EXHIBIT "A"  
L E A S E

THIS AGREEMENT, made and entered into this \_\_\_\_\_ day of \_\_\_\_\_, 1940, by and between THE CITY OF SAN DIEGO, a municipal corporation of the County of San Diego, State of California, hereinafter designated as the City, and the OTAY AGRICULTURAL CORPORATION, a corporation, successor to the Aleutian Development Company, hereinafter designated as the Lessee, WITNESSETH:

That for and in consideration of the payment of the rents to be paid by the Lessee, as hereinafter set forth, and in consideration of the covenants of the Lessee hereinafter set out and their faithful performance by such Lessee, and upon and subject to the terms, conditions and reservations herein set forth, the City does by these presents lease, demise and let unto the said Lessee the following described property, situate in the County of San Diego, State of California, to-wit:

All that portion of Rancho Janal, in the County of San Diego, State of California, described as follows:

Commencing at corner number 3 of the original survey of said Rancho, as shown on the United States Patent therefor, recorded in Patent Book 1, at page 89, recorded July 20, 1872; thence westerly on the south line of said Rancho between corner number 3 and corner number 2, a distance of 3978.95 feet to an intersection with the outer boundary of a strip of land 100 feet wide adjoining and being above the 150 foot contour line of the reservoir as shown and delineated upon Map of Rancho Janal made by Lew B. Harris, being No. 989 filed in the office of the Recorder of said San Diego County May 21, 1906, showing that portion of said Rancho occupied by the Lower Otay Reservoir up to the 150 foot contour line, and also showing a strip of land 100 feet wide adjoining and being above said 150 foot contour line; thence following the meanders of said outer boundary of said 100 foot strip in a general northerly, westerly and easterly direction to its intersection with the easterly line of the Rancho Janal between corner number 3 and corner number 4, said point being 5320.45 feet northerly from corner number 3; thence south on the easterly line of Rancho Janal between corners number 4 and 3 a distance of 5320.45 feet to corner number 3, being the true point of beginning, containing 362.0 acres.

For a term of five (5) years, beginning on the 1st day of \_\_\_\_\_, 1940, and ending on the \_\_\_\_\_ day of \_\_\_\_\_, 1945, at the following rental: Fifty Dollars (\$50.00) per year, payable yearly in advance at the office of the Lessor during said term.

In consideration of the covenants herein contained the parties hereto agree as follows:

First. That the above described premises are leased to said Lessee for agricultural and/or stock grazing purposes only, and for no other purpose or purposes, except that Lessee has the right during the life of this lease to apply the State of California Game Management Area regulations to these premises.

Second. That this lease shall not be assigned or transferred, nor shall the said Lessee have the right to sublet the leased premises, or any part thereof, without the consent in writing of the Council of said City.

Third. That the City reserves all gas, oil and mineral rights in and on said premises herein leased, with the right to go upon said property and prospect or drill for oil, gas and minerals.

Fourth. That the Lessee shall keep and maintain said premises in as good repair and condition as it may receive them at its own expense (ordinary wear and tear and the acts of God excepted) and the said City shall not be called upon to make any expenditures or repairs on said premises.

Fifth. The City reserves and shall always have the right to enter said premises for the purpose of viewing and ascertaining the condition of same, and/or for the purpose of drilling, operating and maintaining wells and pipelines on said premises, and for the purpose of making repairs to or developing the water system of said City; but the City shall not be required to furnish any water on said premises.

Sixth. That the said Lessee, paying the said rent and performing the covenants and agreements aforesaid, shall and may at all times during the said term, peaceably and quietly have, hold and enjoy the said premises for the term aforesaid.

Seventh. Said Lessee agrees that on the last day of said term, or other sooner termination of this lease, the said Lessee shall and will peaceably and quietly leave, surrender and yield up unto said City the said premises, in as good state and condition as the same are now in or may be put into, reasonable use and wear thereof and damage by the elements excepted.

Eighth. It is further agreed by the parties hereto that whenever the City Council of said City in good faith determines that the lands leased herein are necessary to be occupied and used by the City for the preservation of its water rights or for the purpose of providing increased water storage capacity in connection with the City's Lower Otay Reservoir, as recommended by the Hydraulic Engineer of said City, then and in that event this lease may be terminated by the City upon giving to the Lessee sixty (60) days notice, in writing, of such termination; and the City of San Diego shall not be liable in any manner whatsoever by reason thereof.

Ninth. It is further agreed by and between the parties hereto that in case of the violation by the Lessee of any of the terms and conditions of this lease, the City may either terminate this lease upon notice and take possession of the premises, or may enter and possess the same as the agent of the Lessee and for its account.

Tenth. It is further agreed that Lessee will reconstruct certain portions of the existing fence on the Rancho Janal in the vicinity of the shore line of the Lower Otay Reservoir, at points where the present trail survey passes through the fence, in such manner that the City may economically construct a trail near the shore line, and that Lessee will at all times maintain said fence in such manner as to keep stock from approaching the shore of Lower Otay Reservoir; and also maintain the City's portion of the south and east division fences.

Eleventh. It is further agreed that Lessee will permit City employees and the general public to use the existing road through said leased property, and that it will place no gates or obstructions across said road. Lessee, however, may install adequate cattle guards thereon, and permission is hereby granted for the same.

Twelfth. It is agreed between the parties hereto that the City shall not be liable for any damage resulting from injury to livestock grazing on said leased lands.

Thirteenth. It is further agreed that Lessee, during the term hereof, may drive cattle or other livestock from the Otay Rancho over and across those portions of land owned by the City lying in Section 13, Township 18 South, Range 1 West, and Section 18, Township 18 South, Range 1 East, to the premises leased herein; provided, however, Lessee will first

construct a trail in a location satisfactory to the City Hydraulic Engineer.

Fourteenth. It is understood and agreed that a waiver by the City of any default hereunder shall not be considered, nor held to be, a waiver of any subsequent or other default, and also that consent to the subletting of said premises or any part thereof, or to the assignment of this lease, shall not be construed or considered as a consent to any other or subsequent subletting or assignment.

Fifteenth. It is understood and agreed that if the Lessee shall make default in the performance of any of the terms, conditions or covenants of this lease by the Lessee to be kept, observed or performed, Lessee will in such case pay to the City the expenses and costs incurred by the City in any action which may be commenced by the City based on, or arising out of, any such default, including a reasonable attorney's fee.

Sixteenth. It is further understood and agreed between the parties hereto that upon the expiration of the term hereof, if said Lessee is not in default in any of the terms and covenants herein, then, at the option of said Lessee and with the consent of the City Council of said City, expressed by resolution, this lease may be renewed for another term of five (5) years, upon the same terms and conditions as herein expressed.

Seventeenth. It is mutually agreed by and between the parties hereto that this lease is subject to the provisions of the Charter of said City, the Constitution and general laws of the State of California; and that should it be determined that this lease is unauthorized thereby, then in that event this lease shall ipso facto terminate and the City shall not be liable in any manner whatsoever by reason thereof.

IN WITNESS WHEREOF, this agreement is executed by The City of San Diego, acting by and through the City Manager of said City, under and pursuant to Resolution No. 71121 of the Council, authorizing such execution, and said Lessee has caused this instrument to be executed by its proper officers thereunto duly authorized and its corporate name and seal to be hereunto affixed the day and year in this agreement first above written.

Broell, of the Park Department of the City of San Diego.

R E S O L U T I O N NO. 71787

BE IT RESOLVED by the Council of the City of San Diego, as follows:

There is hereby referred to the City Manager the verbal statement of Harry Foster regarding the possibility of conducting a "black out" in San Diego during the American Legion convention. The City Manager is requested to bring in a report to the Council on the feasibility of the plan, for next Tuesday's meeting.

R E S O L U T I O N NO. 71788

WHEREAS, the Commandant of the 11th Naval District has advised this Council of the existence of a present and immediate need for upwards of a thousand additional housing units in San Diego to provide for the requirements of the enlisted personnel of the Navy, whose incomes are not sufficient to enable them to secure decent or adequate housing facilities in San Diego; and

WHEREAS, said Commandant suggests that these additional housing units be built either by local housing authorities, the U.S.H.A., or directly by the Navy Department with funds allocated to it from U.S.H.A.; and

WHEREAS, the Council Committee and the Citizens' Committee on Housing have been carefully studying the entire housing situation for some weeks, including the needs of the Navy, and feel that a low-cost program can and should be undertaken by local private capital to replace sub-standard dwellings, and provide housing for workers in the low-income brackets, but that it would be difficult if not impossible to finance by private capital a large number of low rental housing units exclusively for the use of the Navy personnel because of the fluctuating and uncertain character of such tenancies; and

WHEREAS, it is the desire of the 11th Naval District that such additional housing units for its personnel be concentrated in two areas, one adjacent to the Destroyer Base and another adjacent to the Marine Base; and

WHEREAS, the City Council and said Committees desire in every way legally possible to co-operate with the Navy Department and aid it in solving its housing problem; NOW, THEREFORE,

BE IT RESOLVED by the Council of the City of San Diego, as follows:

That of the three foregoing alternatives suggested by the Commandant of the 11th Naval District, the Council does hereby choose as most feasible and therefore recommends the alternative that the Navy secure an allotment of funds from the U.S.H.A., for the purpose of itself constructing such number of low-cost housing units as may be required by it exclusively for the housing of Navy personnel in San Diego, whose incomes are insufficient to enable them to secure adequate and decent living quarters under present conditions.

BE IT FURTHER RESOLVED that the City Clerk be, and he is hereby directed to transmit a certified copy of this resolution to the Commandant of the 11th Naval District. Approved as to form by: H.B.DANIEL

If the lessee shall desire and intend to avail himself of the right herein reserved to such extended term, he shall notify the City in writing thereof at lease ninety (90) days prior to the expiration of the ten-year term of this lease. The failure of the lessee so to do shall relieve the City from any obligation to make such extension.

(5) The Corporation shall indemnify and keep the City harmless from any claims, costs or judgments proximately resulting from its operations and occupancy under the terms hereof; provided, however, that prompt notice of any such claim as may be filed with the City shall be given to the Corporation, and it shall be afforded the timely privilege and option of defending same.

(6) All buildings, structures and improvements placed by the Corporation on said premises, and all equipment installed on said premises by the Corporation, and all field equipment furnished by the Corporation at its expense, shall remain the property of the Corporation, and upon the termination of this lease, said buildings, improvements, structures and equipment shall be removed from said premises by the Corporation, or otherwise disposed of, within a reasonable time after termination hereof; subject, however, to any constitutional, statutory or contract lien which the City may have for unpaid rents or charges.

(7) The Corporation shall use, during the entire term of this lease, the premises hereby leased as a part of its main aircraft manufacturing plant (including emergency standby facilities) now operated and maintained upon lands contiguous to the premises hereby leased, which said contiguous lands were heretofore leased by the City of San Diego to said Corporation.

If the Corporation shall fail to comply with the requirements of this condition, or shall at any time during the term of this lease and any extension or renewal thereof, discontinue the use of said premises for the purposes herein contemplated, or shall establish or maintain its main manufacturing plant or operations elsewhere, the City shall have the right, as its sole and exclusive remedy, upon sixty (60) days' written notice, to terminate this lease and all rights and privileges granted hereunder, save and except the right of the Corporation to remove buildings, improvements, structures and equipment that it may have theretofore placed upon said premises; provided, further, that the Corporation shall at any time prior to the expiration of this lease, and any extension or renewal thereof, anything to the contrary in this lease notwithstanding, have the right, at its election, to surrender to the City this lease and all of its rights hereunder, save and except the right of the Corporation to remove buildings, improvements, structures and equipment that it may have theretofore placed upon said premises, upon payment to the City of all rentals accrued to the date of such surrender, without any further liability on the part of the Corporation. In event of such surrender, however, the Corporation shall have no claim upon the City for the rebate or return of any amount of rent theretofore paid by it hereunder.

(8) Neither the whole nor any portion of this lease shall be assignable or transferable, nor shall any portion in excess of a total of twenty percent (20%) of the entire area hereby leased be sublet, without the consent of the Harbor Commission of said City evidenced by resolution duly and regularly adopted by said Commission. Provided, however, that said Harbor Commission shall not refuse or withhold its approval to an assignment or transfer of this lease to an assignee conducting an aircraft manufacturing business similar to that conducted or to be conducted on the leased premises by said Corporation, and whose financial standing and responsibility of the Lessee herein.

(9) In event of breach by the Corporation of any of the covenants herein contained, the City may serve notice in writing upon the Corporation that if such breach is not cured within a sixty (60) day period the City may declare this lease at an end, and upon such a declaration by the City of its termination of this lease, the said Corporation shall remove from the said demised premises and have no further right or claim thereto, and the City shall immediately thereupon, without recourse to the Courts, have the right to take possession of said premises, and said Corporation shall forfeit all rights and claims thereto and thereunder; provided, however, that in the event of a termination of this lease as in this paragraph provided, the Corporation may within such reasonable time as the Harbor Commission may designate, remove all buildings, improvements, structures and equipment and other personal property of the Corporation from the premises herein leased, or otherwise dispose of the same; provided, further, that no such termination shall in any wise relieve the Corporation from the obligation to pay any rentals and charges accrued and unpaid up to the time hereof.

(10) If at any time during the term of this lease the tenancy hereunder shall interfere with the use of any of the tide lands of San Diego Bay lying bayward of the bulkhead line as now established, for navigation, commerce and fisheries, or in any manner become inconsistent with the trusts under which the said tide lands are held from the State of California, the City shall have the right to terminate this lease upon one year's notice

and the payment to the Corporation of reasonable compensation, which shall be based upon and limited to compensation for the actual value of the time of the termination of this lease of such buildings, structures and physical improvements placed upon the demised premises by the Corporation, as are authorized or permitted under the terms of this lease, and shall not be held to include or require compensation to be paid in any amount to said Corporation for any damage to or interference with, or loss of business or franchise, occasioned by any such termination.

(11) The City reserves the right to lay and maintain water or sewer pipes across any of the premises occupied or to be occupied by the Corporation hereunder, provided that said Corporation shall not be disturbed in the possession and use of said premises to any greater degree than may be necessary for such purposes.

(12) Reference is hereby made to all laws as now existing and as hereafter amended or enacted applicable to the leasing of tide lands by The City of San Diego, and by such references all restrictions or conditions imposed or reservations made thereby are made a part of this lease with like effect as though the same were expressly set forth herein.

(13) The City shall gradually improve Lindbergh Field and increase the ground area thereof, in accordance with the official plans and program as the same now exists, for the full and free, non-exclusive use, of the Corporation, in common with others, of the said field, for flying activities during the full term of this lease, together with any extension thereof.

(14) The City shall allow no buildings or flying obstructions to be erected on the field side of the premises herein leased.

It is further understood and agreed that unless this lease shall have been terminated for a cause herein provided, upon the expiration of the term hereby granted the Corporation shall, provided it is not then in default as to any of the terms or conditions herein contained, have the right to a renewal of this lease, upon the same terms and conditions and for the same purposes and uses, for an additional period of fifty (50) years: provided, further, that if the Corporation shall desire and intend to avail itself of the right to such renewal, it shall notify the City in writing thereof at least one (1) year prior to the expiration of the term of this lease, and the City shall notify the Corporation in writing of the provisions of this paragraph not more than five (5) years nor less than two (2) years prior to the expiration of the term hereby granted. The failure of the Corporation to give said notice of renewal shall relieve the City from any obligation to make such renewal, provided the City has itself given the notice to the Corporation herein provided for.

IN WITNESS WHEREOF, a majority of the members of the Harbor Commission of The City of San Diego, acting for and on behalf of said City, have hereunto subscribed their names as and for the act of said City, and the said Corporation, Lessee as aforesaid, has caused this instrument to be executed and its Corporate name and seal to be hereunto affixed by its proper officers, and this instrument when so executed shall be deemed effective from the date first hereinabove written. This instrument is executed in duplicate, both of which shall be deemed originals.

#### RESOLUTION NO. 72612

WHEREAS, it appears to this Council that the business interests of The City of San Diego and the County of San Diego would be very seriously and injuriously affected should the racing dates heretofore accorded to the Del Mar Turf Club by the California State Racing Board be changed; and that it is common knowledge that if racing after Labor Day were imposed upon the Del Mar track the plant would operate at a loss, with the result that this community might be deprived of this important attraction entirely; NOW, THEREFORE,

BE IT RESOLVED By the Council of The City of San Diego, as follows:

That the California State Racing Board be, and it is hereby urgently requested not to make any change in the racing dates heretofore accorded the Del Mar Turf Club.
