Citizens Equal Opportunity Commission

Dear Ms. Warner:

The City of San Diego Citizens Equal Opportunity Commission has requested the City Attorney's Office to advise them, in writing, as to any legal concerns related to their discussion of recent management changes in the City's Purchasing and Contracting Department.

As to this subject, our Office advises the Commission members to refrain from discussing confidential City employee personnel matters, including, but not limited to, any discussions regarding the reasons or justifications for a current or former City employee's discipline or separation from employment. This advice is directed only to members of the Commission. Our Office is available to answer any additional legal questions.

Sincerely yours,

JAN I. GOLDSMITH, City Attorney
