The Del Mar Terrace Maintenance Assessment District (District) was established on May 16, 1994, per Resolution R-283873 and is located north of Carmel Valley Road and west of Interstate 5 in the Torrey Pines Community Planning Area. This District provides for the repair and maintenance of streets within the boundaries of the district, including, Via Aprilia, Via Esperia, and Via Grimaldi. This district provides for slurry coating at five and ten year intervals and an additional overlay of asphaltic concrete during the fifteenth year. Assessments were suspended in Fiscal Year 1996 after successful completion of the initial project to pave the roadways.

The Annual Fiscal Year 2005 Budget provides for a reserve for slurry sealing and repaving. During Fiscal Year 2005, assessments are not authorized for levying and may not be indexed to CPI-U. The District does not have an established advisory committee.
