Action Item 2-

The Commission has identified and taken steps to implement strategic actions under all five goals. Most implementation activity has occurred or has been initiated in the past six months and collection of impact data is on going.

In taking these steps the Commission sees itself planting seeds, which may not bear fruit for 3-5 years. Some efforts such as interventions (curfew sweeps—over 200 youth were detained) and suppression (law enforcement collaborations) efforts impact the crimes in areas. The clear message is the Commission, Law Enforcement, and the Community is serious about impacting gang activity in neighborhoods.
