Treatment

- Providing strength-based wraparound services to youth and families
- Using graduated sanctions- reducing reliance on incarceration
- Linking existing programs to a continuum of services
- Maximizing service delivery and efficiency & monitoring progress and outcomes of probation clients

Detention

- Kearny Mesa/East Mesa Juvenile Detention Facility
- Girls Rehabilitation Facility
- Juvenile Ranch Facility/Camp Barrett

Referrals

- The Probation Department makes referrals to various public and community agencies for services such as substance abuse and mental health counseling, social services, classes on curfew education, graffiti education, shoplifting prevention, anger management classes, etc.. The Probation Department has formulated a Community Resource Directory, which contains a list of probation approved providers.

Recidivism rates

The recidivism* rate for the 618 juveniles (602 Wards) who terminated probation in the first quarter of FY12-13 is 31% (191 divided by 618). Of the 191 who recidivated, 119 had a felony true finding or adult conviction and 72 a misdemeanor only. The 191 recidivists had 184 felony and 186 misdemeanor true findings and 21 felony and 26 misdemeanor adult convictions. The recidivism rate for 602 Wards in FY11-12 was 28.67%. The rate for the first quarter of the current fiscal year is a 3 percentage point increase over last year's rate. * Recidivism is defined as a juvenile true finding or adult conviction for a misdemeanor or felony offense occurring during the period of probation.
