

FREE Lead Compliance Workshop! for Lead Professionals and Contractors

Learn directly from City of San Diego enforcement officials how to be in compliance with the City's Lead Hazard Prevention and Control

Ordinance as well as other State and Federal regulations to avoid lead violation notices and penalties. Workshop will cover the following topics:

- Testing and clearance requirements and how they may differ depending on whether there has been enforcement action.
- Avoid common mistakes made on clearance inspection reports and 8552 forms that go to the State/City.
- Clarification on required work practices and records.
- Lead waste disposal requirements

The City of San Diego Environmental Services Department is offering two 90 minute Lead Compliance Workshops free of charge! Please join us for a one-hour presentation followed by a 30 minute question and answer period. The two dates to choose from are:
