- Provides training and evaluates the work of subordinates;
- Investigates tenant complaints regarding facility maintenance;
- Orders materials and supplies;
- Ensures adherence to safety procedures;
- Maintains liaison with service contractors and vendors;
- Inspects service contract work;
- Coordinates the setting up and arrangement of facilities for meetings and special events;
- Maintains records;
- Prepares reports.

MINIMUM QUALIFICATIONS:

Please note: the minimum qualifications stated below are a guide for determining the education, training, experience, special skills, and/or license which may be required for employment in the class. These are re-evaluated each time the position is opened for recruitment. Please refer to the most recent Job Announcement for updated minimum qualifications.

Three years of experience performing a wide variety of semiskilled building repair, maintenance, and minor construction work; including at least one year at a facility with a capacity of at least 20,000 where major athletic and/or entertainment events are held. Qualifying experience must include all of the following: basic carpentry, fence, cement, and painting work. Possession a valid California Class C Driver's License.

- * **EXAMPLES OF DUTIES** performed by employees in this class. The list may not include all required duties, nor are all listed tasks necessarily performed by everyone in this class.
