Fitting Facility Expansion / S10042

Community Plan: Encanto Neighborhoods (Southeastern)
Contact Information: Meinhardt, Cynthia
 619-533-5259
 cmeinhardt@sandiego.gov
Priority Category: High

Description: This project allows for the expansion of the existing vehicle fitting facility located at the Chollas Operations Yard. The expansion will increase the facility from one service bay to six service bays and will include office space. The project will also provide equipment necessary for operations.

Justification: The fitting facility is responsible for outfitting new vehicles and placing them into service as well as preparing retired vehicles for auction. With the consolidation of the fleet to include Police and Fire vehicles, the workload has significantly increased. Additionally, as part of the fleet consolidation, the repair facility located at 20th and B was closed. The vehicles serviced at that location as well as the personnel were transferred to the repair facility at the Chollas Operations Yard. The existing building does not have sufficient space to accommodate the personnel.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Southeastern (Encanto Neighborhoods) Community Plan and is in conformance with the City's General Plan.

Schedule: The bid and award process is scheduled for Fiscal Year 2012. Construction is scheduled to begin in Fiscal Year 2012 and is scheduled to be completed in Fiscal Year 2013.

Summary of Project Changes: The schedule was revised to reflect actual project milestones. \$175,000 in Equipment Division CIP funding has been allocated to this project for Fiscal Year 2012 and is now fully funded.

Priority Score: Annual	Priority Category: Annual

Description: This annual allocation provides for City facilities and public right of way improvements related to the Americans with Disabilities Act (ADA). Funding ADA obligations is one of the Mayor's eight significant areas.

Justification: ADA improvements will allow greater access to City facilities and public right of way for residents.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with applicable community plans and is in conformance with the City's General Plan.

Schedule: Projects will be scheduled on a priority basis. Council approved funding of \$30.0 million of land sale proceeds to support ADA improvements since Fiscal Year 2008.

Summary of Project Changes: Until the real estate market improves, the City is not anticipating additional ADA improvements funding beyond the Council approved appropriations of \$30.0 million.

Priority Score: N/A	Priority Category: N/A

Description: This project provides for the installation of a fire sprinkler system and upgrading the existing fire alarm system at the City Administration Building located at 202 C Street in Centre City. One component of the project is asbestos spot abatement. All work will be performed during non-working hours allowing the facility to remain occupied and operational during construction. Phase I provided for the installation of fire sprinklers on the 10th, 14th, and 15th floors. Phase II provided for the installation of eight-inch stand pipes and eight-inch basement lateral pipes. Phase III provided for the installation of sprinklers in the basement and on the 11th and 13th floors and a fire alarm system in the basement and on the 10th, 11th, and 13th floors. Included in Phase III was abatement of amosite ceiling tile on the 11th floor. Phase IV will provide for the installation of sprinklers and alarm system for the 1st through the 9th, and 12th floors. Spot asbestos abatement will not be required on the 6th and 7th floors due to prior asbestos abatement.

Justification: This facility currently does not comply with Council Ordinance O-17172 requiring sprinkler retrofitting for high-rise buildings.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Centre City Community Plan and is in conformance with the City's General Plan.

Schedule: Phases I, II and III were completed in Fiscal Years 2000, 2002, and 2003, respectively. Phase IV will be scheduled when funds are identified, and a decision is made regarding the Civic Center redevelopment project.

Summary of Project Changes: Phase IV construction will be scheduled upon identification of funding. The total estimated project cost includes an unfunded amount of \$4,200,000.

Priority Score: Annual	Priority Category: Annual

Description: This annual allocation provides for capital improvements at all City facilities. Potential improvements include roof, heating, ventilation, air-conditioning and elevator replacements.

Justification: Several City-owned facilities are aged and in need of repair. High-priority repairs will be completed with this project. Funding for this annual allocation will ensure the facilities remain safe.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with applicable community plans and is in conformance with the City's General Plan.

Schedule: Projects will be scheduled on a priority basis.

Summary of Project Changes: City Council Resolution R-306368, dated December 7, 2010, authorized the transfer of Capital Outlay funding in the amount of \$1,110,976 from this project to the Museum of Man Roof Replacement project, S-11101. This is currently shown under FY2012 Anticipated. In addition, it is anticipated that approximately \$31 million in additional bond financing will be allocated to building projects in Fiscal Years 2012 and 2015. The unidentified funding amount reflects the remaining amount of funding needed to address the deferred capital needs of the City's General Fund supported buildings based on condition assessments that have been conducted.

Downtown Parking Projects / S01080

Community Plan: Centre City
Contact Information: Tracanna, John
 619-533-3682
 jtracanna@sandiego.gov
Priority Category: N/A

Description: This project provides funding to implement and facilitate projects and programs to maximize the use of existing parking resources. Parking management projects and programs include design and implementation of a wayfinding-parking program throughout downtown that places directional signs in the Downtown San Diego area, implementation of residential parking permits, and payment of debt service. These funds have also been pledged for the payment of 6th Avenue and Market Street, and 6th Avenue and K Street parking facilities.

Justification: The Redevelopment Plan of the Centre City Redevelopment Area calls for the elimination of blight in Centre City. The Redevelopment Plan was adopted on May 11, 1992 by Council Ordinance O-17767. The Parking Meter Revenue Allocation Policy (Council Policy 100-18) was adopted on March 4, 1997 and the Comprehensive Downtown Parking Plan was adopted on December 2, 1997.

Operating Budget Impact: None.

Relationship to General and Community Plans: The project is consistent with the Centre City Community Plan and is in conformance with the City's General Plan.

Schedule: Debt service payments on bonds are made in March and September of each fiscal year.

Summary of Project Changes: No significant change to this project for Fiscal Year 2012.

Description: This project provides for the design of a parking structure in the La Jolla community.

Justification: This project will assist with parking concerns in the La Jolla community.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the La Jolla Community Plan and is in conformance with the City's General Plan.

Schedule: This project will not be constructed.

Summary of Project Changes: In the late 1990s the City conducted a parking study for La Jolla which recommended the installation of parking meters in the village area. Parking meter proceeds were to be utilized to build a parking structure, however parking meter installation was opposed by the community. This project will be closed by the end of the fiscal year.

Description: This project provides the required upgrades to improve Americans with Disabilities Act (ADA) accessibility to the Mission Beach Community Clinic in compliance with the ADA. The scope of work for this project includes upgrading the accessible parking, wing area, plaza and patio area, providing an accessible path of travel from the sidewalk, and accessible parking to the picnic area and building entrance, and upgrades to the men's and women's restrooms.

Justification: These improvements are necessary to provide ADA accessibility to the facility from the street, improving the ADA ramp and modifications to the restrooms, which does not meet all of the current ADA requirements.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Mission Beach Precise Plan and is in conformance with the City's General Plan.

Schedule: Design began and was completed in Fiscal Year 2010. Advertisement and award were scheduled for Fiscal Year 2011. Construction was scheduled to begin in Fiscal Year 2011.

Description: This annual allocation provides needed roof replacements at various City facilities. This project has funded various roof replacements including Museum of Art, Museum of Man, Old Globe Theater and Bud Kearns Pool.

Justification: This annual provides roof replacements for various city facilities that are beyond their life cycle and are in need of total roof replacements. Leaky roofs damage other building infrastructure and building systems (electrical, interiors, carpets, etc.) increasing repair or replacement costs. Sustainable maintained roofs preserve the life cycle expectancy of a building.
