## Summary of Law and Facts

8. As an elected officeholder, Respondent is a City Official required to abide by the
provisions of the City's Ethics Ordinance. SDMC § 27.3503.

27
9. The Ethics Ordinance prohibits City Officials from using City resources for
28 activities associated with a campaign for elective City office. SDMC § 27.3564(b).

STIPULATION, DECISION, AND ORDER

1	10. On August 26, 2011, Respondent disseminated a News Release (attached as Exhibi				
2	A) that included an announcement regarding her plans to run for elective office in the newly-				
3	created Council District 9. The News Release was prepared by Council District 7 staff, includes

6	Count 1 - Violation of SDMC section 27.3564				
7	11. Respondent violated SDMC section 27.3564 by using City resources to prepare and

## **Councilmember Emerald To Run In District 9**

San Diego City Councilmember Marti Emerald will to run for a second term on the City Council, but will do so in the newly created Council District 9. Emerald has represented District 7 since 2008. The Councilmember recently sold her home in Tierrasanta and moved to the San Diego State University (SDSU) area, which was also in her 7th District. However, the San Diego Redistricting Commission has included the SDSU area in the city's new 9th District.

"My staff and I have been representing many of the neighborhoods in this new district since I assumed office and we have a great relationship with them", said Emerald responding to the newly approved district map. "I look forward to continuing our partnership with these communities and the other neighborhoods in our new district".

The Redistricting Commission cut District 7 in half, divided by Interstate 8. The new 9<sup>th</sup> District will be south of I-8, including the College Area, Rolando, El Cerrito, City Heights, Talmadge, Kensington, and South along Interstate 15, including the Mount Hope, Mountain View, and Southcrest communities.

"I want to assure all of my District 7 constituents both north and south of I-8 that my staff and I will continue to provide support and services until a new a Council person is elected to represent them. It is my honor to serve the 7<sup>th</sup> District and the City of San Diego".

Meantime, Emerald plans immediate outreach in the new district to get up to speed on neighborhood issues and ensure a seamless transition after the 2012 election.
