CLASSIFICATION
SAN DIEGO CITY CIVIL SERVICE COMMISSION
LATENT PRINT EXAMINER I

DEFINITION:
Under general supervision, in a training program, to perform routine examination of latent prints in connection with the investigation of crimes; and to perform related work.

* EXAMPLE OF DUTIES:
- Examines latent finger, palm and foot prints to determine quality and identity;
- Performs routine work in the comparison of known prints of suspects with latent prints;
- Prepares photographs, charts, and other materials for demonstration of evidence in court;
- May appear in court to testify on routine cases;
- Classifies fingerprints;
- Maintains logs and records of examinations performed.

MINIMUM QUALIFICATIONS:
Please note: the minimum qualifications stated below are a guide for determining the education, training, experience, special skills, and/or license which may be required for employment in the class. These are re-evaluated each time the position is opened for recruitment. Please refer to the most recent Job Announcement for updated minimum qualifications.

One year of experience as an Forensic Specialist, AND completion of 80 hours of F.B.I., California Criminalistics Institute, California Department of Justice, or P.O.S.T. classes on fingerprint or latent print identification, classification or comparison. Possession of a valid California Class C Driver's License.

* EXAMPLES OF DUTIES performed by employees in this class. The list may not include all required duties, nor are all listed tasks necessarily performed by everyone in this class.
