NON-CERTIFIED RECYCLERS

Companies listed below have not been certified by the City. You may use these recyclers; however, these providers are not required to report your recycling services to the City like the certified recyclers and franchise haulers are. Therefore, if you are subject to the City Recycling Ordinance (SDMC §§ 66.0701 – 66.0718) AND you use a non-certified recycler for some or all of your recycling service, you must **submit a Recycling Reporting Form by August 15th** each year to demonstrate compliance with the ordinance pursuant to SDMC § 66.0715. If you are not subject to the ordinance and use a non-certified recycler, you do not need to submit a Recycling Reporting Form. Visit recyclingworks.com to find out more about the City Recycling Ordinance and to download a Recycling Reporting Form.
