Public Works - General Services

The Public Works-General Services Department's Facilities Division provides repair, modernization, and improvement services to over 1,700 municipal facilities incorporating nine million square feet of floor space.

The Facilities CIP projects include the construction of new City structures and major improvements to existing buildings, including the backlog of General Fund deferred capital requirements. Other projects bring City buildings into compliance with the Americans with Disabilities Act (ADA). The Public Works-General Services CIP is funded by deferred capital bond proceeds, the Capital Outlay Fund, the General Fund, and federal grants.

The Fleet Services Division has a CIP project that will expand the existing fitting facility which is funded through its Equipment Division Fund.

2013 CIP Accomplishments

Projects throughout the City completed under the Department's City Facilities Improvements annual allocation included:

- Elevator modernization projects at the Air & Space Museum, Casa de Balboa, Casa del Prado, Old Globe Theater, and Rancho Bernardo Library.
- Heating, Ventilation, and Air Conditioning (HVAC) installations at the Martin Luther King (MLK) Recreation Center, Police Mid-City Communications Center, Casa del Balboa, and Museum of Man.
- Electrical systems upgrades.
- Plumbing systems upgrades to the Central Library.
- Fire sprinklers installation at the City Administration Building.
- Roof repairs at Police, Fire, Library, and Park & Recreation Department buildings.
- Roof replacement at the Eastern Police Station.

Projects throughout the City completed under the Department's Disability Services ADA annual allocation included:

- Police Storefront ADA Improvements.
- Silver Wing Recreation Center ADA Improvements.
- Mira Mesa Library ADA Improvements.
- Mission Valley Library ADA Improvements.
- Curb Ramps with obstruction in Greater North Park.
- Audible Signals in five Council Districts (1, 2, 3, 5, and 6).
- Missing Sidewalks, Curb Ramps, Audible/Accessible Pedestrian Signals & Sidewalks were installed with the City of San Diego as identified through the Disability Services' Complaint Database.

2014 CIP Goals

The ADA Improvements budget totaling \$1.2 million includes several barrier removal projects, many of which are anticipated to be completed in Fiscal Year 2014. In addition, HVAC upgrades to the Casa del Prado, plumbing system upgrades to the Spanish Village, and the Municipal Gymnasium roof replacement are scheduled to be completed in Fiscal Year 2014.

Description: This project provides for the installation of a fire sprinkler system and upgrading the existing fire alarm system at the City Administration Building located at 202 C Street in Centre City. Phase I provided for the installation of fire sprinklers on the 10th, 14th, and 15th floors. Phase II provided for the installation of eight-inch stand pipes and eight-inch basement lateral pipes. Phase III provided for the installation of sprinklers in the basement and on the 11th and 13th floors and a fire alarm system in the basement and on the 10th, 11th, and 13th floors. Included in Phase III was abatement of amosite ceiling tile on the 11th floor. Phase IV will provide for the installation of sprinklers and alarm system for the 1st through the 9th, and 12th floors and installation of a new generator.

Justification: The project will provide much needed improvements necessary to ensure the safety of the building occupants.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Centre City Community Plan and is in conformance with the City's General Plan.

Schedule: Phases I, II, and III were completed in Fiscal Years 2000, 2002, and 2003, respectively. Phase IV began in Fiscal Year 2012 and is anticipated to be completed in Fiscal Year 2014.

Summary of Project Changes: Since Fiscal Year 2013, the total project cost was reduced by approximately \$925,000 of bond financing which was reallocated to other deferred maintenance projects. This project is fully funded and is anticipated to be completed in Fiscal Year 2014.

Description: This annual allocation provides for capital improvements at City facilities. Potential improvements include roof, heating, ventilation, air-conditioning, and elevator replacements.

Justification: Several City-owned facilities are aged and in need of repair. High-priority repairs will be completed with this project. Funding for this annual allocation will ensure the facilities remain safe.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with applicable community plans and is in conformance with the City's General Plan.

Schedule: Projects will be scheduled on a priority basis.

Summary of Project Changes: Approximately \$80.4 million of bond financing is scheduled for building projects through Fiscal Year 2018. Based on a General Fund supported buildings condition assessment conducted in November 2011, the City will need an estimated \$57.6 million of additional unidentified funding to address the remaining deferred capital needs. The City is planning to conduct a Citywide facilities condition assessment beginning in Fiscal Year 2014.

Description: This project allows for the expansion of the existing vehicle fitting facility located at the Chollas Operations Yard. The expansion will increase the facility from one service bay to six service bays and will include office space. The project will also provide equipment necessary for operations.

Justification: The fitting facility is responsible for outfitting new vehicles and placing them into service as well as preparing retired vehicles for auction. With the consolidation of the fleet to include Police and Fire-Rescue vehicles, the workload has significantly increased. Additionally, as part of the fleet consolidation, the repair facility located at 20th and B was closed. The vehicles serviced at that location, as well as the personnel, were transferred to the repair facility at the Chollas Operations Yard. The existing building does not have sufficient space to accommodate the personnel or other operational needs.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Southeastern (Encanto Neighborhoods) Community Plan and is in conformance with the City's General Plan.

Schedule: This project is currently on hold pending a review of Fleet Services capital funding requirements and reprioritization of projects.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2014.

Description: This annual allocation provides needed roof replacements at various City facilities. This project has funded various roof replacements including the Museum of Art, Museum of Man, Old Globe Theater, and Bud Kearns Pool.

Justification: This annual provides roof replacements for various city facilities that are beyond their life-cycle and are in need of total roof replacements. Leaky roofs damage other building infrastructure and building systems (electrical, interiors, carpets, etc.) increasing repair or replacement costs. Sustainable maintained roofs preserve the life-cycle expectancy of a building.
