DISCUSSION

This memorandum represents a summary of the proposed Fiscal Year 2006 Budget for the Centre City and Horton Plaza Redevelopment Projects and the preliminary administrative budget for CCDC. Chart A summarizes the revenues and expenditures for Fiscal Year 2006 totaling \$142.3 million. Schedule I is a summary of revenue and expenditures. Schedule II is a listing of the work program for Fiscal Year 2006. Attachment A is a listing of the project activities by District consisting of both prior year programmed funds from Fiscal Year 2005 and new monies allocated in Fiscal Year 2006. Attachment B presents the administrative budget for CCDC. Attachment C provides a list of completed residential projects, and Attachment D provides historical economic gain from redevelopment.

The FY06 Budget consists primarily of three components; project budgets inclusive of the provision for the use of Low and Moderate Income Housing Funds, appropriations for Long Term Debt, and CCDC's Administrative Budget. The three components of the budget have funding sources derived from tax increment, tax allocation bonds, developer proceeds, interest income and other income. These components are as follows:

Project Budgets (\$100.3m)

The budget contains multi-year projects and, therefore, the FY06 Budget includes adjustments to existing project activities and provisions for new activities. The proposed budget contains a total of \$100.3 million of new appropriations for projects, low- and moderate-income housing projects, and related soft costs. The budget for the Low and Moderate Income Housing Funds ("LMIHF") includes approximately \$6.5 million in addition to the 20% set aside representing prior year adjustments. Significant components of the budget include a provision for the Downtown Main Library, funding for Parks/Open Space, Fire Stations, additional funding for the Balboa Theatre, Pedestrian Bridge, Smart Corner Trolley Station, Downtown Quiet Zone and development acquisitions.

The proposed budget also provides funding for various public improvements in the Cortez, East Village, Little Italy, Gaslamp and Core Districts. These include sidewalk improvements, street lights and park improvements. A listing of these projects and the work program is provided on Schedule II. Schedule II delineates the proposed amounts for each project activity.

In addition to the \$100.3 million for Fiscal Year 2006, it is anticipated that prior year funds for project activities totaling \$116.1 million from Fiscal Year 2005 ("Continuing Appropriations") will be implemented in Fiscal Year 2006 and/or subsequent years for a total of \$216.4 million. Project activities by District are summarized in Attachment A.

Long-Term Debt (\$380m - \$34.8m Annual Debt Service)

The Long-Term Debt Service Appropriations for Fiscal Year 2006 total \$34.8 million which includes a provision for debt service on Centre City Redevelopment Project Tax Allocation Bonds, Series 1999, 2000A, 2000B, 2001A, 2003A, 2004A, B, C, and D, Parking Revenue Bonds Series 1999, 2003B and Horton Plaza Redevelopment Project Tax Allocation Bonds Series, 1996, 2000, 2003A, B &C, a provision for an anticipated sale of Tax Allocation Bonds in Fiscal Year 2006 and certain other long-term obligations.

Centre City Development Corporation (included in Project Budgets \$7.2m)

The proposed Fiscal Year 2006 Administrative Budget for CCDC totals \$7,182,000, reflecting a \$782,800 increase over the current year's budget of \$6,399,200 (Attachment B). The amount consists of a \$622,000 increase in Personnel Expense and a \$160,800 increase in Non-Personnel Expense.
