Prior to the date of the random drawing, the *City Clerk* shall determine the qualifying pools of *committees* potentially subject to audit. The qualifying pools consists of (1) every *candidate committee* that **supported or opposed a candidate** who sought elective City office at a regular or special election held within the previous two calendar years; and (2) every *ballot measure committee* formed to support or oppose a ballot measure at a regular or special City election **within the previous two calendar years**. The *City Clerk* shall then determine the level of financial activity for each qualifying *committee* based on the following:

- The total of all contributions (monetary and non-monetary) and loans received by the *Committee* through June 30 of the current year, with the exception of the 2005 drawing which shall be the total of all contributions (monetary and non-monetary) and loans received by the *Committee* through December 31, 2004.

The *City Clerk* shall then categorize all qualifying *committees* according to the chart below:

Level of Financial Activity	Candidate Committees	Ballot Measure Committees
\$100,000 or more	75%	75%
\$ 50,000 - \$99,999	50%	50%
\$ 10,000 - \$49,999	50%	50%
