Drill: Search and Rescue

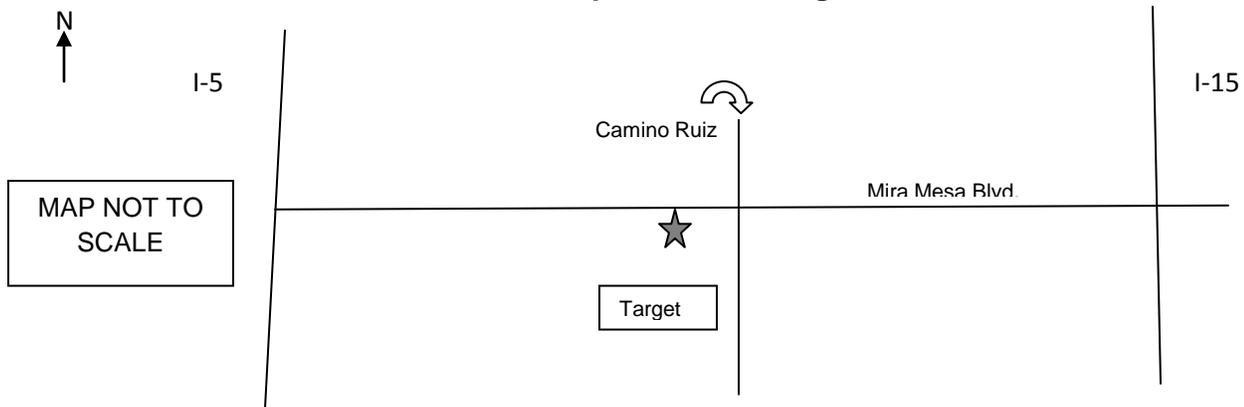

Date/Time: 22 September 2010, 5:30pm

Duration: 2 1/2-3hrs (approx)

Location: Mira Mesa Haunted Manor (under Construction). Southwest Corner of Mira Mesa Blvd. and Camino Ruiz, in the Target Shopping Center near AT&T (map below)

Description: The Mira Mesa Haunted House is a community activity in its ninth production year. The "manor" is a free-standing structure built entirely of plywood panels spliced together by 2x4 lumber. For a few weeks after original construction of the shell of the building, the Manor will be largely empty while major services are pulled in and large props constructed. During this time, CERT has the opportunity to use the Manor structure to conduct search drills.

Please plan to arrive a few minutes early if at all possible for sign-in, we will start as close to 5:30 as possible. Full gear REQUIRED
