DESCRIPTION/ACTIVITIES: Central Imperial Redevelopment Project Area – the project area is approximately 580 acres. The programs and projects of this redevelopment plan are designed to provide limited public assistance to convert unproductive land to viable urban uses, serve many of the unmet commercial and retail needs of the community, rehabilitate, construct and preserve low and moderate income housing stock and create various employment opportunities.

The Central Imperial Project Area has been the location of numerous public/private partnerships resulting in the creation of new services in the area. In FY 02-03 the public improvements for the 30-acre retail center known as Imperial Marketplace were completed. The center, anchored by Home Depot continues to be leased by national tenants. In FY 03-04, the office component to the center added approximately 60,000 sq. ft. of office space to the area. The opportunity remains for an additional 50,000 sq. ft. Market Creek Plaza was originally conceived as a 19-acre retail center. The development is anchored by Food-4-Less and includes several small businesses. In FY 03-04 the City of San Diego designated the balance of the site as one of the City's Pilot Urban Villages. This designation changes the retail use to one that includes a mixed-use concept.

Light industrial opportunities are available in the Valencia Business Park as well as a two-acre site located on Market Street at 54th Street. The Agency completed the necessary public improvements for Valencia Business Park in FY 02-03. The vertical construction began in June 2004 with the Encanto Post Office and approximately 65,000 square feet of space began the final quarter of FY 03-04.

In FY 04-05, \$1,094,003 of CDBG funds will be re-loaned from the Mount Hope and Southcrest Redevelopment Project Areas to augment the Central Imperial Redevelopment projects (\$255,000 is appropriated for Fund No. 98770).

CENTRAL IMEPRIAL FUND 98780 (CIP 52-677.0)

DESCRIPTION/ACTIVITIES: Imperial Marketplace (formerly known as North Creek) – Located south of Imperial Avenue generally between 40th and 45th Streets, this 30-acre site is the location of an approximately 300,000 square foot retail center anchored by Home Depot. The site was added to the Central Imperial Redevelopment Project Area as a part of the Second Amendment to the Redevelopment Plan. A Disposition and Development Agreement was approved in FY 98-99 and construction started in the third quarter of FY 99-00. On March 30, 1999, Resolution No. R-291447 was adopted by the Council of the City of San Diego amending the FY 99 CIP budget to add CIP 52-677.0, Imperial Avenue/Ocean View Boulevard Street Improvements. The expenditures in the amount not to exceed \$300,000 in FY 98-99 (TransNet Funds), \$2,123,963 in FY 99-00 (TransNet Funds) and \$1,576,037 in SANDAG issued commercial paper backed by TransNet Funds were approved.

In FY 01-02 the Agency received \$2,629,939 in developer contributions for the development of on-site improvements. There was \$4,000,000 of TransNet funds budgeted for all off-site improvements. The Agency appropriated \$1,000,000 of bond proceeds. The total expenditure for street improvements (CIP 52-677.0) is \$9.1 million as of February 2004.

In FY 02-03 a reloan of \$678,082 was included from the FY 01-02 tax allocation bond issuance to augment the street improvements.

In the FY 04-05, Fund No. 98780 includes \$140,000 from reloan from the Mount Hope Redevelopment Project Area to augment this project.

CENTRAL IMPERIAL FUNDS 98779/987702/87705

DESCRIPTION/ACTIVITIES: The Valencia Business Park (formerly known as Potter Tract) – This project is located within the Central Imperial Redevelopment Project Area. It consists of 14.7 gross acres and is bound by the San Diego Trolley line to the north, 54th Street to the west and Imperial Avenue to the south. The site is currently zoned industrial (I-1). Construction of the public improvements for the site began in FY 01-02 and was completed in FY 02-03. A major portion of the site was located within the 100-year flood plain and has been elevated as a result of the Agency's public improvements. In FY 02-03, a reloan from the Mt. Hope Project Area combined with FY 01-02 tax allocation bond proceeds were utilized to complete the necessary improvements.

In FY 03-04, construction began on the Encanto Post Office, a 25,000 square foot facility that will service the 92114 zip code. Approximately 65,000 square feet of light industrial space is planned on the balance of the site.

Included in FY 04-05, Fund No. 98779 includes \$699,003 from the reloan from the Southcrest Redevelopment Project Area to augment this project.

DESCRIPTION/ACTIVITIES: Las Chollas Creek – This project includes that portion of Las Chollas Creek (Creek) that lies generally south of Imperial Avenue, west of 45th Street and north of Ocean View Boulevard across the street from the Educational Cultural Complex, adjacent to the Imperial Marketplace property. The Creek and the land surrounding it are dedicated open space. This project mitigated the flood plain and developed an area adjacent to the Creek into a passive trail that provides for the community an improved open space. The development at the Creek is a model for improvements that have been identified in the Las Chollas Creek Enhancement Plan. In addition, there are eight homes that have benefited from the Agency's work up-stream. The eight homeowners will no longer be required to carry flood insurance upon acceptance and receipt of the Letter of Map Revision (LOMR) from the Federal Emergency Management Agency (FEMA) since the area was elevated out of the 100-year flood plain.

CENTRAL IMPERIAL FUND 987771

DESCRIPTION/ACTIVITIES: Market Creek Plaza – In FY 01-02, the Redevelopment Agency approved an Owner Participation Agreement (OPA) with the Jacobs Center for NonProfit Innovation (Developer). The project is located on the property formerly known as the Langley site, which is on Euclid Avenue, south of Market Street and is divided by Las Chollas Creek. It is one of the seventeen properties removed as part of the First Amendment to the Central Imperial Redevelopment Plan in 1995. In FY 00-01 SEDC amended the Central Imperial Redevelopment Plan to expand the project area to include this site.

The Developer is currently completing the eastern portion of the center consisting of approximately 142,000 square feet, which is anchored by the Food-4-Less Supermarket. A food court for local entrepreneurs as well as general commercial and specialty shops has been created by this development. The western portion of the site is planned for development and is part of the Village Center at Euclid and Market has been designated as one of the City of San Diego's Pilot Village demonstration projects. The Pilot village concept reduces the amount of retail and increases the amount of housing in and around the Euclid Avenue Market Street corridors.

CENTRAL IMPERIAL FUND 98786

DESCRIPTION/ACTIVITIES: Hilltop and Euclid Housing – In FY 03-04, the SEDC Board of Directors approved an Exclusive Negotiating Agreement (ENA) with Barone Galasso & Associates for the development of approximately 170 residential units for the property located on Euclid Avenue, north of Hilltop Drive, in the Chollas View Neighborhood, within the Central Imperial Redevelopment Project Area (Site). The largely vacant 9.43 acre site is zoned for single-family residential development (SF 5000) in the adopted Southeast San Diego Community Plan and the Central Imperial Redevelopment Plan.

The Developer is proposing to develop the Site with 120 affordable multi-family rental units and 50 market rate single-family, for-sale attached units. The ENA negotiated with the Developer includes a provision that requires the Developer to assign his/her rights, title and interest in the Site to the Agency.

SEDC has secured a recommendation for approval from the Agency's NOFA Collaborative to acquire the Site for the purpose of developing affordable housing.

CENTRAL IMPERIAL FUND 98788

DESCRIPTION/ACTIVITIES: Mar Vista Mixed Use – In FY 03-04, Tyler-Smith Communities, in conjunction with the M.W. Steele Group, Inc., proposed to develop a mixed use project for the vacant 7.1 acre site located at 47th and Market Streets (Site). The Site is currently zoned light industrial (I-1) and requires a rezone to provide for mixed-use. The new zone would allow for a mixture of residential, commercial and light industrial uses on the site.

The proposed development also requires an amendment to the Central Imperial Redevelopment Plan to reflect the amended Community Plan and a rezoning from I-1 to CC-5-3 (Commercial – Community).

The residential component of this project would produce approximately 135 large family, for-sale condominiums that would be built upon light industrial space.
