenth day of the next November following their date, and an even annual proportion of the principal sum thereof shall be payable by coupon on the second day of January every year after the fifteenth day of the next November following their date until the whole is paid. Said bonds shall bear interest at the rate of seven per cent. per annum, interest payable semi-annually by coupon, on all sums unpaid until the whole of said principal and interest are paid. Said bonds shall be issued and the principal and interest thereof shall be paid under and in pursuance of the Improvement Act of 1911, and amendments thereto.

That the contemplated work and improvement hereinbefore mentioned is in the opinion of said Common Council of more than local and ordinary public benefit, and the expenses of such work and improvement are made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to-wit: All that real property in the said City of San Diego included within the exterior boundary lines of said district, as shown upon that certain plat No. 1633, indicating the exterior boundary lines of such district, which plat, approved by the Common Council, is on file in the Office of the City Engineer of said City; excepting therefrom all public streets, roads, alleys, avenues and highways. Reference is hereby made to said plat for a particular description of such district.

NOTICE IS HEREBY GIVEN, that on Monday, the 23rd day of June, 1930, at 10:00 o'clock A.M., in the Council Chamber of the City Hall of said the City of San Diego, any and all persons having any objections to the proposed work or improvement, to the grade at which said work is to be done, or to the extent of the district to be assessed to pay the costs and expenses of said proposed work or improvement, may appear before said Common Council and show cause why said proposed improvement should not be carried out in accordance with this Resolution.

That the Clerk of said City be, and he is hereby directed to cause this Resolution of Intention to be published twice in the San Diego Sun, a daily newspaper published and circulated in said City, and hereby designated for that purpose by the Common Council.

That the Street Superintendent of said City shall, after the adoption of this Resolution of Intention, cause to be conspicuously posted along the line of said contemplated work or improvement, at not more than three hundred feet in distance apart, but not less than three in all, notices of the passage of this Resolution of Intention, and when the work to be done is only upon an entire crossing or intersection, or any part thereof, he shall cause such notices to be conspicuously posted in front of each quarter block or irregular block liable to be assessed, and when the work is chargeable upon a district, he shall cause such notices to be conspicuously posted upon all open Streets within such district at not more than three hundred feet in distance apart on each Street so posted; all in the time, form and manner required by law; and thereupon said Superintendent of Streets shall cause to be filed in the Office of the City Clerk of said City, an affidavit showing the posting of said notices of improvement.

The Common Council does not deem it advisable that the Clerk mail copies of the notice of improvement to owners or reputed owners, and he is not required to mail the same.

All of the herein proposed work shall be done in pursuance of an Act of the Legislature of the State of California, designated as the "Improvement Act of 1911", approved April 7, 1911, and amendments thereto.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 26th day of May, 1930, by the following vote, to-wit:

RESOLUTION OF INTENTION NO. 53853  
MISSION BEACH LIGHTING DISTRICT NO. 2.

RESOLVED, that it is the intention of the Common Council of the City of San Diego, California, pursuant to Chapter 247 of the Statutes of the State of California, approved June 6, 1913 (Statutes of 1913, page 421; Act 5215, General Laws of California) to order the following work to be done and improvement to be made in said City, to-wit:

The furnishing of electric current for the lighting of the thirty-seven (37) 600 candle power lamps on mast arms attached to the poles located in MISSION BOULEVARD, between the southerly extremity of said Mission Boulevard and the southerly line of San Fernando Place, in Mission Beach, in the City of San Diego, California; together with the maintenance of the said mast arms, wires and lamps on said Mission Boulevard, between the limits above mentioned. Such furnishing of electric current and such maintenance of appliances shall be for a period of one year from and after August 17, 1930, to-wit, to and including August 16, 1931.

Said work of improvement shall be done in all respects according to, at the places shown by, and of the materials provided for, in the plans and specifications therefor to be hereafter prepared by the City Engineer of said City, and furnished to this Common Council, as hereinafter set forth.

That the exterior boundaries of the district in said City of San Diego to be benefited by said improvement, and to be assessed to pay the costs and expenses thereof, and to be known as the assessment district, are hereby specified as follows, to-wit:

Beginning at the most southerly corner of Lot D, Block 7, Mission Beach; thence northwesterly and northerly along the northeasterly and easterly lines of Ocean Front Walk and its northerly prolongation to the northerly line of San Fernando Place; thence easterly along the northerly line of San Fernando Place and its easterly prolongation to the westerly line of Bayside Walk; thence in a general southerly direction along the westerly line of Bayside Walk to a point distant 14.21 feet northeasterly from the most southerly corner of Lot D, Block 1, Mission Beach; thence southwesterly on a direct line to the intersection of the southeasterly line of San Diego Place with the northeasterly line of Mission Boulevard; thence southeasterly along the northeasterly line of Mission Boulevard to the southerly extremity of said Mission Boulevard; thence South 78° 59' 41" West to a point distant 10 feet southwesterly from the southwesterly line of Mission Boulevard; thence northwesterly on a line parallel to and distant 10 feet southwesterly from the southwesterly line of Mission Boulevard to an intersection with a line parallel to and distant 10 feet southwesterly from the southwesterly line of Ocean Front Walk; thence northwesterly along a line parallel to and distant 10 feet southwesterly from the southwesterly line of Ocean Front Walk to an intersection with the southwesterly prolongation of the southeasterly line of Lot D, Block 7, Mission Beach; thence northeasterly on a direct line to the point or place of beginning; excepting therefrom all public streets, avenues, alleys, highways or roads.

Said Common Council does hereby order that the entire amount of the costs and expenses of said improvement shall be assessed upon the district above described.

That the proposed improvement is hereby referred to the City Engineer of said City, and said City Engineer is hereby directed to make and file, with the Clerk of said Common Council, a report, in writing, presenting the following:

1. Plans and specifications for the work required in order to make said improvements;

2. An estimate of the cost of said improvement and of the incidental expenses in connection therewith;

3. A diagram showing the district referred to, and also the boundaries and dimensions of the respective subdivisions of the land within said district, each of which subdivisions shall be given a separate number in red ink upon said diagram.

4. A proposed assessment of the total amount of the costs and expenses of the proposed improvement upon the several subdivisions of land in said district in proportion to the estimated benefits to be received by such subdivisions, respectively, from said improvement. Said assessment shall refer to such subdivisions upon said diagram by the respective red ink numbers thereof, and shall show the names of the owners, if known, otherwise designating them as unknown. No mistake in the name of the owner of any parcel of land shall affect the validity of the assessment thereon.

BE IT FURTHER RESOLVED, that this Common Council by virtue of authority vested in it by provisions of Chapter 620 of the Statutes of the State of California, approved June 4, 1915, (Statutes 1915, page 1171; Act 6427, General Laws of California) and acts amendatory thereof and supplemental thereto, does hereby determine to exercise the right, to the exclusion of all other bidders, to acquire in the name of the City of San Diego, California, at the sale for any delinquency arising from the non-payment of any assessment which shall be made and levied in these proceedings, any lien which shall accrue, or any property which is required to be sold, under the said law appertaining to said proceedings, for the non-payment of any such assessment or any delinquency incurred by the non-payment thereof.

That the Auditor and Controller of the City of San Diego, California, be, and he is hereby designated for that purpose, and is hereby directed to attend at any sale of property to be made for any delinquency of any assessment to be made and levied in this proceeding and at such sale he is hereby empowered to bid in and acquire, in the name of the City of San Diego, California, to the exclusion of other bidders, all liens and delinquent property at such delinquent sales.

This proceeding shall be designated as "Mission Beach Lighting District No. 2"

Passed and adopted by the said Common Council of the said City of San Diego, California, this 26th day of May, 1930, by the following vote, to-wit:
