San Diego New Central Library / S00799

Council District: 2	Community Plan: Centre City
Project Status: Released	Contact Information: Meinhardt, Cynthia
Duration: 1996 - 2014	619-533-5259
Improv Type: Betterment	cmeinhardt@sandiego.gov

Description: This project provides for the design and construction of a new Central Library of approximately 500,000 square feet, with approximately 250 underground parking spaces dedicated to library patrons. It will be large enough to accommodate library needs for 20 years and contain expansion space to accommodate growth for an additional 30 years. The expansion space will be leased until required for library purposes. The lobby will be open to the courtyard, which will contain an outdoor café, and there will be a 350-seat auditorium adjacent to the lobby. The top floor will house special collections and provide public amenities including an airy reading room, a 400-seat multi-purpose room, an art gallery, a small public meeting room, and a series of open terraces.

Justification / Public Benefit: The existing library is too small to provide adequate library and informational services to the library system and the region, and cannot support the technological and programmatic needs of the future.

Operating Budget Impact: The operating budget effect has been estimated. No additional staff is requested as a result of organizational changes, efficiencies and technologies that can be implemented in the new facility. However, the non-personnel costs (NPE) show an increase to maintain a larger building. In fiscal year 2014 an additional \$2.7 million will be needed to cover the NPE costs of the larger building, over 200,000 square feet more than the current Central Library. These operating costs will be offset in part by project-related revenue, which is incorporated in the cost of the project in the amount of \$1.7 million per year. Also, the Library Foundation will contribute \$2 million per year for the first 5 years of operation.

Relationship to General and Community Plans: This project is consistent with the Centre City Community Plan and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2001. Design is complete and construction is scheduled to begin pending results of bids and private fundraising.

Summary of Project Changes: Name change from San Diego Main Library to San Diego New Central Library.

Improv Type: Betterment	cmeinhardt@sandiego.gov

Description: This project provides for a 15,000 square-foot facility to serve the San Ysidro Community. Discussions are currently underway with the Redevelopment Agency of the City of San Diego to build the new library as part of a redevelopment project currently planned along San Ysidro Boulevard.

Relationship to General and Community Plans: This project is consistent with the San Ysidro Community Plan and is in conformance with the City's General Plan.
