HOW TO RECYCLE

- Place containers at the curb or point of collection by 6:00 a.m. and remove by 6:00 p.m.
- Space containers three feet from each other, cars and obstacles.
- Do **NOT** overload collection containers.
- Material must not obstruct lid from closing.
- Manual and Automated Greenery Recycling:** put leaves, grass and loose clippings in containers.
- Manual Greenery Recycling:** shrubs and clippings can be bundled with strings (no plastic) and placed at the curb.
- Automated Greenery** collection can recycle their Christmas tree in the automated container (lid must close completely); Manual Greenery collection can recycle their tree at the curb on their greenery collection week. Remove all stands and decoration. Christmas trees can also be recycled at one of 16 drop-off locations. **For more information call (858) 694-7000.**

Please note that greenery in plastic bags will not be collected – plastic contaminates compost and mulch produced at the Miramar Greenery.

-  Household recycling weeks
-  Greenery recycling weeks
-  City holidays observed – collection is delayed one day that week AFTER the holiday

Missed Collection?
Call Environmental Services within
24 hours at 858-694-7000 or email
