Each One Take One

Dear Business Leaders:

This letter is an invitation for lunch at the Joe and Vi Jacob Center, 404 S. Euclid Ave, San Diego, California on May 7, 2009 from 11:30 am to 1:30 pm.

The City of San Diego and several leading community partners vested in promoting America's Finest City have taken an active interest in the wellness of the community's youth. Recognizing that our youth makeup one-third of the population and are tomorrow's decision-makers, a pilot project called "**Each One Take One**" has been developed to monitor youth development when opportunity is provided.

As one of the leading businesses of the City of San Diego, this is an opportunity to offer a 'hand up' and not a 'hand out' to a youth. With the negative press on global economics and corporate greed, positive press for participating in the "Each One Take One" project may be beneficial on several levels of business operations today and develop partnerships for tomorrow.

Please join us for lunch to celebrate your commitment for one youth summer job and/or sponsorship of a youth in an enrichment program. Your attendance and support of at least one youth in the "Each One Take One" pilot project is not only needed but will make a difference. On June 13th, 2009 a Community of Change Celebration at the Mountain View Park and Recreation will take place in honor of your commitment to the pilot project kick off.

Your RSVP is appreciated by April 28th, 2009, either by email at lchurch@pd.sandiego.gov, or call Lucia Church at 619-527-3500.

Sincerely,

TONY McELROY
