

CITY OFFICIALS

Unclassified Officers and Employees

Updated December 16, 2010

This list contains the names of the City's unclassified City officers and employees whose titles make them "City Officials" under the City's Lobbying Ordinance. It is intended for guidance only. Because it is only updated quarterly, it may not contain the name of every unclassified officer or employee who is considered a "City Official." If you have lobbied someone and are not sure if he or she is a "City Official," you are strongly encouraged to contact that person directly to see if his or her title is listed in the Lobbying Ordinance's definition of "City Official." Consult the Lobbying Ordinance or the Ethics Commission's "Fact Sheet: Am I a Lobbyist?" for the list of "City Official" titles.

Note: this list does not contain the names of "City Officials" employed by the City's agencies (Centre City Development Corporation, San Diego Convention Center Corporation, San Diego Data Processing, San Diego Housing Commission, and Southeastern Economic Development Corporation). Please refer to the separate list, "City Officials: City Agency Officers" for more information regarding agency officers. This list also does not contain the names of the members of the City's boards, commissions, and committees who are "City Officials." Please refer to the separate list, "City Officials: City Boards, Commissions, and Committees" for more information regarding these entities.

Note: entries marked with an * are additions since the list dated September 16, 2010.
