- Conducts difficult and complex crime pattern analyses and evaluates crime suppression techniques;
- Prepares in-depth reports of studies conducted;
- Performs difficult special administrative assignments as assigned.

MINIMUM QUALIFICATIONS:
Please note: the minimum qualifications stated below are a guide for determining the education, training, experience, special skills, and/or license which may be required for employment in the class. These are re-evaluated each time the position is opened for recruitment. Please refer to the most recent Job Announcement for updated minimum qualifications.

Bachelor's degree or equivalent education (i.e., minimum completed units equal to 120 semester/180 quarter); AND three years of professional experience performing budgetary, administrative, personnel, or organizational analysis work, of which one year must have been performed in a government agency. Additional qualifying professional experience may be substituted for the education lacked on a year-for-year basis. Qualifying experience must include preparing, administering, and developing budgets; conducting administrative or personnel studies to formulate recommendations, developing solutions, and determining appropriate courses of action; or identifying and evaluating organizational problems and recommendations for program effectiveness and efficiency. A Master's degree in Public, Personnel or Business Administration, Finance, Economics, Industrial Engineering or Psychology, Management or a closely related field may be substituted for a maximum of one year of the required experience (other than the required government agency experience).

* EXAMPLES OF DUTIES performed by employees in this class. The list may not include all required duties, nor are all listed tasks necessarily performed by everyone in this class.
