

Sustainable Future

Charting a Path Toward a Sustainable Future
Youth Forum 2006
Saturday, March 25, 2006

THE CITY OF SAN DIEGO

10:30 a.m.-3 p.m.
Ridgehaven "Green Building" Auditorium
9601 Ridgehaven Ct., San Diego, CA 92123

This is a forum for high school students throughout San Diego County that will link the leaders of tomorrow with the leaders of today. Representatives from the San Diego City Council, business leaders and students will join together to compare and contrast their vision of our region's future. Presentations will emphasize potential solutions to challenging issues, and will feature more sustainable practices that balance economic competitiveness, environmental quality and social justice.

The City of San Diego Environmental Services Department Invites High School Students to the 6th Annual Youth Forum for a:

- Dialogue with community leaders and students
- Presentation from a nationally prominent speaker
- Lunch with an interesting group of your peers

At this free event, high school students are encouraged to talk about issues that affect the future of the San Diego region, including:

Energy and Water Usage • Transportation • Waste Management • Jobs
Housing • Schools • Environment.
