SUBJECT: Purchasing and Contracting Department Management Changes

---

This memorandum is to outline changes to the management and reporting structure for the City's Purchasing and Contracting Department.

Effective Monday, July 20, 2015, Kristina Peralta will serve as the Interim Purchasing and Contracting Department Director. Kristina will manage daily operations for the department and will report directly to Ron Villa, Deputy Chief Operating Officer. An executive search will be completed for a new Purchasing and Contracting Department Director with an estimated completion date of January 2016.

Kristina most recently served as the contract manager for Qualcomm Stadium. Prior to that, she served as a Program Manager in the Purchasing and Contracting Department, where she was responsible for overseeing administrative functions and the early development of SAP enhancements. Previously, Kristina served as the Director of Purchasing for the County of Los Angeles Health Services Administration.

Over the next 12 months, Kristina will be working with her Purchasing and Contracting Department staff to accomplish significant procedural and software improvements that will address previously identified deficiencies and improve overall contract management.

Please join me in welcoming Kristina to her new position.
