What is PaintCare?

PaintCare is a non-profit 501(c)(3) organization, established by the American Coatings

Association to implement state-mandated paint stewardship programs on behalf of paint manufacturers in states that adopt a paint stewardship law.

PaintCare will make sure your paint gets recycled or properly disposed of at state authorized paint processing facilities. You can drop-off new paint and old paint, regardless of paint age.

Who Can Use the Program?

In addition to all residents, this program is available to trade painters, contractors, and other businesses.

Paint containers must be 5-gallon in size or smaller. PaintCare drop-off sites will not accept leaking, unlabeled, or empty containers.

If your business produces more than 27 gallons of hazardous waste per month, you may only use the drop-off sites for your latex paint and not for your oil-based paint.

To learn more about the 27 gallon restriction, contact the County of San Diego Department of Environmental Health at (858) 505-6880 or hmdutyeh@sdcounty.ca.gov.

Large Volume Pick-up Program

PaintCare has implemented a program to provide direct service to those with over 300 gallons of left over paint. Those with over 300 gallons can request a large volume pick-up by contacting PaintCare.

Paint Drop-off Locations near City of San Diego Communities
