BE IT RESOLVED by the Common Council of the City of San Diego, as follows:

That all members of the Common Council be, and they are hereby designated as a committee to wait upon the Board of Supervisors next Monday at 11:00 A.M., for the purpose of presenting the City's claims for a larger portion of the gasoline tax moneys allocated to San Diego County than the \$50,000 included in the tentative County budget for 1931-1932, and the Manager of Operation is hereby instructed to furnish said committee with the necessary data covering urgent street or highway work which should be presented to the attention of the said Board of Supervisors.

R E S O L U T I O N NO. 57123

BE IT RESOLVED, by the Common Council of the City of San Diego, as follows:

That His Excellency, James Rolph jr., Governor of the State of California, be, and he is hereby earnestly requested to give serious attention to the possible sites within the bounds of San Diego County for the proposed new State Hospital, such request being based upon the following:

San Diego County enjoys superior climatic conditions and healthful surroundings, making it an ideal location for the establishment of a hospital.

The National Government, by locating in San Diego its great Naval Hospital, has recognized these conditions and taken advantage of them.

Although San Diego County is the fourth in population in the entire state no state institution or activity of major importance has ever been allotted to it.

If the county is given this state hospital it will work to the benefit of tradesmen and farmers, thus returning, to a certain degree, the large sums which are paid out in taxes.

I HEREBY CERTIFY that the above and foregoing is a full, true and correct copy of Resolutions Nos. 57115, 57116, 57117, 57118, 57119, 57120, 57121, 57122, 57123, of the Resolutions of the City of San Diego, California, as adopted by the Common Council of the said City on the 27th day of August, 1931.

RESOLUTION OPPOSING THE DIVERSION OF STATE HIGHWAY FUNDS.

WHEREAS, the State Department of Finance has proposed the diversion of motor vehicle revenues, now used exclusively for the maintenance, reconstruction and construction of highways, to the payment of interest and redemption on outstanding highway bonds; and

WHEREAS, it is estimated that such diversion would deplete state highway revenues in the sum of \$8,800,000.00 for the next biennium and the aggregate sum of \$92,000,000.00 during the life of said highway bonds; and

WHEREAS, Senate Constitutional Amendment No. 22, which will appear on the November ballott, seeks to divert the State's share of the franchise taxes collected from busses and trucks to the general fund, which would deplete the highway fund in the amount of approximately \$960,000.00 during the next biennium; and

WHEREAS, a law was enacted at the last legislature authorizing the State Highway Commission to expend state highway funds within the corporate limits of the cities of the state; and

WHEREAS, reductions in state highway moneys through diversion to the general fund would greatly curtail or possibly eliminate this state aid to cities; and

WHEREAS, the cities of the State of California as a whole have not received proper benefits from the highway funds of the state; NOW, THEREFORE,

BE IT RESOLVED by the Council of the City of San Diego, as follows:

That the City of San Diego, through its City Council, hereby expresses itself as opposed to the expenditure of highway funds for any purpose other than the acquisition, construction and maintenance of roads, streets and highways.
