Foundation  
A foundation for your passion

  
THE CITY OF SAN DIEGO

AB 32 –  
Energy Partnerships with  
Local Government

Hal Snyder, SDG&E  
September 4, 2008

*Serving You Today,  
Planning For Tomorrow*

**Welcome and Introduction:**

Jim Madaffer- City of San Diego Council President Pro Tem

Hal Snyder- San Diego Gas and Electric Vice President, Customer Programs

# San Diego Regional Focus 2050 Study

The San Diego Foundation's Climate  
Initiative

Presented by  
Emily Young, PhD  
Environment Program

## **San Diego Regional 2050 Study-**

Emily Young- The San Diego Foundation

Summary of key findings from the San Diego Regional Climate Change 2050 Study

**San Diego County GHG Inventory**  
*Reducing Electricity Emissions*

Scott J. Anders  
Energy Policy Initiatives Center  
University of San Diego School of Law

Understanding AB 32: Intent and Impact  
Statewide Summit for Municipal Leaders on  
Climate Change Mitigation and Adaptation

September 4, 2008

**Electricity/Natural Gas-**

Scott Anders, Energy Policy Initiatives Center,  
University of San Diego School of Law

Carrie Downey, Coronado Mayor Pro Tem  
Chair, SANDAG Energy Working Group

Regional data highlights questions that municipal leaders must ask as they develop long-term strategies to address electricity and natural gas usage. How will this planning strategy integrate with the targets set by AB 32? How might these effect municipal operations? How can cities help each other and promote best in class technologies?

## Regional Climate Action Plan (RCAP) Greenhouse Gas (GHG) Analysis

Bob Leiter, Director of Planning  
San Diego Association of Governments  
September 4, 2008

### **Transportation and Land Use-**

Bob Leiter, San Diego Association of Governments (SANDAG)

What is the framework in which regional planning agencies will be addressing transportation? How does this link with AB 32 and SB 375?

# Wastewater Treatment Impacts from AB 32 and Climate Change

**Michael D. Moore**  
Environmental and Regulatory Affairs Manager  
Orange County Sanitation District

## Climate Change Adaptation, Mitigation, and AB 32 at the San Diego County Water Authority

September 4, 2008

### **Water/ Wastewater-**

Cheryll Stewart, San Diego County Water Authority

Michael Moore, Orange County Sanitation Districts

How are water agencies planning to reduce GHG emissions? How will these plans impact the municipalities that they serve? What new responsibilities will be added to wastewater treatment plants with the new climate change legislation?

# Understanding AB32: Intent and Impact Municipal Landfills

Frank Caponi – *LACSD*

Ray Purtee – *City of San Diego*

September 2008

## **Municipal Landfills-**

Ray Purtee, City of San Diego

Frank Caponi, Sanitation Districts of Los Angeles County

As a component of the *Early Actions and Discrete Early Actions Committee Report*, landfill operations may require changes that have significant economic impacts. How will this be accomplished?

***The following presentations were captured on videotape and will be available on CityTV in mid-October at this website: <http://www.sandiego.gov/citytv/>***

**General Plan and CEQA-**

Bill Higgins, League of CA Cities

What must General Plans include to meet the Attorney General's guidelines and how does this link with municipal requirements for CEQA?

**Local Government Protocol/ GHG Emission Tracking-**

Linda Giannelli Pratt, City of San Diego

The question remains as to whether voluntary measures today will become mandatory measures in the near future in order to meet CA's emission reduction goals. What can City's do to prepare for a GHG inventory, and how do the inventories serve to prioritize program design, including outreach and education?

**Best Practices for Local Governments-**

Yvonne Hunter, Institute for Local Governments

Resources and case studies for CA cities and counties.

**Review-** City of San Diego Council President Scott Peters

Maintaining an ongoing dialogue between Municipalities and the State is needed to achieve our shared goal to reduce GHG.
