QUALCOMM Stadium

Qualcomm Stadium is a 70,500 seat sports stadium that hosts the San Diego Chargers, San Diego State University Aztecs, the annual Holiday and Poinsettia Bowls, plus Supercross and monster truck events and major religious conventions. The Stadium hosts over one-million visitors every year. The 166-acre stadium site opened in 1967, and is now in its 46th year of operation. The Stadium parking lot spans 122 acres. The CIP budget supports the implementation of projects that keep the 46 year-old stadium in the type of condition that contributes to the fan experience and keeps San Diego in the forefront for large scale, national events. Funding for Capital Improvements Program projects comes from Qualcomm Stadium revenue.

2013 CIP Accomplishments

Capital improvements are vital to the continuing operation of the stadium. For Fiscal Year 2013, these improvements included:

- Modernization of an existing 42 year-old freight elevator

- Back-up lighting replacement
- Roof replacement
- Transformer replacement
- In-house audio and video system upgrades
