

## Department Description

The voters of the City of San Diego approved Proposition F, thereby adding Article XV to the City Charter, whereby Section 270(f) provides that the City Council shall have the right to establish an Office of the Independent Budget Analyst (IBA) and to determine the powers of the Office of the Independent Budget Analyst and its manager by ordinance.

On June 3, 2008, voters passed Proposition C, which amended the City Charter related to the Chief Financial Officer, City Auditor, Independent Budget Analyst, City Treasurer and Audit Committee. By adding Section 39.3 to City Charter Article V, this proposition made permanent the Office of the Independent Budget Analyst, which otherwise would have expired at the end of the trial period of the Mayor-Council form of government.

The function of this office is explained within the San Diego Municipal Code Section 22.2301 which states, "There is hereby created the Office of Independent Budget Analyst, a City department whose designated function is to assist the City Council in the conduct of budgetary inquiries and in the making of budgetary decisions."

The mission of the Office of the Independent Budget Analyst is:

*To provide clear, objective, and unbiased analysis and advice to the City Council and the public regarding all legislative items bearing financial and policy impacts to the City of San Diego*

## Goals and Objectives

The IBA strives to implement "good government," to ensure the public's access to information and ability to participate in the decision-making process, and to add value by providing supplemental information to further educate decision-makers and the public, all of whom may be affected by the outcome. The IBA has made significant contributions to shaping important policy discussions due to its detailed research, analysis and outreach to authoritative resources, and preparation of well-developed recommendations.

## Service Efforts and Accomplishments

In its fourth year, the Independent Budget Analyst has continued to provide valuable information, analyses, and recommendations throughout the annual budget process as well as for items submitted throughout the year for City Council, Redevelopment Agency, Housing Authority, or Council committee review.

The IBA conducts analyses of the proposed budget and makes recommendations for modifications through annual preliminary and final reports on recommended changes to the Mayor's proposed budget and provides a matrix of policy issues to be tracked and addressed in the coming year. The IBA reports on the progress made on these budgetary and operational issues throughout the year. Finally, the Office continues to advocate for best practices in budgeting by reviewing and offering recommendations on budget monitoring reports, City financial policies, the annual budget process and budgetary principles established in Fiscal Year 2008 to recognize the appropriate roles of both the Mayor and the City Council throughout the annual budget implementation.

The IBA has contributed greatly to the ongoing development and implementation of financial reforms. This office has been vital in the establishment and success of the City's first Audit Committee and their policies and practices. It has coordinated the first ever City Council financial training program, including educational modules on disclosure, financial statements, and debt issuance and administration. The Office has also been integral to the City's ongoing reform in other areas such as Managed Competition, Equal Opportunity Contracting, Community Development Block Grants, and Redevelopment Agency reform, which it will continue to contribute to in Fiscal Year 2010.
