**SAN DIEGO PUBLIC LIBRARY TO HOST DIGITAL BOOKMOBILE NATIONAL TOUR EVENT**

*Share the ebook experience of downloading free digital titles with just a library card and an Internet-connected computer, smartphone, or tablet*

**San Diego, CA** – The Digital Bookmobile National Tour will showcase the free eBook download service from the San Diego Public Library. The Bookmobile will be in San Diego at the Serra Mesa-Kearny Mesa Branch Library at 9005 Aero Drive, San Diego, CA 92123-2312 on Thursday, February 16 and Friday, February 17, 2012 from 10:00 a.m. – 4:00 p.m. At these free events, readers all ages will learn how to download eBooks from the library through interactive demonstrations and high-definition instructional videos. A gadget gallery—featuring Kindle®, iPod® touch, Android™ tablet, NOOK™, Sony® Reader™, BlackBerry®, Windows® Phone, and more—will help visitors discover portable devices that are compatible with the library’s download service. Library card holders can also check out and download digital titles anytime, anywhere by visiting [www.sandiegolibrary.org](http://www.sandiegolibrary.org).

The Digital Bookmobile, operated by OverDrive, Inc., is housed inside an 18-wheel tractor-trailer. This 74-foot community outreach vehicle is a high-tech update of the traditional bookmobile that has served communities for decades. The vehicle is equipped with broadband Internet-connected PCs, high definition monitors, premium sound systems, and a variety of portable media players, all of which help visitors explore the San Diego Public Library’s download service. Interactive learning stations give visitors an opportunity to search the library’s digital media collection, use supported mobile devices, and sample eBooks, audiobooks, and videos. **We encourage visitors to bring their eReader devices to get expert assistance in how to download from the library’s eBook collection.**

Patrons can take advantage of the download service 24/7 when they visit the library’s website. From there, they can browse the growing collection of bestselling, new release, and classic titles, and check out a digital title with a valid library card. Once downloaded, digital titles can be enjoyed on a computer or transferred to supported mobile devices. Many audio titles can also be burned to audio CD. At the end of the lending period, titles will automatically expire and are returned to the digital collection. There are never late fees or damaged items.
