

CITY OF SAN DIEGO, CALIFORNIA
COUNCIL POLICY**CURRENT**

SUBJECT: EQUAL OPPORTUNITY
POLICY NO.: 300-10
EFFECTIVE DATE: May 19, 1986

BACKGROUND:

Since the adoption of the City's second Five-Year (1979-1984) Affirmative Action Program, significant progress has been made towards realizing the goal of equal employment opportunity. The City has, in most cases, achieved its interim goal that the representation of women and minorities in its work force mirror the representation of women and minorities with requisite skills, based on job-related criteria, in the labor force of the County of San Diego. However, there continue to be job areas within the City in which women and minorities are underrepresented.

PURPOSE:

The City Council, in this Policy, declares its commitment to provide Equal Opportunity in all activities of the City and its agencies, including employment of individuals and firms which contract with the City. This policy is intended to reinforce the merit principle in public employment. Its provisions serve to promote equal opportunity in a cooperative spirit and to create goodwill throughout the community.

POLICY:

1. The City Council is committed to an Equal Opportunity Program pursuant to applicable State and Federal laws and guidelines, to provide Equal Opportunity in all activities of the City and its agencies, including employment of individuals and firms which contract with the City. The Council has extended this commitment even further to have as the City's goal that the representation of women and minorities in the City's work force achieve parity with the ethnic and sex composition of the population of the City of San Diego.
2. The Personnel Director will submit semi-annual reports detailing goals, progress, and strategies to the City Council for review and approval by the Rules Committee and Council. These reports will contain data of sufficient detail as to provide a clear and comprehensive breakdown of the City's workforce in all city departments.
3. The agency and corporate directors of those entities under Council direction and contract will submit semi-annual reports detailing goals, progress and strategies to the City Council for review and approval by the Rules Committee and Council. These reports will contain data of sufficient detail so as to provide a clear and comprehensive breakdown of the workforce.
4. The City Council will require reports on Equal Opportunity programs and progress to be submitted by those individuals and companies doing contract work with the City.
5. The City will continue its efforts to employ and retain women and minorities in occupational categories where they appear to be underrepresented so that they may obtain requisite skills.
