## Description

The PETCO Park management has the role of monitoring and maintaining the relationship between the City and the parties that use PETCO Park facilities, specifically the San Diego Padres Major League Baseball team. Management is also responsible for ensuring that both the City and the San Diego Padres comply with the contractual agreements set forth in the Joint Use and Management Agreement (JUMA).

PETCO Park accomplished several major items which positively affected the Fiscal Year 2008 Budget. Fiscal Year 2008 was the first year in which the recognized savings of \$3.7 million from the PETCO Park bond lease payments were incorporated into budget. Additionally, agreements were put into place between the City and the San Diego Padres that will increase the reimbursement for police and traffic services in an amount of approximately \$700,000 annually. A one-time payment of \$1.1 million was also collected from the San Diego Padres for recalculation of the billing of police and traffic services for the 2004-2006 baseball seasons as a result of these agreements. The City's share of special event revenue also increased by approximately \$300,000 with continued increases expected in Fiscal Year 2009, primarily due to the contract for the annual USA Sevens International Rugby tournament.
