What is CalGRIP?

- California Gang Reduction, Intervention, and Prevention
 - Collaborative Partners: SDPD, SD Commission on Gang Prevention & Intervention, San Diego Park and Recreation, METRO United, and SANDAG
 - Three-pronged Approach: Prevention, Intervention, and Suppression
-

Prevention Activities

- Target vulnerable youth in high gang and gun crime areas
 - Provide recreational enhancement during high crime times and days (Friday evenings from 6:00 pm to 9:00 pm)
 - Extend hours at three SD Park & Recreation Centers in target communities:
 - Mountain View, Memorial, and Southcrest
-

Intervention Activities

- Target gang exposed and gang involved youth
 - Partnership between police and CBO (i.e., SDPD and METRO)
 - Provide home visits, mentorship, and referrals to support services including:
 - Academic assistance, employment support, mental health, substance abuse treatment, and wrap-around services.
-

Suppression Activities

- Crime analyst provided crime intelligence on gangs in the target areas
 - Officers utilized intelligence to target gang and gang members
 - Gang Intervention Officer identified and referred at-risk youth to METRO for services
 - Officers provided patrol support at the three recreation centers during extended hours
-
